Tenderly Gather Them In!

The exciting news of a drop-in nursery school in a closed country!

Some of the 26 children of 13 nationalities at our nursery school!

IT'S A REAL ENCOURAGEMENT WHAT GOD HAS DONE since our little school opened last Sept. 7th. It's a very modest school compared with others here (we have 26 children), but the parents are thrilled because of the spirit of it! TYL! Real love never fails & has really made our school stand out amongst other schools here.

WE OPENED WITHOUT ANY FORMAL REGISTRATION and after pursuing it further we found that we could not be registered due to size (we were too small). After meeting with the Secretary of Education, we were told just to carry on & not to worry about it, as every foreign school here is not registered with the Authorities! PTL!

WE HAVE RECEIVED SUCH A GOOD RESPONSE from the parents & they are so thankful! At Christmas, many gave us gifts & when Eve had our fifth baby all the mothers got together & had a baby shower for her. What a blessing that was, as there were so many things we needed! Phil. 4:19! PG!!

HERE'S OUR SCHOOL SCHEDULE: 8:30-Group story or science experiment or a group participation project. 9:00-Reading, writing & language exercises for the older ones. Teach Your Baby to Read games for

the younger ones. Free play with school equipment & educational toys. 10:00-Snack & clean-up. 10:15-Project time involving social studies, geography, science & nature, sewing, etc. 11:00-Singing & Art; varies every day; followed by outside or free play.

AT CHRISTMAS WE HAD THE CHILDREN PUT TOGETHER THEIR VERY OWN NATIVITY PLAY! Thus, we were able to teach them the meaning of Christmas & led all of them to the Lord. PHN! The parents came over with their friends for an afternoon & all the children did the play & sang Christmas carols & it had such an impact! This sample brought along more interested parents with children to enroll in the school!

OVER CHRISTMAS, WE ALSO TOOK SOME CHILDREN to orphanages here & they did skits & the Lord gave us another 600 souls! When we first prayed about opening a school, we had prayed for sheepy children & the first verse we got was: "My children shall have a place of refuge" (His children)! Please keep our work in your prayers as we continue to "Open the door for the children, tenderly gather them in"! Love, Barak, Eve & team. ■

Poland: The "Open Field"

PIONEERING POSSIBILITIES!

by David, Ann & Flor

WE HAVE TWO TEAMS IN POLAND, working a few weeks to two months at a time getting to know the field & its people & needs. So far, we have found that the best way to get in & be able to continue has been thru' either music or teaching languages.

WESTERN MUSIC IS POPULAR but hard to come by in Poland. So a good musician can get into any number of top clubs & hotels if you're persevering. This affords an opportunity to meet officials & influential people from not only Poland itself but also tourists from many other Eastern & Third World countries. Our group there has already been offered jobs in the capitals of other East Bloc countries, as well as in North Africa.

TEACHING IS LESS FLAMBOYANT, but perhaps more stable. You need no special requirements or degrees to get started; if you are a native speaker of one of the major Western languages, especially English. The demand for native speakers is great, as there are almost no Westerners living in these countries, except for official or business reasons. We have found this to be a tremendous open door & the potential is almost unlimited!

BESIDES THE UNIVERSITY LECTURES, we have been asked by police & customs officials, doctors, businessmen, etc. to assist them as tutors. The foreign community, made up of Western businessmen & ambassadors, has enquired about our teaching their children, because there is only a small correspondence school there (very limited) run by the U.S. Embassy.

SEVERAL HAVE WRITTEN FOR INFORMATION ON HOW TO GET STARTED. We suggest the follow-

ing: Unless you are a citizen of one of the Scandinavian countries, you are given only a three-month visa. We suggest you already have sufficient funds to take care of your first month's rent (about \$150) & at least \$100 to take care of food for the first week, as well as your fare to Poland (about \$60 from Sweden). If you are over 25 years of age, you must exchange the equivalent of \$12 per day while you are in Poland. If you are under 25, the rate is \$5 per day, or during the months of September to April. The money ex-

change is actually about what you need to cover your expenses.

ONCE IN THE COUNTRY, we can give you names & addresses of people who could possibly help in securing jobs. So, for those who feel called to work in Poland, we'd like to hear from you & we'll do what we can to help you get started. In the meantime, build up what support you can where you are. Ideally, it would be good to arrive at our border base here in Sweden with \$450-500 to get you started on your first trip into Poland.

WE HOPE THIS WILL ENCOURAGE YOU who feel called to work in Eastern Europe & Poland in particular to seriously consider it. Poland is a ripe "open field" (did you know Poland literally translated means "open field"!). It is a difficult but exciting field which we feel will prove extremely fruitful & could well be the key to opening the East Bloc countries! For more information, please write us at: Flor Oset Pique, Box 471, 20124 Malmo, Sweden. We love you & hope to hear from you!—Your Poland pioneers. ■

Fishin' On The French Riviera!

by Jeshanah, Windy & Joan

THE LETTER "WINNING THE SYSTEM" REALLY APPLIES.

We really feel so incapable, but we know that if anything good happens it must be the Lord, as the odds are so much against us; but like David & Goliath, the Lord has won victories which we would like to share!

WHEN OUT AT NIGHT, THE GIRLS OFTEN MEET PEOPLE

who invite them to sing for private dinners or parties, which enables us to meet many people & witness with our music (& it pays too!). Also this way, we appear to be "eccentric artists", which this class of people really goes for! By this method we are becoming known by people, many who have told us we are much needed in this spiritually destitute land. PTL!

FROM JESHANAH: A few months ago while out to dinner with Joan & her fish at a very exclusive restaurant, a man from another table kept trying to make contact with me. Finally after sending over numerous bottles of champagne, I talked with him & he called me the next day.

THIS MAN, S., IS A LEBANESE MILLIONAIRE who comes here quite frequently & often contacts me as he says I have a "special feeling" which he likes. The most fruitful way I've found to witness to S. is via personal letters, including MO quotes which he finds very powerful. S. has always given me generous donations for my time with him & he has arranged for us to sing at a few private dinner parties for a well-known billionaire, K.

K. SEEMS TO BE A VERY SINCERE & SPIRITUALLY DEEP

PERSON who loves our songs so much because they carry a message. His private secretary has requested a tape of these songs & informed us that "the chief" is interested in us. K. has a few houses on the Cote d'Azur & is well known for giving lavish parties for the super-rich, so we are sure to meet many more influential people if this door stays open. Please pray for us!

AT FIRST WE WERE A LITTLE OVERWHELMED when we realised who he actually was, and I know I personally felt unworthy & intellectually incapable of reaching such a class of people. However when I see how they are so turned on by our spirit of love, I realise how true it is that "even one candle can be seen a mile away when it is dark"—& here is truly a vast darkness! The Letters are truly what gives us the faith to continue, & we see how it is the Lord who is opening the doors where He wants, when we obey & follow!

ANOTHER EXAMPLE OF THE LORD'S OPEN DOORS is the story of G., a rich Italian landowner. When Joan sang him "Momenti Fantastici" in Italian, he loved it & asked if we could record it in Rome. He is truly sensitive in the Spirit and I felt God was going to use Him mightily.

SO WHEN HE INVITED ME ON A TRIP TO THAILAND, I accepted. During this trip he became much more aware of my beliefs & ideals & he asked me to be his religious teacher. He explained how he wants to do a good work with his money, to share some of his riches with the poor (as we saw so nakedly the need in the poverty-stricken countryside of Thailand). This encouraged me

how God can use him as it says in "Rags to Riches": "How are we going to help the poor unless we start with the rich & powerful who can make it possible."

A MONTH LATER, I VISITED HIM IN ROME & we bought an Italian Bible & started reading it together daily. But the situation that brought him to a decision was when he realised how jealous & possessive he was of me, not willing for me to share love with others.

I EXPLAINED HOW GOD HAD TO SHARE HIS SON JESUS with a whole wicked world & showed him 1 John 3:16. He really broke down & admitted that He wanted that kind of love too, so he asked Jesus into His heart! He spent the whole night awake reading the Bible & since then he is always asking me to explain spiritual principles. G. is used to a rich & selfish lifestyle, but inside he really longs to be simple. He says he needs me to help him to be like he wants to be. So I am continuing to feed him the Word.

THE LORD SEEMS TO BE USING OUR LITTLE TEAM to reach a number of international people of influence. Also, a little word about S., the son of a Greek shipping magnate. I saw him frequently last summer & fall & he has now moved to New York City temporarily. He asked me to keep in touch & that we will always be friends. One day while praying for him, I got parts of the Letter "Howard Hughes": "The Lord was trying to show him God was not nearly as much interested in his money as He was in him—that his soul was worth more than all his millions." This applies for the other super-rich that we have met who are so used to people doing anything for their money. But they really sense we are not this way but

sincerely love them. This intrigues them as they see we have nothing materially but yet so much more than they—Jesus! Hallelujah!

FROM WINDY: C. comes from one of those "fallen royal families" in Italy, lives & works in Milano & comes here on weekends. Since meeting him last summer, I knew he was a sheep, but he had a sort of disciplined proud spirit about him that seemed to have been placed upon him. While with him one weekend recently at his flat, I was gently but firmly trying to undermine this attitude with God's Word in our conversation. Suddenly, in anger & desperation, he bolted over to his suitcase & pulled out a Bible & almost in tears confessed that he was trying to be a good person. At this point, I started to cry & after a few salvation verses from his Italian Bible,

C. PRAYED TO RECEIVE NEW LIFE IN JESUS! TYL! Then he began to tell me about the time he spent in Angola as a mercenary soldier, why & what happened, pulling out photos to prove it. This poor soul was so full of guilt & imbedded fears! After making love, we read the Bible all afternoon. I gave him a "Real Love" booklet which he has started to read.

I HAD A VIVID DREAM & VISION while sleeping at his place, of a particular cruel old soldier spirit that is haunting him. I saw this spirit enter the room & start talking to C. in his sleep. Afraid of alarming C., I stared at the ugly old soldier & silently rebuked him in Jesus' Name. He slunk away, really angry at me. I recounted this to C. who is beginning to see the seriousness of absorbing God's Word for his protection & spiritual well-being. He is so precious!

OUR CIRCLE OF FRIENDS IS CONSTANTLY GROWING & God is supplying our needs. We have learned many lessons on security & wisdom, such as not entering clubs in huge groups but staying in smaller groups, especially now! We are truly learning how to abase & abound; one night being driven to a private party in a chauffeured limousine & the next night hitching to a restaurant to sing & pass the hat! Hallelujah! As from the beginning, we trust the Lord will continue to lead & the Letters are our continual source of strength & guidance.

Your Fisherwomen. ■

FF'ing As A "Social Escort"!

(Editors: Her name is withheld for security!)

HERE IN HONG KONG, I'VE BEEN PIONEERING A NEW WAY OF FF'ING. I don't necessarily recommend it as being for everybody, but for me it's great—souls are getting saved and it's paying!

AFTER BEING SEVEN YEARS IN THE FAMILY, I found myself in the same old rut, still trying to fit in the same mold—sleeping in bunk beds, following the daily routine, finding little freedom of expression and very seldom a quiet place to pray. I felt I wasn't making the progress I should in my personal life, living this way for so long, at 28 years old!

SO BY FAITH, I MOVED INTO THE HOME OF A FISH-FRIEND who provided me with my own free room. And I have taken a part-time job as a "social escort"! Often before, I had a hard time finding a fishing partner as the other girls had dates or other duties.

NOW I HAVE FOUND A WAY TO FF ON MY OWN, WITH PAY, and have met some very interesting, unusual and receptive, appreciative people, some of whom have received Jesus and made extra donations for the Work! Hallelujah! At first, I was paid only for wining and dining them and if they wanted sex afterwards, that was between me and the customer. I was doing it for free, if I felt the burden. But now I get paid for that too, if it is arranged in advance with the escort service.

NOW I MEET MEN WHO WANT LOVE SO BADLY that they're not too proud to go thru' an agency and pay for it! Whereas before, I had some fish who did not appreciate me no matter how much I gave them

and wouldn't come thru' with "promises" of donations, etc. Now, the guys I meet know they can't be possessive, and appreciate what they can get, since they have to pay for it, especially here in Hong Kong where everyone is so money-minded!

NOW I HAVE MORE MEN FALLING IN LOVE with me and appreciating my time more, believe it or not!—Because I have the Lord and I put everything I've got into it. I tell them that in the daytime I do Christian volunteer work for the Family of Love and that we can go together on Sundays if they like for "The Church of Love".

I DON'T KNOW HOW MUCH LONGER I CAN CONTINUE with this job, as I am one-month pregnant! PTL! In the meantime, I also have an offer to go to China to teach English from an ex-university teacher from there. He was my first "customer" when I got the "escort" job! So, PTL, the horizons are limitless!

RIGHT NOW, I LIKE "PLAYING FOR PAY" because the men appreciate what they pay for! Then I can give 'em the Lord! Also, the escort service is registered with the tourist board. In that way, it's pretty safe and most of the men I've met have been real gentlemen. One thing I understand, as Dad said, this work is dangerous and we're not playing games. At the same time, if I do get into any trouble I am separate from the Family and they don't have to get involved. I've met and been able to witness to all kinds of people. Hallelujah! And I have something to give them all! Thanks to Jesus and the Words of David! ■

From Your Little Lovers!

From one of our MO Letter secretaries:

Dear sweet Dad,

I LOVE YOU SO MUCH! As I was praying yesterday my heart was filled with thoughts of you & I realised it had been a long long time since I'd written you a love poem. Then I wrote down these words for you:

*Dear sweet Dad, I love you so,
I long for your embrace!
I long to see the sunshine
On your sweetly smiling face!*

*The love that shines so deeply
Within your eyes so blue,
Made me fall so wonderfully
In love with you!*

*But this was not the first time,
I had loved you from afar,
Thru' the Words that you have spoken
Which have filled my hungry heart.*

*I treasure deep within my heart
The days when we were near
I didn't really want to part
From my Father's arms so dear!*

*But I'm happy that I am a part
Of God's great Family
& can type the words I truly love
That mean everything to me.*

*All I really want to say
Within these lines so few,
My dearest sweet most precious Dad
I'm so in love with you!!*

*-From one of your little lovers
who loves & needs you so much!
-Your Sal. (ILY2! - D.)*

**From Ruthie
Atlanta in
Hong
Kong:**

Ruthie as "The
Goddess of Love"
at a costume
ball in H.K.!

*Dearest Dad,
I wanted to give you a gift
Of something that would say
"Happy Birthday, Dad!"
In a personal way--*

*Not a gift that money bought
You wouldn't use, so I thought,
Better to spend this time with you
Writing a love poem just for you--
Coming from my heart engraved
With the love of my David*

*Your mouth most sweet I gently kiss
Your dear warm body with love caress
& pray that God will always bless
Our love with moments just like this
Spent together in His bliss.*

*I can love you with words I write
In the calm & silence of the night
& I can love you all the day
Following your words in every way!*

-With love forever!-Ruthie.

Dearest Maria,

GBY! YOU LOOK BEAUTIFUL
in the FN photos! PTL! Most of
the guys & FF'ers here said they
were really surprised to see you
didn't have huge breasts like Eman's
drawings! They were encouraged
to know that God's Queen of Love
& FF'ing was a lot like the rest of
us in that respect & that the miracle
of love in FF'ing depends on the
Spirit!

WE LOVE YOU SO MUCH & are
praying for your health & strength
& for the new baby(ies)! Thanks
again for all the love you showed
to me. Lord help me to try to fol-
low your example in life & the
Letters! Love always, Ruthie.

From Simon & Selah; Sweden:

Dear Dad & Maria,

SIMON MET SWEDISH EVA who
was with you & Bernardo in Tenerife!
She now has a sweet baby boy
of 8 months named Karl-Viktor Daniel.
We invited her home & she told
us how she met you, Dad. She said
that the only person she thinks of
every day is you. She said she's
never going to forget your love &
she wants to see you again, but then
she said, "But really, I don't have
to; he's in my heart now." She
loves children a lot & says she wants
to have many! Love, Simon & Selah.
