Therefore no authentic member of the Children of God would have printed tup for distribution to the public. Also the pemphlet bears a copyright. To Editor
Sunday People
London, England

Dear Sir:
AFTER READING THE RECENT ARTICLE entitled "Child
Sex Shocker" published in.
your paper of April 6, 1980 I
feel I must write to express my
disgust over the sensational 8
untrue ellegations made.
THE ARTICLE REFERRED
TO A PAMPHLET "MY LITTLE
FISH" which the article states
that "a former member of the
sect, the notorious Children of
God, has told Merseyside police
that he has been involved with
others in distributing the pemphilet to children outside schools.
IF THIS WAS THE CASE,
then your informant should
have no difficulty in recalling
which schools he went to & who
hase "others" were, & also
there should be no difficulty in
finding witnesses who received
copies of this pemphlet, none
of which appeared in the article.

LY NOTHING PERMED THE ELECTION
Contained in the article to go by
therefore it could conjure up
all manner of ideas.

WHAAT IN FACT THE PAMP
HILET IS ABOUT is the early
years of childrood in which children should on that their brodies are a beautiful creation
of God & that every part is perfectly normal, natural, good &
God-made for perfectly good
purposes & uses, if used in the
proper way at the proper times
with the proper people & in a
way which is not offensive.

A CHILD'S INTEREST IN
THE EQUIVALENT PARTS
OF THE OPPOSITE SEX IS
ALSO PERFECTLY NORMAL
anatural, along with their innorm childish investigations
of the same, out of normal curlosity, & should not be discouraged, condemned nor punished
unless over-indulged in, offensive or actually bodily harmful
to those in question.

AND THERE IS CERTAIN-

to those in question.

AND THERE IS CERTAINLY NOTHING PERVERTED
in the pictures contained; they
are perfectly innocent showing
children at play & when seen
in context with the rest of the
pamphlet & not distorted to
portray something unnatural,
as has been the case in the article.
To continue with the article.

portray something unnatural, as has been the case in the article:
"WE WERE GIVEN A DUP-LIGATE OF THE PAMPHLET by Miss Cary Williams of the Deo Gloria Trust". There was no mention to the reader who the "Deo Gloria Trust" is. If you care to research into their aims you might discover some disturbing facts. In the Brussels magazine "Special" of Jure 1, 1977, under the title "War on the Sects—the New Exorcists", the Deo Gloria Trust is mentioned on page 7: "At an ultra-confidential conference

held by 'POWER' under the cover of the very official 'Deo Glorie Trust'..." POWER IS INVOLVED IN USING DEPROGRAMMING

POWER IS INVOLVED IN USING DEPROGRAMMING rechniques which can involve physical torture to deny one's faith which is an intolerable situation. You may also care to read articlet by Prof. Roy Wallis who lectures in sociology, who speaks out against the evils of this technique. The general public would be enlightened if you exposed their deeds!

YOUR ARTICLE ALSO QUOTES THAT "He (Father David) brought his followers to Europe when he was run out of the United States in the 1960's." Well, this is untrue. Father David was not "run out", & the authorities in question will testlify to that. He came over to fuffill the great commendment of Jesus in Mark 16:15 to "go ye into all the world & preach the Gospel to every creature" so that now because of his efforts we have over 6,000 disciples in over 80 countries.

INSIDE

Witnessing Miracles on a Closed Field | Family Get-together | News Briefs | New VS Reports | Children's Corner | "Take Time", a poem by Grandmother,

THRU's some of our worst trials since joining the Family. I personally felt so unhappy & unfulfilled. There seemed to be so many pressures—the children's TO STEP OUT & OBEY, the schooling, legal situation, finances etc. I wanted to get a job, but having joined the Family at such a young age I had no qualifications, hal What the Lord was doing was trying to get us both, especially me, to accept our real job for the Lord: Our children!

WHEN FAITHY & JUAN VISITED, they spent lots of time with us & were so encouraging. Gradually we began spending more time with the children—we have 5 girls ages 2 to 9 years!

THE LORD SHOWED US TO START A SINGING MINISTRY with the children as a way to witness. At first I kept trying to find someone else to do it instead of me. Finally I realised that if anything was evergoing to happen with the children, I was going to have to play & sing with them myself.

dren, & we still have many more singing appointments lined upl AS WE'VE STEPPED OUT IN THIS NEW MINISTRY WITH THE CHILDREN, Charran & I have grown happier & happier & more fulfilled. By God's grace we're gonna keep going with this fantastic ministry & are now working towards making our entire performance in the language of the land. We've also got to keep changing it or the children will get bored with it.

CHARRAN & I ARE ALSO NOW WORKING WITH THE EAST BLOC MAIL MINISTRY.

The responses we're getting thru'

EAST BLOC MAIL MINISTRY.
The responses we're getting thru'
the mail are fantastic & with the
Lord's help we're going to have
a very rapidly increasing mail

But that's another whole story
in itself! We love you all so
much & pray for you!
—Much love,

BIWARE OF BACKSLIDER: ROSER! (We regret to have to expose a backslider in order to her evil influence.—Dad.—10 February 1980.)

The following reports, confirmed by many, are a warning to our entire Family of the dangers of "doubting, disobeying, denying & betraying". My husband & I personally helped nurture (Spanish) Roser into the Family about seven years ago, under extremely dangerous conditions & even risk to our lives, with furious threatenings of imprisonment & even murder from her very wealthy, influential parents, & we were even forced to flee because of their severe persecution. Roser, however, was convinced of her own will & conviction to join the Family & serve God with us & although having to continually secape from her disbolical parents, was a good sample & witness to many for several years. Two or three years ago, however, as her parents changed their tactics & became less violent & antagonistic toward her personally (although their attitude toward the Family was as bitter as ever), she against counsel began to have communication with them & even return for visits to her home. Each time, though, she would try to witness to them, they would continually spout their lies & bombard her with vicious accusations against the family, trying to lure her back to her old life. She is now with them & working & speaking actively against us, the Lord & the Family, we do love her, & are heartbrok en over her, but we must warn you all now of her very evil deeds, as she is obviously working with some of our very most antagonistic enemies. Eph.6:10,11:--10:e, Sara D.

REPORT FROM FMANUEL & HANNAH—8 DECEMBER 1979 (almost three months ago): ...Roser arrived in Geneva on a Tuesday, the 13th of November, by plane from Greece, but the next morning told David, the brother in whose Mome she was staying that she wanted to go back to Spain. She said that she didn't know anybody at the other Home, so she didn't want to stumble anybody else as they all seemed to look up to her but nobody knew where she was really at in her heart. David said that she was speaking quite a few doubts about Ffing how her fish didn't ever seem to pan out & she was questioning if it was even that necessary to go all the way with them, etc.

She's spouting the same

John See & Grinking so is now a false prophet. And She'is also spreading lots of stuff about how bad they were in Greece to people of into drinking & sex & telling people stories

I won't go into it all jub ts suffice it to say that it was just a bunch of the Devil's propagnad & a few people were falling for it. Carolina, for example, who used to be Rozer's best friend here listened to it all & then started having any doubts in her own mind & thinking about leaving the family even! But thank the Lord, Cella & Jose refuted all the lies, & also but leaving the family even! But thank the Lord, Cella & Jose refuted all the lies, & also with a seckner on the preserved when he saked to come laik to us, & her really saw the truth is shocking thing about all of this is that Sally is condoning Rozer's behaviour & saying, well, if that's what she believes, that's perfectly all TipIT, & he's entitled to her opinion. Sally doesn't seen to think that Roser is doing anything bad at all it's really amazing? Seens like Sally is dirting further & further away, even coming out a sayin she doesn't agree with the went to the Island Meeting the other day & Cella & Jose brought up the subject of Roser to warm everyone about her & make there for, her purposes & intents, & there was such an obvious division in the various people there about it--sally was the refers to warm everyone about her & make there for, her purposes & intents, & there was such an obvious division in the various people there about it--sally was the microdor of forcia see on the following more as promptly left the meeting when Ricardo arrived.

But I think the majority of the kids here, particularly the full-timers, are really in tune to be following more and the same and the same and the same and the same a

they believe as they do, that they could have fellowship with us as any other Christian, but no longer with the Family, no more fellowship in the Family as they were not the Family. Right after this Ricardo asked everybody to raise their hands, all that were agreed with what I said, å everybody there except Sally, Mencedes, Ricardo, Pepe, Roser, Paco de Carolina, Teresa raised their hands. So they are very much alike å I won't be shocked if they start working together more or less actively against the Family.

Roser started backsliding even from the time that she was living here in Tenerife seven months ago, right after she left to go to Barcelona where her parents live. And then to go to Greece she was having battles with Fing å she was hardly helping anybody physically for a long time.

I don't think that anything that Faithy å Juan did in Greece would have made her stumble if this problem wouldn't have come from before. I mean that she already was looking for a reason to backslide, å excuse to leave her place of service. It's ridiculous to think that she merely backslid for something that Faithy å Juan did, because right after she backslid she turned against Dad å the Letters, showing which was the real reason for her vasons she quit. Then, as you probably know, she went to Barcelona to live at her wealthy å influential parent's house. Her mother is working with the FreeCog group in Barcelona. Her open doubting å denial of the Letters is very open å she aiready has looked for quotes in the Letters that are a little bit hard to swallow to confound the sheep å use it against the Family. She also carries in her purse the FN where you say that she is of your entire confidence å if she says these things, it must be true. So I believe that she needs to be publicised as an active enemy.

In Barcelona she got in contact with Belen, another backsliding ex-Fer, å she said that she is going to try to help her with the children. They are perfectly agreed in what they say against the Family. This is the same attitued tha

Lots of love to all or you, much Love, usu. FROM MIGUEL & MAGDALENA, Spanish Nationals, recent comers to Tenerife--28 January 1980: GBY: MLY: Thank you so much for all your love & concern through your prayers & lovely Letters that we are for sure receiving, & that are inspiring & strengthening our spirits. We want to let you know one more time our unconditional giving of our lives to serve the Lord with the Family following the line that you, God's Prophet, are showing us, no matter what

with the Family following the line that you, God's Prophet, are showing us, no matter what happens. We want to say also that we are happy for the way the mess has ended caused by Roser's coming this past week. We believe it worked out positive, her coming here, & that it provoked this division between the neutrals & the 100% disciples. Everybody had to show his own, real face & the Lord has separated the all-outers from the neutrals who were being an obstruction for the work here.

The situation shake up to stand for our faith & renew our vision & even has awakened some people that really love you & the Letters but just were sleeping a little for some time & they needed this shake up!

We are sure that now the "third class" disciples, without any "first class" disciples on the "Gua gua" (bus) to pull, (see Letter No. 334A) as well as their heavy weight of continuous criticism, doubts, mormaring, misinterpretation of your Letters, etc., are going to give the Bolido (sports car) much better & in tune with you & the Lord.

The Lord has already given to us a new generation of New Bottles to minister to, ready to drink yours & the Lord's Mords, without the influence & bad example of any Old Bottle wavering & questioning openly your message in the Churches of Love, "Catacombers Meetings," etc.

The Family here is very united & on fire & much freer to do the job now. That's the result of the Bevil's ambassador's visit here: She just reaped the neutrals, old bottles, that were

disturbing God's job & helped to show their real face, but not one of your children has been touched. Jobn 10:22-29.

Much, much, much love & prayers. Miguel & Hagdalena.

Witnessing Miracles On A Closed Field! On the Job! FF'ing! Invading the Churches! Litnessing via Letterboxing!

& Nekode;

Southeast Asia:

WE ARRIVED IN OUR NEW FIELD OF S.E. ASIA after several years in W. Africa. As a means of support & way to witness in this closed country, we started working with a program in which we led sing-along sessions for youth & gave lectures on our involvement with youth in our travels to many countries around the world.

WE MADE UP CLASSES STRAIGHT FROM THE MO LETTERS & thru' this open door we were able to witness to over 20,000, both in person & thru' articles done on us in 2 magazines & a mejor newspaper. PTLI After each sing-along session we took names & addresses & made up a mailing list & sent them literature.

WHILE FF'ING AT LARGE HOTEL, we met a British drams teacher who was directing a production of a play with a good message of Love. He invited us to take part as dencers. Thru' participating in the play we were able to witness to over 4,000 people & to witness to peak a person of the play we were able to witness to over 4,000 people & to witness to peak a peak a

new job & sponsorship in order to be able to remain in the country. When we prayed desperately for God's leading & direction, we got the Letter

"Use It"

THE LORD LED US TO INVESTIGATE A DRUG REHAB-ILITATION PROGRAM which happened to be directed by an American Christian. He fell in love with our music & asked us to sing for one of his fund-raising programs. He also gave us a place to live. Thru' him we started to attend Christian fellowships & to go on invitation to some of the local churches.

HE IS ONE OF THE MOST RESPECTED VISITING PREACHERS & asked us to accompany him on some of his speaking engagements where we were able to sing & witness to over 2,000 & won many souls! TYJ! We also met many "city fathers", government officials & other influential people.

IN GOING TO CHURCH, one of the 1st things we noticed was that the Christians were only fellowshipping among themselves & not reaching outsiders. So we made our major message be that of witnessing. We did skits on witnessing & gave witnessing ians. So they asked their Archbishop to deliver an appeal

testimonies.

MANY WERE CONVICTED & STARTED TO WITNESS & came back with testimonies of their witnessing. But 1 of the lessons we learned was that our message of witnessing & sharing God's love outside of the church automatically divides the sheep from the goats.

AS A RESULT, THERE WERE A FEW COMPLAINTS made against us—& some of the pastors were getting very jealous & afraid we were going to "rip off" their members because they were falling in love with us & getting on-fire for the Lord. THEN WHEN THE LETTER "INVADE THE CHURCHES"

CAME OUT, it encouraged us & confirmed what we had been doing. Just as Dad says, this ministry is very dangerous, but it can yield some good fruit & support. In a somewhat closed field such as this, working with the church enables you to witness more openly, which is a real blessing. But you always have to be ready to move on.

LETTERBOXING: Most recently the Lord has opened the door for us to get the lit out thru' letterboxing. Most of the population here lives in highrise apartments, so we have found that we can get out 1000's of Letters per day by placing them in lettertboxes.

Response to the LIM Revolution!

From Paul & Marianne: (after their visit to WIM):
Dear Dad & Maria,
WE WERE IMPRESSED BY
THE DEDICATION OF EVERY
ONE & also by the efficiency of their work! GB'm, they are real hard workers. We learned a lot by seeing the office function & operate—how they process & manage to give immediate replies to their mail.
WE WERE PARTICULARLY AMAZED AT THEIR FORM
LETTER SYSTEM, how personal but efficient it is! We have learned many helpful tips which we know will be a tremendous blessing to all the LIMs. So true that what people want is just a plain but prompt reply to their requests, & you can still we make them very personal.

THE PROOF OF THIS IS
THE MO LETTERS which we have received for years & they are very personal. It's as they they're written just for us, & they have carried us & inspired us & flipped us out just as much So hurray for the form letters that save time, effort, money ett WHEN WE GOT BACK TO OUR OFFICE & found the correspondence stacked on our desk, we went thru' each letter trying to find the common de nominators & then we wrote a stock paragraph, & it works!

ONE REALLY TOUCHING THING AT THE WIM is to see all these "big people" sitting at a desk stuffing envelopes & lick ing stamps & daily doing the same humble tasks—which is really a great job for great people—To get out the great Wonder Working Words, TYJ!

THEY'RE ALL REALLY SWEET & LOVING & they've been so very helpful in explaining all the steps & procedures involved in a large mail ministry God bless Damaris, she's not only very sweet but also a real fighter with such conviction & faith. We learned a lot from her sample of dedication. God bless her for "holding the fort" & keeping all those "oddballs" together. She has a lot of love & tenderness but still a firm hand in a soft glovel (Amen! Dad.)

WE ARE SO INSPIRED

ABOUT THE LIM REVOLUTION. We want to put our 100% effort into making it work. We are really amazed at how the Lord gives you exactly the direction & the right time for the shifting of gears to guide us all. We can't wait to share the vision with each LIM in our area & start to see 'em roll!

Love, Paul & Marianne.

A JOKE TOLD BY A
PALESTINIAN FRIENDS
ONE DAY THE PHALANG1STS (Lebanese Christian Rightists) held a secret meeting in Beirut to discuss what they should
do about the Palestinians—how
to kill them off! Finally it was
decided that the only thing left
to do wes to ask "God the Father" to do the dirty work for
them & liquidate the Palestin-

ians. So they asked their Archbishop to deliver an appeal
letter to God (seeing that he
was a priest & considered to be
a lot closer to God than the
rest of them). The Archbishop
said it would take a week or so
for the answer, because God
did live far away!

BUT SUDDENLY THE ARCHBISHOP RETURNED only 2
hours later very excitedly. He

told them that on his way to see "God the Father" he unexpect-edly met Jesus, & that Jesus, as God's son, could deliver their letter even faster than he & that God would certainly listen to Jesus more than to him.

THE PHALANGISTS WERE ELIBIOIS! "You fool!" they

FURIOUS! "You fool!" they said to the Archbishop, "Didn't you know Jesus was a Palestinian!" (Sent In by G.&R.: Mideast.)

JUST BEFORE THE CAMP-ING SERIES CAME OUT, I was desperate about what to do as I was staggered by the exhor-

When we bothered to put up the tent, it was mainly for storage or an FF love room!

IF WE HAD THE MONEY, we usually found caravan parks to be worth \$2 or \$3 per night for a tent site, laundry & bathroom facilities & often a swimming pool to teach baby Jo to swim. Also caravan parks are sooog good for witnessing! The people are all around you, so you have a ready-made field right there. There are usually lots of children to "Open the Door" to. A lot of kids got saved & I showed flannelgraphs etc. to the kids who gathered 'round. I was also able to FF 2 campers. One was a lonely widower who was so grateful. It really changed his life.

Healed of Cancer!

& undergoing a complete hysterectomy. The victory as well as
the testimony came when I declided not to undergo chemotherapy (the post-operative
treatment the doctors prescribed
which is even worse than the
disease itself!).

"PILL OR PILGRIMAGE"

when I read it for the 1st time
just a few months ago, a
year after the hysterectomy, I
decided to return to the hospital as a testimony of God's healing to all who knew me. So I
re-entered, telling my staff of 8
cancer specialists that the Lord
heard my prayer & healed me.
They had told me that without
their treatment I would only
have a few years left to live.

AFTER EXPLORATORY
SURGERY, the head surgeon,
whom I had witnessed to often

on the bed & told me: "God

they had found tissue cancer!

A WEEK AFTER LEAVING THE HOSPITAL, I returned to

the doctor, as he wanted to tell me something. When he entered the room he couldn't look me in the eye. He eventually got around to the point, that the cancer they supposedly found was just some cotton fibers from the previous operation! Hal Hallelujah!

LIFE'S BITTEREST DISAPPOINTMENTS

ARE GOD'S SWEETEST APPOINTMENTS
Out of life's misery born of man's sins
A fuller, richer life begins.
For when we are helpless with no place to go
And our hearts are heavy and our spirits are low,
If we place our poor, broken lives in God's Hands
And surrender completely to His Will and demands,
And surrender completely to His Will and demands,
And by His touch we are "born anew".

So praise God for trouble that "cuts like a knife"
And disappointments that shatter your life,
For with Patience to wait and Faith to endure
Your life will be blessed and your future secure.
For God is but testing your Faith and your Love
Before He "appoints you" to rise far above
All the small things that so sorely distress you,
For God's only intention is to strengthen and bless you.

GREATER LOVE THAN
YOURS wetched over him and
has taken him away. Why he
was taken in the dawn of his
being, we cannot tell. The
secrets of that world which he
has entered can alone explain
it. Our world does not seem
to have been intended for the
education of all. To many it
is only a birthplace. They are
born to be translated, to receive
their education elsewhere.
Can we not trust our loving
Father to choose the place
where His children shall be
trained? Is it not enough that
they are in His Hands?

God's garden had need of a little flov It had grown for a time here below, But in tender love He took it above In more favorable clime to grow.

It might have been marred had He left it below, Although we had tended with care, Had tilled and watered and hedged about, Watching each petal fair.

There with His smile for sunshin. It will grow to perfection of bloc No withering blight or destructiv To crush out its sweet perfume.

Perhaps sometimes, in quiet hours, We shall notice its sweet perfume, Steal softly down from the heavenly place, Till it seems to fill the room.

Then the earthly spot will seem less bare, As we think of the time to come, When we shall enter the garden fair, And find our transplanted bloom.

We are but organs mute till a Master touches the keys,— Verily vessels of earth into which God poureth the wine: Harps are we, silent harps that have hung on the willow trees, Dumb till our heart-strings swell and break with a pulse Divine.

Oh, say not that your little son is dead; The word too harsh & much too hopeless seems, Belleve, instead, That he has left his little trundle bed To climb the hills

f morning, and to share the joy that fills God's pleasant land of dreams. Nay, say not that your little son is dead.

It is not right, because it is not true.

He has but gone the way that you must tread, And, smiling, waits
In loving ambush by those pearly gates,
To laugh and leap at you.

No knight that does you service can be dead; Nor idle is this young knight gone before.

Nor late is this young knight gone before.
Belleve, instead,
Upon an envoy's mission he hath sped
That doth import
Your greatest good; for he at heaven's court
Is your ambassador.

"Back to the Land"

"Oh, boy! We got a place in the country! Let's make a farm! Let's make a ref-

Wait a minute, let's size up the situation. Let's not set our goale too high at first or we'll get discouraged. Remember that farmers go slow. Let's see, what does MO say? In "Great Escape" he said, "We will need refuges, not only in the U.S. but all over the world." Also in "Scatteration": "Rulers have come and gone, but the meek still inherit the earth. They live on the land, close to it, enjoy it and benefit from the fruits thereof, the healthful atmosphere, the non-pollution, the vigorous excercise, the wholesome foods and the simple uncomplicated life, with no psychological neuroses and nervous reakdowns, little or no rug problems, very few medical needs and very little dependency on the system. Each little farmer and his family or his tiny village or tribe grows its own food,

makes nearly all of its own needs and equipment and lives its own life almost totally independent from the rest of the world."

"PORK AND BEAMS" - TORING PARK, ITALY Peb., 1975 Vol. 1, Ho.

And in "Heavenly Homes" it says, "Me're going to go back to those days with only the beautiful creation of God around us and the wonderful creatures of God to help us plow and power and transport what little we have to do to supply our meager needs, even as the poor of the world still do to this very day in the most remote parts of the earth!"

And in "Dispersion" NO save "Go back to the land, the soil from whence man came and where the poor farmers will again survive the clashes of empires as the Chinese and poor Third World peoples will survive the coming great war for oil which will destroy the cities of the West!"

So the main reason we have refuses and fares are for a retreat in case of a big emergency. A place in the country is also a good place to raise our children:

"STEP ONE"

Refore getting animals for your farm, stop and plan shead. Unless you have the experience, facilities and food, large animals are usually ruled out at the beginning.

It's best to begin small. "Keep it small and simple and then almost anybody can run it, even the small and simpleminded. Despise not the day of small things."-"The Birds and the Seeds", No. 38.

Usually chickens, rabbits and ducks are the best. as they can find most of their own food if allowed to run (see "Bye Bye Birdie). Rabbuts also can be fed mostly things that grow naturally around the farm.

From experience we have found that you save such time and money if you build the pens, hutches or whatever before you get your animals. And they in turn will be healthier and happler.

Experience has been a hard taskmaster as all too often in our refuge farms we've gotten an animal and then made a temporary shel-

ter for it. Then due to various circumstances, had to move either the animal or shelter a few times before we realised all the extra work we made for ourselwes was due to not planning ahead.

When building animal pens or housing, it's ususlly only necessary that the housing is dry and windproof, unless the animals are very young, in which case they also need to be warm. You'll save time and extra work if you build your housing so that it is easy to keep clean and large enough in case you decide to increase your stock in the future.

Time spent building the pens is not time wasted!

the system only teaches its children how to serve it and become a slave for it. We want to teach our children how to be dependent only on God! And what better place to teach them God's laws of love, life and death than on a farm? It's also an ideal place for spiritual babes to

learn to hear from the Lord! So the Lord gave us a little place in the country but farming can wait for a while. First we need to find out how many people we can accomadate should the need arise. Let's fix the house, the heat- perience is worth its ing, the electrical wiring. we need to paint the place, get mattresses and store up food.

We should have at least one month's supply of survival food and water per person. I wonder where this place used to get water from? A broken old cistern! Great, let's try to get it fixed. Don't trust the system's water, it's here today and gone tomorrow! We might have to store water too; anything with a top will do with one cap of clorox per 20 liters to keep it drinkable. (That's cap not cup!)

And by this time we should be on good terms with the farmer next door from whom we've been asking advice all along before doing anything on our farm! and the best thing to plant is probably corn because we can eat corn, the goat and pig like corn, the chickens and ducks love corn; it's easy to plant, to care for, to harvest and to store: Thank God for corn! Well, you might think

this is pretty corny but farms can be fun and fruitful too, if we just get our priorities straight and do it step by step!

"FARE TO UT How to Save Your Survival Pood

It's very important that your survival food is kept so that it stays in good condition. The Kentucky Farm "Survival Book" reccommends that it be kept in a well-ventilated, cool dry place as far above ground level as possible to prevent rate and other pests from getting at it. To solve the problems we had with our survival we found that leaving the grains, etc. in the ori-

ginal burlap beg is best. Then since we have a big wooden beam across the ceixing of our basement, we made a hook by looping wire over the beam, then strung wire through the burlap bag and hung each bag up!

This method keeps the food safe and there is less chance of mold forming. We check the foods every 3-4 months. For powdered milk, flour

and cornmeal you can leave each in its original paper bag and place that bag in a burlap bag.

If it is impossible for mon to hang up your surviwal food, you can put the bags in plastic or metal containers, such as trash

We have also found that it is a good idea to rotate some foods. After 4-5 months use your flour or cornment and replace it with fresh. This isn't necessary with everything, only foods that become stale. PARTIES AND OWNER THESE PARTS THE TOURS PARTIES.

mas. This was just one month after our 1st "Open the Door" & at the time it seemed a little far-fet-ched to us & our little faith!—As the children had just recently learned about Jesus & knew nothing as yet about "witnessing"

nessing".

OUR INITIAL PLAN WAS JUST TO TEACH THEM 1 OR 2 SONGS, 1 dance number & the Christmas Story skit. But as we went along, the Lord gave us & the children more faith & inspiration & we ended up performing a complete half-hour show of songs, dancing, puppet show & Christmas skit.

WE DID 6 SHOWS, 1 EACH DAY for 6 days preceding Christmas & we distributed lots of lit & won many souls. We found the children asking others if they would like to have Jesus in their hearts for a "very Happy Birthday for Jesus"!

THIS WAS THE 1ST TIME ANY OF THEM HAD EVER WITNESSED TO OTHERS about Jesus before!—Most came from backgrounds where they'd never even heard of Jesus before!—So it was a real miracle & one in which God must get all the credit as we had such little faith & no "trained stars" to work with.—Just use what you've got & God will do the rest! After these Christmas witnessing experiences & excitement, the children are looking forward to doing more & we're even considering making a cassette tape of children's songs with them singing -in Chinese!—Also to take the more enthusiastic ones witnessing on the street & DTDI WE TAUGHT OUR DOWN-STAIRS NEIGHBOUR OUR FAMILY SONGS & he is now in turn teaching some of the children to play the guitar & sing. A New Beginning!

The miraculous results of our 'clean-up campaign'!

From Kenez & family:
"LORD HELP US NOT TO
FIGHT THEY CRUSHING, Thy
bruising, Thy smiting which FIGHT THEY CRUSMING, Iny bruising, Thy smiting, which causes the water to gush forth!"

("Beauty For Ashes" Letter No. 114.) These words have truly come alive for our little family over the last few months. So many of God's Words on chastisement have been such a strength to our soul since we began to receive some of the Lord's "difficult compliments". We thought it might be encouraging if we shared with the Family the news of what the Lord has been doing with us since we began our "clean-up campaign" last September.

THE 1ST MIRACLE UPON EMBARKING ON OUR NEW COURSE was how the Lord provided us with cleaner & larger quarters ideally situated in a lovely suburb, convenient to town for ministering, yet with lots of play room for the kids, With the financial help that Dad so kindly extended us to get started we were able to get set up nicely for ministering to friends & Fish.

ALMOST IMMEDIATELY WE WERE ABLE TO PUT OUR HOUSE TO USE, as some good friends from the Arab world came into town, & in cooperation with other Homes, we were able to help them make a lot of progress spiritually & they were a big help financially as well, PTLI Most of our needs over the next few months came thru' the mail from friends & Fish, & thru' ministering the Lord's love to the lonely here, TYJ!

Sawer-Huck Finn" style an-tics the 2 oldest had started to get into. They really got turn-ed on to performing for all our guests in the evenings & got rave reviews (& a few tears!) from all audiences. Over Christ-mas our 4 oldest, along with

other children in the area, did 5 shows for old folks & cripples, touching many hearts & leading 30 souls to eternal life thru' Jesus! They also loved getting out the lit thru' a variety of ways.

ONE VERY TALENTED TRAVELLING AMERICAN SINGER-SONGWRITER GOT BEAUTIFULLY SAVED & FILLED with the Spirit & stayed with us for a few weeks, pitching in to help in every way, while feeding on the Bible & Letters daily. He & Hodiah even got to do a few songs together at a pop concert here & were the only act that got fav-

THE LETTER "IT'S TIME

is perfect for us, & it is just
what we are in the midst of doing. Last week we went to a
Christian meeting in someone's
home, & it was just like Dad described in the Letter. We enjoyed the singing & praising, prayer
& fellowship, & they certainly
were glad to see some new faces.
NEXT WEEK WE'LL BRING
A GUITAR & teach them a few
of our Psalms & Aaron's scripture songs, which is mostly what
they sing. We've also offered to
start a type of Sunday school
for their children. We understand there are about 5 such little groups of Christians meeting
in homes in various parts of
town, & we hope to be able to
visit them all.

OUR KIDS, OF COURSE,

people who are outcasts & whom

whatever we can give. (PTL! But be careful about taking your children to institutions for mentally retarded or insane, because some of these could have evil spirits as well as being a frightening experience for your children as it was with me when 1 was small when some adults took me with them to hold a church meeting in an insane asylum. It was almost terrifying to me as a child!—Dad.)

Children's Singing

EUROPE:
WE WANTED TO TELL A-BOUT THE FRUITFUL EXPERIENCE WE'RE HAVING with a little community church. We came into contact with them last summer. They literally fell in love with the children & their singing.

in love with the children & their singing.
IT'S SO TRUE WHAT DAD SAYS IN "THE CHURCH MINISTRY" that the children have been the greatest sample & the key to their hearts. They respect us quite a bit for our full-time service for the Lord. They/ve already said they would like to stay in contact with us & visit & evengelise with us during their holidays.

THE CHURCH STARTED 4
YEARS AGO when the mother of the family got healed when she asked her daughters to pray for her. She has 3 sons & 5 daugh-ters who all got saved & form the heart of the church. They are all pretty active Christians, having an "Open the Door" type ministry to children & getting together for prayer almost every other day. They don't carry a churchy holier-than-thou spirit, perhaps because they have a mentally weak daughter. GBT, we fell in witnessing & activities.

love with them.

AFTER ONE OF THEIR

MEETINGS at which Lamb &
the children sang, the minister
invited us over to his home &
said he had something to talk to
us about. He said that their com
munity church had not been do
ing any collections, as it's so
small, only 30-40 people, & also
he does not want to keep books
for tax reasons.

BUT NOW FOR US HE WANTS
TO START A MONTHLY COLLECTION to help support us in
our ministry. We told him how
we liked his community as they
are quite simple & humble. They
are very happy to have us as an
inspiration & guest evangelists.

THE NEXT NIGHT WE HAD
A PRAYER SESSION TOGETH

fruitful journey. After prayer,
the father announced that the
Lord showed him to help us fin
ancially to get on our way, GBH.
He gave us good donations from

DAD & MARIA ALSO ASKED US TO LET YOU KNOW HAT THEY DO NOT LIKE THE COVER ILLUSIRATION WHICH WAS USED FOR "MOUNTAIN MEN" (Letter B in Yolume 1) & prefer that It not be used in any more publications. "The illustration presents a too rugged picture of the mountain we're climbing for the Lord. The Lord doesn't usually make things that rough our elimbing that kind of mountains, or we'd never make it! Jesus & His disciples climbed it easily in Mt.5:! for the Sermon on the Mount, which is what the Letter was about, & it

AS MUCH AS POSSIBLE, KOMIX SHOULD BE DONE
IN SIRIPS, like they do in newspapers, three or four strips per page, instead of a big collage that's mixed up & confusing to read because it is not clear where to read next! If you would like a good example of how to do this, look at the Komix Zebulun Gepetto & Family Care are producing!

HYEN SUBMITTING KOMIX FOR APPROVAL We would appreciate it, if it's possible, if you would enclose a photocopy of your Komix along with your original artwork. The photot. Copy should be done on plain paper, not chemically treated paper, & preferably on both sides of the paper so that a copy of your 4-page komic would be on no more than two pieces of plain paper.

Visit To Tenerife! Report by Faith & Juan

Dear Dad & Maria,

WE WERE VERY SAD TO HEAR THE NEWS ABOUT ROSER'S BACKSLIDING & spreading of lies & dissension, especially in Tenerife, as we loved her very much as we know you did tool. In the Christmas card that she sent to us she mentioned that she was preparing a letter to explain leaving Greece, & her stay at home with her parents,

NEEDLESS TO SAY, IT WAS A SHOCK FOR US to read it, as in her card she was sweet & full of flatteries to us & the Family in Greece. We got the parallel of David Hoyt & how he suddenly turned against the truth which offended him & received a lying spirit which led him to write pages of accusations, lies & even more FF ring, litrosy our spoke about in "Bastzebub, Lord of the Flies" (Letter No. 168).

THE DEVIL MUST BE FUR-

of that little Island, Many friends asked us about you & when you would return, as they cannot forget the man, Don David, who loved them & gave so much for them to win them to His love. And like Jesus, his enemies accused him of being a winebibber & a glutton, a friend of publicans & sinners! We are in good company it seems! Ha! TTL!

BUT JESUS' SAMP! F CHANG

in good company it seems! Ha!
TTL!
BUT JESUS' SAMPLE CHANGED THE WORLD & started a
new religion of love, just like
your sample has done today!
During our many travels throughout the world we have seen the
fruits that the FF ing explosion
that began in Tenerife has caused in the lives of many who
could not have been reached
in any other way! TY.!!
FAMILY MEMBERS THRU'OUT THE WORLD CAN TESTIFY of the many good fruits
in terms of souls won for His
Kingdom, help & support for
His work, as a result of FF'ing,
besides the individual victories
it has brought in many of their
lives & personal relationships by
learning the real meaning of laying down your life for others!
WHEN WE ARRIVED IN
TENERIEE. WE WERE MET

WHEN WE ARRIVED IN
TENERIFE, WE WERE MET
BY 2 PRECIOUS NATIONALS,
Jose & Miguel, who shared with
us about Roser's visit & how she
deceivingly entered in amongst
the sheep & tried to seduce those
who were weak in faith & conviction.

the sheep & tried to seduce those who were weak in faith & conviction.

THEY ALSO TOLD HOW SALLY THEIR "SHEPHERD-ESS" HAD SYMPATHISED & AGREED WITH ROSER in some of her lies & accusations.—Wherein she, Sally, exposed her own lack of faith in the Letters & God's man, which resulted in her lack of shepherding of the sheep for quite a while. Now the kids feel free & liberated to trust & obey with no one in the way.

Faithy with Tenerife FF'ers in front of Capricho's!—(i-r) Joyce, Cella, Faithy, Jorge (head waiter), Carolina, Paco (Catacumber), Francisco (doorman), Magdalema & (front) Amor & Esperanza.

WE TOLD SALLY ABOUT SOME OF THE NEW LETTERS that had come out, such as

seems to have a great love for the Word.

BERNARDO HAD BEEN GOING THRU' TRIALS & BATTLES during this year, partly influenced by Sally & Ricardo's bad examples & shared business deals with them. He was very hurt to think this was the Family & that we had changed, but TTL this confrontation with Roser exposed the Devil & his lies & revealed that this was not 1 the way of the true shepherd. It has strengthened his faith & conviction & he is now living in a Home as a full-time member & active in his service to you & the Lord, TYJI

OUR LAST NIGHT IN TENEmissing a lot of beautiful Letters & not to miss the latest from the Lord.

WE ALSO FOUND OUT THAT ROSER BEFORE LEAVING TENERIFE TO GO TO GREECE HAD NOT BEEN SHARING with her Fish &/or brothe: & had gotten into reading strange books about spiritism & the occult, & was very interested in this subject, which by the way we heard was also a topic of discussion in some of Sally's meetings with the "catacombers?"

AFTER DINNER WE RECEIVED A CALL FROM LYNN & BERNARDO who had not been able to attend this particular COL because of the restaurant but wanted to come by & see us. It was so inspiring to see them & meet them personally, as he seems really devoted to you & so appreciative of everything you have done for him &

ers & Faithy even did a couple of songs at Bernardo's request. FROM THERE WE WENT & MET THE GIRLS WHO WERE BEAUTIFULLY DRESSED & READY TO GO TO CAPRICHO'S, the club where you always went with the Family, where we had planned with the girls to take our last film, & they even got special permission from the manager to do so.

take our last film, & they even got special permission from the manager to do so.

AS WE WALKED IN, ALL THE GUYS AT THE BAR WERE AMAZED to see so many pretty girls welking in, as it had been quite a while since so many girls came in together to the club. We all sat in the corner where the girls told us you always sat with them.

IT WAS THEN THAT FAITHY ASKED THE MANAGER if she could film him & if he could say hello to you. He very sweetly agreed & sat in the middle of all the beautiful girls & even hooked up the movie light at Faithy's bold request to turn on the super-bright light in the middle of the club. Some people even came over & asked if we were filming a professional movie as we had so many pretty girls sitting all together, PTLI THE MANAGER WAS SO SWEET & really surprised us during his talk by the extreme

respect & admiration & love with which he spoke to you in the film, requesting that you please return soon. After the movie the girls began to dance with the different friends &

with the different friends & Fish.

FAITHY GOT TO DANCE WITH PACO, from the COL, who was really happy to be with her & said that even tho' he had never met you, he really knew you were a man of God by the sample you left on the Island.

TYJI The girls really had a lot of fun, & Celia said that it reminded her of when you were there. PTL! It was so inspiring & so much fun for us to be able to be where it all started & see the girls in action.

to be where it all started a see the girls in action. OVERALL IT WAS A SUPER INSPIRING VISIT & we feel that those who have remained faithful will bring forth more

fruit as they keep on trusting, obeying, loving & winning souls into His Kingdom there. They all sent a big kiss & lots of love & thanks to you both & they asked us to tell you that they would love to have you back whenever you would like to go back. It was sad to leave such an inspiring place, but at the same time—

WE WERE SO HAPPY TO

an inspiring place, but at the same time—
WE WERE SO HAPPY TO SEE HOW THE FAMILY REACTED SO POSITIVELY TO OUR VISIT & had been encouraged by it, TYJ! PTL! Thank you for sending us there at this time. We really pray that we were an inspiration to them to keep fighting & doing more than ever before to win these Islands for Jesus with the Words of David. Yours always, lots & lots of love,
—Faithy & Juan.

DISCIPLES IN TENERIFE SPEAK OUT!

Prom Lynn & Bernardo:
Dearest Dad & Maria,
GBAKY! I LOVE YOU SO
MUCH! FORGIVE ME FOR
NOT WRITING in such a long
time, but I can assure you that
you are often in our thoughts &
prayers. I guess it's like you
said in "Dumps"—it's hard to
talk about it when you don't
have the victory.

ve the victory.
THIS PAST YEAR HAS

BEEN ONE OF MANY TESTS & BATTLES FOR US, but out of them have come even greater victories, & I pray we will be even better vessels in the hands of the potter. The thing that kept us going has been the Letters & the sample you have given

us.
EVEN WHEN THE FAMILY
HAD SEEMED TO FAIL US &
left us all alone, we knew that

WE HAD BEEN IN TREBOL FOR SEVERAL MONTHS UN-

TIL RACHEL EVICTED US.
But the Lord doesn't take anything away without giving you back something better. Even tho' we loved the house, garden, location & everything so much, just the upkeep & constant repairs took so much time & money, so I think we'll be even freer to do the Lord's work here in our new flat. Anyway, I know the Lord knows what He's doing & will judge Rachel accordingly.

WE ARE REALLY HAPPY & UNITED WITH THE PEOPLE IN OUR HOME & are doing what we can to get the words so ut while there is still time. Bernardo's been letting me litting so encouraging to see how receptive the people here are to the Words, especially after so many of us litnessing here for such a long time.

TENERIFE HAS REALLY TIL RACHEL EVICTED US.

you & the Lord had never let us shown, & that encouraged us to keep going. After all, we didn't join the Family because everyone was perfect or because thing were always easy, but because we believe you are God's anointed & this is His fold.

SO THE MOST IMPORTANT THING IS TO LEAN ON THE LORD & keep trusting in His Words. I can truly say I've been getting more out of the Word lately than for a long time. It is so inspiring to really dig into the Letters, there are so many valuable lessons in those old goldies. The Lord has been so good to swe HAD WANTED FOR A LONG TIME TO BE IN A NORMAL HOME AGAIN with other brothers & sisters. It was really hard for us to keep on the attack living alone in an apartment, especially with Bernardo's busy schedule. He was home very little, so that left me alone most of the time with the kids. I GUESS SOME IN THE FAMILY CAN DO IT, but Bernardo's been letting me lit. He words, especially after so many valuable lessons in those old goldies. The Lord has been so good to so come have little money to spend. This of course has meant a large drop of clientele in the restaurant, but when we see for lack of income we thank (God for what we have. Also I think the Lord is trying to keep us trusting more in Him instead of the arm of the flesh.

ABOUT ROSER'S COMING HERE & CAUSING A BIG DIV. SION: It was also a great purging & unification, & the people who are 100% sold-out are going tronger than ever & the Lord is raying other us to getter, something which we desperately needed.

WE ALL LOVE SALLY & RICARDO VERY MUCH & are really sorry to see them off on the wrong track, openly confessing their doubts & even propagating the really sorry to see them off on the wrong track, openly confessing their doubts & even propagating them. Sally has been.

who are 100% sold-out are go-ing stronger than ever & the Lord has really gotten us together, something which we desperate-ly needed. WE ALL LOVE SALLY & RICARDO VERY MUCH & are really sorry to see them off on the wrong track, openly con-fessing their doubts & even prop-agating them. Sally has been agating them. Sally has been

such a strong fighter before & we all had so much respect for her. I know you love them so much too & it must truly grieve, your heart to see them turning away. We hope they will see the error of their ways & repent I think Sally really got sucked in living with Ricardo away from the Family. I know it's hard, especially when her mate is not strong spiritually & has a lot of doubts. I think she really gave in & started compromising with him.

gave in & started compromising with him.

I DIDN'T WANT TO GET INTO THE BAD NEWS, BUT
REALLY IT'S SO SMALL
when you think of all the good news & all the mighty miracles the Lord is perforning. I pray we will always be a blessing & encouragement to you & that this year will be one of even greater things for you & for us, your children. We love you very much, & would love to show you in person. But anyway, you are always near our hearts. Lots of hugs & kisses & love, Lynn & Bernardo. (10s amo muchol-Dad)

Bernardo. (i Os amo mucho)-Dadd.

from Juan & Amor:
Dear Dad & Maria,
GBYI WLYI WE ARE ALWAYS PRAYING FOR YOU!
Thanks for your faithfulness & for trusting in all of us in spite of our mistakes. You are a real sample of Jesus' love to us. We are Juan & Amor & we have been in Tenerife since November. When we came here we made a Home in Trebol with Juanjo, Conchita, Lynn & Bernardo who were living in different places until then.

WE WERE VOTED HOME
SERVANTS, but as this is a different field from the peninsula we have been working together with Lynn as co—Servant, helping us with things we didn't know about the work on the Island. We are very thankful to the Lord for bringing us here,

& to be living with brethren who were living with you & love you as much as Lynn & Bernardo. IN OUR NEW FLAT WE HAVE GOOD UNITY,

IN OUR NEW FLAT
WE HAVE GOOD UNITY,
attacking the streets with the
Letters, witnessing, FF'ing, &
we have meetings too in Santa
Cruz park with young people
who are interested, where we
sing songs & give them the Word.
Also Lynn & I are working 4
nights each in the restaurant, &
Juanjo & Celia are singing almost every night. The Lord is
blessing it a lot.
WHEN WE GOT HERE WE
NOTICED A LACK OF UNITY
AMONGST THE BRETHREN.
At first we didn't see the cause,
but now it has become so clear,
because it's been a few days
since Roser came here talking
with everybody, she had known
to "open their eyes", saying
that you are not God's prophet
& a lot more dirty lies that she
said in the Church of Love in
front of everybody, making a
division between the ones who
believe that you are the prophet of God & the ones who believe you are not.
EVERYBODY HAS BEEN

believe that you are the prophet of God & the ones who believe you are not.

EVERYBODY HAS BEEN
ABLE TO SEE WHERE THE
HEART OF EACH ONE REALLY WAS. The "catecombers" reaction was very bad, supporting Roser, together with Sally & Ricardo, except Paco of Merche who stood up against the lies together with us, defending the truth & testifying of his complete faith in you, TG!—We have at least one catacomber with all his heart.

ALTHO' IT'S NEVER PLEASANT TO GET DIRTY WITH
THE DEVIL'S SHIT, it worked out because it made us take a position & fight for the Truth even tho' those who were doubting & denying didn't want to hear the Word we gave them. We know Ro. 8:28, & it will help us to be more together now fighting.

& "Shepherdess" in the Lord.
HAPPEN BECAUSE OF THAT:
Sometimes we discuss amongst ourselves until the Enemy attacks thru' the gap we left open & then we have to come together to repair it. The problems within disappear because we haven't time to think of ourselves.

THIS HAS ENCOURAGED
US TO HOLD ON MUCH MORE TO THE WORD, to have a mightier shield of faith, wherewith we shall be able to quench all the fiery darts of the wicked (Eph.6), We don't know very much—the only thing we know is your Letters & the Bible & we say to you with all our heart if it wasn't for you & the Letters we would be lost without knowing what to do.

EVERY LETTER IS ESSEN.-TIAL FOOD TO KEEP US LIVING & FIGHTING. We love you & know we can't repay everything you have done for us, but we want to give you everything we have—our loyalty & our lives to do the best we can for the Lord & His Prophet-King & all the little sheep that need the Wonder Working Words. With much love, —Juan & Amor.

IT HAS BEEN A REAL BLESS-ING TO HAVE FAITH & JUAN HERE, as they have helped us so much in renewing our vision & to fight with new ideas for the work here. We feel very bad about the things going on with Sally, but maybe she'll change when she sees that the Spirit of David has left her. We are going to do what we can to keep her close or like a friend.

ALL OF OUR FRIENDS HERE LOVE YOU & they wait for you to come back. It seems that the judge of Orotava is going to be sent to Bilbao (where all the terrorists are) & he is real scared to go there, so it seems that the Lord is going to judge him. A friend of ours who is a lawyer says that the judge is doing a lot of harm & that no one likes him. Heavy, huf? I'll write you another letter with more details, but right now I want to tell you that I love you very much. Much love & prayers, Jose & Celia.

DO YOU KNOW THE OF-FICIAL SYMBOL OF TENE-RIFE? I just saw it a few days ago & it really surprised me. In case you didn't know I want to tell you. In the middle of it you can see Mt. Teide exploding in flames. At the right there is a lion standing on its back legs with the first legs up. (Sorry, I don't know my English expressions.) Anyway, at the left side, guess what it is? The Archangel Michael descending from Heaven ready to fight! At the top of the whole symbol is a royal crown & all around is a phrase in Latin meaning. "The Archangel Michael comes to help God's people." Isn't that something?! SOMETIMES TEIDE, AS YOU WELL KNOW, GETS COVERED BY A CLOUD. Two months ago a big storm of sand

from the Sahara polluted our atmosphere making the air yellow for 2 weeks. Well, about the same time, a subtle cloud came over Teide, which was already hard to see, hiding it mysteriosely.

ready hard to see, hiding it mysteriously.

AS I STOOD LOOKING AT AS I STOOD LOOKING AT IT, a question came to my heart: Why do we receive these sand storms? And why is the top of the volcano covered? Is it that e something we don't know about happens over there in the spirit world? Could there be some kind of meeting? Is it possible that spiritual beings, or some kind of heavenly visitants meet over there to decide something? To be honest, that was my real impression, even when my mind rejected it as a fantastic tale. But I know everything is possible in the Spirit World. What do you think? (Amen!—Dad.)

I FIRST MET THIS WONDER-FUL FAMILY in Los Angeles not long after the earthquake there in '71. When I forsook all there were about 300 at the Fred Jordan Mission. At the time I was a truth-seeking, war hating, college dropout. I was so frustrated with the world situation (& burnt out on drugs) that I would have killed myself if I hadn't run into the Family. weren't surprised when things
started to go wrong with it.

Now it's all fixed which was costly both in time & money. So maybe it is worth getting a half-decent car to start with, especially if it will be towing a caravan.

NOW WE'RE SO VERY THANKFUL TO BE MOBILE & altho' it involved taking time off from our normally heavy schedule of litinessing, witnessing etc. in France, it was sure worth it! Now we're looking forward to living 100% by faith in the caravan. Heading back to France wa are so thankful for the many wonderful lessons & blessings the Lord showered on us. Thanks, Dad, for all your Letters on the subject & especially for "The Crash Is Here"! Much love, John & Soleil.

A REFUGE IS ESSENTIAL, BUT EXPENSIVE for just one family. Therefore, we'd like to establish a "regional refuge farm" on a cooperative basis

with say 10 Homes, mobile teams or families sharing the monthly rent & each possessing 2 keys, 1 to the farm hous itself & another key to a roon allocated to his family where he could come & go at will & store food & supplies.

WITH MONEY SAVED ON RENT, it may be possible to

buy or otherwise acquire larger items, kitchenware etc. that could be shared by all in time of need. Are there any other mobile families that this idea appeals to? Maybe it would be the solution for your family! Love, Hepher & Sara.

WE FOUND IT HELPFUL TO WIPE OFF POTS & PANS & other utensils with paper towels before washing to remove all excess food & grease so that the wash water will stey clean longer. YOU WILL PROBABLY NEED A SYPHONING HOSE to get your paraffin & other fuel out of the big containers into smaller more usable containers for pouring into lamps & heaters.

If you don't have hard-cooked eggs, try cracking naw eggs over the beans in the pan, cover & let steam until done.)

Cosy Hole Cooking!

(The following suggestion is from a book called "Campfire Cookbook" by Verily Anderson; Hodder & Stoughton Ltd.; London, England.—Also has a lot of suggestions for making & using different types of campfires.)

TO SAVE KEEPING THE FIRE BURNING ALL DAY, make a hay box. You will be surprised how vegetables, soups & stews keep hot enough in it to go on cooking slowly & evenly for hours. Of course, you have to start them boiling on the campfire.

campfire.
INDOORS A BOX PACKED
WITH HAY IS USED, but for
camping, a hole in the ground

with dry leaves (or dry grass or dry bracken) is best. This way, it is not quite a hay box-more

of a cozy hole.
MAKING A COZY HOLE: MAKING A COZY HOLE: Needs: Spade, dry leaves, grass or bracken, large paper bag. 1. Dig a hole twice as big as the pot you will cook in. 2. Pack the hole not too tightly with clean dried leaves, grass or bracken. 3. Put the cookpot in & form a nest. Take it out again, leaving

its shape. 4. Fill the paper bag not too tightly with dried leaves, grass or bracken to make a cush-ion. 5. Close the top of the hole with a solid cover so small children don't fall into it! Now your cozy hole is ready for use.

your cozy hole is ready for use.
THE COZY HOLE DOES
NOT COOK QUICKLY
ENOUGH FOR FRESH GREEN
VEGETABLES, but underground
vegetables (carrots, turnips, parsnips, potatoes, bestroot) can be
brought to the boil on the camp
fire, boiled fast for 10 minutes,
8 moved to the hay box for 2
hours or more. (The book also
suggests doing porridge for breakfast by bringing the oats to a
boil on the campfire before bed,
tucking the pot into the cozy
hole for the night & in the moming it'll be ready to eat. - Might
work well for beans & grains!)

From Disna; U.S.A.:

THE CHILDREN & I GET
LOTS OF CLOTHES DONATED TO US. Most of our friends
know how little money we have
& they know that I sew well, so
that I can alter something if needed, or take it apart & make
something else. I'd like to
share some suggestions on what
to do with donated clothing:
WHEN YOU GET SOMETHING & IT DOESN'T FIT, or
you don't like it, consider these:
Can you, or a friend or someone
in your home change it: Add a
collar, take off the sleeves,
change the buttons, shorten it,
make a full skirt into an A-line,
dye it etc.? From Diena; U.S.A.:

make a full skirt into an A-line, dye it etc.?

OR CAN YOU MAKE IT INTO SOMETHING ELSE?—Especially good for children's cloth3es! A tacky, out-of-style man's
wool suit can make a beautiful jumper for a girl, or outfit for a boy. (Boy's clothes are for more experienced seematresses.)

I ONCE TOOK A LARGE
MAN'S SWEATER with moth holes in it & made a great sweater outfit for my 3-month-old baby boy. The key to altering or cutting up sweaters is to stitch the area to be cut before you cut—to keep it from unravelling. For example, in the one here you stitch loosely around the shape of each piece you want to cut out. This also applies if you want to cut a sweater down to make it smaller—or maybe to cut it to make a vest out of it.—& don't cut it until you're ready to sew it, so it doesn't have a chance to get unravelled.

IF THERE'S REALLY NO HOPE FOR THE END TO STORT TO STOR

ready to sew it, so it doesn't have a chance to get unravelled, IF THERE'S REALLY NO HOPE FOR THE GARMENT ITSELF, strip it for what it's worthi—Take off the buttons, cut out the zipper, any belt, buckles or other hardware.—

Use What You've Got!

These things are expensive to buy! String the buttons together so they don't get scattered, same with snaps etc.

COULD A DOLL IN YOUR HOUSE USE A DRESS?—Or gouffe? It only takes a little time & is small enough a project that you don't need a machine, & little girls appreciate it so much!

IF YOU LIKE THE STYLE, but not the colour, or it's worn out, cut it apart carefully to make a pattern, being sure to add on for the seam allowance if you've had to cut it off. I did this recently with a favourite white blouse that got stained & rulned. Lay the pieces out on any paper to make the pattern by drawing around the pieces you've cut apart. Brown shopping bags, or brown wrapping paper are great, but you can even use newspaper, if you have to—but don't use newspaper for cutting out something light or white!

WHEN I FIRST FOUND THE LORD IN CANADA, some of my 1st contact with real Christians were the Mennonite farm families living outside Vancouver, B.C. Most of them were

comfortably well off. But what impressed me was how frugal they were, even now, not wasting anything & doing lots of canning & making things for xetheir home themselves.

I'M NOT SUGGESTING THIS TO TAKE TIME AWAY FROM WITNESSING OR READING THE WORD, but for example while watching the evening news or just sitting around fellowshipping or something like that, your hands could be busy crocheting a warm scarf for someone, or mittens, slippers, sweater, hat, whatever. It's easy to learn & knowing how to do things like this can save money, & supply some of your needs. IT'S GOING TO GET TOUGH-ER—NOT EASIER—TO SURVIVE & I feel we need to learn to make things & make-do so we're more prepared for hard times ahead! Also creating practical things can give some people who need it a creative outlet!

Make it, or make-dol Love,

Literally A Dream Come True!

The miraculous conception & birth of one of Jesus' Babies! A natural breech birth!

From Rose; U.S.A.:

ABOUT 9 MONTHS AGO I MET ABDULLAH from Bahrain. He told me he was so confused by so many different religions in the world. He asked me why there was such a division. It was a perfect opportunity to share with him about Jesus & how His love & life are for us to unite everyone in real love, but that because many people refuse His love, the division grows.

AFTER DANCING WE WENT TO HIS HOTEL. Right in the middle of making love, Abdullah stopped & exclaimed, "I love Jesus!" He then received Him on the spot! PTL!

A WEEK LATER I HAD A DREAM that I gave birth to a baby girl. Christina Maria was the name given in my dream. She had dark skin, dark curly hair & big dark eyes, just like Abdullah! About 3 weeks later I found I was pregnant!

WELL, LAST DEC. 18TH MY DREAM CAME TRUE! Little Christina Maria was born & she looked just like she did in my dream! PTL! She was born naturally & breech at that.

THE WHOLE BIRTH WAS A TESTIMONY TO ALL those involved. My water bag broke one evening while my husband Tim & I were taking our 2 boys for a walk. I called the doctor as soon as we got home & she said that since the baby was in a breech position (feet first), is hould go to the hospital right away. They tried to turn the baby to no avail, so we slept the night at the hospital.

IN THE MORNING THEY WERE THINKING OF DOING A C-SECTION. Tim & I prayed very desperately together for an answer & while we were praying I heard a verse from Dad's

Rose holding Christina 30 minutes tape of "Psaims Read to Maria" which we had playing in the background. The verse said, "I cried unto the Lord with my voice & He heard me out of His Holy Hill" (Ps. 3:4.). SO TIM & I TOOK A STAND OF FAITH & decided to tell the doctor they could either induce labor with a natural hormone or wait for me to go into labor by myself, but that we didn't want a C-section.

AN OBSTETRICIAN CAME IN TO EXAMINE ME & went out saying, "You only need some strong contractions to get that baby out." A few minutes later my doctor came in with a big grin on her face & said,

KNEW DISCIPLES! "He knew her & she conceived & bare a child!"-Gen. 4:1.

the verse "And God breathed into

we heard Christina begin to cry

Dear Family,

I AM WRITING FOR PRAYER. I am dying of very advanced Pthodgekins Disease (cancer). I so have lumps all over my body, especially on my neck which makes it hard to breathe. It all started 5 years ago when I began to feel itchy. The itch is now the very intense. I cannot sleep (reminds me of Job).

I'VE BEEN IN 5 HOSPITALS IN ITALY & CANADA where I've gone for observation & I've completely turned the wards upside down witnessing about my healing. Several cancer specialists have seen me & had their minds blown because in spite of the seriousness of my disease I've refused their advice & treatment & I've witnessed to all of them. My doctor here is completely ascinated by me & says that if I'm healed he'll not only become a Christian but he'll write a big paper on the miracle! Shaul & Abish; L. America:

Dear FN Staff,
GBY! IT'S REALLY INCREDIBLE how the FN Mags have progressed in the last few months,
containing so many important

tidbits & pieces of news as well as the "meatier" items. I WAS JUST READING THE "SOUND OFF" SECTION & "SOUND OFF" SECTION & wanted to mention that I love the "News Briefs", the "Sound Off's", "M&M Mail Bag" & "Fam ily Forum" a lot. I'm such a slow reader that these little shorts really inspire me since I can read a few of them no matter what I'm doing or in between anything, just like reading the headlines in a newspaper to find out what's going on. These really inspire me when I need a short "blast" of inspiration from on high!

short "Diast" of inspiration from on high!

WE ALSO FOUND WE NO LONGER NEED "TIME" Magazine as our own Mag is so full of more pertinent information & news. The WN section is really exciting—both Dad's own comments & how he picks out all the articles we need to see!

IN THE CHRISTMAS MAG I WAS SO AMAZED to know Dad's history & the real roots of the Family & to see it graph-

Somethin' for Every one!

ically illustrated, how our Family has come about as a result of those early roots. From talking with a few brethren around here, it seems that issue has really brought a unity of vision & a strengthened our Family's pride & respect for our own heavenly roots. What a Family & what a Prophet!!

THE KOMIX ISSUE WAS ALSO TREMENDOUS & our children just love it. Its content & message are so deep & pertinent & yest our 5-year-old Peter & 3-year-old Alysta understand it perfectly; it is geared to all ages! Just today a precious neighbour was commenting to me that Peter has incredible understanding for a 5-year-old & I'm sure it's from his exposure to what's really important in the Letters, Maps & Komix.
HAVING JUST READ "IN-TERCESSION" BY GRAND-MOTHER, I also wanted to comment that a "Poem Page" of tried & proven poems would be fantastic in the FN! Well, all that to say, we are so thankful that "out of your bellies" are truly flowing "rivers of living water" to keep us going. Much love & prayers, Shaul & Ablah.

by GRANDMOTHER (Mo's Mom!)

Martha was busy and hurried Serving the Friend Divine, Cleansing the cups and the platters, Bringing the bread and the wine.

But Martha was careful and anxious, Fretting in thought and in word. She had no time to be learning While she was serving the Lord.

For Martha was cumbered with serving, Martha was troubled with things. Those that would pass with the using She was forgetting her wings.

But Mary was quiet and peaceful Learning to love and to live, Mary was learning His precepts, Mary was letting Him give—

Give of the riches eternal, Treasures of mind and of heart, Learning the mind of the Master, Choosing the better part.

Do we ever labour at serving Till voices grow fretful & shrill? Forgetting how to be loving? Forgetting how to be still?

Do we strive for things and possessions And toil for the perishing meat? Neglecting the one thing needful? -Sitting at Jesus' feet!

Oh, service is good when He asks it, Labour is right in its place, But there is one thing far better– Looking up into His face.

There's so much that He would tell us, There are so many truths precious & deep! This is the place where He wants us And these are the things we can keep!

-Grandmother.

From David & Rachel; West Indies:

WE'VE BEEN PIONEERING
AN ISLAND IN THE CARIB-BEAN for 6 months now. Ever since we came here, the Lord's been doing so many miracles in souls won, in FF'ing & in supplying our every need that we felt we just had to write to encourage others about the fruits of pioneering these small islands AS DAD SAYS IN "GO YE": "Our folks can go nearby to some needy field like the Caribbean, those islands, beautiful climate, easy living, & they could be very fruitful missionaries there. ..." (par. 53.)

WE HAD VISITED THIS PARTICULAR ISLAND WHILE WE WERE IN S. AMERICA & had had a burden to pioneer here when we saw how receptive & friendly the people are. We decided to open a Home with Ffing being our main outreach as there had been some problems before with litnessing.

WITHIN A WEEK AFTER WE ARRIVED, the Lord gave us a house to rent. We had just the right amount saved to pay the deposit.—A real miracle, as housing is very scarce here!

IN OUR 1ST 3 MONHTS.

CAME FROM FF'ING, & a little Lit of DTD as well as prevision.

The Word - Will Keep You! Memorise & Review Verses!

From Nathanael Pillar; Japan:
LAST SPRING I WORKED
AT A SYSTEM JOB FULLTIME for 3 months, 6 days a
week, for my wife's parents, to
save money for pioneering.
Work itself doesn't bother me,
but after working full-time for
the Lord & His Kingdom & His
Family for 4% years, I found it
very difficult to work in the
system, even tho' my job was
"easy" by their standards. But
I stuck with it for 3 full months.

Word!—The Bible! Every day on the job I carried a small 3x5 New Testament with me, & as I worked! memorised & review-ed scriptures constantly.

MY GOAL WAS TO MEMOR-ISE 5 NEW VERSES DAILY, ISE 5 NEW VERSES DAILY, but usually I committed from 10-15 new Scriptures each day! PTL! By memorising & reviewing as I worked, I learned to keep my mind & spirit active, fresh & tuned in to the Lord. (True mind over metre! PTL!) AT THE END OF 3 MONTHS I HAD FULLY MEMORISED

tively witnessing to others. Dur-ing a recent meeting, 30 new converts came to receive more of the Word & fellowship with

15 COMPLETE CHAPTERS. 15 COMPLETE CHAPTERS, plus many individual verses. My vision for the Bible & the Word was totally renewed & I'm still memorising & reviewing Scriptures daily. At the job, the Word kept my antenna pointed up & gave me daily might. A system job can really quench your fire of devotion to the Lord, so I hope this testimony will inspire the people with jobs, & all the Family, to read, study & memorise Scripture more! It works! Love, Nathanael Pillar.

Diplomat-Journalist Falls in Love with God's Words!

From Marina: N. Europe:

Marina, a Lover of God!

AROUND CHRISTMAS
TIME I FIRST MET A., an older Arab diplomat & journalist, while I was out litnessing. A few days ago I ran into him in a completely different part of town, which was a big & pleasant surprise. Yesterday we spent the evening together & he turned out to be one of the loneliest, most desperate & hungry souls—just like "lost in a lost world".

HIS WIFE HAD LEFT HIM taking their 4 children. So he had left his country & years ago. Now finding someone be could pour out his heart to, made him so thankful & respectful. He exclaimed, "You are an angel that God sent to me. You have saved my life!"

HE ASKED ME TO TELL 383

HE ASKED ME TO TELL
HIM MY SECRET of happiness
& how he could follow the
same way. At his place I showed him a copy in Arabic of
"The Holy War". After read-

ing the first paragraphs he broke into tears & said this is what he had always been thinking & believing all the time. "This Moses David must be a very deep & heavy man," he said. After we made love, he prayed with me & asked Jesus into his heart, & he was so happy! TTL! By the way, he writes articles for an Arabic newspaper in London. Maybe he'll use Mo quotes soon! Hallelujah! Love, Marina.

his eyes & they looked so interested & hungry. He said he felt
some special "vibes" & invited
me to dinner that night.

DURING DINNER WE TALKED A LOT about life & spiritual
values, the Bible & our message
of salvation. In fact, that's all
we talked about all night because he was so receptive & humble. When he asked me if I
could spend the night with him
at his hotel, I just flipped —I

to share God's special love for
His special children.

go to sleep but that he'd never
felt so much love & openness.
The next morning over breakfast vi

chapter & I read him various
parts from the "Thoughts From
Mo" book.

HE SAID HE WAS ALREADY SAVED, so I explained to him about the Holy Spirit. So then he prayed sincerely for Jesus' Holy Spirit & began to cry after-wards, he was so touched! PTL! It reminded me of "Beauty & the Beatt" begains he was kind the Beast" because he was kind of a beast on the outside but in

SINCE THEN HE HAS OPENED UP SO MUCH. In one letter he wrote: 'The love I've received from you all is greater than the love I ever got from my own family." Now he has become a greater friend, even helping us to find lodging with his family when we visited his country!

"Now I understand the meaning of Love!"

From Jonathan; S. America:
HERE'S A LETTER WE RECEIVED A FEW DAYS AGO
from a Fish whom I met just
one time. I saw she was getting
attached to me & told her the
real reason I was staying with
her—to show her Jesus' love &
how Sara, my wife, was sharing
me with her because she loved
her & how God in the same way
shared Jesus with the world.
AT FIRST SHE WAS SHOCKED & couldn't believe how

this was possible. After a little while she received Jesus into her heart, PTLI This lady is in her early 40's & has 4 children. Here's part of her letter to us: "DEAREST SARA & JONATHAN, the time we spent together was so beautiful that I don't have words to describe it. could never even imagine that in the world could exist people who are able to share their love & happiness with others. "I'VE HAD THE FORTUNE TO KNOW THE LOVE OF JESUS in such a real form, thru' your love. I was a person who didn't believe in goodness & lived only for my kids & my work. Now after you shared love with me, I feel a new strength in my soul & it helps me to be more generous with others. I think now I understand better the problems of others."

The Blessings of Suffering!

The Lord didn't spare me from it, but kept me thru' it, drawing me closer to Him!

From Patience (& Adam); Austria:

THE LORD HAS SEEN FIT TO LET ME SUFFER AN OP-ERATION lately & I wanted to share some things He showed me that perhaps might be an en-couragement to others going thru' similar or other hardship avantagement

experiences.

I HAD BEN FEELING PAIN IN MY LOWER ABDOMEN off & on & a bleeding had been going on over a week which I thought was an early miscarriage since I'd been overdue 3 weeks & had had other signs of pregnancy. But one evening a sudden hard pain in the lower abdomen hit me & I fainted but recovered later after being prayed over & went to sleep for the might feeling better. But when in the morning after eating I felt the pain again, we decided to go to the hospital for a check-up.

THE DOETOR COULD NOT GIVE A CLEAR DIAGNOSIS but did not want me to go home but to stay at the hospital. I finally decided to do so. This in itself was a real humbler for me since I never in my life have had to stay in a hospital & I felt quite lost not knowing what was wrong with me & having a hard time finding out because of the language barrier. (I speak fluent Swedish & English but little German.) The Lord comforted me with the verse: "If ye be without chastisement then are ye bastards & not sons" (Heb. 12:8). periences.

HAD BEEN FEELING

had been positive when I came, but low, indicating that the baby was not doing too well. I prayd that the Lord would have His way & If it was something wrong with the baby that He would either take it home or heal it.

THE NEXT DAY I HAD A VISION OF A LITTLE GIRL WITH WINGS, like the one in Eman's Komio "Heavenly Techi", but this time she was not coming but waving good-bye happily flying to the Heavenly City. And the next pregnancy test they took showed negative. (I was happy for this later after the operation because then I knew that her spirit was already with Jesus & what was operated jon was only dead flesh.)

WE ALL PRAYED THE

nowing with me & having a hard time finding out because of the language barrier. (I speak fluent Swedish & English but little German.) The Lord comforted me with the verse: "If ye be without chastisement then are ye bestards & not sons" (Heb. 12:8).

I WAS PRAYING & TRYING TRYING TO FIND OUT WHAT I HAD DONE WRONG. Everything had seemed to be going so well—we were in the midst of being busy for the Lord & then this happened. I was reminded of some thing when I carbain yout to

do better as there always are, but it was nothing that really hit timed into perfect peace (Isa. me where I knew here is where my sin is, but I asked the Lord to forgive me for whatever it was. the operation when I woke up When I asked the Lord why, the only answer it pleased Him to give was: "His ways are past finding out".

THE DOCTORS WERE SUSTECTING EITHER EARLY MIS. THE DOCTORS WERE SUSTECTING EITHER EARLY MIS. Odd will fly even higher" (Letter CARRIAGE with ensuing infection or an extra-uterine conception or an extra-uterine conception (conception in the Fallopian tubes). The pregnancy test had been positive when I came, but low, indicating that the baby & "Every branch that beareth" verse "Except a corn of wheat fall into the ground & die it a-bideth alone, but if it die it bring eth forth much fruit" Un. 12:24) & "Every branch that beareth fruit he purgeth that it may bring forth more fruit" (John 15:4).

oring forth more fruit" (John 15:4).

HOWEVER STRANGE IT MAY SEEM, IT WAS ALL IN THE LORD'S LOVE & in spite of everything the whole experience turned out to be one of the most beautiful I've had.

Suffering can bring you so close to the Lord. (And it didn't last long as already after 3-4 days I was doing considerably better & after a week I was able to return home, even tho't still needed rest, PTLI).

MANY TIMES I WAS RE-

MANY TIMES I WAS RE-MINDED OF THE WAY GRAND-MOTHER HAD TO SUFFER-5 years in a sickbed before the Lord finally was thru' with her & rose her up & made her such a mighty witness. Also I got her poem, "I was longing to serve the Master".

THE LORD HAS TO KEEP OUR HEARTS BROKEN & sometimes uses pretty strong measures to do it. TTL that He chastises us. I had strayed away from the first & most important commandment of loving Him first. Also, before the operation I had mostly been concerned about myself, but afterwards my

eyes were more opened to the needs of those around me. I became easily touched & cried for joy to see a concerned doctor or nurse taking care of a very ill person.—Like God's mercy on an unbelieving people.

I UNDERSTOOD LATER HOW MUCH MERCY THE LORD HAD HAD ON ME thru' it all when I came to know the different doctors & nurses, that the particular doctor who had been working on my case, a head doctor, was one of the sweetest, most concerned & competent doctors who took a personal interest in my case, taking the time to explain why & what he had to do.

HE SAID THE OPERATION MAS NECESSARY to avoid to possibility of serious internal bleeding when the body would try to expel the fetus itself. I also found out that this extraalso round out that this extra-uterine conception was due to the Fallopian tubes being uneven because of former infection, so it pays for girls to stay warm & healthy & clean.

it pays for girls to stay warm & healthy & clean.

IT WAS SO HEARTBREAK-ING TO SEE SOME OF THE OTHER DOCTORS who were so busy & cold, just rushing by & not taking time or any personal interest in the patients, or nurses that didn't care, or perhaps didn't have the time.

ONE POOR LADY WAS REALLY SUFFERING after her operation & felt so low & lonely & asked the nurse to please stay a while & hold her hand, but she just laughingly took it & then rushed off right away again. The Lord spoke to my heart to go over there my stead of the nurse. It was 3 days after the operation & I had only been out of bed a couple of times.

SO IT WAS WITH STAGGER-ING STEPS that I managed to make my way across the room to her bed & sit down & hold

her hand. It really touched her heart since she knew it took an effort on my part to do so. I sat there for a while talking to her before returning to bed & she never forgot it, so that before going home I was able to pray with her to receive the Lord. "We comfort others with the comfort wherewith we ourselves are comforted of God" (2 Co. 1:4).

I WAS ABLE TO COMFORT
ANOTHER SHEEPY LADY before her operation with the
same verses that had been a
Jesus to come into her heart!
After her operation she said
that she had been thinking of
me, how I had said I would be
praying for her. Even tho' I
was a complete stranger to her,
I had been closer to her in a
hard situation than even her relatives, because I brought her
the Lord. (That is one thing I
experienced when I was going
thru' the worst part; in a situation like that everything else
loses value but 2 things: the
Lord & the Family.)
LIKE DAD EXPLAINS IN
"I WAS SICK". I had been so
proud of the fact that I had always been so well, no sicknesses
& all births completely natural
& without complications (TTL!)
& I could not really imagine myself in the situation of those
suffering in hospitals or as invalids etc. But now I could really
understand. I was truly, even
tho' not voluntarily, "becoming
one" with them as I was suffering in the same situation.
YET THEY SOON KNEW I
WAS DIFFERENT, that I had
something (the Lord) that they
didn't have to lean on. I became
known as the patient who always smiled. Everybody commented: "Even if it hurts she always smiled. Everybody com-

my hand firmly & said, "Promise to write me & I'll write back" & I could see a tear in their eye when I left. It was so beautiful!

I ALSO LATER WROTE TO
THE 2 DOCTORS who had been concerned about me, to thank them & to please continue being so concerned about their patients, that then the Lord would bless them, & the children made cards for the whole department with pictures of them & Bible verses.

with pictures of them & Bible verses.

THE WHOLE EXPERIENCE PERHAPS A GLIMPSE OF TIMES AHEAD when some of us might be suffering, but because we have Jesus, it will only bring us closer to Him & that it is nothing to worry about, because the more His grace will be present. "He will not suffer you to be tempted above that ye are able" (1 Co. 10:13) & "Who shall separate us from the love of Christ?... Nothing shall separate us from the love of God which is in Christ Jesus our Lord" (Ro. 8:38-39).

P.S. I WANTED TO ADD

P.S. I WANTED TO ADD
THAT OF COURSE YOUR ULTIMATE TRUST MUST BE
ONLY IN THE LORD not in
the doctors or nurses. You real-ONLY IN THE LORD not in the doctors or nurses. You really have to be in prayer as I found out one night. A night nurse gave me a pain killer pill which I accepted hoping to he able to sleep better than the previous nights, but it had a horrible effect on me: My pulse started beating & I got some fever & was sweating. I really had to pray & rebuke the Enemy & didn't dare to go to sleep until the effect was gone, hours later. (Similar I suppose to the experience Dad had with sleeping pills in Letter 353:358—"I'd just pray & ask the Lord to keep me & protect me from the medicine as much as from the doctors, as well as the disease, because they're all pretty dant gerous".)—Patience.

"I Am The Lord That Healeth Thee!"

The Arm of Faith!

From Aiain & Morningstar; Midesst:
THE LORD DID A MIRACLE
with our son Michael, 2 years.
The rear wheel of a van, which
was going backward, passed over
his arm. All the people around
were pretty shocked, but daddy
Alain who was nearby right away prayed for him claiming,
"I will not put upon thee the afflictions of Egypt" & "He keepeth all his bones, not one of
them is broken" (Ps. 34:20.)
ON THE WAY TO THE DOCTOR, Michael was pretty nervous, but calmed down after
hearing verses on faith vs. fear.
X-rays showed that, miraculously, nothing was just superficial! TTL!
For the occasion Michael memorized James 5:15. It was one
of his first tests of faith!—& the
Lord didn't fail!

THEN I RECEIVED VOL. 3

breakfast communion, asked Jesus to please heal me & fell asleep for about 10 minutes & woke up healed! PTLI SOMETHING WAS ACTUALLY PHYSICALLY DIFFER. Lesson Learned: Seek the Lord First!

From James & Linda:

WHEN THE CHILDREN IN THE HOME WE WERE WORK-ING WITH CAME DOWN WITH TONSILITIS, we felt it best to separate ourselves from each other. separate ourselves from each other until they were all healed as tonsilitis can be very dangerous in small children. Nevertheless, one day our little 1½-year-old boy became very inactive, drowsy & began to get a bit of a fever. The 1st day I thought it was due to his teething, but his temperature turned into a high fever of 39.5 & he developed a huge bump under his left ear which he couldn't stand for me to touch. I knew that what he had touch. I knew that what he had was tonsilitis as these were the

was tonsilitis as these were the very same symptoms as the others had had.

AT THIS POINT, I WAS SER-IOUSLY CONSIDERING taking him to a hospital, because the doctor had told the other family that if they had not brought their children in when they did it could have gotten dangerous. But James was very encouraging & full of faith & believed that the Lord could heal him. After

all, he reminded me, this is nothing compared to what He is going to do for us in the End-time. SO WE DESPERATELY PRAYED & CLAIMED SCRIPTURES & the Lord told us: "Call on me & I will answer the & show thee great & mighty things which thou knowest not for I have given thee great & precious promises."

SURE ENOUGH, WITHIN % HOUR AFTER PRAYER, his fever subsided & the next morning there were no signs of illness at all. The Lord so completely healed him! PTLI

ompletely healed him! PT WE NEEDED THIS LES-

WE NEEDED THIS LES-SON, as sometimes it's so easy just to turn to the system for help without seeking the Lord. We know this was one of the many small lessons the Lord is using now to prepare us for times ahead! ising now to prepare us for es ahead!

WE'VE BEEN SHARING THE VISION WITH OTHER CAMP-ERS here that the War has begun & that it's safer to move away from the big cities. Just lest night we had another earthquake! The Lord really wants to give people all the warnings He can. I pray some will obey!

WE'RE REALLY THANK-FUL for this chance to get away from the settled down house spirit. The last time we camped out was when we only had 3 children Now the Lord has given us 8, from 8 months to 8 years, with no. 9 coming in August! PTL! Tips on Travelling in South America

From Zadok & Palestine, VS's of Chile, Peru & Ecuador:
THE LORD JUST MIRACU-LOUSLY SUPPLIED US WITH A BUS which we are now converting into a camper. We have personally travelled in nearly every country in South America by land, so after praying & considering all the various kinds of vehicles & campers we felt a bus (which is common on the roads here with parts easy to find) converted into a camper would be best for the roads here. Since we also have 4 children, we felt we needed something bigger than a van camper.
SOME ROADS IN S. AMER-

an a van camper. SOME ROADS IN S. AMER-SOME ROADS IN S. AMER-ICA are not at all like those in the States or Europe—in some places all you'll find is dirt roeds. Of course, some countries do have good main roads, depend-ing on where you have a burden to go & how much you plan to travel from place to place. It would be good to check into

this & various existing conditi FROM WHAT WE UNDER-STAND, THE AMERICAN AUTOMOBILE ASSOC. gives

also info concerning visas for vehicles, taxes etc. One thing we learned is that driving from the States to Panama & shipping a vehicle across from there is quite expensive (shipping costs in Panama). So it is actually much cheaper to ship a vehicle from Miami all the way to the country of your choice.

REMEMBER THAT IMPORT LAWS & REGULATIONS VA-RY FROM COUNTRY TO COUNTRY, some being easy from what we understand to import on a tourist vias & others practically impossible or with very high taxes (200-300% of the value of the vehicle you're importingl). So it would be rise to check all these rules & regulations beforehand—at various embassies, AAA etc.

WE HAVE SEEN VERY FEW CARAVANS (TRAILERS)
HERE, BUT VAN CAMPERS are becoming more & more common on the roads in some places, also the pick-up truck campers that Dad mentions in the

s that Dad mentions in the

ALL EQUIPMENT FOR CAMPING IS QUITE EXPENSIVE here (4-5 times prices in the States). Hope this helps anyone coming this way! We'd love to hear some testimonies from anyone else camping in S.A.! Love, Zadok & Pal.

We live in a small town with nowhere to buy bulk food—until we met some Mormons who have gone out of their way. The food storage business & many are distributors of Sam-Andy foods for instance. So we suggest an excellent way to get information on food storage in any small city in the U.S., in particular, is the Mormon Church. They have been very helpful to us & want to help others get prepared for the "Crash".

Caravaning Tips

From Samuel & Jerusha: Spain:

From Samuel & Jerusha; Spain:

FREE CAMPING: There are many places you can camp for free. Beaches are always good—either a beach where other tourists are camping or find a secluded spot of your own.

(Watch out about being camped in too lonely a spot. It can be dangerous!—Dad.)

We also find large supermarkets or giant stores to be very good. They also have good prices & toilets & hot water for washing up. We've found the restaurant toilets to be nicer than the public store toilets. If you're quick you can usually get by with washing your hair as well as a pair of socks or 2.

Other good places to camp for a night or 2 are truck stops—altho' sometimes noisy due to the trucks moving in & out thru' out the night. Some countries, especially in northern Europe, have

special rest stops where you can stay for the night.

**HOUSECLEANING: Anyone who thinks housecleaning will become a whiz upon moving Into a caravan is going to find themselves mistaken. Altho' he is smaller, its use is quadrupled being used for every activity. You might have to sweep 3 or 4 times a day & you'll want to wash your dishes as soon as you use them as one thing out of place in a caravan makes the whole thing look disorderly. If there's ever a time to practise "a place for everything & everything in its place" it's in caravan living.

**BEFRIGEPATORS: If your satisfaction of the control o

REFRIGERATORS: If you have the blessing of a refrigerator, it's good to have those plastic, things with special liquid inside. We have 2 of the smaller type in our little freezing compartment so if ever the power in our fridge goes off the fridge will continue to stay cold until we can get it back on again. With gas fridges this is an especially good precaution in windy places as the pilot light will sometimes blow out by the sheer force of the wind thru' the air vents, & if you're not there for the day & it goes out in hot weather, something might spoil. It's also good to keep everything in the fridge in tight-lidded plastic containers as things can get jumbled around on bumpy roads & even spill if not stored properly.

COOKWARE: We've found things and the state of the security of the security in the state of the security is a security of the securi REFRIGERATORS: If you

spill in not stored properly.

COOKWARE: We've found that with one large pressure cooker, a cast-iron frying pan with lid. As a sauce pan with lid, we are able to cook pretty much ceverything we need—even "bake ad goods" if you don't have an oven. I try to stick to one-pot meals along with a verable or. oven. I try to stree to one-po-meals along with a vegetable or salad if possible. I've found I can cook brown rice & cut up chicken or chunks of stewing beef in the pressure cooker at the same time along with a few

cially in southern Europe where laundramats are rare & expensive. So we've found it beneficial to 1 stay at good campsites from time to time to catch up on laundry & have a thorough cleanup of car & caravan. We try to 0 arrive at the campsite in the morning, as they charge by the night. So if you arrive in the evening you end up paying only of or the time you sleep without being able to get anything done. If you have it really together, you can do a bit of handwash each day & use one of those special compact drying racks which stand on the ground & give a good deal of line space but look neat at the same time.—Good for use when parking in town in lots etc. as it looks a lot nester. Can also be pulled inside quickly if it rains or you move on.

ROOF RACKS: If your car &

ROOF RACKS: If your car & caravan space is limited, a roof rack is essential. Be sure you have a strong heavy plastic tarp (carvas isn't waterprooff) as well as stretch cords to go over the tarp to secure it. Once we tried to secure the tarp using just the holes for that purpose without using stretch cords over it & when we hit a windstorm it ripped the tarp to pieces. As long as we have the tarp on securely with stretch cords we never have any problems with anything getting wet or ruined, altho' we've gone from Holland to the southern tip of Spain!

surprise & genuine shock to me, & I was so dazed & overwhelmed: was dumbfounded when I finally caught It must have been precious Richard on to what was happening:

6. YOU SEE, IT MAS JUST A MONTH AFTER HE RINE, & IT MAS JUST A MONTH AFTER HE RINE, & IT MAS JUST A MONTH AFTER HE RINE, & IT MAS SO NOW do as the finity of the finity of score else in the Family she was really praying about what I was to now do as my former secretarial job had vanished into this state leaders I had worked for afring the past 31 years.—Martha & Imrar-were now moving on to a new field by a new connection of the same house with me) I left home with another sweet brother with plans to hit the road for the next few weeks visiting nearby countries, former friends & fish--just burning free for awhile--something my former responsibilities had not allowed me to do for a long time 8. I WAS IN A DISTANT CITY SEVERAL COUNTRIES AMAY MIEU, one evening, I received an urgent call from Emmanuel & Hannah asking if I could return home immediately, as they needed my help at home. So, with the funds supplied by my fish, I flew home the next afternow, only to discover Emmanuel & Hannah aving enough time to even as the precious of the proposed from none room to the other, doing funny little cleaning jobs here & there are all from Emmanuel & Hannah aving enough time to even as a first of the proposed from none room to the other, doing funny little cleaning jobs here & there are all from Emmanuel & Hannah aving enough time to even as a first of the proposed for more continued to the proposed for the new forms and the proposed for the new forms and the proposed for the new forms and the proposed for the new forms a many nights both of us skipping our studies & staying up late reading the Bible together about salvation & the Endtime.—This was the very first time I learned about asking Jesus into my heart—something I believed & did right away & repeated over & over again, as Jesus never seemed to come in:!—I didn't yet understand the real meaning of simple eternal salvation & I just felt so unsaved & so bad:—Like I was living in "eternal insecurity" as Dad says. But I Could not give up. & kept trying & praying.

15. FINDING HOME LIFE UNBEARABLE AT ITHIS TIME—a my parents realising how miserable I was—they suggested to me that I take an extended trip to Europe!—My! Was I ever surprised!

Because most of my former friends were either away at school or working end at jobs now, my parents thought it would be fine for me to travel alone—of all the crazy things!—& see the of world! And soon I was off on my new adventure (& how I now look back in horror that I could ever have travelled all by myself!—The Lord was really merciful to me & had His plan as liset!).

16. THE EXCITEMENT OF MY NEW ADVEN—The LURE WORE OFF OUICKLY, though, & soon sal I found myself lonely, unhappy & even sta considering returning home:—A terrible thought! It seemed like the Lord I fhad never answered my prayers by combine into my heart—which made me the saddest of all. Yet, I felt His presence with me & I kept asking!

17. SIOPPING IN A BOOK SIORE ONE DAY, I bought a Bible, & only a few days later, after arriving back in London, I made a bee-line for Hyde an levence with me & I kept asking!

18. ALTHOUGH UNFORSEER BY ME, THE LORD REALLY MAS PREPARING MY HEART & directing my path through all this, as it was here in Hyde Park on a Sunday afternoon that I came across the yellow double-decker Prophet Bus! two My heart skipped a beat, but oh:—I was too proud to step inside, & so sat on the grass a short distance from the bus, sitting in tears & I praying someone would come to share

& talk with me.

19. THE LORD IS SO FAITHFUL, & sure genough, it wasn't long till a sweet sister walked over to me & invited me onto the bus, & spent the rest of her afternoon with me, answering my many questions on how to receive & follow Jesus, living together, Jesus coming back, etc.--She had a verse for each of my questions & showed me through the Word that by asking Jesus to come into my heart & believing in Him meant eternal salvation--Jesus was in my heart to istay! I was saved! I did have Jesus! Oh, what a joy & relief to me!--And I finally understood! PTL! God bless her!--And all those smiling faces on the bus that day! My life was changed! Thank the Lord!

20. I MANTED TO GO HOME WITH THEM RIGHT THEM, but the two-week trial period was in effect & they could only leave me with their address & an invitation to visit them in Bromley the next day. So with tracts address in hand, I walked off the bus, truly a new creature, so, so happy with my new-found faith, a practically memorising the Baby. Tract!

21. The next day I showed up at the Bromley factory, enduring the two-week trial period (which was a real trial!--Ha!--Not being allowed to live in full time.) But soon this waiting period, too, was over. & I arrived at Babes Colony--I was Home! Hallelujah!

22. MY LIFE IN BABES COLONY was a time of sweet peace & comfort as I began growing daily in the Lord, reading & studying the Bible & MLs & learning how to witness--days I still hold so dear to my heart! Iwo months there passed quickly though, & I soon left my secure little nest to live in witnessing Homes for the next eight months, learning about provisioning & witnessing. In those days we didn't litness with the MO Letters, but while out witnessing we had the "New Improved Truth" paper along with our Baby & Sweet Pea tracts-before the days of "The Birthday Warning"!

23. IT WAS DURING A PERIOD OF PERSONNEL & LEADERSHIP CHANGES AT MY HOME when I was asked if I would like to help work on the Mail Ministry at the International Office (--I had been working on our little sheep mailing in our Home-work I loved to dol;)--So this offer to work on a worldwide mailing list was a wonderfully surprising one, & I eagerly accepted the offer & new challenge. So this meant a new move to a new Home of over a hundred people-such a busy, busy active place!--A true blob:-Hal But inspite of our numbers it was a blessing to be there:

24. THE BEST TIME OF ALL WHILE LIV-ING AT THE INTERNATIONAL OFFICE would all be called into tiny "Room I" for a get together to hear the most recent Letter-at the same time the Letter was beginning to be printed for the whole world-hot off the griddle! Oh boy, then the scramble would begin as we all tried to get to squeeze into, as Room I was so tiny if you didn't get there early enoughyou'd end up having to sit in the windowsill or in the tiny back room where you couldn't see anything that was happening or, when all these places filled up, you'd have to sit out in the cold hall & sometimes even halfway up the hall stairs! Ha!--But it was a thrill tohear those new Letters! We would be floating on air for hours afterwards!

25. II WAS A LITTLE LESS THAN ONE YEAR LATER WHEN I WAS ASKED TO BECOME for the whole world-hot off the griddle! Oh boy, then the scramble would begin as we all tried to get to Room 1 & find a comfy place to squeeze into, as Room 1 was so tiny if you didn't get there early enough you'd end up having to sit in the windowsill or in the tiny back room where you couldn't see anything that was happening or, when all these places filled up, you'd have to sit out in the cold hall & sometimes even halfway up the hall stairs! Ha!--But it was a thrill to hear those new Let-tours a thrill to hear those new Let-tours a thrill to hear those new Let-tours a farewards!

25. IT WAS A LITTLE LESS THAN ONE YEAR LATER WHEN I WAS ASKED TO BECOME

Imrah's secretary for his Foreign
Ministry work, & then to continue on
with him & Martha as their secretary
& helper. This was about the time of
the "New Revolution" of 1975--they
had been appointed Ministers & then
Prime Ministers of Northern Europe.
I enjoyed very much my office work
of typing & filing letters, handling
the mail & phones, running errands
& housework, plus helping with their
e children. I really felt I was in the
r-lord's will & I tried to do my best
for Jesus, even though I was not a
front-line soldier out on the fields
witnessing & litnessing everyday.
26. AI TREASURED BUT RARE MOMENTS,
Martha would share testimonies &
elittle stories of her life living
on the road with Dad & Maria & what
it was like cooking for him in the
Ark during the early days of the
Family. Oh Boy! Times like this were
a real treat for me--I only wished
she would share more!

27. --AND ALL THIS TIME I STAYED
SINGLE, not because of lack of offers, but I never fell in love with
anyone & the Lord never gave me a
real burden for any one in particuis lar. I considered "mating up" a serious matter & one I didn't want to
rush into, & so I was very cautious
labout it. But to tell the truth, the
thhought hardly ever crossed my mind
--I was so busy that I just didn't
have the time for anything or anybody else--feeling called to put my
whole heart into my work with Martha
& Imrah, & certain the Lord wanted
me exactly where I was for the time
being.
28. BUT THANK THE LORD FOR HIM &
HIS WORD
especially during times of

were, I had a difficult time sharing my heart & needs with them. But thank the Lord for the sweet, willing & devoted helpers also on our staff, the little "nobodies" who had a wealth of good humour to give & share with such happy smilin' faces & a lot of love with whom I could relax & have fun! ITL!

29. SO IMAGINE WHAT A DIFFERENCE IT MAS FOR ME WHEN DAD, MARIA & THEIR HUMBLE LITTLE STAFF arrived in my life!—I felt my greatest dream & desire had come true! They were so sweet & already geared to doing all the small necessary things around the house which made it a home-washing the daily stack of dishes, house-cleaning, cooking meal after meal, ironing & laundry—a sample in example I hadn't ever seen in past leaders.—And even Dad always lending a helping hand whenever he could, like the time when I couldn't get my transcriber to work when I had just received my first set of tapes to work on & transcribe! I got all flustered & distressed about it, but Dad calmly came to my upstairs room to have a look at the machine & check the wiring out, ending with a prayer for the machine (telling me I should always pray for our typewriters & machines that we work with) & also a sweet loving prayer & squeeze for me! He's never too busy or hurried to share loving encouragement & sweet prayers. TIL!—What a shepherd!—And Maria too, along with Dad, would arrange our rooms so that our desks would receive the greatest amount of our little Home is assigned a clean-

er for during our <u>JJT</u> (<u>Jesus Job</u> Lime!) cleanup. Dad really likes us girls to each be on the dinner schedule at least once a week so we'll be able to help relieve the main cook & not lose our touch for cooking. Good idea!—We each do have our main ministry too, but we pretty much have to be "jacks-of-all-trades" here, & ready to change at a moment's notice!

32. <u>SO APART FROM THIS.</u> I type up

here, & ready to change at a moment's notice!

32. SO APART FROM THIS, I type up the business letters & correspondence as well as transcribing tapes & typin' up the MO Letters!—A new ministry for me, this was born out of the urgent need to get out some important Letters to the Family right away. So Dad tried an experiment to see if we could cook'm up right here in our little Home & then just posting them to our faithful printer for printing up.—And it worked! PTL! It thrilled Dad to know he could have a little Letterteam right in his own house, & this is the most exciting work in the world! TIL!

BOISCO!--January 1979

33. ONE SATURDAY WHICH WAS TOO COLD & RAINY for Dad & Maria to take all their usual exercise time outdoors-in fact all week long had been a stormy one & none of us had gotten much exercise-Dad told us at dinner we needed to pray for prettier weather so we'd be sure to "Get Out"!--Then he had an idea!--After dinner he really surprised us all by hopping up from the dinner table & stepping into the living room to push back all the chairs so that they were lined up alongside the wall. He then told Alfred to get out some good dancing music, as we were going to have a "Saturday Night Disco!" "After all", he said "We need the exercise & we can't really go out dancing anywhere, so why not have a 'Disco-in-the-Home ?!"

34. DAD MAS OUR DJ ALL EVENING & even our dance instructor, trying to teach us to tango & taking us through fil the popular dance steps of when he was a young man, as we danced to the sounds of Benny Goodman & Tommy

Borsey & the Big Band sounds:--So much fun:--And us girls were dying for a chance to dance with the handsome DJ:--Ha!

35. WE WERE ALL BAREFOOT & STOMPING around when Maria, who had left about ten minutes earlier, returned dressed in her slinky red FF dress & black shawl! Whew! We all clapped as Dad took her out on the dance floor, & for some of us this was the first time we had even seen Dad & Maria dancing together, as we hadn't lived in Tenerife with them--& it was a sight to behold! PTL! What fun!

36. AT IIMES THOUGH, DAD WOULD HAVE TO TAKE A BREATHER & he would nestle down in the big armchair next to the girls so he could not only keep the music going but keep us girls going too!--Ha! He really loved it when Jewel would cut loose & dance all over the dance floor to "La Paloma Blanca" putting her whole heart into it. Then he had Sue & me get up & do a Sexy can-can for everyone! Oh my!

A FUN NIGHT! -- And for the nights to come, Dad was be our DJ & we'd get all on our exercise for the en-!--He loved it, & we did too!

'DEAR DAVIDITO"

From Ruthie Manuel; Peru:
Dear David, (Fascinating!-Dad.)
God bless you! And Happy Birthday!! I can't imagine you being

already five years old!
My name is Ruthie Manuel, my
husband Luis Manuel is Emanuele's cousin. We have 2 daughters: Luz Maria is 5 months and Christina is

We live in a little town in the jungles of Peru. It is very hot here, a tropical climate. The Lord gave us a beautiful house with a beautiful garden. In our garden we have mango trees, pineapples, lemons, bananas and

We also have tarantulas, very big, enomous spiders. So we have to

watch and pray"! But, just like bees, if you don't hurt them, they don't hurt you. We also have many sala-manders. They are harmless and eat other harmful insects. They are very

other narmful insects. They are very fast at catching them.

Many people here live in earth-made huts and cook on wood fires. Every day they go down to the river to take a bath, wash their clothes and get their water for cooking, drinking and cleaning. They live just like we'll all have to live during the Great Confusion!

Our next-door neighbours, on both sides, live like that. They grow some

food, and often have a horse to help them carry things. Luis Manuel works in the fields too. He grows soy beans, fruits, mais (corn) and other things.

From Cristina, age 6, in Spain:

My name is Cristi. I am 6 years old. We live in the country called Spain. It's very nice. I speak Spanish and English. I have 2 sisters and a new baby brother.

I have 2 sisters and a new baby brother I won 2 souls in my class at school. Their names are Teddy and Ester. This is Ester's testimony. I asked her if she had Jesus. She said yes, but I didn't really think so, so we prayed together. Then it was time to go from school. Now she has Jesus! Love, Cristina.

Here's a picture of me at top with Felicia-2, Hope-4 & our baby brother Andrew. Photo by Miguel. (Children of Jasper & Love.)

From Joy Woods, age 7, in Spain:
Here's a song I got for the new baby

A bundle of love is what Jesus gave to me.
I said "Hey Lord, I need a bundle of love"
So out of my nanny popped a little

Josiah David, age 6, son of Isaiah & Victory Gypsy in the U.S. At school in his first grade class Josiah won the "Award for Outstanding Citizenship" which is given to one child in each class for being a good friend and example to his classmates. HITTING THE ROAD IN THE PHILIPPINES! by Shem, age 9:

We just got back from an exciting road trip with Job, Joy and Sammy, age 1.

We met a nice lady who owned the only hotel in town. She let us stay for 3 days for free! God bless her!

we went to an elementary school and talked to the principal. He let us sing for 3 of his classes. We sang "You Gotta Be a Baby" and "I'm So Happy" in two languages of the Philippines called Cebuano and Tagalog. Afterwards, 150 students act most by the processor of the Philippines called Cebuano and Tagalog. dents got saved plus one teacher! We

then sang for the principal and his staff. He really liked it and they even got together and gave us a little donation! TYJI God supplied all our needs and we provisioned all our meals. We met lots of sheep and distributed 500 pieces of lit. We hitchhiked all the way there and back and it was really great! I can't wait to go out on the road again! Love, Shem.

PG & GIJN FROM THESE
FAR-FLUNG ISLANDS where God has done in one month exceeding & abundantly above all that we asked or thought & has been fulfilling promise after promise & dream after dream! A year ago when we were in Holland & praying for God's will, the Lord gave me 4 dreams indicating we were to go to these islands which had been my boyhood home from ages 11-17!

Two of the dreams even indicated the name of the town where we were to go, which is where we are now, PTL! At the time of the dreams, it had been sufficiently staffed but just before we arrived it was vacated, just one of the little miracles God has done for us, PHN!

IN JULY AFTER 6 MONTHS OF PLANNING TO GO, even my getting a job to save money, we still had almost no funds saved. Beginning to wonder if the Lord even wanted us to go, Zion prayed for Him to supply the funds if it was His will, & within a half-hour a precious Family couple walked in & said the Lord had told them to give us the fare from an inheritance he had received, PGI God is still on the throne & prayer changes things!

NOW LIVING IN A VERITA-BLE MANSION in the country for a rent of about \$25 a mo.! It has its own well with electric & hand pumps, mango, banana, papaya & kalamansi trees, & is surrounded by friendly farmers. The owner is a top official in the government in its youth program. At the time we spoke to him about our work & the possibility of staying in his house, our baby Marie was sick & coughing very badly. Later he said it was compassion for her more than anything that prompted him to let us stay.

WE TOLD HIM IN PARTING THAT WE WOULD BE PRAYING FOR HIM & the very next day he was given a big promotion by the President! He said he knew it happened because we have been praying for him. Consequently he has received us as members of his family & wants to take us on his travels with him to set up youth clubs for drama & music, giving us complete freedom to preach & proclaim our message!

"WILD WIND TAPES WORK WONDERS with our 2 active boys, ages 3 & 4½. Whenever one or the other of them gets 'out of it' during play or out of sorts for whatever reason & nothing else seems to help, we sit him down in a quiet room next to the tape recorder & put on a Wild Wind Tape. After a side or 2 he's a new creature—happy, calm & inspired again! Their favourites for this special listening time are the 'Grandpa Stories', Simon Peter's dramatisations of the Letters, or 'The Story of Love'."—zs. WILD WIND TAPES WORK

Putting His Children First! The victories & blessings that come with being a 'Real Father'!

From Habakkuk & Zion (now in S.E. Asia): Dearest Dad, Maria & Sara,

GBY & GIJN! THANKS SO MUCH FOR THE QUESTION-

GBY & GJNI THANKS SO MUCH FOR THE QUESTION-NAIRE that was sent out to give us the chance to share our victories & problems with you concerning our little family, well, not so little, 4 children, but little compared to God's greater Family.

PLEASE FORGIVE US FOR THE LATENESS OF THIS LETTER but we got the questionnaire late as we were stranded in another country with the measles, 3 of the children & Habakkuk being affected. Now I'm recovering & anxious to pour out. Please bear with me but I really need to start with a confession & request for prayer.

MY FORMER LACK OF LOVE & BLINDNESS to the importance of our children & families, together with a selfish desire for a glorious ministry of my first marriage & the division of our 2 precious girls—Joella & Anne-5. The Lord in His unfathomable mercy has given me a wonderful new wife Zion & 3 more precious children. Zion is very strong & hasn't been easily swayed by my "ramness" & has fought untiringly for the children until at long last

THRU HER & THE MO MIS-

Ingly for the children until at long last THRU' HER & THE MO MISSIVES IT DAWNED ON ME that after 8 years in the Family I was still nothing, & so I committed myself to the children. And there I've found peace, fulfillment & my calling, as witnessed by the children's tapes we've begun to produce. Please pray for me!

ON TOP OF THIS, THE LORD SEEMD TO THINK I

Just before leaving for S.E. Asla—Haba Marie & Larissa.

Marie & Larissa.

WAS READY NOW TO FACE
THE FACTS & began to reduce
me to tears everytime I thought
of poor dear little Anne, & wher
I went to see her & Rebekah,
my first wife, now remated
with another brother, the Lord
came thru' as never before.
The entire trip back I wept &
prayed like the rain falling outside.

rrayed like the rain falling outside.

THE LORD CONVICTED

ME, I CONFESSED, the Lord
miraculously changed my hear
& now by the grace of God I
plan as much as possible to correct the result of my heinous
sins. And do you know what
the Lord has done now?

WE ALL WENT TO VISIT

MY WIFE & HER MATE for
3 days & caught the measles
one after the other & have been
here 4 weeks! We have wonder
ful unity among us, especially
with my 1st wife & we're hop-

ing they'll decide (I've proposed it) to go to S.E. Asia too so we can restore & enlighten the one dark place in the hearts so we can restore & enlighten the one dark place in the hearts of these dear girls who believe in & love Jesus so much. Please pray for us, & forgive me for being such a reproach to His Cause in this, but God's way up has truly been down, & I now see brilliant light ahead in humble service to His little ones.

WITH THAT ASIDE, ZION & I ARE VERY HAPPY & very much in love & have come to a real unity in how to raise the children. We have 3 girls—Joella -6, Larissa-3, Marie-5 mo. & one boy Michael-2.

JOELLA IS IN SCHOOL & is doing very well, in some ways too well, because she's too cautious about witnessing for fear of losing friends. We'll be glad for her sake to get to our new field in an atmosphere of

more faith, altho' we constantly feed her & encourage her in her witness & she's doing better.

I WOULD SAY OUR MAIN PROBLEM IS THAT WE HAVE NO OTHER HELP now at a time when the Lord is calling us to pioneer & to do a tape ministry. It seems often that if we have in the large often that if we

time when the Lord's calling us to pioneer & to do a tape ministry. It seems often that if we teach & train the children, cook & keep a clean house we are both busy with only that all day, & our mail ministry, which we expect to be our lifeline on the mission field, suffers & the tapes suffer.

WE HAVE JUST ANSWER-ED A WANT AD for help & hope something will come of that. (It didl) It's good to see more & more ads from people saving they'll go anywhere & do anything, because after the RNR many single people got the wanderlust & didn't want to be held down helping families & children.

be held down helping families & children.

I MUST SAY THO' THAT

THIS TIME WITHOUT HELP

HAS BEEN OUR SALVATION in finding what a blessing our kids are, & we believe this will give us a much more positive attitude toward any help the Lord does choose to bless us with. Help or no help, we plan to go on.

with. Help or no help, we plan to go on. CONCERNING OUR WITNESSING—yes, it seems the Lord has always supplied the opportunities to witness no matter what the circumstances were. I was working until just recently & always witnessed at work until all my colleagues had heard the message & one girl was saved. Almost all witnesses began either thru' questions about my constant Bible-reading in breaks or my refusing cigarin breaks or my refusing cigar ettes & not using sugar in my

coffee.
I FELT THE NEED TO LIT-NESS but with so little time I had to resort to slipping Letters in mailboxes etc. Joella also

would go around the neighbour-hood & give out milky Letters, & she led a little Chinese girl to the Lord on one of those days. Also on our daily walks all the children would hand out Letters or out then in milhouse.

children would hand out Letters or out them in mailboxes.
WHERE I PERSONALLY HAVE FELT THE GREATEST ABILITY TO POUR OUT IS THRU'THE MAIL, which I wish I could do more of. I have distributed many Letters, shirt pocket books, Quotebooks & versions that the mail 8 incomes than the mail 8 incomes

pocket books, Quotebooks & even tapes thru' the mail & nave in return received very positive reactions & donations of both funds & materiels.

LATELY WHILE VISITING REBEKAH WE HAVE HAD MUCH OPPORTUNITY TO PERSONAL WITNESS simply y meeting people in this little village on our walks & inviting them over for coffee. The children have sung with great inspired. dren have sung with great inspi-ration for all & made a tremen-dous impression, & their sweet love & kisses have been a won-

love & kisses have been a wonderful sample.

THREE ADDRESSES HAVE
BEEN ADDED TO OUR MAILING LIST thru' the witness of
the past week. One evening an
elderly Catholic nurse whom
first the children & then Zion
met came over in the middle of elderly Catholic nurse whom first the children & then Zion met, came over in the middle of our flannelgraph story. Then the children sang for her & went to bed, giving her sweet kisses. The rest of the evening the raved about this simple sample & said if the churches had teachers like us & if other families would raise their children as we do, this world would be very different. She left with plans to share the "wonderful things" she'd seen with her church officials. ALL THESE WITNESSES WERE MADE WITHOUT ANY MENTION OF AN ORGANISATION, just that we are a missionary family with plans to go to the Orient. The result in souls is small thus far, but

we are learning all new methods of being a family rather than an organisation.

I WOULDN'T SAY WE'VE EVER FELT CONDEMNATION FROM OTHERS because it seems that many others are having a harder time making the adjustment than we, & we have found ourselves several times in the position of encouraging others to really put their children first.

ONE RECENT EXAMPLE WHICH TO US IS A SAD SIGN of some families digressing rather than progressing, was an areawide get-together being planned & it was suggested that for this meeting that the children be left with relatives or friends so everyone can have more time to share & talk. We just can't agree with that attitude as we truly feel our children are our work for the Lord & we feel naked without them & would hate for them to miss such a blessing & inspiration. By the way, it has been said that childen are welcome if no place can be found to leave them or one would rather bring them, but I felt that much of the point of the Family today was being missed in such a suggestion. Please correct me if my attitude is wrong. (Sara D.: What if we are w"babe" disciples, had been left out of Family inspiration time!—What a fulfilling spiritual encouragement those times are for all!—Esp. the little ones.)

OUR GREATEST ENCOURAGEMENT TO KEEP ON & have faith in what God has put into our hands as always comes from your honey lips, Dad, & the Dito Letters & now the Techi Letters. We find the Dito Letters very honest & encouraging to see Dito go thru' the same things as our kids. We feel very close to the warm hearth of your household thru'

these Letters & in no way are

they a hindrance.
WE CERTAINLY BELIEVE
THE REARING OF OUR CHILDREN COULD BE IMPROVED we try to learn something new every day. Overall in the Family in the present struggle for survival we have seen & heard of the children's training often falling far behind. PEOPLE HAVEN'T DISCOV-ERED CHILDREN'S TAPES

BY WILD WIND, for example, which are a tremendous way for busy parents to see that their children stay in the Word. Often they don't order them because

they say they don't like them
-but they haven't tested them
on their children. One brother didn't like Stephen David's Set Card tape so wouldn't order it, didn't like Stephen David's Set Card tape so wouldn't order it, but our 2 & 3-year-olds now know all 8 sets thru' that one tape! (Sara D.: Amen! We use WW Tapes all day long. They teach the kids the Word in song & memory & never return void!) We really believe in tapes & We really believe in tapes & preach'm everywhere we go. There needs to be more of m! As far as written materials go, it was once mentioned that all the Basic 144 would be fantastic.

IN CONCLUSION, I WORK-

ED AT A STEADY SYSTEM
JOB for 5 months & as long a JOB for 5 months & as long as we're still in Europe I will prob-ably continue to take temporary ably continue to take temporary jobs to stay legal etc. But we have prayed that the Lord really will supply our needs from here on out so we can serve Him full-time! Faith was the Title Deed!

© From Job & Rachel Waters; USA: 8 WE WANTED TO SHARE THE MIRACULOUS WAY THE LORD SUPPLIED US WITH OUR CAMPER! One day Rachel & I were out looking for a trailer when we came across a van already equipped with a stove, shower, bed & other things.

stove, shower, bed & other things.

BUT THE VAN HAD NO TITLE, & we had little cash & only a big old car that burned a lot of gas. Well, we heard that there might be a way of getting the title—if the vehicle had been around for over a year & there was no record of it.

WE READ THE LETTER "MORE ON FAITH" & the Lord showed us that faith was the title deed for this van! So we stepped out by faith & offered the man our car & \$100 & he agreed, PTL!

THEN WE WENT ON THE ATTACK FOR THE TITLE, applying for a new vehicle title

SO NOW WE'RE LIVING IN IT & getting it ready for the road. Thanks, Dad, for all the Camping Letters & information, as they've helped us so much! The they've helped us so much! The words really give us faith & confirm what we're doing, so that we know we're in the perfect will of God!

Using Correspondence School!

From Sky Quixote, mother of 5; Australia:

IN THE PAST I HAVE TAUGHT OUR CHILDREN THRU' CORRESPONDENCE SCHOOL & will be doing so again as we hit the road. They supply all the equipment, which is usually very compact with lots of games & things for the kids to do to increase their reading & spelling activities, as well as set out classes each day for the child which you just follow but are able to change somewhat according to the child's progress & ability.

HERE IN AUSTRALIA, CORRESPONDENCE SCHOOL IS TOTALLY FREE which is a real blessing for us, & I don't have to rack my brains every night trying to think how I will conduct the lesson as I have the guideline which also lets me know where the children should be be educational standards.

I READ AN INTERESTING
ARTICLE that was called
"Watch Your Conversation!—Children Are Listening!" The question was, "What is the most neglected problem in family life today?", & the answer wes, "the
way parents talk before their
children in critical spirits," says
Dr. James H. Bosserd.
HE WAS PROFESSOR OF
SOCIOLOGY at the University
of Pennsylvania when he wrote
this article. He said that after
40 years of probing into what
he called "Neglected Areas of
Family Life" with special emphasis on the problems of children, he made a discovery out of
his experiment.

USING TAPE RECORDERS,
Dr. Bossard acquired extensive

USING TAPE RECURDORS, Dr. Bossard acquired extensive smples of dinner conversations of Philadelphia families. He said, "I had no idea I would discover a real pattern in the conversa-tion of families. I just wented to learn what families talked a-

bout. But to my amazement, I found that family after family had definite consistent conversational habits—& the critical pattern was the most prevalent."

THESE FAMILIES RARELY HAD A GOOD WORD TO SAY about anyone. They talked continuously about friends, relatives & neighbours, almost every as-

And this constant negative family atmosphere had a disastrous effect on the children because a high percentage of the children were antisocial & unpopular.

IN THIS PATTERN OF FAMILY HOSTILITY many times it turned to quarrelling amongst themselves. Without fail their meals were a round of insults & bickering. The children absorbed CRANDMOTHER ON TARE

The Tongue! Part 2

by GRANDMOTHE? (MO's Mom)

by GRANDMOTH

OH, SO MUCH IS SAID IN
GOD'S WORD ABOUT THE
TONGUE that we can't avoid
mentioning it. God's Word says,
"Whoso keepeth his tongue,
keepeth his soul from trouble"
(Pr. 21:23) & "Keep thy tongue
from speaking guile" (Ps. 34:13).

—That is, from making a statement that conveys a meaning
different from the real truth.
Many who shrink from telling a
lie won't hesitate to give an inaccurate statement.

ONE OF THE 6 THINGS THE
BIBLE SAYS THAT GOD
HATES is a lying tongue (Pr. 6).
Now the 19th verse mentions 2
more things that God hates: "A
false witness that speaketh lies"
& "he that soweth discord among brethren". Keep your
tongue from slandering, talking
of others to the hurt of their reputation.

SOMETIMES HARMLESS

of others to the hurt of their reputation.

SOMETIMES HARMLESS
GOSSIP RUNS DANGEROUSLY NEAR SLANDER. I remember reading a long time ago about a girl named Jesse Pepper,
18 years of age, & she was convicted of manslaughter because in her gossip of a girl by the name of Mary Ellen, Mary Ellen was discouraged & took her life & it was called a "gossip slaying", because Mary Ellen took her life as a result of the gossip. But as a rule the law can do very little about such things, but God can do much about breaking His law regarding the tongue!

IF YOUR SOUL IS LITTLE & SUPERFICIAL, egotistical,

IF YOUR SOUL IS LITTLE & SUPERFICIAL, egotistical, mean, all those qualities are going to permeate your words as they flow from your lips. All the sham & sanctimoniousness in the world won't cover it up. IF THE HOLY SPIRIT HAS POSSESSION OF THE SOUL, the words spoken are clear, sim-

ple & filled with divine light just as Christ is light. There'll be no deceit, sham or double meaning. Words flowing from the soul beptized with His Spirit of love will have a magnetic drawing quality & a rare warmth that draws others to them.

AND WHEN THE HEART'S BURNING WITH DIVINE LOVE you don't need to put patience or tenderness in your conversation or your prayers. All your words will have a savour of life & power in them. It comes from an inner depth of a spirit that's already occupying that soul, a Spirit-filled life.

IF YOU WANT TO BE ABLE TO SPEAK WORDS OF HELP-FULNESS to needy ones at just the right way & with lasting effect but without set premeditation & you want to speak words that will be burned into the memory & bear everlasting fruitfulness, then just let the Spirit of the living Christ speak thru' you!

WHEN IT IS REALLY
CHRIST IN YOU, Paul said, "It is no longer! that liveth but without the time "(Gal. 2:20) & this Spirit of Love then is in the heart, & this can only be done! If He's really abiding in full possession of all of your life, in control of all your faculties.

OH, SUCH POWER FLOWS thru' one from the in-dwelling Christ that this is what we call a surrendered life placed in His

thru' one from the in-dwelling Christ that this is what we call a surrendered life placed in His hands & living in His presence, ablding in Him & His words abiding in you.

abiding in Him & His words abid ing in you.

I WONDER IF YOU FAITHFULLY READ HIS WORD?
His words can't abide in you unless you know them, can they?
Do you take time for prayer, waiting in His presence? The

power will not come forth unless you do this. Words will often come forth just as insipid things, lukewarm & powerless because they don't come from an indwelling Christ. They don't come from a burning heart. They don't come from a surrrendered will, a life baptized with His love. YOU KNOW, THE LORD JESUS CHRIST LONGS TO FILL YOU with His Spirit until as He Himself stad in that day in the temple, "He that believeth on me, as the scripture hath said, out of his belly shall flow rivers of living water." (John 7:38.) Isn't that wonderfull Then reality, one baptized with the Holy Spirit is bound to speak with love because God is Lovel His precious Holy Spirit is lovel NOW ALL THIS THAT WE'-VE JUST SAID would be so many words if we didn't impress upon you the fact that the trouble isn't fundamentally with the tongue, tho' we talked & read about the tongue in our first scriptures.

OF COURSE, IT'S IN THE HEART. You can't put on. The tone of the voice can't have love in it or sweetness if there's no sweetness or love in the heart. There's an emptiness & people can discern it. Words are the conveyance with which the quality of the heart & mind go forth to other people.

JESUS TEACHES THAT OUR WORDS REVEAL our heart's

ity of the heart & mind go forth to other people.

JESUS TEACHES THAT OUR WORDS REVEAL our heart's character. Whatever the quality of the heart, it will possess & accompany the words exactly. We don't understand it, but there's an invincible stream of soul quality that flows thru' our words. There's no way under the sun to change that quality, except to change the spirit from which the words flow.

THERE HAS TO BE A
CHANGE OF HEART. Oh, how many times some man has been mean & cruel & unkind to his

wife & then Jesus has come into his heart & cleaned up his life & there's come the sweetness & what a change! If there's anyone like that listening, if you cry unto the Lord as expressed in the 51st Psalm: "Oh Lord, create in me a clean heart & renew a right spirit within me," He'll hear & He'll answer.

THEN IF YOU PERSEVERE IN PRAYER & es you grow in grace & knowledge of the Lord Jesus Christ & into an abiding relationship with your Lord who's the Fountain of all goodness & kindness & gentleness, you'll soon find your words to be conductors of His Spirit which is love, meekness, longsuffering, patience. This means a yielding of yourself to His Will that He can live out His life thru' you. Are you willing to do that now?

LET'S PRAY JUST A WEE LITTLE PRAYER ABOUT IT. "Our Father God, we pray Thy blessing upon each hungry heart, each seeking soul. Especially these, Lord, that are having a battle regarding their tongue or the uses of their temper, the quick thoughtless outting word, the critical thing that springs so quickly, Lord, to the lips. Forgive us, Lord, cleanse us. Fill us with Thy love, Lord, Thy own Spirit. We pray that we shall seek Thee until we find Thee in all Thy sanctified fullness of love, in Jesus' Name, Amen!

Do You?

(Do You Feed Your Body But Starve Your Soul?) by GRANDMOTHER (MO's Mom)

as a man that some folks called great Said he'd made good, had grappled with fate 'Till he'd won fame and some riches, too. But in the crowd there were those that knew The soul of him, so miserably small, That real greatness he knew not at all.

For all through life he'd missed the real goal;

HE'D FED HIS BODY BUT STARVED HIS SOUL.

He had no time for the little things That so much peace and contentment brings; A faithful friend, a child's tender look; A promise sweet from the dear Old Book; A little talk with the Friend Divine: A tittle talk with the Friend Divine; A little walk where the wild flowers twine, Just half a man not well-rounded, whole; WHO FED HIS BODY BUT STARVED HIS SOUL.

And when the day of accounting came In God's own time, and Death called his name, Then the poor, frail, worthless, empty shell He'd groomed and fed and tended so well, Was left behind—just an earthbound clod While his shriveled soul went to face his God All unprepared, and paid the full toll; HE'D FED HIS BODY BUT STARVED HIS SOUL.

So come, my friend and we'll walk today Where the biggest and best have full sway. We'll follow the trail that higher goes To visions where the soul larger grows You'll never hear them say of you then; "Just one of the common herd of men You'd find anywhere from pole to pole WHO FED HIS BODY BUT STARVED HIS SOUL.

On Valentine's Day, the North Bend Nursing Home had a special visit from four smiling, singing, happy children. The children ranged in age from 4 to 7 years. Two (Fa-Fa and Jude) are the children of George and Mercy D., and the other two (Santiago and Andres) are the children of Adolph and Rose S. Both couples also have two other children. The children sang songs (accompanied by George on the guitar) and performed a skit entitled "The Heart." In the skit one of the children portrayed a sad "heart" heard to be saying such things as "I'm so lonely," and "I'm so asd, nothing makes me happy." Then one of the other children entered and offered the "heart" the answer to his loneliness; which is money, but that didn't do, so the next child entered the scene with his

answer "education." After this failed to make the "heart" hap-py, the third child entered and offered "things" but this also failed and the heart remained

falled and the heart remained sad.

But then love was offered to the heart and happiness ensued; this was followed by the children all quoting Revelation 3:20: "Behold, I stand at the door and knock. If any man hear my voice, and open the door, I will come into him and will sup with him and he with me."

will sup with num and the me."

After the skit, the children went around to all the people hugging and sharing a little of the love of Jesus with them.

The D s and S s are missionaries who have known each other for eight years. The D s have been to such countries as Malaysia and Thailand, and are now

raising funds to travel to Yugo-slavia, where they plan to con-tinue their work. The S s have done missionary work in Central America and are plan-ning to return there in the near future.

ning to return there in the future.

Both couples believe that their children are their greatest witness and that they can touch even the hardest heart with God's love. The children are taught scripture and accompany the parents on witnessing excursions. They distribute literature that tells of God's love through simple stories. The erature that tells of God's love through simple stories. The children sing and do skits at nursing homes, orphanages, and even on the streets of the city. Everywhere they go they try to brighten someone's day with God's love.

The S s and D s are presently living together in the Valley.

Kids Make News!

WE'VE FORMED OUR KIDS INTO A LITTLE SHOW TROUPE & they've been performing at some of the local old folks homes. Included are Terah 6, Alexis-5, Papillon-3 & Nicole-114, as well as Allison-4. Allison is a little girl who we've been babysitting for the past 3 months. Her divorced mother spends most of her time either working or at college. This being the case, Alison quickly adopted us as her new family, calling us Papa & Mama & the kids her brothers & sisters. It was instant love at first sight!

SEEKING PROFESSIONAL ADVICE, she went to a psychologist. It turns out that he had just read the article about us & was satisfied with Alison's environment, saying it would be a great injustice to Alison if she were taken a way from such a stable, emotionally good atmosphere such as what we were giving her. We're so thankful that the Lord has entrusted such a precious little lamb into our care & we're encouraged how the Lord fights for his little ones in such unexpected ways!

Delivered From Alcoholism!

From Jeremiah Bolivar; VS in Central America:

Dearest Dad & Maria,

I AM SO THANKFUL TO THE LORD FOR YOU BOTH & the tremendous inspiration & guide you are in our daily lives. I want to write to you my testimony & reaction to the Letter "The Christmas Eve Massacre".

THERE IS A PHYSICAL & SPIRITUAL AFFLICTION CALLED ALCOHOLISM of not being able to handle alcohol in any form at any time. In the past I had this terrible affliction which caused me a great deal of trouble. But when I was filled with the Holy Spirit in 1968 I was completely delivered from this affliction, PTLI

IT HAD CAUSED ME A LOT OF TROUBLE & SUFFERING, especially to my poor wife who was at the point of leaving me. In 1969 I went to study in Europe & when I met & joined the Family in 1972 God really transformed my life & mind with the words & way of living in the Family.

SOME OF THE LEADERS

words & way of living in the Family.

SOME OF THE LEADERS ENCOURAGED ME THAT I WAS NOW HEALED from this affliction & that I could handle a bit of wine from time to time, & indeed I did manage to handle it & I appeared to be healed. But as years went by I became assistant to one leader & did a lot of travelling all over Europe & South America with my fathe who was a king of the Family, & I started to drink more & more heavily.

& I started to drink middle & more heavily.

THE LORD HAD WARNED ME THAT BECAUSE I WAS DISOBEYING BY INDULGING in too much drink that He was removing my healing of this affliction, & that I was heading for disaster. Finally after the

RNR it happened, & a terrible jealousy problem was exposed, jealousy problem was exposed, & I asked the Lord to heal me from it. But the Lord gave me

my crown, my wife, my children & my usefulness to the Family & to Him. I put my will with God's Will & believed, & He de-

months after my victory the **East Note of the Lord to heal me from it. But the Lord gave me a Mo quote:

"HOW CAN YOU HAVE FAITH FOR GOD TO BLESS YOU WHEN YOU ARE DISOBEYING? How can God bless disobedience?"

My drinking had made me spiritually weak so that I fell prey to the spirit of jealousy. On top of it all I had been working for my father for 7 years because the Lord used him so much to help the Family all over, but sometimes he was a cruel taskmaster.

BUT INSTEAD OF TURNING TO THE LORD FOR HELP I used to run to the bottle. Finally a year ago, after a quarrel with my father I got drunk & ready to leave everything I bought a plane ticket to Spain. But the Lord wouldn't let me go by putting an angel to stop me who didn't let me out of sight until I was safely at home again.

WHEN I WOKE UP THE NEXT MORNING I CRIED OUT TO GOD & promised Him I would never drink again because I saw I was going to lose

WE'VE GOME THRU' MANY TRIALS & VICTORIES, HUMBLINGS & BREAKINGS TO-GETHER & thank God it has made us all very much more united. The testimony of a happy home life is very very impressive to our friends as we have so many just popping in at any time & we need to be always "watching & praying".

WE ALSO LEARNED WE
NEED TO BE TOGETHER ON
WHAT WE SAY & often we discuss how we will answer such &

they ask you a question you

don't want to answer, just don't answer—or <u>evade</u> it or give them some <u>other</u> kind of answer or something, but for God's sake don't lie!"

PHYSICAL PREPARATION
THIS IS MOSTLY LEARN-

PHYSICAL PREPARATION
THIS IS MOSTLY LEARN-ED BY GROWING UP to be a woman & even detailed for us in certain Letters. We have really learned how immortant this is, for "man looketh on the outwar appearance". It is not really that expensive to dress nicely, especially if you can sew. We have had Fish buy us Christian Dior dresses but
WE'VE GOTTEN MORE
COMPLIMENTS ON THE SIMPLE & TASTEFUL DRESSES we would put together by sewing. A good pair of shoes is also needed as people really look at your feet, & your hands, so keep them cleanly manicured. SOMETIMES WE WEAR
WHAT WE THINK IS A LOT
OF MAKE-UP but people always remark, "You look so natural, you don't even wear make-up!" So really, it is nothing compared to most women. However, a little colour here & there actually makes a pleesing difference & makes you look healthier under those hard night lights. (ONE THING I LEARNED WAS TO TAKE BETTER CARE
OF MY HAIR & SKIN, which I used to not pay attention to, thinking it was "vain". However, a little extra care proved to have good results & a few people remarked I looked healthier & happier—a good testim ony!)
ANOTHER THING WE DO IS KEEP OUR GOOD CLOTH-ES ONLY FOR FF'ING.—Don't cook in your nice dress or use your dancing shoes to go shopping in! Be "mond stwearcht"

cook in your nice dress or use your dancing shoes to go shopping in! Be "good stewards".

HOW WE STARTED & STAYED

-A SYSTEM COVER!
TRULY IF WE DID NOT
HAVE A SYSTEM COVER, WE
COULD NEVER HAVE LAST-

ED even a few months in such a closed, touristic, police-controlled place! As catering to the rich seems to be the only acceptable thing besides being rich, we really can see the Lord's wisdom in the cover He showed us to use. Two of the girls are folk singers & another acts as their manager, finding private jobs for them. They sing in a few good restaurgants, with special permission from the owners, & from there we have made engagements for private parties which supplies funds & Fish.

NOW ALMOST EVERYONE KNOWS WE BELIEVE IN JESUS, talk about Jesus & God, sing about God & Love, give religious lit etc., but the fact that we are singers & are requested by many influential people really helps our PR with officials. Even with another girl coming here later, we say she is a secretary when people ask "What do you do?" Of course whoever talks with us percieves that there is more!

you do?" Of course whoever talks with us percieves that there is more!

WHEN THE "SECT" PERSECUTION WAS IN FULL SWING of course there was talk of our belonging to a sect. We tried to look as "unsectish" as possible, but even the look in our eyes gave us away. Whenever a question was asked we would usually answer somewhat paraphrasing the "Guru" Letter.

ONE TIME ONE OF US ACTUALLY ATTACKED THE QUESTION in a situation with 2 men who belong to a snobby local clique connected to a wealthy oil company president. When they asked her if we belong to a sect, she answered, "Why is it today if you say you're a Christian people think you belong to a sect, but they don't think it strange if you belong to the Casino sect or the disco sect etc." Other times we would just try to avoid it & concentrate more on our being Christians. It is so important to be

led of the Spirit in answering these questions & to discern why

these questions & to discern why they are being asked.

THE LORD HAS REALLY USED OUR "FRIENDS OF UN-RIGHTEOUSNESS" to protect & keep us here, PTLI Many peo ple here look at who likes you & who you are with. Having sat in public with many important officials & the super-wealthy (Ffing quite a few of them!), has en couraged others to accept us despite the "sect" talk. Hallelujah! Use it!

tobulged vines to accept our service to the "sect" talk. Hallelujah!
Use it!

THE IMPORTANCE OF PATIENCE!

A VERY NEEDED COUNS-EL, STRESSED IN MANY LETTERS such as "Deep Sea Fishing" & "Mothers of God", is that of patience with the big Fish. Some of these people are so hard & calloused by the world of hate that they live in that they have almost no belief in any "Love of God" & only a continued portrayal of this will ever show it is true. Even tho' those who accept us at first are overjoyed, they have to return to the world where they are constantly flooded with doubts & hate, choking the little faith that was started.

ANOTHER FACTOR IS THAT MANY OF OUR BIG FISH ARE MARRIED, heavily obligated to their work or don't live here etc., so we don't see them so often. However, when they come here & find us faithfully witnessing & giving love it encourages them greatly of the truth of our message. We have ugheard so many times, "I thought you would be gone by now or changed by the hardness of these people, but you're still here, pure & loving & simple" etc. PTLI "Let your light so shine before men that they may see your good works & glorify your Father which is in Heaven". (Matt. 5:6.)

IT IS ALSO ENCOURAGING

point we have learned:
YOU NEVER KNOW WHEN
YOU MEET A CERTAIN PERSON WHAT GOD'S SET-UP
COULD TURN OUT TO BE.
Often we have met people who
were not particularly sheepy
but we got a check to stay with
them. Later this would lead to
meeting their friends, the real
Fish God wanted to hook. Some-

FOR US when we have a friend call up whom we have not seen or heard from in maybe 6 months & ask to see us. Alone & intimate, he shares with us all that we told him so long ago, revealing how love & the Word has affected him & never returns void. THE COUNSEL ON KINGS & HOW TO TREAT THEM ARE VERY HELPFUL for big Fish. A good example of that is an experience we had with an Arab prince. Earlier in the evening we had received the verses Ecc. 8: 2-4. Later we met S., introduced to us by a friendly waiter who knew him to be very important. S. was very sweet & the typical rich Arab raised in the Western world; we quickly became friends.

HE INVITED US TO A PIAN. OB AR WE DON'T LIKE because of its goaty owner, but we went to stay with him. He decided to stay there all night & at first we were unwilling to sit in that devilish atmosphere & were about to leave but after prayer decided to "be not hasty to go out of the king's sight". We humbly came back in & stayed with her to receive Jesus & took a "Real Love" booklet with him, PTLI This leads to another point we have learned:

YOU NEVER KNOW WHEN YOU MEET A CERTAIN PERSON WHAT GOD'S SET-UP DON'T GET DISCOURAGED!
SOMETHING WE HAVE
LEARNED OVER & OVER AGAIN is not to get discouraged
when the big Fish swim away.
'They have the Hook, they've
got the Word of God in their
jaw & God will hold them respon
sible for the Words. But you
failed to catch them because
you tried to catch them too
quick...We have hooks in their
jaws & we've let them have lots
of line. Some of them are way
out of sight, we haven't seen
them for a long time...It may be
years before you can pull them
in all the way—till they get so
tired of fighting they cannot
fight anymore. So that's really
the way it is a great deal of the
way it is a great deal of the
way it is with these big Fish"
(No. 547:35,65,125).
WE HAVE HAD THIS HAPe-PEN SO MANY TIMES, but we

have stuck around long enough now & been humbled & loving enough, thanks to the counsel of the Letters, to receive the

enough, thanks to the counsel of the Letters, to receive the fruit of DSF.

A FEW TIMES WE'VE GIVEN A HEAVY FF WITNESS to a certain big Fish; in private he was so receptive & said how much it helped him & we were sent from God, but the next time we saw him in public he might coolly say hello or even not say anything! This is the extreme case & one of the hardest on your pride, but there are so many worldly influences holding back these people.

THEY ARE TRULY PRISONERS & BOUND by their system, incapable of being free except perhaps momentarily liberated when they feel the powerful Spirit of God in you. More than once these same people later when alone apologised & made excuses, & we would have to humbly & lovingly accept them, showing God's love never ends.

Like Nicodemus in the Bible, they come to us sometimes in secret, but the Lord is faithful to give you a lot of love for these harder cases.

THE USUAL BIG FISH WILL TAKE A BITE, RECEIVE THE

to give you a lot of love for these harder cases.

THE USUAL BIG FISH WILL TAKE A BITE, RECEIVE THE WORD & THEN SWIM AWAY for perhaps months while we wonder what happened. Then one unsuspecting day we get a phone call from him as if he just saw us yesterday & we pick up where we had left off. Slowly & patiently they come in closer & closer. The point is not to get discouraged when you don't hear from them but keep them in your prayers & try to write a personal note once in a while.

WE HAVE ALSO HAD FISH THAT FALL IN LOVE WITH THE BAIT, but again with the God-given advice in the Letters we have been able to train them right & lovingly show them how we belong to God & His Work

first of all.

THEN THERE ARE THE
ONES WHO END UP REJECTING OUR WITNESS AS BEING
FROM THE LORD, after spending a lot of time with them,
FF 'ing them, witnessing to them
often etc. However, even with
these we know that the Word
never returns void & love never
fails! "I frankly don't believe
Maria has ever gone to bed with
a man yet—I have almost claimed it—but what God is going to
pull them all the way thru's sooner or later & they're going to
know the Love of God & be saved because she had to go to such
lengths" (No. 561:22).

THE BEST ABILITY:

lengths" (No. 561: 22).

THE BEST ABILITY:
AVAILABILITY!
OFTEN, ESPECIALLY IN
THE BEGINNING, WE WOULD
GO OUT EVERY NIGHT, all
night & never get a bite. However, now we know that there
were many Fish eyeing us &
much later came to take a nibble.
It would have to be just the
right time, when all the balls
were in the right position, but if
we had not been there God
could not have done it.(No.302.)
ONE TESTIMONY THAT ALMAYS ENCOURAGES US is
the night one of us met the son

ONE TESTIMONY THAT AL WAYS ENCOURAGES US is the night one of us met the son of a well-known millionaire. The club was empty & it was past 3 in the morning but because we had no money this night to pay for our drinks we had to stay & wait for a Fish, God's set-up. Then in comes this youngish, freaky-looking group whom we usually would not notice. But in our desperate situation we made an effort to talk with them. Our drinks were paid & we witnessed to them all that night. We started a friendship with the son which led to FF'ing him & sharing the Words & message, PGI

MUSIC IN OUR SITUATION MUSIC

PROVED TO BE A FAITHFUL DOOR OPENER to most situations, closed doors & people's hearts. In many cases we could say to the Fish we met at a club, let's go to a quiet place where we can sing you a song, & from there we would continue the witness. Also the girls' singing got us into the rich circles of high society who have lavish parties. Here we could pick out the sheep & continue to contact them.

iavish parties. Here we could pick out the sheep & continue to contact them.

THE SONGS THEMSELVES ARE A WITNESS with heavy messages which most people listen to. Even our Fiel's request us to sing such & such a song for their friends, wishing the message to get across. Often the convicting points we can't say in words come across clear & accepted in song. As Faithy once said, "Sing one of their songs to show we love them & then sing one of our songs to show God loves them." Most of the time, however, once they've heard one of ours they request more of them, TYJI

DONATIONS

DONATIONS
WE NEVER ASK OUTRIGHT
FOR A PERSONAL PAYMENT.
The Lord usually touches someone's heart & when it doesn't

come in it is usually our lack of prayer & faith. Many times the Fish just feels to give something. Other times they offer taxi fare home & give considerably more than the taxi fare. Sometimes a Fish will ask if we need anything & we could say our home needs such & such. Often we get little personal gifts of perfume or jewelry or clothes which really helps as we don't have to buy it ourselves.

OUR REALLY BIG FISH SOMETIMES GIVE LARGE DONATIONS as they know we are poor & use it for good things, & this is how we help others in the Family. One thing we all agreed to do is to keep pouring out as fast as it pours in & we try to help the worldwide work as much as possible. Altho' we have had huge donations, we give everything out at the end of the month & start over fresh. PGI This has proved fruitful. (GBm!!)

WE ARE ALWAYS THANK-FUL FOR EVEN THE SMALLEST GIFT & express our appreciation greatly, which really touches their heart & makes them want to give again. We usually send a card with a verse & God bless you to every single one. THIS PAST CHRISTMAS FOR THE 1ST TIME WE SENT OUT PRAYERLETTERS requesting donations for missionary works we know. This received pretty good reply. Again, being loving & faithful always to give love really pays off in more ways than one. One big Fish whom we see only every few months, because of the abundance of love he receives, always gives tremendous donations which really helps our work. Another Fish, after months of receiving God's love & spiritual guidance, paid our expensive summer rent when we were unable to.

SOME FISH DEMAND A LOT BUT GIVE A LOT TOO. One in

particular wanted one of us to come for 2 days, staying cooped up in a hotel to be there when he was free. However at these times he was very receptive & he also gave generously for her time.

he also gave generously to the time.

GIVING LIT

WE TRY TO FOLLOW HARD-SELL SOFT-SELL as outlined in the FF Handbook. For Fish we meet who are leaving immediately we usually FF, give the full message & leave them with lit, getting their address so we can continue writing & sending more lit. We have a lot of good fruit from this. One is a Mideast heart surgeon one of us FF'ed the night before he left for home. He received Jesus that night & she gave him a packet of lit that he really liked & he kept corresponding with us & receiving more Letters.

FOR THOSE WHO LIVE HERE OR COME HERE FRE-QUENTLY, especially those in the "high society" positions, we try to be more "soft-sell". Mainly it takes a lot of prayer & hearing from God & discernment as to whom we can trust & with how much.

IF WE PUSH SOMEONE TOO

to whom we can trust & with how much.

IF WE PUSH SOMEONE TOO MARD or give identifying lit to the wrong person it could ruin our work here. It really helps to counsel together about the lit first & don't go on your own inspiration (Prov. 24:6). So far the Lord has really helped us & even the mistakes we did make He has miraculously covered up, PGI There is one influential man we can trust a lot because he is pro-Arab & also a Christian, so we can give him lit freely.

CRAZY FAITH

AS IT SAYS IN LETTER NO.

PLAY IT BY EAR & follow the
leadings of the Lord & know
what to do when she's there".
The girls here usually go by their
own faith & hearing from the

we all encourage each other in
this way.

BEFORE ENDING WE'D LIKE TO EMPHASISE THE CRAZY FAITH IT TAKES to continue such a ministry. 'The Love Revolution has got to keep turning & changing emoving every minute with something new!'' (DM 2:24). We always need to pioneer something new & even after so many examples, trials & errors & experience, we still can't be sure how something will turn out, we can't classify Fish or say such & such a day is good or a certain situation is best. So often our natural way of thinking is not the best, & we often have to go thru'the '77 Ways to Know God's will!'

TO HAVE CRAY FAITH

GOD'S WILL TO HAVE CRAZY FAITH TO HAVE CRAZY FAITH WE CANT LOOK AT THE WAVES BUT AT THE LORD. For example, we have no car & always have to hitchhike to our place to sing or FF. (It used to be pretty far away but now we live closer). One night we had all the natural excuses not to go

out—it was pouring rain, a slow week-day night & there were few cars on the road. However, we had a real check to go so with flip-flops on our feet (carrying our good shoes in our bags so they wouldn't get ruined) we stood in the wind & rain praying for a quick ride.

A BEAUTIFUL NEW CAR STOPPED & a very nice but strange man (he claimed to be our neighbour but we never saw him before or since, maybe an angell), drove us straight to our destination. To our dismay, the place was empty! After 'talking a while to the restaurant owner, we were going out the door when 4 people came in.

ONE MAN WHOM WE KNEW SHOVED \$100 IN OUR HAND & said, "Stick around!" We got to sing for this group & later for another group of 10 who came in. This other group were all snobby jet-setters but one of them was an old Fish whom we had not seen for a long time & he was really sweet. He invited us to a private party with all of them where we were able to sing & witness heavily to quite a few. PTL! So don't look at the waves!

WE FELT THE LORD WANTED US TO MOVE OUR WHOLE
FAMILY HERE, basing out of
this country. Since making that
decision totally by faith, we
have seen the Lord do so many
miracles thru' provisioning &
Fishing. In the past many brethren had difficulty staying here
because of the tight visa situation. So one of our fleeces in
deciding to come was that the

THRU' PROVISIONING!—The kids are the provisioners! Normally we only spend about \$5 on food weekly, as our contacts supply us so much that we can share them with other loca! Homes! We have really seen how the Lord blesses & as we have faithfully given to others, He has never failed to open the windows of Heaven & give us so much food we don't know what to do with it a!!! PTL!

THE LORD HAS ALSO BEEN USING OUR CHILDREN in a fruitful singing ministry. Altho' they had sung a lot before in Brasil & other countries, neither

of us personally had ever our-selves taken them out singing.

So it was a little slow at first, but we saw the Lord do miracle after miracle! Besides winning many friends & souls (& needless to say, inspiring the children), the Lord used the kids to bring in lots of funds to pay the bills! PG, He certainly has ways of getting us going: His gifts are His work for sure! The Lord blessed the kids' hard work & supplied for free, matching singing outfits for all of them! PG!
OUR OTHER MAJOR OUT-REACH IS FF'ING. Sometimes Carole has 3 or 4 dates a week with some of the many Fish the Lord has given us here. Altho' we've had our share of battles, the Lord has totally changed our lives thru FF'ing! Halleliujah! One of our Fish who is a high official here just finished up work on our resident visas, with him paying for all the fees & being the one to give the financial guarantee which made it possible.—A total miracle of God, as these visas are extremely hard to get without lots of money & big company backing or getting legally married to a citizen. Now that we have our papers worked out we can hit the road to visit. the Homes. One of our best baits in FF'ing have been the children, as most of the Fish are hooked on them tool

"I've Never Felt A Love Like This!"

Does FF'ing work? Men whose lives have been changed say it is of God!

I WANTED TO SHARE A BIT ABOUT SOME OF THE MIRACULOUS FRUITS of MIRACULOUS FRUITS of Flitry Fishing here. We are always amazed at the fruit He gives, knowing it is all thru! His love & Spirit & not of ourselves. First of all, I wanted to mention how miraculous it is that the Lord can make such an impression on these men thru us, mere female flesh. FROM TOP RANKING DIPLOMATS & EXECUTIVES to students & foreign emigrants, when all react the same way, saying things like, "I have never felt a love like this before" or "You have something I have

"You have something I have never felt in a girl before." Feeling the Spirit of God & un-able to express it otherwise, the able to express it otherwise, they say, "You are fantastic in bed!" One friend said to me recently after we made love for the first time, "You are love." I told him, "Yes, I am love from God," & he agreed.

time, "You are love." I told him, "Yes, I am love from God," & he agreed.

WE TELL THEM WHAT IT IS THEY FEEL & EXPERIENCE I —that it Is the Love of God, & they cannot help but confess it is something more than an ordinary event. I truly believe that each of them feels the Lord thru' of their contact with us, & many then know Him personally as a result, PTL!

THEN WHEN THEY MEET OTHERS OF THE FAMILY, a they are struck by the sample of our sharing & love for each other, & this reinforces the idea that it is not only a personal love but something greater, a universal comprehensive love from the Lord.

OF COURSE WE HAVE TO KEEP GIVING THEM "BAIT" to keep them on the line, but wevertheless they are truly change.

Those who doubt the effectiveness, permanency & fruitfulness of this method are just deceiving themselves, because we have seen fruit we never thought possible, which we can only attribute to the hand of God in the lives of the men He leads us to. Some examples:

lives of the men He leads us to. Some examples: X., A DIPLOMAT whom we met 6 months ago. He was FF'ed & helped us with a big donation each time he met us. Then he was kidnapped by a group of terrorists, & we began to pray for him daily. As a total surprise to the world he was then released & is now back with his family, the only one set freel We see him regularly & he cannot deny the miracle God did for him!

Y., A COMMUNIST WORLD LEADER, always denied the acceptability of Christianity as solution to the world's problems. a solution to the world's problems. After being touched by the Lord's love thru' one of His lovers, he not only received the Lord into his heart but encourages other diplomats to trust the Lord in the face of the growing crises in the world. The Lord has truly blessed us, we feel, in using us in this way, to lay down our lives for His sheep our brothers & lovers in the Lord.

Long lost friend of Family witnesses to whole country!

Long lost friend of Family of From Zichri Longfellow; S.A.: HERE'S THE THRILLING STORY OF A TV PRODUCER who received the Lord with the Family in 1976 & after losing contact with the Family for nearly 4 years, we finally met him again! Since then the Lord had been mightlly using him on TV! He has a regular program which exposes how man's progress is backfiring but how in doing so he is only fulfilling the Endtime prophecies! The show is entirely dedicated to proving we're living in the Endtime! It's so anointed!—All because of the impact the Lord & the Family had on him years ago!

were a wing when the country A years ago a nointed!—All because of the impact the Lord & the Family had on him years ago!

IT ALL STARTED WHEN
WE VISITED A TV STATION in hopes of being able to sing & be interviewed. We proceded to make an appointement with the station producer-director P., whom we hadn't met yet, for the following day. We weren't exactly abounding in faith to go on TV as we weren't really prepared, but the Lord told us to 90, so we went! TTL!

WHILE WAITING FOR P. TO SHOW UP, WE WERE CASUALLY READING THE NEW FN when all of a sudden P. came in & immediately guessed who we were & looking into our eyes, seeing our guitar & catching a glimpse of the FN he said, "Los Niños de Dios!" & told us he'd met the Family in another country 4 years ago & that his wife & children received Jesus & it was the best thing that ever happened to him! he began to tell us show happy he was to see us, how much he needed to have "his batteries recharged" by our fellowship, about his TV show on the Endtime etc.

THEN HE GRABBED MY GUITAR & played a Family song

"No Mires Atras" & asked if we had heard of it. Imagine! Here we were at a TV station trying to get on the air as a Christian singing group to tell people about God's Love & planning to sing the same song the producer was playing to us!

was playing to us!

WHEN WE WERE ALONE
HE ASKED, "HOW IS PAPA
MO DOING these days?" And
when we replied that he was doing better than ever, he laughed with such happiness. He really loves the Letters & plans to
base his next entire program on
one of them.—A real "Saturday
Night at the Movies with MOI"

BOUT THE LATEST LETTER
"THE CRASH IS HERE" he
reacted like it was nothing new
as Dad had already written about
that frequently in earlier Letters
that ie had read. He's been without Letters for 4 years as he
was counselled not to bring
them into this country. He is
now getting a house quite a distance from major cities with a
large garden to grow food. He
really wants to train up his 4 children in the Lord with the help
of the Letters! PTLI His wife
too is on-fire & nearly dropped
out with him before!

HE FELT BAD FOR NOT
HAVING FORSAKEN ALL
sis age he could do more on TV.
So we reassured him that the
Lord was really using him mightily.—Getting out the message to
most of the country on TVI
He loves you, Dad, & the Family after so many years. When
we visited his house he immediately took out his family album
with many photos of the brethren he had known. Aoparently

how much he needed to have "his batteries recharged" by our fellowship, about his TV show on the Endtime etc.

THEN HE GRABBEO MY
GUITAR & played a Family song

TV there several times (that's

how he met us) & helped us so much that he began to receive persecution for being so closely

persecution for eeing so closery related to us.

WHEN ME FIRST RETURN.
ED TO THIS COUNTRY, he would put some Family music cassettes on as background music to his TV shows, honing that someone from the Family would recognise it & make contact with him. It reminded me of the brother who went to Texas with a big sign on his car that said, "OOG where are you?" P. also knows about 10 Family songs. We had such a good inspiration with him & his family. Then when they prayed to receive the Holy Spirit, they were so sweet & sincere as tears rolled down their cheeks, Ty JI

HE ALSO HAD WON HIS

OWN DISCIPLE, a 21-year-old young man who helps him with his show & is really a true brother. P. had led him to the Lord & told him often about the Family so he too was overjoyed to meet us. Such hungry sheep!

THIS HAS BEEN ONE OF OUR MOST REWARDING EXPERIENCES since coming to this closed pioneer field—to see that God's sheep keep going no matter what & that God is in perfect control. The seeds that the Family sowed in his life have now borne fruit 100-fold! What an incredible reminder that a little bit of love goes a long, long way!—From being a friend of the Family 4 years a go he has quietly become an important part of God's work in his home country (which we have barely touchedl) reaching literally 100's of 1000's monthly! May God bless him & those like him for their daring faith to keep fighting at any cost!

P.S. LAST NIGHT WAS HIS 3RD SHOW!—Straight witnessing! Hallelujah! Each show is so powerful & so well done that it the his auth his author augmanance coverage!

Expressions of Love to Dad from those far & near!

Expressions
From Peter A'dam:
Dear Dad,
GBY! ILY! WHILE SUE & I
WERE TALKING yesterday I
realized I hadn't thanked you
for quite a while for all you've
done, not only for the whole
world but for me personally.
Your words saved me from the
Pit! (TTL!-Dad.)
THEY GAVE ME A REASON TO LIVE. Because of your
obedience I was led to the Lord
& given a chance to serve Him
—the most precious thing ever
given me. I could never thank
you enough. So the best I can
do is to try my hardest to serve
both Him & you all the days of
my life. Thank you so much.
Love always, Peter.(TTL!-UR!)

From a Vistor to Dad's Home-Dearest Folks, I LOVE YOU! I'm not the one for emotional outburts, but just thinking of you & your love really has brought tears to my eyes. I love you so much & am just so thankful to have been ab-le to come here. It's only been a couple of days but it seems so much longer in all that has hap-pened.

couple of days but it seems so much longer in all that has happened.

THERE ARE A HUNDRED LITTLE THINGS or instances, besides the major thills of reading all this new wine, talking to you on the phone, Maria, getting my responsibilities in perspective from the standpoint of conviction on certain issues etc.

FOR EXAMPLE, FROM THE TIME OF MEETING PETER AT THE STATION & recounting how I'd forgotten the mozzarella cheese on the train, instead of my usual reaction, "Boy did I space out, what a blow-it!" I instead felt comforted by his reaction of "Maybe someone on the train is going to really need something to eat more than us!"

In other words like Letter 880:
"I'M SO UTTERLY CONVINCED OF THE LOVE &
MERCY & JUSTICE & LONGSUFFERING OF GOD, that I
know whatever happens is what
ought to happen, or what God
allows to happen for a reason!"
Everyone here projects this same
"God's-in-control" attitude
that's just so reassuring.
SO ALL THIS TO SAY, if
what you mentioned on the
phone works out I just want to
reconfirm I'm willing to go anywhere, do anything etc. Whenever, however—I will try my best

Now I pray these words may touch you as my body never has,
That they gently kiss your loving lips

Angels Unawares!

You could meet one anywhere! Look & Listen!

From Isaac Numbers; Asia:
I'VE HAD SEVERAL ENCOUNTERS WITH SOMEONE
we believe to be a "guardian angel" for us. About 5 years ago
we first met him when out litnessing. We were hungry & want
ed a snack when this elderly
man with a big bulbous red nose
came up, introduced himself as
Gino & begged us to let him buy
us a lunch!

us a lunch!
WE HAD JUST BEEN READING THE LETTER "ARRIVEDERCI ROMA" the day before & had been curious to hear
more about the song. Suddenly
while in the restaurant "Gino"
started singing it loudly, stop-

WE ASKED HIM WHAT HE DID & he vaguely explained that he did lots of travelling & had several sons who also travelled. With that he smiled, winked & left us! By the way, Gino liked the ol' vino we could tell—he wasn't very "angelic" looking! Ha!

Ha!
THE NEXT TIME I MET GINO was on a train trip hundreds
of miles across the Australian
"outback". It was a 2-day trip
& I had little money & couldn't
afford to buy the train meals.
All of a sudden down the aisle
came an elderly man, singing,
chatting up the old ladies & kissing them on the hand. ing them on the hand.

MY FIRST THOUGHT WAS

"MHO'S THIS OLD DRUNK?"
Then I thought, "Well, at least
he's happy!" With many empty
seats to choose from, he sat opposte me, then ordered a big
lunch while my stomach growled away. When his meal arrived
he took one look at it & said,
"I'm not hungry. Here-you eat
it, you need it more than me."

HE THEN LIFTED UP HIS DARK SUNGLASSES & I RECOGNISED WHO IT WAS! But before I could say anything to him, he winked, stood up & went into the next carriage & I never saw him again the whole trip!

I'VE SEEN HIM TWICE
SINCE, both times when I've been doing important business matters for the Work, He would smile apparently pleased that things were going well. It seems he's been my "bodyguard" on these occasions.

THE LAST TIME I SAW GINO

he's been my bodyguard on these occasions.

THE LAST TIME I SAW GINO WAS HERE IN ASIA in a hotel lobby. He was suddenly there with a big pile of luggage, a funny hat & was fumbling thru' a bag full of odds & ends. He sat down next to me & I wondered what this guy wanted! He took off his hat & smiled & then I realised who he was. When I looked up again he & his pile of luggage were gone! He sure has some convincing disguises! TTL for His "ministering spirits"!

ONCE WHILE I WAS HITCH-HIKING IN AUSTRALIA with a new disciple, we found our-selves strended at night between towns in the middle of nowhere, when suddenly it began to rain heavily. We could see only a few faith house lights far in the distance. It really looked like heavily. We could see only a few faint house lights far in the distance. It really looked like one of those "impossible" situa-tions.

He was going to take us to his place, but first of all he said he had to go to the store to buy some Miracle (a local brand of mergarine). He said this about 3 or 4 times, like a senile old man would, but we couldn't help but feel goosebumps each time he said the word miracle. WE ARRIVED AT LAST TO WHAT SEEMED LIKE A LARGE GARAGE, the inside! Cluttered with everything imaginable. There on his makeshift kitchen bench were 3 cooked pieces of meat, 3 pieces of toast & 3 places set! He didn't talk much & the food was delicious considering the locale. There was only 1 small cot in the room & we began to wonder where we'd sleep when he led us outside.

AS WE TURNED THE COR-NER OF THE GARAGE THERE WAS A BRAND-NEW CARAVAN with 2 beds inside freshly made up, plus 2 chairs, 2 water glasses, 2 towels etc.! After a comfortable night's

sleep, our host took us to the highway & waited nearby till we'd gotten a ride, a good smooth ride that took us right to our destination several hundred miles away! PTL!

HOURS OF THE NIGHT to get some mail ready to go, my-self & another brother & sister, Matthew & Zerah, set out for the Post Office. All public transport had stopped by this hour & so we went to the back lane & began to push-start our old pick-up truck uphill, to little avail.

WE PRAYED, "LORD, SEND AN ANGEL TO HELP US START THIS THING!"

SEND AN ANGEL TO HELP
US START THIS THING!"
We'd no sooner uttered the last syllable than we heard a loud thud behind us in the dark alley.—Someone had landed on the tin roof of the garage at the end of the lane.

WE COULD MAKE OUT THE FIGURE OF A YOUNG MAN dressed all in black clothes with black-rimmed glasses (he really looked silly!) who then jumped down off the roof & started running straight towards us!
We weren't sure what was going to happen next but he began giving orders—to Matthew to jump into the truck & put it in 2nd gear, & to Zerah & me to start pushing. Running full tilt toward us & the truck, never breaking stride, he touched the corner of the fender & the truck instantly started—altho' we'd barely moved it!

WHEN WE WENT TO THANK HIM, HE'D ALREADY RUN UP THE LENGTH OF THE ALLEY & disappeared into the night. Collecting our wits, we realised that we'd prayed for an angel to help us & the Lord sent one! TYJ! These incidents inspire me when I recall them. "Only fear the Lord, & serve Him in truth with all your hearts, for consider what great things He hath done for you!" (I Sam. 12:24.) Amen! PTL! FANTASTIC HELPI They are so simple & easy to understand, especially the ones like "Rock in the Road", "The Pastor's Pillow" etc. are fantastic. The children love them & never get tired of them, either listening to the story or looking at the flannelgraph about the "Rock in the Road" which I show while playing the radio play from the MWM show.

I THINK THAT FLANNEL-GRAPHS ARE ONE OF THE BEST AIDS in teaching children, especially the younger ones, ages 2-5, as they can both see & hear it at the same time. I read the other flannelgraph stories I have onto tape which then enables me to freely put on the pictures & don't have to concentrate on reading at the same time, which often can be very difficult as the children very easily lose interest if there isn't a continuity in the story. On tape I also use my own homemade sound effects. They love to listen to their parents' voice. Also, the new Kids Komix are a super blessing. They are so simple & feeding that even the smallest ones can get something out of it. From Jonathan & Sharon; N. Europe:

WE FIND THE DITO LETTERS VERY USEFUL, both practically & in giving us insight into Dad's household. But as far as putting them completely into practice, we feel far from being able to. When we had only one child Sharon did many of the things with Becky that Sara did with Dito, but as soon as number 2 came along, then 3 & now preparing for number 4, the individual attention per child really decreases, to almost child really decreases, to almost

ONE IMPORTANT THING IS THAT WE STARTED READING LETTERS & BIBLE WITH THE CHILDREN from their first week on & so much of what we read when they were small has later come out in their witness or in sharing together etc. So they are really little tape recorders when they are small & they hear every word, every conversation & every argument that goes on around them! I hope everyone realises this & takes the lime for and & shere the goes on around them! ONE THING THAT HAS HELPED ME TO SURVIVE, so to speak, thru' the past few years with a little one just about every year & as many as 3 at a time in diapers at least part of the time: I have made it a rule to take a break or a rest or a nap with study & quiet time faithfully every day in the middle of the day while the children are napping. I can go pretty well from morning till when they go down for a nap, but then I need time with the Lord & the Word for a nap, but then I ne orms good habits. THE DITO LETTERS OF

Toilet Training in Southeast Asia

From Esther Gypsy:

From Esther Gypsy:
SINCE COMING TO ASIA
FROM A USTRALIA we have
learned many little tips & money
savers which we'd like to share
with our worldwide Family.
The most valuable thing we've
learned is in toilet training babies. When our son Micah was
5½ months old we went from
Malaysia to Indonesia.
WE STARTED OUT BY
RENTING A ROOM in the
house of a Chinese family. During that time Micah had a very
bad diaper rash which wouldn't
go away, tho' I changed him as
often as he wet & tried to air it
out etc.

orten as ne wet & tried to air it out etc.
OUR LANDLADY SHOWED ME HOW SHE TOILET TRAIN-ED HER SON by just putting pants on him. The way they do it is just pull the inside leg of

pants on him. The way they do it is just pull the inside leg of their pants over so their penie is sticking out while holding them under the knees in a sitting position up level with your turnmy. Then they go "pshsh pshsh" until they do their wee.

I WAS PRETTY SKEPTICAL AT FIRST, but it worked & his heat/diaper rash disappeared. In these hot countries it's pretty cruel to keep a baby in diapers & plastic pants. We just held him over the toilet, or when we were out over the grass or down a drain, & made a noise "pshsh pshsh". We did it about every 15-20 minutes & when he awoke from a nap. Usually he did it, but if he wriggled & complained, we'd just let him down & try later.

OF COURSE SOMETIMES

OF COURSE, SOMETIMES WE FORGOT & HE WET HIS

PANTS, but it's no problem to mop up a little puddle on the concrete floors they have here. Now he's a year old & wees less frequently, so just wear 1 pair of pants all day usually. The Lord gives us checks just at the time he needs to "go". It sure is a blessing while travelling or out litnessing not to have to carry around a bunch of diapers, & disposable ones cost a fortune here.

here.
WITH HIS DOO-DOO'S IT
WAS A PROBLEM AT FIRST

because he was very irregular & messed up all the sheets on our bed regularly. But at 8 months old we bought him a potty & sat him on it every morning. The Chinese toilet train their children at 6 months like this (very smart people) & told me banana helps them to be regular. So Micah's been doing his doo doo's in the pot ever since. Maybe our brethren in these hot countries could try it & take a countries could try it & take a tip from the way the natives do it! (Heed voice of experience-D.)

WORMS ARE PARASITES

Virginia Pomeranz M.D. & Dotty Schultz: a Signet paperback.

WORMS ARE PARASITES
that can afflict both animals &
man. It is true that the spreading of worms among children
can be prevented to an extent
by good personal hygiene such
as hand washing. . Do not buy
or use over-the-counter vermifuges, anti-worm preparations.
Some of the latter are very dangerous. (Pay & see doctor!)

THERE ARE 4 MAJOR
TYPES OF WORMS found in
the U.S. In rough order of
prevalence they are: pinvorms
(also sometimes called threadworms); round worms; hook
worms; & tape worms. The
last 3 afflict & can be spread
by dogs & cats as well as humans. (A unclean meats!)

PINWORMS are quite common in temperate climates & a
child can pick up the microscopic eggs literally almost anywhere. Once on the hand, the
eggs find their way to the intestinal tract very easily. Little
children put their hands in
their mouth. The eggs hatch
in the lower intestines, grow into thread-like worms about 1/-;
to ½ nich in length & are fn'::
ful & multiply. The females
then craw out thru' the rectum
usuelly at night, to lay their
eggs around the anus, & itching
in this area is usuelly the first
& may be the only symptom.
They may wender to the vagina of a girl which causes itching there too, or even onto pajamas, underwear or bed clothing there too, or even onto pa-jamas, underwear or bed cloth-

es where the mother sometimes first discovers the worms, even before the child has complained of any discomfort. If the child scratches, there is risk of infection. The only other symptom, if there is one, may be a mild upset stomach. Pin worms can be banished by antiworm medicines given by mouth. If diagnosed in the child, all members of the family should be examined & treated if necessary.

ROUNDWORMS: The 2nd

ny should be examined & treated if necessary, ROUNDWORMS: The 2nd most common kind of worms are a good deal larger than pinworms, anywhere from 6 to 15 inches. Roundworm eggs are found in soils. like the eggs of pinworms, by way of little hands put into the mouth. Roundworms normally make their home in the small intestines. There may be no specific symptoms, tho' of course the eggs can be found by stool analysis. The larvae can slip into the bloodstream, be carried to the respiratory tract into the lungs where they can cause pneumonia. Various medications given orally can egg the did the worms.

HOCKWORMS: Like roundworms, the eggs of hookworms are found in soil contaminated by sewage, but in this case, a particular type of soil: warm, sandy & moist. Hookworms are found predominantly in the S.E. U.S. Once in the soil, the eggs hatch there in about a day. The minute larvae can get into the body via contaminated food or water or thru' the skin, such as by going barefoot in such soil, even if the skin is unsuch as by going barefoot in such soil, even if the skin is un-broken. Itching & inflamma-

s tion at the sight of injury may be a warning signal. Like other worms, hookworms want to get to the intestines. They ride the bloodstream as far as the lungs where they cause a pneumonia-like inflammation that is accompanied by coughing. Then when coughed up into the throat, a number of them manage to be swallowed, & they are on their way to their destination. In any quantity at all, hookworms can produce a definite anemia. Commonly symptoms include fatigue, weakness, dullness & dryjoness of hair & skind of anemia is never fatal, but it can be completely debilitating. Hookworm infestation can be diagnosed by analysis of the stool containing the worms' eggs.

Treatment may include medications to combat lung inflammation or anemia as well as drugs to banish the worms themselves. (& don't eat pig!)

TAPE WORMS: Long flat worms like tage measures, very long in length. They are acquired by ingestion of the flesh of unclean animals or fish that have been infested, like pig, often by feeding on contaminated material, or a feces-contaminated food or water. Symptoms typically include weight loss, anemia & weakness. There may also be diarrhoea or sometimes constipation & for a large appetite or sometimes a loss of appetite. The condition may be quickly diagnosed by analysis of the stool which will contain eggs &/or segments of the worms. As with other worms, there are a number of effective medications that the doctor can prescribe. Note: The worms settle in the intestine. Like

hookworms, they are equipped with attachment devises & are bloodsuckers.

THREADWORMS: Symptoms to your child, it is also necessary to try & prevent reinfections include poor appetite, excessive appetite, dirt eating, nose picking & pain in the abdomen. There is no justification for ascribing any of these symptoms to threadworms. The only symptom which they sometimes cause is itching around the anus, mainly in the evenings...because the female worms, which only measure an average of 1/8 inch long, emerge from the bowel at that time, lay their eggs & then die. Each worm lays about 10,000 eggs. They achieve to the skin & clothese & eventually get into the dust of the room where they survive for long periods. The reason why the infection would die out if handwashing was adequate lies in the fact that the worms do not multiply in the bowel. They only multiply by passing eggs inside the bowel, & the child can only continue to have threadworms if the constantly reinfects himself by taking eggs into the mouth. It has been shown that eggs are found in large numbers in the dust of schools. So reinfection could easily occur. If one child deasily occur is a deasily occur. THEADWORMS are the commonest variety of worms found in children, at least in Great Britain. They look rather like threads of white cotton & may be moving in slow wriggling waves. As well as giving the required medicine to your child, it is also necessary to try & prevent reinfection. Boys usually wear palamas which may help to prevent the fingers from becoming contaminated with eggs when they scratch. Girls who normally wear night dresses should wear a clean pair of panties at night to prevent fingers from scratching. The child must also be encouraged to wash his hands very carefully before eating food & his fingernalis should be kept cut short & always clean. Regular inspection of the child's BMs will enable you to determine whether treatment has been successful or not.

It is not a dangerous disease, but the infection is annoying & for that reason it is valuable to treat it. The house, especially the bathroom, must be cleaned thoroughly to make sure that the eggs don't reinfect people. Underwear & sheets should be laundered in very hot water. People should wash their hands after going to the bathroom & they should carefully wash the anal area when they bathe. RAW GREEN VEGETABLES
ARE MORE IMPORTANT

of us realize that it's good to
eat raw vegetables, such as salads, after meals? God's beautiful green plants, full of lifebuilding chiorophyll, are
A PERFECT TOOTH CLEANER & PREVENTATIVE OF
TOOTH DECAY. Why? In the
presence of decay-producing bactrial, which may thrive in the almost airless region between dental plaque & tooth enamel,
chlorophyll (found in green
leaves) acts like a sewage disposal system. It destroys the bad
bacteria by exposing it to large
amounts of oxygen, found in
green leaves, thereby preventing
its growth.

PROVISIONING THESE
HEALTH-BUILDING VEGETABLES IS EASY, & we were recently blessed with a load of greens from a neighbouring Home. So this provisioning can be shared. PTL!
I'VE SEEN A LOT OF BRETHREN ASK FOR DENTAL ASSISTANCE in this area & after finding out their eating habits, I wasn't surprised. I've learned for myself, thru' God's mercles, that preventative measures pay for myself, thru' God's mercies that preventative measures pay off in better health. Eating ple ty of raw fruits & vegetables is one sure way to take advantage of God's good green medicine.—Shushan (Mecher, Registered Nurse, B.S. in blo-chemistry & a lifetions interest in nutrition & natural healths.)

Beware of styrafoam cups!

From Shushan Eduth; U.S.A.:
POLYSTYRENE CUPS, BETTER KNOWN AS STYRAFOAM CUPS, are being used
more & more today. We had
been noticing that when we
drank hot drinks out of them,
there was a noticeable disturbing flavor to whatever we were

drinking. We suspected that the tiny bead-like particles of the cups were breaking up & dissolving into our drink. Therefore, we decided not to drink out of styrafoam cups anymore! (Many of our Homes were using them when entertaining company—Family & friends.)

OUR SUSPICIONS WERE
CONFIRMED when we read in the "New England Journal of Medicine" of Nov. 1, 1979, a 1-report raising the question of whether or not hot coffee or tea & carbonated beverages were doing just that—"penetrating the tiny beads & pitting the inside surface of the cup".

THE REPORT SUGGESTED
THAT THERE IS A HAZARD created from this situation & that it is not good for you, even tho' the toxicity of this styrafoam material is unknown & being researched. They do know that the situation is aggravated when lemon is added to a drink & that in this case we might be ingesting plastic! Therefore, they suggest sticking to the use of household china.

JUST PICTURE IT as he climbs to some high place & looks at the lights of the palace as they twinkle out from the imperial city; the palace with all its riches & beauty, the things he had been used to all his life. Then he looks out at the Pyramids where he sees the glow of the brick klins where his own people, slaves of Pharoah, are making bricks. And as they drag, half starved, at the sound of the slave driver's whip, Moses' heart burns within him.

THEY ARE HIS PEOPLE & GOD'S PEOPLE. If he chooses to be one of them he must foreer the only mother he has ever known, Pharoah's daughter. WITNESSING AT SCHOOL!

From Paul Lion-Hearted, age 7%, Canada:

Today the Lord checked me to save a soul. I have a certain bus stop to get off at, but the soul I wanted to win to Jesus got off at another bus stop. So I rode to his stop and when he got off, I did too. Then I asked him if he'd like to receive Jesus into his heart. He said

yes so we prayed together. He said yes so we prayed together. One day as I was going out for recess I asked my teacher if she wanted to receive Jesus. And she did! Then the next day in religion class the Lord next day in religion class the Lord checked me to go up to the front and ask the teacher if we could pray with the whole class. At first she asked me to go sit down. But then as I was walking back to my desk she suddenly said, "Do you want to do that experiment you did with me?" I said yes, so I got them all to come up to the front and hold hands and we all prayed.—24 more hold hands and we all prayed.—24 more souls!—Love, Paul. (Parents: Peter Boy & Saphir Lovelight.)

AS SHEBA ALREADY EX-PLAINED in a testimony she wrote for the FN (see Mag 20), we were trusting the Lord for her healing & expecting a mir-acle & we always felt that the Lord was with us in our step of faith. She wasn't accepting any cure or treatment like Chemo-therany or X-ray treatment.

ALTHO' HER CONDITION

WAS GETTING WORSE & more hopeless, we knew that with God all things are possible & is there anything too hard for the Lord? So as she was getting worse, our faith was growing stronger & we knew that the miracle was getting closer.

AROUND FEB. 20TH HER CONDITION TOOK A TURN FOR THE WORSE. Her glands started getting rapidly bigger, she started to choke more & her itchiness was still very bad. After a few days she started to have pain in her legs. She was almost constantly awake & the pain killers didn't help too much. The only thing that worked a little was wide. On too of all killers didn't help too much. The only thing that worked a little was wine. On top of all this she couldn't eat any solids so I gave her milk shakes, but after about 10 days (at the beginning of March) she couldn't drink it anymore & she changed from wine to vodka & orange little.

ABOUT A WEEK BEFORE

Giacomo & Sheba in Italy, 1975, ju-4 months after they were married.

Glacomo & Sheba in Italy, 1975, just 4 months after they were married.

SHE DIED she couldn't walk & could hardly talk & I had to massage her legs almost constantly when she was awake. But in spite of her terrible conditions & the hard time that we were going thru', we felt relieved to know that everything was going to be over soon & we could finally enjoy together our 3 beautiful children & witness to everybody about the miracle. During this hard period the Lord gave us some very encouraging verses like 2 Pt. 2: 20, Je. 17:10, John 11:40, Is. 2:17 & others. The end wes close, PGI
ON MARCH 11TH AN AMBULANCE TOOK HER TO THE HOSPITAL & she was in the same ward as previously where she had witnessed to everybody about faith & healing & salvation. Now she couldn't talk & she touched everybody's heart because she looked so bad & yet

she still had faith that the Lord would heal her.
AT THIS POINT I WAS STAY-ING DAY & NIGHT BESIDE
HER to help & encourage her.
The children were staying with a brother & sister with 5 children of their own, GBTI Satur-

day the 15th I took the children home but at 9:30 p.m. a nurse phoned me & said that Sheba was unconscious & under oxygen. As I was waiting for Sheba's sister Colleen (she's in the Family in Mexico) to pick me up in the car, I prayed desperately for the Lord to encourage & lead us according to His will.

AS I OPENED THE BIBLE, my eyes fell on the 8th Chapter of 2 Kings & the verse was right there: "...whose son he had restored to life". & another verse; "...how he had restored a dead body to life". The Spirit of the Lord was very strong & I knew that even if she did die the Lord would "restore her dead body to life". Colleen & I were very excited as we drove to the hosxcited as we drove to the hos

excited as we drove to the hospital.

THAT NIGHT SHEBA'S CONDITION REMAINED UNCHANGED. She was almost always unconscious & was getting injections of morphine every 3-4 hours. The next afternoon at 3:30 p.m. the nurses told us that she was dying, so soon all her family members & the doctor were gathered around her. She passed away at 5:15 p.m. in a very peaceful way, TGI She just stopped breathing & sort of fell asleep in Jesus' arms, TYJI

AFTER SHE DIED I FELT INSPIRED TO PRAY for God to bring her back to life but the time passed by & nothing happened. After an hour everybody else left & Colleen & I stayed until 9 p.m. & then left wondering what the Lord was waiting for. Everything seemed so crazy, but I knew that the Lord was with us & I had just to follow His directions. PGI

i knew that the Lord was with us & I had just to follow His di-rections, PGI AS THE HOURS PASSED I FELT A LITTLE DISCOURAG-ED but after I read the whole

story of the "child whose dead body was restored to life" in 2 Kings 4:8-37, I was very encou aged because I realized that it aged because I realized that it took at least 2 days from the time when the child died until Elisha came from Mount Carm to Shuna (about 50 km.) to heal him.

heal him.

ANYWAY, TODAY HER
BODY WAS CREMATED, so
the Lord didn't save her body
for some reason. I don't understand why the Lord let it end
this way contiary to all our expectations & what He showed
us for years. All I know is that
He was behind the whole thing
& I don't feel under condemnation for what happened.

NOW, 4 DAYS AFTER I

NOW, 4 DAYS AFTER I WROTE THIS, I believe that I mwhile I His, I believe that in must have made some mistake somewhere & probably harden-ed my ear to what the Lord wat trying to show me, Lord forgiv me! dear Sheba with me & all our projects won't come true.

PLEASE UNDERSTAND, I'M NOT TRYING TO GET SOME SYMPATHY! I consider myself a very blessed person & I thank God for all He gave me.—A new life & a wonderful Family & then He gave me Sheba who loved me so intensely & the Lord blessed us with 3 beautiful children. Well, in these 5 years with her I sure learned lots of lessons about fove, faith, patience faithfulness & to PTL no matter what! We went thru' many fustrating periods & we fought many times but our love for each other grew stronger. & stronger all the time, PGI She was my woman & I feel so lucky that the Lord chose me to take care of such a special person as my Sheba.

LIFE HAD ALWAYS BEEN HARD FOR HER TO LIVE & many times she wished that she could be with the Lord. She

had a very high standard in everything & she couldn't stand injustice & hypocrisy. The Lord gave her the desire of her heart & ly who have died for the Lord & I'm happy to know that now she's happy with Jesus & not suffering anymore. She deserved it!

suttering anymore. She deserved it!
WHAT I DON'T FULLY UNDERSTAND IS WHY THE
LORD MADE HER SUFFER so much before dying. Of course, I know that we didn't make a mistake by trusting God for her healing & I wouldn't hesitate to do it myself it I'll ever be sick. It's difficult for me to see the trees from the forest now, but I know that the Lord somehow will answer my questions in the long run. I just read the Letter "But If Not" & it's been a great encouragement for me to keep going no matter what.

Calorie Count & Water Needed for Dried Foods

From Emmanuel & Hannah: WE FOUND OUT THE AP PROXIMATE CALORIE CON-TENTS of the Rainy Day De-hydrated foods we bought. It works out to only about 750 calories per day per person for the actual food itself. This

carories per day per person to the actual food itself. This shows how important it is to supplement this food with added grains, honey & milk powder, as the dehydrated food alone would provide only about half of the minimum of what a person would need—less than half if any work is to be done. WHEN WE ASKED HOW TO RECONSTITUTE THE DEHYDRATED FOOD we were told it could be prepared in 2 parts water to 1 part food. But in a survival situation they said 1 to 1 would be plenty. This means that each standard unit would need a total of about 140 liters of water at the 1 to 1 ratio,

or about .7 liter per day.

ON THE SUBJECT OF STOR-ING WATER, we are using the method suggested by Dave in the Handyman Tips in Mag. 10. In there he suggests getting large plastic garbage cans with heavy duty garbage bags & then storing water in these.

AFTER LOOKING INTO DIFFERENT METHODS, we decided this would be best for us as, 1. it was the cheaper than "jerry cans" 2. simpler & quicker & safer to fill than trying to collect & use a bunch of glass juice jars. 3. When we move, these cans are quite liceberging that the cars. we move, these cans are quite lightweight & stack fairly com-pactly inside each other for easy shipment or economical replace-ment at our new location.

The Gypsy Caravan Life Works!

By an "Old Timer" (Mother Eve)

IT DIDN'T SEEM POSSIBLE IN MODERN TIMES that a family with 5 children, 1 of them a newborn, could live under these conditions. The caravan was not spacious & luxurious as many 1 had seen, but was only 25 feet, tho' comfortable & warm.

IN FACT, IT WAS GETTING A LITTLE CROWDED so they had put up a large tent for stor-age & to accommodate an extra age & to accommodate an extra couple who were in transit waiting to take a boat to a distant land. Yet I had done the same thing when I lived in a caravan, always finding a place on an old couch or bed under the awning for a passing friend who needed a place to stay.

WE WERE LIKE THIS FAMILY WHO WERE SO READY TO SHARE what they had & thankful for the extra fellowship & help around the camp. The extra people could lend a

helping hand cooking, washing dishes & caring for the children. It didn't matter that it took extra food to feed them, because they had plenty of fresh fruits & vegetables which they provisioned from the outdoor market in the city.

the city.

I HAD ALMOST FORGOTTEN IT WAS POSSIBLE TO LIVE IN SUCH A SMALL SPACEI But their small caravan was very well-organised with double bunk beds in the back & lots of shelf space. There was even a small room for washing up & the toiket (which had to be emptied once a day in the wooded area nearby where they had dug a deep hole for that purpose).

pose).

THE MOTHER SAID SHE
FOUND IT QUITE POSSIBLE
TO WASH THE CLOTHES IN
COLD WATER in her small portable washing machine, since she
had found the right soap powder
& used a little bleach & wore
gloves. This was a revolution to
me as I never thought it possible
to do a family wash in cold water. But the children's clothes
looked very clean & neat as they
dressed up to go out singing or
played around the camp.
THE CHILDREN LIKED TO
CUT UP THE VEGETABLES &
hang up the laundry & were
used to washing dishes & helping
with the daily chores. Of course,
it was more fun to do any kind
of work outside under the trees!
FOR A FEW DAYS WE OBSERVED THIS LITTLE FAMIpose).
THE MOTHER SAID SHE

SERVED THIS LITTLE FAMI-SERVED THIS LITTLE FAMI-LY as we lived in another cara-van where we were able to en-joy the beauties of God's crea-tion with them. We learned that the caravan, bought 2nd-hand in France 3 years ago, had under-gone many changes in order to make more living area & floor space for the children to work & play. They had also built a small table with children's chairs for the 2 younger chil-

dren to eat at or do schoolwork
IT WAS ON THE MISSION
FIELD IN A POOR COUNTRY
that they were able to fix up
the caravan. Here, where life
moves slowly, a sweet tailor was
happy to sew without charge
new vinyl seat covers for the 2
long livingroom benches. The
material, so easy to sponge down
after meals, had been donated
by kind friends.
THEY DESCRIBED HOW
MANY OF THE MATERIALS
WERE MYSTERIOUSLY
FOUND OR GIVEN by friends,
including the washing machine,
light fixtures, rugs & even new
tires for the caravan & car to
keep this little family rolling along for Jesus. One time they
were so surprised when an unassuming young man they had
met while singing in a rather
2nd-class restaurant took the
couple into a tire shop & bought
them 2 brand new tires for the
car, insisting to the shopkeeper
that "these people travel to foreign countries & they need the
best tires available"! I too have
many sweet memories of the
wonderful people who helped
us to be mobile during many
years of exciting travel & witnessing experiences with my own
children.

3 SMALL TIPS: 1) To save
water: Place 1 or 2 drops of

nessing experiences with my own-children.

3 SMALL TIPS: 1) To save water: Place 1 or 2 drops of liquid body soap in the wash-up bowl rather than using hand soap. It leaves a fragrant scent on your hands & the water does not become soapy & lasts longer. 2) To save gas: Whenever water is heated for dishes etc., heat a bit extra & store in a thermos. When you want to wash the children's faces or fix a warm drink, your hot water is ready. 3) If you have a fitted sheet for a single bed & want to convert it to a double bed sheet, sew a panel of similar material down the middle.—You'll still have the 4 fitted corners!

DARIUS IS OUR MAJOR
CONCERN at this point. He is
9 years old & last year entered
system public school, 3rd grade,
for the first time. I had started
teaching him at home at 2 years
old & he has had fairly consistent schooling in the Family.
BUT ADJUSTING TO U.S.
PUBLIC SCHOOLS WAS
QUITE A SHOCK! The hours
were so long & they had to study so much! Besides, he didn't
even know what a locker was!
Hal At first the teachers were
shocked, but after they got to
know him they complimented
us on how well he received correction & how easy he was to
work with.

IT WAS A MIRACLE HE

rection & how easy he was to work with.

IT WAS A MIRACLE HE PASSED to 4th grade as we returned to the States in late Nov. & then in March we took off across the country to visit relatives. But Darius managed to catch up by June. Then we moved again to live with another couple & he has started 4th grade. He was very behind the first few weeks as he couldn't seem to remember all the things he was supposed to do. We saw that communicating with the teacher really helped him get desperate to work harder & get it together. Now he is making As & Bs & is very inspired. We also rewarded him for his great efforts in this area which encourated him.

DARIUS IS AN ARIES &

ated him.

DARIUS IS AN ARIES &
LOVES TO PERFORM ETC. &
was a great little litnesser when
inspired. Here in the States &
since he has been associating with systemites so much he finds it really hard to be a constant witness. There is great pressure on him from his peers to get in-to the things they do, yet he knows that most of their trips

knows that most of their trips are vain.

ONE PROBLEM WE'VE HAD IS WITH FIGHTING. The neighbourhood kids were beating on him & of course he wasn't fighting back at first because we didn't believe in it. But it became obvious that he couldn't grow up like that, so Zered had to teach him to defend himself if necessary. MO's Letter on this was a great encouragement.

Thanks!"

I MADE A LITTLE SET OF
CARDS for her in pairs, a picture on one card & a word on the
other & I have her match them
up. This has proven very effective in teaching her words. We
now have a set of colours, body
parts, food, animals & numbers
(numerals on one card & corresponding number of dots on the
other). Lout out pictures from
catalogues & magazines, glue
them on index cards & laminate
them. She loves to play these
matching games & can read over
50 words by this method.

JUST A COUPLE WEEKS AGO I STARTED WRITING LITTLE SENTENCES for her to
read, using words she's learned
on the cards. She gets really excited when she can read a new
sentence without any help.
She's learning to sound out
words now too, in addition to
her sight reading.

At this time we were going back & forth to the hospital where the doctors were checking on her. Then an X-ray was done that showed the cause of the infection was more serious than we thought.
WE WERE REALLY SURPRISED AS WE WERE FED UP with this life of seeing doctors. So we went home & prayed believing the Lord would honor our faith if we would quit running to the doctors. Miraculously Beth was healed & we knew there was no need for us to return again to the hospital. All glory to His Name!

We used genetian violet but after a week & no improvement we went to a doctor. I was confident that we would get some medicine that would heal them.

TEACHER, to discipline & be an example to follow. So what I try to do is major on the Word our ministry of giving His Words to others & to be loving too! And to get away from all this school product stuff to rear them as disciplent of legislation.

And to get away from all this school product stuff to rear them as disciples of Jesus. I want them to be happy too (which they always are) knowing that Jesus loves them & wants their life to be full of happiness. I also try to take them wherever I go to learn what I do & answer all their questions of which they have 1000's every day! Hal AS FAR AS IMPROVING THE REARING OF OUR CHILDREN, I do think we can always improve it. We've found extremely valuable materials for the children in the Bible book stores—Bible tapes & books, posters, book markers etc. There's one Bible story book we just disovered, the best I've seen yet, called "The Life of Christ Visualized" by Standard Pub. ONE THING I'M LEARNING TO DO IS TO PRAY FOR EACH OF THE CHILDREN that the Lord makes up for any lack in their life that we can't supply, that He'll help & comfort & love them & supply every need that we can't.

From Barny & Sarah; Canada (2 children, ages 7 & 6):
 DURING OUR LAST YEAR IN ITALY BARNY WAS PRETTY SICK so we didn't know what we were going to do. This year we are looking into schools here in Canada but aren't too enthusastic about sending them, but rather finding an open door to do something revolutionary.
 OUR WELFARE WORKER SHARED WITH US that there is a lot of controversy about whether or not to send the children to school as they learn so much violence there. Barny was in bed most of the time at first but now is doing better so we get out more & we love it.
 ONE PROBLEM WE ARE HAVING is getting lit printed. But we believe it's just an attack of the Enemy. We sing quite a bit at rest homes, hospitals & for friends & neighbours. We have provisioned around \$400 worth of needs for ourselves & friends in Italy in the last month & are so inspired about it, TYJ!

I RAN TO THE BATHROOM
WITH HER & she threw up right
away & then asked me to give

her some cough syrup to drink instead of the water I wanted to give her. That seemed to help her. Then we anointed her with oil & prayed desperately with her & the Lord touched her little stomach as she went back to playing with no problem. IT SURE TAUGHT ME A GOOD LESSON ABOUT LEAVING DANGEROUS STUFF A-ROUNDI When I checked in the baby book I found out under the topic of "poison" that if a child drinks some turpentine it's good to give them some cough syrup, exactly what she asked me to give to her. It amazed me to see that the Lord is faithful to give the child the burden to ask for what he needs. To conclude, one suggestion I have is that it would be a great help for each Home to have a little booklet on first aid for children & adults in any easy place to find, like near the telephone or in the bathroom. place to find, like near the telephone or in the bathroom.

MOST OF THE TIME THEY COME HOME FROM SCHOOL. & tell us how foolish the kids were or how the books teach "The Big Lie". They both know the Letters well & often the Lord shows them Mo Letters & even pictures to teach them.

ONE PROBLEM WE HAD WAS WE WEREN'T GIVING THEM ENOUGH RESPONSIBILITY. It was just a lack of faith on our part. We would give them jobs to do & if they didn't do them well or they took too long I'd get angry & do the job myself—more concerned about the job than the true lessons they might have learned. I had also taken on more than I could bear in caring for the 5 of us, plus litnessing.

SO THEN I WAS READING

DAD'S LETTER "COMMUN-ION" & the words stood out in my mind, especially about the foot washing ceremony. We had a foot washing that evening & Communion & the Lord has blessed it so much! We don't do the children's jobs anymore. If they don't do them right, we po-litely point it out & they do it again until it's done right.

WE HAVE 4 CHILDREN
NOW-Kerenina-4½, Daniel-almost 3, Stephen-almost 2 &
Fay-5 mo. None are in public schools. We have been teaching them ourselves & they're doing well. I have books to guide me plus the wonderful Letters.

I'VE LEARNED SINCE MY
SRD CHILD HOW IMPORT-ANT CONSTANT DISCIPLINE IS between the ages of 1 & 2. With the 1st 2 I was a little slack & then it's harder when they're older. If they start off right it goes a lot easier.

ONE THING I'VE FOUND TO BE A GREAT ENCOURAGEMENT is for other brothers & sisters & families to give lots of encouragement to parents & children. Because if parents try their best & yet the kids are not perfect & neither are you, if someone just starts criticising, it really can bring you down, as it might be something you've worked on for months or years.

I Found Happiness In Giving!

(Translated from Spanish by Gabriel As MY NAME IS PACO. I AM A BANK EMPLOYEE, married & with 4 children. I would like to tell you how the Lord is changing my life day by day & also the lives of those around me.

THE FIRST 33 YEARS OF MY LIFE I SPENT DOING THE SAME THINGS ALL THE PEOPLE I KNOW DO. It's what I'd been taught to do—to study to be able to work & make a lot of money, to get married & have a couple of children, a car, an apartment & if I was lucky maybe I could strike it rich betting on the football games or even on the football games or even win the lottery & then I'd be

win the lottery & then I'd be happy forever.
BUT I SOON REALISED IT WASN'T SO EASY TO BE HAPPY in this world. Where I work in the bank I've been able to meet many people who have all they desire & yet are not happy. So I began to think that there had to be something else more important than money, even tho' they said that with money you could get everything. I had the feeling inside me that in all this complex & perfect & marvellous universe there had to exist something more.

complex & perfect & marvellous universe there had to exist something more.

I TRIED TO FILL UP MY LIFE WITH EXCITING HOBBIES like skin-diving & motorcycling. But then in an unfortun ate underwater accident my part ner lost his life & I almost died. Shortly after that in another accident on a motorcycle I lost several teeth, gained several stitches & was unable to work for 50 days. These accidents broke me enough that I decided to look somewhere else for the road to the happiness I longed so much to find.

IN REALITY I WAS SEEKING MY OWN HAPPINESS & my own personal satisfaction & was day by day forgetting my

Paco & his happy family, now helping to change their part of the world (Irr) Pedro-10, wife Merche, baby Aeron, Francisco-6, Maria Jesup-12 & Pacol family, my children & my neighbour & true love in general, & it was impossible for me to find happiness that way. I felt unsatisfied, a failure & without strength to continue searching.

AROUND THIS TIME, I

DON'T REMEMBER EXACTLY HOW, a simple pamphlet that seemed like it was for children came into my hands. It spoke about love & sharing & giving to others as the key to happiness, & about Jesus.

I TWAS SOMETHING NEW & DIFFERENT & I LIKED IT. It made me feel something new in my extinguished heart. Above me in the eye & smiled openly with the people who gave them out. They practised what their pamphlet said, they loved me. They looked me in the eye & smiled openly & it seemed they lived in an different way that I had never seen or even heard about. They had a peace about them, a serenity, an open-hearted smile, a simple & profound song.

had a peace about them, a seren-ity, an open-hearted smile, a simple & profound song. I DECIDED TO FIND OUT WHERE THAT SOMETHING CAME FROM. Well, they gently & without forcing me but with love & patience spoke to me a-bout Jesus. (I had already heard about Jesus in church & in school but it was only talk.) But when these young people spoke to me about Jesus they taught me how He loved me &

with men is possible with God!"
(Mt. 19:26.)

OF FATHER DAVID & THE
LESSONS IVE LEARNED from
the Lord, I'm now a completely
new man, really wanting to live,
to smile, to love & share everything, & to teach others that Jesus still works today. I know!—
Because He's changing my life
& that of all my family & friends!

NOW THEY NO LONGER
LAUGH at me or at the Word as
they did in the beginning. Instead they respect what is of the
y Lord & are also trying to share
give love themselves, which of
course bears good fruit, & my
friends now smile much more &
they realise it is the Lord that is
doing it. They are learning principally, by the example that I try
to give them, that one is much
happier giving than receiving.

"MY WIFE WON CHILD CUSTODY OF MY SON & the court ordered me to pay \$140 per month child support & \$50 alimony-income. I'm praying about getting a system job. (DAD: That's the trouble with getting settled down in a place where they can find you!)

"SINCE THE CRASH IS HERE!' we've begun to receive a few letters from Family members asking for maps to our farm. We love our brothers & we want to help all we can, but we aren't built to handle a huge influx of people & aren't sure how to answer each letter. We have managed on our own, our work with farm, job & 5 children, to have a small following, & these too we must be faithful to care for. As far as we know very few brethren have spent much time in prep aration, even tho' here in U.S. We must say we do feel bad that in a year of asking for help, no one was interested (& we still need help!). Official Visit To China!

From Ho; Hong Kong:
PTLI—WE JUST RETURNED
FROM AN OFFICIAL VISIT
TO CHINA as guests of the mayor or of a chief city of a nearby province. We were taken to visit the largest city in the province in which most of the people are engaged in farming or related industries. The "mayor" invited us for the purpose of discussing arrangements to bring the children to their town to sing in some live shows which they want & cups of Chines tea, our busitop repare. The government officials we met were extremely warm & friendly & open & looking forward very much to the children coming to sing.

THIS DOOR TO CHINA WAS OPENED BY A MIRACULOUS SERIES OF EVENTS. Michael & Deborah Christian gave a cassette of the children's music to their Chinese landlady who liked it & passed it on to her father who makes weekly visit to China on business to this particular city where he knows all the government officials & has many relatives.

THIS MAN PASSED OUR CASSETTE ON TO THE MAY.

ricity where he knows all the government officials & has many relatives.

THIS MAN PASSED OUR
CASSETTE ON TO THE MAYOR of the town & talked to him about the children coming to sing in their town. The mayor readily agreed & they made arrangements for us to make this preliminary visit to meet with them & discuss the details. Those going included Esther, Ruthie, myself & Hannah, our Chinese disciple & translator. With the help of this businessman we were able to obtain all the necessary visas in only one day. Then he made arrangements for us to accompany him on his next business trip.

AFTER CROSSING THE BORDER WE FOUND 2

OVER MANY MORE CUPS
OF CHINESE TEA we showed them photo abbums of the children's shows in Hong Kong ever, the Christmas period. We were pleasantly surprised by their very warm friendly attitude & the informal humble manner as we spoke together. The mayor's face beamed as we talked about the children, their ages, their songs etc. He said he'd like to arrange for some of their children's performing groups to dren's performing groups to sing with us on the same show & he hoped that we would be able to give their children som

They said they would like our children to meet theirs so they can share songs together. The mayor said he had listened to the songs on the cassatte & that he liked the children's music.

tened to the songs on the cassette & that he liked the childen's music.

THE NEWLY IMPROVING
RELATIONS BETWEEN THE
U.S. & CHINA & the fact that we are Americans with whom they are wanting to develop good & friendly relations were definitely points in our favor, & we felt that their bringing our children to sing in China in this small rural community wes giving them the opportunity to experience on a small scale locally what is happening in the major cities with important American delegations.

THIS WAS ALL CLEAR EVIDENCE TO US THAT GOD IS USING THESE changing political circumstances to open the door for His children to bring in the love of Jesus in a way that the officials would welcome it & the people would have a chance to hear it.

WHEN WE TALKED ABOUT

WHEN WE TALKED ABOUT
WHEN TO COME they humbly
explained that the accomodations they have were very simple & nothing fancy & due to
the fact that there is very little
if any heating in the buildings
& houses there they felt it
would be best for us to wait until the weather warms up & is
clear & sunny. They said they
would like the children to be

& to be able to go swimming
in the town's swimming pool &

AFTERWARDS WE WERE

AFTERWARDS WE WERE DRIVEN TO A LARGE RES-TAURANT catering mainly to

Igs around a large round table to enjoy a delicious Chinese meal of many courses. At the conclusion of our large & lengthy lunch, our businessmen friends again excused themselves to continue their business, & the mayor accompanied us by car on a little tour of the city, then on a lengthy drive in the country-side to visit a farm where they were growing some special miniature orange trees which are so popular with the Chinese as an omen of good luck during the Chinese New Year celebrations. He presented us with a couple of these trees to take back with us & showed us around the farm to see the many varieties of flowers which they were growing, milk cows & even a fish pond where they were raising fish.

WE NOTICED MANY SMALL FARMS which seemed to be pretty much self-sufficient. They spoke humbly of their primitive simple methods, but which we could see were not a disadvantage. During the whole of our visit we could see that the coming crisis & oil shortage would have little effect on the lives of these simple farming people whose farms are almost self-sufficient, using oxen to plow their fields & bicycles as

we were all one big singing family.

BACK IN THE MAYOR'S
OFFICE we finished discussing a few other details of the coming visit of the children. In parting we gave the mayor a gift of some more of the cassettes & photos of the children as we said our good-byes. The special way they treated us & showed us around, taking care of our every need, & the warm & friend ly hospitable manner with which we were treated has inspired us with a new vision for the open door God has prepared for us.

BEGINNING IN THIS RUR-AL AREA OF CHINA with the more simple people will be a

very good learning experience for us, & God's blessing & prospering this beginning there is no limit to how far He could use this open door for us to travel & sing even further inside China, DVI PTLI (Amen! We have Chinese children tool—Dad. See No. 273.) very good learning

Caravaning News!

How one VS family does it!

From Zacheus & Lamb & family,
VSs in Europe:

Dear Peter, Emmanuel & Hannah, Paul & Marianne & all!

GBY! WLY SOOO MUCH,
think of you many times & miss
you as we remember the nice
times we had together. We wanted to write you & share some
practical lessons we have been
learning while living on the
road & having this new ministry
of VS'ing.

WE'VE BEEN ON THE ROAD
NOW FOR ABOUT 8 MOS. &
can't begin to count the blessings & victories the Lord's given
us. He has really blessed us every step of the way, so we have
nothing to glory in but Him, TYL!
ALIVING IN A SMALL SPACE
HAS CHANGED THE CHILDREN'S LIFE & OURS for the
better, & has helped us to become more organised & scheduled, also because travelling involves quite a bit of planning
ahead. We keep the morning
for doing school with the children, giving us a good foundation for the rest of the day either to visit, write, travel or go
out singing & litnessing. Having
given the children individual attention, we as well as they are
a lot happier & fulfilled. It also
gives us more faith to correct or
discipline them if they need it.
OUR DAY GOES SOMETHING LIKE THIS: The children wake us up around 7 a.m.
& we have fun time till about 8.
Then we dress & do our duties
like folding sleepers, making th
beds, getting washed & cooking
breakfast which we usually eat
around 9. After a short devotions & song, Mummy usually
does clean-up while Daddy has

Word time with the children.
Around 10:30 we have schooltime together for a few hours.
The school kit which Hebron
made has been a real asset &
time saver, as it is very compac

school brochures & materials, GBH! Around 1 p.m. the children have a little rest, either in the van or caravan depending on whether we are travelling. In the afternoons the children fit into what is going on, whether it be visiting or witnessing. This is our basic schedule, altho' it varies or changes according to

the children's needs.

THE CHILDREN HAVE
BEEN A REAL ASSET in our activities & they love travelling & waking up in new environments, meeting new people & doing new things. We are keeping a merit chart for each one & they are so happy to receive stars. It also really makes them went to do better if they get a "black mark" which erases one of their stars.

OUR BEING MORE AFFECTIONATE WITH THEM has helped them to realise more that

TIONATE WITH THEM has helped them to realise more that we really do love them. This has especially had a very good effect on lvan's life (age 3), as he has become much more dependable & receptive, TYLI Altogether, the children have become a lot more aware of our life for the Lord & often remind us to pray for certain people or to write to them. The Dito Letters & Grandpa tapes have been such a great help & living sample.

such a great help & living sample.

OUR MINISTRY OF TRAVELLING IS TEACHING US TO
OPEN UP OUR LIFE & little
family for our bigger Family,
for which we are very thankful.
We as well as the children love
to visit new Homes & get to
know the brethren, & it is so
encouraging to see how the Lord
is working differently in everyone's lives & how we are all
LIVIALLY AFTER 1 OR 2

USUALLY AFTER 1 OR 2
VISITS WE TAKE A FEW
DAYS OFF to do our reports &
the Lord usually blesses us with the Lord usually blesses us with a good place to camp in the country. While we write in the afternoon, the children mostly have free play, altho' we also give them projects to do, either finding certain kinds of shells, gathering wood for the fire, digging a hole into which Daddy gladly ampties the toilets & other things they like to help on. they like to help on.
THEY ARE ALSO LEARN-

ING TO READ ON THEIR
OWN the Ladybird readers
which keeps them busy. In order to sharpen their mind & discernment we asked them to underline things in pencil that they
have questions about, don't understand or think are not true.
Afterwards we take time to explain these points to them or
look them up in the children's
encyclopedia.

A PRACTICAL & HELPFUL
TIME-SAVER FOR THE CHILDREN'S LAUNDRY for us has
been to have all the children
wers little aprons at mealtimes.
We have 3 sets of clothes for
them at a time—one for play &
roughing around, one for visiting, & one for singing & witnessing. This has really cut down
our laundry quite a bit, TYLI
—It has also taught the children
to take better care of their clothes
WE'VE MADE A FEW HANDY ADDITIONS TO OUR CARAVAN which makes it more of
a Home. We put in a 12 v. battery, as we seldom have 220v, to
which we hooked up 3 little
neon lights which give sufficient
light at night. We can also hook
up our TV & tape recorder to
this via a simple wall plug. We
hooked this battery up with an
off & on switch parallel with the
yan battery so that we can automatically recharge it when we
have 220v. Then we have put inlour van as well as caravan a 60liter water container which we
can fill up from outside via a
hose at gas stations. We usually
fill them up all the way when
we know we will be somewhere
for a few days to a week.

WE FOUND THAT CONDEN
SATION IS DEFINITELY A
CONTINUAL PROBLEM in the
damper colder climates & some
of our clothes would get moidly
with dempness. So we decided
s to build a 12v. central heating
system. This is a simple gadget
which sucks the heat from be-

hind the heater & blows it by hoses throughout the caravan. But instead of the heat blowing over the floor we have it blow inside the spaces underneath the seats & beds as this is good storage space but usually very damp, with condensation. This helped solve it pretty much if we turn it on for about an hour in the morning with the heater on high. We suggest that people investing in caravans in cold climates might look for one with double glass windows which keeps the windows drier &/or with a heater which has a chimney or floor exhaust, as cathalysising heaters give quite a bit of dampness just like using a gas light. Also we found that having linoleum was very practical & easy to keep clean.

USUALLY CARAVANS ARE BUILT FOR WEEKEND LIV-ING IN SUNNY CLIMATES, but there are a few companies that produce them especially for going on winter holidays or even for living all year 'round. These of course are the best & also the most expensive. But if you shop around, check the newspers, you can usually find something you like for ½ or 1/3 of the new price & still in very good, almost new shape.

IT MIGHT HELP TO CHECK CHIT GYPSY CAMPS & CIRCUS-

you like for ½ or 1/3 of the new price & still in very good, almost new shape.

IT MIGHT HELP TO CHECK OUT GYPSY CAMPS & CIRCUSES who might have some caravans for sale, altho' you may need to be very prayerful with them. Well, that's about it for now. WLY so much & please if you get the opportunity send our love to Dad & Maria & those there. Love, Zacheus & Lamb. P.S. WE WERE QUITE AMAZEDAT THE REACTIONS TO THE DITO LETTERS, as some seem to make a big thing out of finances in order to do things with their children. But there are so many ways to get toys, clothes & other items—from the Salvation Army, DTD & also the church ministry.

THE MORNING-PUSH BE-GINS WITH MOM & DAD GET-TING UP & folding up the big bed to start breakfast. CLEANING THE CARAVAN has been revolutionized by our changing from carpet to good quality linoleum on the floor. With 6 kids we were having to clean the rug 3-4 times a day for 15-20 minutes a time. But now we can sweep out the floor in 2 minutes & wash over with disinfectant & it's much healthier & the light color has brightened up the carevan. The only floor coverings we use are a thick raffia mat at the door that lets the dirt drop thru' & a nice looking raffia rug in the children's room that keeps their feet from getting cold getting in & out of bed.

GAS BOTTLES: In Europe it's good to know something about gas bottles, especially if you

in & out of bed.

GAS BOTTLES: In Europe
it's good to know something about gas bottles, especially if you
will be travelling & camping in
several different countries. We
found that International Camping Gas (2/-3 kg.) is the best, as
altho' they are probably more expensive initially, at least they
are available in most all European countries, apart from Sweden.
Some places like France & Belgium will not normally fill foreign bottles & those who
will often charged us up to twice
the normal price! So as we
changed countries & therefore
needed to change bottles we
found out we also needed a different type of regulator for the
bottles as well. We have met caravaners who carry 6 or 7 different regulators to accommodate
any bottle. So if you want to
avoid carrying around big empty
bottles that you can't get refilied, laying out extra deposits on
new bottles & having to buy new bottles that you can't get refine ed, laying out extra deposits on new bottles & having to buy new regulators too, we came to the conclusion that Interntional Gas was the most convenient type to

get. By the way, Spain & Portu-gal are very cheap for Int'l Gas refüls—1/3 the price of northern

refuls—1/3 the price of normern European countries.

SO WE'VE FOUND OUT
LIKE DAD SAYS: "Cemping out is a really beautiful, healthful, wonderful, thrilling, exciting life & can be lots of funl—And it makes you feel so close to Himl You just know He lives &

Ain't Got Da Blues No Mo!

-says ex-Fleetwood Mac JEREMY SPENCER

So I guess the first thing would be to give our readers some idea of your background. You used to play with Fleetwood Mac, right?

Jeremy: Yes 31 ... no nearly four years. Simon: How did Fleetwood Mac actually start?

Eremyilt was formed by Peter Greene, who had just left
John Mayall's Blues Breakers. He was the lead guitarist that replaced
Eric Clapton, and as John Mayall was getting more jazzy, Peter Greenc
just wanted to play the blues.

- So how did you actually get to become a member of Fleetwood Mac?
- So how did you actually get to become a member of Fleetwood Mac?

 Well, I guess through John Mayall's producer. He wanted talent to record, no he put an advert in the newspaper for any people who knew how to play old blues. So there was a friend of ours in the town unbenownst to me, who responded to this advert, and said that there was this band with this guy who plays the slide guitar like Elmore James. So he came all the way up to the Midlands, to this little place, Lichfield, where I was playing, and he liked the slide stuff that I did. He went back to London and told Peter Greene. Peter Greene asked me to join his band, and I said yes. So then the band formed , practiced a bit, and then did the Windsor Jazz Festival as the opening act. We built up a blues club following, playing at all the little clubs, especially around london. That's where all these bands like Savoy Brown and Led Zeppellin got started in the very beginning, even the Rolling Stones.

 So you were then in a position to mix with a circle of neonle who were

 I met Jimmy Hendrix... When Fleetwood Mac started, he was just starting too, and he was getting to be a big thing around benden and I was a bit of in awe of him, kind of like I was looking at him to see what he would do. He was on a different wave length, and I didn't understand what he was talking about, and at the time I thought, 'I don't understand what he is talking about, so maybe he's talking about something that I don't understand!' Then I met Eric Clapton, and I was quite impressed by him. He seemed to be quite humble. He was going to do an album of Buddy Holly music, and I also was going to do a'solo'album, doing Buddy Holly songs. So Mick Fleetwood's wife found out that he was going to do it too. So she came to me and said that Eric Clapton was going to do en album of Buddy Holly's backing group on the album. So I said, 'Oh well, if he's going to do one, then I'd better not. I don't want to touch it.' So the went and told him. So then at this Melody Maker award thing. Eric came over to me, which was really surprising, and said, 'Look, how's the Buddy Holly thing going?' and I said, 'Well, if you're going to do it, I don't.' And he said, 'Well, no. I just heard from Jenny (Mick's wife) that you're going to do it, and I thought that, well, you should go ahead and do it.' I was quite impressed that he was just going to give it over, you know what I mean? J:

- S: So what was it like when you first started to become famous, when you realized that you were 'known'. Did it affect you in any way?
- J: Well, yes, it affected me for bad. You just get cocky and start to get an exalted idea of yourself.
- S: Well, what do you think about music today? Punk Rock, Disco, Computer Rock?
- J: I don't think that there is anything I like. To me it's rubbish, except for one or two songs that have come out that have something to say that's sweet or that have some really emetional feelings, or whatever.
- S: So generally, what you like is sweet music, simple music, unco music? You still like to do imitations of Elvis and music of Does music from that time really impress you?
- J: Yeah. In the 50's they were musically very good, they had some life, spark, and they were happy songs generally, and they sang about simple things.
- S: Why did you leave Fleetwood Mac?
- S: Why did you leave Fleetwood Mac?

 J: There was a certain feeling being on stage with the Fleetwood Mac... People look to musicians like they have something more than they have. People say just play music man, because music is god; that's what people think. It is one of the gods, one of the idols, and probably one of the biggest idels of this generation— music, more than any statue or image of some kind. It's something people look into to find answers to their problems. I felt more and more my responsibility in standing up on sizgo in front of all those people not really having anything to say, or enswers to give them. Toward the end of my time with Fleetwood Mac. I started to read the Bible a lot, uspecially the Cospels, to know what answers Jesus had. And travelling with the Fleetwood Mac around the States, I got to meet every so often someone who had a Bible, telling people about the Lord, and I was interested in talking to these people. We were on one of the most lucrative tours we had ever been done, and just as we were setting off, the road manager come up to me and said, 'You know, I feel that something heavy is going to happen on this tour', and I said, 'You know, I think so too!' I just felt something was coming, you know? And so we'd done a couple of weeks, and things were getting worse and worse, and we were just going through these awful motions on stage doing these songs. I couldn't put my heart into it, I couldn't believe in it, and I just felt every night on that stage, the same old thing. Then one night I told the Lord, 'I don't know what to do, I don't know what to think, and You've got to do something soon!' And then two days later we were in LA, and I had just valked out and went to this book store and got all these spiritual books to look and see if there was anything in them. And as I was walking out of the book store, a guy came up to me with a guitar, and he asked me if I wanted to hear a song. And I had the feeling that he was going to sing a song about the Lord—and I prayed with him o
- So since then, have you seen Fleetwood Mao in recent years, and what do they think of what you're doing now?
- I've seen Mick Fleetwood, mainly. I think he tries to understand what I'm doing, because he likes to be understanding. But I can't really see how anyone would understand what you're doing, unless they're doing it themselves
- S: Do they appreciate the music that you're doing?
- J: Well, Mick heard a couple of things, "Flee", and something else. He seemed to really like that, you know. I don't know what to say about that, because they're musicians, and some people who think they really know a lot about music often don't enjoy simplicity. For example, the guy who sang me that song on the street, he didn't have a good voice, he didn't know how to play the guitar very well, but there was somthing about the song and the way it was delivered that moved me. I'm more concerned about getting it to a certain type of people who will respond to it, who will see what is in it, you know.
- So, you want your music to be appealing to people who are looking for the same enswers as you were, and what you found, is that it? One of our liers' favourite songe that you've written since you left Fleetwood Mac is "Prodigal Son". Why is that song special to you?
- J: Because of its message, really. I don't consider myself a song writer. -I got that song with inspiration, and I like it. It's probably the most well known Parable that Jesus told, and almost everybody can relate to it. I mean, you get off the track, and you don't miss it until you've lost it for a while, you know? The story is also really conforting because there is always hope, you know, the Lord will always take you back everytime you get away, if you make that decision to go back, to return to Him.

You Are What You Play!

A Musician's Response to 'Musical Key' & 'Sequel'!

Prom Jeremy Spencer:
Dear Family,
PTLI WELL, THE MAIN
THING THAT IMPRESSED ME
THIS TIME AROUND in reading these Letters was because of
the gravity & seriousness of the
ministry we have ("Music With
Meaning") & by God's grace continue to have, that it is desperately important to stay on the
right channel, walking circumspectly in not allowing any influe nee of the past to get in.
DAD & THE LORD HAVE
SEEN FIT TO ENTRUST US
with the vehicle of the Family's

SEEN FIT TO ENTRUST US with the vehicle of the Family's music, & they need people who will take no chances playing footsy with the Devil's music. It is so true that we really get stacked in our weakest spot in our strongest area. As musicians, our talent is music & its composition & our weakest area seems to be just that also. IN ORDER TO STAY ON THE RIGHT CHANNEL & to receive the right signals, we musi

IN ORDER TO STAY ON THE RIGHT CHANNEL & to receive the right signals, we must stay in the right signals, we must stay in the right spiritual environment & almost insulate ourselves from the influences of the world & its music. We have no problems when we stick to what we know is from God. We have to keep flighting that weakness to mindlessly "boogle" I REALLY AM NOT CAPABLE ANY LONGER & DON'T WANT TO DO PUBLIC PERFORMANCES. They don't seem to bear fruit for me to do them, unless they are very seldom. I just can't seem to be trusted to be put in that situation.

I HOPE, THO', THAT I CAN BE TRUSTED TO WORK IN A BACKROOM MINISTRY of helping to record the Family's music. I really don't feel worth, so it's up to the Lord whences to the put to the call whences to the condition of the conditions of t

thy, so it's up to the Lord whether I will be (altho' it is up to

me to be faithful, obedient & sensitive to His orders & direc-tions, & obey)1 Love, Jeremy.

P.S. From Faithy: THE ABOVE REACTION BY JEREMY CAME ABOUT ABOUT AFTER A SMALL CRI-BY JEREMY CAME ABOUT ABOUT AFFER A SMALL CRISIS this week with the MWM musicians—Jeremy, Ahimelech &
Solomon. They were continuing to play at a certain local night spot & it wasn't bearing the right fruit in many ways. After the police raided the place one night looking for drugs, we all thought it was a warning that it was time to quit.

NOT WANTING TO OFFEND THE OWNER we said we'd continue on weekends only. This Saturday night we took some visitors & Fish, & they got sick from the smoke! Plus, they weren't that inspired by the music the boys were playing to please the noisy crowd of weirdox & black Africans who seem to have taken over the place.

THE SPIRIT HAD DEPARTED & WE HAD FINISHED OUR JOB THERE, & now there were some bad elements coming in & even mockers etc. It seemed they were beginning to play more & more stuff to please the

crowd & less & less of our music, a bad sign that they were losing control of the spirit of the place & of making their playing a witness & were yielding to what this element wanted instead,

this element wanted instead, probably many on drugs.
THE LORD USED IT TO HELP US HAVE A GOOD "HOUSECLEANING". We remembered what Dad said about listening to that kind of music—"you are what you glay!" for the musicians. "Musical Key" & "Sequel to Musical Key make it very clear that if we have difficulty discerning good music from bad we should stick to God's music & what we know is good.

indisc from bas we should stack to God's music & what we know is good.

SO I CHALLENGED THEM WITH THE MESSAGE OF "YOU ARE WHAT YOU READ" & asked them to make a decision about the club, that perhaps now that the Lord was giving to them & supporting them they should forsake all & just work on what we know is good, the Lord's music & MWM!

THE MUSICIANS WERE
SHOOK UP, TTL, & seem to have repented & agree with quitting the club & concentrating on our MWM, PTL! It helps to have a good shake-up once in a while. So they are back to work at the MWM studio today doing some jingles for Simon, & inspired! So as you can see, it's been somewhat of a housecleaning & a "Clean sweep" we pray! Love, Faithy.

Meet a new Thai disciple! How you can win more!

From Isaiah Patlence:

"PLEASE COME TO THAILAND & HELP ME!" pleaded the beautiful Thai sister in the video that was being shown in all the Homes in Australia in late 1978. I knew then that Thailand was the field of my calling.—So few brethren in Thailand & so many many in Australia!

THE VOICE OF THAT
SWEET SISTER BROUGHT
TEARS TO MY EYES & greatly touched my heart & even today when I remember I still shed a tear or two: "Please come to Thailand & help me!" Well at the time I was printing in Sydney & from there I went on to New Zealand to help establish a print shop there. But her cry was always there in my heart. Then with the RNR I found myself back in the States alone working e as a carpenter in the day & reading & studying the Letters at night, sorting out all that had happened since I'd joined the Family. But that sweet angelic cry was still there: "Please come To Thailand & help me!"

Beth, whom I had loved & worked with in Australia, I began getting my fare & by Feb. '79 I was here! Since then I've met that little angel from the video, Anna, & she is a precious sister! I LOVE THIS FIELD & THERE IS SO MUCH TO DO here. There is a fair amount of workers now but for over 40 million people, not enough.

"A world of good news!"

English seems to be the major way the Lord is supplying funds & good visas.

IN SPITE OF THE TIME TAKEN UP WITH DROP-IN JOBS, there is a lot of witnessing & litnessing being done. FF'ing also supplies needed funds. But ideally, if someone were to come to Thailand, if he would work hard at cetting support & pledges from back home before he comes, he could devote his full time to getting out the Words in this needy field, (See No. 922.)

FISHING'S NOT BAD AT ALL HERE, FOR GUYS OR GIRLS. Bangkok's nightlife is famous in SE. Asia & several sisters do escort work. Important men from SE. Asia, the Mideast & Europe come here for the nightlife & the Thai women.

IT SEEMS THAT ALL THAI GIRLS ARE STARVING FOR REAL LOVE as the vast majority of Thai men just don't have it. How can they?—They don't heve Jesus! (Want to change that, girls?) Of course you need a lot of faith & a lot of the real genuine love of God & a whole lot of patience to bring them out of that System sewage.

Read the Letter "Pawm" again (No. 370), especially par. 24-25. I knowl—

long great, TYJI Here's her story. She had been going with a guy for 9 years & loved him greatly, tho' he often broke her heart. In August he went to America to study & she was left alone. I had met her a few times as I was witnessing to a group of her friends quite often, but I never talked to her personally as she seemed like a proud system girl. ONE DAY THE LORD SHOWED ME HER HEART—how broken & lonely it was. She knew lothing about Jesus (most Thais don't—want to help change that?). Then she asked me what God had to say to her & immediately I got, "The Lord is close to those of a broken heart". After this she began coming to see me often & one night she got saved!

AT THE TIME SHE WAS TRYING TO GO TO AMERICA to be with her boyfriend (actually her husband as they had married before he left). When she got her visa, the Lord showed me to go with her, which seemed crazy to everyone, but I had to do what I felt was the Lord no matter how contrary the natural expectation. I had no money but a brother donated some even tho' he didn't agree with such a crazy move as my leaving my field (can you blame him?).

SO NOI & I FLEW TO L.A. TOGETHER & the next 2 weeks were some of the craziest live for the contraction.

TOGETHER & the next 2 weeks were some of the craziest I've spent in the Lord's service! On the way over on the plane I told her if she wanted, Jesus would work it out that she could come with me, but it would have to be her decision & she'd have to really pray for it.

THAT NIGHT WE STAYED WITH HER HUSBAND at the home of quite a wealthy & influential family of Thailand.

Needless to say they all felt that the sooner I was gone the better.

We are praying for her ex-husbnad to get saved, as well as his influential friends. "PLEASE COME TO THAI-LAND & HELP ME!" I'm glad! came. I have a Thai wife & a soon-to-be-born child of this land! "The Happy Family" On The Road! God's miraculous provision as they obey! Tips on children's singing ministry!

WHEN WE DECIDED AT THE END OF 1979 TO GET A CARAVAN & launch out on the road by faith, it proved to be the best decision we have be the best decision we have made in a long time. Dad sure knows what he's talking about when he says that for families to continue to live by faith & serve the Lord full-time, we all

to continue to live by faith & serve the Lord full-time, we all need to get out on the road.

AT FIRST WE THOUGHT IF WE GOT A JOB that would be the quickest way to get all our needs for mobility & survival, but God showed us differently as He promised in Mt. 6:33, "Seek ye first the Kingdom of God & His righteousness & all these things shall be added unto you". And the fulfillment of this verse came within 6 weeks of the time the Lord stopped us from working for mammon!

AS WE PREPARED TO GO
ON THE ROAD we were given \$2,500 from all directions & were able to buy all that we needed, like a 2nd-hand car to pull our trailer full of survival food, water, petrol, tools, extra gas bottles etc. We also had 17,000 pieces of lit for distribution, tapes of our songs to sell, & we were able to pay off all our remaining bills, TYJI IT'S BEEN 6 MONTHS NOW that we've been living & witnessing by faith in our caravan along

IT'S BEEN 6 MONTHS NOW that we've been living & witnessing by faith in our caravan along with our 5 children, Sally our new disciple won before we left & wonderful nanny to our children & a brother named Sam who joined us to help out just before we set out. We've been going to the small towns & cities that are virtually untouched & have found tremendous open doors for us as we obey, mostly thru! "Invading the Churches", "DTD" & of course

RIGHT NOW WE'RE IN A
SMALL INDUSTRIAL CITY, SMALL INDUSTRIAL CITY, not by our own choice as we would never have picked this industrial working man's city as a place we'd like to be, but God had other ideas. He used Sally's illness & 2 operations. The Lord is now healing her wonderfully & we are here while she is recovering at the parents' of a Family member who have taken such good care of her & have been such a super blessing to us all, GBT! WE'RE IN OUR THWEEK & HAVE DONE EXACTLY 50 SHOWS with the children, with over 400 souls saved! The Lord's done such miracles for our provision & protection! Knowing we were going to be

our provision & protection!
Knowing we were going to be
here for a few weeks, we felt it
necessary to have a semi-permanent place to park, & God
didn't fail.
OUR FIRST NIGHT IN
TOWN THE LORD LED US TO
A CHURCH & asked if we could

park on their property for a week & the minister gladly obliged. We started ministering to them & God opened the doors. After our week was up I called another church that agreed to let us stay on their property for 2 more weeks. At that church we met a member of the congregation who told us that while in prayer the Lord told her to let us stay on their property –9 acres of land overlooking the sea & set in the bush away from it all, complete with showers, toilets etc. We stayed there 3 weeks.

showers, toilets etc. We stayed there 3 weeks.

JUST AS THE WEATHER
WAS STARTING TO CHANGE FOR THE WORSE we met a Christian lady who operates a refuge house for children. When we did a few shows for her children she opened up her heart & without our asking she gave us her own house to live in for a few weeks. This is where we are now & it's giving us a chance to fix up the van, repair our tents & generally clean things up.

What a blessing, as we "follow

God"!
GOD'S PROVISION HAS
BEEN SO ENCOURAGING.

God'l
GOD'S PROVISION HAS
BEEN SO ENCOURAGING.
We have never missed a meal, but like Dad said, sometimes it comes at the last minute. The children are all healthy with no sicknesses, TTLI We have learned not to shirk any opportunities for eating out as lots of people invite us for tea, lunch etc. Altho' the most ideal thing would be to buy food on a weekly basis, it's just not worked out that way & the Lord is teaching us just to be thankful for our daily bread.

THE CHILDREN ARE AL-WAYS IN NEED OF CLOTH-ING & God's never failed. Sally provisioned shoes for the 3 oldest & the man who runs the city mission where we did a show & took the Sunday service for the alcoholics gave us the choice of all the best clothing in his big warehouse. One of the main lessons learned thru' this has been to "seek first". This verse has become such a reality. We have also learned not to be afraid to ask. Every time we do a show we always make mention to someone what our needs are. We have learned to be very bold in this area.

ALSO SINCE WE'VE DECIDED TO START TITHING 15% starting this month the Lord has doubled our income from lest month! You can't out give God! We still have many needs but have learned that God will supply when we need it most.

WE'RE FRONT LINE SOL-

Among us we usually get out between 4-500 pieces. Our great est testimony so far has been that we are serving the Lord & tiving by faith as a family. & 5 this is what most people comment about on the street. So if possible we usually try to do everything together.

WE HAVE A VERY SIMPLE LITTLE SHOW that we can put together at a moment's notice. When we first started performing with our children a few years ago we were having them do the whole thing but found it was too much pressure on them & that if the adults share the load with singing & skits our children enjoy it more all fround.

but you never learn until you to bey & we have found out that the more we do & obey, the more new inspiration the Lord gives us, plus new songs & material. Doing these shows together has kept us united & helped us do everything together, like learning new songs, memorising, witnessing etc.

I CAN REMEMBER MAKING A PROMISE TO THE LORD that if He opened the doors we wouldn't refuse one opportunity to minister. Well, He has kept us at our word as He is providing much more than we thought we were capable of doing. We do our part too as when we enter a new town we get on the phone to schools, churches etc., & start making appointments, & God never fails. If we want to be used by the Lord to the fullest, we have found the steps to be: Pray, then "ask & ye shall receive, seek & ye shall find, knock & it shall be opened Junto you."

THE 2 OLDEST CHILDREN

was too much pressure on them & that if the adults share the load with singing & skits our children enjoy it more all 'round.

WE'VE LEARNED TO BE

ADAPTABLE as we get invitations to sing at so many various sorts of institutions, schools etc. So far here in this city we've done 50 shows (about 7 a week) at such places as hospitals, old folks homes, children's homes, syethaltric hospital (adults only), schools, scripture classes, churches, youth clubs, city mission for alcoholics, Christian fellowships etc., & each place needs something a little different.

WE FOUND THAT THE 1ST 10 MINUTES OF OUR SHOW we need to break the ice, so we start with our 2 best songs with the children followed by an action song or participation with the audience, especially if there are children. By this time, everyone is warmed up & can start getting across the message. We have 2 skits that have been very effective as a Salvation message. After the skits we do a few more songs & then I tell a story like Tommy which really has an effect. We try to keep the whole has the children got to sit in the pinch song or participation with the skits we do a few more songs & then I tell a story like Tommy which really has an effect. We try to keep the whole has an effect. We try to keep the whole has an effect. We try to keep the whole has an effect. We try to keep the whole has an effect. We try to keep the whole has an effect. We try to keep the whole has an effect of the proper packed & not too drawn-out, to keep everyone sucking. Often we've been asked to stay longer than expected.

MOST OF THIS WE'VE

LEARNED RY EXPERIENCE from last month! You can't out give God! We still have many needs but have learned that God will supply when we need it most.

WE'RE FRONT LINE SOLDIERS & love every minute of at! Our main ministry is a singling ministry is a singling ministry is a singling ministry is a singling ministry one with the children, but want to say first that the children love to litness tool To keep a balance we try to get downtown every Saturday morning when the most people are shopping & mass litness, really getting out the message, especially in small country cities.

Hon song or participation with out the audience, especially if there are children. By this time, every-ing a cave, a cheese factory & even a tour of an airplane where the children got to sit in the pilot's seat, so our travels have been very exciting for us all. We pray our testimony will instend the children love to litness tool. MORE ON How A Large Family Does It! Provisioning! Witnessing to Children! Getting a Caravan!

From Seek & Secundus, parents of 7; Spain:
Dear Dad, Marie & family,
WLY SO MUCH & PRAY
FOR YOU! Could you please especially thank Davidito & Sara for the sweet card & the \$5 they sent. It really inspired the kids that Davidito would write to them & especially little Jamie-3 who talks about Davidito a lot

ie-3 who talks about Davidito a lot.
WE APPRECIATE SO MUCH EACH TESTIMONY IN THE FN & always think we will have time to write & thank Family members for writing them. They really provoke us to good works & are so helpful to share with the children. Testimonies from other large families really speak to our hearts & are an incentive to keep us going for the Lord.

CONVICTED US ABOUT PRO-VISIONING more thru' the Let-ter "Use It" & Emmanuel's class

VISIONING more thru' the Letter "Use It" & Emmanuel's class on provisioning. We stepped out by faith a couple of days this week to put the Letter into action & the Lord sure opened the windows of Heaven!

PILAR, A SPANISH SISTER WHO IS HELPING US, &!
WENT STORE TO STORE with the 3 older children & the baby. In 2 days the kids had completely new performing outfits—some of the nicest they have ever had, complete with socks & shoes! Eighteen pairs of good quality shoes were provisioned. The Lord also provided new fabric for recovering the cushions in the van—durable & colourful, perfectly matching the new carpet we had already provisioned & put in! Other stores helped with school supplies, kitchen needs, cosmetics, towels & items of clothing for Secundus. Our photo album of the kids'

ng clothes all provisioned - Sum The blue of their new performance # 4 Monthle I.

singing sure helps, & the kids are learning to use it & do the provisioning themselves. Even if we have to help them a bit, it really makes an impression on the store owners to see them try. WE ARE SO THANKFUL FOR THE NEW KOMIX for the children. Using them for witnessing has given the children much more confidence. It was always hard for the children to find a way to get started witnessing without seeming churchy & boring for their friends. But with the new Komix, Jason & Sherah first interest them in the pictures & then have them read it & this leads quite simply to their praying to receive Jesus. The Komix are also so good for follow-up devotion times when their friends come next to visit. The Komix are also so good for follow-up devotion times when their friends come over to visit. WITH 7 CHILDREN IT CAN BE EASY TO FIND EXCUSES NOT TO EVER GET OUT OURSELVES without them. But

the other night after the children went to sleep we went to a disco with a couple from another Home who also have 4 children. Two sisters watched the children in each Home so we could get out. It was quite an explosion, & we didn't realise how much we needed it!

THERE WAS AN ANNOUNCEMENT that the girl in the white dress had won a free drink for being the best dancer. It was me! Ha! But this led to free drinks for all & to meeting a young man who works in the mayor's office in this little pueblo who came by the house later that week & got saved! The Spirit of the Lord in us really changed the spirit of the disco. Soon everyone was standing around watching as Ruth danced Flamenco with someone else & everyone was even dancing thru'tunnels gypsy style before the night was over! It was so much

fun. I think our moms & dads could really explode to get out sometimes with the help of some of the single brothers or sisters who live in the Home or nearby. YESTERDAY ANOTHER LITTLE NEIGHBOUR BOY GOT SAVED during our morning devotions in the garden. The 3 boys present took turns selecting a Komic from the new Spanish edition of the all-Komix Mag to read for us all. Later that evening when we were going out singing, the 3 boys wanted to go with us.

AT FIRST WE WERE HESL.

evening when we were going out singing, the 3 boys wanted to go with us.

AT FIRST WE WERE HESI-TANT, thinking it would be moze work for us & a distraction for our kids. But they really begged to go, & what a revelation, as the Lord used them to open our eyes to what He is doing!—On the way, the boys all sang too as we warmed up. One boy was so on-fire that he wanted to sing "Voy a seguir" over & over.

They enthusiastically carried the amplifier & took the hands of the younger children & helped in every way they could without being asked.

I COULDN'T IMAGINE WHY BIG 13-YEAR-OLD BOYS could be so interested in being with usl As the Lord began speaking to our hearts, it brought it tears of joy to realise that in such a short time we had seen the Lord's enointing pass to another generation—our children! It seems like only yesterday when I was out witnessing to teenagers with a youth group, & now here are our young children; the oldest 8 years old, winning hearts, souls & lives of teenagers! How could it be we can see the fruit of our labours so quickly?! PTLI Weekends these boys are at our house first thing every morning & want to do everything with us & stay as late as possible.

ANOTHER REAL MIRACLE & BIG CHANGE is that Jason-8

ANOTHER REAL MIRACLE & BIG CHANGE is that Jason-8

now plays all the songs for the kids' singing & directs the whole performance. Secundus only works the volume on the little amplifier. The kids all prayed one night for help in the Spirit in their performances & it has amazed us how quickly Jason learned all the songs & even new ones. It is so much better with the kids doing the whole show themselves.

WE ARE REALLY THANK-FUL FOR PILAR, young Spanish sister who has been helping us. She is learning to keep house & has a willing heart. Right now she is faithfully doing the chores so I can write this & Secundus can have school with the little house & Patricia

so I can write this & Secundus can have school with the little boys & Patricia.

IT IS REALLY TEMPTING SOMETIMES WITH A LARGE FAMILY to make mealtime something you just try to survive as quickly as possible & then are relieved the kids are finally fed. But Secundus, especially, tries to make mealtime special. The way you prepare & serve each dish & set the table means a lot to the children. We can't afford to buy the children a lot of things, but what we do

with them & for them can be very special so that they see our love & care for them & they learn to do the same for others.

WE HAD BEEN PRAYING
SO DESPERATELY FOR A CARAVAN (we have a van & a small "trailer" to carry extra belongings) & have been knocking on many doors. Then one afternoon during our Word time we read Grandmother's "Streams That Never Run Dry". Her words of faith & how to receive from the Lord struck such a definite chord in our hearts. I began to weep & the Lord told me to open the book again. I opened to the example of the girl who had wanted so long to go to Bible College. This just literally broke my heart as I saw how we need to proceed as if we believe we already have our petition. We found the verses we had claimed & definitely wrote them on paper & finished the contract. We ceased our petitions & started believing. PTLI (To be continued!)

SOMETHING ELSE THAT

(To be continued!)
SOMETHING ELSE THAT
ENCOURAGES US is that after

almost 5 years by mail, we've seen such a change in their lives, month by month, letter by letter. Now they're making plans to become missionaries themselves! What a bomb! This takes awey our largest donation this month as they've been sending us their tithe of \$200 a mo. At first we had mixed emotions about this, but the Lord is faithful. We don't even know how, but we haven't been short a penny & have been able to share extra donations with several other families. We'd sure like to know how the Lord managed the finances to work this all out! Hall WE'RE BEGINNING TO UN

You <u>Can</u> Make Bread On A Campfire!

STEAMED BREAD

Ingredients: 1 cup whole wheat flour, 1 slightly rounded teaspoon baking powder, ½ teaspoon baking powder, ½ teaspoon sait, 2 tablespoons vegetable oil, ½ cup water. Mix dry ingredients & oil, then stir in water. Batter should be fairly loose, like drop-biscuit dough. How to cook: Spoon batter into heavily greased 1 lb. coffee can. Put on plastic lid & poke a few small holes in lid with knife (for expansion of gases). Piece can upright in large pot with cover. Add a few inches of water & boil for 45 min. to 1 hr. until done when knife blade stuck in center of loaf comes out clean. When done shake can to loosen bread, turn upside down & shake it out.

BAKED ON A STONE

(From "Campfire Cookbook" by Verily Anderson.) A bake stone is any large flat slab of

stone (except flint, which might explode & splinter). You can heat it above the fire or put it right into the embers & leave it there for half an hour. Take it out (between 2 strong sticks) & you can bake on it for another half hour. Do this a little way away so that other things can be cooked on the fire. Be careful to keep it away from grass or plants that it may singe or kill. If you grease it, you can fry an egg on it!

"IT'S A STRANGE TESTI-MONY I HAVE TO SHARE BUT I'LL NEVER FORGET ITI My little 6-mo. old baby was crying so much whenever awake that I was getting quite upset & even losing patience. He was sometimes so nervous that he couldn't nurse steadily & I had to forcefeed him bottles so he'd get some food. Deep down, I knew his crying reminded me of the cry of another little baby I knew that was sadly lacking love. I finally became desperate enough to seek the Lord. When you want to know what the Lord has to say, no matter what it is, He is so faithful to speak! Well, guess what the poor baby was suffering from? The Lord led me to realise that deep down I did not have e-

TTL for helping me in time to correct it! He helped me to accept the truth & when I asked for it He put the priceless seed of His love in my heart, & I prayed with my new little love for both him & the Lord to forgive me. Now I have a new flourishing space in my heart, a new love & lover, TYJ! What a miracle!—Immediately little Miguel Angel became a different baby, a prince charming, cute, cheerful, sweet, loving, as well as a wonderful team mate for the Lord's work. I guess I never quite accepted him, but now I experience how true it is that God's ways are higher than ours & He gave us such a wonderful little spirit, the very one we needed. But I had to open my heart to him to realise it, like to Jesus! How horrible to think I could have hurt him while at the same

valuable info in our hands, we
sat down & asked the Lord for

& ministry with the Word.
& GOD GAVE US EXACTLY
WHAT WE WERE LOOKING

& GOD GAVE US EXACTLY WHAT WE WERE LOOKING FORI—A '73 model with double windows, winter insulated, centrally heated, 5½ meters long & 2.1 meters wide (maximum width allowed in this country) & with a cabana.

mum width allowed in this country) & with a cabana.

WE PARKED IT OUTSIDE THE HOME WE WERE LIVING IN & started fixing it up to suit our needs before moving in. First we took out the dirty old carpet & put linoleum in the main area, & then carpet under the tables at both ends. Then we put in 8 more socket-&:plug connections for type-writers, light-table, waxer, extra lights etc. & then we were ready to move in. We stayed warm & cozy as we continued translating to keep up with the English mags.

AT FIRST WE PLACED OUR TYPEWRITER ON ONE OF THE TABLES, which rolls up & down with a handle. But it was a bit impractical to move the typewriter back & forth everytime we were going to eat. So we got the idea to build it into a cupboard so we could roll it in & out just like a file cabinet drawer. It works real well & the typewriter can be pushed in & the door closed in 5 seconds.

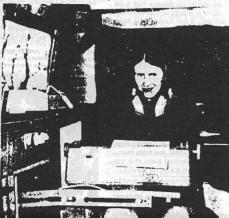

FOR OUR SECURITY MA-TERIAL, we built a special cup-board right over the fridge, & the space between the top of this cupboard & the ceiling is just big enough for our mini light-table when not being used. We also made a new sliding door for the front room to give more privacy & peace for the translator-corrector. We made a real point of using lightweight materials as much as possible. There are usually lots of cracks & crannies you can find in camp-ers that have not been fully used, & we found a couple of other "secret corners" to place drawers to put stuff in!

WHAT A BLESSING IT IS, as now we can move so easily—everything packed & ready to go within ½-hr. Before it took days! So it gives us a feeling of real security that we can evacuate the Letter lifeline at a mo-

ment's notice!

EVERY MONTH THE LORD IS MIRACULOUSLY SUPPLY-ING FUNDS for further improvements & installments. There are so many more possibilities open now that we have our LIM on wheels that we cannot help but marvel at the wisdom of God & thank Dad for showing us the way.

But we even have the vision to keep going, either by gas or bicycle-driven generator or even wind-power. And how about a printshop on wheels? It only remains for a man to find the possibilities & make them work—with a little bit of skill, lots of prayer & crazy faithl—Visionaries for Jesus! From Sharon & the Indonesian LIT-PIC:

INDONESIA IS A VAST COUNTRY OF 145 MILLION people, the majodity of whom are Muslim. But most of these people know as much about their religion as the average American knows about Christianity, & they are simply "Indonesian" above anything else. So we've found this country quite receptive to the Message & especially of course they really soak up God's Lowe Harrio' THERE ARE LAWS HERE AGAINST CONVERTING A PERSON of another faith to your own, these laws are very lax & there is still quite a bit of freedom to distribute the Words of David, TTLI Some teams here in Indonesia have to be more selah than others in their outreach because of their vias situations; whereas others are able to operate more openly & are freely distributing the lit.

Fellowship! Mutual Assistance! Variety! - Without Overcrowding!

From C., Southern Europe:

WE ARE 12 ADULTS & 13
CHILDREN, LIVING IN ONE
SITE, sharing one kitchen &
one dining area, as well as the
same toilets & one shower facility. Every evening we all gather
for dinner, & we do our weekly
shopping & provisioning together. One of the couples serves as
our Shepherds & Servants-ofAll, & we regularly share our battles & victories with them.

WE MUST BE SOME SORT

bursting at the seams in one overcrowded & uncomfortable
dwelling, right? Some classical

WE'RE LIVING IN A TRAILER CAMP, our 3 trailers & 3

& overlooking a blue sea that

every minute of it & the Lord

OUR CAMPGROUND IS ONLY 32 KM. FROM AN IMPORTANT SOUTHERN EUROPEAN CAPITAL. Its owner, who
also lives here in a house with
his wife & 4 daughters, is quite
visibly happy that we are here
& shows it by giving us lowseason rates during the high season, allowing us to hook up our
communal washing machine to
his own water source, placing a

our exclusive disposal, giving us occasional gifts & inviting us all

I THE EASE & EFFICIENCY

OF OUR DAILY LIFE could hardly be matched by the same number of people living in, say, the same urban block. What comes naturally here in our green setting would be cumbersome, unwieldy or imposible in a concrete jungle.

I'LL GIVE YOU A FEW EX-nameles. One family of 5, with its car & trailer, pays only the equivalent of \$150 a month to live at the campgrounds, & for that price they have full, unlimited use of its utilities & facilities. WE ARE WITHIN SIGHT & WITHIN A FEW STEPS FROM ALL OTHERS IN OUR CAMP, thus ensuring fellowship & mutual assistance when the need arises (& it does arise with 13 kidsl). Altho' some of us have our own emergency-use portable toilets, we normally utilise the camp's own string of about a dozen indoor stalls with wash basins, & at shower time there are more than 10 awaiting without delay. than 10 awaiting without delay.
HOT WATER IS AVAILABLE

FOR DISHES all day long. The campground has a mini-market for all the basics (plus some very reasonably-priced cooked meals); there are 2 telephones with direct dialing practically all over the world; the nearest town is but a 12-minute walk away & offers every conceivable service, including relaxing & cheap seaside cafes & bus service to the capital every 45 minutes.

DIFFERENT TEAMS OF 2 TAKE TURNS EVERY EVEN. But we have 3 or 4 imaginative cooks amongst us, so we're assured weekly of at least that many really finger-licking-good dinners. Even some of the leginners, like myself, will attempt something up-beat once in a while with the help of our more gifted cooks.

DISHMASHING FOR 25 RECENTLY SHIFTED FROM BEING JUST AN ACCEPTED DUTY to a welcome thrill, thanks to the children. Last week, when a new cooking & dishwashing schedule went up, some of the children suggested (& got thru'!) that the phrase "and sharing" be added to the solitary "dishwashing". So now every evening there is the possibility of more love being spread even more widely. And heeding "Child Brides" our 2 youngest adults are partaking of the late

evening intimacy.

WE WILL UNDOUBTEDLY SOON HAVE TO "PACK M UP & MOVE"M OUT" TO SOUTH -AMERICA, & we have learned some invaluable lessons about camping which will come in handy down there where life-on-wheels is not as commonplece. Chiefly, we have come to appreciate even more the strength, comfort & protection that the Family gives, & how large numbers of us could conceivably camp together without sacrificing elbow room, feeling like sardines or blowing our security.

IN FACT, AS CAMPING IN S. AMERICA, it may be ill-advised to pitch camp on your own. Besides all the benefits of sharing & fellowship, you'd miss out on the possibility of establishing a floating Family community which only camping affords.

exactly roughing it, but it better prepares you for no-fills camping, which is in our future. TYLI ONE LAST OBSERVATION:
An average campground will have over 100 people at one time. Besides the possible witnessing opportunities that this presents & which you could take up prayerfully depending on each situation, this also means that every so often one of those people, for personal real-sons, may need to quickly sell his tent &/or trailer.

CAMPGROUND RECEPTION DESKS THUS BECOME IM-PORTANT PLACES for anyone looking to sell or buy used tents or trailers. Let them know, even if you're not staying there, that you are looking for one. You can sometimes find real bargains. We recently did, for another couple that needed one.

I REALLY HOPE & PRAY THAT MORE OF OUR FAMILY ARE TAKING POSITIVE STEP'S toward becoming mobile, Like any new radical step in life, the fear of the unknown sometimes defeats us. If we remember that the Lord's leading this way & that the Letters are showing the way, we will soon take that all-important first step. Try it! I'll change your life!

Coming To Australia?

Official gov't. requirements for residency & how to get it!

From Malachi Elias & Rachel Daniel, Australian nationals:

Daniel, Australian nationals:
AFTER DAD'S LETTER
"AMERICANS ABROAD"
where he said Australia was difticult for Americans to obtain
permanent residence (No. 905:
34-35), our Home researched the
details from the Immigrations
Dept. This report is intended

Dept. This report is intended as a guideline only. Exact details are available from Australian Embassies.

WE'RE NOT SUGGESTING THAT AUSTRALIA NEEDS MORE FAMILY IMMIGRANTS as pioneer fields like South America obviously need labourers far more & will probably be more fruitful in souls won. We write this for those trying to leave the Northern Hemisphere who aren't ready for pioneer fields & are more called to litness & witness part-time, & to work, earn money & to support needy brethren in pioneer fields. Australia is probably the country most like America, & its refuges will probably be safe in the coming war, Lord willing THE AUSTRALIAN DEPT. OF IMMIGRATIONS HAS ADOPTED CERTAIN GUIDE. LINES controlling the entry of immigrants. They state that there is no prejudice as to colour, religion, country of birth, against any applicants. However, the selection criteria ensures that—ONLY RESPECTABLE & FINANCIALLY SUCCESSFUL APPLICANTS ARE LIKELY TO RECEIVE PERMANENT STATUS. They don't want an influx of those likely to need welfare or special medical care (i.e. no bums & hippies, & you'd better look like a systemitel). ELIGIBILITY FOR PERMANENT RESIDENCE IS DETERMINED BY A TEST in which

for residency & how to get it!

the applicant scores points for various skills, assets, health or circumstance. If you score more than a certain number of points, you are allowed permanent resident status, & if you don't score the required number of points you can't come.

THE TEST EXAMINES MATTERS SUCH AS: Trade skills or profession (vocational training), native language (the ability to speak & read English is desirable), financial assets which one is able to bring to Australia, health (you & your dependents having good health is desirable), & other issues. For example, the applicant may score points for having skill as a typist, nurse, specialist teacher, welder or carpenter. He may also score points for having a large number of children (sad to say!).

SOME ISSUES FIGURE VERY HIGH! Y ON THIS POINTS

SOME ISSUES FIGURE VERY HIGHLY ON THIS POINTS SCALE. One is that it is most SCALE. One is that it is most important for the prospective immigrant to have a job waiting for him in Australia (even pumping petrol will do if you have no other skills or trade). The prospective immigrant must undertake that he will not apply for unemployment benefits while in Australia (at least not for 3 years, until he is naturalised as an Australian citizen).

THE AUSTRALIAN OFFERING THE JOB IS REQUIRED

ING THE JOB IS REQUIRED TO GUARANTEE FINANCIAL TO GUARANTEE FINANCIAL SUPPORT for the immigrant. Obviously there must be a great deal of trust between the immigrant as sponsor, because the Australian sponsor risks finding himself in serious trouble should the immigrant misbehave! As well, the sponsor would be unable to sponsor any future Famana and the sponsor an

ily immigrants, so it is a very serious matter.
THIS METHOD OF OBTAIN-ING PERMANENT RESIDENCE WORKS WELL IF THE IMMIGRANT HAS NO FUNDS of GHANT HAS NO FUNDS of his own but has a trusted friend in Australia who will guarantee his support. The authorities will not accept that the sponsor "lives by faith". Our Yugoslav friends who run small businesses sponsor their relatives, guaran-teeing them a job on arrival in

sponding them a job on arrival in Australia.

ANOTHER ALTERNATIVE IS TO HAVE SUFFICIENT CAPITAL TO START A SUCCESSFUL BUSINESS in Australia & to support yourself from the profits. (Until you get naturalised, taxation & immigration officials will be watching you to see if you are running the successful business you claimed you would. Citizenship after 3 years is not granted automatically. They could send you home if you failed to make a profit.)

matically. They could send you home if you failed to make a profit.)

FAMILY MEMBERS COULD POOL FUNDS, or God may bless somebody with a large inheritance. Alternatively, Family members with wealthy parents or Fish or kings, might persuade them to invest in Australia. Many worldly businessmen, especially Americans, are aware of the coming War & consider Australia to be the best place in the world to invest large sums of money. The Family immigrants could manage the business out here on behalf of their wealthy parents, Fish or kings.

ONE CAN BUY A BUSINESS LIKE A BISTRO for about \$20-30,000. Running a bistro doesn't involve your having a great deal of skill as a chef, unlike a restaurant. There would be a lot of hard work, but it could be a good place for witnessing (singing, Fring).

ANOTHER ENTERPRISE

MORE SUITED TO THE COMING CRASH would be to purchase a farm & become a primary producer (i.e. set up a refuge). However, one needs a minimum of \$50,000 to purchase &
develop a property to an incomeproducing condition.

SO, THE PERSON WITH NO
MONEY, SKILLS OR WAITING
JOB IS UNLIKELY TO BE
GRANTED PERMANENT RESIDENCE, unless of course, they
marry an Australian. What can
one do? One could start to acquire skills which are assessed
by performance rather than education, perhaps by taking a
short-duration "hobby" course
at a technical college. Examples
include typist, welder, draftsman.
(I built up an architectural drafting business with no qualifications as a draftsman.) Most
trade skills (e.g. carpenter) are
assessed by completion of a 4year apprenticeship, & are thus
not suitable.

ONE WOULD THEN HAVE
TO FIND SOMEONE IN AUSTRALIA TO EMPLOY HIM.
Few Family members have businesses, & no businessmen will
employ someone they don't
know. Perhaps Australian Family members should make a special effort to get more businessmen turned on to the Family (&
Jesus!), so that they will want
to soonsor immigrants.

ACQUIRING SUITABLE
SKILLS IS DESIRABLE, as
"living by faith" alone will not

SKILLS IS DESIRABLE, as "living by faith" alone will not

get you into Australia permanently. You could work in your promised job awhile & gradually get into witnessing in a self-supporting fashion.

HOWEVER, WHEN YOU AP-PLY FOR CITIZENSHIP 3 yrs. later, the authorities will want to know how you have supported yourself, so it is advisable to have proof of having held a part-time job, or having been self-employed in a small-scale business that paid taxes, even if you were spending, a lot of your time witnessing.

ness that paid taxes, even if you were spending a lot of your time witnessing.

FF'ERS COULD WORK FOR ESCORT AGENCIES, for example. We would hate to see anyone sliding into the system away of from serving the Lord & witness ing. Citizenship is desirable, or else the poor immigrant will be counted as an alien, at a great disadvantage if rationing should be introduced.

NOTE: IT IS IMPOSSIBLE(I) TO BE GRANTED PERMAN-ENT RESIDENCE WHILST ONE IS IN AUSTRALIA ON A VISITOR'S VISAI By applying, you risk getting yourself deported whilst a tourist! You are granted permission to visit Australia only by undertaking that you will definitely go back.

ONE MUST MAKE APPLICATION FOR PERMANENT RESIDENCE FROM YOUR NATIVE COUNTRY. You do score a few points for having previously visited Australia as a tourist. A wise thing to do

might be to come out here on a visitor's visa & use the time to try to line up a definite job offer, or several offers, even working for your prospective sponsor for a while in the hope of impressing them. Male or female FF'ers should spend their tourist time FF'ing business persons like mad! Pray hard for the Lord to lead you to the right ones!

like madl Pray hard for the Lord to lead you to the right ones!

BUT YOU WILL STILL HAVE TO RETURN TO YOUR NATIVE LAND & apply for permanent residence from there, with proof of a definite job offer accompanying your application & tipping the points assess ment in your favour. An intention to invest capital in Australia, saying that you intend to later run your own business after you have worked awhile, would probably win the system's heart too.

"BE WISE AS SERPENTS & HARMLESS AS DOVES!" It is not impossible for Family members to get permanent residence in Australia. However they do need vision, drive, enthusiasm, anitiative, prayer, "shtick", & knowing that they are in God's Will! P.S. An interesting Biblical parallel is found in Acts: Paul's Roman citizenship sure got him out of a lot of scrapes, & gave him lots of free:

in Acts: Paul's Homan citizen-ship sure got him out of a lot of scrapes, & gave him lots of free-doms, & it could even be one reason why God chose Paul. Love, Malachi & Rachel.

Useful Information for Foreign Tourists in the USSR

Soviet tourist visas are issued by Soviet consular offices abroad through foreign tourist firms on the basis of the following documents: a national passport, a filled-out application blank with three 4x 4.5 cm photographs and a letter from the tourist firm requesting a tourist visa. Enclosed with the letter should be a copy of Intourist's confirmation of the availability of a tour for the specified period and itinerary in Soviet territory.

The passport and the application should be forwarded by the tourist firm to the Soviet consular office not later than 10 weekdays before the date of entry into the USSR during the off-season period and not later than 14 weekdays during the "peak"

season.
Soviet customs regulations permit tourists to take into the Soviet Union articles intended for their own needs license- and duty-free.

There are no restrictions on the sum of foreign currency allowed into the USSR. This sum, however, must be registered with the customs in order to ensure that tourists do not take out a sum of foreign currency larger than that declared on entry.

The difference between Moscow and European Mean Time is two hours.

The monetary unit in the USSR is one rouble (100 kopecks). Paper money is circulated in notes of 1, 3, 5, 10, 25, 50 and 100 roubles, and metal coins have denominations of 1, 2, 3, 5, 10, 15, 20 and 50 kopecks and I rouble.

Soviet official institutions exchange foreign currency for Soviet currency at the official rate of exchange at the currency exchange offices of the USSR State Bank at hotels, motels, camping sites, railway stations, sea and air ports, and border points. They are open from 8:00 (9:00) to 20:00 (21:00) and some of them operate round the clock.

It is against the law to sell foreign currency to private persons within the Soviet

Food shops are open from 8:00 to 20.00, some until 22:00, consumer goods shops from 11:00 to 20:00, some large department stores from 8:00 to 20:00. On Sundays food shops are open until 19:00, and consumer goods shops are closed.

Restaurants and bars are usually open until 23:00, and those accepting only foreign currency until $2\ a.m.$

Tourists carrying cinecameras and cameras must remember that in the USSR, just as in other countries, it is permitted to film, photograph and make drawings of any tourist sights. It is forbidden to take pictures and make drawings of defence installations, to take panoramic pictures and make drawings of cities, industrial enterprises, or film and photograph from planes and helicopters.

When taking pictures of people it should be remembered that many dislike being photographed without their consent.

Full information is available from Intourist branch offices abroad, Soviet Trade Representations or tourist firms sponsoring trips to the Soviet Union, as well as directly at the Intourist Head Office at the following address:

"THRU' MY WIFE SHEBA'S
DEATH I'VE LEARNED MANY
LESSONS OF FAITH & praising
God no matter what happens,
like in our case where the Lord
did things contrary to all our expectations & we are even getting
persecution thru' the newspaper
for our faith. Well, now that I
am alone it is harder to carry on,
but I feel closer to Jesus & more
dependent on Him. One problem is that the children have been
acting quite insecure & frustrated."—Glacomo; Canada.

"WE LOVED THE MEMORY VERSES that were published in Mag 18. Let's have more! We quickly cut them out, put contact paper on them & are memorizing them like mad. We feel that memorization has been sadly lacking in the Family in these recent years."—Samson & Canclon; S. America.

"A REAL ANSWER TO

"HOW ABOUT SOME INFO ON COUNTRIES we are now in & which countries need yet to be pioneered?"—John Pasture;

"SOMETHING VERY SPE-CIAL TOUCHED ME after reading the reactions to the Davidito Letters. I'm now more interested than ever to search out the very needs of my children & to inspire others to do so also. We would like to donate our extra funds to Sara Davidito for her faithfulness & 100% dedication to our children. "Jose & Rebecca; S. America.

"PUTTING DAD'S ADVICE INTO PRACTICE HAS MADE US VERY HAPPY. We have squeezed ourselves together a bit to reduce living costs & to be able to raise funds for survival & travelling, & it works! Not only is it practical, but it's fun & inspiring! Plus our friends are very impressed with the sample of our helping each other! TG for Dad's hints! (848:107)"—Mary Heart; Europe.

"EACH TIME I READ A NEW MAG for the 1st time, esp. the

reactions from those describing their lives with & around M&M, it is as if the love & concern they talk about reaches right thru' the paper directly into my heart & causes me to cry. TG for Dad & Marial!"—Zacarlas & Sara Flowers Europa.

"CHRISTMAS EVE MASSAC RE": "A SPIRITUAL CLEAN-SERI P. had the same symptoms as the brother in the Letter. Now he has given up alcohol altogether! We had a real nice birthday party in which he was a blessing instead of a problem because he didn't drink anything. GBY, Dad, for warning us & writing it down. It has given us new hope in our relationship!"—P.AM.; Europe.

"WE WANTED TO WRITE

us & writing it down. It has given us new hope in our relationship!"—P.AM. Europa.

"WE WANTED TO WRITE A SPECIAL NOTE OF THANK YOU for the beautiful Mags we've been getting. Personally we have appreciated the FNs more & more. There is so much bad news every where in the world as it begins to tumble & crumble that we have been eating up every word of good news, & the things the Lord is doing thru' His children, as even our 'little lights' seem to be getting thru' His children, as even our 'little lights' seem to be getting brighter & brighter in contrast. The FN is a very big encouragement & inspiration to us & really lifts our hearts. We very much enjoy reading the 'News Briefs' as well as the longer testimonies of the many many aspects of God's work & all the big & little miracles the Lord is doing everywhere. We loved your comments on 'What the Parents Say About the Davidito Letters'. They reflected such love & humility. We sure need a royal family & long live our king, queen, prince & princess & all your sweet & wonderful staff who work so hard! We can honestly say we have never seen a more wonderful, sacrifi- (cial & hard-working Home as yours!"—Emmanuel & Hannah.

Drug Addict Comes **Out Into** The Light!

A drug addict for 7 years now help-ing others out of their addiction!

(Excerpts of a newspaper erticle in "Kristelig Dagblad"; Denmark-- 28/9/79, written by Ann Lone Uhrenholdt. Translated from Danish by Priscilla.)

IT IS NOT GIVEN TO EV-

IT IS NOT GIVEN TO EVERYONE TO SAVE DRUG
ADDICTS. But Angelo knows how it should be done. But then he is rather special too. The 28-year-old Angelo has himself been a drug addict, or "junkie" as he says. But then he had a Christian experience. IT WAS MEMBERS OF THE FAMILY OF LOVE, before known as the Children of God, who helped him out of the gutter. The group, which has 8,000 members all over the world, was recently reorganised & had a change of name. "There are some negative vibrations concerning the Children of God, but then it takes some of all kinds," (he says.

YOUTH REBELLION of the
'60s." Angelo was thrown out
of one centre for drug addicts
after another, & was often sent
to youth institutions. The first
time he took a shot of the hard
stuff was in the communal contact centre for drug addicts.
"After this, one thing led to another & I got hepatitis. Several
times I was hospitalised because

Dear Sara D.
GBYI WE JUST MAILED
OFF THE "DITO INDEX" to you for approval. Last week the whole Home spent most of their time proofreading it, looking up references & checking them off the rough draft. So it was quite a job. I pray we spotted most of the mistakes. Zeb did some nice little artwork to make it. a job. I pray we spotted most of the mistakes. Zeb did some nice little artwork to make it more interesting & also for our own layout convenience. Now we want to do the Dito Letters as they come out so it won't be such a big job next time.—And we'd like to start the Techi Letters soon also!

KIDS KOMIX: We were so excited to get the phone call the other night telling us that the covers of the Kids Komix were approved & we were to colour them! Vol. 1 & 2 front covers are finished & the back covers will be real soon.

TAPES: By now you should have received for approval "No Matter How Small You Are", a tape of Granupa quotes in song! Zeb, Peul & Robyn did most of the singing on it, GBTI Baby Sarah was there most of the time also—so good, not making

a sound, just like she knows it's an important job & she needs to

a sound, just like she knows it's an important job & she needs to be good.

PROJECT PLANS: Terry & it will be working on the Childcare book project, doing the corrections of the items you have sent back. Paul will be working on the Kid's Mag, & Zeb on parts 3 & 4 of "Tom the Gangster" so that the Vol. 2 Kids Komix will be complete. Ben is working on transcribing tapes of "7000 Years of World History—The Dark Ages" & putting together quotes & working on Paul's research material that he did a couple of years ago. He is now typing up the quotes for the first rough draft of this class.

SEAN'S BROKEN ARM: Dan, Zeb & myself were on a visa trip. On the way home on the bus I had a dream that Paul told me that Sean-8 had broken his arm. I prayed for all the children back home & did not think about it again until we got home, & that is the first thing I was told!

SEAN HAD BEEN CLIMB-ING UP THE SIDE OF THE HOUSE Off the big dining room & reaching for the fruit of the tree, which he knew he should

not do, when he lost his balance & fell, breaking 2 bones in his right arm. While Paul got a splint & bandage, TERRY STARTED TO

this time with Sean going over
all the verses & Grandpa quotes

good & brave, hardly complaining, even tho' he had to lie still
on a stretcher the whole time.

"WE SOLD 2 OLD RINGS FOR A TOTAL OF \$152. After tithing we were able to send \$60 to Bithia in Europe with 5 children, & with the remainder we got some survival things. The day we got Bithia's money off to her, we got around \$300 in the mail! So we were able to pay on a debt that we have, TTL!"

"WE WOULD LIKE TO ADD THAT WE FEEL MANY OF THE VICTORIES WE GOT this month happened because we were faithful to bring in all the tithes. The Lord opened the windows of Heaven & poured out a blessing that we soon won't be able to hold. "FINISHED A NEW SONG TAPE OF 30 SONGS IN GER-MAN! The other day while litnessing I saw a beggar who looked pretty honest & in need, so with my first donation I decided to give it to him. Litnessing was tough that day so I really prayed over it & asked the Lord to bless & supply our needs as I had helped supply the beggar's needs. Well I forgot the incident until later that evening I met a man who said he didn't think much of Christianity & the church. He said, 'You're supposed to be a Christian. Tell me, what would you do if you saw a beggar?' I told him what I had done that morning & he what I call real Christianity! Here is 5DM!(10 times the amount I gave the beggar!)"
—Jordan & Sharon.

"THE LORD MIRACULOUS-LY HEALED AN INFECTION which had persisted for over 4 months. I didn't believe it was God's will to stop breastfeeding to take heavy medication, tho' other medications had failed. After reading Grandmother's testimony I claimed God's healing by faith & He didn't fail! I was healed overnight! PG!"—Daniel & Claire; Iberla.

"AFTER DESPERATE PRAY-**ER WE DECIDED WE MUST** START SENDING IN NAMES of sheep we know here for the Mail Ministry. We've talked about this before with all here & no one thought it wise to do in our selah situation because people might connect. But we per sonally feel it's worth the risk & at that it's not really that much of a risk. If they're really sheep they wouldn't be so all-out to harm us even if they did find out. They need the Word & I know the Lord will protect us!" -Miguel & Ruth; S. Amer (Amen!-GBY!-Dad.)

"TAKING A FIRM DECISION TO WANT TO BE LIBERATED without reservations from the homosexual tendencies that have followed me stubbornly even tho' I wanted to hide them from myself & from others, I fasted & prayed for 4 days. Thank the Lord for my wife who helped me so much in those moments of fighting & praying together with me. What the Lord has given me now is the power over it to conquer it because I have completely submitted myself to Him. It's not a permanent victory, but with the grace & power of Jesus I continue fighting & winning. I hadn't thought of giving public testimony of this as I was ashamed, but I received the verse 'If thou shalt confess with thy mouth the Lord Jesus...thou shalt be saved.' (1 Cor. 10:9.) The Lord told me I had to give testimony of what Jesus did for me, so as to be saved & to help, encourage & inspire others. TYLI' -Rafa & Michelle; Iberia.

Josue stepped into the crowd & with the boldness of Peter & John grasped the hand of the man who was the center of attraction, Adolfo Suarez. Then Henry Kissinger says, "Well, I'm the smartest man in the world so I've got to have a para-chute too." So he grabs one & jumps. Then the missionary turns to the hippie & says, "Well son, I'm an old man & I have faith in the Lord. I'm not afraid to die. Here you take the parachute." "WE SPENT QUITE A BIT OF TIME WITH JEANNE MANSON while she was here doing a show. We were pretty disillusioned with her as she seems to be in pursuit of fame & has left the Lord out of the picture. We arranged 2 interviews for her, 1 on TV & 1 for our MWM show, during which she was asked questions which she could have at least given a message of God's love but completely blew it off lifting up the love of man. She was sweet to us, tho' on a very superficial level. Altho' she did not turn out to be as we'd expected, the Lord used her to open a door for free passes to all the shows

RESPONSE TO "YOU ARE WHAT YOU READ"

RESPONSE TO "YOU ARE WHAT YOU READ"

I FEEL I SHOULD EXPOUND ON MY REACTION TO "YOU ARE WHAT YOU READ" as it seems that the pursuit of written worldly knowledge has become popular among a segment—of the Family. I only wish to share with them that.

DURING THE COURSE OF 22 YEARS OF EDUCATION at some of the best American & universities, resulting in 2 degrees, & siter nearly 10 years working at high-level system jobs that required continuous reading in fields as varied as philosophy & anthropology, that part of me that really counted was as empty as when I started, even emptier it seemed, for all that knowledge had only made me that much more sware of the vacuum in my life, as most of the gifted without when I seemed for the really counted to the progression of the gifted without when I seemed for the vacuum in my life, as most of the gifted without when I seemed for swill care.

would write incessantly only about that same void in their lives. IT BECAME CRYSTAL CLEAR THAT ONLY GOD COULD FILL IT & relieve me of the frustration—& sometimes I would put down some books in rage because it was obvious that the authors were deliberately avoiding that same conclusion; they were consclously misleading their readers into a circle very much like the one made by a dog chasing his own tail. JUST BEFORE MEETING THE FAMILY & THE LORD I had given up their high-falutin' crap, but needing something stimulating was beginning to take up writings on the occult. TTL I was just then introduced to the Bible & the LettersI—Where at last I found the clear cry of truth & salvation, the no-holds-barred unmasking of demonic intellectual trips which cater only to one's ego. MY DEPARTURE FROM THE FAMILY WAS SOME-WHAT LOST from my own sight by all the events surrounding Rachel, Timothy & co., which occurred almost at the same time. Having seen first-hand the manifestations of their attitude, it did not surprise me too much to see them drummed out of the corps, much like what had earlier happened to Jethro & Isaiah & clique in Latin America.

lack of faithfulness to the Lord's
Work. Our problems are solved!

From Ivan; Russian Lit-Pic:
Dearest Dad,
FOR YOUR ENCOURAGEMENT, altho' you've probably
already noted it, the "Americans Abroad" move is a real fitting fulfillment of what the
Lord showed you in "The Exodug" dream (No. 783)! Para. 13:
"IT WAS SORTA LIKE WE

Para. 17: "We escaped ... by flying away in that big airhigh!" Para. 31: "The new land looked like a jungle, a virgin rain forest!" Of course, Latin America is known to have the world's largest jungles!

"SORT OF LIKE NOAH'S ARK, TOOI" (para. 32.) "By faith Noah, being warned of God of things not seen as yet, moved with fear, prepared an ark to the saving of his house." (Heb. 11:7).

Maybe that's like the folks who will be fleeing by ship!
"AT OUR FIRST OPPORTUNITY TO ESCAPE, WE SEIZED till" (para. 35). "You gotta forsake all, sometimes, to escape ... an escape ticket can be more priceless than the junk you're carryingl—All your baggage & stuff!" (para. 39). "We took a tremendous leap forward onto that ship of God's help & sailed away with only a few more swamps to cross & jungles to go thru' till we reached the Promised Land!" (para. 42). Halle-lujah! I love you, —Ivan.

WELL, THANKS TO THE
CAMPING LETTERS we decided to break out of our routine & hit the road. After working at various teaching jobs for
a year & a half in a large S. American city in a closed country,
we wanted a change!

Try to make friends with your neighbours &/or the campgrous caretaker to keen an even you wanted. neighbours &/or the campground caretaker to keep an eye on your things when you're not there. We had a small stove stolen when we carelessly left it out one morning. If possible get a tent that can be locked (a small lock can be placed thru' the 3 zipper rings on the front door). A GOOD WITNESSING APPROACH: When camping near a city or town, set up camp & get a good meal! Visit the local radio stations for interviews (& songs if possible). Tell them a-

This can all come across very naturally & most radio stations will enthusastically receive you as a special guest (especially if you're a foreigner). GO DTD TELLING PEOPLE ABOUT YOUR RADIO SHOW, how you're a Christian & you're always trying to tell others about the Lord's love. In this way you can avoid being categorized as a member of some particular religion, & the people will warmly receive you, especially if they've heard you on the radio. We almost supported ourselves just thru' singing & DTD for 3 mos.! VISIT A COUPLE OF HOS-PITALS OR LOCAL ORPHAN-AGES. NOT LONG AFTER WE
STARTED PROVISIONING,

NOT LONG AFTER WE STARTED PROVISIONING, the Lord miraculously provided a beautiful farm not far from all the Homes with a big field, big garden, fruit trees, heating & cooking possibilities using wood & coal etc.—Just what we had sked Him for, PTL! SINCE THEN MANY BROTHERS & SISTERS HAVE COME OUT to help with the different work around the house it it's wonderful to see how this project is uniting us all so much more. The Homes are continuing to help financially & otherwise & we even received the help of another provisioner. The list of provisioned items we have received so far would be too big to mention here, but the Lord has supplied for many people in just 2½ months.

ABOUT 8 MONTHS AGO
WHILE STILL IN BOLIVIA we ABOUT 8 MONTHS AGO
WHILE STILL IN BOLIVIA we began praying desperately for the Lord to show us His will for us. Many of our doors there seemed to be closing.—The television show on which our children had been singing bi-weekly was suspended, & altho' they wanted us to continue singing on a new show they were planning, it kept getting postponed. Also our 6 months of rent-free housing were coming to an end & we had nowhere to move to nor sufficient funds to offord to rent a place. And with 5 children & 1 on the way we were having to evaluate our situation.

WE HAD A BURDEN TO RETURN TO ANOTHER COUNTRY where we had spent a month prior to the RNR & had seen it was a very potential field for a children's singing ministry as well as a mobile ministry. A FEW DAYS LATER THERE WAS A COUP IN BOLIVIA followed by a week of confusion with everything closed down, soldiers & tanks everywhere, shootings in the streets & threat of civil war. We talked to my parents by telephone & mentioned our desire to go to another country, & the following night

BEFORE CHRISTMAS & launched into a full-time ministry of singing & litnessing with the children, mainly in restaurants & shopping centres. The Lord added 2 on-fire little girls to our singing group, the daughters of a couple who opened their Home to us. One day we sang in a textile store & the owner gave us enough material of our choice to make matching singing dresses for all the girls. On Christmas Day the children were able to do a show in a hospital, winning souls & distributing literature.

AS TIME WENT ON WE BE-

AS TIME WENT ON WE BE-GAN TO PRAY ABOUT GET-TING MORE PERMANENT VI-SAS to enable us to stay here. You can stay a maximum of months as a tourist, renewing

your visa each month, after which you need to leave the country. In the past we would have left the country & re-entered again as tourists, but we were finding it increasingly difficult & expensive to travel with 5 children & one on the way, & they warned us also that the borders were tightening up considerably in an effort to keep out foreigners trying to come in to work.

WEWERE TOLD THAT WE WOULD NOT BE ALLOWED TO RE-ENTER AS TOURISTS. When we enquired about getting a long-term visa, we were told that it was extremely difficult to get but the fact that I was expecting a baby was the key, as according to their laws they have to let you stay if you have a child here. The advice we received was: Wait until the baby is born & then on apoly

THE BABY ARRIVED UNEXPECTEDLY A MONTH EARLY, but thank the Lord was healthy, a beautiful little girl. However when we went to register her they refused saying that a new law had been passed that only babies born to parents, who were "residents" of the country could be registered as nationals.

WELL, "IT TAKES AN IM-POSSIBLE SITUATION FOR GOD TO DO A MIRACLE" & thank God He did the seemingly impossible as a few days later we were singing with the children & witnessing at a birthday party in the home of our new neighbours. When they found out about our problem they said, "Don't worry, we can help you." It turned out that the mother is the head of all the birth registry offices in town & a few days later she got our baby registered as a national & we had the birth certificate, TYJI

FAMILY When Is A Closed **Country Not Closed?!**

From Cyprus & Riphath; S.A.: Dear Dad & Maria, WE'RE WRITING BECAUSE

WE'RE WRITING BECAUSE WE HAVE A QUESTION correning our field here. We arrived in this country about 14 months ago. We understood this & hoped that we would be able to FF & witness despite the closed conditions.

ONE HOME OF 3 ADULTS

camping out, witnessing, passing

on the radio. Another Home
started litnessing shop-to-shop.

We & another Home put up a soul chart & by going out to parks daily, passing out lit & witnessing the Lord gave us over 200 souls in a month. It seemed the more we did the more we saw we could do & the more we felt we had been working in the system too much! We never had one bad incident or run-in with the authorities.

parks daily, passing out lit & wintessing the Lord gave us over 200 souls in a month. It seemed the more we did the more we felt we had been working in the system too much! We never had one bad incident or run-in with the authorities.

WE WERE ESPECIALLY CONVICTED WHEN WE SAW OTHER RELIGIOUS GROUPS openly passing out their lit & wares. One North American Mormon missionary recently told us that this is the most fruitful field for the Mormon Church in the whole world & that they win an average of 2,000 new converts por month here.

ONE SUNDAY AFTERNOON WE WENT TO A LARGE PARK to witness & pass out lit in a "se-lah" way. There we saw the "evangelistas" passing out tracts & shooting without shirk. By the time we left the park everyone of the 1000's of people there had a tract from them. We felt like we had been crawling across the ice on all fours when we suddenly saw a team of horses pulling a load of pig iron across the same ice!

You are neglecting the Word of God, failing to 'go into all the world to preach the Gospel to every creature' & finding it easier, safer & more lucrative to support yourself with a system job. So

watch out!: God has ways of spanking you for your failure to witness & litness His Word, & you may find your System job is not as safe & easy as you thought it was doing to be, & may cost you more than it pay, if it compronises your testimony & reduces your witness!"

SOME VERSES WHICH
HAVE HELPED US, convicted
us & motivated us are John 21:
15-17 where Jesus asked Peter
3 times if he loved Him & each
time told Peter to "feed My

a part in doing just that, for as
Dad said:

WHEN THIS ADMONITION & WARNING CAME OUT late

They did a good work & the Lord really blessed their efforts, but then it became apparent that in many areas we were duplicating efforts with them & that one central ministry dould be formed which would handle all Mail Ministry & reporting, both IRF & TRF, as with Letter No. 810 there was now no distinction between "regular" to the Spanish speakers who read Spanish only." "There are so many who want the Word: Backsliders, homegoers, furlough-

& they come out regularly with the English. We try to get out as much of the original material as we possibly can, for we know this is what will feed our sheep the most & help them grow & stay in unity. Carmen's father bought us a good second-hand car which we badly needed, & the Lord supplied a good new typewriter which has much more versatility for our mail ministry than we ever before dreamed possible. (Our old IBM just broke down after 12 years of service!) The Lord is also working in our lives, teaching us lately more love & consideration for others to go along with our service!

WE ARE SO THANKFUL FOR OUR WONDERFUL WORLDWIDE FAMILY & for WORLDWIDE FAMILY & for this opportunity to serve you & the sheep in this capacity! We wanted to end by saying we feel we have only begun & we have a lot of challenges & goals ahead to try to attain to get out more lit & serve you better. Witnessing in the Caribbean!

From Zephaniah; Caribbean pioneer:
I'VE LIVED IN THE WEST INDIES FOR NEARLY 15
YEARS, worked on them & pioneered many of its islands in the nearly 8 years I've been in the Family. I wanted to share some of my experiences & observations of these wonderful places.

A 20-MINUTE BOAT RIDE TAKES YOU TO ST. THOMAS, a tourist paradise like the Riviera. The streets are lined with gift shops mostly run by rich Jews & the beaches have luxurious hotels on them.

IN THE VIRGIN GORDA, ow a month, which is pretty long for our constant witnessing & its small populace of 5-7,00. Most of the people there are living under the delustive doctrine of the devil's eternessing but we never stayed longer than a few days at a time, since we could litness to the whole populace of about 20,000 in that time.

TORTOLA IS THE MAIN IS-LAND OF THE BRITISH VIR-GIN ISLANDS. It's free to lit-nessers & there are so many doreful people. The Baptists took us in & gave us housing during our first stay in 1973, but in a later visit in 1975 we lost some of them as believers, tho' not as friends, when we handed out "Israel Invaded".

We lived on the French side in a town called Grand Case with a wonderful lady who fixed our meals & did our laundry as unto the Lord. When we'd thank her or try to help her, she wouldn't let us take her blessing & said she was doing it for the Lord & not us. WE HITCHED TO THE DUTCH SIDE every day to litness as it is more populated & richer with tourism as its big income. At first we were stopped from litnessing but later given a permit after the officers read "Who Are the Racitss". Most all the islanders are Black & many are becoming more & more aware of the greedy whites be who are changing some of their islands so radically with their "progress" & tourists. It's a good place for litnessing if you can obtain permission, but the population is small & you'll burn it out before long.

WE WON A DISCIPLE ON THE ISLAND OF ST. KITTS when we were there in 1973-Just in time too, as the immigration people had to ask us to leavenot for litnessing but because the churches were sending him petitions asking us to leave. They really got upset because of "Holy Holes"! There are about 37 different Christian denominations on that island of 17,000.

ON THE ISLAND OF ANTIG-UA, we met a man who rattled off a list of names as long as

whole populace of about 20,000 won the disapproval of the true sheep. We reulation of 175 & no electricity or roads is beautiful for a free day if you like to sail over there.

He found it & I saw 2 \$5 bills & a bit of change. I thought: If he wants to give us a bill it will have to be half of his money, which I thought was too much for the poor man. Not poor at all! He was rich in faith! He gave us \$10 & said, "This is for me!" as he pocketed the 30 cents. He was so wonderful to behold & an inspiring sample.

What Kind of Van Should We Get?

Some things you should know before you buy!

Nathanael & Shalom;

From Nathanael & Shalom; Europe: WE'VE BEEN LIVING FOR 1½ YEARS IN OUR VAN & now a van-caravan combination travelling thru' Germany, Yugo-slavia & Greece, & we're sold on the advantages of a van over a car-caravan! Here are some reasons why: 1. YOU CAN DEFINITELY CARRY MORE WEIGHT such:

CARRY MORE WEIGHT such as survival supplies including fuel & water etc. 2. If the roads you'll have to use aren't too you'll have to use aren't too good, like in most countries outside Northern Europe & North America, it's quite a strain on a trailer. Just going with our little trailer thru' Yugoslavia already did a little damage to it. I personally wouldn't advise travelling long distances in underdeveloped countries with a stellar May traillare and's builte.

important point to consider if you want to go to places like the Far East or South America.

3. LIVING IN IT OUTSIDE A CAMPGROUND: From experience we must say that you can get away with it much easier in just a van than with a caravan in which you are so much more obviously "camping". A van is more solid than a car & therefore safer in times of riot, looting etc.

looting etc.
BUYING THE VEHICLE: BUYING THE VEHICLE: Get the right size in the first place! How big is your family now & how big could it soon b with added (k) new disciples, mates etc.? Can you stand up in it? We lived in one for a fev nths where you couldn't &

boy you feel like in a cave or something after a while! Try to get one hit anough to stand up in if you want to turn it into a home. How much can you load into your van according to the car papers, & how much will be left after your furniture, interior work etc.? Check the road clearance (distance between the vehicle body & the road). Most trailers & even the modern ready-made mobile homes nowadays have very little road clearance, so when you go on bad or even non-paved roads, you have trouble. Dual wheels in the back or possibly 4-wheel drive can be a big help in underdeveloped countries. Vans with 4-wheel drive are more expensive tho' & under normal conditions you can do without it.

VAN OR BUS? One consideration is if you get something too big you'll never be able to move it when the gas runs out one of these days.

DIARRHEA	from A Handbook of
As we do not have	Natural Remedies. rhea is the opposite of constipa

tion, with constipation, you	can't get started. With diarrhea

Diarrhea is no joke, as anyone who has had it will testify. It has been grimly nicknamed by tourists-who are particularly susceptible to it, especially while traveling in foreign countries-as Turista, or Montezuma's Revenge (Mexico), Delhi Belly (India), and most recently by the medical name Giardiasis (Russia). (More about this last one later.) But diarrhea can hit you in your own country, even in your own home, which is not news to you.

When diarrhea strikes, most people are not only taken by surprise; they are not prepared to deal with it. How often have you said, "Oh, what was the remedy for diarrhea I heard about not long ago?" but in your understandable state of agitation, you can't remember it. So keep this chapter in mind as a handy reference for the future ... just in case.

Sometimes you will be able to choose the right remedy on the first try, if you will do a little self-searching of what you have been eating, drinking, or breathing. Otherwise you may have to go down the line of remedies, one by one, by trial and error until you find it. So before you begin, it is a time-saver to know what can cause diarrhea.

Causes of Diarrhea

Diarrhea usually means that there is something taking refuge in your intestinal tract which shouldn't be there. It may be due to "something in the water"-most common in foreign countries-but with the influx of pollution in our own country, not exactly unheard of here. The peculiar thing is that in most foreign countries, the natives do not suffer like the tourists. In India, for example, the natives seem to be immune to whatever may be in the water, whereas non-native newcomers, even those who have lived in India for some time, are felled by one misstep. They can boil their drinking water, or use water putifying tableto

He mixed a second glassful in the same way and gave him two teaspoons every five minutes. From the third glassful he told the doctor to take one small swallow every fifteen minutes. The doctor recovered and ate his supper. In these days of chemicals in and on everything, you really have to be a detective. But the search may pay you valuable dividends.

Dysentery

Dysentery, although somewhat similar to diarrhea, is a different ailment. It is considered an infectious disease, often spread because of poor sanitation and perhaps characterized by ulcerative inflammation of the colon, sometimes causing bloody stools It can be caused by a certain bacillus, or by a protozoon, as in amoebic dysentery, which is often picked up in foreign countries and may hang on for years. This is a case for the doctor since it may be serious. However, one report states that 500 mg, of Vitamin C in combination with other treatment used daily by the Russians "rapidly eliminated the clinical symptoms of severe dysentery, led to more favorable progress, and shortened the duration of the illness."1 Irwin Stone, who reports this study, comments that if as little as 500 mg. daily could produce such improvement, megavitamin doses could do still better.

see if you pick up any herb book. One, cavenne pepper, also known as capsicum, can be sprinkled on juice or tood or put into an empty capsule. It also acts as a vermifuge if parasites or worms have caused the diarrhea. Cayenne belongs to the paprika family and is rich in Vitamin P, another name for the whole Vitamin C complex, or bioflavonoids. But it has additional values.

As stomach soothers, as well as to help allay the diarrhoa itself, comfrey (which is mucilaginous), slippery elm tea and arrowroot dissolved in water have been used. 3. Loss of body fluids leads to dehydration.

4. Most important of all, minerals are washed out of the body:

-Iron loss, if the diarrhea continues, can lead to ane-

-Too much calcium loss can lead to softer bones and

teeth, irritable nerves. -Magnesium is washed out of the body, cauting ner yous conditions. Magnesium supplements can help here (See your health food store)

-Potassium is eliminated, one of the most serious effects of all. Potassium regulates muscle contractions necessary to stop the onrush of the aitment. Its lack creates a condition somewhat similar to a train minning downhill without any brakes. Extra potassium is called for immediately. (Ask your health store or druggist)

-Sodium is lost. One of the first symptoms of the loss of sodium is a weary, "washed-out" feeling. According to John E. Eichenlaub, M.D., this can and should be corrected as fast as possible by taking extra salt (whole sea salt from health stores is best) added to drinking water. Eating salty foods will also help, he says.2

In addition to replacing lost minerals here are some diarrhea remedies which have proved helpful:

Acid: The late D. C. Jarvis of folk medicine fame has stated that germs or baoteria cannot live in an acid medium He advised his patients to add two teaspoons of apple cider vinegar to a glassful of water whenever there was a question of safety of any food to be eaten. He tells of people who are the same food at some church supports and large picnics where food was prepared in advance and kept warm or unrefrigerated for unlimited time. Those whom he had taught to drink apple eider vinegar in water did not contract diarrhea. Others did. Apple cider vinegar can be used as a prevention, but Dr. Jarvis also used it as a remedy, once diarrhea had taken hold. In one case he used it successfully for another doctor who was stricken with diarrhea plus vomitine, at a medicel convention. From a

One product found invaluable because it adsorbs (draws out) toxins and poisons from the intestines is a clay gel. I know a doctor who travels and lectures extensively. He feels it is not safe to travel without this type of product these days.

The use of clay water, taken internally, explained in the previous chapter on constipation, has been found to eliminate parasites, amoebic dysentery, as well as diarrhea. It is a simple, yet powerful remedy. It also adsorbs and eliminates toxins, parasites and poisons from the body.

John E. Eichenlaub, M.D., recommends the well-known products from the pharmacies which contain kaolin and pectin. He warns not to buy those compounded with antispasmodics, which he considers dangerous.*

Other remedies which have been proved effective by doctors are carrot soup, bananas, turmeric powder, carob, and certain vitamin supplements.

Carrot soup was used by a Swedish doctor, P. Selander, M.D. who also reported excellent results from Germany, France and Belgium. An American doctor, Carl I. Thenebe, M.D., treated diarrhea and enteritis in hospitals and homes of 600 sufferers with good results in every case. He also used it successfully with acute colitis. The explanation for the success of the carrot soup makes sense: it supplies water to combat dehydration, replenishes sodium, potassium, phosphorus, calcium, sulphur, magnesium, supplies pectin and coats the intestines to allay inflammation. It checks the growth of barmful intestinal bacteria and prevents vomiting. It is especially good for children. Here is the recipe:

One pound of carrots cooked in five ounces or more water until soft. Strain the pulp or blend in a blender and add boiled water to make a quart. Add % tablespoon sait (very important for providing sodium). Give small amounts every half hour. Improvement is usually noticed

Bananas have replaced the old home remedy of scraped apple Studies have shown that children treated with mashed bananas recovered faster than controls who did not take bananas. The explanation is that hananas contain pectin and encourage the growth of beneficial bacteria.* Recently, however, many find themselves becoming allergic to bananas. This problem is explained later, with a solution.

The use of carob flour for diarrhea in both children and adults has been nailed as one of the greatest antidiarrheal steps in recent years. Studies show that one to five doses of carob flour added to hot water (it tastes like chocolate) controlled 60% of infectious diarrhea and 95% of noninfectious diarrhea. Recovery time was definitely shortened to

Turneric, a yellow vegetable powder used as a condiment in India, was tested in one study of thirty patients with diarrhea. Diarrhea was checked in twenty-two of the Datients within seventy-two bours 11

patients within severity-two hours.
Boiled milk has long been a standby for diarrhetic babies, but Boston's Children's Hospital now frowns on the practice,
whereas doctors at Duke University Medical School highly recommend acidified milk such as yogurt, or lactic acid buttermilk, for controlling diarrhea and dysentery for both adults and children.
This is probably the greatest remedy of all for several

This is probably the greatest remedy of all for several reasons. The soured or cultured milks help overcome disturbing intestinal flora, and re-establish the benign or friendly flora, which in turn helps the intestines to help themselves. The acid in the soured milks also fights germs and bacteria. If taking small amounts of yoguri or lactic acid buttermilk does not bring desired results fast enough, a stronger, but safe product can speed the results: acidophilus, found in liquid form at health stores. It contains millions of live friendly bacteria which go to work immediately to stop the growth of dangerous bacteria. One takes it in juice or water every little while. Wanning: if a doctor must resort to an antibiotic, which is sometimes necessary to avoid serious weakness, yogurt or acidophilus must be taken simultaneously or as soon as possible. Antibiotics do indeed kill tenacious germs in the body, but they also kill the friendly intestinal flora. European doctors understand this and prescribe some form of soured milk or acidophilus simultaneously with the antibiotic.

She wrote, "It has been found that far greater quantities of all nutrients are retained if large meals are eaten instead of small ones, even though hearty meals may make the diarrhea temporarily worse." The foods need not be smooth or low in residue, she said, but merely as rich as possible in vitamins, minerals, oils and proteins. Yogurt and acidophilus should be heavily relied upon. as

well as digestive enzymes with bile, hydrochloric acid and lecithin until the purrefactive bacteria are under control.16

As for allergic diarrhea, watch the effects of what you eat (see chapter on allergies).

To remove sprays and other toxic poisons from food, use the following safe water bath to cleanse them. (Strawberries in my area have been doused with arsenic. Bananas are gassed, so any suspicious foods should be treated.)

Use 1/2 teaspoon of Clorox to one gallon of water. In this low concentration it has been tested for safety for ten years.

For thin-skinned fruits and vegetables, place in this bath for ten minutes. Root vegetables and heavy-skinned fruits, including bananas with skins, require fifteen to twenty minutes. Make a new batch of the mixture for each category. Transfer to a fresh water bath for ten to fifteen minutes before using or refrigerating food.

minutes before using or refrigerating food.

There is absolutely no bleach aftertaste. Fruits and vegetables actually keep longer; witted ones become crisper. One couple driving from Texas to California several times a year carried their own food with them. Before they learned about this method of treatment they had to discard the fresh food before they reached home. After treating the food by this method in Texas, it was still firm and fresh by the time they reached California. Other friends who travel in foreign countries take a small bottle of this same Clorox and add one drop to every glass of drinking water for decontamination. They have never acquired diarrhea, whereas others around them were stricken.

Otherwise constipation and an under par feeling may continue indefinitely.

One of the causes of diarrhea can be intestinal parasites or worms. A very recent report¹⁴ states that hundreds of Americans and others who have drunk tap water in the Soviet Union have come home with an intestinal parasite infection, called Giardiasis. This ailment differs from other diarrheas picked up by foreign travelers, in that it does not begin until the traveler returns home and can last for months. Although it is true that certain drugs can kill this and other types of parasites (in this case, the drugs atabrine or flagy!) most people who take worm- or parasite-killing drugs wish they hadn't. It can be a horrific experience, believe me.

There is another natural remedy, used by scores of medical doctors, ¹⁶ which has controlled diarrbea and dysentery of various origins as well as routing parasites. This is garlic, whether fresh, in powder, tablet, or perle form. It is a powerful, natural, effective but harmless antibiotic, and aids digestion. Eleanor Roosevelt even took it to improve her memory! It is available in tablets or perles at health stores. "Social" garlic, which is odorless, is also available, although whether it is as effective as the natural, I do not know.

As for supplements, the late Dr. Tom Spies, of Hillmar Hospital, Birmingham, Alahama, treated diarchea— which in some cases is an early symptom of pellagra—with niacin a B vitamin. Diarrhea was often reversed within a week Adelle Davis stated that she had seen many cases of diarrhea which had lasted for years clear up in a day or so with a daily natural source of B vitamins (brewer's yeast and liver) plus 100 mg. of niacinamide, which does not cause skin flushing. She added that Vitamin B.6. folic acid, magnesium and calcium are also necessary for those prone to diarrhea.¹⁸

The old diet during or following diarrhea was usually tea and toast. Avoiding solid foods, drinking bland liquids, water and weak teas, followed by bland solid foods (nothing raw) was the order of the day. No longer! Adelle Davis

A final remedy for diarrhea has been handed down by our great grandparents: blackberry wine. One or two 2-oz, glasses of the wine for adults, and smaller amounts for babies, have been said to stop the diarrhea in an hour. A pleasant remedy, worth a try!

Linda Clark's <u>Handbook of Natural Remedies for Common Ailments</u> (published 1976 by Pocket Books, NY, USA) provides commonsense answers to questions about the disorders that afflict so many of us. An invaluable guide that belongs in every home.

TO THE FAMILY IN BRASILI

I WAS JUST ASKING THE LORD WHY THE FAMILY IN BRASIL HAS SO MUCH TROUBLE RECEIVING THEIR MAGAZINES, either the Government stopping them or the postmen confiscating them. It same to me how come in general. postmen confiscating them. It came to me how come in general they have been such a mess spiritually & how they really have not been what they ought to be, not being a very good representation of the Family, not winning the kind of people they should, not living & witnessing as they should.

WHEN THIS HAPPENS, SOMETIMES THE LORD JUST WITHHOLDS THE WORD. (Maria: First they had a big persecution last year. Now this year

they're not getting their Magazines.) Well, I don't think I'd even live in a country where I couldn't get my Magazines.
AND IF THE CAUSE IS GOVERNMENTAL PERSECUTION, I don't think they ought to be witnessing in such a country, the people don't deserve it.

TION, I don't think they ought to be witnessing in such a country, the people don't deserve it. They've got to get out, if the Lord rejects the country. When are they going to learn that? When you get to the point where you get severe persecution, it's time to quit & get out, flee the city! (See Nos. 125, 379,758.) WE'D BETTER WARN THE PEOPLE WHO ARE NOW GOING THERE that they're not going to be able to get their Magazines in Brasil. Any country where they can't witness & there's that severe governmental opposition where they can't even get their Magazines thru' the mail, then I think they ought to get out.

the mail, then I think they ough to get out.

BUT MAYBE THE POSTMEN ARE STEALING THEM

& reading them. Maybe it's a real witness. You know, everything costs money in those countries. Even a magazine is worth something. If they're not really getting severe governmental persecution now, it's possibly not the government's fault. It might be just the postmen them selves are just stealing anything that's valuable that comes thru' the mail. Since it's in Portugues & they can read it, then maybe they enjoy it.

[MARIA: THEY GET THEIR

& they can read it, then maybe they enjoy it.

(MARIA: THEY GET THEIR OTHER MAIL but they don't get the Magazines. Some of them do, but we've never had a country or a situation where it's been that bad, not even any-where like it.) Well, that's Brasil, honey. We've had that problem in African countries but on a small scale because we didn't have so many people there.

ALL BRASIL IS AN AFRICAN COUNTRY, really. It's an African country where they don't hesitate to steal, & in general they're pretty wicked &

cruel & dishonest. If there's not any severe persecution to stop their witnessing, I wouldn't say they should get out.

BUT THEY'RE PROBABLY GOING TO HAVE TO GET THEIR MAGS SMUGGLED IN by people in the Family from other countries or something. Maybe their VSs are going to have to distribute them. Have them shipped or mailed thu' some other country or printed right there.

THEY COULD TAKE THEM AROUND like they did in Paul's day. They sent them by special courrier & messenger. It took a long time, but they sent letters around by people who were going that way. (Some of our other places do it that way.) Where there's a will there's a way. If they're faithful to the Lord, the Lord will do it & figure out a way. Family, please pray for the situation that it will be resolved soon. Love, M&M.

A Plea To North Americans!

Flee as a bird! Go by faith!-God will bless it! How one family did it!

From Job & Mary St. Francis;

Mexico:

WE WANT TO SHARE OUR
TESTIMONY OF ALL THE
MIRACLES the Lord did as
we obeyed & fled the U.S. It
all started about 3½ years ago
when Jethro asked me to come
back up to Texas from Mexico
City to raise funds to help support the office in Peru. At first
mally murmurred in my heart
about this as I was really in love
with Mexico & the sheepy people
& to go from Mexico back to
the U.S. seemed like a night
mare to me. Anyway, I really
prayed & the Lord gave me the
grace. But I remember Faithy's
exact words at that big meeting
In Mexico. She said,
"ANYONE GOING BACK TO
THE STATES HAD BETTER
REALLY STAY IN PRAYER!
We don't call it 'America the
Whore' for nothing you know!"
Little did I know it would take
me 3½ years to get back out of
it! I'm not saying God made a
mistake. It wouldn't have my
beautiful wife & happy little 10month-old boy if I hadn't been
there. But I met her 2½ years
ago!

ALL WE SEEMED TO DO
THERE WAS MAKE MONEY
TO GET OUR NEEDS! And
you know what!—We never really did get all our needs! Like
that verse in John 6:27: "Labour not for the meat which perisheth" (which is what we were
doing, trying to get our needs,
getting things for ourselves).
It's so comfortable in the States!
You can park your trailer almost free in most places, plus
we'd receive foodstamps mothtly. But I went thru' some periods of too much drinking thereiots of too much drinking thereiots of too much drinking thereiods of

& physical battlel
THEN ALONG CAME THE
BOMB "AMERICANS ABROAD" I The next day we
packed up & split to California to see my 70-year-old motheer. Well, the Lord really blessed the whole trip fantastically!
We provisioned all our gas &
food, literally hundreds of dolars worth. We visited several
Homes on the way & saw that
many brethren seem to be
e stuck in a rut, many with neither a vision for a refuge or a vision to fiee! They're all great
brethren but it seems like they
just take the Warning Letters so
lightly! Plus there are many
brethren still in California, even
after all the Letters & warnings
about that area!
ANYWAY, MY MOTHER
WHO ONLY RECIEVES SOCIAL SECURITY, had saved
up \$300 to give to us. I bought
new tires & air shocks with that.
Then we went down to San Diego to litress up more needs &
try to get a welfare grant of
\$400, but we just didn't feel
right in that area with that fast
confusing city spirit.
THE LORD TOLD US TO
GO TO THE DESERT. So we
went to a little town that I had
pioneered about 6 years ago
with another brother, & God
just blew our minds! In less
than a week He supplied even
more than the welfare was going to give us, just thru! litressing! Many souls were saved &
we met many new friends &
supporters.

WE MADE THE MISTAKE
OF NOT SAVING UP OUR
10% DALLY as we were relying on the welfare. So we litnessed it up in 2 days & just as I
mailed lit off & stepped out
of the post office! said to

Many, "Well honey, we're broke! Praise God!" Right after I said that a Christian man walked up & talked to us for a while, invited us to his church & gave us a \$20 donation on the spot without our even asking!—Like an angel sent by the Lord to bless us for sending our %!

WE WENT TO HIS CHURCH & IT WAS AN ON-FIRE CON-GREGATION! The preacher was really radical. At the end of the service I stood up & gave our testimony of what we were doing & how we were leaving for Mexico the next day with or without money. And lo & behold, they took up a collection for us amounting to over \$100! One lady even said she'd support us down here. They had so much love they broke our hearts & made us cry. Well, we were able to get practically all our needs & took off.

WE FOUND PROVISION-ING GAS ETC. EVEN EASIER IN MEXICO than in the States, & we provisioned everything all

WE FOUND PROVISIONING GAS ETC. EVEN EASIER
IN MEXICO than in the States,
& we provisioned everything all
the way down. It's a 100% victory being out of the States! TYJI
We found that when we quit trying to raise all those funds to
leave & just got out, God supplied everything! He just honours our pioneering faith!
NOW THAT WE'RE OUT OF
THE "FOREST" WE CAN SEE
THE "TREES" AGAIN, & we
urge any brethren in the States
who are trying to get out to just
break away from the luxuries &
colour TVs & GO by faith! "As
they went they were healed"
(Lk. 17:14)! God will bless your
faith as he did ours. "Flee as a

old folks home. They were so thankful, & the nurse said she hadn't seen the old folks so happy in months.

BY WHAT THE LORD IS DOING in our new lives with Him! It all began when we read "Millions of Miles of Miracles". It so encouraged us that we were not all "washed up" but merely going thru a stage & some life-changing lessons!

THE LORD SHOWED US TO "TAKE A STEP in the direction He said to go" & that He would guide us step by step. So we began to get our passport forms etc. SINCE THEN IT'S JUST span to get our passport forms etc. We obeyed & became so excited to see what the Lord did! We felt that the most important thing was to stay close to the Lord, in His Word & be faithful to witness & get the Word out, & He would not fail us.

SO WE BOUGHT A 2ND.
HAND TENT TRAILER, hitched it to our van & became mobile. We started out at a Family reunion in a provincial campsite.

Three families showed up & we took all 14 children to sing at an old folks home. They were so thankful, & the nurse said she hadn't seen the old folks so hap-

But the Lord turned the District
Supervisor of the School Board
in our favor as his wife had been
educated thru' correspondence
as a missionary's daughter in
the South Pacific. So he has
offered to supply texts for us
at no cost!

AND FINALLY, JUST A
FEW DAYS AGO we stopped
at a gas station to fill up & Caleb
met a woman who asked where
we were headed. He explained
that we were missionaries on
our way eventually to South America but that now we were
raising fare. She responded by
whipping out \$60 from her

children then went into the adjoining cafe & sang for her &
the other customers.—And so
it's been!

We pray this will encourage oth

New Love, New Land!

From Matthew Artist; Caribbean:
AFTER NEARLY 5 YEARS
OF MARRIAGE I lost my wife
to the System, & I knew I would
never be fully happy in His Service unless her love was replaced
with a new one. I tried for several years to find that one. As
a last resort,
I PLACED A MATE WANTED AD that appeared in Mag 2

ed" to be together. Tho' I was in Europe I believed God wanted this union.

WE CORRESPONDED INTENSELY FOR ONE WHOLE YEAR, knowing that God would work it out for us to get together, especially as she has 5 little prophets to care for all alone, ranging from 3 months to 7 years. Occasionally she was helped by other brothers, but mostly by Fish whom she was FFing.

DURING THAT TIME I WAS SERVING THE LORD in Greece, Switzerland, France & the U.K., living by faith litnessing, FFing & drawing portraits of people in many places.

WHEN I READ "AMERI-CANS ABROAD"—BOOM! I knew I should leave Europe & make my Great Escape to the Caribbean & Rose! So I flew to the Caribbean wis Miami (it's the cheapest way from England). I GOT HERE AT THE HOTTEST TIME OF THE YEAR, both climatically & politically. In the capital political violence

I GOT HERE AT THE HOTTEST TIME OF THE YEAR,
both climatically & politically.
In the capital political violence & murder were rife. I felt "revolution" in the air! After the bumpiest bus ride of my life! was finally united with Rose & children who were living amidst God's beautiful creation by the sea SO WE 7 BECAME A NEW HAPPY HEAVENLY HOME!—At least for 3 days when Rose had to go abroad for a week to renew visas, & I suddenly became Daddy for 2 of the children, Benji & Talitha. Believe me, to become a Daddy of 5 kids overnight, having been footloose & fancy-free, is about my biggest revolution, & I'm thankful that I'm so privileged. It's so so rewarding & fulfilling to see God's little children grow in Him! They are already good soul winners, provisioners & win people's hearts left, right & centrel

ANOTHER ADVENTURE
BEGAN when Rose returned, &
we found ourselves sitting in the
path of the world's 3rd largest
hurricane ever, Hurricane Allen!
Oh my! There's never a dull moment in His Service!—Ha!
WELL, IF LELAND VALENTINE COULD DO IT so could
wel So we decided to sit it out.
The kids loved that story immensely, & they slept all night
very soundly, after prayer & a
spoonful of honey as a sedative!
About midnight the winds came
& lasted about 4 hours, followed by about 8 hours of torrential
rain. All the big trees around our
house fell, but not on us! Some
of our roof disappeared & soon
the rooms got flooded, all except the kids' bedroom! So
Rose & I moved in, ha!

Testimony & Responses to Latest Letters from a new WS Personnel!

verses just leaped out at me.—I know the Lord was using them to speak to me: "Brethren, I count not myself to have apprehended: but this one thing I do, "FORGETTING THOSE THINGS WHICH ARE BEHIND, & reaching forth unto those things which are before, I press toward the mark for the prize of the high calling of God in Christ Jesus" (Phil. 3:13-14). So I know it's going to be a new beginning & I really appreciate your helping me make it. I CAN'T TELL YOU HOW THANKFUL I AM TO BE BACK & how much I appreciate your concern & prayers! It's like a little bit of Heaven on Earth here with the sweet fellowhip & loving brethren. PTL!

MY "FORSAKING ALL" TO RETURN TO FULL-TIME SERVICE for the Lord was probably a bigger testimony this time than the "original" time, & had quite an impact in San Jose. I'd just gotten my Costa Rican residency (after 1½ years of working at it), a raise & a promotion. (I was in charge of data processing for the largest investment house in Central America.)

SO WHEN PEOPLE HEARD

SO WHEN PEOPLE HEARD
I WAS LEAVING ALL THAT,
it was a real opportunity to witness, & I got to minister to many people I'd never reached before.
Two girls who worked in my office took me out to supper & wanted to know all about my

"LOOK BEFORE YOU

GRAKYITT'S TRULY LIKE
A LITTLE BIT OF HEAVEN
here & I'm so thankful to be
here I I know it's going to be a
big change in my life & I hope I
can be a blessing.
I WAS READING ON THE
PLANE OVER & the following
verses just leaped out at me.—I
know the Lord was using them
to speak to me: "Betteren, I
count not myself to have appre-

been wasted & that he thought is was doing something really worthwhile. He said that he thought to help & he may become quite a source of support, since he's worth well over half a million new dollars!

I THINK MY FORMER BOSS TOO MIGHT HELP with some support. He's a Christian & be-ACK lieves in sharing his wealth, which is much of it. He paid my way here to the States & back when I went to the States & back when I went to see Liz, & gave me a month's pay when I left. God bless him. THE LORD ARRANGED IT: R. SO THAT I WAS ABLE TO DIY WITNESS to everyone I thought ian was sheepy, even at the airport or you. Aid to Costa Rica (I knew I), him from having done his tax renturn) & was able to share with him for about half an hour before I left. Hallelujahl I'VE SPENT THE LAST COUPLE OF DAYS JUST RESTING & READING THE NEW LETTERS. WOWI What a blessing! I'VE SPENT THE LAST COUPLE OF DAYS JUST RESTING & READING THE NEW LETTERS. WOWI What a blessing! I'VE APPRING THE NEW LETTERS. WOWI What a blessing! I

the "gringos"!

"PESTS": I thought this was a very important Letter! They sure do abound in Central &

South America, & they come in all sizes, shapes & varieties! We've Yound that it's a good idea to have the house or apartment you're moving to furnigated before you move in. Many times the landlord will do this for you, or at least shift the cost.

fore you move in. Many times the lendlord will do this for you, or at least split the cost.

WHEN YOU DO MOVE IN, YOU HAVE TO BE VERY CAREFUL TO STAY CLEAN, especially in the kitchen area, or you'll soon be overrun with varmints again. I've spent about half my time in some Homes cleaning up after brethren who were "too busy" to do it themselves. This brought on the rosches & the ents, & once you had'm it was almost impossible to get rid of'm.

THESE SAME HOMES THAT HAD PROBLEMS WITH CLEAN-LINESS & the resulting pests, also had some of the greatest problems with poor health & afflictions. So cleaniness is a big part of Godliness!

"VIDEOS" was interesting, & I thought it had some good guidelines on what to watch. Since being in Latin America I've rarely had a TV.—They were expensive, the programs were usually bad & the language hard to understand on top of it. But I went to see a lot of movies, & in most to see a lot of movies, & in most countries (Peru, Ecuador etc.) movies average about 50 cents or "IF GOD SHOULD GO ON STRIKE"

so (Venezuela & Costa Rica are more expensive). It keeps the poor happy! They're usually (al-most always) in English with Spanish subtitles. I was excited to see the video & selection of

than just waiting to have faith when they get to the field. (Jobs in Costa Rica on the average pay less than welfare in the States. My job was a big exception to the rule!)

"COMMON SENSE LIT":
This was good!—The right Letter in the right place has a big effect! A couple of months ago! gave copies of the "Inflation or Deflation" Komic to my co-workers in the office (an investment co.) & they said it was probably one of the best explanations of economics they'd ever seen. My boss liked it too, PTL!

"SEX JEWELS": Thank God for the freedom & honesty here! I think this Letter will help a lot of us to be freer, & I know it really helped me. Can't wait to read "Heavenly Houris" I TYJ!

I WANT TO THANK YOU ALL AGAIN for your love & prayers that pulled me thru'. I really see the Lord's hand in the events of the past few months & am so happy to be here! The "cares & troubles of this world" had become a real burden, & I know that only my return to full-time (100%) service could have set me free. Thank the Lord for His Infinite love & mercy! God bless & keep you all! Much love in Jesus,—Oshea.

"IF GOD SHOULD GO ON STRIKE".

"IF GOD SHOULD GO ON STRIKE"

How good it is that God above has never gone on strike Because He was not treated fair in things He didn't like. If only once He'd given up & said, "That's it, I'm ithrough! "I've had enough of those on earth, so this is what I'll do: "I'll give my orders to the sun: Cut off the heat supply! "And to the moon: Give no more light & run the oceans dry. "Then just to make things really tough & put the pressure on, "Turn off the vital oxygen till every breath is gone!" You know He would be justified, if fairness was the game, For no one has been more abused or met with more disdain Than God, & yet He carries on, supplying you & me With all the favors of His grace, & everything for free. Men say they want a better deal, & so on strike they go, But what a deal we've given God to whom all things we owe! We don't care whom we hurt to gain the things we like: But what a mess we'd all be in, if God should go on strike!—Anonymous.

QUESTION: "I may be wrong, but Dr. Turtle with all his theories on playpens, harnesses, schedules, babies sleeping in a different room etc. seems to me to be very far from Dad's spirit that we see in the Letters. If I'm wrong let me know.

Thanks."—Maggle; S.E. Asla.

ANSWER: TTL for Dad's spirit & Maria's sample! As Dad has said, we have to choose the good & eschew the bad when reading system books. We don't like Dr. Turtle's ideas on a strict feeding schedule either & rather leave it to be decided between each mother & her baby. The reason we did recommend Dr. Turtle's book is for the emphasis he puts on the mother's rest & the satisfaction of baby. He also gives helpful advice for parents-to-be WLY!-Dora.)

THIS MONTH I RECEIVED A CHECK FOR \$500 from a car accident I was in. We decided to send it all to W.S. because we owed some back tithes from reports that didn't get thru' Well, then we decided to get a few needs & send in the rest. The Lord wasn't too pleased about the decision because less than 2 hours later I either lost or had stolen \$200! Boy, did we get desperate, especially when we read 'Irf'ers Beware'. So we sent in all our remaining money & one of the brother's whole pay checks, & it equalled exactly the tithe we owed. It really made us feel so good to give, a real relief actually. Now 2 it seems that the Lord has given us so much more financially. more than we've had before. "THE LORD SHOWED US HOW WE CAN BE MORE EFFI-CIENT IN DONATING to the mission field. When we put aside our 10% in a special envelope, we have another envelope in which we put 5%. Thus at the end of the month we have a goodly amount which we've been sending to 3 or 4 families which we've 'adopted' in S. America. Dearest Dad & Maria,

GBY! WLY SO MUCH! You mean more & more to us all the time & the precious words the Lord gives us thru' you are ever more meaningful & needed. We wanted to tell you of some things the Lord is doing in our lives. It has been difficult, & yet somehow we feel it is a blessing in disguise & that "out of what seems like defeat come some of Thy greatest victories", Praise the Lord!

DAUGHTER, BECAME ILL with a high fever. Dina recov-

wild a fight lever. Dina recovered in several days, but Job's condition became very serious & was finally diagnosed as meningitis. Job's hospitalization was quite a fight of faith for us & a huge text, especially as I was due to give birth to our 6th child in 3 weeks.

THE LORD WAS SO MERCIFUL & KIND TO US & led Lee to keep us all in her Home. The brethren there all wanted so much to help us, even at great sacrifice of their personal plans. In fact, all the Homes in the city have helped us so much, either with the children or with donations by which we could continua to support our family, God bless them!

bless them!

IT'S JUST SO WONDERFUL
TO HAVE A FAMILY like this,
not only to help with the physical but also to be such a spiritual
& emotional support. I don't
think I could have made it thru'

think I could nave made it and this without them. DURING HIS 1-MONTH STAY IN THE HOSPITAL, I GAVE BIRTH TO OUR 6TH CHILD & first son. Justin David was born on August 11th after a very quick birth. Lee was with me. He was our first born in a hospital, so I

was so thankful to have someone with me in Job's absence. The baby was so becutiful, & I was elated to have a son. It really meant a lot to me.

HOWEVER, THE NEXT MORNING THE DOCTOR DETECTED A SLIGHT HEART MURMUR. He hoped it was only a transitional problem & north and the was a little pale & less responsive than normal in terms of crying etc. The doctor came & spoke to me again that the baby's condition was worse & that the murmur was louder. He knew something serious was wrong & that the babby would need to go to the children's hospital.

IT WAS A TERRIBLY PAIN-FUL TIME FOR ME, especially, as I was away from Job & the Family. I could only keep in touch by phone. It was also difficult to be in the hospital, as they didn't give me the baby very often. I wanted him so badly & there always seemed to be a reason why I didn't get to have him, even when the other mothers did. I was heartboken at the time, but I now look at this as part of the Lord's mercy because it kept me from becoming even more attached to him than of course I already was just in carrying him, giving birth & having him with me a little.

THE DOCTOR WAS VERY KIND. He asked about our financial situation & I explained our work & he said he would do his best to arrange the baby's care for free (the delivery had been donated). The baby was then transported in an incubator to the other hospital.

TWO HOURS LATER THE DOCTOR PHONED that the baby's condition had already de-

SEEN HIM but I chose not to.
Dad, I knew he was going to be with the Lord & seeing him more would only make it harder for me to give him up. I also did not want to see him looking ill, as he was becoming pale as the life was leaving his body. I knew I would have to let him go on & to go on ourselves for the Lord. I was already so attached & in love with him, & it is the hardest thing to forget his flesh. &-blood presence. The Lord reminded me of the cows lowing after their calves in Samuel. It is so amazing how the Lord prepares us so totally for motherhood—our bodies, minds & spirits are so totally prepared to care for our baby that it is so shocking in every way to have to leave them. I felt so empty.

DEAREST DAD & MARIA SEEN HIM but I chose not to.

taily prepared to care for our bay that it is so shocking in every way to have to leave them. I felt so empty.

DEAREST DAD & MARIA,
I HARDLY KNOW HOW TO EXPRESS ALL WE HAVE FELT & learned & are still learning thru' all this. It has been 3 weeks now since the baby's birth & it is easier now to speak of it. I want to say that in all of this the Lord has surrounded us with such mercy & tenderness. We are, of course, heartbroken, but we feel so much peace from the Lord that it is somehow part of His Plan & preparation for the future & that, altho' it is very painful, He has so surely allowed this in love. The verse came to me, "The wind bloweth where it listeth & thou hearest the sound & thereof, but canst not tell whence I to come?"

listeth & thou hearest the sound thereof, but canst not tell whence it cometh & whither it goeth" (John 3:8).

IT'S LIKE WE CANNOT SEE THE EXACT REASON why the Lord allowed all these things, but we could see the effect it was having in our life & in the lives of others. Also John 12:24 —our little "corn of wheat", our son, was somehow going to bring forth much fruit. Already the testimony of his departure has influenced so many lives.

AS YOU TOLD KEREN & VINCE ABOUT "SAYING THRU" THE TEARS, the Lord giveth & the Lord hath taken ad way", when we have shared this with those we have been in contact with, I'm sure they will never the state of the s

to our nearts, attno we don't have the same ministry. One thing that came to Job about the baby was that perhaps the Lord felt that at this time & in the future we already had so much to take care of & that it was somehow the Lord's mercy to take the baby from us, altho' we do not understand exactly why or how.

PERHAPS ALSO I WAS PER-SONALLY DEMANDING TO eHAVE HIM, in my heart, as you suggested to Keren. I wanted a son so much. We are almost postitive he is from a Fish. The way the whole thing happened, I believe I know the moment, & although I asked the Lord to let it be a son only if it was His Will, I wanted it so badly that perhaps He gave me my beloved little son only to take him back & therefore accomplish something far better in our lives.

Please tell us if the Lord shows

you something about this.
WE WERE AT SUCH A DE-CISION POINT ALREADY in you something about this.

WE WERE AT SUCH A DECISION POINT ALREADY in our lives, seeking the Lord for His direction in our lives at this time, especially in light of "Armericans Abroad". By letting Job become so ill, the Lord stopped us in our tracks & has thus given us far more time to pray & rest than we have had for years. In the light of the light

"EUROPC ON \$15 A DAY" by Arthur Frommer.

IT MAY BE HARD TO BE.

LIEVE THAT THE CONTENTS

OF A SUITCASE CAN AFFECT

YOUR TRAVEL COSTS, but they do vitally. People who carry heavy luggege & a complete wardrobe to Europe or anywhere will end up spending a great deal of money unnecessarily.

A LIGHT SUITCASE MEANS FREEDOM. To emerge from a train or a plane in a new country with bundles & boxes in every hand means porters, tray; cabs & that the 1st hotel you pass must be the hotel in which you'll stay. To jaunt along with a light suitcase it to avoid all these costs & allows you to use buses instead of cabs, & to make your hotel choice slowly & carefully. With all the increase in mobility & decrease in fatigus that a light load entails, you can simply walk out of overfy expensive hotes to seek more economical loadings.

DONT SNEER AT THIS DONT'S NEER AT THIS DONT'S NEER AT THIS TREEDOM. A traveller whose arms are bursting from their sockets with weight is a prisoner. It costs him precious dollars & tring effort simply to get from train to hotel, & move around. Remember that however heavy your suitcase may have been as you left the U.S.; it'll be twice as heavy sty you go along.

PLACE THE GARMENTS INTO YOUR SUITCASE IN THE SHAPE THAT THEY SHOULD BE in with buttons loosely buttoned, top & bottom, except for men's jackets. These garments should be placed in alternate piling with the top of one piece of clothing used over the bottom of the other.

FINALLY, CONSERVE
SPACE & don't let anything go
to waste. A handbag should be
jammed with small articles, sho
jammed with socks etc. One
packing method which I've never found satisfactory is the use
of plastic bags to compartmentaalize the contents of your suitcase. But some lady travellers
swear by this system, the theory
being that you should have a
different plastic bag for each
category.

ODDS & ENDS

LAUNDRY: Since you will probably be doing your own leanning, you must take at least one plastic bag with zipper for carrying wet clothes or wash dothes from town to town. Also recommended is Wooliter or some other cold water scap. To repeat a point along this line that cannot be over-stressed: INVEST HEAVILY IN DRIP-DRY SHRTRS & UNDERWEAR—the type that can be washed in lukewarm water & hung up overnight to dry. Eliminate the clothes that require fancy cleaning & isundry, be continually inconvenienced & end up in the worst nightmare of all, lugging around a suitcase full of useless dirty clothes. HERE'S HOW TO DRIP-DRY: You'll get best results with clothes that are really dripping wet, the theory being that the weight of the water "irons" the clothes. But even if you can't enjoy the luxury of heavily wet & dripping clothes, you can still do well if you remember: Il Separate the material so the back does not cling to the front. 2] "Handiron" the material—smooth the garment out or puff it out from underneath in those areas where it might wrinkle or bunch up. Always button the top buttons & put collars down in the custom ary shape. Take a few extra seconds to perform these simple tasks & you'll nearly slawys enjoy better-than-average results. To DRIP-DRY IN A HOTEL ROOM THAT LACKS A PRI-VATE BATH or in a botel that has no laundry room, start by blotting up the excess moisture with a towel &/or spreed newspapers or pleasite sheeting below to catch the dripping.

We didn't have any fancy bands, only the soft loving hands & guitars & songs, particularly this year of the children, which had a tremendous impact. Our improvised "gypsy band" got on the main stage of the Festival & sang Family songs & a word of prayer & love, inviting all to come for free food to our tent. CLOSE TO 20,000 MEALS WERE SERVED as the Lord bountifully provided all sorts of wholesome food thru' the kind & generous giving of merchants whose generosity made us able to help & get in contact with so many needy young people.

The Fruitful **But Dangerous** Ministry of "Invading The Churches"!

Report from a North American VS team!

From Andrew & Mary:

WE ARE STILL INVADING THE CHURCHES, litnessing & working on various projects to get more prepared to leave the States. We originally came to this city because there were no Homes here & it was pretty much an open field. As we mentioned before, we have invaded the churches to such an extent that we are quite well known everywhere we go. This all happened so fast!

THIS CHURCH MINISTRY
HAS BEEN REALLY DIFFI-CULT because everything within us rebels at the way they do their little rituals & the fact that they, have to have their religious WE ARE STILL INVADING

their little rituals & the fact that they have to have their religious "fix" & meetings. But the Letters have given us the grace & strength to continue the bettle in this area & we have been so inspired & on-fire.

THE LORD HAS ACTUALLY GIVEN US A TRUE LOVE for many of these "mentally handicapped Christians" & the grace to love them where they're at because some of them really do love the Lord & witness a lot. So we're trying to meet them on love the Lord & witness a lot. So we're trying to meet them on their level & at the same time the Lord has opened the doors for us to feed them so much. Everything we feed them is straight from the Letters, just without the label! We don't know what we'd do without the Letters—they are spirit & they are life! TYJ!

American VS team!

WE HAD OUR FIRST OFFI-CIAL "CHURCH OF LOVE" during which we sang songs & read the Parable of the Sower & exhorted on it. We had a total of 9 visitors & 2 souls got saved as a result of our efforts, PTL!

WE HAVE SOME REAL
SHEEP ON THE LINE who call us almost daily for counsel & prayer & instruction, & we really feel if we handle things right they'll become full-time disciples eventually. We have been fellow-shipping quite regularly with several churches, both Protestant & Charistmatic Catholic. One church has asked us to become youth pastors & has taken up love offerings for us on 3 different occasions. We've met some really precious souls with the promise of support from a couple of families when we leave for the field. We made contact with these people thru' the Full Gospel Businessmen in town.

OUR "PET PROJECT" IS A

MEXICAN-AMERICAN FAMI-LY from a Charistratic Catholic Church. We go over once a week, at least, to their house & Mr. M. comes over quite often during the week for coffee & fellow-ship. He of all our contacts is our most favourable. His wife is a real saint & really hears from the Lord. The reason we like them, too, is that they're not as conservative as others & are much more Spirit-led. Since meeting them, we've led their

oldest drug-using son to the Lord & the Holy Spirit, & his wife as well. She is a real sheep & wants to serve the Lord full-time. Also, Mr. M. has been so convicted by our sample that he's cutting down on his business & selling almost everything so he can have more time to serve the Lord. He is also very much in love with Claire. He's given us around \$300 & as a result the Lord has been blessing him more financially. He is a regular supporter & is growing more all the time. We are able to sit around with his family several times a week & share, & of course what we share is straight Mo Letters, only undercover! It's so exciting & rewarding!

THEN THERE'S ANOTHER COUPLE FROM A PROTEST-ANT CHURCH who has latched on to us. She comes from a strug beground & prison the treath of the straight was the share is straight with the share is straight to be some from a strug was the share is the share is the share is straight with the shar

It's pretty humbling to admit how cliquish we've become in the Family.

ONE MAN IN PARTICULAR whom we'd been laughing about because he was such a systemite when he praised the Lord & prayed such churchy prayers, came over one day unexpectedly & gave us \$20, a bag of sandwiches & shared for almost 3 hours. Come to find out he's our age, has 8 children & lives completely by faith & doctrinally believes in post-Trib rapture, the fall of America, salvation, being filled & witnessing with all his might & serving the Lord full-time! His background is almost like ours. We all decided that he's really just becoming one with the churches in many ways, because he's really a radical at heart! Talk about humbling! We learned our lesson well! Hal AS FAR AS OUR VISITATIONS ARE CONCERNED, actually very few have asked for visits because they're mostly mobile now! Another factor we wented to mention is that the Home in a nearby city closed down & there are now about 10-15 different families in this area, & we've been running into litnessers at every major intersection. All of these brethren are mobile, but from what we have heard from reliable Family members,
THE MAJORITY OF THESE BRETHYENDE

Family members,
THE MAJORITY OF THESE

short weeks they have gotten the general public pretty upset. They cause they evidently have been seem to be mainly out on the streets for the money & get out very little lit, which we feel is very sad & a bad testimony for the Family. They first ask for a donation for "an orphanage in Mexico" or a "toddler school in Mexico" or many times just ask "please help" & never give the lit away without a donation & even then many times don't give it but make the people take it out of the donation can that's thrust in the car window or if the person asks for it. We have been their tactics. Watching them from the sidewalk we see THEIR MAIN MOTIVE IS TO MAKE MONEY—& boy, do they make itl—Most of them make close to \$100 a day with an average of only 150-200 pieces of lit out in 6-8 hours. We don't want to be completely negative, because God bless them for working so hard out in the hot sun But our team litnesses every week also & it has made it very difficult for us because the Family is getting a very very bad name & regarded as rude hippie types. We do feel the Lord is blessing them financially because He wants them out of the States, but we are very saddened to see their e poor sample.

IT HAS CAUSED US TO
QUESTION THE SPIRITUAL
CONDITION of many of the
other families around because no
one else seems to be offended
by this at all, so it seems that
shis is the general accepted testimony around here, as we've
heard of some other very physically dirty families as well. One
family has had a long history
since the RNR of using dope &
mild hallucinagenic drugs.
Their names are Noah & his wife
Mary & 2 other wives with about
6 or 7 children living in a converted school bus.
IT'S NOT THAT WE DON'T
WANT TO VISIT THESE FAMILIES because we hope that we
would be able to help them.
But at this particular point, because of our contacts & supporters being who they are (one of
the main ones being the President

in town who is really a systemite & of course hates the Family) we are really having to be careful.

MANY OF OUR NEW COM.

TACTS & FRIENDS HAVE
BEEN SKEPTICAL of our associations & even took Andrew aside one evening & gave him the "3rd degree". He was able to be truthful about our convictions & love for the Lord & told them we have fellowshipped with many different independent missionary families, different churches, Jesus People houses back in the early '70s, had a coffee house ministry in New York (the New York discol) etc., but without giving any names, & we have been scepted.

York discol) etc., but without giving any names, & we have been accepted.

OF COURSE WE KNOW THAT THIS POPULARITY IS JUST A STAGE & that it can't last too long. Already we had a close call when one of the couples from the main church we've been going to happened to pick, up one of these families on the 5 road during the hurricane scare & took them into their home. We got a call from this system Christian couple who said they had met some people who live just like us & are going to Central America, play music & witness etc. etc. We knew right away they must have picked up some Family members, & when this family got on the phone & talked to me they just went on & & on saying, "Have you ever heard of the FOL? You know Adam & Carmel don't you? Our names are so. &-so but our Bible names are such-such", all right in front of this system lady. It was a very close call & I had to play dumb & actually say "no" to a couple of his statements because it would've been all over for us & our supporters because of the general attitude of American conservative Christians towards the Fam. Cityl

WE REALLY FELT IT WAS

a WARNING from the Lord not to let our guard down for all one second, & the meaning of "be wise as serpents & harmless as doves" was really brought out! Our little team here all got together & we really believe that if these church elders found out our associations, they wouldn't hesitate to tar & feather us as being "religious frauds" because of their pledged support & the financial support they have already given us. They probably wouldn't hesitate to turn us into the authorities & try to take the children as well. WE FEEL THAT MANY IN IN THE FAMILY DON'T REAL-ISE THE DANGER in invading the churches & how important it is to "become new creatures in Christ Jesus". We read "Prayer for Protection" & we wish that more Family members would reread it & take it to heart personally. Paragraphs 6-11 are so so heavy!

ally. Paragraphs 6-11 are so so heavy!

THE LORD APPLIED A
LOT OF VERSES & QUOTES about "Don't Drop Out, Drop In" & many FF Letters to the church invasion ministry of ours. There are so many parallels. A good verse I found is 2 Cor. 6:3. "Giving no offense in any thing, that the ministry be not blamed." Also in verse 8 where it says, "as deceivers, & yet true". Also 1 Cor. 9:19-22 is so good & has been so encouraging to us about becoming all things to all men that I might by all means save some.

some.
ANYWAY, WE'VE BEEN SO
BUSY we've hardly had time to ANYWAY, WE'VE BEEN SO BUSY we've hardly had time to work on provisioning our needs, as our phone rings off the wall sometimes. We have been getting out an average of about 2,500 pieces of Jit each week & have won a little over 20 souls. The Lord is blessing us financially, slowly but surely, & we have been involved mainly in writing the Homes & being missionaries in our own backyard until such time as the Lord shows us specifically to leave the States. We still don't have tires, so we can't travel yet, but our mail to the brethren has been a blessing & we're hearing lots of inspiring testimonies from families of how the Lord is getting them all prepared to get out.

d testimonies from families of how the Lord is getting them all prepared to get out.

WE HOPE THAT THIS REPORT ABOUT SOME OF THE BRETHREN HERE isn't too negative, but we really do feel they need to be more security-minded. It's hard for a lot of families to get the vision when they get caught up in that "all things continue as they were" spirit of America. They really let it affect their vision of the changes in the Family.

ALL THESE NEW METHODS OF WITNESSING are just to get us prepared to be able to infiltrate & stay alive as long as possible, but so many are still into that old "hippie COG cult" image, it's pretty sad. It seems that so many are hanging on to "the bad habits & past sins of the former group" & don't realise "we're a whole new kettle of fish with a new name, new family, new policies & practices —totally new!" TTL for Dad & the Letters, for as time grows shorter they become so much more alive in every way. Love, Andrew & Mary. (P.S. They have some good long-time fruit from the churches, too—Zebulun Geppetto & his wife, our well-loved Family Care artist.—Maria.)

"Drop-In" Fruits!

From Ado Benjamin; C. Amer.: Dear Dad & Maria, BBYI I'VE BEEN WANTING TO WRITE YOU about how your Letter "Millions of Miles of Miracles" (No. 897) has helpof Miracles" (No. 891) has helped me. The part that really spoke to me was about your teaching experience in par. 71-86. Shortly after arriving here on this foreign field I got a drop-in job at a school as an English teacher. I too am teaching 7th graders (12-13 years old), a total of 240 students each day.

ALTHO' MY MINISTRY IN THE FAMILY FOR 7 YEARS WAS TEACHING at our various Family schools, this job has been an absolutely new experience for me. It isn't easy, but I'm learning a great deal from it. As a matter of fact, a few days before your Letter arrived I was really asking the Lord if He could have you write more about your experiences teaching junior high students. So when I came across that particular part about your teaching I was really excited to say the least! What an answer to prayer! IN MY CLASSES ITRY TO DISTRIBUTE AT LEAST 1

MO LETTER A WEEK which totals about 300 copies per week or 1200 per month. I use the Komix which are great for my students as I teach oral English & the Komix are simple enough for them to read, as well as learn new vocabulary.

The students like them & sometimes we read them in class or I assign a few short questions for homework to make sure they've read the story.

ALSO EACH DAY WE HAVE! A 'THOUGHT FOR THE DAY' written in English on the chalk-board. It is always a Mo quote.

We have a routine in class in which 2 students read the "thought" before we begin class Often it opens up into a short discussion about God, faith, love etc. Almost all the quotes I use come from Mag 18 in which the children's quotes are printed. These are short & simple enough for my students to

which the children's quotes are printed. These are short & simple enough for my students to read & understand.

OH YES, I'VE BEEN ASK-ED SEVERAL TIMES TO GIVE DEVOTIONS for groups of students & professors & to give the closing prayers in assemblies of over 1,200 students. So I am fairly well known for my beliefs. My guitar & singing has been a great asset in classes or devotions too. Recently I recorded several Family songs at the request of the Head of the English Dept. because she wanted to play songs for her students & let them write down the words from the tape as "good practice for listening skills"—& what a way to witness! This spread to many in the area & soon they were giving me boxes & boxes of good used clothes weekly. I took a few of them to visit the refugees, & some were moved to tears

rew of them weekly. I took a few of them to visit the refugees, & some were moved to tears when they saw the happy smiles & laughter we brought to so many faces.

ONLY WHEN I LEFT THE COUNTRY DID I REALIZE THE EFFECT I HAD HAD on these families. On my departure they said, "We will never forget you because you taught us to love again. We forget to love in this world sometimes, but you showed us how again. You were always happy & smiling when you came to teach. We will never forget you."

dealt with me. I broke when I
really prayed for Him to show
me about my half-hearted rebelliousness! When I really wanted
to know, He told me!

AFTER A MONTH OF ONOFF FASTING & the encour-

agement & prayers of a couple, Caniel & Crystal, who lived with me & stood firm with me in the power of God, I got a total deliverance by His Power! After many battles, breakings & weepings, many times alone, I got rid of my unyielded areas & the Lord gave me the Letters "The Rose", "The Phoenix" & "I Am a Toilet". It's so comforting to know you can never be too bad for Jesus & when I read how you failed at times, Dad, it encouraged me to attack, to keep fighting, keep learning keep growing & mostly keep close to the source!—The Words of David!

Well the children are getting stronger in the Word; the Lord has blessed me with a lot of songs & ideas. They've forsaken diapers, bottles, are learning to read, sing, play & laugh. They called me Mama last week, ran to me & loved me up just when I really needed to feel that His love was transforming their hearts & spirits as well as the out-ward appearances. AUSTRALIA

MINISTRIES POSSIBLE:
 Open field, especially good

for mobile ministries.
2. FAMILY NEEDED? There's

room for more.

3. VISAS: Mag 27 had a clear run-down of the requirements to get permanent residence. One factor that's really easy if you're single & interested, is to marry a

national, either girl or guy, which almost automatically gives permanent residence & even citizenship after a few months. This marriage doesn't have to be on paper, but they expect that you stay together—defacto or common law marriages are sufficient. It is even acceptable to be legally married to another person but separated for some time & having kids by the first relationship, then start a defacto relationship (become mated with) an Australia. That way, you & kids can get PR as long as you're sincere & obviously not a drain on society, but a regular useful citizen. So this field could be a possibility is to not even consider permanent residence, but stay on tourist visas (often 3 mos., then extend for another 3), then go to New Zealand for 6 months & do the same. Zig-zag in this manner is possible a few times, which could give 1½-2 years or so.

4. HEALTH CONDITIONS ok. 5. USEFUL INFO: One very useful piece of info is about tick sto out of the country. If you're coming from the States, if you get tickets thru' Australia & the go on to SEA with several stops, the mileage of each section of your ticket is a tiny fraction of what it would be if you had to pay sector by sector. Flight travel is gauged for the rich, so the further you go the cheaper each sector is. Alternatively, if you're coming from Europe, it's possible the main North & South Islands. (Here you can go North for the winter) Australia & M.Z. with onwards to the S. Pacific Islands would be miles cheaper than trying to get tickets to the islands after getting here. If it happens that plans change & the Lord doesn't lead you to go on further, you can ship the first person per winters of the proper son per on the tickets in, so that's something to pray about. Commonwealth citizens often get 6 months instead of 3 on entry.

ulations, so ministries & outreach have to be geared accordingly
All are fairly churchy & have
been missionised quite a lot. Things are slow moving, so you will probably have to take this into account too. Ff'ing has a into account too. FF'ing has always been really fruitful, & "invading churches" could go great! Each set of islands, however, has a distinctly different character, so it would be wise to get detailed travel books which expound on these factors to help you in your decision. The following points are just a brief guideline. Hope they help! WLY!

Childhood Diseases!

Compiled & Written by Thaddeus English

Summary & Introduction

1. Most childhood diseases are highly infectious—but only for a short time.
2. Early diagnosis can greatly reduce the effect & spread of the disease.
3. Isolation & sterilisation are important to prevent spreading.
4. Home & personal hygiene are especially important at this time.
5. Virgania C in Least 4.

5. Vitamin C in large dosages can help to cure any infection & fight inception.
6. The Open-Air Life is a great preventative of disease.
7. One infection usually confers total future immunity.

INTRODUCTION

INTRODUCTION

MOST CHILDHOOD DISEASES ARE COMMUNICABLE FOR
ONLY A SHORT PERIOD.
Therefore, it is important to establish when the child first showed the symptoms. Exposure to
a disease does not necessarily
mean a child will automatically
catch it, & not catching it does
not mean that he is immune. In
general, immunity is gained only by having contracted the disease or by immunization—which,
in some cases, actually causes in some cases, actually causes the disease it was designed to

the disease it was designed to prevent.
THESE DISEASES ARE ALL HIGHLY COMMUNICABLE AT ONE TIME OR ANOTHER, & as soon as the disease has been recognised the child should be isolated, & in most cases his eating utensits, clothing, bed linen & toys should either be sterilised or disinfected. Tissues should be wrapped in a plastic bag & either burnt or thrown in the dustbin.
HOME HYGIENE IS A VERY

dustbin.

HOME HYGIENE IS A VERY IMPORTANT FACTOR in controlling the spread of the disease

& extra care should be taken
when a child is sick. The toilet
should be disinfected after use.
Most diseases spread rapidly amongst groups in enclosed conditions—e.g. schools, public
transport or crowds. It is a case
of, 'That which cometh out of
a man defileth a man', as these
diseases are spread by breath, saliva, spittle or mucuous & articles

a man deflieth a man', as these diseases are spreed by breath, saliva, spittle or mucuous & articles soiled by them. Overcrowding, poor ventilation & low standards of personal, home & environmental hygiene aid in the spreading of disease.

IT IS NOT IMMEDIATELY APPARENT THAT A CHILD HAS CONTRACTED THE DISEASE since the incubation period delays the appearance of the symptoms. Early diagnosis is very important to prevent the spread of the disease & requires visignance of those who are supervising children & their being familiar with the symptoms. If only one child in a home has come down with a disease, this does not mean that the others will not mean that the others will not catch it—or have not already caught it. It could just mean that the sick child was exposed earlier than the others & thus passed thru' the incubation period earlier. The others, who may not have been exposed at the same time, could have caught the disease from the infected child before the symptoms became apparent but not yet be showing symptoms as it is still in its incubation period. This does not apply to all of the diseases, however, as the chart will make clear, & the sick child should be isolated until he is no longer infectious.

Some of those diseases are serious enough that if a child is not well or strong enough to resist the dismesse, it can permanently harm in some way, affect his brain, damage his eyes, or have other serious consequences, except for the Lord. And we can't very well expect the Lord's protection if we ourselves deliberately place our child in such danger. MASSIVE DOSES OF VIT-AMIN C ARE VERY EFFECT-IVE in the treatment of any in-fection. It is a natural antibiotic fection. It is a natural antibioti with no dangerous side-effect.

Recommended doses are 1,000 mg, every hour taken with a cal cium tablet to eliminate the ner yous reaction such doses can cause. This should be continued even for a period after the symptoms have subsided. This treatment has proven effective even in cases such as asthma, whicken now diphtheris have. make clear, & the sick child should be isolated until he is no longer infectious.

QUESTIONS & ANSWERS

Q.: RE: WHOOPING COUGH.
If my children have it & I go aione & visit other children, can

If my children have it & I go alone & visit other children, can I
give it to them?

A.: IT IS VERY UNLIKELY,
particularly if you have been
careful in your personal hygiene,
have not allowed your clothing
to become laden with the disease
carrying spittle from your child
coughing or sneezing. By not
hugging other children, you cut
down the already slight chance
of passing it on to almost zero.
(CAREFULI—IT MAY BE UNLIKELY, BUT IT DOES HAPPENI—& your child may be the
one it happens to! When Techi
was 6 months old, adult family
members who had just been exposed to a little girl sick with a
feverish cold, which was later diagnosed as measles, visited our

Home & held & played with Techi only briefly, but I week later she became ill with what the doctor said was measles! So take carel—& much peayerl—& during illnesses try to stay away from close contact with others unless absolutely necessary. Our Family policy is: If your children are ill, no visiting at other Homes or visitors from other Homes. If their children are ill, try to stay away from their Home. Since as a rule we do not accept the dangerous innoculations for these diseases, we may as a family have some incidences of these diseases that those innoculated do not. Therefore it is our responsibility to try to keep these to a minimum by having close contact with as few people as possible during any sickness of your family or friends. Avoid kissing others on the mouth, & follow other advice herein.—Maria.]

Q. If I visit another adult, can that adult then pass it on to a child?

A. Only one chance in a million. It is as close to absolutely not as can be.
Q.: How long after the children come down with it can they infect other people?
A.: They can infect others from just before the caterials stage to up to 3 weeks later.
From a week after the coughing

A.: They can infect others from just before the caterrhal stage to up to 3 weeks later. From a week after the coughing starts, the possibility becomes very small tho'.

Q.: How long after the kids come down with it could I infect another person?

A.: A lot depends upon your personal hygiene & the degree of close contact—hugging your child whilst he is coughing or letting him wipe his face on your clothes. The only way the disease can be spread by you normally is by direct contact on the same spot by both children within a relatively short space of time—definitely with-

in the same day. Hugging a healthy child just a few minutes after hugging a sick child is really asking for trouble but even so, after the end of the 1st week of coughing, the possibility is regarded as remote.

Q: WITH MEASLES or any other childhood disease, if 1 of my children has it & none of the other children get it & I have not been around my children as I am in another place, & then I am exposed to it & I return to see my children, can I re-infect my children, or are they now immunce since they did not get it when they were exposed to it the 1st time?

A.: The mind boggles! This question is dealing with 2 issues: transmission: This depends upon a lot of factors, as indicated above—length & degree of exposure, the degree of the child's infectivity (the stage of his illness), the time between exposure & seeing your children, whether you are still wearing the same clothes, have washed etc. However, the chence is slight to start with & all these factors make it less likely. Whilst not impossible, it is so unlikely that no one has any evidence of it actually happening. Immunity. make it less likely. Whilst not impossible, it is so unlikely that no one has any evidence of it actuelly happening. Immunity: A child does not become immune just from being around a sick child & not catching the disease. On the contrary, apart from having been innoculated, a risk in itself, the only way he would become immune is by catching the disease himself. The only exception to this rule is where someone has been continually exposed to very small doses of the disease over a period of time & has built up a resistance in degrees similar to the person who has had the disease & has built up a resistance in one illn...s with it.

O: If I have been exposed to measles & I visit with another

couple, can they then go home & give it to their baby?

A.: No. The chance is so remote that it becomes purely academic.

C.: If I am exposed to someone with measles & I am exposed to them while they have their fever, is it alright for me 7 days later or as long as they are infectious, if none of the other children in the Home have come down with it yet, to go visit someone or will it still be possible for me to expose them?

A.: The state of the other children is immaterial. From the onset of the fever to 4 days after the rash appears is the most infectious time, but having washed & put on clean clother, it is almost impossible to infect others—even if you hup them, which of course you should not, to be perfectly safe. It is direct contact to direct contact which can spread disease, & you have to be pretty well loaded with the virus even then by him having coughed, sneezed or wiped his mouth or nose on you.

Q.: If I have already had measles can it is the she extended.

coughed, sneezed or wiped his mouth or nose on you.

Q. If I have already had measles, can I be the carrier of the germ to some other child?

A.: Within the constraints outlined above, yes. Apart from that, there are no known carriers of measles; the virus is weshed off the outside & killed on the inside!

"Music With Meaning" began as our largest outreach in Asia & will soon reach the world!

The Early Beginnings!

From Simon Peter

From Simon Peter

Dear Family,
GBY ALL! WELL HERE WE
ARE ON THE EVE OF A NEW
& EXCITING WORLDWIDE
WITNESSING MINISTRY!—One
that has gone far bey ond anything that we could have possibly dreamed of as we sat under
the shade of a palm tree on a
beautiful beach in Goa, India,
Christmas Day 1976 and heard
the first "Music With Meaning"
programme wafting out of the
clear blue evening sky, transmitted to us from the tropical
island of Sri Lanka (formerly
Ceylon) 1000 miles away!

AS WE LISTENED TO THE
1ST 4 SONGS ON THAT 1ST
MWM SHOW—"My Love Is
Love" from the Paris Family—
"Alexander" from Jeremy Spencer, "The Road" from Chronicles, & Simon Black singing
"Born Free"—what a thrill we
had when we realised that these
Family songs, inspired by the
Words & the Love of God, were
simultaneously being heard not
only over the vast expanse of
India itself, but also across the
hugely populated countries of
Pakistan, Burma, Bangladesh & island of Sri Lanka (formerly Ceylon) 1000 miles away! AS WE LISTENED TO THE IST 4 SONGS ON THAT 1ST MWM SHOW—"My Love Is Love" from the Paris Family—"Alexander" from Jeremy Spercer, "The Road" from Chronicles, & Simon Black singing "Born Free"—what a thrill we had when we realised that these had when we realised that these Family songs, inspired by the Words & the Love of God, were simultaneously being heard not only over the vast expanse of India itself, but also across the hugely populated countries of Pakistan, Burma, Bangladesh & some of the Arabian Gulf countries too! What a miracle! What a vision! What a breakthrough! THE STORY REALLY BEGINS, THO', IN LONDON IN 1974 with a talk that Hosea gave on the potential of using the radio as a means of witnessing. Ho had recently been travelling in some of the North African & Third World countries certainly is an eye-opening ex-

Full of LOVE!

periencel
ONE OF THE FIRST THINGS
I NOTICED WAS PEOPLE!—
Multitudes of people—Here, there & everywhere at all times of the day & night. In fact, statistics show that in India alone 100,000 new people are being born every 3 or 4 days! So unless you're reaching them with the Message faster than that, you're fighting a losing battle, because they're being born faster than you're reaching ml INDIA, A LAND OF GROSS SPIRITUAL DARKNESS & very deep religious tradition, a land of poverty & over-population & seemingly insurmountable problems. The sobering thought was that we have the only answer to those problems—the Mo Letters & the love of Jesus!—But how to communicate it to them?
AFTER 9 MONTHS IN INDIA I WAS LOOKING FOR A STUDIO in which I could record some ML tapes, & the Lord led me to a sweet English missionary in Poona who let me use his facilities for recording.
He had not only a studio, but also a little office with 3 or 4

sionary in Poona who let me use his facilities for recording. He had not only a studio, but also a little office with 3 or 4 pretty. Indian secretaries busy writing letters & stuffing envelopes with Gospel tracts.

UPON ENQUIRING DEEPER INTO HIS MINISTRY I learned that he had dedicated his life to reaching just one State of India, Maharastra, where they speak Marathi, one of the many different Indian languages. Before coming to India he had learned to speak this difficult language fluently, & his whole ministry was one of making this radio drama programme about the life of Jesus in Marathi. He also in-

cluded his mailing address in his programme & had hired a team of secretaries to help answer the letters of the people who wrote. HE SAID THAT HIS PROGRAMME WAS BROADCAST ON THE ALL ASIA SERVICE of the Sri Lanka Broadcasting Corp. & could be heard all over of the Sri Lanka Broadcasting Corp. & could be heard all over Asia. We asked him how much his programme cost. "\$1500," he said. "What? Per programme?" No, for 52 programmes." It just seemed amazingly cheap to reach such a vast area & so many people for just \$30 a show! "BUT THEN, YOU'VE GOT TO HIRE YOUR MUSICIANS & your actors, & you've got to pay your secretaries etc., & it turns out to be an enormous expense," he said. Wow! Not with us! We have the music & the

us! We have the music & the secretaries & the Mo Letters & all the ingredients that could

all the ingredients that could make a really good radio show! AND AT THAT MOMENT, &AS I LOOKED AT THE MAP OF INDIA on the wall of his studio it seemed to light up & glow in the Spirit as if someone was shining a torch on it! At that thrilling instant it seemed just as

definite that we would be broadcasting our message from that
Sri Lanka station as if it was already done! PTL! And so it
was to be.

THE KQS APPROVED THE
FUNDS & we made the first 4
"Music With Meaning" programmes. (The theme song &
name of the show came from a
phrase in the song by Ammindab, "Learn That Your Soul Can
Be Free", which was one of the
favourite numbers at that time
that the Family was using in
school & singing programmes.)

NEXT CAME AN EXCITING
TRIP DOWN TO SRI LANKA
with Kenaz to book the programme on the air. We had made
the first programmes from whatever cassette tapes that we could
find on hand in the Home-copies of a copy of a copy! We were
so thankful when a few weeks
later the Paris Family sent us a
selection of 28 songs from different artists, & this tape became
the backbone of our musical material for the next couple of
years, along with some good
material from "Tender Loving

Care" & a few others.

FORTUNATELY, THE QUALITY FOR SHORTWAVE
BROADSTING doesn't have
to be too high, & so our initial
shows were not rejected because
of low quality as we feared they

THE MAIL MINISTRY WAS
GIVEN AN OVERHAUL by
Asher Vancouver, & now that the
was once again working on the
shows with a whole heart, an in-

shows with a whole heart, an increased vision & in the fear of the Lord, He really seemed to bless both the shows & the mail ministry with fruit like never before. In fact, things were going so smoothly that we couldn't believe it when—

so smoothly that we couldn't believe it when—
ONE MORNING IN DEC. '78
THE POLICE UNEXPECTEDLY
VISITED OUR FLAT & informed Asher & me that we would have to leave the country. It had nothing to do with the radio show, but the fact that we both were on record as having been members of a group that they were not too fond ofl—Hal Why was the Lord allowing this?—Especially after "Shtick"!

IT SEEMED UNBELIEVABLE VABLE THAT WE WOULD HAVE TO LEAVE THE COUNTRY where the MWM ministry was, & a field we had grown to love so much. The next 9 months we felt like we were in exile. Kenaz had suggested that I operate out of the small desert sheikdom of Oubai in the Arabian Gulf & continue to make & send MWM shows from there.

THIS INDEED WAS A REAL TEST IN "SHTICKING", to be separated from the mail ministry & my MWM co workers in India & not to be able to enjoy that direct inspiration of reading the incoming mail & seeing in person the direct fruits of the show.

IT WAS A LONELY 9 MOS. of trying to keep the vision & inspiration alive for something

I PRAYED DESPERATELY
FOR DELIVERANCE, that the
Lord would somehow miraculously litt me out of that dry
desert place, that Valley of Baca
that the Lord really used to
break me & get me to a point of
absolute desperation where there
was no other hope but in Him.
I CAN'T FIND THE WORDS
TO DESCRIBE MY RELIEF &
JOY when out of the blue one
evening Faithy called on the
phone from Greece & invited
me to come. It was cold waters
to a very dry & thirsty soul! I
was so happy to go, & altho' I
didn't know how I was going to
be able to continue MWM in
Greece, I had the faith that somehow the show would go on!
AND SO I ARRIVED IN ATHENS IN OCT. '79. What a thrill
to see at the airport Faithy's
beautiful smilling face! And so
in the coming months began
the preparations & gathering of

that no one else in the field really had the vision for. A brother I had known from England had just arrived in Dubai at the I same time I had. He had experience in the studio & recording line & with the help of a local Arab partner set up a studio for the production of advertising jingles, commercial radio shows etc. The idea was that he would mainly handle the commercial side & I could technically work for him & thus get my vias & have a studio in which to record the MWM shows & continue to send them to Sri Lanka.

UNFORTUNATELY IT DIDN'T WORK OUT VERY WELL as you can read in the Letter "The Trouble With the System—Problems!" (No. 840.) I felt trapped in a situation that I couldn't leave. Where else could I go where they have recording vacilities? I knew I was compromising my convictions by staying "unequally yoked with unbelievas", as Dad put it.

I PRAYED DESPERATELY FOR DELIVERANCE, that the Lord would somehow miraculously lift me out of that dry leaser place, that Valley of Basc that the Lord really used to break me & get me to a point of absolute desperation where there was no other hope but in Him.

LCAN'T EINID THE WORDS. world?—To witness the Words of God, to preach the Gospel, to tell people about God's love, to show them the Love of Jesus! (No. 714:31.) Lord, help us to do it with Your help thru' MWM!

The Making of MWM Int'l.!

From Faithy & Juan,
IT ALL BEGAN WITH A
VERY INSPIRING VISIT WITH
DAD in 1979 during which he
gave us the vision of how the
present radio & television broadcasts such as Rex Humbard are
reaching the world, but mainly
the old people, & how we are
a movement of youth on every

ny years ago when he left Fleet-wood Mac to serve the Lord full-time & to help us reach the world with the Lord's music & the Gos-

with the Lord's music & the Gospel.

WHEN WE FIRST GOT TO
GREECE, everyone was a little
surprised to see Jeremy with us!
And we were not the only ones
wondering what we were going
to do with him, as we ourselves
didn't know what the Lord had
in store for us in this new field
& area of the world which we
had never visited before. PTLI
WITH NO PLACE TO STAY
WE ENDED UP IN CHEAP
HOTELS in hot Athens looking
for some place to base out of.
Dear Kenaz found us a little
apart-hotel with a weekly rent
which became our base, just a
few blocks from Chronicles &
Patience's Home!

OUR FIRST NIGHT IN OUR
NEW HOME WE HAD AN OLD
FASHIONED INSPIRATION
with Chronicles in which Jeremy sand & gave his testimony

NEW HOME WE HAD AN OLD FASHIONED INSPIRATION with Chronicles in which Jeremy sang & gave his testimony in song, getting us all high in the Spirit with the old goldies & f the music that had touched our lives & moved us to serve Him. We could feel something was beginning to happen! TILL!

AT THIS TIME WE BEGAN TO HEAR OF SIMON PETER'S "PROBLEMS WITH THE SYSTEM". After praying about it, we suggested to him by phone that he come to Greece for a visit—and even with the possibility of staying here & making Greece the MWM base where he could receive closer supervision & inspiration & work full-time on the production of the show. TIL, he agreed & was here within a week, bag & baggage, & so thankful to be rescued from his difficult situation.

IT WAS THEN THAT WE

difficult situation.

IT WAS THEN THAT WE
RECEIVED WORD FROM DAD
about MWM going international
& the great possibilities of the

show as the next best show to him, PTLI This was Simon's call to the higher calling of devoting his full talents to Dad & the Lord once again, without compromise, to get the message to the world. Needless to say, he gladly accepted the challenge, God bless him!

MEANWHILE JEREMY RETURNED TO ITALY to bring his family to Greecel—And to get mobile! During this time Simon Black wrote expressing his desire to do more for the Lord with MWMI—And that he would like to move his family possibly to Greece to do it. So he came for a 2-week reconnaisance visit to see us & the possibility of support in Greece for his whole family if he were to move here to work closer to MWM.

IT WAS EVIDENT THIS

nis whole family if the were to move here to work closer to MWM.

IT WAS EVIDENT THIS WAS OUR NEW BASE! At this time the little MWM studio was being built, so we were not able to record Simon's songs as we would have liked for the show. But we did record a very good live show of him at a club in the heart of Athens (where we were beginning to play for support & as a witness) with Chron. It was exciting, & Simon really won the hearts of the people here, & we hope he'll be back soon, DVI THE NEXT TO ARRIVE WERE AHIMELECH & PA-TIENCE & familly, after receiving clearance from us on the phone from Italy.—Also fleeing from the system & Italy & our enemies there! We just couldn't say no to their pitiful pleas for help! Even though we ourselves didn't have a place to live yet, we felt we needed to somehow receive each one who wanted to come, forsaking all & going out not really knowing where they were going, to obey God's call.

THEN BEING THROWN

THEN BEING THROWN

OUT OF A FISH'S HOUSE in Italy, bag & baggage with 5 children, Jeremy & Fiona were on the road in their newly purchased station wagon with no trailer & nowhere to stayl—And Fiona having contractions with number 6 who was just 2 weeks from delivery. They were having to sleep In their car some nights while looking days for their mobile home. Finally Jeremy sent Fiona by plane with 2 children as it seemed she could have the baby at any time! And they were receiving persecution from this former Fish of Jeremy's who seemed she would stop at nothing to hinder their leaving Italy, even tho' she had thrown them all out of her house! WE WERE PRAYING DES—PERATELY FOR JEREMY as we knew the battle was on! And since we needed to get on with the show, Jeremy finally drove to Greece with the rest of his crew, except Andrea an Italian brother who stayed behind to try & get the trailer. Jeremy was desperately needed to help Simon Peter get the show rolling at the new studio which was being completed, TTL!

SO LITERALLY FORSAK-ING ALL, even his car & his hoped-for mobile home, he arrived in Greece to our little 2-bedroom weekly apartment, our temporary home for musical refugees. At one time there were as many as 6 adults & 6 children in that small flat! But we were all praising & thanking the Lord for the many miracles He had done to bring us all together for something we knew would be very important.

"PREPARE THY WORK IN THE FIELD & AFTERWARDS BUILD THY HOUSE" says Prov. 24:27, so after praying desperately for a home for our studio we discovered that the Family here in Greece had just vacated a summer house in the country

& that we could use it as the rent was already paid for 6 months! It was anything but a mansion, but it was a home, TTL! We had to clean & repair it with the help of some precious volun-teers to make it liveable, besides building a studio

We had to clean & repair it with the help of some precious volunteers to make it liveable, besides building a studio.

CHRIS, A SWEET BROTHER, PROVISIONED ALL THE MATERIALS for building a studio in one of the bedrooms & built it with the help of Abner (Michael Miller), (BTI—Even installing the electrical hook-ups which were needed, without having ever done it before! A real miracle!

LOCAL FRIENDS & FAMILLY HELPED by providing needs for the house, like dear Rosie our Greek sister. It was so amazing how the Lord provided not only the materials but the talent to make the studiol—And then thru' Fish the actual recording equipment we needed. A friend from the Mideast donated a 4-track machine for recording our music. Jersemy & Ahimelech brought some equipment with them that they managed to flee with from Italy which they also turned over to MWM for the studio. Also the old band in Greece gave their equipment to help out, GBT! Everyone seemed to realise the importance of what was happening & tried to help in whatever way they could. "Little is much if God is in it!"—And He certainly helped our little studiol

OUR FIRST SHOW TO BE RECORDED IN THE STUDIO was a live Christmas show which included the children, Jeremy & the rest of us, which was aired in Asia & gave us some openings for an MWM Show in Thailand & Hong Kong & Other places.

the rest of us, which was aired in Asia & gave us some openings for an MWM Show in Thailand & Hong Kong & other places. Due to the inspiration & excite-ment we did make some mistakes which ended up to be a victory as we began to get wise direct counsel from Dad on the show as we began to get wise direct counsel from Dad on the show,

TTL! The new baby was having growing pains!—Ha!

NOW WE HAD A HOME FOR OUR STUDIO BUT WE STILL NEEDED TO SOLVE OUR GROWING HOUSING PROBLEM, especially with winter coming & us growing in number. Weanwhile we were reading the Camping Letters & feeling that this could be the solution for all us "wayfaring strangers" here!

WE BEGAN DESPERATELY SEARCHING FOR A WAY TO CAMP, whether in tent or caravan. Ahimelech & Patience & family were the first campers as they had come to Greece with a van & tent which served as their rome for the first few months, GBT! With winter coming, tho; we felt we would need caravans, especially the families with children. So Ahimelech & Patience began to help us look for caravans. We located a 9-ft. 2nd-hand Greek one, which we lived in, camping beside them, PTL! Actually finding this little "loow" by wars. areal miracle as 2nd-hand caravans are very hard to come by here.

WE HAD BEEN TOLD THAT IT WAS ALMOST IMPOSSIBLE TO CAMP IN GREECE because of the expense & difficulty in finding equipment etc. We knew the Lord had to make a way if we stepped out in faith. And He sure did, TYJ!

THEN THE LORD MIRAC-ULOUSLY THRU' A FISH provided for Rosa & children to come visit us for Christmas. This Fish also provided the funds for our next caravan, a nice German caravan that became our home. Now we were 5, so it was a 15-footer. We were able to pass on the 9-footer to chimelech & Patience as it was getting too cold for tent camping by December.

THEN THE LORD SUP-PLIED JEREMY'S FAMILY with a large 6-meter lovely car.

crowd, the "chic" people looking for something new, & people looking for love. TTL some of these precious souls were

PROBLEMS AROSE WHEN THE OWNER, altho' he paid them fairly well, required them to work long hours nightly as business was booming with "standing room only almost every night. But at least, we reasoned, it was supporting the musicians & their families so that they could then devote their days to working for MWM, recording music for the coming Int'l. Show & the All Asia Show which we were already producing with Simon Peter at the studio. Everyone was very busy working very hard singing & witnessing at nights & recording during the day.

BUT THE HEAVY SCHED-ULE BEGAN TO TELL ON THEIR HEALTH, especially the night work in the smokefilled atmosphere of the club which went thru' the pioneering & popularity stage, & it seemed that it was now time to move on. SO AFTER READING "MU-SICAL KEY" & "Sequel to Musical Key", we were convicted that the Lord was calling us to devote all our time & energy to His music 100% instead of the worldly music that was being demanded of them at the club. Also we could see that the musicians' happiness & health depended on our obedience to the Letters & not devote so much time, energy & music to any other person or purpose than serving the Family & the Lord. "Your happiness & your health & your blessings in this life depend on your obedience to God!" (K:19.)

THIS DECISION TO FOR-SAKE ALL BY FAITH to fulfill the Lord's highest calling & step out to work only on the Lord's music & to play & sing only what glorifies Him, was blessed

by Dad's loving & concerned offer of help to this MWM staff, which now included Jeremy & Ahimelech & Topaz, besides Simon Peter. Chronicles had just left with his family to go back to the U.S. where his parents had offered him a van & trailer there.

WITH DAD'S HELP & DIRECTION WE BEGAN TO MAKE AN ALL-OUT ATTACK on the enemy's territory, as Dad has said recently: "I'm interested in attacking the Devil's strongholds with his own methods via radio & music & youth!" So began many battles & trials & purifyings, but at the same time many blessings & victories!—With the Lord helping us to make some beautiful music from the ashes, PTL!

MEANWHILE BACK AT
CAMP, we had to move from our present location at MWM to

ful music from the ashes, PTLI MEANWHILE BACK AT CAMP, we had to move from our present location at MWM to a campground after neighbours began to complain that we were setting up a campground, hal So again the Lord did a miracle & the searching team found a perfect place for our new home. Once we got firmly established in the favour of the campground owner who gave us a miraculous discount, our numbers began to grow again.

THE NEXT TO ARRIVE, FLEEING PERSECUTION IN FRANCE, were Joan & Isaac & their 2 children, together with Windy.—The Lord's perfect timing as we were desperate for female vocalists to help with jingles, back-ups & of course lead voices, not to mention song writing!

voices, not to mention song writing!
WITH DAD'S ENCOURAGEMENT WE BEGAN TO INVITE
OTHERS TO COME & HELP, even if just for a few weeks of recording their songs for the show. The first to come was Jonas who really felt it was the Lord calling him to do more for him! He dropped everything & raised his fare & was here within one week, in time for us to

put him on the first pilot shows of "MWM-4 the World!" He recorded 21 songs, including a few for the Family history, PTL! He left renewed & his vision refreshed & we hope he'll be back, this time with his whole family.

—WHICH IS EXACT'.Y WHAT AUL MICHAEL DID in answer to Dad's invitation!—He brought his whole family plus a new disciple, completely forsaking all once again—even Northern Europe for sunny Greece, hal He is now recording some of his old & also new songs.

LATEST ARRIVALS ARE ANGELO (ITALIAN) & WIFE SARAH who drove down from Switzerland via Yugoslavia & said that they feel they have arrived home! TYJ! PTL! Who's next??? Maybe you?!

"CHOOSE YE THIS DAY WHOM YE SHALL SERVE! If God be God then serve him! Is Baal be your god, then serve him! As for me & my house we will serve the Lord" This is the verse the Lord gave us in "Musical Key" & we pray that others will benefit from this testimony &

will "come serve & love God with ment but the Gospel for the world!" None of this would have been possible without his loves & helps & lifts & encourages & saves souls for God's Kingdom!" (No. 326:52.)

WE ESPECIALLY WANT TO THANK DAD for all his love & guidance & needed direction, which is indeed what will make "MWM not for Family Entertain"

TIONAL MUSIC WITH MEAN-ING SHOW was aired for the first time on Friday August 1st over Radio Sri Lanka. For the first time in the show's history we have received 11 letters from Sri Lanka. Before it was only responses from India. All these within 1 week since the first show was aired! TYJI So now begins the important mail follow-up, with the help of Hosanna & Abigail who arrived to help with the business & organisation & are now receiving some training in the handling of the mail ministry, GBTI "MWM Int'l." is off the ground & on the air!

most recently Paul Michael & wife Mary, a new disciple they won to the Family named Derek, a Peruvian brother named Manuel who has come to inspire & accompany our cafe-singing children, & last but definitely not least we have Andrea & John who are invaluable jacks-of-all-trades, always so willing to help & often anticipate our needs.

SINCE NO SINGLE TRAIL-ER OR CAMP COULD POSSIB-LY FIT ALL OF US, our outdoor living & meeting area is of major importance. So are the activities we hold therein & their frequency, for they are a unifying element so needed in a size-able community of Homes as this one is. I think this is the one outstanding lesson we have learned about camping out toone one is. I think this is the one outstanding lesson we have learned about camping out together with other Family units: WE MUST CHERISH THE TIMES WE HAVE TOGETHER

& do our best to see they are meaningful to all. This is a fair-ly hard-working crew, as MWM is a demanding & important

MWM united dinner under the trees, including visiting Family from to

ministry, so our time together is doubly important. This is why, for example, that our newly acquired video fits the bill as an evening's entertainment so perfectly. And the films which Paul & Marianne recently brought to share with us made our video all the more worthwhile.

AS A RULE OUR UNITED TIME IS DINNER, which we all eat together on Tuesdays, Wednesdays, Thursdays & Sundays, when we also hold a Church of Love. Limiting our united dinners to 4 nights a week makes them more meaningful to all, as well as giving 3 nights' opportunity to those who go out cafesinging in duos or with the children. Of course, during those 3 nights as well as at lunchtime 2 or more family units often get together for a more intimate meal, either in a given trailer or tent, or outdoors.

get together for a more intimate meal, either in a given trailer or tent, or outdoors.

WHILE THE WEATHER WAS STILL COOL & the campground sparsely populated, we ate diner in the open & early enough to take advantage of the sun's warming rays. As spring gave way to summer, a large canopy (a gift from the campground's owner) protected our dining table from the sun's burning rays. After a night-long windstorm destroyed the canopy, we moved under the trees into a cozy area we've dubbed the "taberna" (what the Greeks call their popular eating & drinking places), which has become our center of activities. The surrounding shrubbery, tents & trailers serve as a required security buffer from the rest of the campground. WE'VE TAKEN OUTDOORS ALL THE ESSENTIAL ACTIVITIES of regular wall-bound homes, spreading the basic responsibilities according to the talents & burdens, & without sacrificing the closeness that a single family unit can give. In fact, we've added a few dimensions to living in the Family which

would simply not be feasible in-

would simply not be feasible indoors.
THE BUYING, PREPARATION & COOKING of our meals is under the direction of one person, Andrea. After trying to spread the responsibility among all, with varying results, it became clear that placing it under one person with the talent & the burden would yield better meals

& greater savings. Of course, others pitch in to help, & on Sundays when we always have is a barbecue after the Church of Love, Juan cooks it.

OUR PROVISIONING TEAM goes out faithfully every week to Athen's giant markets & invariably returns laden with fruit is vegetables to supply the whole crew for days, & even lamb & beef for some of the collective meals. Besides Andrea, the other regulars on the provisioning team are Patience & John, with the fraquent help of some of the children.

AT LAST COUNT WE HAD 15 CHILDREN IN CAMP, ranging from 6 months to 12 years, plus 2 more on the way, PTL! Fiona's 6 form the largest group, with a good deal of their schooling being handled by the eldest, Dicon-12. They are also participants in the MWM explosion. Both Dicon & Heidi-10 have recorded individually, while most of the other children in camp have joined to form 2 singing groups "Bobo & the Bluebirds" & "Nicky & the Bamba Girls", causing sensations at cafes & restaurants along the nearby tourist coest, from which they have been invited to sing at private gatherings. The Lord has really blessed us with some gift-

OUR CAMPING TESTIMONY
WOULD BE INCOMPLETE
WITHOUT MENTION OF OUR
DEAR LANDLORD, the owner
of the campground, who also
lives here in a modest house with
his wife & 4 daughters & is quite
visibly happy that we are here,
showing it by giving us low season rates during the high season,
allowing us to hook up our communal washing machine to his
own water source, placing a separate bathroom & shower at our
exclusive disposal, giving us occasional gifts & inviting us all to
his house for Saturday night
parties during which our children have sung & done skits,
thus getting the message of the
Lord's love & salvation to this
important local landowner, his
family & friends.

WE'RE ALSO BECOMING THE
REGULAR FEATURE at shows
staged for the entire campground
once a week, giving us a chance
to witness even more! At this
time of year with the camp full
of vacationers, this is a 'specially
good opportunity.

TYJ FOR THIS VERY WELLROUNDED EXPERIENCE that
has taught us the conveniences,
advantages & lessons of camping out, how an important ministry can also go mobile. And
thank God, Dad & his staff for
the Camping Letters which have
often enough been our guiding
light. (& 2 all givers 2 MWM!-D.)

I HOPE & PRAY THAT MORE
OF OUR FAMILY ARE TAKING POSITIVE STEPS toward

becoming mobile. Like any new radical step in life, the fear of the unknown sometimes defeats us. If we remember that the Lord is leading this way & that the Letters are showing how, we will soon take the all-important first step. Try it! It will change your life. It did mine! TYL!

Daily "Music With Meaning" Show!

From Zichri & Rafael:
EXCITING NEWS! THE
LORD HAS OPENED THE
DOORS for a daily 30-minute
MWM show here on one of the
most well-known local radio
stations! It all started when
Rafael & I visited a couple of
the local stations to see about
the possibilities of doing a show
on a weekly basis or 3 times a
week.
TO OUR HAPPY SUPPRISE

week.
TO OUR HAPPY SURPRISE, EVERY STATION SHOWED
AN INTEREST in the program, especially one station who immediately wanted us to do a show every day! So every afternoon all our sheep & 1000's more have a daily feeding of God's Spirit thru' the music in the show!
WHAT A BLESSING IN

WHAT A BLESSING IN THIS SEMI-CLOSED FIELD

WHAT A BLESSING IN THIS SEMI-CLOSED FIELD where we cannot openly litness much & where our songs are relatively unknown. Rafael, the DJ for the show, has even been interviewed by a local paper & a really good article with his photocame out! PTL!

ALSO FEATURED ON THE SHOW ARE PERSONAL INTER. VIEWS, which have been a real inspiration, giving several of the local singers in the Family a chance to shine & get out the message of love at the same time. Rafael is also able to interview professional singers who come to town. The children of our catacomber, a television producer (see FN No. 22, page 147), have also come on the program for all, especially for him & his

wife, giving them a real vision for "What is that in Thy Hand"! THE RADIO SHOW TRE-MENDOUSLY HELPS RAF-AEL'S DTD MINISTRY too, as he can tell everyone to listen to his show where he can dedicate songs to certain sheepy people he knows. The show also has served to unite the Family here to pull together & support Rafael in the Spirit & pray for the success of this show, which has the potential to win many catacombers & friends to the Family in a field where we can't openly preach the drop-out message, but must work to influence as many as possible thru' FFing & personal witnessing. "MUSIC WITH MEANING" INCREASES OUR VISION so

like never before in this difficult
but exciting field! God bless
Simon Peter & team for pioneering this exciting ministry & for
their securements to use the their encouragement to us to keep fighting for the Lord to

keep fighting for the Lord to get the message "on the air"! IT'S NOT SO DIFFICULT! AS Dad says, the radio stations are looking for dynamic new programs that reach out to the listeners, as this type of program is so rare these days! And thanks to the Family musicians over the years & the work of the MWM studio musicians, we've got it all on tape—the music of the Love Revolution which gives them hope & changes their lives! Try it in your city! Love, Zichri & Rafael in South America.

Music is key to whole city!

From Jubal & Charith:

From Jubal & Cherith:

THE LORD IS DOING SO
MANY MIRACLES HERE, we've
never seen anything like it! The
doors are flying open left & right,
& the Lord is really using His
music to get us into places &
reach people we've never reached
here, & lives are really being
changed for the Lord! We here
feel just like what the "Daily
Might" No. 4 says for today, the
29th: "It's the hour of your destiny! After years in the making,
preparation & planning ... that
lifetime of preparation is worth
it all ... that moment of usefulness that you were designed for
... and you'll know you're fulfiling His Will, the purpose for
which you were created!" We
all feel like that, that everything
that the Lord has done for us up
till now was to prepare us for
this ministry, & we're really excited & thankful to be here!

WHEN WE GOT TOGETHER
IN THE STATES with Petuel,
Sparrow & Obed, we decided
we wanted to form a small musical group & try to follow Dad's
plea in "Soft Loving Hands", &
present a kind of live version of
MWM using selected Family songs
as well as system music with a
positive message & spirit as a
means to create our own atmos-

as well as system music with a positive message & spirit as na smeans to create our own atmosphere for witnessing & meeting people, which is a really hard thing to do here, as well as a means of financial support.

Well, the Lord has really opened up the windows of Heaven ed up the windows of Heaven & poured down such a blessing!

ONCE HERE ON OUR CHO-SEN FIELD, we began building our repertoire with songs of Simon & Garfunkle, Don Mc-Lean, Beatles, James Taylor, as well as our own Family songs with a GP message. AFTER A COUPLE OF WEEKS OF HARD WORK & practice we went around to some of the local clubs & told them we were an American

practice we went around to some of the local clubs & told them we were an American group that had just arrived from the States & wanted to get to know them, & they all wented to literally hire us on the spot without even hearing us! We made friends with all of them but kept looking until we found a place that we really got a witness on. Then we did our first audition & got hired on the spot to begin that very night! THE FIRST COUPLE OF NIGHTS WE RE ALL BY FAITH until we got the hang of things. We started out asking the same fee as the rest of the local musicians. On stage we gave "testimonies" of why we had come here—to escape the violence & decadence of our country & to share our music with the people here. We also gave short concise summaries of the meaningful songs, songs which many were familiar with & had hummed along with for years but never knew the words or what they long with for years but never knew the words or what they

knew the words or what they meant.

THE WORD STARTED TO GET AROUND that there was an American group in town that played good "folk" music. A couple of weeks later the news editor of the local English newspaper, who was a friend of another brother, came to see us & did a very favourable article on

got the ball rolling. (We later found out that the owners of the club, all young guys our age, had decided to open the club the very same week that we had made our final decision while back in the States to return to the field with this ministry! The Lord told, us later that He had created that club for us, to use as a nest & launching pad to witness to the rest of the country it closed down a couple of mos. later!)

AS SOON AS THE ARTIC-

witness to the rest of the country it closed down a couple of mos. lateri)
AS SOON AS THE ARTIC-LE CAME OUT, all the upper class kids who speak English & read the paper came flocking to see us & bringing their friends back. Pretty soon the whole place was reserved a week in advance every time we played!—Filled to overflowing with sheepy people who had come just to see us & hear our music, & were dying to talk to us!
TALK ABOUT A RIPE HAR-VEST! In this outwardly conservative & traditional society the hardest thing is to meet people & break the ice to begin witnessing. & now we had the ideal opportunity to meet them & begin to slowly witness to them & win them.
BEING MUSICIANS, WE WERE EXPECTED TO HAVE A KIND OF "BOHEMIAN" or liberal philosophy & unconventional lifestyle, which provides us with the perfect cover for FF'ing them into the Kingdom! Now we've begun playing at different clubs in town, s well as private parties for many of the upper class & are slowly beginning to reach people that have never been reached in all the years the Family has been here.

Maw Life For The Old !

WE ARE DUE TO RECORD

AN ALBUM which will include half our own material & half of selocted system songs that we will choose together with the company. We are currently playing 5 nights a week in different parts of the city, reaching different crowds each night & getting together quite a little flock of sheepy friends & contacts to minister to, including some of the wealthiest most influential families in the country! THE LORD HAS BLESSED US FINANCIALLY, & we've been able to get at least our basic refuge supplies together. We have also been able to help out a couple of local Homes with financial help in return for their help in caring for the children & helping with the workload & have been able to refer them as English teachers to some, to be able to begin their own witnessing.

e to begin their own witness-

English teachers to some, to be able to begin their own witnessing.

ONE OF THE BIGGEST LESSONS WE'RE LEARNING IS TO GO SLOW in witnessing & be led of the Spirit in every case, as this is our chosen field & we plan to stay as long as the Lord permits, & this also being a closed field with the Family being specifically prohibited. We're learning the importance of being like the farmer who does what he can day by day, planting the seeds & caring for them & having to trust the Lord for just about all the rest. —Changing our world here, one heart at a timel Love, Jubal & team.

P.S. The Lord is giving us some really inspiring new songs. Like Faithy said, the same thing is true in our shows, the people always comment on the Family songs. PTLI

New Life For The Old!

The powerful sample of one little family going for God!

OUR FIRST WEEK IN THIS CITY HAS BEEN VERY IN. SPIRING with the children. While litnessing on the street we met a very sweet lady who invited us to sing at an old folks club she regularly attends. It's a place where people over 60 come together to socialise, mainly Christian or Catholic ladies & some men.

FOLLOWING UP THIS INVITATION KEPT US BUSY the rest of the week & could keep us busy for months if we wanted to, as there are 150 such clubs in this city! At the 3 clubs we visited we got some of the very best reactions we've ever had.

WE FOUND THESE OLD

visited we got some of the very best reactions we've ever had.

WE FOUND THESE OLD FOLKS TO BE VERY OPEN & Proceptive to our message. They asked us so many questions, as most of them have grandchildren & they notice a difference & respect it & can hardly believe that a Christian family living full-time for the Lord still exists! One lady was almost in tears as she told us about her children & grandchildren & how they are losing their faith in the Lord. She gave us her address & wants to get her whole family together to meet us.

AT THE THIRD CLUB we did the "Heart Skit" after whichmany prayed with us & they invited us to go around & make a collection. From the 3 clubs we visited we found 2 of them to be composed of the "Upper crust" of this city. We got quite a few more new addresses for our mailing list & we were excited about the possibilities, as there are so many of these clubs around. (Sce No. 951)

Most of them are so touched by just a sample of God's love & just soak up the littlest bit of concern that show them. Lots of them comment, "I'm so lucky you came. You're so different. Thank you very much." Thank You Jesus! HERE ARE A COUPLE OF NOTES I RECEIVED from a rich American businessman who had a problem in his metabolism making him very big & fat: "You are as beautiful inside as you are without. Thank you for making a lonely stranger feel beautiful also." "There are times words only get in the way, & this is one of them. Continue to be as honest & kind as you are, & for you & your son, may the Lord bless you & keep you & give you peace!" SINCE THEY ARE SO IM-PRESSED BY THE "KIND-NESS" shown to them, they usely don't mind helping with a big donation for "living expenser". Some have even commented that the love shown them could never be bought at any price, anywhere.

AND BECAUSE WE'VE BEEN ABLE TO "USE IT", it has more than supplied our needs & enabled us to help other needy Family members too, discuss the need for a refuge, he

WE HAD A WONDERFUL
VISIT FROM FAITHY & JUAN, PAUL & MARIANNE, from whom we learned some invaluable lessons. They were such a positive, encouraging, loving, uplifting sample. And their love & good news, pictures & testimonies really revived & strengthened us. We'll never forget these times they spent encouraging us. We sure needed the love & inspiration & were so thankful for it & we know we all need it. FAITHY & JUAN SHARED WITH US TO BE NOT JUST HEARERS of the Word only but doers also, & that really helped us to get on the ball in many areas that lacked in our own lives. A sample is better than a sermon, so we started to work on our own little family's sample, & little by little we all started to change & grow together.

WE WANT TO REMAIN A BLESSING & GOOD TESTI-

BLESSING & GOOD TESTI-MONY wherever we visit with our large family of 5 children, so we try to keep a few things in mind so as not to be a burden ln any way:

1. We always try to visit with our caravan & van clean & neat & a good testimony. It's a big job & we have to really work at it.

2. We always try not to park right on top of the Homes initially, as this could put extra pressure on them.

3. We always try to dress neatly & be clean, & remember that we are representatives of our King of kings as well as our own King & Queen. Paul & Marianne also reminded us that we are still in the Age of Pisces & have

to be a good sample in our appearance & that we still need to be good bait!

4. When we first arrive in a new city we try to go out & get to know the town & situation & maybe sing with the kids & litness a little, meet people atc., so we are a good testimony to the brothers & sisters & have testimonies to share too about their own area. That really helps the Homes to feel at one with us. We try to do this when possible before we even contact the Home. tact the Home.

Out of nothing-all our needs sup-plied!

From Jonathan & Saphir: Eur.:

IT ALL STARTED WHEN WE GOT FED UP PAYING HUGE BILLS & rent for a house we couldn't keep up. In the paper we found a Mercedes diesel van for sale for 15,000 Francs. After trying to raise the funds After trying to raise the funds for about 2 months, we were still short 2,000 Francs. So we put it to the Lord that if the guy would not let us have it with a 2,000 F. discount, it wasn't the Lord's will. We grabbed the phone & told the man we'd take his van for 13,000 F. only. He didn't even discuss or argue with us. So the next day it was our! only. ...

The mobile life is the greatest life on earth!

From Ezra & Rose Gultar; Europe: We'VE BEEN LIVING IN A TRAILER NOW FOR 5 MOS. & think it's the greatest life there is on this earth & wouldn't go back to living any other way!

We've found such a freedom in serving the Lord & we're free to go wherever He leads!

We'VE SPENT THE PAST 3 MONTHS IN A CITY the Family has hardly reached before as it was always kind of out of the way & nobody thought of trying to establish anything permanent there. First of all, housing has been no problem in our pioneering, as we live in a trailer, so there was no need to spend a lot of time finding a house, furniture, utilities etc.—What a blesston park, usually out in the country on a farm of people we meet litnessing or witnessing.

Full-time, than to Mobility!

From Rafael & Pleiades; Europe: WE ARE REALLY EXCITED TO LIVE A MOBILE LIFE! We never dreamed we would ever live like this. Since we started 2½ months ago in a caravan & van the Lord has taught us a lot. We work now closer with our children & have learned how to witness with them as a family. We have found a new outreach in old folks homes & hospitals where the children sing & litness too. We now have 4 children—Teresa-6, Neshe-4, Stephen-3 & Heidi-4 months.

IN OUR TRAVELS THE LORD HAS DONE MANY LITTLE MIRACLES. For example, our laundry & how to wash it was one of the things we feared about getting mobile. The Lord has really encouraged us & sent people who offered to wash it. In one town the priest did it for us. In another town, the old folks home, in another a woman we hadn't even met sent her daughter to ask us for our dirty laundry so she could wash it! In the same place we found breakfast in a basket outside our door on 3 different days also! In the last 2½ months since being mobile we haven't paid more than \$4 on diesel, because the Lord has supplied free fuell

THIS CHANGE HAS RE-NEWED US SO MUCH, & each day we're so excited to see what will happen next. And the kids love it too! We are able to reach love it too! We are able to reach areas that are virtually untouched, which is a big encouragement, especially to the children, since we were in one big city for the last 3½ years. In the past we had made faith trips when we had only 2 children, but as our family grew we found it was too difficult without a caravan. We're so happy & thankful for the Mobile Ministry Letters to enable us to keep going & serving the Lord full-time!

THANKS TO THE LORD & THE LETTERS we're finally back on the road full time & free after a year & a half of working full time in the system! We're witnessing & Itinessing & provisioning & having the greatest time imaginable! TYL! WE'VE BEEN ON THE ROAD EXACTLY ONE MONTH NOW & it's been the greatest month of our lives. The children—Jesse almost 4, Nina-2/8 & John-1/2 have been litnessing, & Jesse especially has been singing solos for interested sheep, provisioning contacts etc. We got out over 3500 pieces this month alone! TYJ!
THERE WERE TIMES IT WAS HARD TO KEEP THE VISION for training the kids as we had almost no public ministry & couldn't see any coming. Now we're really seeing the fruit of what we did with'm & wish we'd done more!

e'd done morel A COUPLE SUNDAYS AGO A COUPLE SUNDAYS AGO a church group was giving a puppet show in the park for the campers. About 40 kids were watching but began to get rowdy & foolish as the show moved slowly. We asked the lady if we could sing, & Jesse got up there by himself & boldly sang John 3:16 & quoted Phil. 4:19. Then he led all the other kids in singing "Jesus Loves Me". As a result the kids quieted down & started talking & singing about the Lord again. The lady was so amazed. She said, "How do you get him to memorise like that?! I can't even get my Sunday school class of older

kids to do that!" She came ov-er to the trailer to see some of our Family Care material & has become a friend & will try to

our Family Care material & has become a friend & will try to incorporate some of our ideas in her class.

WE'VE ALWAYS KNOWN
FROM THE LETTERS & THE MAG that it's the children, the children, the children, the children that's our ministry. But this summer is the first time we've really seen them blossom & have a real effect, & it's just a small beginning! PTL!

LITNESSING TIPS: Litnessing kind of dry for you at times? Just get the wife & kids right out there with you! You may not be able to go for as long, but you'll sure have more of an effect on folks! The kids litness & behave better if we take'm to the playground for at least a little playtime before going out & right after too if possible. "The worker is more important than the worker is more important than the worker is more important than

to put them first! There are also many days, I must say, when we feel it better to let them stay home & get more schooling & playtime with Mommy, as they can get bored if litnessing too much. It's important to avoid that because we want'm to love it & not think of it as a chore. So some days! leave m home. So some days I leave'm home, get out early to litness & do er rands & get home as soon as pos sible, & this has been working

WITNESSING TIP: After 2 weeks in this town we wanted to go somewhere new. I'm so glad we stayed, as it wasn't until the third week that we started to get a lot of visitors & some good fruit. It paid off for us to stay put as long as God wasn't leading elsewhere or closing any doors here, & wait for Him to work! In the evenings we've been showing flannelgraphs for our kids & the neighbours here in the campgrounds. We use

in a lot of places."

PROVISIONING TIPS:

we always have a good break fast at home & then while out try to provision a good meal between 2-4 in the afternoon before the managers go home & when the restaurants aren't too crowded. Then later before bed the kids have just another light snack back at the trailer. We order milk with the meals. It's usually served in little cartons or covered cups so you can take it home & drink it later if you want. We get the manager's name & grab a pack of their matches by the cash register so we'll have their address & send them a thank-you card. They only know the Family by our sample, so we try to leave them favorable & an open door for other brethen. Sometimes we feel led to ask the manager if he'd like to help again. We've had 3 places give us at least 2 meals & one offered to feed us once a week. It's really cut down our grocery bill!

TRAILER TIPS: We're glad we didn't choose a trailer with thower as almost all the campgrounds here in Canada have showers & people we meet with them in their trailers say they rarely use'm anyway. Water hose: In North America, at least.

grounds here in Canada have showers & people we meet with them in their trailers say they rarely use'm anyway. Water hose: In North America, at least, you can find white hoses at RV enters. These are non-toxic & you won't taste that rubber or plastic in your water. We have a big old station wagon to pull our trailer—very dependable after some repairs & we're happy with it. We don't get as many miles to the gallon as we used to with smaller cars, but we're sure get-

ting more souls to the mile!

The Video Ministry! Vision and Tips!

From Paul & Marianne:
Dearest Dad & Maria,
GBY! WLYSM! WE'VE BEEN TO WANTING TO WRITE OUR

SINCE THEN IT HAS CHANG' SINCE THEN IT HAS CHANG' ED OUR LIVES & MINISTRY, opened our eyes to a new dimension of our work, & we are entused to hear that you will encourage others to get into the YM.

WE THOUGHT OF WRITING DOWN A FEW LESSONS & TIPS we've learned, mainly from comments you passed on to us after watching our first attempts, & also to share how & why it has been such a blessing for us to carry a video camera while visiting.

WE HEARTILY AGREE THATY CREE THATY VIDEOS IS A NEW MINISTRY FOR VSs, & we really like the didea of an area possibly getting together to purchase one for the VS to carry around. Video tapes are such an inspirational tool for the Homes, such an audiovisual aid to show "the wonderful things the Family is doing", especially now that fellowship & seeing what others do for the Lord are so needed.

CIAL WORD OF LOVE, a poem, sing him a song, thank him for changing their life. To be seen by Dad & Maria makes them feel that they are known & loved by them personally. It is always a very moving & intense experience to be able to capture these declarations of love & loyalty. WE ARE ACTUALLY MEDIATORS, & it takes being present enough without imposing our presence, to direct & channel the conversation, without imposing our presence, to direct & channel the conversation, without imposing our jour jour jour did to know the people before actually filming, so we can direct the conversation & keep the person challenged & encouraged.

THIS IS WHY WE FEEL IT IS A PERFECT MINISTRY FOR VSs, because of this special contact that the video carrier has to have with those who will be interviewed. It is more than photography & technique, as you have to try to be good flameholders for others to shine freely, good pumps to draw out their best. Anyhow,

THESE INTENSE MOMENTS ARE REALLY WHAT MAKES

good pumps to draw out their best. Anyhow,
THESE INTENSE MOMENTS
ARE REALLY WHAT MAKES
OUR MINISTRY SO EXCITING
& so fulfilling. We've been excited about visiting even more than before, knowing that you will be visiting these very Homes sooner or later with us. And of course the greatest reward is to hear the feedbacks of these VVV₄ your feelings & impressions, & thru' it we already have learned some precious lessons of love, wisdom & discernment. PTLI
WE'RE ALSO THRILLED TO KNOW THAT IT WILL NOW BECOME A TOOL FOR THE WHOLE FAMILY, & we can see no end of potential for these movies, even tho' we are not professional enough yet to get on the GP market. We thought of making tapes for children, gathering different songs, skits & testimonies by children. Also,

could gather some skit-songwe could gather some skit-song-&-testimony tapes, which could bring our old-time "discos" & "club-shows" to every Home. Wow! It's so exciting to think of all that can be done, & what a tool it can be to minister to neighbours, new bottles, friends, fish, contacts etc. PTL! WELL, THO' WE'RE STILL VERY MUCH IN THE LEARN-ING STAGE, we've written down a few tips & lessons which might be helpful for other VMs in the future. Letters like "Pic-tures", "The Oh of Art", "Rev-

in the future. Letters like "Pictures", "The Oh of Art", "Revolutionary Women" have some very good suggestions which apply to filming

very good suggestions which apply to filming.

1. BEFORE YOU START be sure that you check all your equipment, that all is functioning properly before you get everyone "on stage", as finding out that the mike is broken or a part not working can make everyone, especially the children, nervous & restless.

eryone, especially the children, nervous & restless.

BEWARE OF CHEAP EQUIPMENT (microphones & earphone) which will often break easily. It is worth it in the long run to get a good tripod for your camera (so your image does not move), a good set of earphones (so you can hear exactly the sound you are recording & make sure it comes out nice & clear without distracting background noise), one or two good mikes (if you have only one, "don't be lazy, pass the mike", otherwise a bad soundtrack can make a whole good tape unuseable & hard to follow), some good lights. As we recently learned with audio tapes, once you go ignts. As we recently learned with audio tapes, once you go into all the expense of getting into video filming,
IT IS WORTH GOOD QUALITY RECORDINGS! "If we're wise into the video business."

ITY RECORDINGS: "If we're going into the video business, we've got to do it & do it well, the way it ought to be done, & watch all these details so that we get it done right." Also,

make sure you keep your bat-tery pack full at all times so it won't be deficient when needed. 2. WHEN FILMING a Home

won't be deficient when needed.

2. WHEN FILMING a Home
or Unit, we found that it usually
takes stopping the actual work
for necessary time so everyone
can gear themselves into the
video, pray about what they
want to say, make themselves
pretty, be ready to come "on
stage" when needed etc. Then
you can get the Home together
to explain what you intend to
do & how you plan to do it, &
pump their suggestions.

WE TRY NOT TO SHOW
VIDEOS OF OTHER HOMES
BEFOREHAND, so they're not
tempted to follow the same pattern, but always to show the
Home their own video afterwards, so they can see how it
comes out & "approve" it.

3. IT IS IMPORTANT TO
SITUATE THE ACTION, so
you can take a few shots of the
area, the outside of the house, a
group shot of the Home, present
the couples & families together.
Dad & Maria mentioned that they
like to hear the interviewers' personal comment on the people &
situation, the history or any particular point of interest, & also
they like to see you as an interviewer.

SO IT'S IMPORTANT TO

they like to see you wanted to see you wanted to see you wanted to so that a few relevant shots of the house, street, city, etc. which will allow you to dub over your personal word later on. But don't dub over someone talking or singing. When you want to say something about this particular person, insert your comment before or after they are done.

4. WHEN INTERVIEWING it

4. WHEN INTERVIEWING it 4. WHEN INTERVIEWING it is good to have a little time to sit with the person interviewed & discuss with them what they'll want to say. It relaxes them to know that you can stop when they don't find the words or go

back & start again if it doesn't come out right.
ENCOURAGE THEM TO DRESS (OR UNDRESS!) IN THEIR NICEST, put a little make-up on, find a nice set-up for interviewing, a clean inspiring area, maybe with flowers, but not too distracting. Changing set-up will show diverse aspects of the house & give variety.
AN INTERVIEW OF 5-10 MINUTES per person is usually suffi-

AN INTERVIEW OF 5-10 MIN-UTES per person is usually suffi-cient. Try to get everyone includ-ing the children. However, when interviewing parents, avoid chil-dren sitting on their laps while they're talking, as it will distract both them & the viewer. Because it gets pretty intense, make sure everyone stays inspired & relaxed & sometimes a little glass of wine helps!

& sometimes a little glass of wine helps!

5. SOUND: Make sure the sound comes out clear. Again, "don't be lazy, pass the mike"!

The person who is talking should hold the mike close to their mouth. Do not trust the camera microphone, as it will mostly pick up the sound that you do not want such as the outside noises (children, crickets, motorbikes etc.), which will distract from the main interest. Good earphones will allow you to hear exactly what sound you're recording.

ing.
IN THE CASE OF FILMING
A GROUP OR MEETING, Dad A GROUP OR MEETING, Dad suggested we get a fishing rod to hang up the mike, so we can hear each person clearly. Get enough cord to bring the microphone to their mouth. Never accept background noise, except it has a purpose.

MUSICAL BACKGROUND

CAN BE VERY NICE behind a commentary or as an introduction, but Dad & Maria suggested using instrumental music only, soft ones, without words which could distract from what is being said.

6. SHAPP FOR

6. SHARP FOCUS: It is im-

portant to have a sharp focus all throughout the movie. One good the spirit.

way to certify the clarity of the picture is to zoom & focus on a very big close-up before filming, then zoom back to where you will want to start shooting; everything will then be in focus no matter how much you use your zoom, as long as you & your subject do not change positions.

GOOD CLOSE-UPS ARE VERLY IMPORTANT. Set your camera far enough to include all the performers, but close enough to be able to dive into their souls with good close-up shots. Do not keep the unnecessary elements or performers in the picture. Get closer to the person talking in order to capture all of what he's saying or doing, without being distracted by the rest of the setup. But make sure you don't get so close that you scalp out the top of their heads. Leave the top of their heads. Leave the contract of the setup. But make sure you don't get so close that you scalp out the top of their heads. Leave the contract of the viewer, plus very bad for the viewer, keep the unnecessary elements or performers in the picture. Get closer to the person talking in order to capture all of what he's saying or doing, without being distracted by the rest of the set-up. But make sure you don't get so close that you scalp out the top of their heads. Leave enough space to include a great deal of their hair.

what You was the rain of thought was finished & you can strain what on each what to say or can't find a word, or end on a smile instead of making faces, & the operator will know to stop. If they make a bad grin, then you have to go

to carry around, & it needs to be well protected, both while you are filming & while you are travelling. It is a very expensive & delicate instrument, sensitive to a condensation, too much when tions, extreme temperatures of don't leave it in the bright sunlight) & dust.

WE FOUND THAT APADDED RUCKSACK IS VERY PRACTICAL, when we use our video a lot, to carry VTR, mikes, cords etc. with a shoulder bag for the camera. But while going from one place to another, a foam-padded trunk, on wheels if possible, is ideal. When we got our video,

DAD & MARIA REMINDED US TO DEDICATE IT & claim God's protection & blessing over it, as with our constant travelling in a camper we certainly need to be doubly careful & ask God to keep it from all these inconveniences which are hard to avoid when mobile.

LOT MORE WE COULD WRITE, & we are discovering every day about the thrilling new means of showing & sharing the good news with the world, but we hope that these few points will be of some help & inspiration to future VMs. "Wow! Our Special Child!

From Merryheart & Nimshi

From Merryheart & Nimshi Smilin'; South America:
Dear Dad, Maria & family,
WE WANTED TO LET YOU KNOW ABOUT OUR LITTLE BABY Julianna, who was born Feb. 26th here on our new field of South America. We found out she is a Mongoloid child & very special, as your Letter "Handicapped?" talks about. We are so thankful for that Letter! It seemed like it was written especially for her as it came out when I was about 6 months pregnant with her.

ten very sick & almost died once with an intestinal infection. It got us all desperate to say the least, & we have been learning so many lessons of faith thru' it all. Just recently she started having spasms & we took her to the hospital (before really praying).

WELL, WE GOT DOWN TO BUSINESS & PRAYED & received that we should take her home & trust Him to either heal her or take her to Him. It was a real test, as many of the doctors & staff thought we were wrong, but she's doing much better ever since. Also, I learned that a lack of B vitamins could have caused the spasms & the lack of digestion she seems to have. So I am

improving our diets following the guidelines from some of the recommended books. It was a lesson to me to find out more thru' the recommended books, as I never knew a baby couldn't get B vitamins from my milk if I didn't take them in some form. JULIANNA IS OUR 6TH

JULIANNA IS OUR 6TH
CHILD, & I think I was taking bables & health & life for granted. So the Lord is using her to wake me up & also to teach us all to be more loving & all the things you said in that Letter. So we are thankful, & she is truly so like an angel. Wish we had a picture of her. Will try to send one when we can get our film developed.

ALL THE OTHER KIDS ARE DOING FINE. We've been singing at restaurants, the park & hospital, & Lord willing tomorrow, on the road! We love you so much & thank you too for all the Letters. We couldn't possibly make it without them. God bless you. Much much love, Merryheart, Nimshi & family.

A Chapter From My Life Story!

by Mother Eve

THE FIRST 18 YEARS OF
MY LIFE WERE SPENT LIV.
ING IN THE SAME HOUSE,
believe it or not, along with my
5 brothers & sisters, mother &
father. Even in those days our
family was considered large, but
admired by many people with
no children or only one or two.
My father & mother loved us
very much & always thanked
God for their family.
NONE OF US CHILDREN
EVER FELT UNWANTED OR
UNLOVED. As a child I tried
to help teach my younger sisters.
In those days the older children
were needed to train the younger in large families. I learned to
be a mother at an early age, &
my father alweys said that he
would never have made it without my help. Only when we
were very small did my mother
her an extra girl to come & take
care of the children.
MY FATHER WAS A BUILDER, self-employed all his life,
with a coal & lumber yard. He
built our own house & we moved into it when I was only one
month old. As children, we
never knew much about the Depression or suffered many hardships with finances. Since my
father was never ambitious about
money & seldom talked about
it, we did not know there was a
Depression even tho' I was in
my early teens! It seemed that
my Dad's wealth was totally invested in property. He owned
many houses which he built &rented to people.

DURING THE DEPRESSION
WHEN MANY PEOPLE OWED

many houses which he built acrented to people.
DURING THE DEPRESSION
WHEN MANY PEOPLE OWED
HIM MONEY or when they
could not pay their rent, my
father would allow them to live
in the house & pay as much as
they could afford. Because he
gave free housing to those who

couldn't pay their rent & credit to those who needed it we never became rich. But he worked very hard to provide for his family & so gained the respect of all the people in the community for his benevolence.

MY MOTHER WAS ALSO VERY SPECIAL TO ME. She was concerned about the poor & the sick in the community & was faithful to help them. She often took food from our garden & milk from our cow to the sick & aged. Sometimes she would drive us 4 sisters in the family car to deliver custard to some poor family.

MY MOTHER HAD LONG BROWN HAIR which she arranged nicely in a little bun on

the back of her neck. She thought it was bad taste for wo-men to cut their hair & to wear trousers. She taught all of us girls to be feminine & to play

with dolls & be "motherly-minded". She never wore a bra. FOR MANY YEARS SHE WAS PRESIDENT OF THE PTA WAS PRESIDENT OF THE PTA
(Parent-Teacher Assoc.) & taught
school children in the 4-H Club
(4-H means head, heart, hand &
health). This Club taught sewing, canning, cooking etc., to all
the girls after school hours &
made a girl want to excel in
these things. Once a year there
was a big country fair where all
the girls would present their sewing projects, cooking, canning
etc. to be judged & receive awards
for their good work. Since my
mother was one of the teachers
& wanted to make her daughters
a good example, we usually worked hard & won many prizes.

a good example, we usually worked hard & won many prizes.

IN MY TEENAGE YEARS!
WAS SEWING MY OWN CLOTHING. In my 3rd year of high school I won the sewing contest for making the best outfit which included a coat, hat & undergarments. Then all the Counties of the State of Kentucky got together for competition & modelled the clothes that they had made. This time! placed 3rd out of 62 girls representing the entire State.

ALTHO' WE WERE NOT RICH, WE HAD A VERY HIGH STANDING in the community & could trace our "family tree" back before Kentucky became a State. The story goes that the Governor of Virginia gave my great-great-grandfather 5,000 acres of land to pioneer Kentucky along with Daniel Boone & a few other "brave pioneers". I've seen the places around Louisville where the property was located & even the approximate site of

his house called Clover Hill.

IN 1871 MY GRANDFATHER
PUBLISHED A BOOK OF POEMS about the early days of Kentucky. I enjoyed reading about
this history of Kentucky because
it was so poetically written.
There were also several outstanding poems about Bible characters.
The famous "family tree" was
on my father's side, but my mother's family was very well-known influenced my life. In his early

DURING THE DAYS I WAS GROWING UP PEOPLE DIDN'T TRAVEL AS MUCH as they do today. But I well remember when we were visited by our relatives who lived in California. It was a great occasion to have someone visit you from such a distant State, especially as far west as California! "The California relatives", as we called them, were travelling evangelists & musicians with 2 small childran.

THEIR 2 SMALL CHILDREN COULD SING VERY WELL & this made a great impression on me. I can still remember the songs they taught us about Jesus. My cousin played the piano & her husband played the violin. They gave us several very beautiful records of their music which we often played after their visit was over. I thought they were very fine Christians tho' at that time I didn't know anything about denominations. I later learned that they were Pentecostal & my family was Baptist.

AS A CHILD I DID NOT REALISE THAT THESE RELATIVES WERE TO PLAY A VERYIMPORTANT PART IN MY LIFE. It was these very cousins who invited me to visit them in California in my late teens & I became the youth director of their church. It was in this

to show their strength & superiority.

BUT ONE DAY CARL BEGAN TO MANIFEST A GENUINE BROTHERLY LOVE towards me & started treating me
with unusual kindness & concern
This really shocked all of us girls
& we were very curious to know
what had happened to him.

ing to me seriously about my relationship with God. This really bothered me & even scared me a little because I began to realise how little faith I really had in God, even tho' I had gone to church all my life. He then shared with me that he had stended a prayer meeting in a home & had received the Holy Spirit.

AFTER THIS HE NO LONGER ATTENDED THE BAPTIST CHURCH but was always busy going to prayer meetings in various homes & visiting other churches. He had become acquainted with some very unusual friends whom I liked very much. He started taking me out with him to meet his friends, which he had never done before. I was in my late teens & enjoyed going out with my older brother.

HIS FRIENDS WERE COLLEGE & SEMINARY STUDENTS who always seamed to be hanny.

who never married & was a missionary to China in the 1930's before the Communist takeover. Every few years she came home to Kentucky & brought gifts to us from China & told us many missionary stories. So I soon decided as a little girl that when I grew up I wanted to be like my aunt & go to China as a missionary.

LATER, MUCH TO MY SUR-PRISE, I FOUND THAT DAVID REMEMBERED SEEING HER when he was a little boy as she travelled around America speaking in various churches. He was greatly impressed with her strange little Chinese dolls & relics. After speaking in meetings she allowed the children to come up to the table & examine the strange objects which came "all the way from China". Remember, at this time there was no TV & even seeing a movie was a rare occasion for a small child.

I did not become very proficient. I lost interest as a teenager & did not play for a few years.

SO ALTHO' WE HAD A PIANO IN OUR HOME, no one
really inspired me to play it as
much as I should have. When I
finally learned to play the piano
to accompany David, it gave me
great pleasure & I realised what

I had been missing. With the right kind of teaching, a teenager can learn to play popular songs on the piano as easily as on the guitar. Sad to say, I only learned that in recent years. However I am very thankful to my aunt who at least taught me to read music & cared enough to teach me the only method she knew as a music teacher of the "old school".

ANOTHER MAIDEN AUNT MAINTAINED A BASE FOR THE OTHER 2 TRAVELLING MISSIONARIES. So I received much training, care & love from these aunts. I can even remember hearing them read the "Daily."

these aunts. I can even remember hearing them read the "Daily Light" to me as a child. Their faither, my grandfather, helped build a large Baptist Church with the stones of his own quarry. His name was John Tucker & his church is still standing on a very prominent corner of Louisville, Kentucky, as well as "Tucker Station" which was negocial after him.

"Tucker Station" which was named after him.
AS A YOUNG TEENAGER I COULDN'T SEE WHY MY PARENTS GOT SUCH A "CHARGE" OUT OF GOING TO CHURCH & teaching Sunday school, but I thought they were very sincere & loved God. To me it all seemed rather dead & the sermon was usually very boring & I was glad when it

was over. How they could be happy living such a life always puzzled me.

BUT EACH NIGHT WHEN I SAW THEM KNEEL AT THEIR BEOSIDE, side by side, to say their prayers, I knew that they had real faith that kept them going. They lived their religion day-by-day & were not doing it for "show" or to impress others. Their love for God seemed to be genuinely from the heart & this was evident in their desire to help people. My mother, who enjoyed singing humns, would often embarrass me in church by singing "heartily as unto the Lord" & people would often turn around & look at her. She did not seem to mind but went on singing, altho' she seldom sang in the church choir. MY FATHER ALSO HAD SIMPLE FAITH IN GOD. He gave freely to the church & was a "tither", plus he gave faithfully to missionaries & to Billy Graham's radio program in the latter years of his life. After my marriage to David, when we started living by faith & serving the Lord, he gave to us regularly & helped us out with money for special needs such as train fare, down-payments on trailers, vehicles etc.

Love Conquers All!

A new love in a new land leads to pioneering miracles!

—Thru' "faith which worketh by love"! (Gal. 5:6)

From Rufus; South America:
WHEN I ARRIVED IN SOUTH
AMERICA almost 2 years ago
with my 2 young daughters (ages
4 & 5). I had virtually lost hope
that true love really existed for
myself, other than my great
love of service to the King. But
then as the shy but enchanting
goddess of Latin America unveiled herself to me, I realised that
my life-long dreams had come
true!

SHORTLY AFTER MY ARRIVAL I MET THE PRETTIEST
SWEETEST GIRL I had ever encountered in my life.—A beautiful Latin lovely with big Spiritfilled eyes that made my heart
flutter every time she looked at
me. It seemed her countenance
always held a smile. She was a
Latin national who had been a
catacomber for 5 years, unable
to come into full-time service
because of antagonistic & very
influential parents.

AS A RESULT OF OUR
GROWING LINK, 6 months later she made the decision to

sleeping with each other, we real-

Dutce, Letin American national & new wife & Mom to Rutus & Mids's Completely by faith. But we had no trailer & no apparent source of getting one.

AS FAR AS WE KNEW, NO FAMILY IN THIS COUNTRY HAD ATTEMPTED living on the road with children, due to the severe economic conditions. I still couldn't speak Spanish & neither could my kids. Dutce was pregnant & had never pioneered before. However we knew we had to "flee the city" because of her family situation, so there was certainly no time to wait for a trailer. We felt so much strength together that we determined that God was able to keep us if we just went out by faith.

SO WE PROVISIONED BUS TICKETS & HEADED OUT to a mountain town to the South. After an exhausting 20-hour bus ride, we arrived extremely tired & a little frightened at the realisation of having arrived in this strange town without any funds whatsoever. I could barely muster enough faith to walk over to the nearest hotel & try in my, very primitive Spanish to provision a room for the night. Well,

PTL, they gave us a beautiful & very comfortable room & promptly begged us to come that night to their little church meeting to sing for everyone. The next day we met a very sheepy guy who offered us his home to caretake for the next month!

WE SOON LEARNED THAT
THE PIONEER FIELD IS THE MOST EXHILIRATING PLACE IN THE WORLD like being on top of the mountain, very rugged, a little lonely at times, but the view is absolutely thrilling & breathtaking, & the best part of it is that you feel free & fulfilled. My kids really flourished & very quickly learned Spanish. We also found that the field was an excellent proving ground for our relationship & really put us together as a pioneer family.

SOON WE REALISED THAT MY VISA WAS UP & that I'd have to leave the country. So again by faith we provisioned bus tickets & off we went, this stime to another country without a cent in our pockets. Well, again to our thankful surprise the Lord provided free housing the first day.

to our thankful surprise the Lord provided free housing the first day.

WE MET A HANDSOME YOUNG BUSINESSMAN from a prominent local family whom shortly afterward Dulce led to the Lord & began providing him with love as well as the sex he so desperately needed. He was completely amazed at our closeness & how natural Dulce was with the children & yet that we were able to give to him so freely. He in turn helped us with many of our needs as we all began to grow close like a family. The children showered him with love while Dulce spent many of her nights with him.

as sense had used to the breast & could now manage on his own.

HE HAD ALREADY BEGUN WITNESSING to everyone he came in contact with. In fact, because of his zealousness, the word spread quickly in this very small & conservative town, resulting in our being asked to leave our house. However, we discovered later that the people who had asked us to leave had eventually lost their jobs & house & were on the streets asking for a place to stay! Others who had accused us also lost their jobs as we saw the miraculous rod of God's judgements fall on this small town. Because of our decision to "shtick" for our

To really win him, the Lord altowed her to temporarily fall in love with him, providing the first that the accusations were not true as our ministry continued to serious test of our relationship. TTL for the Words of our Shepherd which we continually referred to, sometimes in desperation.

WE BOTH KNEW THAT THE LIGHT PEOPLE SAW IN US & our relationship was only a gift from God & that He had certainly planned to use it in this very difficult task of Flirty Fishing. I also knew that what God had given to me could easily be withdrawn as well as our whole testimony destroyed if I resisted or withheld. So by God's merciful grace, we kept jealousy subordinate so that this Fish really began to grow & developed an unbelievable thirst for the Word, especially the Letters.

JUST AS I HAD MADE THE HARDEST DECISION OF MY LIFE, to forsake her if the situation required it, this sweet precious Fish had made the decision to give her back to me, as he was so convicted by our sample & his love for all of us, especially the children, that we all needed to be together as a family Of course, this was after he had already grown in the Spirit & in a sense had been weaned from the breast & could now manage on his own.

Our kids were also exceptionally well behaved (well, most of the time, ahem) & I was always doing the dishes & cleaning the kitchen & bathrooms to the horror of the Latin men. GRADUALLY PEOPLE BEGAN TO COME TO US FOR COUNSEL & opened their lives to us. Several were saved & many lives were changed & affected, including one of the prostitutes. The whole experience there taught us a world of lessons about the people of this country, as we were temporarily willing to come down to their level & relate to them. It was here that my children & I learned our Spanish & it was here that I truly fell in love with Latin America. By the time we left, the spirit of the house had totally changed, with everyone sharing their food

& cleaning up after each other, & there was good communication between everyone as if it was one big Heavenly Home.

AFTER WE FELT OUR WORK WAS FINISHED in this small town, we proceeded to the capitod of this beautful country where we are now staying with some very gracious & loving Faminish will be as a result of our loving sample with each other. We are definitely convinced now the loving care of a single isister whom we live with who is now are again preparing for the road. We have a big mailing list now from our previous 6 months on

"TITHING & THE FN"
brought a big response & many victories to our precious Family!
"I think I never realised that the Lord gives us so much until we started keeping track of its value for our Tithe. It also gives me more faith for needs & I feel more in the Will of God. Thank you for that Letter, Dadl", says isabel in Portugal. "It really got us out of our letharpy & self-ishness & got us on the attack, resulting in many more blessings from the Lord!"—Francis & Rosee in Canada. "You were never one for pulling your punches, Dadl TTLI It's just as plain as day. You covered the whole subject so well & clearly never one for puting your purches, Dad ITTLI It's just as plain as day. You covered the whole subject so well & clearly. We really thank the Lord for you & your simple real faith, Dad, that keeps us on the rails. We're behind your decision all the way!" say Isaac & Ruth in Indonesia. Finally, Geof in New Zealand commented: "I feel Tithing & the FN' is giving us all the vision for greater obedience & dedication, to encourage many of us to be not merely satisfied with being 10% ers or 100% ers, but 110% ers! I want to say how wonderful & inspiring it is to be in the Family & to see how we are all learning to see how we are all learning to

love each other more & more as time goes on! ILY both so much."

TESTIMONY FROM TENE-RIFE: From Bev (mentioned in the FF Letters): "Since arriving here things have been rolling! We've opened a nice new Home & we're continually meeting hungry hearts, winning new souls & ministering to preclous friends of the Family. There is so much work to dol—lt's thrilling to be on the ball again, riding the wave & seeking first the Kingdom. Since coming here I've fallen in love & now have a precious Spanish mate, Jose Maria, & the Lord is knitting our hearts together more & more in His Service. We go out singing several nights a week in restaurants & cafes & every night we meet open hungry hearts to share with. Again, thank you for your help & encouragement to get back on the wall again, back on the front-lines in the Lord's Army. The furlough did me good, but how lonely life is away from close Family fellowship! I'm really thankful for all the Lord has

MWM EDITION & 'HARD ROCK BANDS: "Absolutely true! Before joining the Family. & during the time! was 'gone'! was a musician in a well known rock group. I had money, women, drugs etc. but always felt empty inside. I want to say that all you said in 'Hard Rock Bands' y & The MWM Letters is absolutely true as I have lived it! In the Family! blessed with a chance to know Paul & Marianne, Dave & Carmen & a few sisters who FF'ed with you in Tenerife. Their sample left an impression on us that we have been doing our best to live ever since. We know you live what you say because we have seen this sample. We used to say, 'Oh if we could only have the chance to live with & talk with Dad & show him our love face to face' but we know that seeing your sample in them was that blessing & we always thank Jesus for it!"—Santiago & Siloam in South America.

for it!"—Santiago & Siloam in South America.

THE SOUTH AMERICA MAG & "LOOK BEFORE YOU LEAP" & others were a tremendous guidance to our worldwide Family as they prepare to move to higher grounds. "The biggest event of the month so far has been the new Mag about South America! I guess by now you already know the sad news that the rightist Democratic Alliance won the elections here, bringing Portugal closer to the capitalist world for which she will suffer even more. So this seems to be Portugal's last chance to get the message before the war."—Isabel Marle in New York says, "We were very encouraged by 'Look Before You Leap' as we never had the faith for going to S.A. & received criticism by other Family members for not going. So I am so thankful that you always come out with the right comments & suggestions."
"We want to write a hearty 'Amen' to the S.A. Mag. After having lived in several Latin countries, & Jonathan being a Colombian national, we both felt that the information given was a very accurate picture of the situation here."—Jonathan & Delia Nubes in S.A.

O THE LID WAS AND BEEN CHRISTMAS!"

Folks, I'd like to ask a question: b. What is Christmas Day all about? Some folks buy a lot of presents, Some folks just decorate and shout.

Some forks just decorate and shout,
Is that the real, real Christmas?
Or have I been played a fake tune?
I'd really like to know the answer.
Please help me find it out soon.
Why not mix religion with "X-mes",
As some men call it today?
Their pulling "Christ" out from "Christmas".
Really spoils our fair holiday.
It's Jesus' day—Let's let Him have full sway!

What does the word "Christmas" mean really? Something about "Christ" and a "mass"? Should I seek for a bargain sale, or a real seal? Things made out of metal, wood, and glass? Some say Jesus Christ was born on Christmas, But didn't He say go and win the lost? Wouldn't it be most fitting if on Christmas We spent time doing this, despite the cost?

Wouldn't you say that it's selfish, When Someone has a birthday, To buy and give gifts to each other, And let Jesus go His lonesome way?

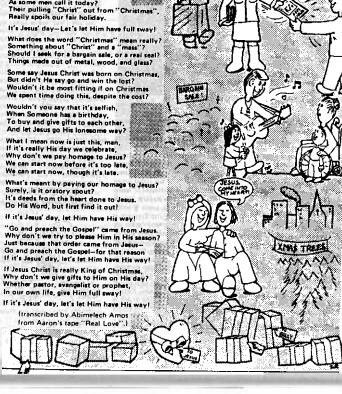

What I mean now is just this, man, If it's really His day we celebrate, Why don't we pay homage to Jesus? We can start now before it's too late, We can start now, though it's late.

What's meant by paying our homage to Jesus? Surely, is it oratory spout? It's deeds from the heart done to Jesus. Do His Word, but first find it out!

If it's Jesus' day, let Him have His way!

If it's Jesus' day, let Him have His way:
"Go and preach the Gospel" came from Jesus.
Why don't we try to please Him in His season?
Just because that order came from Jesus—
Go and preach the Gospel—for that reason
If it's Jesus' day, let's let Him have His way!

If Jesus Christ is really King of Christmas, Why don't we give gifts to Him on His day? Whether pastor, avangelist or prophet, In our own life, give Him full sway!

ed, more or less behind the scenes, in the recording of about 250 songs for MWM, about 208 of which have already appeared on 26 MWM Shows! So this is really a blessing, to add it all up e & realise how much work has been accomplished!

WE ALSO PIONEERED THE VIDEO SHOWS with your encouragement, & I believe now we have actually 4 video shows completed that you've seen, & Lord willing, many more to come!

That was a major victory!

ALSO IN THE COURSE OF LAST YEAR WE ANSWERED 100'S OF LETTERS from Family members & friends, & we've written many musicians to inspire them to send us their musicor to come if they can to record with us.

IT'S BEEN A REAL BLESSING TO SEE HOW THE LORD IS RECLAIMING THE MUSICIANS, & we believe there are going to be more to come this year if we continue to write them! & encourage them & do all we can to give them the love that they need to come back to the Father's house & use their talents for the Lord.

WE'VE WRITTEN APPROX. 181

OF THESE PRODIGAL SONS, your prodigal sons, musicians & their music, for the Lord & MWM, & that we can continue to produce His message in songs & dramas to inspire our children & our worldwide Family & you, Dad & Marie, & that we can continue to win the world for Jesus & as many souls as possible for His Kingdom in this new year thru' the airwaves & even possibly television, Lord willing, MY MO QUOTE FOR THE NEW YEAR that I'm claiming is, "Having once met the Man who went about every where doing good, how could we ever live selfishly again? Freely ye have received, also freely give, & unto whom much hath been given, of the same shall much be required." That's No. 51:19.

I BELIEVE I'VE RECEIVED A LOT. having bad 9 years

I BELIEVE I'VE RECEIVED
A LOT, having had 29 years
with you, & I believe that much
more is required of me, & I hope

that the Lord will help me to give as I have freely received & that I will be the blessing & help to you that I should be & in faithfulness & obedience to continue to inspire the world thru'songs & MWM & His message, TYLI (Amm! GBY/D) SO WE ARE SO THANKFUL THAT WE HAVE THIS PRIVILEGE! I guess we sometimes wonder if we are "has-beens", & then all of a sudden we find our calling & we realise that the Lord has been breaking us thru'the years & remaking us so He can bring us into what He really wants us to do, years of learning. That's what I was telling some of the new prodigal musicians coming in.

THEY WONDER WHY THEY HAVEN'T BEEN SO MIGHTLY USED IN YEARS, & I got the quote where you said, "Why doesn't the Lord have more lead a ers?—Well, He can't break them

"I WENT TO ONE STATION where I met the manager & program director who agreed to put it on 4 times a week for 15 minutes each at a good hour starting now! He later told me that one of the DJs said it was kind of 'religious' & he wanted to put it on Sunday mornings, but the Director said, "Not at all! We're going to put it on a good time, 4 times a week, so get busy doing a presentation for the program & a translation of the address for the end to help these guys with their Club! Hal PTL! But this is not all!—There is a friend of mine at a library & when I told him about the tapes, he put them on the PA system. All of a sudden a guy jumps up & says. "What music is this?" He was a DJ at another station, a cultural station with a different audience. He really liked the music & wanted me to put him on the list right away for a 15-minute show each week in his weekly ½-hour contemporary music show. So I'm amazed at what the Lord can do. As Dad said already, "If you believe in the product & know it's good, now you can sell it!" "WELL, THE SHOW IS ON THE AIR IN MAURITIUS! For a start we had to fly there from Reunion. But the Lord raised up a king who paid both return tickets for Melody & me, plus another king who invited us to stay for free in a hotel with food & chauffered car for 5 crazy wonderful days on the beautiful island of Mauritius! Melody shared with him & as a result he prayed to receive Jesus, as well as the hotel manager & 3 girls we met singing at one of the top discos. We also met the Program Director of the Broadcasting Corp. who liked the Show sooo much, & as a result it will be on the air every Friday & then change, DV, to every Sat. or Sun. evening before TV time. What The Family Says About The Latest Letters & Pubs!

-From the Monthly Reports! Compiled by Maria!

"AFTER READING TITH-ING & THE FN"—the part a-bout tithing on your 'bonanzes'—David started giving on 2nd-hand clothes given to us, gifts etc. At first 1 thought it was go-ing too far, but at the same time I was really very proud of his honesty. We were saving to leave the U.S. & had 2 small gold pieces. But convicted about back tithes, David turned our savings in to send as our Tithe. back tithes, David turned our savings in to send as our Tithe. The Lord has given us so much, we really could never repay Him. It also convicted David to put aside, above our Tithe, a special offering for someone or worthy cause in the Family. We'd still like to leave the country, but Safter giving I feel more at ease that we'll either get out before it happens or He'll keep us if it does!"—David & Nogah Paslms: US.
"READING TITHING & THE

dost"—David & Nogsh Platins; Us.

"READING "TITHING & THE EN' REALLY CONVICTED US about all the little ways we have been cheating God by not tithing our full Tithe, like only tithing our paycheck & not the amount before taxes & not tithing clothing diffs etc. We are ing our paycheck & not the amount before taxes & not tithing clothing gifts etc. We are sending our savings which we had planned to use to go to S. America with. It has been very hard to save money in spite of my high salary. I think the Lord has been telling me the money has been slipping away because of our failure to give Him more. So here's \$600. It may or may not be what we owe on our Tithe, but it can't ever come close to what the Lord has done for us. If the Lord wants us back on the mission field (& we know He does), we will have to trust Him to get us there Himself. We hope this to be our 1st step to living by faith again like

in times past. It used to besto common to give all your savings to help a pioneer effort, & the Lord always blessed. Now we have developed the attitude that we need it to survive, & the Lord hasn't really blessed us. We are doing well financially but we are spiritually dry. So here's a start. I know that Letter will cause a financial & spiritual revolution heard around the world!"—Andre & Gala; U.S.A.

"I'VE HAD A POOR ATTI-TUDE TOWARD GIVING. Al-tho' I've been faith ful to tithe, I haven't been sending extra gif like I used to. The Lord's been warning me about this too by causing a delay in unemploym insurance paychecks I've been receiving."—Josephus; Canada.

"WE DECIDED TO TITHE
OUR TOTAL INCOME. It was
a big trial, but we know the
Lord is going to bless it. It was
heavy to think about some giving their whole lives 100% for
the Lord. We can at least give
10%! Immediately the Devil
attacked by sending us new bills
we did not know we had, but
even that was a blessing because
now at least we know about it.
So we are really glad we could
help the Lord's work a little bit
one day before the Devil tried
to swallow it all up the next
day!"—Phillis Europe.
"THE LETTER ON TITHING

I've been alone with my 4 kids off & on for some time now, the Lord has never failed to supply enough to pay my 10%. The Lord gave it

"TO START WITH I WAS AB-SOLUTELY SHOCKED to read what John Todd says about music! My first reaction was negative.—How could that be?! But the Devil sometimes makes you angry at the truth because he is about to be defeated by it, & tho' I am not a hard rock' fan I felt some of the system music wasn't so bad—a hangover from being at Florence, Italy, & listened to it frequently not realising the effect it was having on me. Now I see & understand that it was putting me to sleep, & althoit id not have an out-&-out demonic message it was hindering me by not pushing me forward in inspiration. Thank God & all of you for having the guts to publish such a bomb! I feel similar to one of Martin Luther's old followers who after conversion literally wanted to smash the old idols that he had worshipped previously. I agree wholeheartedly with what was written. At this point I also feel similar to one of Martin Luther's cold followers who after conversion literally wanted to smash the old idols that he had worshipped previously. I agree wholeheartedly with what was written. At this point I also feel similar to one of Martin Luther's cold too much. My spiritual sense to tell good music from bad has been so warped by these, that I feel that I can only stick to what I know is from God to be safe. Thanks for a good shake-up! We would like to know more & wait eagerly for details."

From Merisha: Australia:
WHILE I WAS IN S.E. ASIA
MY PARENTS CONTACTED
ME, saying that my mother had cancer & that they would like me to be there for the operation.
Well, I wasn't very happy in the particular Home I was living in so I felt like this was my way of escape.

THEY SENT ME A ROUND.
TRIP TICKET. Upon my arrival home they told me my mother didn't need the operation after all. My mother asked me if I was planning on returning to "the group" & I said yes.
THE VERY NEXT MORN-ING I WAS BESIEGED BY 3 DEPROGRAMMERS. I must have had it in my heart to go back, or else I wouldn't have allowed myself to get into this situation. I was awakened by these 3 deprogrammers early in the morning. I knew who they were right away from their spiril, In fact, the night before I had felt frightened & had a hard time getting to sleep.

I CAME ON VERY LIGHTLY to them & told them that I got the Letters because I felt they were interesting & even amusing. I felt it best not to rant & rave & cerry on but to go along with them, so it would all get over a lot sooner & they'd feel their mission was accomplished.

ONE OF THEM TOLD ME

PLE STEREOTYPED as to what they go thu' in "cults" & when they come out of them. They themselves are a group geared to totally destory people's faith in whatever it is they believe that isn't accepted by the vast majority or has any tones of fanaticism.

I WAS ABLE TO GET QUITE

A LIST OF PEOPLE who are affiliated with deprogramming, as well as their material if it should come in handy. At this time my mother was totally freaked out & didn't mail the 2 letters I gave her to mail when I arrived in New York, & Abarim & Les (my Fish) were very concerned. My mother wouldn't talk to Abarim on the phone, SO ABARIM DECIDED TO COME TO RESCUE ME. I blew it again by not trusting my

SO ABARIM DECIDED TO COME TO RESCUE ME. I blew it again by not trusting my emotions & the trust I had in Abarim in the past, but just casting it aside & listening to the lies of the Devil. I lied to Abarim on the phone, which caused him to return to Australia after much hassle on his part to try to get me & my parents to court in N.Y. & my trying to get Zephy, our son, from him.

THE DEPROGRAMMERS FED MY DOUBTS ABOUT HIS TRUE MOTIVES & reasons for being there. I also felt guilty that my parents spent over \$15,000 on my deprogramming, & I felt they really loved me. But I was torn about my feelings toward the Family as I had felt very rejected in Australia & alone in S.E. Asia.

SO HERE I WAS IN THE MIDST OF MY ENEMIES, looking for understanding! It's so ridiculous that I can hardly be-

SOME LETTERS THAT HAVE HELPED ME have been "The Prodigal Son", "Leshes of Love" & "One Wife" (on forest letter music ministry).

As A Brand From The Burning!

The system will burn all the life, spirit, faith & hope out of you if you compromise!

From Oshes, new wildly willing W.S. full-time worker:
Dear Peter,
HERE'S A LITTLE TESTIMONY I DID FOR THE FOLKS.
Hope it's an encouragement! It was really hard to write & get done, & I almost didn't do it!
But I figured that if I was having so much trouble doing it that it must be the Enemy fighting it, so it must be worth something after all! ILYI—Oshes.
Dearest Dad & Maria,
GBYI THE LATEST LETTERS HAVE BEEN SUCH A BLESS-ING. We're practising "Sunday Fellowship" today & it's so inspiring—the best of fast day & free day! PTLI.
IT'S REALLY REFRESHING SPENDING TIME TOGETHER IN THE WORD & fellowship as a family! From my own experiences in Costa Rica, I know how badly we needed fellowship at times & how dry we got without it. (The nearest Home was an hour away by bus & we just new-

e life, spirit, faith & hope out of you if you compromise!

ar seemed to make it there.] It's like any other thing you need to do-you have to make a specific time for it or it doesn't get done!

The Letter was o needed.—I think it will really inspire & renew the unity of many on the field!

SOMETIMES WHILE READ-ING THE REPORTS that come in here, it breeks my heart to see many brethren in the same predicement that I was in. Altho'

Liz & I had a good income, were tithing faithfully of all we received & witnessing to those around us, we'd begun to cool off a little bit in our fire for the Lord because we were so involved in the things & cares of this life.

WHEN I FIRST GOT MY JOB IT WAS AN ANSWER TO PRAY-ER. We'd been working for the KOS in Peru & Venezuela & when we moved to Costa Rica when stats & finances. But when Shaul & Abiah began doing the stats themselves, we didn't

AS AN ACCOUNTANT—which was truly by faith since I'd never had any system training at it or any experience at it outside of the Family. It was a big change for us but a blessing too, since it gave us a chance to witness to many of the weelthy & influential of Costa Rica as well as to those we worked the closest with AT FIRST WE HAD A BIG IMPACT. The Lord gave us some real sheep to minister to & feed—people who'd never been reached by the Family before! We often had 3-4 visitors a day, sometimes at the same time, & there was crarly an empty moment. There were students, businessmen, ratirees, a wine importer & even one of the city fathers, a very important man who was being FF'ed by one of the sisters who lived with us. Liz's folks came to visit too, so we were pouring out almost continually, Hallelujah!

AS TIME WENT ON I BEGAN TO GET MORE INVOLVED IN BUSINESS. My job went from part-time to full-time & then over-time! My boss got extremely weelthy from his company's investments, & we went from a two-man office, myself & a secretary, to dozens of employees on three floors of the office building we were in, as well as ownership of an exclusive private club overlooking San Jose, & management of the largest investment company in Central America.

BUT AS WE GOT MORE IN-VOLVED IN THE SYSTEM &

ment company in Central America.

BUT AS WE GOT MORE INVOLVED IN THE SYSTEM &
BEGAN PUTTING LESS EMPHASIS ON THE LORD'S
WORK & witnessing. He began
drying up the blessings. Altho'
we had a fairly good income we
began getting into some debts
& it seemed ever harder to make
ends meet! We had conflicts
with some of the people living
with us & they moved out, leaving us on our own for a while.
"PROBLEMS JUST TUMBLED ABOUT US & heavier came
each task." And I think one of
the biggest problems was that

we didn't seek the Lord as much as we should've because we were afraid of what He'd say.—In our hearts we knew we hadn't been obeying as we should. And as you said, "IF YOU'RE NOT FULLY OREYING THE LORD, THEN

you said.
"IF YOU'RE NOT FULLY
OBEYING THE LORD, THEN
YOU CAN'T HAVE FAITH
FOR GOD TO BLESS YOU
when you know you're not obeying Him. How can God bless
disobedience? He cannot protect, prosper or bless you when
you are out of His will & running
around outside of the secret
place & from under His shadow
—His wings—and His fortress of
perfect fellowship with Him."
(731:81.)
SO, ALTHO' THE LORD
STILL USED US, we just weren't
the testimony we should
have been. "If the Devil can't
keep you from being a Christian.
He'll try to keep you from being
a revolutionary Christian. He'll
try to make a gead one out of
you instead of a real jivg one!
The biggest thing the Devil will
try to do is defeat you from being a good semple to win others,
because he knows now he's going to lose others from his clutch
es because of you!" (731:66,68.)
It's hard to be an effective wit;
ness when you know you aren't
obeying the Lord 100% & giving
Him your all.

AFTER LIZ & I BROKE UP,
jwas really broken up too!
wanted a change so badly &
sought the Lord in desperation.
I told Him I'd obey Him no matter what & keep on going, no
matter what the cost. And the
Lord asking me if I was willing
to forsake all again, then at that
instant, & put Him first again!
The choice was hard to make for
a minute but I'm sure glad I
made the right one!
THERE'S NO STANDING
STILL IN THE LORD'S WORK.
You're either going forward &

making progress, or sliding backwards. (Maria put it perfectly when she said I was like "a brand snatched from the burning"—Amos 4:11. The system will slowly burn all the life, spirit, faith, hope & joy out of you if you begin to compromise with it.)

I COULDN'T GO BACK TO SLEEP THAT NIGHT, & when I opened Book 3 to "Forsaking All", I knew the following verses were just for me: "Once you have chosen God & His way. He refuses to take second place to anything or anybody & will not let you put any other gods before Him—not your old job nor your old boss or even your old family & friends!

"FOR BUSINESSES & BOSSES CAN GO TO HELL as far as God's concerned & where His work of saving souls is concerned if businesses & bosses stand in the way! Nothing is more important than God & His work of love to save the youth of today, & all the ungodly businesses & bosses can go to Hell, where some are probably going anyway, rather than stand in the way of the salvation of just one poor young lost soul—maybe even yours!" (314A:4,8.)

SO I'M REALLY THANKFUL & HAPPY TO BE SERVING THE LORD FULL-TIME AGAINI And it breaks my heart when I hear of many (esp. in the States) getting into full-time jobs that hinder their testimony.—I know what they're going thru! There's a time & place for everything, even a job, but it seems like some are getting involved needlessly when they should be trusting the Lord more!

YON! SIEF ADDECICATE

when mey should be trusting the Lord more!
YOU SURE APPREICATE
THE LORD'S LIGHT & LOVE
A LOT MORE when you've had a little taste of the pit's darkness. I'm really thankful the Lord can still use me in some way—& am really excited about the new prospects! God bless you, Dad!
You're the best father a family ever had! We love you! With much love,—Oshea. (PG! TG He recued you for His work!-Love,-D.)

Getting Back On The Track! The dark road of doubts & disobedience-& God's loving chastisement & mercy!

The dark road of doubts of From Liz Scribe:
Dear Dad & Maria,
GBAKY SAFELY IN HIS
CARE, we need you & your precious sample so much, maybe I never realised how much before. It's taken a long time to try & write this letter, but I feel like if I take a step of faith, even such a small one as writing to you, the Lord will begin to show us more truth & a plain path.
I GUESS I SHOULD START BACK A FEW MONTHS AGO or maybe even a few years ago to try & tell you what has happened to bring me to the place I am now.

or maybe even a lew years ago
to try & tell you what has happened to bring me to the place
I am now.
FOR SO MANY YEARS
THERE HAS BEEN SOMETHING WRONG, some nagging
little doubt or something not
right that hindered my effectiveness for the Lord & made my
service something less than wholehearted. But in the last year or
two it seemed to become more
& more obvious & more & more
of a problem or hindrance.
I NEVER COULD QUITE PUT
MY FINGER ON IT, but there
was always something wrong, &
in the past six months it seemed
more & more like everything we
did was becoming fruitless—our
witness (what there was of it)
was ineffective & we were becoming drier & drier, & it seemed
like we were hurting more people
than we helped.
WE WERE UNHAPPY, DISSATISFIED, DISGUSTED, & so
were the people we had living
with us, altho' it seemed like we
were like wellowere we had living
with us, altho' it seemed like wellowere

SATISFIED, DISGUSTED, & so were the people we had living with us, altho' it seemed like we had a lot of material blessings—good housing, finances, Oshea's job etc. "But problems just tumbled about us & heavier came each task." The two girls who were living with us (Julie & Margarita) left in disgust & despair both with us & their own lives,

& it just seemed like we didn't know where or how we had gone wrong.

THEN TO TOP EVERYTHING OFF, ABDON SHOWED UP from the States. He seemed to have anything to do with him sexually. We convinced him to go back to the States, feeling that he could never make it in Latin America.

I DECIDED TO TAKE THE 2 CHILDREN & GO WITH HIM & some other friends that were going that way. I felt at the time if I could just get away for a while maybe I could figure out what was wrong, & we were also considering buying a trailer & driving it back down to Costa Rica. Along the way we had terrible fight & I left him on veryebad terms, & the children & I flew from Guatemala City. WE ARRIVED AT MY MOTHER'S HOUSE on June 21st & almost immediately I began work Ing at her restaurant. The cook there seemed like a very nice, sheepy person lactually a wolf & a perfect picture of a neutral). I was completely deceived & opened my mouth like the earth & swallowed all his lies & deception. We began spending a lot of time together.

WHENEVER I WAS WITH HIM IT SEEMED I COULD FORE GET ALL THE PROBLEMS & trials of the past months (in other words, the Lord's conviction & His trying to work in my life). Before long i found myself saying "WHY CAN'T WE JUST RELAX & ENJOY LIFE? Why do we always have to be so serious & suffering & worrying about our responsibilities & what we've done wrong etc.? Why not just forget it all & enjoy life?"

Barbana did her with a did him in washing work in my life). Before long it found myself saying "WHY CAN'T WE JUST RELAX & ENJOY LIFE? Why do we always have to be so serious & suffering & worrying about our responsibilities & what we've done wrong etc.? Why not just forget it all & enjoy life?"

DEVIL'S GOT YOU, then he begins showing you the true picture of what he really has in mind.
Lonnie began drinking heavily.
& when he did an evil spirit would come to the surface, which was what actually controlled him.

AT FIRST I REFUSED TO
BELIEVE IT & tried to say it was just a one-time thing & that he'd never do it again. But before long it got to the point he began telling me his past history (7% years in the Indiana State Penitentiary for manslaughter), his spiritual experiences with demons etc.

BUT THE TURNING POINT CAME one day when he was sober, seemingly in a very good mood & starting to tell me in detail experiences he had had with spirits etc., leaving his body, hurting other people etc. I got the verses "The Devil is a liar & the father of lies" & "Resist the Devil & he shall flee from you." SO I GOT THE KIDS & LEFT RIGHT THEN & went to my mother's house. The next morning I called Oshea to tell him I'd gone home. But still Lonnie had an influence over me & after that began to act very nice & sweet & begged me to come back. THEN WHEN I TALKED TO OSHEA & HE TOLD ME HE'D BEEN ASKED TO WORK WITH W.S. overseas, I went back once again.—By that time I had allowed myself to be totally deceived & confused by the Devil. There was such a spiritual battle going on, but the Lord pulled me out again.

11'S HORRIFYING WHERE

& confused by the Devil. There was such a spiritual battle going on, but the Lord pulled me out again.

1T'S HORRIFYING WHERE MY DOUBTS & DISOBEDIENCES TOOK ME, & it's just a miracle of God that we did get away before anything else more serious happened! I know now thru' sad experience there is no substitute for giving all, everything, 100% to the Lord & His Service without reservations, & I pray He'll give us another chance just to start all over again at the bottom. "I'd rather be a doorkeeper in the house of my God than to dwell in the tents of wickedness." (Ps. 84:10.)

AT FIRST I WANTED TO SHOVE THE RESPONSIBILITY OFF on Oshea & try to say, "He needs to help me make it becaus! I'm too weak." But God bless his faith to just go on & do what God wanted him to do, trusting that He would take care of us. This morning! read "Faith & Healing".

IT'S SO CLEAR THAT WE HAVE THE DEC!

IT'S SO CLEAR THAT WE HAVE TO MAKE THE DECI-

sion of Faith ourselves
all alone to trust him no matter
what, & nobody else can do it for
ws. If I can just learn that lesson
& give my life 100% without resvervations it will be worth everything we've been thru'. I have
to do it for the children's sake so
that they can learn to live the
life of faith & not have their
lives & service for the Lord harmed by my lack of faith.
I COULDN'T SAY IT WHEN
I DIDN'T HAVE THE VICTORY
d BUT I'M SO HAPPY NOW that
Oshea has been able to go on to
serve the Lord full-time again &
k. to really be of use to His Kingdom. It was the Lord's hand &
His doing & we know he'il be a
blessing there.

DEAR DAD, PLESE FORGIVME FOR ALL MY REBELLION
& disobedience which has been
such a hindrance to many. More
than anything I want to get back
on the right track now & serve
the Lord wherever He wants us.
We want to be part of the Family
giving 100% & northing less.

RIGHT NOW MY PLANS ARE
JUST TO STAY HERE UNTI.
THE LORD SHOWS US WHERE
TO GO, as I know He will if we
just trust & obey. I just want the
Lord most of all to help me be
willing to go anywhere, to do
anything for anybody & to be
willing to go anywhere, to do
anything for anybody & to be
willing to go anywhere, to do
anything for anybody & to be
willing to go anywhere, to do
anything for anybody & to be
willing to go anywhere, to do
anything for anybody & to be
willing to go anywhere, to do
anything for anybody & to be

anything for anybody & to be

willing to go anywhere, to do
anything for anybody & to be
willing to be nothing. I feel like
the Lord has some specific answer for us & something specific
he wants us to do to really getback on the right track for Him.
so we're going to wait here for it
as we know it's on the way.
THANK YOU FOR YOU

BRASIL: The number ofHomes in Brasil is exploding, &
most of our disciples there are
nationals. We now have 93
Homes in Brasil, with 250 adults
& 138 children.—59% of these
93 Homes are Local Language
Only Homes. We have received
so many testimonies & comments
& have observed from the Reports that the brethren there
are growing a lot & are spiritually maturing since they have had
the whole counsel of God in
their hands. PTLI
ALSO, SINCE WE BEGAN
SENDING MAIL CERTIFIED

SENDING MAIL CERTIFIED to the Homes in Brasil having problems with their mail, we have not had one more complaint! And the Homes that were affected wrote us thanking us & testifying that they have not missed one mailing since then! So perhaps it could be a solution for the most affected Homes.

omes.
CONCERNING THE WORK CONCERNING THE WORK
IN SOUTH AMERICA: We can
see great progress being made
thru' the months in the progressive maturing of the Homes
in Spain in the beginning of the
VS program, almost all our re-

ports were negative, & it was a great spiritual battle to see the state of the brethren in the Homes. clear example of how powerful the Wags & the Letters are!—A brother won totally from the Spain we can see a maturity in the work the brethren are doing in general!

in general.

IN SOUTH AMERICA ALSO
LITTLE BY LITTLE WE ARE
SEEING THEM MATURE, especially in some countries more
than others. There's still a great
lack of shepherds, which we
hope God will supply, perhaps
from all the brethren going there
from other countries of the
world. But anyway, the most
important & true shepherds are
the Letters which, TTL, we can
supply them! It is the Word
which "cleans"! "Faith cometh
by hearing the Word of God!"
WE HAVE A LITTLE TESTIMONY of how the Letters are
5 the principal life-changers. In
the North of Spain (in the Basque area) there is a young man
who first wrote us B months ago
requesting a "Basic Course" of
our beliefs after having received
a Letter on the streets. He liked
this material so much that instead of getting the mailings over
a 3-month period as usual, he
"ate them up" much sooner &
soon-became an IRF. When the
Letter "The Tithe" came out,
he switched to TRF. With each
letter we could see how he was
growing & anxious for more.

WHEN VICENTE & PILAR,
THE VS'S, WENT TO VISIT
HIM on this month's trip, they
were very turned on how he
knew the Word. Instead of their
having to witness to him, he was
so on-fire he was almost witnessing to them! He was certain of
s his Salvation & having the Holy
Spirit & could really quote the
Word on it! After this Christ-

Mail Ministry! This has happened in several other cases tool ONE INTERESTING THING WE'D LIKE TO POINT OUT is that the number of IRF Homes began gradually dwindling down as they passed on to being TRF ever since last May. We would say that we lost very few along the way, & most have gone on to being TRF! Hallelujah! Also our total number of Homes has almost never gone down any month, & it is constantly on the rise! Even when we lose a couple who decide to possibly report elsewhere, we gain usually several times the ones we lose! Many of the Homes we have reporting to us were backsliders who began reporting when they found out about the LIM & the Mags! (This is especially true of South America where we have been able to win back many of the native speakers to full-time reporting!)

THANK GOD WE ARE STILL GETTING OUT THE MAGS AT

THANK GOD WE ARE STILL GETTING OUT THE MAGS AT THE SAME PACE AS THE ENGLISH! Now more than ever we are desperately praying to keep the pace because of the immense amount of new English material coming out which all seems so interesting! Your Words are the best gift for Christmas & the New Year. Anyway, so much Word is being such a revolution for our disciples, TYL! There is hardly enough time to read each Mag before the next one comes out, & we don't dare not read anything! It is your Word that gives unity & strength to be a revolutionary Family, the "Children of Love"! Thank

you! Thank you! Thank you! THE BIG THING THIS MONTH & SOMETHING WE ARE VERY THANKPUL FOR IS THE VIDEO! We saw the MWM & office videos & it was such an inspiration to see so many brothers & sisters with the vision & happy in Jesus.—You feel like you are there with them. Also we showed some of the MWM videos at a united gathering. We were also so turned on by the Danish Pop Festival video. As you wrote, it was "thrilling"! Halleujah! LATELY WE WERE PRAYING ABOUT SOMETHING TO UNITE & INSPIRE THE HOMES of Spain, & the Lord's answer was so clear—Videos! So, TTL since the Lord so miraculously supplied s for it this month, we invested in a color TV, video unit, camera & recorder. So now we have a new wission to be able to travel in different parts of Spain to show them the videos & tape them also to send to you.

ONE LETTER WHICH IM—PRESSED US A LOT & GOT US & ON-FIRE IS "ILLUMINATI"! It gave us much conviction of she power we have with God & to see how much into the End with the power we have with God & to see how much into the End with the power we have with God & to see how much into the End with the power we have with God & to see how much into the End with the power we have with God & to see how much into the End with the power we have with God & to see how on the side of God.

ANOTHER ANSWER TO PRAYER IS "SUNDAY FEL-LOWSHIP", since we need & want to have more fellowship between our two units—the mail ministry & TCC, & here is the excuse we needed. "The Reagan Reaction" was a bottle-breaker but very needed & very explanatory, TTL!

OUR OFFICE IS STILL "EN MARCHA"—working well—with Vicente in final statistics from the 7th till the 17th of each month. He's a whiz at stats, PTL! with the 17th of each month. He's a whiz at stats, PTL!

The VS's OF PORTUGAL, bebd & Estrella, report that Jac bo is doing really well. He is still living by himself in a tent. He has been litressing every day & singing in a restaurant in the evenings. He also has been visiting all the people that WS & the LIM have asked him to look up. And now he has a young couple with their child coming over every Sunday for fellowship, & he is doing a Church of Love in the park. Ebed said he really has a unique ministry in this city.

They write: "Our many vehicles, buses & trailers parked in front of the house aroused the attention of curious neighbours who obvious ly called the local police." They believe that the Lord allowed this little persecution to break up the blob there & get everyone out on the road.

THE CENTRAL AMERICAN VS'S, Obeth & Paloma, report that the Family there has gotten MWM on the radio. It comes on every Thursday from 9:15 9:45 p.m. on a very-much-listened-to station which normally plays dis co & rock music. The station hooks in with 3 other stations at that time, so as to cover almost all of Guatemala & the southern most part of Mexicol

WE LOVE YOU, OUR KING & QUEEN, SO MUCH! "I have blessed thee above all the sons of men on the face of the earth, that even as Abraham, thy send shall be as the stars of the heavens in multitude, & as the sands of the sea innumerable. And all generations shall call thee blessed." (No. 77:49 "David".) Hallelujah! Let us know the ways in which we can serve better! Much love, Dave & Carmen.

Publishing The Whole Counsel!

How the Spanish-Portugi sese LIM keeps up with each complete English Mag!

WE GOT THE CONVICTION
TO GET OUT THE COMPLETE
MAGS with the "KQL Revolution" Letter & other WS advisories. One advisory especially hit
the spot when Peter asked us to
report what parts of each Mag
we were leaving out!
WELL, AT THE TIME OUR
MAGS WERE WHAT WE NOW
CALL "PUDDING MAGS"—a
mixture of an article from this
Mag & a Letter from that Mag &
something else from yet another
Mag, so that a Spanish or Portuguese Mag of a certain number
did not really correspond to the
same number English Mag. So
we really felt we were blowing
it & also felt we were failing our
disciples.

we really felt we were blowing it & also felt we were failing our disciples.

FROM THE BEGINNING WE HAD TALKED TO OUR PUBS STAFF about doing the whole Mags, but somehow they had changed the plan & gone a little off-course, & we had not supervised properly to correct it. So the Word lit our fires & we got a strong conviction that the whole Mags could be done & that they should be done. We felt that our very job as KQLs was at stake & we were very responsible to get the pubs rolling like never before!

SO WE GOT OUR STAFF TO-GETHER & socked it to them for their unbelief & deviating from the plant "Without a vision the people perish!" We shared with them that despite the fact that some of the pubs staff members

set in their ideas & did not want to change!
IN ORDER TO GET OUT
THE WHOLE MAGS, WE HAD
TO STOP ALL OTHER PROJECTS & just concentrate on the newest Mag! We emphasised the "newspaper office" vision—that they all work together in great cooperation similar to how the system gets out a newspaper.

mey all work together in great cooperation similar to how the system gets out a newspaper, that the people want & need the news & would lose confidence in our "paper" if it does not get out on time! They also want the news while it is still news, not history!—In other words, shortly after the English Mag comes out.

WE GOT EVERYONE WORK-ING IN ONE CENTRAL OFFICE ROOM, which really lifted the morale of the staff to fight side-by-side, instead of each one off in his bedroom not knowing what the others are doing & perhaps tempted to play with the baby or make the bed etc.

WE GOT THEM ALL ON A UNITED SCHEDULE, all getting

WE GOT THEM ALL ON A UNITED SCHEDULE, all getting up at the same time, early in the morning, in order to get off to a good start. It's surprising in an office how easy it is to get away from a good schedule if not emphasised!

WE FOUND IT ESSENTIAL TO CUT OUT EXTRA WORK of all sorts at all stages, & to cut

go cateroin; so so in inace are least possible number of mistakes, even slowing down a little if necessary.

WE TOLD ALL TRANSLATORS TO LEARN TO TYPE their own rough drafts, & several had to learn to type from scratch. We let them know that no longer could we accept a handwritten rough draft, as the final typist was then losing her time on typing the rough draft herself!

WE TOLD THEM ALL TO FORGET THE PERFECTION.

ISM. & "move it", or "get the lead out" as they say! We suggested that each translator type to the directly the final copy of the FN & WN portions of the Mag the first time, without any rough draft at all, but in its exact final form, in columns & ready to be photoed & run in the Mag! This would then get a quick running oral translation for the kids of a field Homel We discovered they could use silk ribbons & sometimes even carbon ribbons which printed inice & clean even in a little hand portable typewriter!

WE EXPERIMENTED & TAUGHT APPER before typ-

tion to get the best results, but IT WORKED!
HOWEVER, THESE SHORT-CUT METHODS ARE NOT USED ON THE MO LETTERS where it's essential that things be worked on more to really get the Spirit of David.
WHAT A HUMBLERI-TO FORGET THE PERFECTION-ISM which most guits personnel.

what A HUMBLERI—TO FORGET THE PERFECTION-ISM which most pubs personnel are used tol. Our translators do not translate anything they don't have to, such as commonly used Family initials such as "KQL" which used to be "SRR" in Spanish, & something else in Portuguese, even causing confusion on the field. Keep it simple! If necessary you can publish a little glossary of what the English initials mean. You'd be surprised how cutting out these little things will help speed up the work!

ALSO AVOID LETTING MI-NOR ITEMS SLOW YOU DOWN & eat up your time. Once, we found out that finishing one Mag was being slowed down & held up by a Wild Wind tape ad they were trying to do all kinds of photo work on to get the lettering right. So we suggested they leave the tape titles in English so far anyway. & five translated the titles it would imply to the kids that the tapes are available in Spanish & Portuguese. Also we suggested they "major on the minors" & not let a little thing like an adeat up all their time & that they could quickly hand-letter things rather than have to do all kinds of photowork etc.!

SINCE BEGINNING THE DIRECT FINAL TYPING METHOOF or FN & WN Sections of the Mags, the Lord has given us an even better method—cassette tapoing! The translator speaks his translation directly into a cassette recorder, then the national final typist listens to the tape

with her trenscriber & earphones & final types the final copy direct-themselves completely to publip the first time, in all the proper column sizes etc.

IF YOU WISH TO TRY THIS METHOD, you can very lightly draw guidelines in light blue pencil as a pattern for the typist to follow in order to get the columns right & leave spaces to plop in the photos. If done lightly, such blue marks should not photodo. The photos when your typist gets used to the method. This really helps the translator & gives him more time on the Letters. Our final typist is very quick & can keep up with the FN, WN & Letters with no trouble.

WE HAVE AN OLIVETY!

12 hours on the Words.

(2 much! Get more workers!)

WE FOUND IT IMPORTANT
THAT WORK NOT "BLOB UP"

AT ONE STAGE, leaving the
next stage with not enough to

o-do. Keep things flowing at a
steady & even pace from one
stage to another. Make sure every one always has work to do!

If, for example, a day goes by &
the final typists do not have enough to do, then we know
something is wrong in the preceeding stage & that the translators & correctors need to get
busy! TTL this seldom happens
now! You can really "kill" your
layout man by not giving him
the work in a steady & even pace,
but by blobbing it all on him at
the last minute & expecting him
to get it all done overnight.

THIS IS A REAL LACK OF
LOVE, due to faulty organisation! The same thing can apply
to the poor photoman who can
really get under a lot of pressure
9-because others didn't get their
work done earlier! Give them
work continually throughout the
week. This means that everyone
will have to press in each day.

AVOID "ALL-NIGHTERS"

as they sap everyone's strength.
We don't allow'm except on a
rare emergency, & they aren't
necessary if everyone has been
doing their job! (AMEN'-D.)

IT'S REALLY IMPORTANT
TO PRESS IN ON ONE MAG

Continual or the pointer the force.

doing their jobl (AME/N-D.)
IT'S REALLY IMPORTANT
TO PRESS IN ON ONE MAG
& get it to the printer before
working too much on the next
one! We found the staff really
needs to put some strong "umph"
into finishing up each Mag. Finish one Mag, then go on to the
next one with full force. However if things are flowing steadily,
your translators will need to
begin the next Mag while the pre-

sent Mag is getting finished in the final production stages, so that when one Mag gets done the next one will be already partly translated so everyone can keep working, typists, layout men etc. IN DOING THE FN & WN SECTIONS we told them just to type out the titles of the articles & not do photo work on blowing them up bigger. This takes time & chemicals which are too valuable for the luxury of having pretty titles on not-so-important things.

DON'T DO ANY EXTRA UN-

ant things.

DON'T DO ANY EXTRA UNNEEDED PHOTOWORK!—Because it really slows you down
& takes the photoman's energy
& time which he will not be able
to afford in keeping up with the
whole Mags. (Except for GP
LINS!)

whole Mags. (Except for GP LINs!)

IT IS ESSENTIAL TO HAVE A GOOD SHOP OVERSEER who can keep things moving & create a lot of cooperation & coordination so things flow smoothly. We have the shop servant send us a list of the contents of a Mag & what stage each item (FM, WN, Letter, covers, adsetc.) is in: translation, correction, typing, proofreading, layout, etc.) is in: translation, correction, typing, proofreading, layout, final check, photo or "positives in hand" (this last is important because something can be in foto but be far from done, whereas if it's in "positives in hand" that means it's all done & ready

for printing).

EACH DAY THE SHOP SERVANT GIVES US A "PROG-RESS REPORT" showing what items advanced to another stage. These we plot with tacks every day on a chart on a corrboard mounted on the wall & at any given moment we know just where a May stands & about how much longer it'll take, & when we can plan on printing, mailing etc.

etc.
THIS WAY WE CAN EASILY
"TROUBLESHOOT" & see
where any bottlenecks in production are & counsel with the shop
servant & find solutions to overcome difficulties. We found that
such a progress report shows us
so much more than "daily work
reports" from each individual or
even "hourly reports" & really
puts things together for us.
"FIELD TRANSLATORS":

puts things together for us.

"FIELD TRANSLAT ORS":

One other important point concerns "field translators" who send in their work. In pushing thru' a current Mag never use field translators; do it yourselves because that's why the Lord has you there! Field translators can help with back Letters, or other projects if you wish. selves

tion", got desperate about it & He saw our determination & immediately opened up the windows of Heaven & poured out such a blessing there is hardly room for it! We had even thought that perhaps it would be necessary to ask WS for a loan or aid to embark on the project, but all this has proved unnecessary, for immediately the Lord blessed far above & beyond what we had even hoped! PTL! "Faith & obedience come first, then God answers prayer"!

BY GOD'S GRACE WE HAVE PUBLISHED A WHOLE EDITION REPLICA OF EACH ENGLISH MAG in Spanish & Portuguese for 8 months now, & by His Grace we plan to keep at it! Halletujah! We wanted to mention that as a result we have seen the national disciples in our area grow & mature a tremendous amount in the past year. "Now ye are clean thru' the Word! have spoken unto you"!

"WHEN THINGS ARE GOING STRONG, KEEP AT IT! If Nehemiah had come down to fiddle around with something else then, he might never have finished the wall! So, keep on

help with back Letters, or other projects if you wish.

WE WANTED TO FINISH BY SAYING that the Lord did not bless with sufficient finances to do the whole Mags until we decided to do them & made full plans, put the "machinery in mo. (AMEN! Day)

Growing Up In The Lord

Battles & Victories & Precious Lessons Learned!

From Shuly, age 16; Central America: (She's an angel!-D.)

Dear Mo, HOPE, VERY WELL. Many things have happened to me this year. (See Shuly's prayer request in Mag 32, page 175.) Many things matter to me now that didn't before, & other things don't that used to!

before, & other things don't that used to!

EVER SINCE THE FF LETTERS CAME OUT (I was 11), I was petrified people would start to a track & pounce on me as soon as I grew older. I was petrified of my 18th birthday. It must sound funny to you, but it was a fearsome green monster to me. I had seen quite a few examples of "lust", not "love" like in your Letters, so that just about rooted my fear.

FOR 5 LONG YEARS I HAD THE TRIAL THAT I'D HAVE TO START 'SHARING' as soon as I was old enough, & the Devil painted me pictures of horrible hairy guys making a line at the door. (Some of the brothers hadn't been exactly wise in their comments) & so it grew. (Talk about crossing bridges before coming to them!)

ANYWAY, AFTER GETTING VERY SICK & suffering a lot at the hospital, I told the Lord to take away any space in my life that wasn't completely His.

the hospital, I told the Lord to take away any space in my life that wasn't completely His. Then immediately the "sharing" issue popped up. The Devil said, "He's going to ask you to screw the next brother who comes in." But I stomped on the Devil & tried to get a clear line.

THEN INCREDULOUSLY I SENSED THAT THE LORD

THEN INCREDULOUSLY I SENSED THAT THE LORD WAS CHUCKLING, & I got this picture while praying: If a child is dead scared of diving, then a loving father would never force or push, & the child wouldn't

beginning life, to have to be watchful always about my health, not being able to run around here & there seems awful, but these days I've learned that life is made up of tiny quiet things & that just to get to know people well is a universe in itself. You lose a lot zooming all over the place. It seems like you do a lot, but really what thing have you gained as a person?

I THINK THE LORD HAS GIVEN ME AS JUTRA-DYNAMIC, & this disease is very restrictive. I can't walk. My anemia is quite bad too, & the sun is absolutely prohibited except at dawn & twilight.

THE LORD TAUGHT ME THAT NOT ALL IS ACTION, & that shool, however nice, was not for me anymore. I go fewer places, & review more. I spend more time now with my brothers & sisters. When the pain doesn't let me do things, I watch & learn from life as it unfolds quietly—the amusing things the cat does, the progress of the plant on my bedside table. God is great & magnifes Himself in the little things.

GOD IS TEACHING ME COM-PASSION. I saw e guy without a leg the other day. Before, I would have thought, "Poor guy," blessing come in disquise (some now having an inkling of what he disquisely. I guess you could any thave gone thru', I smiled & tried to cheer him up.

THE LORD KNOWS I'VE DEDICATED EVERTHING TO HIM & I think He's trying to grow me up quickly. At 16, just I would be interesting to know!

The Blessings of Older Children!

WE HAVEN'T HEARD MANY TESTIMONIES from other families about how fast their kids are maturing, but would be very interested to hear more. Our oldest three are Jason-9. Sherah -8 & Summer-6, & they are such a big help with every part of our daily jobs & ministries. They do a very big part of housework & childcare which leaves us free to do a lot of other things that they can't do.

SO, MOMS & DADS, WHEN YOUR CHILDREN GET TO THAT AGE, life is sooon much easier! Even having each new baby is more & more of a pleasure. We've all had so much more time to enjoy baby Michael, for me much more than any of the others, as the older children now help so much to lighten our load. THE KIDS DO THE LITNESSING, SINGING, CHILDCARE, MAIL MINISTRY & HOUSE-WORK, & the best part is that they are willing workers & go the extre mile, PTL! We are learning to all work together as a real team serving the Lord, rather then a mile. The kids didn't carry their load so well, we honettly wouldn't be able to keep going for the Lord!

JASON, SHERAH & SUMMER HAVE QUITE A LITTLE LOVE TRIANGLE GOING & have been teaching us a lot about sharing & being unselfish. One night I knew Sherah was looking forward to being with Jason, but he was with Summer. I asked Sherah about it & she said that Summer was a little discouraged & Jason was trying to cheer her up before he came to bed with her.

ith her.
THE KIDS ARE ALL SO INERESTED IN THE OPPOSITE
EX & love to give & receive af-

fection. Little Jamie-3 really falls in love with older sisters & spends a lot of time writing love letters to them. Jason was so in love with one sister while we were in Finland & really went thru' trials when he knew a particular older brother was sleeping with her.

WE REALISE IT WOULD HAVE BEEN A LOT EASIER ON HIM if the brother & he had had a closer relationship & if we had realised how serious these relationships are for the children. We really don't encourage or discourage the children about sex, but we like to talk to them about what they are experiencing. It really isn't sinks for them about what they are experiencing. It really isn't sinks for them about was them about sex particular when they are experiencing. It really isn't sinks for them they conserved.

aren about sex, but we like to talk to them about what they are experiencing. It really isn't a joke for them, but comes very naturally & matter-of-factly, & they don't hesitate to share with us without even a flush. SOMETIMES THEY SURPRISE & CONVICT US to be more loving. We don't want to write about what we think children should be doing, as we don't really know & even have questions ourselves. We don't know how much flesh brothers & sisters can share when they are older? But we wanted to share our experiences & are interested in the experiences of others in the Family. Love, Seek & Secundus.

Thank You Lord for Older Children! By Ahlai Gospel; S. America:

Thankyou Lord for older children But how the years have flown!

The them do so many things
That before were done by mother
They bathe & dress & help the rest
Sweet sister, loving brother

Sweet sister, tornig promer:
Thankyou Lord for older children
Such a blessing to Your work!
Past the age of toddler trials
And helping without shirk!

Thankyou Lord for older children Yesterday upon my breast & looking down I prayed that He Would help us do our best-

To teach & train & pray for them And keep them in the Word, But most of all to love them up So they will love the Lord.

Thankyou for these older children Lord, They're 5 and 6 and more! Well on their way to accomplishing What you have got in store!

Must obey & then just trust
When my faith goes to test
To rest assured in that planted
Word
When they must leave the nest-

No be Your last bold messengers
No brighter have ever shone
Or with greater power,
Than that final hour before you
call us Home!

Thank You Lord for our older children
Bless them each & every one!
And I know we'll cry
When you look them in the eye
To reward their "job well done"!

Survival & Caravaning Tips!

PLASTIC BOTTLED WATER begins to go flat at 6 months but isn't necessarily foul. After 12 months it can not be expected to be good anymore. Store it in a cool place & keep covered (out of light). Light & sunlight are not good for ered (out of light). Light & sun-light are not good for the plastic-water combination. You can put in water purifying tablets if done guickly.

but in water purifying tablets if done quickly.

CONTAINERS FILLED AT HOME: If not all conditions are ight it can start going off after several weeks. The storage is the same as above. To fill, begin with thoroughly cleaned containers with very hot water, coesn't have to be boiling. Let the tap run for quite some time. Put in water purifying tablets & seal tightly. Let sit 20 minutes & then shake a bit. Takes several hours to begin having an erfect.

CARBONATED MINERAL WATER: With carbonation it is guaranteed at least 2 years, some say from 3-5 years. One company did an experiment whereby it lasted 10 years. The storage is the same as above. This type needs no extra care as there are water purifying elements already contained therein, it will lose about 2 grams of its carbonation quality after 6 mos. but still retains.some. Usually

WATER CONTAINERS WITH SPECIAL ANTI-BACTERIAL PRESERVING ELEMENTS:
These last up to 5 years, sometimes more. They are specially sealed & usually quaranteed at least up to 2 years. Should be stored in a cool place. Often come in containers which allow no light in. You only need to shake once in a while.

TITHING TESTIMONY: "We had a gift of some very expensive plane tickets, giving us a Tithe bill of over 8 times our us ual income! At the same time several very high & 'unexpected' bills came up too. Then by a miracle the Lord provided the funds for our 10% but not the bills. So by faith we paid the Tithe, & now all the other bills have been paid or just sort of dissolved away! It was a real test, but now we know God's way is best!" (Amen! – D.)
Galllo & Taberah; S. America.

"GOD FIRST": From Judah & Sincerity; U.S.A.: "We're writing this letter, not to make excuses or to escape our lashes of love which we certainly deserve, but in hopes others would benefit from our mistakes!
"WE HAD JUST FORSAKEN

ALL AGAIN with our children, ages 12, 9, 20 mos. & 2 months. We prayed for a caravan & the Lord supplied it. We were on the road several months, visiting churches, litnessing, writing prayerletters & provisioning all our needs, TYJ!
"WE WERE PROVISIONING

ABOUT ALL OUR NEEDS & not being diligent to get the cash for our Tithe. Well, we really let the Devil in & were so deceived

we believed the Lord was showing us 'special' mercy & after all surely He understood our particular situation & didn't expect us to send our Tithe this month as we had almost no cash income. "WELL HE REALLY KNOCK-

ED US FOR A LOOP. Within a week we were out in the cold & rain, not able to afford a decent place to hook up, no money to even do our laundry, we couldn't pay our trailer payment, lost our car insurance & to top it all off we ran out of lit & I got sick & we couldn't even make love!

"WE WENT & PICKED UP OUR MAIL & THERE IT WAS LIKE AN H-BOMB-'GOD FIRST'. Well, that night I went out litnessing with Beth after we all repented of our 'evil deed'. We met a sweet sister & 1 just burst out crying & shared my heart & she lovingly encouraged me, GBH!

THE VERY NEXT MORN-ING WE RECEIVED ENOUGH FUNDS FOR ALL OUR TITHE, gas for car & trailer & one month's rent. Beth won 3 souls in school & we received another pledge of support. So even tho this whole thing hurt like hell, we're grateful, & it brought forth the peaceable fruit of righteousness unto us. We know we deserve to lose our Mag & this

really saddens us, but thank God for the chastisements & lessons learned. After this I pray we will never forget 'God First'. We're praying for your health, Dad. Please forgive us. We're looking forward to seeing you when we're in the spirit world forever! Love & kisses, your loving son & daughter, Judah & Sincerity.

GRADUATION: Dad & Maria received a touching letter from the mother of Jeremiah Paul to say that he went to be with the Lord on Nov. 18th, 1980. He was a faithful brother who had many battles, including birth defects, yet served the Lord on the foreign field of Latin America for a time. -Now heavenly healed! (Hallelujah!-Dad.)

VICTORY: "We learned that if we are faithful with our Tithe God will give us more. At the first of the month we found ourselves with 2 debts-our rent & our 10%. After praying we rememberd that God promised everything but lodging, so we sent in our Tithe first & what was left we gave to the landlady, telling her that the rest we would give her on the 3rd, & God did not fail us. We received a Giro which had been lost. With this we payed off the rent & Amor was able to get some glasses which she needed, Hallelujah!" —Job & Amor; Central America.

"JONAS CRASHED THE CAR in an accident which will be very expensive. Upon praying about it, the Lord showed me that we never tithed the car, which was a present from my parents. God took a collection, since we had no excuse after the Letter 'Tithing & the FN'." -Jonas & Hannah.

"WE STARTED TITHING **EVERYTHING:** Free food, free rides, lit provisioned etc., & the Lord more than doubled our income! Also we just received an \$800 donation from Carshena. So this month we actually receiv ed 7 times our normal monthly income! You can't outgive God!"

—Hezeklah & Angela; S. America.

"WE'D LIKE TO LET THE FAMILY KNOW OF GOD'S JUDGEMENTS ON OUR ENE-MIES here in Brasil. A year & a half ago a guy named Flavio Cavalcanti started a smear campaign against the Family, leading to all the foreigners they got ahold of being deported & so started a nationwide persecution. Now the TV network for which he was an MC went off the air because of bankruptcy. When the persecution started we personally in our Home prayed & fasted for the Lord to judge the MC & the TV station for allowing him to have criticised us so. 'Stand back & see Me fight. This is not thy battle but Mine. Vengeance is Mine & I will repay saith the Lord. For he that toucheth you toucheth the apple of mine eye. Touch not the Lord's anointed. Amen! Hallelujah! He never fails!"-Francis & Raquel; Brasil.

"WE'D FORGOTTEN TO TITHE THE CAR last month, & the Lord made the car's transmission stop working. When we asked the Lord why it wouldn't work, He drew our attention to the fact that we'd omitted the tithe on it. As soon as we realised this & decided to send the money, the Lord gave us a free repair job! So the Lord was very merciful to us, PG!"—Paul Pen & Sarah.

"NOW THAT IT'S DONE WE CAN SEE OUR MISTAKE IN USING GOD'S SHARE. But it's a hard decision to make when you have children & so much pressure is on you. Anyway, what happened was that Rebekah's old system friends found out she joined the Family & 'for her good' filed charges against her as an unfit mother. They told officials that she planned to go to S.A. (she definitely didn't tell them. But who did?) & that the Family would take over Rebekah's daughter's training until she was old enough to be used for child prostitution -a shitty lie & so unbelievable! As ridiculous as it is (her daughter is only 3 years old), they accepted it as evidence & have now taken her daughter away until they can have a court trial. So parents in Germany, beware! She didn't even know about these proceedings until she got to the border & 4 hours later they took her daughter away. The officials then also started questioning us & officially wanted us as witnesses, so we had to 'flee the city' after finding a place for Rebekah to stay. the mistakes we've made with our % have been such a burden for us to carry. Please forgive us, Dad." (I really pray the Lord will comfort her! - & U! - Dad.) Reuben & Rainbow.

"ZATTU GOT HEALED FROM A TERRIBLE URINARY TRACT INFECTION after we had communion. We had prayed before & he had taken a tremendous amount of antibiotics, but after 10 days there were no results. Then the Lord showed us to have communion during which we claimed the Lord's promises for healing, after which he was miraculously healed!"—Zattu & Anne; Caribbean.

MIRACLE HEALING: "Our new disciple Daniel had a physical handicap-one leg was longer than the other by 1/2-inch, & as a result his spine was s-shaped. Doctors told him nothing could be done. One of our brothers, Stephen, had an identical ailment in the past & had experienced a miracle healing, so he shared his testimony & they felt inspired to ask the Lord to do a miracle. As they prayed fervently, they noticed Daniel's leg actually growing perfectly equal to the other leg! Daniel said he felt an invisible hand pulling on his short leg & felt a warmth up & down his leg & a thickening of his heel. We even noticed his trouser legs were a different length after we prayed! Hallelujah! God is still upon the throne & prayer changes things.
Also his spine is healed!"
—Christin & Cony.

DTD TIP: "I've found that the best hour to find most everybody at home is between noon & 4 p.m. on weekdays ('siesta' time in southern Europe). The Lord has shown me a way to DTD in high-class residencial apartments with doormen. At about 2 p.m. most doormen stop for lunch for about 2 hours, leaving the entrance free. I ring a couple of apartments on the automatic door buzzer & - 'open sezame'! I'm in!" - Jesse & Ana.

"WE DONATED OUR CARA-VAN, which we were not using at the moment, to the people of the earthquake. The Lord is really blessing us & we believe that in the moment of emergency He will give us something better & even lighter!"—Bro. Sun & Miriam. (Ed.: Too bad they didn't feel led to give it to the Lord's Work, like MWM, whose need for canvans for winter was published in the FN. PTL!—He will bless you according to your giving any way.)

"INSTEAD OF PAYING ONE YEAR'S HOME INSURANCE to an insurance company, we decided to give it to God. He won't only take care of us if something happens, but will also prevent things from happening, & there is no insurance company in the world that can do that! Hal TYJ!"—Samuel & Ablshag; Scandinavia.

"OUR MAJOR PROBLEM HAS BEEN THE HEALTH OF **OUR 2-MO.-OLD BABY Anna** Christina. She has cancer. At little over a month she was operated on for a simple umbilical hernia, then doctors found a The operation was diftumor. ficult & so big was the tumor that the major artery feeding the intestines had to be taken out. She nearly died shortly after the operation. We were just totally broken & desperate. We had united prayer & fasting & a night prayer vigil. We claimed her total healing as the part of being specific, having read all of 'The Hem of His Garment'. She is now doing ok with slow progress, but her tumor was malignant & the döctors of course believe it's totally necessary to submit her to chemotherapy the type where the hair falls out & the organism is greatly weak-ened. We've not decided yet whether or not to follow the medication (a 2 yr. treatment on the average which will stop us from being mobile really), but feel it's probably what we should do in light of Sheba Bear's experience (?) You can imagine if she were to die the tremendously bad testimony it would be as in the case of Sheba, but more so. I know that 'if' is a doubt, but then, 'if in doubt, don't'. I'm still praying

about what exactly to do. Any counsel & prayer will be wonderfully appreciated." (Don't!-D.)—Jonathan & Lia Fe; S. America. (You'll either have to have faith for the baby to be healed quickly or ask the Lord to deliver it from this life, or you'll probably have to submit to the treatment. If not, you might be liable under the law for not doing so. Better check & see. What were your sins that brought this on the child?—M&M.)

"PETER & ROSE HAD EAR-LIER WON AN INDIAN COUP-LE to the Lord & had fed them the Word for several weeks & then they went off to Sikkim in the hills. Just recently they heard from the couple that they were involved in a landslide (in which the wife was half-buried right up to her waist!), but the husband just stood up & prayed in front of everyone & the whole landslide stopped immediately! The wife, tho' half buried, was fine, & they went on to witness to the whole village! Neighbouring villagers visited a few days later expecting everyone to be dead but were all amazed at what had happened & the miracle God had done & also received the witness too, PTL!"—Report from Ho-

"WE ARRIVED HERE JUST IN TIME FOR THE EARTH-QUAKE. It's been a real heavy experience & we learned a lot, both physically & spiritually. We were out on a walk with our baby Noemi when all of a sudden a real cold wind began to blow, so we decided to go home. We arrived at 7:32 & at 7:34 it all began. Thanks to Jesus we were all together. All of a sudden came an earthquake shock for 4 minutes. All together there were 6 shocks. We just opened the door & started praying with all our hearts, while the other people in the building were running like mad: Tabitha & I were calm & at peace knowon ing that the Lord was going to take care of us. Noemi was laughing & saying 'hallelujah thank You Jesus'. Afterwards we went into the street to help the people & comfort them. After a 1/2-hour we were home again to read & have desperate prayer, thanking & praising the Lord & asking Him what to do. We got a lot of encouraging verses out of Mt. 24, Ps. 91 & the Daily Light & Might. We took the guitar & lit & tried to love & encourage & be a testimony of His love & mercy to the people. Then (as the Lord told us to do) we came back home, ate a good dinner & started praying & reading again. Then for a few

days we worked as volunteers (as the Lord showed us to do) in a hospital & had a very good chance to witness to many doctors & attendants & wounded peo ple & other volunteers. Souls have been saved. ROGUES GALLERY!

JEREMIAH TARTAN (JAIR SPOKE), after rejoining the Family briefly last sum-

mer & being a real blessing to our Home in Scotland, took ill with appendicitis & went to hospital. When he came out he rested & was very quiet. One day while

we were out, he left taking all our funds & a few other things. This came as a surprise as he had been doing well (tho' twice in his past history in the Family he had done the same). He is outwardly a very sweet & giving person but seems to have some spiritual problem, as he can change from one extreme to the other. So beware! Love, Artemas Shepherd.

BEFORE HE BE RESTORED TO FELLOWSHIP, he needs to totally repent & prove himself over a period of time, to show forth <u>fruits</u> (works) meet for repentance (Mt. 3:8). At times he is oppressed by a drink demon, & he has a clever & deceptive way of making you feel sorry for him & excusing him. ONE OF THE GREATEST

BLESSINGS OF LAST YEAR was the recording of our childr song tape "Heavenly Sunshine" or His-Story in Song! It was a personal blessing & a personal

or His-Story in Song! It was a personal victory for me, learning to let go & let God do it thru' us & to let His Spirit inspire us & take control in the recording studio!

WE COULD FEEL THE SPIR. IT MOVING US! We were so happy & inspired & full of conviction as we sang those little simple choruses of praise, so we knew it was going to move others! But we were really surprised with the final tape, those of us who worked on it including Jeremy & Michael & later Windy & Joan who arrived just in time to help us with back-up vocals. It just turned out so inspired & "snappy" as Dad called it, happy & easy to memorize the songs for our children, PTL!

HAD SOME SERIOUS WE HAD SOME SERIOUS BATTLES, of course, as the Devil was really fighting MWM's even getting started! Simon Peter got very sick with hepatitis & was in bed for several weeks. About the time we were finishing the children's tape he was getting back on his feet after much time with the Lord & searching the scriptures & reading the Letters—& writing new Scripts!

bed for several weeks. About the time we were finishing the children's tape he was getting back on his feet after much time with the Lord & searching the Scriptures & reading the Letters—& writing new Scripts!

BY THIS TIME HE WAS SO FULL OF THE WORD, he was ready to explode on tape with the best shows he's ever produced having gleaned many fresh new quotes & ideas, even mokes & funny stories from the Letters. "When He can get you out of the way, then He can get you out of the way, then He has a chance! When you become nothing but a tool & a channel, then God can really use you!"

THAT IS WHEN SIMON BEGAN TO PRODUCE THIS SER IES OF NEW MWM powerpacked Shows (26 half-hour shows to date), including in them the counsel given by Dad, to make it a real worldwide hitl—An Inter-

national MWM Show! Hallelujah!

**S WITH EVERY NEW ARRIVAL THERE WERE NEW BREAK.

**Cod can't preak them fast as enough!" There were new lessons to be learned because, "God only uses broken men & women—noothers will dol"

**THE NEXT TO JOIN OUR MWM FAMILY WERE JOAN & TRACY with their 2 children, sew despensately needed female vocalists. So after a very long & difficult train trip via "Yugoslavia they arrived we put them in a bungalow near out ittle camp, of only 3 trailers at that time. Oh yes, & 2 tents! One for Abel Saman, our schoolteacher, & one that Juan & I were living in which we bor sowed from local Family members until we could buy one of our own!

PAUL MICHAEL ARRIVED with his sweet Danish wife Suzanne & 2 precious children. We had just been able to buy another family tent from some Dutch tourists & got it all set up with the essentials just in time for their arrival.

IT WAS SO SWEET TO SEE HOW EVERYONE WANTED TO MAKE THEM AS COMFORT.

TO MAKE THEM AS COMPORTABLE as possible as new campers, sharing their little extras such as dishes, pots & pans, sheets & towels etc. I guess they knew how they felt when first learning to camp & so wanted to help the newcomers. Paul Michael & Suzanne were thrilled with their cozy little "home" in a tent & adjusted quite quickly to camp life. THEY ALSO HAD BEEN LIVING ON THEIR OWN, for about

2 years, & Paul had been working as a janitor in Denmark. He had hardly written a song in 2 years & knew that he needed to be using his talent for the Lord. We needed someone to "stand in the gap" as a songwriter, & we really felt the Lord was calling him & would also give him new songs.

him & would also give nitrinew songs.

HE ANSWERED THE CALL & "FORSOOK ALL" ONCE A-GAIN, not to miss the crown & the Lord's highest calling for him, TTL! After some breakings & purifyings the Lord really began to pour thru' him, averaging ten new songs a month!—Powerpacked & full of the Word with most lyrics taken straight from the Letters.

most tyrics taken straight from the Letters.

AS HE LEFT THE PAST & HIS PROBLEMS BEHIND, including excessive drinking, after a personal word from Dad mentioning also how much his songs moved him, he really got on the attack & sought the Lord for new inspirations from His Word & the Letters for new songs "with Meaning", & the Lord began to give him some of the most beautiful & moving songs we'd ever heard!—Truly a fresh infilling of His Spirit of one of our greatest composers! BUT THERE'S NO VICTORY MTHOUT A BATTLE! And the battle was on!—Both for their personal lives & walk with the Lord, & their music ministry! We had a serious crisis with a Christmas gift to the Family! It was such a flood too that our tents started to flood & blow down & almost floated away! They say it was the worst storm in recent times, & many homes near us were flooded too, so it was not listensing & FF'ing, they are just a flooded out to the storm of the Lord fault-time again, thankful to be able to serve the Lord fault-time again, thankful to be able to

found himself in confusion & darkness, having rejected the Word & the way of happiness, after having been so mightily used by the Lord to write such beautiful songs. LHHI WE TRIED TO CONTACT STEVE WHEN WE WERE IN AUSTRALLA to try & reclaim him for the Lord as we fell in love with his songs, but we couldn't find him. A few weeks later we heard from our Family in Australia that he had gone to be with the Lord—But had very sadly taken his own life in his car in his garage, leaving a des-

Australia that he had gone to be with the Lord!—But had very sadly taken his own life in his car in his garage, leaving a despairing note saying that he believed in God but was so confused & didn't know how to serve Him & so couldn't go on anymore he was so miserable. Poor fellow! He must now see his mistake & be so thankful that we are using his songs! TTL!

"KID POWER"! One very important fact that I want to mention here is that not only has the Lord reclaimed all these for His full-time service, but also their children who are now our "Kid Power" & a very important part of our Ministry, not only locally but for our worldwide spreading of the Good News, as they often appear on MWM & are a Hit! GBT! They have opened many hearts to us & made our Ministry & living here possible, TTL! And also we are so thankful for our mothers, our "queens" who keep them going for Jesus!

MORE VISITORS FROM VERY FAR PLACES: ZACH LIGHTMAN flew in from Zambia just in time to help us film our "Jesus Is Born" video for the Family & friends worldwide. Before going to his home in Norway he spent I week with us & was an invaluable help as we learned so much about lighting & videoing of our Shows from him.

until Jesus comes, we needed to
put the real "fighting" spirit into them to keep us in times of

felt these were the type of songs
we'd sing then.

AFTER HEARING THIS & BEING WONDERFULLY SURPRISED at the amount of work done in one year, Jeremy mentioned that it took them as long to do the last album he did for the system called "Flee", a total of only 12 songs! Wow! It's a musical explosion!

BESIDES THIS, 72 NEW SONGS WERE WRITTEN in this last year, 36 of them by our great & Godly composer Paul Michael! He said that in all his years in the Family (must be nearly 10!) that he had only written a sum total of 15 songs!

But since he came to MWM 6 months ago the Lord has already given him more than a double portion with 36 new songs that are heard all over the world!—& are inspiring, & will continue to inspire, millions with the message,

HERE AT THE MWM CAMP SHARING SEEMS TO BE THE OIL that keeps this lamp burning. It's wonderful to be a family, truly having all things common. My sample has been our dear Faithy & Juan, who have shown me the Love of God.

FAITHY & I HAD A REAL LIBERATION IN THE SPIRIT after so many years of being to gether. I was with her in Amsterdam, England & France. Yet I never had any idea of being so intimate with her. Well, our different nights we've spent together loving one another & sharing the kisses of David, we have truly been freed from the past.

HOW WONDERFUL FAITHY & JUAN HAVE BEEN to little 'ol me, just as if was in your home. TYJ The first night Faithy was with me truly broke my bottle to receive such love so freely, & now after several other nights together, I am being freed to even minister to her also. God bless her, she is the love of God to me, & I am so thankful to know my shepherds in such a close way. I pray I can share just as freely with those around me & show the same love & concern.

THE TAPES YOU SENT, DAD, ARE SUCH AN INSPIRATION to me, & to everyone here,

ing for the Lord now, & it's great! Love & prayers, Tiras Seeds.

I'm not one for many words, but ord the feeling is there. Love, Peter. From Jeremy Spencer:

I'm not one for many words, but of the feeling is there. Love, Peter. From Jeremy Spencer:
Dear Dad & Maria,
GBAKYBI I'M WRITING
THIS NOTE IN RESPONSE to your inspiring comments on the MWM videos. The points that the Lord brought out I think would make an excellent Letter. I especially saw the point about zeroing in on someone whilst singing or giving an interview or covering the show, it makes such a difference & really makes the song or whatever it is come across, alive & personal.

ANOTHER THING THAT WAS A BIT OF A SHOCKER was the suggestion to try recording the music & vocals all at the same time. So I thought about it, prayed about it, slept on it for should I say stayed awake on it!]! & after Faithy discussed it with us the following day, we tried it.

THE RESULTS HAD A CERTAIN "RAW" QUALITY that was quite good. It's going to take some practise as it's definitely not what we're used to! (Altho' I remember that during my first days of recording with Fleetwood Mac, I never considered recording any other way but music & vocals all at the same time!.

I SUPPOSE THAT SINCE THE INTRODUCTION OF

I SUPPOSE THAT SINCE
THE INTRODUCTION OF
"MULTI-CHANNEL" RECORD

ING, artists & performers have become too technical & exacting in their music. And come to think of it, I think some of my most inspired singing has been whilst doing it "live" with the music, such as the little tape I did for my children. Tho' it's usually necessary to go back & add small embellishments musically to sort of "spice" it for listening interest so to speak. I hope that's ok, but anyhow—OUR FIRST TWO TRIES AT DOING IT THIS WAY SEEM-ED TO BE QUITE INSPIRED. We did, however, add a chorus on "Ballad of Aquarius" as due to the limitations of our equipment it would have been rather difficult to do it all at the same time, because of limited space, microphone channels on the mixer etc.

IREALLY FEEL, THO".

time, because of limited space, microphone channels on the mixer etc.

I REALLY FEEL, THO', THAT THIS METHOD WILL REVOLUTIONIZE OUR MUSIC, because if a song does not come across "iive", I suppose it's not really going to come across with all the technical "patching up" I It's interesting to note that of the top three current listeners' favourites, two of them were recorded in this fashion! So that goes to show that the Lord is not limited by many or by few! (AMEN! GBY!—Dad) I'D BETTER CLOSE NOW AS I NEED TO GET BACK TO CAMP. (I'm writing this during my "get out" time.) Thank you again for taking your time to give us all this wise counsel. But of course it just shows how important it is to the Lord right now. We really need your guidance & to follow it. Faithy got the verse, "The king's business requireth haste" (ISam. 21:8), sol pray that we will do our best to put all your suggestions into effect. "Believe His prophets, so shall ye prosper" (2Chr. 20:20) is the verse I got on this. Love & prayers in Jesus' Name, Jeremy.

dark & saw the headlights of a train coming toward me.

IT STOPPED RIGHT BESIDE ME, & in the only lit compartment, right in front of me, there was someone with their back to me, dressed in regal robes, who seemd to be a woman. After a moment the train left, going up a mountain to a castle, leaving me alone, & as I stood there I felt myself sinking into the ground.

me alone, & as I stood there I felt myself sinking into the ground.

STILL PRAYING, I START-ED TO TELL THE VISION to my wife Sarah, & it started again but this time when the train stoped, the person whom I had thought to be a woman had turned toward me, & it was you, Dad, it with royal robes, & you were crying.

I HESITATED A MOMENT I THEN JUMPED ON THE TRAIN. I entered your compartment & you embraced me & I melted in tears & felt my heart breaking for the greatest feeling of love I had ever had in my life! Then the train departed again, but this time I was on board. THIS IS EXACTLY WHAT HAPPENED IN OUR LIVES—we came back to your loving embrace. Now I can write to you about the wonderful victories here & not all the past crises. Anyhow, you can probably imagine without my innumerating it all.

AFTER A MONTH TRIP OF 3,000 KM, across half of Europe, avoding Italy where some emiles are looking for me, we are nived in Athens. At first we didn't worldwide vision for winning understand what an explosion was souls, & everyone here really forsappening here & passed thru' several trials to teach us to see more in the Spirit what was happening & to show us how much the Enemy fought our coming & then fought again to try to get us to leave. But thanks to the Lord & the prayers of all the Family here & you, here we are still! TTL!

WE APPRECIATED YOUR TAPES SO MUCH! Not only did they arrive right at the moment when we most needed them, but they also helped us to appreciate in the Spirit the anointings of all the people around us, so we could begin to see our Family around us as prophets of God & not just the old familiar faces.

RECENTLY WE BEGAN TO RECORD OUR SONGS in the MWM studio & have done 13 already. After several years of working in system studios I was happily surprised by the differences that I immediately saw here. Even tho' the equipment may not be as complicated & 1, fancy as in a commercial studio, the result is far superior, thanks I can understand what it means for a musician to renounce shows that we're here, we see that it's a serious job for the Lord, a serious tord wit worldwide vision for winning to didn't.

Dear Dad, Maria & Peter,
HOW CAN WE THANK YOU

storm & even snow, the heaviest
Greece has known for years, the
wind stopped the day after we
called you for prayer. In the
evening the sky even cleared up

the day before was blocked with huge puddles of water!

THE LORD IS SO FAITHFUL!

The Enemy must have known what those tapes would mean to all of us & to the work here, so he really tried to discourage us, but once again he just can't win!

TYJ, & thank you for your prayers!—& most of all for all those beautiful words of love & guidance which you took time to record & pass on to us.

YOUR LOVE, DAD, COMES

OUT SO CLEAR. We could feel your kisses & hugs & the warmth of your presence. It made us cry & laugh & wish it never stopped—so much concern & wisdom such sweetness & strength!

WE LISTENED TO 3 OF THE TAPES ON THE WAY HOME (Juan & us). In fact we drove really slowly & just flipped out! After the storm & battle it was just like a warm shower from a bove. It felt like we could have drunk & drunk & drunk & drunk of those words of love from our loving father, & never had enough! Dad, Ahow can we tell you how much we need & love & appreciate you!—And how we need your guidance, counse! & wisdom!xxx

WE LISTENED TO THE 4TH

TAPE with your beautiful Christmas message, on Saturday.

First Juan & Jeremy listened to

Paul & Marlanne, faithful servants & messengers of the Kingl

it on their way to town, & even Jeremy, who does not shed tears easily, started to cry. It sure made us all feel like undeserving

"pet children" blessed amongst all, tho' the weakest of all! How great are the mercies of the Lord! EVERYONE AGREED WITH YOU ON THE CHOICE OF SONGS FOR THE CHILDREN. It was a very good & needed lesson, even on letting the children be children as long as possible, as we maybe tend to consider them too much like little adults & carry adult conversation around them which may not be the best for them.

them which may not be the best for them.

THEY ARE SO MATURE IN MANY WAYS THAT WE TEND TO EXPECT TOO MUCH from them, to the point of preaching such a heavy message that they might understand but indeed the world will never believe comes from their own hearts & mouths. We feel it really spoke to everyone, not only for what they sing, but for all aspects of our lives. Jeremy, took it very well, & he really liked your point on making sure the right person sings the right song.

YOUR LITTLE TALK ON LEARNING SOME GREEK CON

YOUR LITTLE TALK ON LEARNING SOME GREEK CON-VICTED US ALL, as many have been here for months & can hardly communicate with the Greeks. It really is a beautiful language, & the people are so lovable, simple & sweet. They

are so appreciative when you say a few words in their language. And everyone is very much looking forward to your coming here to practise your Greek a little, halhe just knew that his only chance WE PARTICULARLY ATE UP EVERY WORD YOU HAD ABOUT YIDEOS & GOING TY & those little tips you passed on We had to laugh as you even noticed how the mike was not plugged in while Faithy was talking, altho' she held it in her hand! We really hope & pray that we will be able to produce better & better shows, & we really hunger for any suggestions & tips.

WE ALSO LAUGHED AT YOUR COMMENT ON JEREMIAH! We believe it can really change his life to hear it (he has not heard it himself) & guide his singing. You even mention his refusal to leave the club, & it sounds just like the way he came here. GB him, he has been really trying to carry his own weight, going singing to the club every night so he can support his whole family being here.

THE COMMENT ON ANGELO & SARAH WAS JUST BEAUTIFUL, & so true! Even tho' we cannot understand the words, his song shave something really moving, a real spirit. No need to say how they were both so touched by what you got for them, & Angelo was weeping listening to the tapes.

AFTER NEARLY NOT MAKING IT, THEY HELD ON TO THEIR CROWN, & they are both to changed & being a real blessing all around. Angelo has quite a lot of talents, not only as a songwriter & singer, but he does beautiful photographies, has a very artistic eye & a good sense for the video. PTL! What the Lord said about them certainly was touching & such an encouragement.

YOUR LITTLE TALK ON "ALL ABOARD" really spoke

to for such a day as now, & he is

to for such a day as now, & he is super-inspired by the project! HE HAS JUST FINISHED THE "LOVE TAPE", & it's just gorgeous! He is certainly a talented person, & the Lord is really blessing & anointing him for his obedience, PTL1 He also has some great ideas for video skits, so there's fun shead!

WELL, YOUR TAPES HAVE FILLED OUR DAYS & carried us all on a wind of inspiration. On Monday Jeremy, Michael & Joan recorded a beautiful half-instrumental, half-vocal called "God's Only Law Is Love". As they were playing it back they realised that there is one voice on the track that-neither of them have sung! It is a high pitched voice harmonising with Joan.—Maybe one of those "Herald Angels" which came down to confirm & fulfill the song you got for MWMII[2] The song came out just beautifully with Jeremy playing the Spanish guitar, just Heavenly, & will close the "Love Tape" giving the meaning of it all, "God's Only Law Is Love". THE PAST 3 DAYS WE HAVE MAINLY BEEN CONCENTRATING ON FINISHING SHOW at the studio most of the days, at the studio most of the days,

CENTRATING ON FINISHING SHOW 18, which kept us busy at the studio most of the days. & we hope you'll like the outcome. We use our breakfasts to spend time with different people like Jeremiah one morning, & we also got a chance to take Jeremy & Fiona out to the club one night for a change! Things haye been going very well, everyone is really inspired, Jeremy happier than we've ever seen him.

WE LOVE LOVE LOVE YOU & wish we could slip ourselves in the envelope to come & show you

SINCE WE ARRIVED & besides slowly getting accustomed to our daily life here, we feel that we are slowly learning a little how people really feel & think. China as we are experiencing it in our daily contact with its people differs quite a bit from the

picture we had

picture we had formed in our minds thru' our imagination, the media, books & brochures. In a way, we still thought of the Chirse as a huge mass of uniformed, hard working blue ants with only socialism or some political slogans in their heads.
WELL, LET ME TELL YOU, THE CHINESE ARE HUMAN BEINGS just like you & me, & what somebody once wrote about the heart of man being the same the world over & about man's universal desire for happiness & peace & love is certainly true for China. In fact, building a home & family & leading a happy life rate higher than any ideological goal with most Chinese today, who are very disillusioned by politics due to the confusion & power-abuses of the Mao era.

ANOTHER THING IS THAT CHINA! A THIRD WORLD COUNTRY, & as such, a very poor country. Of course you don't realise it if you are on the broad avenues in the center of the city & stick to visiting temples & museums.

BUT IF YOU TAKE YOUR BICYCLE, the main means of

BUT IF YOU TAKE YOUR BICYCLE, the main means of transport here, & go thru' the narrow lanes & suburbs & villages, you see how many people live on mud roads in mud houses without canalisation (waste water is poured down the street), one water faucet & one public toilet for the whole street, & to see old neople disaining thru' garsee old people digging thru' gar-bage is not a rare sight. Yet we

have not seen any diseases or

"better class" cereals like wheat & rice.

WHEN WE WERE INVITED
BY A MIDDLE CLASS FAMILY
to their home, we were rather surprised to see them living in a
2x4-meter room—wife, husband
& 9-yr.-old son. Besides that
they have a tiny kitchen & that's
it. At least they were lucky enough to have a gas cooker. Many people in the old parts of town
still cook on little coal stoves outside of their houses in the street.
IT ALSO BEGAN TO DAWN
ON US THAT WE WERE LIVING
IN THE ORIENT where things
go slow, people take their lunchtime nap & whenever there is an
opportunity. Every day at lunch
break in my office people sleep
on desks & chairs using dictionaries as pillows. To us who are
used to hard work, the working
pace seems very slow here. But
the lack of proteins & vitamins
may account partly for their readiness to sleep anywhere.
BUT I THINK THE GREATEST SURPRISE was to find a
young generation so open & hungry for Western language & culture. A student friend told us,
"Before when you had a problem
people told you, 'Believe in the
Revolution & everything will
work out', but now they say, 'I
can only believe in myself & be
the master of my fate'.''

MAO & HIS "GOSPEL" ARE
HARDLY MORE THAN AN
IDOL SMASHED into a thousand
s pieces for most of them. Another professor told us: "The disappointment in their parents &
leaders left in the young people
a great spiritual emptiness. They
have no vision, no goals, no
ideals." When there is political

education at school, which every student is supposed to attend, many of them are absent or sit in the back row & read some novels under their desk.

THE GOVERNMENT TRIES TO FILL THIS EMPTINESS & lack of ideals with material things—better pay for harder work, television, better education, the reintroduction of fashion in clothers & hairstyle. Disco-dancing &

for young people, frowned upon but tolerated by the older generation.

THE PEOPLE DON'T WANT THE PRATY TO INTERFERE with their individual lives. There some of them visit us regularly is a desire for individual freedom, to be able to live your own life instead of being pushed around by this or that political campaign, which often just amounted to criticising this person & praising that one & then turning to the province of the

Many Waters Cannot Cannot Quench Love!

From Christian Jeremias; India: WHILE SWIMMING IN THE SEA suddenly a big wave took me out & I found it impossible to get back in again. It was too dangerous for someone to come out & get me, as we both would probably drown!

I FOUGHT FOR MY LIFE INTII MY STORMGTH I FET

I FOUGHT FOR MY LIFE UNTIL MY STRENGTH LEFT ME, & I was passing into the spiritual world. (I know now that death is the most beautiful thing that can ever happen to youl) The moment I gave up & began floating to Jesus I felt such a peace. It's absolutely indescribable, a peace I never felt

before.
WELL, SUDDENLY A BROTHER NAMED JOSH SWAM
UP TO ME shouting "Jesus,
You've got to save us!" over &
over. If he had come a few seconds later I would have been
with the Lord for good. But he
was now giving his life to save
me. It was impossible for us to
make it, but TTL He did a real
miracle & saved us both! This
is one of the most beautiful experiences that has ever happen-

is one of the most beautiful experiences that has ever happened to me.

THIS STORY HAS A BACK-GROUND. Two months ago my wife left me & took our son. This was just too much for me. I was completely lost & lonely, & I was praying so often that the Lord would take me. So here the Lord wanted to show me thru' Josh how much He loves me. Josh represented Jesus to me, as he was giving his life for me (John 15:13).

THE LORD WAS SHOWING

ME HOW MUCH HE LOVES
ME now in this present world.
It was so clear: I was just passing into this absolute peace & love when Josh came up with the same love to show me that the Lord's with me here & loving & leading me & holding my hand, TYL!

IT NOT ONLY SAVED ME FROM DROWNING, it also saved my life spiritually! Since then I feel so happy in this life as never before. It changed my life completely! How He loves us! The next morning I opened the "Daily Light" & the first sentence said, "Many waters cannot quench love, neither can the floods drown it. Love is as strong as death!-Greater love hath no man than this, that a man lay down his life for his friends" (SOS 8:7,6 & John 15:13). I hope this encourages others.—He loves us now & forever! Hallelujah! Love, Christian.

Travel To China!

Inside info about the in's & out's!

Inside info about a From Hoses:
THE POSSIBILITY OF PIONEERING CHINA IS ONE OF OUR MOST EXCITING OPPORTUNITIES! (See Mag 27 for the account of the Ho Family's first visit to China!). The mayor still wants us to come back again. He loved the children's visit & their singing, even knowing we're Christians & that we sing about Jesus. He told us they are reopening churches in his area which have been closed for 30 years since the revolution. He told us he could not arrange for us to do large pre-arranged shows, as this would require permission from Peking.
SO HE TOOK US AROUND HIMSELF to meet people. He then just let us set up & do our show of whatever we wanted. This happened outdoors at a large recreational area & at a school so whoever wanted to could gather around. It was a real miracle he took us to the primary school to sing for the children as there is still a law forbidding preaching or teaching religion to anyone under 18!

the in's & out's!

THE VISAS & TRANSPORTATION-FOR OUR TRIP had to be made thru' the China Travel Agency. They are the official travel agency for all visits to China & have a monopoly on transportation & issuing of tourist visas. It is a company which operates purely for the purpose of making money for China. THE CHINA TRAVEL AGENCY NORMALLY ARRANGES VISAS ONLY FOR TOUR GROUPS going with a bus & guide on a set route for a set day tour. All other tourists must also apply for a visa thru' them. Businessmen wishing to go to China must state the purpose of their visit & the people whom they intend to contact.

A FRIEND OF OURS, A LO-

they intend to contact.

A FRIEND OF OURS, A LO-CAL BUSINESSMAN, is the one who sponsored our first trip to China. We had to tell the China Travel Agency that we were going to go with Mr. C. & on this basis he issued us the visas. On the 2nd trip when we took the children, Mr. C's daughter accompanied us & we were told to tell the CTA that we were going to

take the children for a visit to see the Mayor. The Mayor told us not to tell them that we were going to sing, only that we were going to sing, only that we were going on a tourist visit.

WE HAD TO HIRE A 15PASSENGER BUS with driver & guide from CTA which cost about \$100 a day. Then the visas for all of us added up to about \$80 (about \$9 a visa).

IT IS CUSTOMARY WHEN VISITORS GO OUT TO LUNCH WITH GOVT. OFFICIALS, like we did, that they pre-arrange their most impressive selection of delicacies & then kindly slip you the bill at the end of the lunch! So the lunch which they ordered fo us when we went with the children cost \$100! So obviously their impression of Westerners, particularly businessmen, is that they can easily afford anything.

THIS TYPE OF EXTRAVA.

GANT HOSPITALITY IS VERY IMPORTANT to them, especially on the first visit, because it gives them "face". Their exotic foods are really the most they have to offer to impress the foreigner. So they like to make a show of giving. But due to their not having private funds of their own, it is customary to pass the bill to

the foreign visitor, be they Westerner or Chinese.

ON OUR FIRST TRIP TO
CHINA in which Esther, Ruthie & I accompanied the businessmen, the businessmen covered the cost of the lunch which was also about \$100 for 10 adults, on a par cost-wise with a good Chinese restaurant in Hong Kong, which is where the Chinese get their prices from. When thanking the Mayor profusely for the grand selection of food which they had ordered for us on our visit with the children (the 2nd trip), we told him that on our next visit we would be very happy with the simple ordinary fare (hint, hint).

WHEN ARRANGING OUR NEXT VISIT, at the invitation of the Mayor, the head of the China Travel Agency said he would not permit us to hire the van & driver from him to follow our own itinerary & that he would give us visas only if we booked to follow their usual day-tour to China, in which case we could not visit the Mayor or sing. The normal tour price amounted to double what we had paid before, which worked out to almost \$400 or about \$35 each. We told him this was more than we could afford.

WE TOLD OUR FRIEND MR. C. WHO PASSED IT ON TO THE MAYOR who said he would just need to wait to hear from them. Things in China move extremely slowly, like in the Arab countries. I was still checking with them frequently for news before I left for Europe.

THERE ARE PLANS IN THE WORKS TO OPEN THE BORD-ER between Macau & China, & seven between Hong Kong & Chinas much more in the future. There is a big resort under construction

their country for them to return for visits "bearing gifts",
money to support relatives &
to invest in business.

ALL THE MAJOR BUSINESS
DEALS newly negotiated between China & Western companies have nearly all been engineered by the rich oversess Chinese
who are amongst the richest in
the world. We read news of this
daily. There's even talk of the
return of properties & companies
to the former owners who have
field the country, & they're trying to locate them.

ALL OUR CHINESE DISCIPLES ARE ENTITLED TO THIS
"GREEN CARD" giving them
free access to travel to China, &
this is how their trips have been
made. But being Chinese, they
are subject to the Chinese regulations & customs & therefore
must be quite careful about too
openly witnessing or singing.

CHINA IS MORE LENIENT
WITH FOREIGNERS because
they are concerned with their
image for tourism reasons. Therefore they have tried to protect
foreigners to the point of executing any person found having robbed a foreigner. —Love, Ho.

'Sing Along' and Change the World!

musical back-ups on cassette!-Coming from MWM!

Singin' along with musical back-up on cassette—"The Ho Family Singers" at a popular Chimin Hong Kone. Photo by Ruthle. (A terrific idea for all! Do It! - D.)

From Ho:

Dear Dad, Maria & Peter,
GBYI GIJNI, DURING RECENT VISITS TO OTHER FAMILIES with children I was reminded of the need to help our children in their music ministry.—
This being the way in which our children shine like diamonds of dust & win hearts, as you mentioned in "Golden Opportunities".

This being the way in which our children shine like diamonds of dust & win hearts, as you mentioned in "Golden Opportunities".

There's something I'd like to pass on that has helped me in getting out with our 7 children singing.

WHEN OUR CHILDREN in Europe we always had precious musically talented helpers who worked with them, trained them, took them singing & sang with them, who played guitar & were real frontliners—faithful brothers like Zaccheus, Jonathan First-fruits, Paul Theophilus & many others are the ones who really pioneered & got our kids started. They lived, breathed & sang our Revolutionary message & spirit into our children until it flowed out & began getting results. These height of the children's real point our children until it flowed out & began getting results. These height of the point our children until it flowed onto the hildren's indigent in the recorded and of the children's real frontliners—faithful brothers like Zaccheus, Jonathan First-fruits, Paul Theophilus & many others are the ones who really pioneered & got our kids started. They lived, breathed & sang our Revolutionary message & spirit into our children until it flowed out & began getting results. These help I wouldn't have been able to carry on with what help I wouldn't have been able to carry on with what help I wouldn't have been able to carry on with what help I wouldn't have been able to carry on with what help I wouldn't have been able to carry on with what help I wouldn't have been able to carry on with what help I wouldn't have been able to carry on with what hely

singing of the songs. Ruthie began to add to it some more dancing motions as we rehearsed with
the recorded music cassetts. As
God opened the doors with invitations for the children to sing.
WE TRIED USING THE PRERECORDED MUSIC ON CASSETTE AS BACK-UP for them
to sing along with. It worked!

RECORDED MUSIC ON CASe, SETTE AS BACK-UP for them to sing along with. It worked—First with a little cassette recorder to small groups, then using the built-in music systems in some large restaurants & auditoriums to hundreds at a time in bigger stage performances. Then I took the cassette & some photos of the children singing to the heads of the local radio stations & they all did programs featuring the children's recorded music & interviews with them recorded in their studios.

THEN WE WERE ASKED TO RECORD AN ALBUM OF CHRISTMAS CAROLS by the company in whose studios we'd recorded our first cassette. They let us pick a selection of our favourites all about Jesus with a good Gospel message to which they required to add a couple of popular Christmas jingles which they wented. They then arranged & recorded all the music back-

ing track using their own paid studio musicians. Most of the songs came out sufficiently satisfactorily to sing with. Only a few we weren't happy with but couldn't change as time was too short. Esther & John Teacher worked on it & saw it thru'.

ALL IN ALL THE CHRIST-MAS CAROL CASSETTE WAS A VICTORY & tool we could use as a witness about Jesus in a place where Jesus & the real meaning of Christmes are very little known or understood. This cassette was distributed in their stores throughout HK over the Christmes season.

THEN I TOOK THESE TWO CASSETTES & PHOTOS OF THE CHILDREN SINGING TO THE BIGGEST TV STATION in Hong Kong. The producers of the most popular music show listened to the recordings & looked at the photos & booked the children then & there to sing on their main live Christmas show, without even seeing or hearing the kids in person-a first! The Lord opened the door just with the recordings & photos!

ON THE SHOW THE CHILDREN JUST SANG ALONG WITH THE TAPE as they'd become used to doing in smaller opportunities, only this time reaching 3-4 million people at once. Singing with the tape without the help of live musicians worked, to reach millions!

THE SAME DAY THE CHILDREN ALSO SANG WITH THE TAPE as they'd become used to doing in smaller opportunities, only this time reaching 3-4 million people at once. Singing with the tape without the help of live musicians worked, to reach millions!

THE SAME DAY THE CHILDREN ALSO SANG WITH THE PRE-RECORDED MUSIC at 2 live shows in a large auditorium to about 4,000 people. Again, the show organisers just used the little cassette played on their huge amplification equipment, enabling the children to sing with no need for talented musicians to hank them up.

to back them up.
USING RECORDED MUSIC
TO PRACTISE WITH, hearing it
exactly the same over & over,
has helped the children memor-

ize new songs more quickly, especially songs in foreign languages. Having the recorded music to learn from & practise with has also made it possible to use a national to teach them to sing a song even tho' they can't even play it on the guitar & aren't very musically talented, just mainly listening & correcting their pronunciation. GB Chinese Hannah & Katrina & Taiwanese Rebekah who have helped so much in this!

MUSICIANS talented enough to provide them with the musical back-up for an unlimited opportunity of reaching their far-flung fields with our many, many songs carrying our message. Maybe this idea would make it possible to have our best, most talented & gifted musicians provide the back-up music for any little family in any part of the world, anytime & all the time.—
LIKE THE WAY ANY LITTLE LITNESSER CAN GET OUT THE MESSAGE on paper with the best explanation & illustrations because it's prepared by the best, under the best supervision & can be reproduced in unlimited quantities from one original, COULD OUR BEST MUSIC for children which has been recorded by our best another divinited of the court of the course MUSICIANS talented enough to provide them with the musical

their pronunciation. GB Chinges Rebekh who have helped Mr so much in this!

HAVING THE PRE-RECORDED MUSIC HAS ALSO ALLOWED THEM TO DO SHOWS AT A MOMENT'S NOTICE, just popping the cassette in & singing with no setting up, tuning of instruments etc., & when we didn't have a musician present anyway. For me who can't even play one of their songs on the guitar, this das been the only way! could get involved & take the children out singing anywhere. BY USING A PRE-RECORDED MUSICAL BACK-UP & WHATEVER CASSETTE PLAYER WAS AVAILABLE or I brought along, the children have been able to sing anywhere & everywhere, to one person or to millions!—In parks, on the street, in hotels, refugee camps, shopping centers; bars, nightclubs, restaurants, discos, ballt ooms, at home & on radio & TV.

SO FOR PARENTS LIKE ME WHO HAVE LIMITED MUSICAL ABILITY & can't even play an instrument, I hope this idea can help them & this testimony show them that it's still possible to help their children to have a fruitful musical wintessing ministry—not limited by the parients' lack of musical ability.

OUR NUMBER OF CHILDREN, NOW 3500, FAST OUTGROWS OUR NUMBER OF

cassette of them over & over.

LAST CHRISTMAS WE PICKED A SELECTION OF 7 SONGS off the songs sung by Jerecassette, which they sang at all their Christmas carol cassette, which they sang at all their Christmas performances in a certain order. We copied the recordings of these 7 songs, which amounted to a 20-minute show onto one side of a cassette. Then on the other side we copied the same songs in the same order with just the music back-up & no voices.

USING THIS METHOD, ANY. ONE COULD LEARN TO SING the songs by listening to the side with words, & use the music on the other side to back them up in performances. We sent copies of our Christmas cassette recorded in this manner along with a photocopy of the words to a number of families with singing children. Those who wrote back liked the idea & thought it could be the work of the songs on the same spirit.

SO THERE MAY BE A REAL NEED FOR SUCH A TAPE of some of the excellent songs from the MWM Shows that our kids

could perform. Also, the side with the music only can be used to sing along in any language. Most of the songs on the unside of the music only can be used to sing along in any language. Most of the songs sung by Jeret works supported without remixing or a separate track that could be capied without remixing or re-recording of these songs.

FRIENDLY BAND MEMBERS print the music & chords of all the works by the MWM staff to the works

Anytime, anywhere the Ho Family is ready to sing for Jesus in Chinese or English by merely taking along a cassette player & tape of musical background—a simple method all families could use for their children! Photo by Nuther

Dancers find "right kick" Jesus!

From Corny & Nekoda; Indonesia:

WE'D LIKE TO INTRODUCE
TWO NEW DISCIPLES, Colin
& Joy, natives of Southeest Asia.
During a trip to Singapore we
stayed at a guest house frequent
ed by dancers & entertainers.
There we met this young couple
who were doing stripshows on
the S.E. Asia circuit. They were
really fed up with show biz, tho',
& were soon finding new horizons in the Mo Letters morning
noon & night.

AFTER COLIN READ THE
LETTER "SOLDIER OR
FRIEND" he decided to forsake
all to follow Jesus, along with
his wife Joy. Colin is from Singapore, half Chinese & half Portuguese & speaks fluent Malaysian, Chinese & English. A professional bass guitarist, he started a dance team with his wife
Joy 3 months ago. Joy, from
the Philippines, is half Chinese
& half Spanish & has been dancing for 5 years. She had already
met the Family on 3 different
occasions in the last 3 years before the Lord finally reeled her
into the boat of His full-time
service.

Its searching for something, we knew not what.

"WE WERE AT THE END OF OUR ROPE when one day we found a King James Bible in our hotel room & started reading it. In desperation we cried out to God & He answeredl—About 2 weeks later we met Corny & Newords. They talked to us about the love of Jesus & prayed with us to receive Him, & BOOMI Jesus delivered us into a new life of happiness serving Him. Hallelujah! Joy says.

"I CAN NOW SEE THAT GOD HAD HIS HAND ON MY LIFE since I was in the womb! My mother tried to about me, as she was afraid to be a disgrace to her family with an illegitimate child. When she went to a doctor to get an abortion, he gave her pills to take which turned out to be vitamins instead, Hallelujah! After a period of being a hippie I became a professional dancer where I met Colin. After dancing together for 3 months we met the Family & prayed to receive new life thru' Jesus! Every day now we grow stronger in the Lord, reading the Bible & the Mo Letters.

"NOW WE'RE LIVING WITH

OUR BIGGER FAMILY OF GOD'S LOVE sharing all things as one. I finally found the 'right kick' that would send me to the stars!—Jesus! Love, Joy."

Winter Driving Tips!

Winter Driving Tips:

- Tips from Europe!

1. ANTI-FREEZE: It is imperative to take care of this before the real cold sets in, to avoid daming to have your cooling system cleaned out. Usually protection down to -20°C. is sufficient.

2. BATTERY: Cold weather attacks your battery as it is sensitive to low temperatures. Check that the battery fluid is at the correct level, & that the amperage is at the maximum. Never put anti-freeze in the battery.

3. TIRES & BRAKES: Worn tires should be replaced without the car to fish-tail. Contrary to 20 a popular myth, it is dangerous of the tires in order to better hold the road. Maintain the pressure of the tires in order to better hold the road. Maintain the pressure advised by the manufacturer, or even better, add 200 gr. to each tire!

Some of you folks need to learn some of the good old fighting songs of the early Christens and songs of Christens who really meant business, who really fought against the world and fought against the system, fought against the established church and really leshed out with marching songs, fighting songs, witnessing songs that have a real message and pack a real wallop!

It's the spirit in which it's sung, without the spirit the song is nothing. These songs have to be sung by soldiers that really know what they're talking about to be sung in the right spirit. You've got to put some sumption into it! You've got to put real "umph" into it! Triumph is 107, "try" and 907, "umph"! You've got to sock it to 'em baby! So let's sock it to'em shall ve!

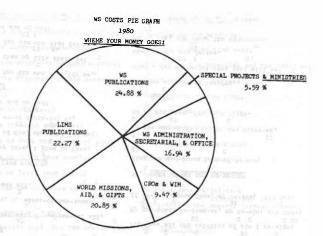

You'd be surprised sometimes when you're having prayer together how some of these dear old hymns can really get you united in the Spirit, really melt your hearts together in love.

Jeane Manson's Heartcry!

Lyrics to some of Jeane's latest songs!-From her album "Stand By Me".

PRAY FOR ME
Pray for me that I'll be
What I should be
And what I will give
Is what I will live
And then ...
I'll live the light in me.

Sometimes I'm reminded That I'm incomplete When I find it hard to live

WHAT WOULD I DO WITHOUT MY MUSIC

Ornetimes I stumble home at night discouraged Dragging my battered dreams behind Wondering if the bettle's worth the fighting And why so many people's eyes are blind.

But as I disappear into my music And the song grows deep inside my soul I know if God wants me to use it Striving's more important than the goal.

What would I do without my music?
What would I do without my song?
What would I do without my music?
To make it right when everything seems wrong.

STAND BY ME

I've been looking back over my life It was misery and full of strife Before I traded it in for You and Your Love.

I don't know why it took me so long To choose the right over the wrong I never knew I had a Friend like You To stand by me, the way You always do.

Stand by me every morning

Those words I preach.
On stage it's often easy
To pretend I know it all
Back home when I'm all alone
I stumble and I fall.

So pray for me,
That I'll be what I should be
And what I will give
Is what I will live
And then...
I'll live the light in me.

Sometimes I am reminded

That in nyself I'm weak When I find it hard To live those words I speak. Oh you know it's often easy To wear the servant's mask Then I go, I push and shove To keep from being last.

So pray for me,
That I'll be what I should be
And what I will give
Is what I will live
And then And then ...
I'll live the light in me.

er shining light.

that I'll never oh never Have to be alone again
Because You said You would always
Stand by me.

You know there's times I'd like to run & hide From this life and its worldly pride But I just close my eyes And I see You there by my side.

You know, I never had me such a Friend Who would take me just like I am And forgive me and love me the way You do The way You always do.

Ine way You always do.

Stand by me every morning
Stand by me every night
Stand by me, help me see
By Your ever shining light.
Now I know that I'll never, no neverHave to be alone again
'Cause You said you would always
Stand by me.

ABLE TO READ THE ILLUMINATI LETTER, & it was a real
eye-opener & liberation for our
Home. Tad & Joy got down &

I REMEMBER YEARS AGO STANDING AROUND A CAMPFIRE when we were on the road & you came up to me & gave me a real sexy kiss & said, "Honey, I always knew you were a hot one!" What a liberation that was & what faith & confidence it gave me to be what I really was down deep inside!

WELL, NOW I REALLY
WANNA BE A "HOT ONE"
FOR GOD'S KINGDOM & His

Dearest Dad & Maria, XXX!
HOW I LOVE & NEED YOU SO—SO VERY MUCH, & seeing it in just every new Letter, how the Lord teaches us like children so very faithfully, in LOVE!
I'VE JUST FINISHED READ.
INC THE HO & ESTHER SED.

I'VÉ JUST FINISHED READING THE HO & ESTHER SERIES (the other day) & today the
Justius-Problem in full! My oh
my! What heart-weshing lessons
they both are! And how it makes
me cry to read all about the details you've had to be burdened
& busy with!
HOW WE ALL PRAY THAT
WE CAN BETTER "OBEY YOU

US, & submit ourselves (as a
Family worldwide), for you
watch for our souls & have to
give an account, that you will be
able to do it with joy & not with
grief, for that is unprofitable for
you' (Heb. 13:17.)
I REALLY PRAY THAT WE
HERE WITH YOU, & ALL
YOUR CHILDREN TOO, WILL
MAKE YOU HAPPY & not sorrowful! And I'm so very thankful that our little ones here do
huffill a great purpose in making
you joyful!—Prov. 17:6: "Children's children are the crown of
old men. & the glory of children
are their fathers." Your lessons
to us help us to greatly profit.
—Thank you & TTL for such a
glorious father!!
WE APPRECIATE SO MUCH
HOW YOU SHARE JUST EVERYTHING WITH US, even
these lessons of disobediences &
tryings etc.—"Nothing is hidden
from the heat thereof!" And
this makes us such a united body,
learning all the Lord has put others thru' & therefore being likewise accountable for their lessons

OVERALL, I FOUND HO'S
SINCERE REPENTANCE &
RETURN TO THE WORD & rededication to the Work a great
victory as well as a warning for
us all! Esther told me a few
years ago in Italy that they had

stopped praying & reading the Word together even then for a long while

Word together even then for a long while.
BUT TTL, THEY'VE SEEM-ED TO RETURN TO THEIR FIRST LOVES in Jesus & you now. (Frankly, I can't see how anyone with children, especially enyone with children, especially so many, could get away from the Word & prayer, since the children if anything seem to keep us in the Word & growing by learning together daily. What greater blessing could there ever be than that of feeding God's little lambs!!)

blessing could there ever be than that of feeding God's little lambs!!)

PERHAPS ONE OF THE MOST CONVICTING LESSONS OF ALL was simply that in both cases of these new Letters, the Word pure & straight was always there & faithful to continue, never lacking thru' the mailings, even personal words from you, & even in daily work being done on the Words, & yet, so so sad-IT WASNT "LOVED" & DE-SIRED & working in hearts & needy souls, but rather put aside & replaced with bad worldly desires or attitudes etc.—all the Devil's business of course. We've often remarked at daily "devies" here, & have prayed too, that—EACH NEW LETTER & BIT OF COUNSEL FROM THE LORD THRU' YOU MUST BE ALLOWED TO WORK IN US for the better, for real change & good fruits, "allowing the Word to work in you" so to be ready for the next lesson & try to live them to the fullest!

WE LOVE TO LEARN & GROW, IKE DEAR LIL DITO Whô so loves the Lord & the Word, just desires it daily to fill up his thirsty, little strong New Bottle! Hallelujah! I love him with him & you both, & GROW, LIKE DEAR LIL DITO who so loves the Lord & the Word, just desires it daily to fill up his thirsty, little strong New Bottle! Hallelujah! I love him ed than with him & you both, & dear ill "Techi", who enlightens me daily, just as she does too for you!! If you are ever sad again, dear Dad, just call for the children, anytime to visit you for hugs & love! I know they really love you, & me too!!! XXX— forever!

AND "THANK GOD FOR MARIAI" as one of the kids' favourite lil TKs says, for the strong piller of faith she is to you, & eternal sample of true dedication & love for the Lord & His Word & work!!!—And too for all the fruitful units around that "keep going for God, keep believing & obeying no matter what happens!" Amen! ESP. THESE NEW LESSONS INVOLVING SOME WS PEOPLE ought to really "shake-up" all our WS units—tremendous lessons on obedience & the crimes & heartbreak that failure to report

on obedience & the crimes & heartbreak that failure to report crimes will cause!! Faithful communications are so very important fall of these are such basic lessons!—& always renewing). And the Lord's perfect love surely "casts out all fear" so that no one should be afraid to report in to you the mistakes & sins we all make so much!

ANYWAY,! WANTED TO

SHARE THESE REACTIONS

TO ENCOURAGE YOU to please keep dishing it out to us all, we love & need it! And please never think that we don't appreciate all you do for us in every way! We love the spankings given personally & even to others, as well as every morsel handed out!

IT'S ALL THE LORD, &

THEREFORE IT IS LOVE! PIs, don't think we'll be like poor Justus, who couldn't take it. I'm sorry he didn't like me.—! guess because I had to tell him off a few times, hal! So glad it's all dealt with & everyone's happily in the Lord's will & place now, keeping busy for Him!

I LOVE YOU! I LOVE YOU!

Ilove you both & wanted to tell you a big thank you after reading & crying & praying for these situations! Our prayers are with you daily & forever! Jesus has given us so much & all we could ever dream of or need or be worthy of! I'm with you all!!!

the way, Amen! I'll take Jesus & you! Yours, forever, gratefully & "in-Love!!"—Your Sara.

Dearest Dad, Maria & Peter,
GIJNI WE LOVE YOU SO
VERY MUCH & are so thankful
to start this New Year in Service
to Him & you! May God bless
& keep you safely in the year
ahead. "The First Christmas"
& the MWM tapes & the songs
in the FN & all really helped
make our Christmas more meaningful this year. We want to
pass on some good news:
WE FEEL THAT HO & HIS
FAMILY ARE MAKING SOME
REAL PROGRESS & steps of
repentance. PTL!—His Word
never fails!—When it's received
in faith! Perhaps we can just list
for you a few things we've seen
& heard of late.
HO & HIS FAMILY HAVE
HAD FELLOWSHIPS & COMMUNIONS with both the Macau
& Hong Kong Homes, where
they've confessed & apologized
for their past mistakes. On
Michael Christian's TRF he mentioned how they had a comeunion with Ho's family, the first
one ever, & that it was a real

ESTHER HAS BROKEN OFF

boy to him. Apart from Peter's
grumbling, this seems to have boy to him. Apart from Peter's grumbling, this seems to have gone quite smoothly & without any big flare-ups. When I went by Ho's HK flat yesterday, Esther was working away in the kitchen & right away offered me a snack & drink, something I don't think she's ever done before. SHE HAS BEEN TAKING THE KIDS SINGING in restaurants where they pass out lit. When Rebekah saw her on Thursday, they had just been out singing for about one hour in 3 restaurants & had passed out 200

pieces of lit & collected HK\$200. She definitely was being more of They were all very inspired. ESTHER LOOKED MUCH HEALTHIER & APPROACH-ABLE, not "sloof" as in the past, & the kids all seemed a lot happier. They have also done several public performances in HK & Macau. We saw them all on the evening news one night just before Christmas. Details of all this is in their letters to you, which you've received by now. WHEN I SAW HO, FOR THE FIRST TIME SINCE HE'S BEEN BACK from Europe, he was much more slowed-down, inspired & positive, & noticeably less pushy with shop staff & all. He was quite open to share with me all he's learned. HIS CONTACT WITH THE "GRASSROOTS" BRETHARN IN EUROPE litnessing daily for needs really had an effect on him. He said he could easily see the difference in their spirits & his. He's definitely actively advocating "no system jobs", a real about-face, & helped the John we have here with that. HE WAS SO HUMBLE & OPEN IN ADMITTING HIS ERRORS & said he's thankful for the fear of the Lord. So-things really look on the up-8-up. They have worked out a good schedule & have been doing lots of cleaning & reorganizing.

REBEKAH MENTIONED THAT ESTHER DIDN'T GET INTO SHARRNG any of the lessons she's been learning with her; but she feels that may be due to the fact that Esther may not feel she knows us very well & thus didn't feel as free to share. FEW PEOPLE HERE HAVE HAD ANY REAL CONTACT WITH ESTHER for a long time, so it may take some time for her to learn to be more open.

jobs, it's more like he considers he's just lost a client.
I COULD REALLY SEE A DIFFERENCE IN THE TWO: Both Mark & Ho have been off the track with their system jobs, bickering & all. There was Howho had openly accepted the chastening & had humbled himself & was now showing the fruits of repentance & of the Spirit.
BUT MARK HASN'T REALLY BROKEN or seen & admitted his mistake, or need to change—either in his system jobs scene or in his relationship with Ho. I don't know if this will make sense to you or not, but—

his relationship with Ho. I don't know if this will make sense to you or not, but—

TO ME, THEIR TRFS ARE
INDICATIVE: Ho's is always on time & full of victories, lessons, ML reactions, comments etc., whereas Mark's is almost always the last one in & usually almost completely blank, apart from stats & signature. Shern's written me a couple of times about Mark's GLP Report being late, & I've asked Mark several times to please get his Reports in on time, at the beginning of the month, but Reports are something he seems to take very lightly & has lots of excuses for being late or incomplete.

THE OTHER DAY I WAS READING "RULES FOR RULERS", when I came across para. It which stood out: (I had been thinking about Mark when I read this.) "The hardest words in any language it seems are: "I was wrong" ... it seems they would rather miss the blessing & sell their birthright than to admit they're mistaken!" (218:14) SO WORKING TOGETHER ON YOLUME 7 & subsequently

Y ading attitude still is, "I know best".

HO ASKED MARK IF HE WAS GGING TO CONTINUE WITH HIS SYSTEM JOBS, as a lead-up to sharing the lessons he's learned about it. Mark immediately said, "Of course," & listed off his reasons why. He also blurded out, rather significantly I thought, "It's easy to just live on a budget, but when you won't have a budget anymore, then you have to get other of the strength of the same so support; It's in the Letters..." However, this isn't the full story: Both Mark & Mike's wives are very good at provisioning, FF'ing, escorting & they have a very cheap rent. It's not that Mark needs the system work for support.—I think he just likes it.

SO, ALL IN ALL, HO WAS PRETTY SHOCKED BY MARKS ATTITUDE & later asked me if I felt we should deal with Mark about his attitude, to try to help him see his situation. My response was that if Mark hadn't received your letter to him soberly & wasn't considering all the latest in the Letters about jobs & putting "God First", that I wasn't sure how much he would receive from us. I mentioned to Ho that if you asked me to pass on some coursel etc., to Mark, I would, of course, but that for now I didn't feel that was my place to do so.

About 6 months ago Lydia met

while she was hitch-hiking. He
seemed very sweet & lonely, &
God laid a special burden on her
heart for him.
AT THE TIME WE HAD
REACHED ROCK BOTTOM.
We were 6 adults, including 2
pregnant mothers, & 4 children.
It was winten time & rainy & we
were living in an old farmhouse
with a leaky roof & we had come
to the end of our rope. God was
putting the pressure on, so we all
got together for a day of desperate prayer & fasting & decided
then that we were going to stick

holding God to His Word to sup-ply our needs.

THAT DAY N. CALLED to say hello & asked if he could take Lydia out to lunch the next day. Little did we know what the Lord had in store for us! Prior to this she had contacted N. about a week after the'd met him & they i she had contacted N. about a week after she'd met him & they had discussed the Letter "Feet of Faith" which she had given him, & he was greatly impressed with our work, our child-like belief in God & the miraculous.

AFTER A SIMPLE LUNCH.

N. lonked at 1 with 8.

AFTER A SIMPLE LUNCH, N. looked at Lydia & said, "Fror what you've told me I can see that you are doing a good work & that you don't have much money. One time in my life I was very very poor & I've never forgotten what it was like. I'd like to help you." And he handed her a thick brown envelope,

thank God enough!"—But it was not over! In fact, it was only the beginning! SINCE THEN, N. HAS BEEN ISONCE THEN, N. HAS BEEN INCE THEN INCE IN IN

MUNITIS PREGNANT & he was so concerned for her & the baby that he arranged for the hospital & doctor fees to make sure she had a good safe delivery During this time also he kept saying, "After you've had the baby I'll take you to a special place where I like to go where there is an international crowd. I hope you'll like it."

Lope you'll like it."

SO AFTER THE BABY WAS BORN & old enough to be looked after for the evening, Lydia went out with N. The place he had told her about turned out

THE NEXT DAY ASHER FOUND AN OLD PAPER & answered an ad for a VW camper, & the man came down \$1,000 on the price, & the money we had won was just enough for the yean & a large tent! PG! But believe it or not, the story is not over yet! This month N. paid our rent for a new house for one full year! And for the first time he came over & visited us all & met the whole family. He has come into his life, & we know that God must have great blessings in store for him for all the blessings he has given to us. (Gen. 12:3.) Please pray for him!

Portugal's Politics Pre-empted!

The fateful death of Portugal's PM blocks rightist coalition! The implications!

From Ebed & Estrella:
THE POLITICAL OUTLOOK
FOR PORTUGAL seems to
have drastically changed over the
past few weeks due to the shocking death (airplane crash) of the
ex-Prime Minister on the eve of

ex-Prime Minister on the eve of the Presidential elections here on the 4th of Dec.!

SA CARNEIRO WAS A DYN-AMO OF ENERGY, steering the country into closer collaboration with the U.S. & Portugal's NATO allies. Everything seemed to be going his way, including the probable election of a new President, Soares Carneiro (no relative) who believed very much the way he did, politically-speaking.

THEY WERE PLANNING TO CHANGE THE PORTUGUESE CONSTITUTION radically & pave the way for a much more pro-Western streamlined democracy. However on the very eve of the probable victory & fruition of this dream, Sa died along with his mistress, Minister of Defense & his wife, leader of his gov't. party (house speaker), & the two pilots in a small twin-engine going his way, including the probable election of a new President, Soares Carneiro (no relative) who believed very much the way he did, politically-speaking.

However on the very eve of the probable victory & fruition of this dream, Sa died along with his mistress, Minister of Defense & his wife, leader of his gov't. party (house speaker), & the two pilots in a small twin-engine Cessna aircraft, one minute into flight from the Lisbos airport heading towards Porto for a last-minute political rally to support his Presidential candidate, Soares Carneiro, in that city.

HAD THESE TWO MEN TAK-EN OVER THE REINS OF PORTUGAL'S GOVERNMENT, it could have very likely spelled some changes for the Family here. Shipping Your Car?

4. BEFRIEND THE SHIP'S

From Carlos & Rose; S. America: FIRST MATE & as many of the WE JUST SHIPPED OUR CAR TO ARGENTINA, & the lessons we learned from experience could prove helpful to others.

1. AVOID SHIPPING FROM A COUNTRY THAT HAS REDUCED TRADE with the country you're shipping to because the ship will very likely sail half-empty & will have to drum up business between several ports along the way in order to make a profit. This will result in inordinate delays. In our case, the boat arrived 28 days later than the estimated day of arrival first given us by the shipping company's agency in Greece In any case, be advised to take this estimate as exactly that, an estimate, & plan accordingly.

2. INSURANCE COMPANIES IN GREECE REFUSED TO INCLEASE A plantic & a corror of prayer, we shipped it with its brand new radio & speakers & a trunk loaded full of camping gear, children's books & toys. & sundry personal effects. Everything arrived intact, TTL.

3. WASH & SIMONIZE (WAX) YOUR CAR BEFORE SHIPPING. On most liners, cars are not placed in the hull, as no other cargo could be safely placed on top of it. So it travels on deck. Altho' any responsible carrier will protect it with both a plastic & a convas cover, a few weeks at sea will still take its toll. Ours arrived with rusting door edges, which we feel a professional simonize job or other similar protection applied just before shipping, would have prevented.

4. BEFRIEND THE SHIP'S used to the formalities for bringing in a car for tourism & can keep one going around for three days filling in forms & getting documents authenticated just because they are not completely sure of the procedure. But in the end it all worked out for good, as we met a high customs official who has invited us to his home to meet his family.

7. BEFORE LEAVING MAKE SURE YOU HAVE AN UNEX-PIRED INT'L. DRIVER'S LIC-

ENSE in addition to all your car ownership papers. A member-ship card from your country's automobile club entitles you to automobile club entitles you to one free month's membership at the very efficient club here. They sent a service truck right up to the ship to help us start the car, which had been at sea for 56 days, at no charge. At their central stations all over the city they have reduced-rate repair service for members. They also run motels, inns, campgrounds & service stations all over the country.

8. IT MAY PROVE VERY WISE TO INSTALL NEW TIRES & BATTERIES before coming here. Tires are currently running at \$130 each, & batteries \$80.

9. IF EVERYTHING IS IN

coming here. Tires are currently running at \$130 each, & batteries \$80.

9. IF EVERYTHING IS IN ORDER, YOU'RE GIVEN A PERMIT to go freely about until the day the entry stamp on your passport expires, usually 3 mos. after arrival. If you wish to stay 3 more months the customs office must be informed 10 days in advance so that the permit may be extended. If at the end of the second period you have not left or are applying for residence, you will be asked to pay 90% of the car's value assessed by local customs, which asses according to the very high local prices for cars. (In my case, DV, it seems that it will be comparatively simple to secure residence, as I'll have two things working in my favor: Argentina's new policy of openly appealing for skilled white males to settle here, & the fact that by that time I may be the owner on record of some rural property, our refuge.) If you're granted residence, the car may remain upon payment of a nominal amount which is currently \$220, but you may not sell the car not parts thereof to any resident Argentinian unless he pays full duty on it. Love, Carlos & Rosa.

Car Safety Tips For Children!

From Adar; Europe: I RECENTLY ORDERED A LITTLE BROCHURE, "Travel LITTLE BROCHURE, "Travel With Baby", which was recommended in an old FN. I was surprised to find that the majority of the little booklet consisted of safety tips. Since so many of our families are now on the road, I thought it might be worthwhile to go thru' the booklet & pick out the most valuable tips. INTRODUCTION: The car can be reasonably safe, if you make sure to take all the proper safety precautions first. Remember, little children can't protect themselves. So if you don't do it, nobody will.

ber, little children can't protect themselves. So if you don't do it, nobody will.

CHILDREN ARE NOT MIN-IATURE ADULTS. They have larger heavier heads & shorter legs in proportion to their bodies than adults. In a crash, this imbalance forces their bodies to whip forward & become propelled little missiles often going right thru' the front windshield. MANY PEOPLE FEEL THAT A BABY HELD IN THE LAP ISTHE SAFEST way to travel. In the event of a crash, the adult will be totally unable to hold on to the child. If the adult is unbelted he is likely to be thrown right against the baby & the dash. At 20 miles per hour, a 25 lb. child turns into a hurtling weight of over 500 pounds—not a simple matter to hold in place with one extended arm.

SO IT'S A GOOD IDEA TO CARRY YOUR CHILD IN A RESTRAINT (car-safety seat) from infancy while travelling. The child will readily adjust to using a belt when the restraint is outgrown.

TIPS FOR PREGNANT MOM-MIES: Medical authorities suggest the following measures to increase safety & afford maximum protection in the event of an auto mishap: 1. Drive as little as possible during your last months to minimise your chance of having an accident. 2. As a passenger, ask to sit in the back & fasten your seat belt securely. (The back seat is generally a safer place to be in case of an accident, 3. Keep your seat belt low, below the "anticipated arrival", & use the shoulder harness whenever possible. 4. Be sure to advise your adoctor after even the slightest collision.

WHY VITAMIN C? After a
nuclear attack is the danger of

ability to defend itself against
any kind of disease so that even
a common cold could become
lethal. At a time like this, Vitamin C, taken in doses of 1,000

raising the dose to 1000 mg. per

CARAVAN HEATING TIPS

CONDENSATION CAN BE A
MAJOR PROBLEM when winter caravanning. This has a direct
link in many vans with the method of heating. As gas is consumed,
heat, carbon dioxide & water
vapour are produced. A simple
butane gas fire will introduce
at least 1/3 pint of water into

the atmosphere for each hour of burning. There will be damp walls, bedding, mattresses, cloth-ing & curtains. For this reason

walls, bedding, mattresses, ctotning & curtains. For this reason alone,
PORTABLE CONVECTOR OR RADIANT HEATERS, including the catalytic type, cannot be recommended for serious winter caravanning. Even sillier is the idea that an oven or stove can be turned on when the weather turns cold. The results could be simply lethall. The gas carbon monoxide, a potential killer, is the by-product of incomplete combustion & is particularly dangerous when produced by naked flame appliances: FRANKLY! WOULD ONLY RECOMMEND ONE FORM OF WINTER HEATING—that which has the burning process taking place in a completely sealed combustion chamber. Air is drawn into the chamber via an underfloor intake, mixed with 93 & thenexhaust gases are vented away via the floor or thru' a flue in the roof. A number of excellent flued heaters on the market can be fitted on a DIY basis.

SOME EXAMPLES: Carver Trumatic, the Electrolux 3000 & the Morco 2000. Distribution of the air heated by the Carver Trumatic can, at extra cost, be pushed by a 12-volt or 240-volt fan thru' the lengths of special trunking to outlets sited at the far corners of the van.

CAMPING TIPS

ALL CAMPERS SHOULD IN-CLUDE A QUALITY FIRST-AID KIT in their gear. Even the largest & most complete kits aren't bulky or difficult to pack. It should include assorted adhe-sive bandages; sterile gauze & cotton; adhesive tane; indine. sive dantages, sterile gauce a cotton; adhesive tape; iodine, Merthiolate or Mercurochrome; burn ointment; ammonia; alcoho poison ivy/oak solution; sulfa powder; boric acid powder; toothache drops; aspirin; laxative diarrhea medication; salt tablets; water purifying tablets; scissors; tweezers.

YOU CAN DRAW YELLOW

The yellow jackets & hornets gorge on the fish & fall into the water. Another method is to place a dish of syrup away from the camp. The stinging pests will gather at the dish & stay out of camp. DITCHES AROUND THE PERIMETER OF A TENT RARELY ARE NEEDED. However, in areas where rain run-off is poor they're beneficial. A drainage ditch should be about 5 inches deep with the dirt piled against the tent. Ditches should

Do-it-yourself tips on mechanics, painting, decorating!

anics, painting, decorating!

Tips by Gary; Spain:
NOW WITH ALL THE CAMPING LETTERS everyone has
the burden & vision to go mobile.
But for many in poorer fields it
may be difficult as vehicles are
quite expensive. One alternative
is to get an older vehicle & little
by little fix it up as time & finances permit—which is what I
did, PTLI
1 WOULD SUGGEST GET-

I WOULD SUGGEST GET-I WOULD SUGGEST GET-TING A VEHICLE THAT IS MECHANICALLY SOUND but not to worry about the paint job or the interior too much. You can find an "ugly" looking van for quite a lot less than a nice clean one, with both of them having the same motor condition, & then you can do the fun part of turning it into a nice mobile home—the guys working on the paint job & mechanics & the girls making the curtains & plan-ning the "kitchen" etc.—a real family project.

amily project. I BOUGHT A 1971 VW VAN I BOUGHT A 1971 VW VAN that I thought was reasonably sound mechanically, altho' the body was just an ugly empty shell. Slowly I found out that my van was just as bad mechanically, but PTL! Six months later I had a very nice running van & it was nice looking, fixed up inside & out!

MEANWHILE THE LORD

MEANWHILE THE LORD TURNED ME INTO A RATHER PROFICIENT MECHANIC, having taken out the engine several times, putting in a new clutch & even rebuilding a gear box!—A real miracle as I really didn't know much about mechanics before. But now I've got the

faith for just about anything tha could go wrong.
I LEARNED REAL FAST

I LEARNED REAL FAST that I couldn't go running to the "doctor" (mechanic) every time something went wrong. For example, the clutch slipped on the van & the VW house wanted \$400 to repair it! I tried to provision it but with no success. We just couldn't afford to pay to have it done for us, so I knew I would have to do it. PTL, two days later it was repaired, & it cost us exactly \$15! A brother & I took the engine out in front of a mechanic's garage (he lent us a big hydraulic jack) & instead of buying a new clutch plate I got the old one relined (provisioned!), & the clutch pressure plate which

one relined (provisioned!), & the clutch pressure plate which cost \$100 new I found in a junk-yard for only \$15!

ABOUT MECHANICS: I've found that there are two different kinds of mechanics—honest ones & dishonest ones! The honest ones (at least in this country) will bend over backwards trying to help you, especially when they see that you aren't a rich tourist & that you're not afraid to get your hands dirty & afraid to get your hands dirty &

do it yourself.

MOST OF THE HONEST

MECHANICS I KNOW are the MECHANICS! KNOW are the sweetest, sheepiest, down-to-earth people—men who will ope their hearts as well as their garages to you after they see you there under a dirty greasy car with a wrench in one hand & a car book in the other, doing the best you can.—And more than once I've had them end up there under the car doing it for me!

THE DISHONEST ONES, HOWEVER, WILL PAINT A-VERY BLACK PICTURE for you, especially if they see how little you know about mechanics. They'll tell you, "Oh, it's a big job, very complicated. You could never do it yourself. The it whole engine has to come out" etc. etc. They'll really try to scare you & discourage you! Maybe it's to get you to let them do it for you. I don't waste my time with them or even listen to them.

WHEN I REPAIRED MY
GEAR BOX. I asked a mechanic that if I did all the work using my tools would he let me use his jack when it was time to drop the motor out. These men are usually quite busy, & I make it very clear that I will do everything, only needing the use of his jack for a very short while to "drop the engine" & then later on to put it back again.

MOST WILL AGREE TO THIS & show you a place outside near his shop or next to it where you can do it. I made it plain that I had my own tools, as most mechanics don't like to lend their tools out, especially to a novice—& he will probably be using them anyway.

ONCE THEY SEE ME OUT THERE WORKING AWAY I've found them more than happy to give me advice on any difficulties that may arise, & I've been thankful that there was someone near to ask. Usually I've ended up having witnessed to everyone there in the garage (& even the neighbours!) by the 1 time I've finished, & been invited to eat with them & with an open invitation to use their facilities whenever! I need, TLL!

CAR REPAIR BOOKS: Doityourself shop manuals are available for most models & are such a big help—for me a real necessity! They tell you step-by-step almost everything you need to know,

from setting the points to a complete engine overhaul.

TOOLS: You really get what you pay for with tools. Cheap tools will deform or break under stress. Good tools are expensive, but well worth it. The best are a "chrome-vanadium" steel. Also I got me a one-piece mechanics worksuit. They're not expensive & a real need, as if you do any work on your car you will ruin your clothes. No matter how hard I try, I just can't seem to avoid getting greasy.

JUNKYARDS: One of the biggest blessings to a mechanic a junkyard I almost never buy new parts now as they are so much cheaper off a wrecked vehicle in a junkyard. Also you can find all the little odds 'n ends for your old van such as door handles, erm rests, floor mats, light covers, hubcaps, even nicer seats & door panels—all the things you need to restore your van to its original condition. You do have to learn how to deal with junkyard owners however, as they can be "real characters" in some countries, strange people, hal (Ed.: See No. 170: 29-33!)

A PAINT JOB: To have the yeap ainted, they wanted over

hal (Ed.: See No. 170: 29-33!)
A PAINT JOB: To have the van painted, they wanted over \$400! So a brother & I looked for a paint & body shop to try to provision use of their spray gun, compresser & painting room provided we did all the work & bought the paint. The second place we went to agreed & the owner was so sheepy!

IT WAS HARD WORK!—The whole vehicle had to be sanded, all the big rust spots ground away, dents knocked out or filled, way, dents knocked out or filled, stuck to the metal but melted to paint our 2 vans. We were able to get car paint at dealer's cost & in the end I spent only 345 for materials, about 1/10 of what it would have cost had I raid the system to do it. TVJI ALSO WE REALLY WON THE styrofoam to the other side of MECHANICS' HEARTS as they

saw us working hard in the hot sun & so happy at the same time. Sam had Scripture & mu-sic tapes going the whole time, GB'MI And boy, you wouldn't believe the change that a couple coats of paint does for an old coats of paint does for an old vehicle. It was truly astonishing! The vans turned out looking brand new!—And a good sample instead of like "hippie vans". We painted the bumpers flat black & the wheels silver & put up color coordinated curtains that Alicia made on her mother's reusing machine.

up color coordinated curtains that Alicia made on her mother's sewing machine.

THE FLOOR: I threw out the old carpet & replaced it with a piece of linoleum with an imitation woodgrain design. Carpet does sound cozy, but it just isn't practical. For our way of life it's too hard to clean. But you can sweep & mop linoleum easily, even disinfect it. But a carpet just soaks up a spill & will later smell bad & attract flies. You can cut linoleum with a pair of scissors & glue it down with a little contact cement. If you must have something warmer under your feet due to cold climates, maybe a small throw rug or 2 that could easily be taken up & put back down would be the answer.

AN INEXPENSIVE CEILING:

be the answer.

AN INEXPENSIVE CEILING:
I found sheets of white styrofoam for less than \$1 each (1x2
meters & 2cm thick). It took
only 2½ sheets to cover the ceiling of the van which I painted a
cream color, & it looks real nice.
The only trouble I had was finding a way to get it to stick to
the metal roof.—Contact cement
stuck to the metal but melted
the styrofoam, & regular white
glue stuck to the styrofoam but
not to the metal.

(Be sure & use only a water-base paint as enamel will melt the styrofoam—& paint it <u>before</u> putting it up. it's easier. A pastel colour is best as it will reflect

colour is best as it will reflect more light.

A LUGGAGE RACK or roof rack is a real blessing. Get only an aluminum one as any other kind will rust out in no time & look really ugly. They claim that a "galvanized" rack won't rust. But don't believe them.—They will rust, but just a bit slower. So I have an aluminum one & put my spare tire on it & covered it with a piece of plastic. That way I have the space inside the van where the tire was for more storage space.

way I have the space inside the van where the tire was for more storage space.

BURGLAR ALARMS: I've had my an broken into 3 times so I am putting in an alarm. There is really only one good kind & that is one that is activated when a door is opened. They work off the door switches connected to the interior lighting. Even when the door is closed again, the alarm continues to sound.

THESE ALARMS I FOUND IN DOI TYOURSELF KIT
FORM at electronic parts houses for 1/5 the price of a ready made unit. They are easy to put together, you just have to know how to solder, but that's easy, & fun! You can even find an inexpensive soldering iron that runs off a 12-volt car battery—a useful thing to have in your mobile tool box.

ANOTHER KIND OF ALARM

a useful thing to have in your mobile tool box.

ANOTHER KIND OF ALARM available in kit form is one that works by the breaking of a metallic tape (just like you see in store windows). This kind is good too because a would be thief can see that your van is protected & might therefore be discovered from even attempting couraged from even attempting to break in. (Window sign helps!)

RUNNING WATER: It's easy

to have running water for your little sink (if you have one) by

using a 12-volt electric fuel pump which you can find at a junkyard. Put a hose from one end of it into a plastic water jug full of water & another hose from the other end of the pump going into the water faucet, & that's it! Mount an electric switch somewhere handy to turn it on & off & you've got running water in your van! It's a lot more convenient than the foot or hand pumps. using a 12-volt electric fuel

water in your van! It's a lot more convenient than the foot or hand pumps.
NICE PLASTIC BOTTLE-HOLDERS are available from most big dept. stores to keep bottles from falling over & spilling. Stackable plastic vegetable bins are real space-savers for the kitchen area & look nice too. I even use one for my Mo Books & Bibles!
I CONNECTED A SMALL
SPIRAL NOTEBOOK TO THE DASHBOARD with 2 little self-sticking plastic hooks. Now I have a verse in view to memorize or review when I stop at red lights. The hooks are placed horizontally & into each end of the spiral. The notebook can be taken out & the pages changed easily. I TAPED A SMALL "OUR SYMBOL" to the lower corner of the back window so that it can be seen from outside. Maybe all of us that are mobile can do this (?) & that way we would be able to recognize another Family while on the road, yet still be selah. Happy fixing & travelling for Jesus! Love, Gary.

Keeping Things Organised!

From Charran; Europe: HERE ARE A FEW WAYS WE'VE FOUND TO KEEP OF CARAVAN ORGANISED & tidy with our big family of 5 children: OUR FOR TOILETRY ITEMS: 1

thru' top same to hold it straight.

FOR TOYS: I made many simple cloth bags with draw-strings for different toys—one for lego, one for blocks, puzzles etc. Everything stays put but with vitruelly no extra weight them to be very expensive & not her similar holder for cooking utensils such as spatulas, graters, knives etc. It hangs with-up almost no extra separate in easy reach of the stove, is tidy simple to make. You can use & even decorative. Also, a spice sarep material or old clothes to rack hanging near the stove saves make them.

This way there is not a bunch of lifety of lifety on the construction of lifety on the construction of lego, one for blocks, puzzles etc. Everything stays in order etc. Ev digging around in tle bottles & bags.

FOR SHOES: Again, I sewed a similar holder, only much larger, for our shoes. Instead of a dowel rod, I used a hanger inside the top seam with a button hole for the hook to go thru'. We have 3 of them hanging in the closet so we can neatly & easily store the many pairs of shoes

we have with so many children.

Takes about 5-10 minutes on a seving machinel

ONE OTHER SPACE SAVING TIP: We keep a 10-litre water jug in the same case as our gas bottle outside the caravan above the hitch. A hose runs from there under the caravan to a little foot pump so we have water from the tap without losing the space that a water container normally takes up under the sink, giving us much more inside kitchen storage. I write asking for records or cassettes for the radical program which we are transmitting every Sunday where we ready our pamphlets & ask those listening to think & meditate about what is read. But we lack your music. It doesn't matter what language it's in. Send us the prices. You deserve respect for carrying love & peace to all men of the Earth, & because of this we want to help you. Also we wanted to inform you that our radio station & its network has bought a network of private TV which transmits cultural programs, musicals & programs of public interest. If you have for sale TV programs, with joy we would also like to buy them.—South America. (Send in MWMs!) we would also like to buy them.

Vincent & Chantal with daughter Anne-Claire-2-so happy after singing for 200 refuses during Christmas, & leading them to the Lord!

From Vincent & Chantal; Eur.:

"AS LONG AS YOU'RE PRET.

TY PERFECT & you haven't made many mistakes you're going to think you're really doing something & you're doing pretty good. And then you're much more unmerciful on those who do make mistakes. But don't your mistakes make you a lot more merciful on those who make mistakes. But don't your mistakes make you a lot more merciful on those who make mistakes?" ("Lashes of Love" No. 606:24.)

WE WOULD LIKE TO THANK YOU, DAD, for these & many other words which revealed to us the truth. —And thanks also to Zaccheus & Lamb for their sample & to Paul & Marianne for haking us up & challenging us again to really serve the Lord!

WE THOUGHT OUR WAY WAS GOOD, so good, that there was nothing to learn from others, to the point of dangerously slowing down spiritually & becoming barren & even a reproach to the cause! We had tried to "become one" to the point that we were

so short, & these last days have been some of the happiest & most glorious of our life in the Family. He led us to a very hungry & receptive radio station manager who put MWM on the air, reaching 50,000 people each time. Then he let us sing in a shopping center, the show being broadcast on his radio. It was so "unprofessional" but oh so powerful, & Marie-6 ended it with a loud "Jesus loves you!" IT HAS BEEN SO GOOD TO RETURN TO SIMPLE WIT-NESSING, especially together as a family, & to hungry & receptive people. We sang & did the Heart Skit in several homes, schools & institutions! And the Lord showed us to seize every "Golden Opportunity" & really win souls!

Lord showed us to seize every
"Golden Opportunity" & really
win souls!

MY SINGING IN RESTAURANTS SEEMED KIND OF DEAD,
but now several owners have
prayed to receive Jesus & customers are also being witnessed to &
saved in the middle of their meal!
Some neighbours, whom we've
known for over a year, also prayed to receive Jesus, & even one
family whom I helped in the supermarket & drove home, also
prayed there to receive the Lord!
Any opportunity, any kind of
situation will turn to gold if we
obey & deliver the message of
Salvation. The harvest truly is
plenteous. We just need to go in
& reap it!

THE LORD HAS PROVIDED
THE FUNDS TO BUY A CAMPER, so we should soon be mobile,
Lord willing, & freer for God's
work. We're so thankful to have
Zaccheus & Lamb here to show
us the sample & help reap the
harvest here before time to leave.

Zaccheus & Lamb here to show us the sample & help reap the harvest here before time to leave. The MWM Shows will be a precious tool for this, even in English which is commonly spoken here. We love you all very much. Please pray for us! Love, Vincent, Chantal & family.

Now We're 11-On The Road!

News & tips on how a large family does it! (How

From Keilah & Shiza Son; U.S.A.: HII JUST WANT TO SAY WE LOVE YOU & ARE STILL ON THE ROAD in our trailer,

ON THE ROAD in our trailer, learning lessons & getting out the Words of David. We've moved a lot lately, & the 4 oldest children have been in 3 different schools already this year! PTL!

DURING THE CHRISTMAS HOLIDAYS the kids went wild with the lit & were able to get out 200 pieces per hour with good donations! One Salvation Army "bell-ringer" was amazed to see 4 children, covering 2 doors, getting tracts into every hand & getting more donations than he was! Our parents were also generous this year, & we received enough to provide good useful gifts for all the children for Christmas, PTL!

WE'VE TAKEN DAD'S ADVICE & SAVE OUR GAS by heating our water, frying etc. on a hot plate & also by buying a 6-quart slow cooker (crockpot) for our large family. It has been a real blessing as Mom can put the chili, stew, spaghetti, split pea soup etc. in at noon & be gone all day so that when we return at dinner time it'll be ready!—No more rushes to make dinner while children are fussy & it's hard to think! Hall

FOR OUTSIDE PLAY we found a "Creative Playthings Side" to be a real blessing for our 1-4 yr, olds. It dis-assembles in minutes & we store it on a top bunk when travelling. We also purchased a 6x 10-ft. roll of "Astro-turf" (a rubber-backed plastic grass mat) which makes an ideal play mat at the door of our trailer. It's easy to clean, dries quickly after a rain & stores easily rolling of up the proper our trailer. They cost between \$30-45 depending on size & quality.

Joshua-1 & Andrea-2 enjoy their portable slide while camping out on the road for Jesus. Photo by Daddy.

BEING INSIDE MORE, now that it's colder & dark earlier, we're finding it better to park where there's "things to do", like can win support & find fellow-perploring stores after litnessing, or shopping with Mom & Dad. With 9 kids this is usually a hit! Hal Actually, we haven't attempted all 9 yet but usually split up into two smaller groups of 4 & 5 each to make things easier?! Ha, PTL, with God nothing is impossible! (Can't somcone hclp?~D.)

A Loved One For Eternity!

The Graduation of a friend & helper - now helping from the Heavenly dimension!

From Lebanah & Manasses;
S.E. Asia:

I WANTED TO SHARE WITH
YOU ONE OF MY GREATEST
FF EXPERIENCES, with our
precious friend & loved one,
Mario, 35, Vice President for
several large gold & silver mines.
Like Dad said, "Our greatest
witness is Love, because the only
Love of God they can see, is
the Love they see in us., to believe there is Someone up there
who loves & cares for them.
"THIS IS THE END RESULT
& GOAL in soul winning, a new
born Babe into the Family of
God, the only thing we can take
with us from this world." Mario
had become a close family friend
for over a year & stood up for
the Family within his executive
business circle of friends.
FROM HIS BEGINNINGS
AS A CATHOLIC filled with
fears of laws & traditions, he
had grown a lot & was set free
with our classes on Simple Salvation, Witnessing, The Word &
the Endtime. He was now trying to live the sample he was
taught by the Word.
HE WOULD ASK MANY
QUESTIONS ABOUT HEAVEN
& refuges, wondering where his
would be when the time came.
(I was reminded of Ps. 46:1—
"God is my refuge & strength"!)
At the end of November of this
past year, Mario was on vacation
(which he called his "spiritual
retreat") to get away from business & have some time alone
with the Lord to thank Him for
his many Hessinger, which he

his many blessing, which he said was us, his "source of joy".

DURING THIS TIME AWAY, HIS PLANE CRASHED into the mountain behind our refuge home. I didn't yet know what

Mario, now helping from above, surrounded by two of the Lord's Lovers-Lebanah (left) & Sunshine!

which became a real comfort for me at this hard time. Here's some of the inspiring things he

wrote:
"BLESSED IS HE THAT
READETH & they that hear
the Words, & keep those things
which are written...for the time
is at hand...With your help I
will be prepared...I brought my
Bible & am reading it this trip.!"
GOD MUST HAVE AL READ
TEEN PEPARING HIM

Y BEEN PREPARING HIM Y BEEN PHEPARING HIM.
He was so curious about the
Spirit World. I got the quote:
"Ah, sweet mystery of life, at
last I have found thee! Ah, at
last I've found the reason for it
all! Ah, 'tis love & love alone...'
[No. 151:52.]
I'M SURE HE'S NOW OUR

VERY OWN SPIRIT HELPER
—he always said he wanted to
be of greater use & service, TYJI
Each night we can see a bright
light on the mountain behind
our house, reminding us of him
& the great privilege that we have
in giving our lives that others
may find life & love & peace
ever after. Like the song goes:
"... we found the answer...let's
give them Jesus while we can!"
Tomorrow may be too late for
them! Let's conquer their hearts
today! Love, Lebanah & Manasses. P.S. Thanks so much Dad
for your love & obedience. The
Letters about life after death
have been a real comfort. Mario
& I read them just before his
Graduation. (PTI.I - Dad.)

GBY ALLI HERE WE ARE REGROUPING IN OUR SECLUDED CAMP after one month of intense holiday witnessing in which our children pulled over 200 souls out of the darkness & into His glorious light, during the joyous Christmas & New Year's Holidays!
AFTER THE BIG CHRISTMAS SHOWS FOR ATHEN'S LARGEST DEPT. STORE & the completion of the children's "Jesus Is Born" Video, we decided to "bestow greater care on the uncomely parts", the destitute & lonely souls who fill the hospitals, old folks homes & orphanages in & surrounding Athens.

THE CHILDREN PERFORM-

phanages in a surrounding means.

THE CHILDREN PERFORM-ED 10 DIFFERENT SHOWS, 5 of them in one of Athens' largest hospitals. Many lonely people fult a real Christmas joy when these young children came into their rooms to sing "Ayia Nykta" ("Silent Night") & other Christmas favourites!

then they led us from room to room to pray with the needlest patients.

AS THE APOSTLE PAUL
WROTE ABOUT THE ATHENIANS: "This people seek a new
thing" (250:35), our kids have
been providing them with the
most novel thing seen since the
days when Paul himself walked
the streets of Athens!
THINGS HAVEN'T CHANGED TOO MUCH HERE—the people now ignorantly worship
the known God instead of the
unknown God & some are still
"in all things too superstitious"
(see Acts 17), especially concerning religious traditions,
SO OUR KIDS HAVE BEEN
TRYING TO CLEAR AWAY
THE RUBBLE of the centuries
with their very popular songs

(God Is Lovel), letting the inhabitants here know specifically who & what is this God they try to worship, & with the children's other songs & skits we've been letting the whole world know that Jesus is the only way to God! SO CATCHY ARE THESE TUNES, that now when we sing in public we always find people who've heard it before & sing along with us! What a way to plant the seeds of the ultimate church!

END OF YEAR VIDEO REPORT for 1980

HO FIRST INVOLVED ME IN VIDEO 9 YEARS AGO with the black and white portapak machine, sending me all around Europe to make films. Now I have been involved with the VHS machine for one year and have seen its development explode over that year.

THE FAMILY'S COMMITTMENT TO VIDEO has been greater over the past year and over the past month in particular than probably at any time in our history. To match it, technology has been developing to such an extent that by the end of Jan. 81, high quality portable recorders and cameras with hitherto unheard of features such as remote control, slow motion and cue and review facilities will be freely available.

THE PRICES OF TODAY'S EQUIPMENT ARE TUMBLING as new microchip technology cuts the weight, complexity and cost of production. The price of one Sony camera was cut in half overnight. Only a few years ago, it would have been considered out of the question to sell a camera for under £1,000 to produce a colour programme. Today it is possible to buy a complete outfit for less than that. Colour cameras are selling for under £400 and their quality is increasing all the time.

THE BATTLE OVER THE DIFFERENT TAPE FORMATS CONTINUES but we have standardised on the JVC system called the VHS. As the tapes are totally incompatible, this is an important step. The VHS system has approx. two-thirds of the video market. (And b has/-D.)

Bystem has approx. two-thirds of the video market. (And Brail-D.)

DIFFERENT COUNTRIES HAVE DIFFERENT EROADCASTING SYSTEMS to
further complicate matters. They are PAL, SECAM, and NTSC. At the
moment, most of our equipment is PAL. Whilst PAL and SECAM are
just about compatible, neither is compatible with the American
system, NTSC (otherwise known as Never Twice the Same Colour)!

RECORDING TIMES HAVE NOW INCREASED TO 4 HOURS on one tape - as compared to 30 minutes on the old Portapak reel-to-reel machine. Tape prices have dropped, too. The equivalent recording time now costs a quarter of the price of the old tapes and both weighs half as much and takes up half as much space.

weighs half as much and takes up half as much space.

Compared to SUPER Smm, the initial outlay for the equipment is considerably higher with video but its running cost are very much lower. Quality of video is much better and the fact that mistakes can be immediately erased and corrected for no cost is a considerable bonus. The same equipment can be used to play bacifilms - and there is much less risk of damage to the film than with Super 8. Making a long film is much easier with video. The latest cameras to hit the video market are aimed directly at the Super 8 field. They are identical in size and facility. Their price is still higher at the moment, Whilst both systems are directed at the Home Movie market, a higher standard and greater versati_lity is possible with video. (And much chapped \$20V - \$100 plum!)

TO MOVE HIP FROM THE "HOME MOVIETS STANDARD with cather systems.

verBatl_lity is possible with video. (Manamachchagen \$20V - \$30V pumy)

TO MOVE UP FROM THE "HOME MOVIE" STANDARD with either system requires considerably more investment of time, money and equipment. Here again, therefore, video scores over Super 8 with its lower running costs and higher quality. Whilst it is possible to do home movies with video, a little planning and some additional equipment can raise the standards of the production enormously.

WHILST LOOKING AT PRODUCTION, WE SHOULD BE AWARE OF THE LIMITATIONS OF THE VHS SYSTEM AND OUR OWN RESOURCES. In order to produce an epic like Ben Hur, you need a budget like that, too. There are shortcuts and savings that can be made, but nevertheless, it is not practical to consider making big productions on VHS. Even if all the other resources were available, it would be waste to put it onto VHS as the standard and quality, whilst being reasonably good, are by no means up to broadcast standard.

reasonably good, are by no means up to broadcast standard.

BEFORE GETTING INTO ANY BIG PRODUCTION, THEREFORE, IT IS
NECESSARY TO SIT DOWN AND COUNT THE COST. Is the end result
worthy of all the time and manpower that would be needed to bring
it about? Is the equipment of a sufficiently high standard to
make a good quality result? What is the purpose of the production?

THE END RESULT OF A PRODUCTION IS THE SMALLEST PART. To make
it requires a great deal of preplanning, practise, and probably
a lot of post-production editing. All of this is not difficult
and with the equipment now becoming available, is definitely
possible but it is time-consuming. (Such as MWM Video Now)

GIVEN THESE LIMITATIONS, probably the largest production we

possible but it is time-consuming. (Such as MWM Video Show.)

CIVEN THESE LIMITATIONS, probably the largest production we could envisage at present with our equipment, is a powerful MWM Show. However, there is a great deal of pioneering to be done in filming individual Homes, building up films for PR, Children, Col., Witnessing, Education and Inspiration. One advantage of the video system is that these can be compiled in any order onto one tape and copied many times from one master. The quality does fall Soff after a 2nd generation copy, but, using the latest equipment, the disturbing interference between different shots can be almost totally eliminated. (Expectally if you use "PAUSE" Instead of "STOP" button!)

DISTRIBUTION OF THE FILMS means that a very much wider audi-

totally eliminated. Expectally flyou use "PAUSE" instead of "TIOP" button!)

DISTRIBUTION OF THE FILMS means that a very much wider audience would benefit from the individual Home's witness and work. This could be made world-wide to benefit the whole Family. There are one or two drawbacks, however, to take into consideration.

Firstly, Customs: Only by making it clear that the tapes are used personal tapes can we avoid tax. Secondly, the cost of the tape and the shipping is not that cheap - approx. £10 per tape. Thus, either the tape distribution is restricted to VS's and those who will give maximum usage to the tape or they are either returned or passed around like a Chain Letter. Alternatively, we could have a subscription list. The third point is that of copying time. As there is at present no high-speed copier, it would tie up two recorders for up to 3 or 4 hours to produce one copy. The easiest solution for this would be to do the copying overnight and in the early morning. This could yield up to 14 copies per week.

BY COMPILING FILMS FROM ALL OVER onto one tape, we could

BY COMPILING FILMS FROM ALL OVER onto one tape, we could assemble a great diversity of material, in an edited and powerful form. Not many people would record 3 hours of material in a short period of time, but as they shoot a film, the VS's and film-makers could send their contributions in regularly for a Video Magazine.

LOCKING AT THE FUTURE OF THE EQUIPMENT, as the video world is developing so very fast, will equipment bought this year be outdated by next year? Having talked to the representatives of

the different companies about their plans, it looks as if the VHS system will continue for several years to come. Whilst its development to date has been very rapid, most think that it is nearing the end of its major development and the future will only bring increased refinement - reduction of cost, weight, size and components. Dramatic improvements in cameras are to be expected - with the introduction of a portable combined camera and recorder the size of a cine camera due in about four years according to present plans. This would still need to be interfaced with a more conventional recorder since the tape length would of necessity be quite short. (A Expense company to producing one this year!)

BECAUSE THE VHS SYSTEM HAS SOLD SO WELL THERE SHOULD BE A

necessity be quite short. (A Appener company is producing one this year!)

BECAUSE THE VHS SYSTEM HAS SOLD SO WELL THERE SHOULD BE A NUMBER OF SECOND-HAND MACHINES becoming available. These are perfectly adequate for most Homes as playback machines but the recording heads could be worn - and replacement is expensive. Renting is a fairly expensive proposition and you don't own the machine in the long run. However, buying on time is an attractive method of buying, often costing less than renting. It is well worth ensuring that a Service Contract is available and insuring all the equipment on a "New for Old" Policy is also worthwhile.

IT IS WORTH BUYING THE BEST POSSIBLE EQUIPMENT first time. Cheap equipment usually works out to be very expensive in the long run. (Amen) We've already had to trade in some at a loss!)

one a equipment usually works out to be very expensive in the long run. (Amen Weve elevely had to inde in some et a lost)

WHAT THEN, IS THE FUTURE FOR VIDEO IN THE FAMILY? Firstly, who will use it the most? It appears to me that the VS's will gain the greatest benefit from it. As Paul wrote, they are "the eyes and ears of the King and Queen". If they were equipped with portable cameras and recorders, not only could they film the Homes in their area, but they could also film any Home that had designed a programme. This could be edited at a later date. They could also show selections from the library of films both of other Homes and of the System. Others whose faith and vision led them to buy or get funds from fish to buy similar equipment could be greatly used in the production of films for all aspects of our work. Thirdly, there will be those who may not have the faith for a filming ministry but who would like to be able to show videos for Family, Fish and Friends. This could then complement their witness - and they wouldn't even need to go to the expense of buying or even renting a machine themselves if one of their contacts had one. With the type of people most of our Family are dealing with, it is very likely that they would have a machine. Here the main restrictions would be the standard (PAL-VHS).

AS THIS MINISTRY GROWS, THE WHOLE FAMILY SHOULD BENEFIT most

AS THIS MINISTRY GROWS, THE WHOLE FAMILY SHOULD BENEFIT most of all as our precious King and Queen are inspired by an ever-increasing flow of films from their children worldwide. The fruits of this would be the new wine - powerful new Letters to lead, guide and inspire us all. That is what makes it worth it all, knowing that it is bringing joy and happiness to them and new Letters to the world! (AMEN! Thanks! We love im 'cause we love you! KBAKYY!)

Got A Burden For Romania?

There's a beautiful country & a friendly love-starved people awaiting you!

There's a beautiful col.

From Damien & Rainbow, en route to South America:
PTLI GBYI WE WANT TO ENCOURAGE YOU WHO ARE PLANNING TO TRAVEL TO RUSSIA or the East Bloc this summer by sharing some of the experiences we had during our recent 2-month stay in Romanial WE LANDED IN ROMANIA WHEN OUR FREIGHTER from Greece to South America stopped at a Romanian port to pick up cargo. The 2-3 week stopover stretched into almost 2 months due to inclement weather, slow dock workers—& the Lord! Hallelujah!
THIS DELAY WAS A BLESSING FOR US in more ways than roal. It says Bairbows, as has read.

ING FOR US in more ways than one! It gave Rainbow a chance one! It gave Rainbow a chance to fully recover from surgery she had just had in Greece for a fallopian tube pregnancy, on an "extended holiday" with no cooking, dishes or housework to do. PTLI (By the way, we were able to provision the entire trip for us & our car & caravan for free on the only shipping line that regularly goes to S.A. from Greece! Plus, there was no extra charge for delays, so we had free room & gourmet cuisine at the captain's table the whole time—all provided by the

ine at the captain's table the whole time—all provided by the Lord! Halfelujah!)

WE WERE ALSO ABLE TO FIND SOME EXCELLENT BUYS on much needed winter clothing, shoes & canned survival food at much cheaper prices than we would be able to get then at our S. American destination. BUT THE GREATEST BLESSING WAS THE HEART-WARMING CONTACT WE HAD WITH THE PEOPLE! It really surprised us how friendly

really surprised us how friendly the people were & especially how easy the language was, being of Latin origin. We were amazed

how many people spoke either French or English.

how many people spoke either French or English.

WE FOUND MANY HUNGRY SHEEP who were disillusioned with their system & confessed that while idealty socialism is good, because of man's ingrained selfishness, it just cannot work. Our sheepiest friend was a 19-yr. old soldier who had his duty near our dock. One night when he looked so cold standing on all-night guard duty Rainbow gave him an orange. (Fresh fruit is scarce in winter & we'd always carry some from the ship when we went ashore to give away.) This gesture made him curious about us, & we met with him many times after that. IN WITNESSING TO HIM we were face-to-face with "Ask Any Communist", & he could not even comprehend God as he was so well "schooled". The Letter "War & Peace" helped us greatly to understand the communist mentality & how to approach them, as well as the quote: "YOU ARE JUST TO GO THERE AS AN EXAMPLE OF

to understand the communist mentality & how to approach them, as well as the quote:

"YOU ARE JUST TO GO
THERE AS AN EXAMPLE OF HIS LOVE, to show them a picture of the Love of God, like Jesus did. That was the main thing, Jesus' main message was His sample of Lovel By His example of kindness, His example of concern for the people, they knew that He must have something that was real & genuine & that Love did exist & God does exist!" (No. 925:35) PTL! We left him with a Family music tape & some clippings from FNs of our brethren around the world & will be following him up thru' the post.

WE WERE HAPPY TO HAVE BEEN ABLE TO BE A WITVINGS IN ROMANIA DURING THE CHRISTMAS SEASON.
Even tho' they don't call it

Christmas, it's still the holiday season with all the same trimmings—Santa Claus, Christmas trees, lights & tinsel, & crowded shops & walking streets.

WE MADE LITTLE HEART-SHAPED CHRISTMAS CARDS with John 3:16 in Romanian inside & gave them to friends we met during our daily excursions into town. The Christmas edition of "Kidz" with Jn. 3:16 in various languages arrived the day before we left Greece—a real miracle! TYJ!

WE PASTED COLOURED ANGELS, STARS & HEARTS ON OUR CABIN WINDOWS & did the Christmas skit for the entire crew & dockworkers on board, which was a real testimony of the real meaning of Christmas! As always, we found that our children were the key to opening the hearts of the people, & often they would be given little gifts by shopkeepers in town.

BECAUSE OF THE EASE WHICH WE EXPERIENCED ENTERING BY SEA, it might be worthwhile for anyone interested to look into Black Sea excursions calling at various ports. We saw Russian passenger lines coming & going regularly as well as many many Greek cargo ships which carry passengers.

WE HOPE THAT SOME OF YOU PLANNING YOUR SUMMER ROAD TRIPS will pray about a visit to Romanial There's a great witnessing opportunity, a beautiful country, & very friendly people awaiting youl "You can take your caravan to Russia...But there're lots of other interesting places & countries on the way! If you can show people that love exists, then they can believe that God exists, because God is Lovel PTL!"

"IT WAS EXCITING TO
READ ABOUT THE COMING
SHORTAGES due to the Iran
Iraq War, & what a petroleum
shortage will do to our plasticcrazy world! Wow! The 'evil
western Magicians' have taken
Aladdin's oil & created a plastic
fantasy world for us to live in!

ly is that a great part of the world's present fertilizers are also made from petroleum. Instead of the old Godly method of letting the land 'rest' for a year & using a crop of alfalfa or clover to restore its used-up nitrogen, a common trend seems to be to 'pump' the soil with petroleum-based fertilizers & use the soil year after year without rest—'til the earth has become as dependent upon these 'wonder fertilizers' as a junkle is on his heroin! Not only that but what they could grow might be destroyed by plagues of rodents, insects, etc. as a great deal of modern pesticides are also petroleum-derived! Whew! The evil Magicians have created almost their entire civilisation out of petroleum, 'building their house on the sand' (Arab oil fields under the sand) & when the floods & rain of God's judgement beat upon it—'great shall be the fall of it!' (Mr. 7:26-27). Luke 6:49 says, '...and the ruin of that house was great.' Reminds me of II Chr. 28:23, 'For he sacrificed unto the gods of Damsscus, which smote him: they were the ruin of him, & of all Israel.'"—Hart (in a personal note to Ded). P.S. by Mordecal Inky: ''Old you also know that seeds for most crops these days are no longer the hardy old-fashioned strains but have been developed & brad for use with fertilizers & will barely grow at all without fertilizer, esp. the latest hybrid types. As with meny of the ancient multi-purpose animals, esp. oxen, man's breeding of these for specialized money-making purposes means there are virtually none of the original God-created stock left to breed from. The same has happened to seeds."

IT ALL STARTED IN ANOTHER CITY several days be fore when a Chinese student killed an Indonesian student in a braw well. This triggered a reaction among the students that soon enguled the city in a mob of stone-thrower, & car burners, & eventually led to house-burning as well.

TROOPS WERE SENT IN to control the mobs & also to guard the surrounding areas. Slowly it began to spread to other cities & towns, as people seized the opportunity to show their frist trations against current situations. Altho' the Chinese are a minority here, they control 90.95% of the country's wealth. When everyone came back, as it was so late, we didn't really want to wake up the children & move them from to littlest girls, Mercy-3 & trailer to trailer.

Lessons Learned Thru

From Rachel, David & Anna;

Dear Dad, Maria & Family,
GBAKYI We wanted to write
& tell you of the Graduation of
our two littlest girls, Mercy-3 &
Deborah-2 who went to be with
Jesus December 16th & 17th,
1980 due to an electrical fire in
our trailer. Their Homegoing
really broke our hearts & has
taught us so many lessons we
couldn't even begin to tell it all.
But we want to send this to you
so all may benefit from our mistakes.

KNOWING THAT WE'RE RESPONSIBLE for the children's
deaths & that it could have been
avoided has been such a fight for
us, but we're just believing &
claiming the poem that "things
don't just happen to children of
God; they're planned"—in spite
of our mistakes.

DAVID & I ARE WORKING
WITH A SISTER NAMED ANNA
who just rejoined the Family
with her four girls after 9 years
of being in the System—Ruth-8,
Lamb-6, Mercy-3 & Deborah-2.
THE LORD HAD GIVEN US

THEN WE LEFT FOR MEXI-CO where CO where we were staying in a trailer park there. Some other brethren were there with their trailer too-Lance, Lydia, Daniel

she could live, but then could see she didn't want to suffer all the pain & agony. And just minutes later Mercy too went Home. Praise the Lord! His weys are not our weys, & the Lord truly knows best.

OUT OF WHAT SEEMED LIKE DEFEAT CAME SOME OF GOD'S GREATEST VICTORIES, as we got to witness to a lot of people who were going thru' the same trials without the Lord, & we were able to comfort others with the same comfort that we are comforted with, PGI THE LORD OPENED DOORS TO GO BACK TO THE HOSPITAL to witness, & the Lord gave us about 15 souls including a nurse who was watching the girls. And we went to an orphanage where the Lord gave us 30 souls too, TYJI THEY ARE AS THE ANGELS IN HEAVENI Amen! WLY so much & can't thank you enough for your words of life that really give us life to fight on & keep on. Lord forgive us for all our mistakes & hopefully all can learn from them.

Dearest Ones, (Sent by Our Research Dept in London, Feb. 1971)

I thought you might be interested in the following description I obtained whilst at the British Library: Rr. MEDUSA & MONSTERS!

Source: Encyclopædia Britannica Micropædia 15th Ed., 1974, vol. IV, p.637.

Gorgon: Homer spoke of a single Gorgon - a monster of the underworld. The later Greek poet Hesiod increased the number of Gorgons to three - STHENO (the Mighty). EURYALE, (the Par Springer), and MEDUSA (the Queen) and made them the daughters of the sea-god PHOREYS and of his sister CETO. The Attic tradition regarded the Gorgon as a monster produced by GR, the goddess Earth, to aid her sons against the gods.

In early classical art the Gorgons were portrayed as winged female creatures, their hair consisting of snakes; they were round-faced, flat-nosed, with tongues lolling out and with large projecting teeth. MEDUSA was the only one of the three who was mortal; hence PERSEUS was able to kill her by cutting off her head. From the blood that ran from her neck sprang CRYSAOR and PEGASUS, her two sons by POSEIDON. The head had the power of turning all who looked at it into stone. The hideously grotesque original type of the Gorgoneion, as the Gorgon's head was called was used generally as a protection against the evil eye. Modern anthropologistis that MEDUSA, whose virtue was really in her head, was perhaps originally a ritual mask!"

chicken before the egg again.)

As I walk through different parts of the British Museum, I am amazed at the large number of these idols and images from all different cultures. It seems somehow incredible that the craftsmen didn't have the insight to see what they were illustrating and that people today still do not understand their significance. It certainly makes me very thankful for the protection of the Lord and His Holy Spirit - I certainly don't want to pick up any hitch-hikers from them, thanks very much! There are few cultures whose gods are in any way beautiful, and in the East particularly, they seem to be universally grotesque, yet it is to the East that so many young people go to seek enlightenment. If that light which be in you be darkness, how great is that darkness! The Author of Confusion is even now gathering his forces ... from...eastern nations." It certainly makes one appreciate the Lord and the Family even more when brought face to face with such!

Much love hallen - Or- Research Dapt in London.

"My Dad gets angry at me for reading books! I'm sure the ones I read aren't bad...

From Shuly Bolivar; C. Amer.:

[EB; Dar Shuly wrote this before her battle w'furpus' & all the lessons the Lord taught her thru' i' Lee Flys 32&34).—Still a good lesson & warning to all!)

Dear Mo & Maria,

I'M WRITING TO YOU BECAUSE I'D LIKE TO KNOW
SOMETHING. My first love has always been the Word & the Lord. Nothing will ever take its place for me. I've learned thru' trial & error that a good book will entertain, maybe teach a moral or a lesson, but the Words of God regenerate, inspire & dive you a greater sense to fulfill yourself for the Lord. They give Ilife.

BUT I HAVE A PROBLEM.
I love reading books. Sincerely speaking. Not any book. I would never dream of reading philosophy etc. etc. In fact it just bores me stiff & it's so complicated & long winded I feel like diving under the carpet.

I'VE ALWAYS LIKED COM-MUNICATIONS, written & talk-ed. I've kept a diary for 2 years & I've done mas o menos 10 chapters of "my book", really just a collection of humorous events that happen in our crazy household (Can we have a copy?—Waria.)

I CHOSE ANY BOOK I READ WITH EXTREME CAUTION because I've discovered if I read a bad book, I get into a bad temper & it's not good for me. I hink love of literature runs in both sides of my family. ALL THE PAIN & FRUSTRA-TION HAVE PASSED like a bad dream, & the lessons I've learned are the only thing left! The wisecracks that used to make me mad & embarrassed now amuse me. The latest is: "You'll get sunstrokel"—Or no, even better, "Lend me the umbrella so I don't get wet!"

"Lend me the umbrella so I don' get wet!"

I TAKE MY UMBRELLA
EVERYWHERE to get in the habit, & sometimes it turns out to be other people's thorn in the flesh as well as mine!—Like today when getting off the bus, I hooked a guy by the collar as he was trying to get on, dragging him half-strandling backwards, TISVERY HUMILIATING also, & that helps me have more boldness when witnessing. I have to use my umbreila, in spite of what people say, & I've not-cied that I'm witnessing when otherwise I might have felt awkward, embarrassed or inhibited because I can do it in spite of what people say. I'm learning to go ahead anywayl I'I ISEAY FOR A YOUNG PERSON LIKE ME TO GET TRIPPED OFF—on friends, dance ling, fads & the rest of the junk kids do. I'm going to quit school because the curriculum is very heavy & I'd we to dedicate too much time on worthless study (at least for the type of life! I lead). Instead, on worthless study (at least for the type of life I lead). Instead, I'm taking courses in sewing, guitar, dancing, painting etc. I'm going to continue Russian too. Not only will I be learning useful things but I'll have a great opportunity to witness to my classmates. I know that if I did get my title (I lack one year) I'd lean too much on my mind & not on the Lord.

THRU'IT ALL I NEVER DOUBTED that the Lord knew what He was doing, altho' sometimes it certainly didn't seem sol But now I'm realizing that that's what it took to show me certain things, not because I didn't want to learn & the Lord was chastising me, but you realize the

The Story Behind The Song!

How & why Martin Luther wrote "A Might Fortress Is Our God"!

(From "Living Stories of Famous Hymns" by Ernest K. Emurian.)
IN 1517 MARTIN LUTHER
BOLDLY NAILED HIS 95
THESES to the Cathedral door in Wittenberg, Germany. Subsequently he publicly burned the Pope's order of his excommunication, translated the Bible into the local German language, wrote a flood of books, & restored singing of music by the whole congregation instead of just the choir.

congregation instead of just the choir.

BUT IN 1529 HE BECAME SEVERELY DISCOURAGED.

"When I go to bed, the Devil is always waiting for me," he wrote. So he begen ridding himself of his hellish adversary by preaching & singing to him; on some occasions it worked wonders!

"LIFE IS FOR ME A CONSTANT STRUGGLE FOR FAITH," he said. "Sometimes I have to meet the Devil head-on & clash openly with him; then

have to meet the Devil head-on & clash openly with him; then again, at other times, I have to meet his challenge indirectly in order to vanquish my enemy."

BUT AT ONE TIME HIS DERESSION LINGERED for days on end & as he battled in the spirit out of the depths of his agony & despair he remembered the words Jesus cried from the cross, "My God, my God, why hast thou forsaken me?" He reminded himself that the very cry of despair began with the words, "My God", an affirmation of faith.

smirk but he cannot laugh; he can sneer but he cannot sing."

So he would sing with his family, with his friends, & even when alone.

THIS MAN, WHO HAD GIV-EN BACK THE BIBLE to his countrymen in their own tongue, had also restored the practice of congregational singing, writing hymns in his own language & composing tunes that he felt his people would love to sing. He made music once more the joy of the entire congregation rather than the sole duty of the choir, & gave it the spontaneity which has always characterized Christian hymnody at its best; he even allowed the women to sing with the others in public, a privilege that had been withheld from them for a thousand years.

PSALM 46 WAS A GREAT
COMFORT to him, & he repeated the first verse over & over again, "God is our refuge & strength, a very present help in trouble". With these words burning inside his heart, he hurded his defiance at his enemies, & penned the account of his struggle in this majestic hymn:

tress Is Our God'!

A mighty footness is our God,

A Bulwark never failing;

Our helper He, amid the flood

Of mortal ills prevailing;

For still our ancient foe

Doth seek to work us woe;

His craft & power are great

And, armed with cruel hate,

On earth is not his equal.

Did we in our own strength con-fide,

fide,
Our striving would be losing;
Were not the right man on our
side,
The Man of God's own choosing:
Dost ask who that may be?
Orist Jesus, it is he;
Lord sabaoth, this name,
From age to age the same,
And He must win the battle.

And tho' this world with devils filled, Should threaten to undo us, We will not fear, for God hath willed

willed willed His truth to triumph thru'us: The Prince of Darkness grim— We tremble not for him; His rage we can endure, For, Io his doom is sure, One little word shall fell him.

That word above all earthly

powers,
No thanks to them, abideth;
The Spirit & the gifts are ours,
Thru' Him who with us sideth:
Let goods & kindred go,
This mortal life also;
The body they may kill:
God's truth abideth still,
like hindred. His kingdom is forever

THE FOUR STANZAS WERE REMINDERS that God is the fortress of the soul; Christ the champion of the soul; & Satan, the enemy of the soul. But the ultimate victory will be God's whose "Kingdom is forever".

FF Minacles & Lesson
From Beatriz, Sofia & the FF'ere
in Spain:

AFTER A SERIES OF
CHANGES & REORGANISATION in the last few months, we
found ourselves to be only three
girls, one of them pregnant.
But the Lord is not limited by
many or by fewl After a fast
day & communion, we went out
with great boldness & faith that
very same night to one of our favourite fishing spots where the
elite of this city go.

UNTIL THEN WE'D BEEN
FISHING MAINLY TRAVELLERS & changing fishing spots
every night, slways a little afraid
to be seen too often in one place.
But down deep in our hearts, we
all had the burden to reach this
city & get to know this very
closed circle of people who more
or less dominate the social world
here. These people had seemed
to more or less have rejected us.
We knew a few here & there, but
never could actually say we'd
"Claimed the land".

SOFIA HAD A VISION THAT
WE WERE LIKE "THE SHEPHERDESS" to these people that
were coming to eat out of our
hands & listen to the Word, like
a sheepfold. Well, since that eventful night everything seemed
to changel—Everyone was attracted to us, saying hello & acting as
if it was the first time they'd ever
seen us. Even people we'd seen
for years but never talked to, began to approach us & observe us
intensely.

THE LORD WAS TEACHING
US SOMETHING VERY IMPOR-

gan to approach us & observe us intensely.

THE LORD WAS TEACHING US SOMETHING VERY IMPORTANT since all of a sudden with this circle of people we realised what delicate ground we were walking on. Altho' Spain is a free country & we can witness openly, we got such heavy checks

FRIENDS IS G., a young man who comes from an important family of nobility. He got saved with R. recently after a long & hard fight for his soul. Then there is Pepe, one of the first two friends. He's a very intelligent, quick-witted Aquarian who entertains everyone with his observations & jokes, a sort of scare them off. But the Lord is faithfull

THAT VERY FIRST NIGHT
HE LED US TO TWO MEN who since then have proven to be key figures in our work, not only benoting the horizontal provided in the provided with the same of fictory in the provided with the same of fictory in the first two friends. He's a very intelligent, quick-witted Aquarian who entertains everyone with his observations & jokes, a sort of "court isster" type. He loves us & is fascinated by the Spirit. There is also F., a Cuban businessman, lonely & sensitive, who is there every night & introduced us to their friends & let us enter their little circle.

AS WE BEGAN TO GO VERY OFTEN TO THIS PLACE & began to give the people the security of knowing where to find us when they want to, we all felt that the years we've spent Fishing was only a preparation for this battle, as never before had we known what it meant to reality wait on the Lord, watch & praying have the way into their hearts.

THIS FISHING SPOT IS

VERY SMALL & everything we do is observed by all. This makes it impossible to move around or be involved with many people on a very personal level. We've had to pick & choose, since so many are good friends with each on every personal level. We've had to pick & choose, since so many are good friends with each on every personal level. We've had to pick & choose, since so many are good friends with each on every personal level. We've had to pick & choose, since so many are good friends with each on every personal level. never have the unity to do it had there been more of us. SINCE THAT FIRST NIGHT NOW IT'S NOT UNUSUAL FOR US TO BE INVITED to it down US TO BE INVITED to sit down at the main table & spend the evening witnessing to all those around. The vision of "The Shepherdess" is coming true! We've been learning to really stand in the gap for each other & respect each other, seeking the Lord together for answers to our questions. The Lord has blessed us in these last few weeks by bringing back three different men whom we thought were completely off the line. It's so wonderful when we can see the fruit of our prayers & tears! TYJ!

THERE'S ANOTHER LESSON WE LEARN FROM TIME TO TIME—in every situation in which we have to deal with someone or make a decision: Love & mercy are the only valid measures to go by. One friend of ours was behaving so badly!—He would come to visit at all hours, demand our full attention, interrupt everyone in the Church of Love, & even tried to force one of us when he got her alone.

YET WE KNEW HE WAS A SHEP! IN HIS HEART. But we didn't know how to deal with him to teach him a lesson. But one day the Lord did! We found out that his business had gone bankrupt, his wife & five daughters left him & he had a case of kidney stones which is very painful—all this in one week!

THE LORD SHOWED US

THATHER & carries the rod. We are to be mothers, there with love & mercy when they fall, as only love will give them the strength to make it in the end. Please pray for us, that we can do a "job well done" before it's time to leave.

FF FRUITS!

From R.:
I MET X. IN A HOTEL ALMOST 2 YEARS AGO. He's
older & works in a nuclear power company, as well as being part
of a secret government agency.
He's been involved in a lot of
dirty work which has been quite

WHEN I FIRST MET HIM, I
COULD FEEL SO MUCH FEAR
IN HIM, & that the spirits of
hate, war & violence totally overwhelmed him. He had a tremendous feeling of guilt about having
been responsible for many people losing their lives, & always
lived in fear of being a target of
someone's revenge.

someone's revenge.

HE HAD SUCH A DESPERATE NEED FOR LOVE & such a deep spiritual hunger that from the beginning he was very receptive to the love & the Spirit. Despite the fact that it was very hard for him to accept simple faith because he was so compli-cated & analysical in his mind, cated & analysical in his mind, only a few days later he prayed to ask the Lord & His Spirit into his heart, PTLI He held my hands very tightly & was crying. The Spirit was very heavy & I could feel something was breaking inside him as we prayed, like the Lord was really beginning to free him (Is. 61:1). Later that night he gave me an envelope with a large donation inside for the birth of a baby of one of the sisters in our Home. On the front he wrote, "From a newborn to the new baby".

SINCE THEN I'VE SEEN
HIM EVERY FEW MONTHS & it's been a constant battle to help him become free from the dark spirits which still attack him

RECENTLY HE WAS VERY ANGRY NOT TO BE ABLE TO GET IN TOUCH WITH ME, as I'd gone to another city. He was ready to find me at all costs. But he said he decided to pray instead, & the next time he visited he found me hare, which really encouraged his faith, Hallelujahl AT THIS TIME HE WAS AT

ed he found me here, which really encouraged his faith, Hallelujahl AT THIS TIME HE WAS AT A VERY CRITICAL POINT OF DECISION in his life. In these two years he'd been slowly pulling away from the dirty work & wanting to live a normal life. But the agency wanted him back again, offering him a very high position with a lot of money.

HE FELT TRAPPED, but he told me that he feels the Lord's voice speaking to him, & whereas before he would have made the decision without praying, it was very hard for him this time. He was having a very deep conflict in his heart & knew the Lord was testing him. Please pray for X., that the Lord gives him the wisdom & the faith to be able to make the right decision, because it's a heavy spiritual battle as well as the system which is fighting very hard to keep a hold on him. VERY OFTEN I WOULD GO
THRU' MANY BATTLES before
seeing X., especially because it
was very hard for me to be with
him more intimately. Sometimes
I felt afraid of how he would act.
Also I could feel all the horrors
& fearshe was going thru'. But
I know I have to take on these
things that trouble him so that
he can be freed.
THE LAST TIME I SAW HIM
THE DEVIL WAS FIGHTING

Love": "How much God expects us to be willing to go as far as we can to try to show them love" (No. 561:12).

THIS IS REALLY ONE OF THE DEEPEST & MOST IMPORTANT LESSONS for me in Fishing, that if I really go in love & with all my heart & I am concerned for their souls, it will always bear fruit. Like with X, how deeply the Lord's love & His Spirit have worked in his heart & changed his life. "He came in contact with the Spirit of God & love of God & I believe it changed his life" (No. 561:30).

"Whatever is done in His love will not fail. It's going to bear some kind of fruit! It doesn't always happen right away: You have to keep loving & helping them." (DM4:30.)

FORTANT LESSONS for me in Fishing, that if I really go in love & with all my heart & I am concerned for their souls, it will always bear fruit. Like with X., how deeply the Lord's love & His Spirit thave worked in his heart & changed his life. "He came in contact with the Spirit of God & Iobelieve feel so strongly the darkness & it changed his life" (No. 561:30). From R., about a very precious frend; WE MET Y. AT OUR NEW FISHING SPOT where the Lord has been opening the doors for us to meet the top people here. He is from a noble family & works at making TV & radio commercials & movies. Because of the emptiness he saw in his rich family's life & social circle & his complete distilusionment with the church in his search for some of thing real to believe in, HE HAD GOTTEN INVOLVED WITH MANY VERY DARK SPIRITUAL THINGS (so much like Ludwig in "The Almond Tree"). At the time we met him, he was obsessed with death, always talking about it & had even been contemplating suicide. YET, DESPITE THE DARK. NESS ABOUT HIM, we could feel that he was very hungen spirlually, & right from the start we were able to openly witness to him. The Lord spoke to us clearly about Y., showing us that he was definitely one of His chilling have been contemplating suicide. YET, DESPITE THE DARK. The Lord spoke to us clearly about Y., showing us that he was definitely one of His chilling he night unable to sleep, feeling the need to pray for me, Lord bless'mil There was also a huge thunderstorm going on at the time, hal was with him again after not seeing him for over a month & a happing him for over a month & a half. He was so different Hall The Lord had been showing him many things & he was very receptive to the Spirit. The other night was very hunger we saw him, he wanted to be

to share for hours about the world situation & spiritual things & the Lord, & he was more receptive than ever, & I could see that his time away from the Lord's Spirit had made him feel the desert he lives in & appreciate the love & truth.

BECAUSE HE WAS SO RECEPTIVE, I KNEW IT WAS THE MOMENT TO BRING HIM TO A DECISION. Later that night I shared with him more about having a personal relationship with the Lord & about Salvation. He said he felt he didn't deserve it but asked me several times how he could have a new spiritual life & faith, admitting he needed it.

how he could have a new spiritual life & faith, admitting he needed it.

AFTER A LITTLE WHILE HEPRAYED & RECEIVED JESUSI TTL! Then I began to tell him verses about how it will be when we are with the Lord, & a beautiful light came over his face; he was completely changed! The light chased away the darkness! What a miracle!

WHEN I THINK OF HIS CONFUSED LIFE & the total darkness he lived in, it seemed impossible to be able to reach his heart. But the Lord kept reminding me of what He had shown the seeing any results. But the Lord brought the victory, & now our prayers for Y, are to see the seed that has been planted in his heart grow & draw him closer to the Lord every day.

I'VE BEEN FISHING HERE
FOR OVER 3 YEARS NOW,
& I want to write about one of
our most faithful & lasting
friends, Luis, who has made it
thru' thick & thin, always at our
side in times of trouble & encour
aging us with his love & friendship, a true soldier for the Lord.
HE'S 43 YEARS OLD, AN
ARIES, works for an American
chemical company & has other

businesses going for him as well. I met him the very first day I went out litnessing when I arrived 3 years ago, & he's been a great part of our lives since that day.

LUIS WAS USED TO A LIFE OF TRAVEL & ADVENTURE, enjoying the best this world has to offer, having a lot of success with women & living as free from attachments as possible. But behind the appearance of a frivolous life, I found a very sensitive & noble spirit. I realised that his carefree way of life was only an escape from the monotony & hypocrisy of the System.

HIS SPIRITUAL DEPTH & CAPACITY TO LOVE first

escape from the monotony & hypocrisy of the System. HIS SPIRITUAL DEPTH & CAPACITY TO LOVE first showed up about 2 years ago when I decided to return to the States to visit my family after 8 years of being away. My father, a retired Congressman, was one of a small minority in Congress fighting against the war in Viet. Gnam & standing up for his high ideals for peace in the world. He still does what he can to speak his mind at 75 years old but real ises that his country is headed for disaster & suffers because he can't do anything about it. My brother, 9 years older than I, committed suicide after a long & horrible mental illness (demon possession), & my mother, also 75, has lived under fear & guilt, blaming herself ever since. My brother died one week after I left America, & I never wanted to return to face all that sachess. But I have always prayed desperately that the Lord would somehow enter into their lives & free them from their past.

SO WHEN LUIS OFFERED NOT ONLY TO PAY MY TICK-ET BUT ALSO ACCOMPANY ME, I knew it was the Lord. Since then we've been twice in the last year & as a result both my parents got saved & filled, & I saw the answer to my prayers come true, that the Lord would

in Jesus, help us Lord to have real love, everlasting love, love that never fails, it in Jesus' Name, amen." (1972-153.)

The loce with this family of intellectuals, with his warm, loving spontaneous Latin spirit & his faith. He helped me to defend the Lord & explain my life to them. The Lord united us with so much love & consideration for all, it completely changed their lives, even affecting my other brother & his family & my sister & here who up 'til now have proclaimed to be atheists. After this, I realised that Luis is a jewell & sent by the Lord to help in His work.

LUIS COMES FROM AN OLD TRADITIONAL SPANISH FAMILY, his father was a high millak try official under Franco, very Catholic & God-fearing people. This makes it difficult for him to understand or accept our sexual freedom & sharing.

BUT HE'S HELD ON & ALWAYS BEEN BY OUR SIDE to the hospital & stood by during the swhole thing until the Lord miraculously healed her.

WHENEVER HE NOTICES THAT ONE OF US IS DOWN, he does his best to inspire us & seems to have a sixth sense about how people feel deep inside. He has even helped other friends going thru' battles to keep on fighting. The RAMILE Seen by Outform friends going thru' battles to keep on fighting to the copies all.

THE BIFT OF FRIENDSHIP

FRIENDSHIP is a priceless gift that cannot be bought or sold, But its value is far greater than a mountain made of gold-

For gold is cold and lifeless, it can neither see nor hear, And in the time of trouble it is powerless to cheer-

It has no ears to listen, no heart to understand, It cannot bring you comfort or reach out a helping hand

So when you ask God for a GIFT be thankful if HE sends Not diamonds, pearls or riches, but the love of real true friends.

is getting neglected.
I THINK THE CHANGES
ARE GOOD FOR BEN & SARAH TOO. She is getting back on her feet again with new confidence & determination since
Dan left. In the beginning I know she really felt insecure what with 3 boys & a new baby, so Terry & I moved into the big bedroom with her & the baby, extending our marriage a little to make it all work. We have always gotten along fine as a 3some, then gradually Ben took up residency too. Just after Dan left they had felt they didn't want to be pressured by their common circumstances into a here again-gone-again relationship, but we were able to clear e that one up & set them to work worrying about the problems of today rather than the changes of tomorrow. So now my little extended marriage includes 2

wives & 1 husband, hal The more the merrier!

WE FEEL EXTREMELY HONOURED TO GET A BIG LETTER FROM YOU because we know how hard it has been not only to get the time to be inspired & free enough of other details to get it written & off, be sides all the thought & wondering if it was right & will they get the right idea knowing the limitations of our words.

AS FAR AS WORRYING ABOUT OUR MATERIAL GETTING INTO PRINT right away or ever, I just leave that all up

tun away with you, except the Lord show you that it was not what He wanted & that you are becoming emotionally involved with your work (too much ego involvement). We try to stay objectively detached from our work, Lord helping us, WELL, I MUST CLOSE FOR NOW. Really praying for the Lord to do mighty things this month & see thru' to completion a lot of loose ends. I want to finish all I can before Dad's birthday goo. So much love.

GENERAL TIPS: a. Open & hold doors for older people going into homes, stores or public places, or for young women with children or an armload of packages. b. TABLE MANNERS & ETIQUETTE: All forks go to the left side of the plate, & knives & spoons at the right. They should be arranged so that the first one used is farthest from the plate. The napkin will be at the left of the plate, or on a service plate on the table. It should be placed in your lap. When the meal is over, place it at the left of your plate. Don't wad it up in a ball. Food is passed to the left (This saves much confusion of bowls, arms & hands!) No elbows on the table, until the table has been cleared for conversation. Eat slowly & chew with your mouth closed. conversation. Eat slowly & chew with your mouth closed. Don't talk with your mouth full. When eating soup, fill the spoon partially by pushing it toward the side of the bowl away from you. It is possible to eat soup

without "slurping"! Crackers without slurping! Crackers are not to be crumbled into soup. Croutons or small soup crackers are for that purpose. Never gesture with silverware. AT A RESTAURANT: If

AT A RESTAURANT: If someone takes you out to eat in a restaurant & you are uncertain just how expensive a meal you should order, ask your host or hostess what they suggest. Usually they will suggest things in the price range they want to, or can afford to, pay. Be sure to thank the waitress or waiter when they bring or pass you something. They are ministering to your needs & deserve your courtesy too.

GUESTS IN YOUR HOME:
When guests come to your Home

When guests come to your Home & are being introduced, you young men should stand. Girls should stand for an older wo-

man or any dignitary, official etc. If you aren't sure, then stand anyway to be introduced. Some people "have a thing" about being touched, so don't grab them & hug them right away. A handshake is a good opener. A woman usually offer to shake hands first. Just hold out your hand & say something like, "God bless you! I am so happy to meet you", or, "We are so glad to have you here."

NEVER LEAVE A GUEST

are so glad to have you here."

NEVER LEAVE A GUEST sitting or standing alone. If there are more guests than you have Home members, you will need to get two or three of the guests together. Be sure you introduce them to one another if they are strangers, or ask them if they have met. Be sure to of fer guests a chair. If snacks are served see that guests are served

first & have a place to sit. If a meal is served & all sit at a table, pull out the chair & seat the lady (if there is one) on your right. Practise this on each other so you will be able to do it naturally. (You should always do this in a restaurant also.)

CONVERSATION: Don't monopolize it! The people you are staying with, eating with, or who are visiting you will be interested in what you are doing & will probably ask enough questions to give you plenty of opportunity to talk. But here again, if they want to talk about themselves or their interests, listen! It's amazing how much you can learn about people if you listen & it will help you to know how to witness to them, especially affirst. (See "Witnessing I ups"!) And remember, love never fails!

Dear Mo & Maria,

I AM SO SO HAPPY TO BE

HE TOLD ME THAT HE
THOUGHT OUR ARTISTS
WERE THE BEST he had yet come across. He was so excited about their art he could hardly find the words to explain how he felt. He mentioned a few that he liked in particular, but then said, "But they're all so good. There's none like them." But typically for him (he's an economist) he thought it was too bad they wouldn't do it for the system & earn a lot of money. I assured him that they would much rather do it for the Lord, & that His rewards were much greater, & that was the reason they were so good.

they were so good.

SINCE THE EARTHQUAKE

I couldn't be better off. "But if

I TOLD THEM THAT IF A SITUATION LIKE THAT SHOULD ARISE that both the Family or others could get their address from my passport or driver's license. This comforted them. They emphasised, however, that they are not worried about me but trust that the Lord is taking care of me.

THEY EVEN HAVE SOME IDEA THAT I'M BEING LOOKED AFTER by their "master" because I had a dream bout him a long time ago when I was in Amsterdam. I can't remember what it was about, but when I saw him some time later when they came to Amsterdam for some kind of seminar, I recognificant in the same seminar in the

THAT EVENING I SAT UP LATE TALKING WITH MY FATHER, & he told me about the business & tithe house & different experiences he had had. He is firmly convinced that "our Lord" has a hand in everything that happens to them, & they owe Him the glory for all their blessings, & if they go thru' a hard time they believe it is some lesson they have to learn or a reward for some mistake or fault of their own.

And I am thinking that maybe that is why life is so good to them, as they say, because they give the Lord the glory for their

give the Lord the glory for their accomplishments.

IN RECENT YEARS THEY HAVE BEEN PREOCCUPIED WITH "SETTING THEIR HOUSE IN ORDER" before "going away". They want to divide every thing fairly & justly so that there will be no problems when they're gone. I think that in a way they are looking forward to dying, at least it seems so from the way they talk about it, that they will have finished their jobhere & go on to greater assignments.

WHEN SOMEONE CLOSE TO MY FATHER HAS DIED, it seems like he has always had some experience with them after wards, either seeing them or feel-ing their presence in some way.

WHILE THERE I GOT TO SPEND SOME TIME ALONE
WITH MY BROTHER. I don't think he has quite forgiven me for getting saved & joining the Family & leaving the close family circle & has always laughed at me when I have tried to witness to him. He did this time too, but he seemed a bit more flexible.

SO I AM HAPPY FOR THE KOMIX MAGS! gave him which I am sure he will read. It is not that he doesn't agree, he just can't admit that I am right about this when I used to agree with him on his views. I think he thought that what the Family believes on many subjects makes a lot of sense, SO I'D LIKE TO BE ABLE TO SEND HIM MORE CHILD-CARE MATERIAL, even if I just translate & write some things in my letters to them. I did this in a recent letter to my parents. I translated some paragraphs out of a few Letters & used it to illustrate some points! wanted to make, & my father said it was the most interesting letter I had written them, especially the excerpts from the Letters, PTLI The train ride back went really well too, TYJ, with no problems. MAKE A BIKINI!

HERE ARE SOME IDEAS FOR MAKING YOUR OWN RIKINI—customised to suit your personality & figure 1 You can use almost any fairly thin material for the suit. Jersey works very well as it is a bit stretchy. For knits & jerseys, sew seams, hems & tunnels with a narrow zig-zag stitch if possible, which will stretch with the material. If a woven material, not knitted, is used, be sure to zig-zag edges after cutting, or turn edges under twice on hems & tunnels to keep them from ravelling. If you're a good seamstress you might want to make matching ties from the same material as your suit, but it's easier to use soft cord which you can find in the saving department of big stores. Even shoe laces can make good ties (look for the kind that is one continuous piece which you cut to the right length). You will need only afew acrops of material for the suit, (if you buy material, 50 cm is enough), & 3 to 4 meters of soft cord STARTING AT THE TOP: Here's a pattern that looks nice on girls with small breasts! Cut two quarter circles, 18; cm on each straight side. Turn under the straight edges to form narrow hem, stitch. Turn under the curved edges 1; cm to make tunnels, stitch. Cut 2 pieces of cord 45c m long. Sew one to corner "x" of each triangle. Knot free ends. Cut one piece of cord lio cm long. Thread thru both tunnels, knot ends.

For girls with lerger breasts, make each triangle from 2

sord into a long. Thread thru both tunnels, knot ends.

For girls with larger breasts, make each triangle from 2
smaller triangle shapes sewn together (see "Mountain-Maid"
Pattern on opposite page. This gives more fullness to the
bra cup. Sew "Side-Front A" to "Center-Front B" on the
curved edges, matching notches. Proceed as above,
under straight edges, making tunnels & attaching ties at "x".

There are quite a few different ways to wear this bikini top. See pictures below! You can add large beads to the ties-this is pretty on a solid color suit.

Cut one Bottom Back and one Bottom Front, placing each pattern on fold of material. For very this or semi-transparent material, cut 2 Bottom Fronts for double thickness (keeping two pieces to-gather, treat as one piece of material). For woven, not knit material, cut on bias for better fit. Sew bottom seems matching motches. Turn under side edges to form marrow hem, attitch. Turn under front & back top edges to form marrow hem, attitch. Cut 2 pieces of elastic 2 cm shorter than top edges of front & back top edges of consets turnels, attitch. Cut 2 pieces of cord 15 cm long. Sew firstly to back corners of bikini bottoms (thread on beads if desired) then sew firstly to front corners of bikini bottom. Be sure to try it on to adjust cords to right length. OR cut to pieces of cord 25 cm long & sew 1 pieces to each corner of panty. Tie on sides as illustrated.

WE USED ONE BIG PIECE OF LINOLEUM TO COVER THE FLOOR & around the base of the walls & seats plus up the walls of the potty enclosure, which makes spills & messes easy to clean. WE LEFT THE WALLS CLEAR AS MUCH AS POSSIBLE to give a "longer" look to the van. Tips From Beriah Wire; Europe:
BEING PREPARED DOESN'T
HAVE TO BE THE MOST COMPLICATED, expensive, timeconsuming process that you
think it might be. Here are some
tips to help you, from the way
the Lord has led us to get ready
for all the coming troubles. Remember tho':

the Lord has led us to get ready for all the coming troubles. Remember tho':

TIME IS SHORT & there is now much less time left than when we were first warned! So let's work the works of Him that sent us while it is day, for the night cometh when no man can work, which includes warning others & getting ourselves ready both spiritually & physically for all the coming events. Remember as Father David has said, the only reason to survive is to be able to help & win others!

A FEW YEARS AGO WE STARTED TO BE ENLIGHT-ENED by the many Mo Letters about the coming events that God was speaking to us about (see Letters No. 243, 274, 277, 279, 281, 284, 294, 305, 310, 373, 379 etc. by Father David). We realised what a poor situation we were in to survive any trouble, crash, war or other empropercy

We realised what a poor situation we were in to survive any trouble, crash, war or other emergency that was surely goin to happen. FIRST WE GOT DESPERATE WITH THE LORD & asked Him to supply our needs according to His Word. We made a list of all we would need—country house with independent water supply, near a river, with wood for fuel, etc. Then we put feet to our prayers & went looking. And thank the Lord, He marvellously supplied, giving us a wonderful place with all the details on our list & many others we had a forgotten.

GETTING STOCKED: This on be quite simple if you start

now to stock up during the "fat" ryears to prepare for the coming "lean" years. It is late now, so aif you haven't already begun, we if you haven't already begun, we if you haven't already begun, we wery penny possible for your val uable survival supplies today!—It might save your life tomorrow! WHEN YOU BUY SOME.

THING, FAITHFULLY MARK

THE DATE on each item & place them in boxes. It may take a few weeks until you can organise these into separate boxes of each item. The golden rule is always to put the latest purchases & most recent dates to the bottom. This ensures a good rotation, always using the oldest first.

WE HAVE FOUND THAT IT TAKES A LONG TIME TO BUILD UP TOO MUCH of this rotation stock to pass over its retain stock to pass over its rotation stock to pass over the terms that we use all the time & found were the best to stock & rotate in a dry airy place that's not too hot or cold include boxed porridge oats, cooking oil in plastic bottles, whole Edam cheese (the kind encased in red wax), boxed brown rice, boxed wholewheat noodles, whole raw sugar canned peanut butter, honey, e, boxed corn flour, fresh eggs (which last up to 2 months!).

WE ALSO LOOK FOR SALES
& BARGAINS on items we
don't normally use but would
be good survival stock, such as
canned meat & vegetables, dried
beans & dried vegetables. You'd
be surprised how much can
mount in from little faithfully. be surprised how much can mount up, if you just faithfully buy 5 or 6 items more than what you normally use each week—even if you can't afford to go out & mass purchase it all at once. Do what you can & trust God that He will do the rest!
DECIDE WHICH ITEMS OF ALL YOU USE ARE REALLY NECESSARY & what you could

not do without in troubled times & only stock these important items. Remember, you'll not only need food but also washing powder, matches, soap, salt, sanitary towels, toilet paper & many other items on your weekly shopping list, so don't forget to get extras of these. THERE ARE ALSO SPECIAL "EMERGENCY ONLY" ITEMS as candles or other forms of lighting. We found some really good oil lamps that make for a romantic supper now & will prove invaluable in the future (but need a good stock of oil). Some kind of weapon is a good idea to hunt with &/or protect your family. Tools for repairs & wood gathering, seeds for planting a garden, etc.

ONE QUESTION COMES TO MIND: For what & how long to prepare for the worst. — You can never have too much, as any extras can easily be used to help others &/or for hatter, Mainly

tras can easily be used to help others &/or for barter. Mainly others &/or for barter. Mainly, we'd recommend that you do what you can & as much as you can, while you can. Start today! Tomorrow may be too late! As a recent Mo Letter said, "It's better to be ready years too early than one day too late!"

In Switzerland we are insured against all dangers.

BUT WE OFTEN FORGET THE CHEAPEST OR BEST KIND OF INSURANCE

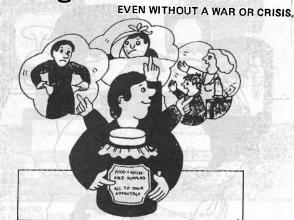

Switzerland imports roughly half of its food needs, including basic essentials. This dependence on foreign countries has serious dangers, dangers against which each one can insure himself against efficiently.

There is no better insurance than insurance against hunger, which consists in making reserves. For each centime spent on provisions, you will have something of real valuse when you need to.

Better still, if you make a reserve of food you can buy it at the most advantageous moments, when prices are low, and thus you can profit to the utmost from the sales in various stores. And if you buy large quantities at one time, you not only save money but time.

if one can dispense with the past with forgetfidness, one cannot dispense with the future with shortsightedness."

Maybe even tomorrow you will be congratulating yourself for having made a reserve

When we hear talk of reserves, we immediately think of wars or crises. And to chase away these horrible thoughts we have simply banned provisions from our cupboards. This is not very logical. For these reserves, carefully put together, can pull us out of an embarrassing situation in more ways than one

YOU RUN THE RISK OF NOT HAVING ENOUGH FOR YOURSELF.

Well ordered charity starts with yourself. This is an ancient precept of selfish wisdom. But it is only valid to the extent that others have enough and do not suffer.

This is why the Swiss Confederation is ready to insure the equal distribution of vital foodstuffs in case there is difficulty

in obtaining supplies. However, the authorities cannot take care of each individual and foresee each individual need of each person. It is thus essential that each person, each household, create its own reserve according to its own diet. There is no better insurance than insuranc against hunger, which opnsists in making resorves. To make up your household provisions, only one secret:

A GOOD BASIC FOOD RESERVE.

"The shortsighted person waits until he is thirsty before he digs a well." -Chinese proverb,

A hungry stomach has no ears.

SO YOU ARE BETTER ADVISED TO LISTEN NOW.

When the crocodile is hungry, it doesn't choose its prey. This is an old proverb from Malagar. In other words, when necessary you will eat whatever you can find. So that you will not be reduced to eating just anything, complement your provisions of rice, raw sugar or honey, pasta, oil and fat with other foods that are a part of your personal diet. Choose foods that will keep at least 3-4 months without refrigeration, and that you are currently using. On page 11 you will find a list of foods that are very practical to have as part of a reserve.

One thing to remember concerning quantity: To insure that you can survive completely independently for at least 2 weeks, you must have at least 14 kg. of food per person. In families that have a baby, special baby foods that are necessary must

be put aside as well.

Frozen foods are not highly recommended in making your reserve. They can only keep for a certain amount of time, and they must be renewed or rotated regularly. Also, the temperature must be kept constantly controlled to at least 18 degrees. After an electrical breakdown things that have thawed cannot be re-frozen. Things that then cannot be kept in jars or cans must be eaten immediately.

must be eaten immediately.

Keeping fruits and vegetables in your cellar can only be considered if the conditions are very good, that is to say, in a cool cellar with temperature cool and constant. In such a case, you must be very careful to keep this area very clean, air your cellar out regularly and regularly check the condition of your foods.

You die of thirst long before you die of hunger!

As incredible as it sounds, you can live 3 weeks without eating, but without drinking you can barely last 3 days. Thus, the most complete household reserves will be useless without any liquids.

In a crisis situation, you cannot be assured

of drinking water. There could be a shortage, or it could be contaminated. Therefore, you should always have some mineral water, vegetable & fruit fuice in reserve. On the average the body needs about 2 liters of liquid a day.

should have a reserve of fuel to cover a good period of time. Remember to ke your reservoir full and renew your sup-plies of wood and coal regularly.

Lots of foods can be eaten cold as well. However, in case of an electrical cut off you still want to be able to eat and drink hot food. Thus it is wise to have an alcohol or butane burner with a reserve of the necessary fuel.

The ideal place to keep your reserves should be dry, dark and cool. In your home you should surely be able to find such an area.—In a cupboard, a little room, an alcove

TIP ON WITNESSING TO MUSLIMS: "During Ramadan I was questioned several times a day as to why I was eating during the day, a forceful, almost condemning kind of questioning (see 'The Fan' 626:17a). Then the Lord reminded me how in a book I was reading about Mohammed it mentioned that it says in the Koran that the members of the 3 major religions shouldn't dispute, since God is the final judge. The book gave the reference which I looked up (Sura 5:51,53). Reading a little bit more in that section (starting at phrase 47) I found something very useful (just like Psalm 119:42). From there up to phrase 53 it tells the Muslims that Jews should follow the Law of Moses, & Christians should follow 'the light of the Gospel' & that God would judge later on according to each party's respective book. In phrases 68-69 of Sura 5: 'If only the People of the Book (ie-Jews & Christians) had stood fast by the Law & the Gospel, they would have enjoyed happiness on every side. (Like John 13:17!) This was exactly what I needed! Since finding this I have answered my accusers right out of their own book which has put them immediately to silence, even, I believe, a certain amount of respect. We were doing exactly what Dad said not to do in 'God First'-paying our other bills first & leaving the leftovers for God. As you can imagine we soon had no leftovers & then not even enough for our needs. I guess we have learned the hard way thru' personal experience the truth that the Lord will not bless anything you do if you do not put Him first in all areas. Plus, it wasn't until I filled in this Report that I saw first-hand evidence of something else Dad said in that Letter-that whe ther or not you put God first in your economics is a good indication of whether you're putting Him first in the rest of your life. All the zeros on our Report force me to admit that we have been failing to put him first anywhere at all. Admitting it was tough for me but we have asked the Lord to forgive us, & beginning this month we'll be putting our 10% first before our other bills. "AS WE ARE REALLY BE-GINNING TO OBEY THE LET-TERS more diligently & continuing to pay full 10%, the Lord has answered by bountifully blessing. While on the road visiting sheep & litnessing, we picked up an instant drop-out disciple who's now living with us. Everywhere we went sweet people gave us food & shelter, & an old couple helped us fix up the interior of our camper to meet the winter cold. The Lord gave us 90 souls & new friends & many more are talking about Jesus!" Melch Izedek; Scandinavia

"WE SUGGEST THAT EVERY-ONE KNOW AS MUCH AS THEY CAN ABOUT LOCAL LAWS concerning things such as papers for cars, foreigners etc. This could avoid lots of hassles with authorities which we have seen lately be cause of our lack of knowledge."
—Stephen & Joy; Europe. (Amen!-D.)

"AFTER RECEIVING 'GOD FIRST' we decided to tithe on the money we had borrowed to get our caravan. We had previously intended to pay the Tithe on it as we

repayed the borrowed money, but the Lord did not bless our first decision. But since we tithed the whole amount at once the Lord has been pour ing it on us financially & spiritually as we have greater peace about it now. So we found that putting 'God First' & His bill, really does work!'
—Ben, Joan & Ruth.

"WE HAD A CAR ACCIDENT ONE NIGHT when it was snowing & a girl ran into us. TTL for His mercy that no one was seriously hurt. Now we have no car & Obi hasn't been able to work for the last 2 weeks due to whiplash. We learned many lessons about safety from it, like being sure to secure the kids in car seats & to drive slower in bad weather. But the biggest lesson came a few days later in the mail—'God First'! Things had been getting more & more complicated & we knew we weren't making enough progress towards our goal of going to S.A. Now our whole emphasis on finances has changed. Now our top priority is to God's Kingdom! It puts all other bills into proper perspective & brings more peace of mind, knowing if we put the Lord first He can take care of the rest of our needs. MY TRUST

Lord, Thou hast given to me a trust,
A high and holy dispensation,
To tell the world, and tell I must,
The story of Thy great salvation;
Thou might'st have sent from heaven above
Angelic hosts to tell the story,
But in Thy condescending love,
On men Thou hast conferred the glory.

Thou hast commanded us to go,
O never let our hearts betray Thee;
And Thou hast left an awful woe,
On all who lightly disobey Thee;
O let us feel and fear that woe,
As we would guard our own salvation,
And let us answer to that "go",
As witnesses in every nation.

We all are debtors to our race; God holds us bound to one another; The gifts and blessings of His grace The gits and blessings of his grace Were given thee to give thy brother; We owe to every child of sin One chance, at least, for hope of heaven, O by the love that brought us in, Let help and hope to them be given.

Let me be faithful to my trust, Telling the world the story, Press on my heart the woe; Put in my feet the go; Let me be faithful to my trust, And use me for Thy glory.

To grasp a stone! 'd throw at one

But, as I stooped, I saw myself
Reflected clearly there,
My inner self, my naked heart,
My very soul laid bare
Quickly I dropped the stone

And that's the reason why! I have

MEDITATION MOMENT

Father, teach me to listen when J pray Thank You for listening, and for others also, who are willing to listen.

asso, wno are willing to listen.

No matter how confusing and frustrating this life and these times may become, let me never abandon the search for condition and understanding. Through the babble and the blinding lights, let me see and hear and understand.

Make me realize that wisdom and un-derstanding are not necessarily found in "the deep or in the sea" or in space, and by no means can they be purchased.

by no means can they be purchased.

Help me to accept the meanings of Job 28:28, whether I like these admonitions or not, and remind me that those around me gain more wisdom and understanding from my own foolishness than from any infinitessimal wisdom of my own, (8 Oct. 78, regular newspaper column by Dad's brother.)

Jesus' Death and Resurrection THE STORY AS TOLD IN POETRY BY GREAT SAINTS OF PAST YEARS!

"The Son of God, who loved me, and gave himself for me"—Galations 2:20. have the key

My song is love unknown
My Saviour's love to me,
Love to the loveless shown,
That thy might lovely be,
O who am I

That for my sake
My Lord should take frail flesh, and die?

He came from His blest throne,
Salvation to bestow;
But men made strange, and none
The longed for Christ would know.
But O, my Friend,
My Friend indeed,
Who at my need His life did spendl

Why, what hath my Lord done?

What makes this rage and spite?

He made the lame to run

He gave the blind their sight.

Sweet infuries!

Yet they at these
Themselves displease,
And 'gainst Him rise.

They lise and peeds will have

And 'gainst Him rise.
They rise, and needs will have
My dear Lord made away.
A murderer they save,
The Prince of Love they slay.
Yet cheerful He
To suffering goes
That He His foes
From thence might free.

In life, no house, no home
My Lord on earth might have;
In death, no friendly tomb
But what a stranger gave.
What may I say?
Heaven was His home;
But mine the tomb
Wherein He lay.

No story so divine;
Never was love, dear King,
Never was grief like Thine.

This is my Friend, In whose sweet praise I all my days Could gladly spend. (Samuel Crossman—c. 1624-83.)

Who is this, so weak and helpless, Child of lowly Hebrew maid, Rudely in a stable sheltered, Coldly in a manger laid? Tis the Lord of all creation, Who this wondrous path hath trod; He is God from everlasting, And to everlasting God.

Who is this, a Man of Sorrows,
Walking sadly life's hard way,
Homeless, weary, sighing, weeping
Over sin and Satan's sway?
Tis our God, our glorious Saviour,
Who above the starry sky
Now for us a place prepareth,
Where no tear can dim the eye.

Who is this? behold Him shedding Drops of blood upon the ground! Who is this, despised, rejected, Mocked, insulted, beaten, bound? Tis our God, who gifts and graces
Poureth on His Church below, Now, in royal might victorious, Triumphing o'er every foe.

Triumphing o'er every foe.

Who is this that hangeth dying
While the rude world scoffs and scorns;

Numbered with the malefactors,
Pierced with nails, and crowned with thorns?

Tis the God who ever liveth
'Mid the shining ones on high,
In the glorious golden city
Reigning everlastingly.

"Now is Christ risen from the dead, and become the first-fruits of them that slept"-1 Cor. 15:20.

Come, see the place where Jesus lay, And hear Angelic watchers say— "He lives, Who once was slain, Why seek the living 'midst the dead? Remember how the Saviour said That He would rise again."

O joyful sound! O glorious hour,
When by His own Almighty power
He rose, and left the grave!
Now let our songs His triumph tell,
Who burst the bands of death and hell,
And ever lives to save.

The First-begotten of the dead, Fig. 1. For us He rose, our glorious Head, Immortal life to bring: What though the saints like Him shall die, They share their Leader's victory, And triumph with their King.

No more they tremble at the grave,

For Jesus will their spirits save,
And raise their slumbering dust:
O risen Lord, in Thee we live,
To Thee our ransomed souls we give,
To Thee our bodies trust. Amen.

Christ is risen, we are risen;
Shed upon us heavenly grace,
Rain and dew and gleams of glory
From the brightness of Thy face;

Earth and Heaven prolong the strain!
See the chains of death are broken;
Earth below and Heaven above
Joy in each amazing token
Of His rising, Lord of Love;
He for evermore shall reign
By the Father's side,
Till He comes to earth again,
Comes to claim His Bride.

For the Word Incarnate, cries,

Gleam, ye starry train!
All creation find a voice;
He o'er all shall reign."
Christ is risen! Christ is risen!
He hath burst his bonds in twain;
Christ is risen! Christ is risen!

"He ever liveth to make intercession for them" -Hebrews 7:25.

Before the throne of God above I have a strong, a perfect plea; A great High Priest, whose name is Love, Who ever lives and pleads for me.

My name is graven on His hands, My name is written on His heart; I know that while in heaven He stands No tongue can bid me thence depart.

When Satan tempts me to despair, And tells me of the guilt within Upward I look, and see Him there Who made an end of all my sin.

Because the sinless Saviour died, My sinful soul is counted free; For God, the Just, is satisfied To look on Him and pardon me.

Behold Him there! the risen Lamb!
My perfect, spotless Righteousness,
The great unchangeable I AM,
The King of glory and of grace!

One with Himself, I cannot die;
My soul is purchased by His blood;
My life is hid with Christ on high,
With Christ, my Saviour and my God.

"I know that my redeemer liveth"-Job 19:25.

know that my Redeemer lives:
What comfort this sweet sentence gives!
He lives, He lives, who once was dead;
He lives, my everlasting Head.

He lives, triumphant from the grave;
He lives, eternally to save;
He lives, all glorious in the sky;
He lives, exalted there on high.

He lives, to bless me with His love, And still He pleads for me above; He lives to raise me from the grave, And me eternally to save.

He lives, my kind, wise, constant Friend Who still will keep me to the end; He lives, and while He lives I'll sing, Jesus, my Prophet, Priest and King.

He lives, within my heart to dwell, And save me from the power of hell; To comfort me whene'er I faint, And soothe my heaviest complaint.

He lives my mansion to prepare; And He will bring me safely there; He lives, all glory to His Name! Jesus, unchangeably the same! (Samuel Medley—1738-99.)

BEWARE OF DON & MARY!
Mary (Joanna Kim D'Angina) & BEWARE OF DON & MARY!
Mary (Joanna Kim D'Angina) &
Don D'Angina, a married couple,
are backsliders & traitors to the
Family. Mary was in the Family
for about four years. She is Korean & joined in Hong Kong, being FF'ed into the Family by a
brother. Don joined the Family
in California about 2 years ago.
He was divorced with teenage
children & had worked with
Bank of America for about 16
years when he dropped out &

sister.
IN JANUARY THEY MAIL sister.

IN JANUARY THEY MAILED A LETTER TO DAD & MARIA & all the Homes here, which
was three pages of 8 lible Scriptures on the subject of adultery
& fornication, summarising at
the end that they believed thru'
a "revelation from Jesus" & Bible scriptures that Dad & the
Family were wrong about our beliefs & that they have now "repented" & would no longer FF,
do Escort work or engage in Family sharing, & called for Dad &
all the Family to repent as well.

THEIR MAJOR PROBLEM
WAS SELFISHNESS & being deceived by the Devil because they
were no longer willing to share
or FF. We feel they did it &
took advantage of it until they
found their little private twosome & then, when Mary found
out what it was going to cost

her to be in the Family, not being allowed in her country & losing her support from going to the churches, it must have been too high a price & she decided to betray the Family instead. She must have hopes of being allowed back to Korea if she became a traitor to the Family. She was most likely kicked out of Korea because of her own lack of wisdom & tact in talking to people, & of course by compromising & getting involved with very churchy people there.

DO NOT FELLOWSHIP OR TALK WITH THEM or let them into any Homes for any reason. Beware meeting them on the street litnessing. They are dangeous & very vindictive.—They have gone to the papers & lied about us already.

SO PLEASE BEWARE OF THIS DEVILISH DUO! Mary is definitely in tune with a false spirit & prophesies falsely, & she's got Don totally bewitched & deceived. She is also mentally very arratic & flies into rages very quickly. One minute very sweet & the next ranting & raving. Beware all Homes!

PLUGGED WASHBASINS & SINKS! -translated from the original by James Penn

Trunceto WASHBASINS & SINKS:

-translated from the original by James Per Mether it concerns a kirchen aink or a washbasin, this problem can occur frequently, but rarely is it serious. In most instances you will be shelt to handle it quite easily yourself without having to call a plumber.

It is good to remember that the drainage pipes of a sink do not suddenly block up, and that often there are advance warning sigms of impending trouble. Therefore, when you note that the basil, is not draining as quicket. This will only take care for winutes and will save you from having more serious problems later on which you might not be able to take care of by yourself.

The obstruction is due to foreign matter(hair, kitchen refuse, etc.) which is caught in the pipes and ends up creating a jam, more or less preventing any water from passing through the pipes.

Usually the jem is in the ablow joint which connects the basin drain to the main drainage pipe. There are several types of slow joints, but all can be taken apart to allow them to be cleaned. The mest recent models have a little cover on their base. This is usually acrewed on or held tight by 2 small screws.

ecrewed on or held tight by 2 small servey.

There are different methods of clearing the drainpipe, depending on which part of the pipe is plugged.

If the obstruction is situated <u>before</u> the slow joint, stick a length of metall <u>wire</u> down the drain hole and pull out the obstruction.

If the obstruction is <u>farther down</u>, use a <u>plunger</u> or a special <u>chemical</u> product.

product.

If the obstruction is in the sibov joint, take it apart and cleam it.

If none of the above measures work, the problem is probably in the main drainage pipe and you will have to call plumber.

As you do not know in advance exactly where the problem is, start by the first possibility and don't take apart the joint until you are sure that the problem is not in the plug hole drain.

1) When a sink or washbasin is blocked, the obstruction is often due to an accumulation of matter caught between the plughole and the elbow joint. After having taken off the plug of the basin, start by oleaning out the drainage pipe with a rigid place of metal wire hookad at the end.

2) If this does not free the pipes, the
obstruction could be further down in the

steps; a) Take out the plug
and fill the sink with water, as the
plunger must be immersed in water. Position the plunger so that it plung the
plughole in a watertight manner, b) Push
up and down suddenly on the plunger soweral times. The resulting suction will

RECOMMENDATIONS:

• If you have difficulty unscrewing the <u>slbow joint</u>, lubricate it with a few drops of oil and then gently force it in both directions. In most cases this will leasen it.

• To clear out piping, plumbers use a 'ferret'. This is a long flexible rod with a small setalic brush on the end. If you have frequent problems with your plumbing, be sure to get one. They are available in hardware scores at reasonable prices.

• Avoid letting hair and hot grease ro down your sink. Grease will harden and create obstructions in your drainage pipes.

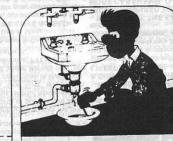

1) I pull out the ping and clean the drain with a piece of wire.

4) The foreign matter has accumulated in the elbow joint, or trap; I take apart the joint.

5) I scrape and clear out the interior of the joint with a length of metal wire.

Dear Dad & Maria,
AS WE HAVE RELATED IN
A PREVIOUS LETTER, Simon
(Melody's former mate) decided
to give us the 16-ft. Shasta trailer

& custom-made cabana (total value approx. \$2,000). He also gave us the car & all of his tools & a guitar for \$500 which we'll begin paying in payments as r soon as we can.

"Here we are in our 16-ft. Shasta trailer! WLY sooo much & pray for you continually!"—Laz, Melody & little Andrew.

WE KNEW WE HAD TO PAY OUR TITHE ON THE TRAILER & cabana (\$200) but were undecided as to how to pay it. We considered paying it \$50 a month since we live by faith day-to-day & it looked like an impossible situation to be able to save up so much in one month besides the 10% from our other sources of income & all the other expenses which arise unexpectedly.

WHEN I BEGAN LITNESSING THIS MONTH the Lord just gave me the faith & conviction that we could do it. So I told the Lord we'd pay it all this month if He'd supply, even if it meant a sacrifice this Christmas.

SO I BEGAN GOING OUT LITNESSING SEVERAL HRS. EVERY DAY. Well, the Lord really blew our minds, to say the least! Each day! got out more lit with more donations. The least 1 Sady were really hot & I finally burned out from the sun & was home with a dizzy head for the next few days.

BUT WE WERE TICKLED PINK by What the Lord did! In those 40 litnessing hours I got out 1650 pieces of fit with \$535 in donations! That's the best littnessing I've done since I joined the Family! I know that's nothing when compared to the world litnessing shiners, but for us it was a great accomplishment! WE HAD ASKED THE LORD FOR ONLY \$200 & HE HAD GIVEN US \$300 MORE! Then on Christmas Eve we received a \$901 love gift. We were amazed by how much the Lord was blessing us! But it didn't end there! The day after Christmas we received another \$102 in the mail! Not only that, we finally received a box containing Mags 28-31, the beautiful Calerdars, the 4 heavenly MWM tapes & personal mail! We had been waiting for our mailings since leaving Mexico in Sept.! You can imagine how hungry we were!

& so thankful to receive the precious words of our beloved shepherd & his faithful handmaiden. Reading "God First" left us with a strong conviction in our hearts & a good lesson learned thru' our own experience, PTLI Love, Laz Comeforth.

"SOCK IT TO ME" SHOWED ME HOW FAR I'VE BACKSLIDDEN in my musical output. Escape from Jehe House of Saul!

From Silas & Endureth:
Dearest Dad & Maria,
WE WANTED TO TAKE THIS
TIME TO SHARE WITH YOU
SOME OF THE MANY MIRACLES the Lord has done in our
lives since the RNR. Our close
relationship with Rachel, Emanuele & Timothy developed from
the days of the New Revolution
in '75, We lived & worked together with them almost the entire time following this until
they left the Family.
THE ABOLITION OF THE
"CHAIN" gave us former leaders

THE ABOLITION OF THE "CHAIN" gave us former leaders the exciting challenge of being able to get out & pioneer once again. Unfortunately, due to our personal failure to understand that we were now to look to the Letters as our leaders caused us to miss the point at first.

Letters as our leaders caused us to miss the point at first.

I, SILAS, HAD WORKED PRETTY CLOSELY WITH THE MUSIC MINSTRY during my days in the Chain. In fact we had just had Jeremy Spencer & family move back over from S. America. It was reasoned between ourselves, Rachel & Timothy that perhaps we were called to pioneer big-time music,

God seems to specialise in getting
His greatest victories out of seeming defeat, & the very thing we
ended up doing to escape the
realities of the RNR was what
the Lord later used to accomplish
His purpose in bringing us closer

hard it was being out of the

had developed before the RNR

Rachel to operate more independently from the Family, saying

BRING THIS SPIRIT BACK TO
THE FIELD so that others can
feel & see more of the Spirit of
David. It is truly amazing to see
the fruit coming out of this Camp,
such as Paul Michael's 36 new
songs for the Lord in only six
months, & all the songs the other
musicians are receiving!
THESE NEW INSPIRATIONS
FROM THE LORD ARE HAPPENING SO FAST that you almost can't keep up with them all.
It seems that everyone's gifts are

bless you, Dad & Maria, & Faithy

back into the "fold of David" for
such a time as this, for this is
truly a tremendous moving of

NOTE: A large %age of the India Club transfer members we have no information as a warrange & profession, & thus they are not included in this breakdown. Since it appears many of those Indian members are younger students, the average age (23 yrs) is probably somewhat higher than reality. In response to a recent letter, we have begun to hear back from them and hope to have more complete information for our next report.

TUESDAY. THE BEGINNING OF ANOTHER WORK WEEK AT OUR CAMPSITE. As usual it began with a morning meeting to discuss the many varied spects of our life, continually seeking ways to improve, so our hardworking musicians can come back to a happy heavenly home after their day's work. WELL, THIS TUESDAY WAS DIFFERENT, as at our council Paul emphasized the need for each one of our Homes to prepare our contingency plans in case any type of emergency should arise, & to make sure our flee bags were ready! Well, the Lord must have wanted to make sure we got the point!— THAT EVENING A STRONG EARTHOUAKE ROCKED THE WHOLE ATHENS A REA all the way down to our cozy campsite! THAT EVENING A STRONG EARTHQUAKE ROCKED THE WHOLE ATHENS AREA all the way down to our cozy campsite! With its epicenter in the Gulf of Corinth, it hit hard, 6.8 on the Ritcher scale, supposedly the same magnitude of the killer quake that struck Italy not long ago, only this one lasted for only one-fourth the time, TTL!
MOST OF US WERE IN THE LARGE TENT WATCHING A VIDEO MOVIE "Marooned". It was a tense part in the plot, at the height of a hurricane where they were trying to launch a rescue rocket in strong winds. As the tension of the film mounted, the ground under our feet began to movel Both Jeremy & Michael thought someone was shaking their chairs.

BUT WHEN THE ELECTRICITY WENT OFF & THE GROUND CONTINUED TO MOVE, we realised we were in

morning hours!

PAUL & MARIANNE WERE
AT THE HOME OF OUR SACRIFICIAL WORKERS AT THE
MAIL MINISTRY HOUSE. It
is quite a precarious spot, with
the house being built on stilts!
At the first tremor they immediately turned to the Lord in desperate prayer & tongues as the
quake made quite a loud rumbling noise & immediately knocked the lights out. If it had lasted
any longer, it could have considerably damaged the house. As it
was, it left its mark—a 5-cm. crack
in the walls!

AFTER THE SECOND TREMOR, an hour or two later, they along with most of our Mail Ministry staff fled the city taking
with them all their vital papers
& addresses of Club members
around the world. As Dad has
told us, "The most important
thing to protect is the work &
the Family, & first of all that

ALL OUR RETURNING REFUGEES FROM THE CITY OF ATHENS WERE AWED at the sight before them on the streets of the city; at every corner people sat around little fires to keep warm, mothers with bebies wrapped in blankets, people sleeping in cars. On the broad svenues they were camped out on the islands that separate the lanes of traffic to be as far away as they could from potential falling debris.

OUEUES FOR GASOLINE WERE A KM. LONGI TTL we had a full tank! Approaching our campsite they were surprised to see people sleeping on the beach, figuring that must be the safest place to be. Our campground filled up overnight.

WHAT A CONFIRMATION OF THE URGENCIES OF THE TIMES & the need to be prepared now, found in the Letters! Another tremor came at 4:30 a.m. & another strong one at 7

"Earthquakes In Diverse Places!"

Lessons learned during Athens Earthquake! -- Be Prepared!!

From Asher Thanksgiving:
ON THE NIGHT OF FEB. 24
ATHENS & THE SURROUNDING AREA WERE HIT WITH
A SERIES OF EARTHOUAKES

on Saturday, the 28th, another large tremor (5.2) hit, & another of 5.1 came at 9 a.m. the next morning. So we saw that as Dad says, "It pays to be prepared to leave at a moment's noticepick up your little fleebag & go!" (No. 386:79.) And "It would be a good idea for you to go thru' a fire drill & see how fast you can do all that" (par. 64). It seems like in the past two weeks we've had a crash course in getting out of the house in seconds! AFTER A FEW DAYS THINGS STARTED GOING BACK TO "NORMAL" & having small tremors became a part of wearday life. The narrar were

THINGS STARTED GOING
BACK TO "NORMAL" & having
small tremors became a part of
veryday life. The papers were
full of reasons why the quake
happened & also why it would
not happen again, trying to get
the people to let down their
guards & return to work in the
city.

MARCH 3RD: DESPITE ALL
THEIR PROMISES GOD WAS
NOT THROUGH, & another
quake of 6.1 struck doing more
extensive damage & killing 4
people. By this time it was clear
that no one was sure what was
going to happen.

MARCH 6TH & 7TH: WE
PRINTED 10,000 COPIES OF
"EARTHQUAKE" TK from
FC Komix No. 1, & on the 7th
almost all the Homes in the Athens area passed them out. Reactions to this message were very
interesting—either hot or cold.
People who knew us & liked us
or were interested in what we
had to say hungrily grabbed the
Letters & wanted to hear God's
counsel. But those who seemed
to know us & didn't want to hear
what we had to say were colder
& harder than we had ever seen
them. It just seemed to really
divide the people.

THAT VERY AFTERNOON
ANOTHER TREMOR OF 5.2
HIT around the same area. TG
for the Letters we had distributedl We're sure the people who
read it really paid attention to its
counsel. That day was the begin-

WE TOOK THIS OPPORTUNITY TO PASS OUT ANOTHER 1,000 COPIES OF "EARTH-QUAKE" to carloads of people who eagerly received & read them as to really be prepared. Thank God for his protection!

There is no place absolutely concerned except for the Lord " & we saw how in a time of emergency a little thing like having a full tank of gas could even save your life! "My policy with gas after the property tank than it is to run on a full tank. I never let a tank go below the halfway mark. Fill it up again. You never know when the station might be closed or you might have a long drive you didn't expect." (No. 831.6)

Why I am a Rebel

I see you bound in pain & dark sorrow Brooding on memories, dreading tomorrow Your eyelids are heavy & so is your heart How quickly your hopes & desires depart!

Tell me, if there's no more reason in living Why don't mothers tire of giving? Why are the happiest those who give their all? Life: Tapestry of small joys of God's quiet call.

They say, "Be modern! We're in the age of space, Technology, degrees—you must join the rat race! The world's evolving & so must I." Then tell me, why wars? why do people still die?

They say I should climb the stair of success, Then why do many "great" people make such a mess? You want my goal to be this crooked way? —The superficiality & horror of the world today!

I'd rather be "crazy" & truly fulfilled!

Just because "everyone's" in it

Doesn't mean it's my world!

I'd rather be different & do what is right

And I'l be free from tradition

That traps you in the night.(GBY, Sweetheart! ILY!-D.)

Tips On Teaching English!

From Paul Poet; India: WHEN IN THAILAND I AP

to read the ad they'd have to already know at least a little bit of English.

WHEN IN THAILAND I APPLIED AT A FEW LANGUAGE
SCHOOLS & they all wanted to hire me. But realising the vacuum for English teachers, I prayed about it & decided to stay private & self-employed because
1) I could design my own cutriculum, & 2) I could get twice
as much salary per hour.
SO I PUT AN AD IN THE
LOCAL ENGLISH-LANGUAGE
NEWSPAPER. For this you need
a telephone or answering service
available. I didn't feel qualified
to teach beginning English as I
knew no Thai, so I figured that

it was a witness & support at the same time & sometimes led to salvations!

IN INDONESIA! WAS ON A ROAD TEAM with another brother. When we went DTD, for a "foot in the door" we'd say we were English tutors looking for students. Within the first dozen houses in the wealthier neighbourhood we had two steady students, one of whom was the wife of the police chief. So you can also find your private students while going DTD. Hope this is a help! Love, Paul Poet.

much love you
have for everyone.

THE LORD HAS FULFILLED
MY LIFE more than I ever knew could be possible, & I am really trying to give my all & put my whole heart into it. I am so thankful to have the privilege to even be considered for such a job as this. I love it!

THE TESTIMONY FROM SHULY In Mag 34 encouraged me to write in & share with you a little about the same. After I turned 13, I started to share with some of the brothers, but went thru' it a lot, as I had a lot of bad things stuffed in my mind such as "sex is bad & evil" etc. etc., so I really had to go out on the attack against the Devil, & am learning more & more all the time!

Understanding Your Teenager!

Just can't cope with the trials of your teenager? Try these tested tips from a real revolutionary Mom!

From Rebecca Bolivar; Central America: (Whose children have tood the test of time! GB'M! -Dad.)

INTRODUCTION

TEENAGERS!: PERHAPS ONE OF THE MOST DIFFI CULT SUBJECTS to write a-bout, as there no two teenagers alike. Of course, no one person is alike, as the Lord made each of us as an individual with our own free will & our own special characteristics. However, with small children, in spite of their differences, there are several basic rules of training one can follow & get good results, bending a little this way or that accord-

ing to the child.

BUT WITH TEENAGERS!—
OH MYI—What a controversial,
complicated, incomprehensible
bunch of individuals, the emphasis being on individuals! Even
adults are easier to handle as they
have usually decided their role
in life, & one can work with
them from thereon.

BUT ADOLESCENCE IS THE
TIME OF CHANGE, when a
young person suddenly finds out
that he or she is a real person in
this world who counts, who
needs to make his own decisions,
who suddenly has responsibilities to himself & others.

HE FINDS THAT HE IS CAPABLE OF MAKING OTHERS
HAPPY OR SAD, that he is able
to control up to a point his future by his decisions, & that he
is getting a new body, with new
reactions, new passions & desires.
Often it all happens so suddenly
that he is quite confused, & naturally those about him find him
as hard to understand as he himself!

THE KEY TO BEING ABLE

as nare to understand as ne nimself!
THE KEY TO BEING ABLE
TO REALLY LOVE & GUIDE
your growing up children, apart
from being the best possible sample, is being in the Spirit &
Spirit-led. It's the only way! If
you think it is hard, dear sisters,
with several tiny tots, let me assure you, you're only a couple
of rungs up the ladder! Lord,
give us loving & understanding
parents!

parents!
WHAT I'M GOING TO WRITE
IS, I'M AFRAID, VERY LIMIT-

THE PHYSICAL CHANGE

ALMOST OVERNIGHT IT SEEMS YOUR DAUGHTER SUDDENLY DOESN'T LOOK GOOD in her little-girl clothes anymore! She's started taking an interest in hairstyles, fashion able clothes & unsuitable shoes! MAYBE UP TO NOW SHE'S

seives.
WHEN SHE STARTS TO
MENSTRUATE, IT IS A VERY

I THANK THE LORD SO MUCH FOR DAD'S TEACH-INGS ON SEX. When I remember how I learned about it & compare it with the natural way my children have learned, there is a world of difference! It was the most normal thing for my girls when they started menstruating, totally different from the embarrassing affair when I was young My mother was so shy about it that she told me, blushing & hemming & hawing, only just in time, & I thank the Lord she did, as I had some very weird ideas about it picked up from school! Because of her embarrassment

I remember for years thinking,
"Oh my, if one day I have daysh
ters however shall I tell them?!"
IN THE FAMILY WE ARE
SO OPEN & NATURAL about
this sort of thing we mustn't forget that young girls can be quite
sensitive & shy to begin with, &
I believe we must respect this.
For instance, my girls for some
reason or other do not like the
men in the Home, including
their father, to know when
they're on their period. Whether
this is wrong or right I don't
know,
BUT I DO REMIND THEM

this is wong or right I don't know, BUT I DO REMIND THEM THAT MEN DO UNDERSTAND THESE THINGS & that if they know they'll be more likely to forgive them if they are a bit grumpy & out-of-sorts; but that of course I won't mention it if they don't want me to. For example, I'd never say in front of them, "Oh, let her off the dishes today, she doesn't feel well, she's on her period." That would greatly embarrass my girls. That doesn't mean to say that all girls are so sensitive, but we do need to be as understanding as possible.

as possible.

HEALTH: Have compassion on your sleepy teenager who can hardly open one eyelid in the morning! Adolescents need lots of sleep. They are growing & changing so fast they need it as much as they need good nourishing food. Lay down the law for bedtime if they have a battle getting up in the morning.

DON'T WORBY IF YOUR

DAUGHTER GETS PLUMP around the first years of adoles-

DAUGHTER GETS PLUMP around the first years of adolescence. Don't put her on a diet
unless the weight increase is exaggerated & a doctor recommends
you to do so. This is a normal
hormone reaction in a large percentage of teenage girls, as they
lay down an extra layer of fat under the skin that men don't have.
When they reach 16 or 17 it just
drops off, & all of a sudden you
have a beautiful woman in your

Home!
THIS BRINGS US TO EAT-ING HABITS. Good eating habits should be formed by now, but they'll be tempted by their friends to eat sweets & junk food etc. If you find they are developing a taste for such food & eating it on the sly, a few comments about pimples, cavities & overweight will miraculously put the brakes on! If they can't avoid eating bad food when out visiting, just remind them to pray over it & clean their teeth well afterwards.

er it & clean their teeth well af-terwards.
IN CONCLUSION, DADDIES
& OLDER BROTHERS, express respectful admiration for your teenager's new image, but don't tease them or make fun of their new boobies! Some girls may not mind this at all & join in the jokes, but others can become ve-ry embarrassed & self-conscious. Love uplifts & inspires!

DRESS

WITH OUR REVOLUTIONARY MUMS TRYING TO LOOK
AS PRETTY & FEMININE AS
POSSIBLE, our daughters will
want to follow our example!
We need to help them to dress
appropriately for each occasion.
Teenagers usually have such a
pretty youthful bloom that they
don't need make-up, or very little, perhaps if going out in the
evening.

on't need make-up, or very little, perhaps if going out in the
evening.

HOW TRUE WHAT DAD SAYS
IN "REVOLUTIONARY WOMEN" about the most attractive
woman being the natural woman.
High-heeled shoes are extremely
bad for a teenager who is still
growing. They can adversely
affect the feet, legs & back. Uncomfortable shoes can give a
strained wearied look to your
face, taking away from the joy
of the Lord that should be shining thru.

WE ALSO NEED TO TEACH
THEM HOW THEIR WAY OF
DRESSING CAN AFFECT THE
OPPOSITE SEX. If she is quite

young & doesn't want masculine attentions yet, then tight reveal-ing sexy clothing should be dis-couraged—& the reverse applies!

UNDERSTANDING PARENTS

PARENTS

WHY IS SHE SO MOODY &
out of it this week? Her period?
A crush on a guy who walks past
the house every day? Committed
some awful sin & hasn't the guts
to confess it? Has she suddenly
found out that her parents aren't
God? What have I done? How
can you restore your child to
the joy of the Lord? The way
to avoid their moody time as
much as possible is to have the
best communication possible

to avoid their moody unite as much as possible is to have the best communication possible with your teenager—& this starts from babyhood.

UNDERSTAND THEM! Share your own experiences. Take time with each child alone. Whenever I go out on an errand I take one child out in turn so they can have Mummy all to themselves for at least a short while! (I have 6 children from 3 to 16 years old, & as you can imagine the conversations & questions vary extremely!!)

SO WHEN YOUR TEENAGER
IS GOING THRU' A DIFFICULT
PATCH, GET IN PRAYER & get
it from the Lord. Often as not, it from the Lord. Often as not, we are tempted to keep on asking what's the matter, or exhort them to snap out of it, but the Lord says, "Wait, leave him alone until <u>I've</u> shown him the way." Because many times the poor child doesn't even know himself what his problem is!

BE AVAILABLE! Always have a ready ear & a willing

BE AVAILABLEI Always have a ready ear & a willing heart & a strong shoulder for all their hopes, joys & trials, fears & tears. Above all, remember, love never fails!

RESPECT YOUR CHILD!
Sometimes we can be so blase & want to even laugh at some of the things they find so seriou & we've forgotten how important these things are to them.

THEY WILL START WANTINTHE SAME RIGHTS & privileges as other members of the
family who are living with you.
It is very easy to work your
flesh children harder than your
helpers. But woe to the parents
of teenagers who make them
constant babysitters to their
younger brothers & sisters.—
They'll find rebellion on their
hands.
I'M NOT SAYING THAT
OLDER CHILDREN SHOULD
NOT HELP WITH THE YOUNGER CHILDREN. Rather, they
should take their turn, & it should
be part of their training. But it is
all too easy for a rushed mother
to palm the kids off on their eldest child.

A TEENAGER IS NOT AN

When you do find out what the trouble is, pray earnestly for the right counsel. If the kids have been brought up with a strong foundation in the Word, they will find it easy & inspiring to receive counsel from the Word, they will find it easy & inspiring to receive counsel from the Word, they will find it easy & inspiring to receive counsel from the Word. All they will find it easy & inspiring to receive counsel from the Word added it has power!

CONTINUE THE GOOD HAB. ITS OF CHILDHOOD to pray for every little thing. My 16-yr. old never fails to ask for prayer, even for only going next door to I look after the neighbour's house for an hour, or before making an awkward call to a boy friend!

SHARING THE VISION: To quote Shuly, she says, "Mummy it hardly seems like we are mother & daughter sometimes. It's like we are sisters. We don't have the generation gap the systemite kids have with their parents, because we have the same interests; because we have the same interests; because we have the same interests; we have the same interests; because we have the same interests; but the word and the proper in th

your own thing a horrible accident could occur!
LOOKING AFTER LITTLE
BROTHERS & SISTERS IS
HARD & RESPONSIBLE WORK!
Your older children should be
thanked & encouraged for taking
over when you need the break to
rest or do some other important
work. It is very good for them
as they learn to appreciate your
job as a mother & also to get to
know their little brothers & sisters as people & not just "the
crew", but it must be fairly distributed so that one person does
not get the whole load, all the
time.

crew", but it must be fairly distributed so that one person does not get the whole load, all the time.

FOR A TEENAGER WHO IS DEVELOPING NEW INTERESTS it is necessary that he have time in which to do so. I get great pleasure when I am working in the kitchen to look thru' the window into the window of Shuly's room & see her sitting at her desk working out a new review system, doing her correspondence or her Russian homework.

—Or listening for an hour to Debbie playing the guitar while I'm preparing dinner.

WHEN YOUR CHILD IS ENGROSSED IN SOMETHING PRODUCTIVE OR INSPIRATIONAL, it can be very frustrating for him to be interrupted to do a menial task that you yourself could easily do with a slight extra effort. Perhaps I go to the extra effort. Perhaps I go to the extreme, but when I see one of them called away from something trivial, I stand in the gap for them, either doing it myself or sending a less occupied child to do it (or telling them not to be so darned lazy & do it themselves, hal).

I'VE MENTIONED SEVERAL TIMES THE IMPORTANCE OF RESPECTING YOUR TEENAGER. This, I believe, is of great when I see one of the main causes of rebellion in tenagers. For others it can complicate life as they may feel that something is expected of them that they can't or don't want to give yet. I really can give no advice on this subject relating to teenagers as neither of my big girls are into "sharing" yet.

HOWEVER, I WOULD LIKE TO SHARE HOW EARLY EXPOSURE TO WRONG SEX CAN BE VERY HARMFUL.—I'm not even talking about trape or any-thing so dramatic as that, but my eldest daughter has had tremendous trials about sharing because of the unnecessary attentions of the unnecessary attentions of the unnecessary attentions of the unnecessary attentions of a brother some years ago.

WHEN SHE WAS 11 & 12, WE HAD A BROTHER IN OUR A least that is what it looked like, tho' sometimes I don't think that even he knew what he was the proper of the main causes of rebellion in teenagers. For orthers it can complicate life as they may feel that s

sponsible, to themselves & to others.

want to give yet. I really can give no advice on this subject relating to teenagers as neither of my big girls are into "sharing" yet.

HOWEVER, I WOULD LIKE TO SHARE HOW EARLY EXPOSURE TO WRONG SEX CAN BE VERY HARMFUL.—I'm not even talking about rape or anything so dramatic as that, but my eldest daughter has had tremendous trials about sharing because of the unnecessary attentions of the Unit of t

that they can handle it emotionally. A girl gets much more deeply involved from a sexual experience than a boy.

There are ways you can get around the awful grind & routine of system brainwashing, depending on what country you are in. EXPERIMENTING: What do you do when your teenager wants to try something or go somewhere you disapprove of? What I do with Shuly & Debbie is to explain to them my point of view & whenever possible cite a Mo Letter or Bible passage where appropriate.

ILET THEM KNOW I'M NOT

Letter or Bible passage where appropriate.

*I LET THEM KNOW I'M NOT
HAPPY ABOUT IT, but if they
insist & it's obviously not totally
unsuitable for their age, or dangerous, I let them go. I'll give you
an example: Shuly, a couple of
years back, was desperate to go
to the latest in-fashion high-class
disco. All her friends were going
& she wanted to be "with it".

HER ARGUMENT WAS THAT
THE EXERCISE WAS GOOD &
she could meet people she could
witness to. I said the music
wasn't edifying & that it was too
noisy to carry on any kind of
conversation, much less witness.
However, her heart was dead-set
on it, so I made sure she was taken & brought back by a friend,
prayed for her & let her go. She
went off all excited & looking
beautiful. She came back vowing
never to go there again! Her eardrums were ringing for three days
from the volume of the music!

A SHORT WHILE AGO DEBBIE WANTED TO SPEND THE
DAY in the countryside—quite a

difference from a disco. However, I had to put my foot down & refuse to let her go, because in the group of friends who were go ing was one particular 14-yr.-old girl who goes to Debbie's school, who is rough, vulgar & has a horrible spirlt. We said the only way we would approve of her going was if that particular person wasn't part of the group.

WE JUST NEED TO USE A LOT OF WISDOM in this area. We can't over-protect our kids.

Many times they have to learn the hard way, which can be quite painful for the parents!

REBELLION

WHAT DO YOU DO IF YOUR CHILD STARTS REBELLING? First of all, pray to see if he has a legitimate reason! If there is no apparent reason or fault on your part, the situation will be much more difficult to solve, as there could be such a variety of reasons.

essons.

EVERY CASE WILL BE DIF-FERENT, & only prayer, love & understanding will help him. You will have to trust the Lord to do the rest, & it may be pretty hard to see your child being broken by the Lord.

There's no hope!

WE ARE NOT LIKELY TO HAVE TOO MANY CASES OF REBELLION in the Family.

already, or children approaching adolescence, may have joined when your children were well past the first impressionable years. If these children are showing signs of rebellion you may be tempted to think, "Oh well, it's not his fault, he had such a rough time in the System," or "There's no hope, the System's ruined him," or as in our case, be tempted to blame bad handling by inexperienced & authoritarian lead ership of the past.

BUT-DIDN'T THE LORD MAKE NEW CREATURES OF US? And most of us were beyond our teens when He saved us from our sins & the System! "Therefore, if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new" (2Cor. 5:17), & "We know that all things work together for good to them that love God, to them who are called according to His purpose." I KNOW IT CAN BE QUITE A CAUSE FOR CONCERN if an older child is giving a bad example to the younger ones. The advice Mother Eve gives about sending a difficult child off to Grandparents for a while could work wonders. Or if there is a good on-fire Home nearby, it may help to send him there for a while could work wonders. Or if there is a good on-fire Home nearby, it may help to send him there for a while could work wonders. Or if there is a good on-fire Home nearby, it may help to send him there for a while, or maybe even send him to his systemite relatives so he can learn to appreciate his own Family of Love. I know that if I sent my kids to their rich cous in's house for only one week, they'd come back home running & kiss the ground on arrival!! Just make sure your child knows that you & the Lord love him, no matter what happens, & that you haven't lost faith in him. WHEN THE LORD WORKS DIECTLY IN THE LIFE OF YOUR CHILD

CHILD IS GOING THRU' A
COOLING-OFF PERIOD TOWARDS THE LORD. There
may be many reasons for this,
but let me tell you, the Lord
knows better than we do. He
cares for His own & He'll bring
His little sheep back, wiser &
dearer & closer to His heart.
DON'T WORRY OR FRET.
BUT PRAY FAITHFULLY, &
your little lamb will come back
to the fold. I've found in my experience that it is far better to
let the Lord deal with your older child than to lay down the
law yourself.

iet the Lord deal with your older child than to lay down the law yourself.
GIVE LOVING COUNSEL & ENCOURAGEMENT, BUT LET THEM CHOOSE whom they will serve—themselves & the System, or the Lord. They'll come back. "Train up a child in the way he should go; & when he is old, he will not depart from it" (Prov. 22:6). One of the hardest things to bear is to see the Lord dealing with your children! All you can do is pray & love them & let your good sample convict them.

I know what you're going thm'. Just resumber, we love you are praying for you

I PERSONALLY HAVE JUST COME THRU' A VERY DIFFI-CULT YEAR in which the Lord was working in 16-yr-old Shuly's life. She has always loved the Lord deeply & has been very much on-fire since she joined the Family at 7 years old.

IN THE LAST TWO YEARS
OF GRADE SCHOOL SHE
WENT THRU'A DIFFICULT
PERIOD, approaching adolescence, & she found it very hard
to witness to her school friends
& was embarrassed about the
Family in front of them.
MOVING TO MEXICO
FOR 6 MONTHS helped her tremendously, & she litnessed &
witnessed like crazy. Back again in her native country she
got into a school routine & being an exceptionally good student she couldn't help going thru'
triels about her education.
SCHOOL BEGAN TO BE HER

trials about her education.

SCHOOL BEGAN TO BE HER
WORLD, which was very easy
to slip into. It took most of her
time, she loved studying, it was
a Christian school, so what else
was there? We were a small
Home, mostly childcare, not exactly the greatest ctimulus for
an intellectually inclined, vivacious, attractive young person!

an intellectually inclined, ivea-cious, attractive young person! PART OF THIS TIME HER FATHER HAD GOTTEN INTO DRINKING AGAIN which did not exactly encourage her to do things at home or bring friends

here.
THEN EXACTLY A YEAR
AGO SHE GOT VERY SICK
with what looked like a strange
flu. But altho' the fever left she
steadily went downhill. I took
her to doctors & of course we
were praying earnestly to see
why she had these various aches
& pains, loss of appetite & weakness.

see how much the disease had affected her.

IN SPITE OF THE MISERABLE TIME THERE, whenever she could she'd cheer up the other patients, giving testimonies, telling jokes, reading the Word with them before lights out, & altho' feeling groggy herself, the'd escort old ladies to the bathroom & back.

I COULD TELL THE EFFECT SHE HAD on the patients & loopital staff by the way she is greeted each time she goes back for an appointment. In fact, the head doctor of the Medicine Dept. offered us any help he could & was extremely sweet & kind to us. In turn I found him an English teacher (a dear sweet American sister) & he is now her helpful & loving Fish, saved & really turned on to the Word.—Also a marvellous contact for PG sisters.

THE DOCTORS GAVE SHULY SOME VERY HEAUY

Also a marve.

Also a marve.

Also a marve.

THE DOCTORS GAVE SHULY SOME VERY HEAVY
DRUGS that made her feel ill,

& sometimes she'd ask my questions about brethren that had
gone to be with the Lord, & was
obviously totally discouraged about ever getting better!

SOMETIMES SHE'D WAKE

UP AT NIGHT with such a painful itching in her toes that she'd
be crying & use the only relief
she could find, cold water at
high pressure from the tap. Many
times we'd wake up & our hearts
sank to hear the running water in
the bathroom on the occasions
that she didn't wake us up.

A COUPLE OF TIMES I

mess.

AT LAST HER DISEASE
WAS DIAGNOSED AS LUPUS,
as very unusual degenerative disease about which Shuly has already written in her own testimony. We asked the Lord why so many times, wondering where it was we had failed.

OUR POOR LITTLE 15-YR.OLD SPENT TWO NIGHTMARE disease. How the Enemy loves WEEKS in the hospital undergoting exhaustive & extremely painful & unpleasant tests. Almost every organ had to be tested to

SHE HAD TO GO THRU' IT ALONE, it was her battle. One night she was clinging onto the bed post as the Enemy was attacking her so badly she felt unreal, & that the world was fading into unreality. We rebuked the Enemy & I got the verse "Satan hath desired to have you, that he may sift you as wheat, but I have prayed for thee that thy faith fail not: and when thou art converted, strengthen thy brethren" (Lt. 2:31,32).
BUT THE ATTACK WENT ON UNTIL WE ALL STARTED TO PRAISE THE LORD as loud as we could! During this time she'd have mild hallucinations, whether due to the drugs or demonic attack, we don't know, but it was very disconcerting for her. Several times! put a mattress for myself on the floor of her & Debbie's room so

she'd feel comforted by my presence.

BOY, DID SHE EVER LEARN
TO FIGHT! The spiritual battle
Was made so clear to her—even
the name of her disease "Lupus"
(wolf in Latin) showed her
what a spiritual battle it was.
She began to really see the imimportance of soul winning,
school faded into the background.
SHE WAS LEARNING THAT
WHICH IS OF MOST IMPORTANCE—life & death, the reality
of living, of living for the Lord
& others, & the daily battle!
How easy it is for a young strong
person to be unaware of others'
weaknesses, for an intelligent
person to be impatient with the
slow & feeble-minded.
IN & SHORT (BUT FOR HER
LONG) MONTHS, SHULY
LEARNED WHAT IS COMPASSION for the weak, understandin for the slow-weited & the

SION for the weak, understand-ing for the slow-witted, & the urgency for souls. She hadn't

committed any great crime for which she was being punished (altho' the Devil was telling her

(altho' the Devil was telling her sol).

THE LORD WAS JUST GIVING HER A CRASH COURSE in spiritual warfare & love, not to underestimate the wiles of the Enemy, learn how to recognise & rebuke an attack & to learn to love the Lord more than ever, & others. She says that altho' she has to go around the rest of her days with an umbrella in the sunshine (& it's sunny 90% of the time here!), she doesn't mind at all, because in the first place it's a humbler, & in the second place it is a constant reminder of God's loving concern for her spiritual walk with Him. SO DONT GET DISMAYED if things look like they are going

SO DON'T GET DISMAYED if things look like they are going wrong in the life of your son or daughter. God's ways are not our ways, & who are we to question the way in which He deals with our children? From Carlos:
THERE IS MORE TO "CHILD BRIDES" (NO. 902) THAN READILY MEETS THE EYE! Its main points come thru' loud & clear, but underlying them is an unmistakable warning about what may result from our failure to heed them.

THAT WARNING SPOKE TO ME loud & clear perhaps because for over 20 years I was a seeming ly hopeless & helpless victim of the warping sexual privation the Letter warns about. When I was born my mother, who had had a warped childhood herself, appeared to have decided to make me into some sort of perfect man. Her conception was that I should have no need or desire that she herself had not suggested. As early as I can remember my mother would come watch me bathe, would touch & pull my penis & sannounce that It belonged to her. BY AGE 12 IN FULL PUBERTY with a tasty mulatto woman (our maid) quite willing to help me out, plus a few others in the neighborhood ready to at least have their breasts felt (a very big deal at that age), my mother would tell me that I was sick, wrong & should be ashamed. Add to this the facts that I never saw my parents embrace & that for sex education they sent me to the family doctor so he could show me some unimaginative drawings of a vegina & an erected penis, & you have the basic ingredients for a really screwed-up kid!

WELL, ALL OTHER AVEN-UES OPEN TO A BOY AT THAT AGE & in those circumstances are few & "wrong", & after the first few years of adolescence spent in almost total privation, they lead to either sexual instab.

IT'S HEART-BREAKING TO THINK HOW MANY PARENTS PLAY WITH THEIR CHILDERN'S SEXUALITY. You'd think they would have learned by now from their own trying years. That they don't learn, that they do not do everything within their power to shield & protect their own offspring from such catestrophes, but instead seem to be pawns in the Devil's plan to perpetuate this disaster, makes "Child Brides" all the more important & its message all the more momentous. AS I MOVED THRU' MY

The positive sexual possibilities were endless but I was already, at the age of 17, so blinded & confused—so far gone—that I couldn't partake. I simply opted for no sex. Fear froze me.

5. I COULD GO ON FOREVER ABOUT THE MANY TEEN-AGERS I MET, budding homosexuals entrapped by their confused minds, & I knew their sufferings & their feelings of "there's no way out". Their sexual feelings have been frozen at the inquisitive, sensitive age of 13-15, & they never seem to mature, carrying their fear of women, their guilty feelings, their unhappiness, the rest of their life (unless they receive the Lord, forsake their desires & have faith in a deliverance in His time). No wonder the morbid saying: "The only happy homosexual is a gay corpse."

ONLY HIGHLIGHTED HERE, may sound a bit extreme, & it is. But I pray it will be useful to those in & out of the Family who may need a living example to come fully to grips with the importance of Dad's inspired message in "Child Brides"! That was a very timely Letter. Our sexual clarity, that of our teenagers especially, is going to be so important as a witness, seeing that the world is heading for an asexual stage. So much depends on how willing we are to guide them in the right spirit during their first sexual steps. God bless Dad for conveying that message to us! —Carlos.

She told Rose that the book Teach Your Baby to Read' was written conservatively. A new revised edition is to be printed soon. One of the changes is that instead of showing the child a word for 10 seconds, it recommends flashing the word to the child—15 words 5 words each session, each session 3 times a day, using 5 words for 5 days. At the end of 5 days retire 5 words & add 5 new words. Make each group of 5 words related (i.e. names, body parts, animals household items sett.) IDEA FOR MEMORY WORK:
"Memory verses in the form of

wanted a camera, so I put together a 'jumbo ticket book' of
25 tickets (or verses), plus smaller books of 10 tickets (verses)

he tears out as we go along, &
he can visibly see that he's accomplishing a lot, & at the end of
the 'ticket book' he gets his reward—a camera for the big book
& a roll of film for each smaller
'ticket book'. I think this one
idea has been what's encouraged
him to keep pressing in, as he was
losing the desire to memorize
new verses till we tried it."

The doctor examined my breast milk & said it was lacking in fat condoctor examined my breast milk & said it was lacking in fat content. He said I needed to supplement it with system formula he prescribed. Instead, I gave him the formula from the "Formula Feeding" class. David started doing better & gaining weight but we did not have perfect peace about his not breast-feeding so much. Eventually I read in "Let's Get Well" by Adelle Davis that lecithin aids the body in distributing fats. So I started taking lecithin capsules & started breastfeeding only. David did well, gained weight quickly & regained good health, hallelujah! The doctor had told me there was nothing I could add to my diet to improve the fat content of my milk, but we knew the Lord could & would do a miracle. David was breastfied with no solid foods until 6 months. Now at 7 mos. breast milk is still the major part of his diet. He is a beautiful, healthy happy baby. On the way, I kept going over the Mo tape with her, giving her all Dad's examples of what happened to him when he was naughty. She prayed one more time for the Lord to help her get the bead out & just as the doctor got there to take it out she sneezed twice & it flew across the table. MORE ON- How A Large Family Does It!

Lessons learned thru' sicknesses while camping on the road!

WE'VE LEARNED AGAIN
HOW ENCOURAGING THE
WORD IS thru's on much sickness lately. Since summer began we have had 3 with the
measles & 3 with the chicken
pox, earaches, Jason had to
have 5 stitches in his foot, Patricia in the hospital for 4 days
with bronchitis & for almost
a month now we've fought the
biggest battles we've ever experienced with illness since
Summer came down with hepatitis.—All while camping!
WE HAD TAKEN PATRICIA OUT OF THE HOSPITAL
after 4 days against the doctors'
advice. They said that she
couldn't get well at home. But
she didl—And not even in a
"home" but camping out! We
also stopped giving her the
strong antibiotics injections
they had been giving her. She
is better now & so healthy &
happy again, PTL!
AT THE HOSPITAL THEY
HAD BEEN SO SURPRISED
at how quickly Patricia's xrays cleared up. They came in
with breakfast for her the first
morning—cookies, white bread
& coffee milk with white sugar.
I asked politely that they take
it back & bring yogurt, an egg
& banana. She ate it all & after
that they always asked me what
I wanted to feed her.
IT WAS A GOOD TIME FOR
PATRICIA & ME TO SPEND
SPECIAL TIME TOGETHER
to go over verses, songs & Bible
stories, but hard too because
Secundus had all the other 6
children including baby Michael
to care for at camping. He was
up late every night after the
kids were in bed washing clothes, dishes & preparing for the
next day so that he could get

ittte Michael to me to nurse. He fed Michael yogurt & a sterilised water bottle in the late evening & early morning. Then each day everyone came to spend the day at the hospital. I then took the kids & had devotions & a little schooltime & play on the hospital lawn while Secundus sat with Patricia & slept, as he was nearly exhausted. We sure are glad to all be together again! The Lord has His ways of really making us appreciate each other!

appreciate each other!
WITH SUMMER WE DID
NOT WANT TO HAVE TO
GO THRU' THAT HOSPITAL
EXPERIENCE again, especially
knowing that it would take a
lot longer. After reading how
hard antibiotics are on the
body, we decided that with
Summer we needed to put our
faith into action & give her an faith into action & give her an especially good diet & vitamins

along with regular desperate pray-er in which the Lord encouraged us with verses. We had to insist that she eat & gave her a high pro-

us with verses. We had to insist that she eat & gave her a high protein diet & only things that were very good for her as she wanted to eat so little.

SHE WAS RECOVERING SLOWLY UNTIL WE REAL-ISED she also needed desperately to be spoon-fed spiritually & insist that she also have a superior spiritual diet! Summer had always been the one to try to get out of devotions & memory & review & also had been having some problems that just weren't getting better with discipline & desperate prayer. So Secundus just insisted she learn new verses & quote them over & over about healing. Sometimes it would even seem that she was oppressed by a bad spirit as she resisted learning the Word so much, & we all prayed for her & she rebuked learning the Word so much, & we all prayed for her & she rebuked

any bad spirit that could be at

any bad spirit that could be attacking her.

THE LORD SHOWED US,
TOO, THAT SHE NEEDED
THE POWER OF GOD'S LOVE
FROM ALL OF US, by each of us taking more time to share with her. Everyone was really convicted & there was a real change in all of us, & Summer started to make regular progress. She is still weak & hasn't much appetite, but the Lord is healing her & she is better each day. With her illness we actually saw what a real spiritual battle is & how hard the Devil attacks sometimes. But we also saw that as long as we are really on the attack, the Devil really gives up & just waits for us to have our guard down. Now Summer takes such an active part in memorizing & reviewing & in the children's performing, & even her reading & handwriting have redren's performing, & even her reading & handwriting have re-markably improved, PTL! All things work together for good!

FIGHTING THE BATTLE WITH SO MUCH ILLNESS, WE REREAD THE DAVIDITO WE REREAD THE DAVIDITO
LETTERS about his illnesses.
They were even more of a blessing & we could see too how
thru' these experiences the
children had to each individually
learn to fight the good fight of
faith. This has helped each of

learn to fight the good fight of faith. This has helped each of them to grow so much in the Lord. We could see that they just didn't get better until they each prayed, claimed verses, & even had to resist the Devil's attack in their affliction.

THIS LIFE ON THE ROAD IS A LOT OF WORK, but so was living in a house. At night when we finally get to bed & look up at the stars over us we really have to say it is worth it all. We really wouldn't look forward to living in a house again. It would be quite a letdown, & the kids would miss so much in their training & their experiences meeting & sharing with so

many many different people.

RIGHT NOW WE'RE CAMP-ING ON A BEACH with a lot of other local families. It is really quite an experience as we are the only foreigners. When we first pulled up, the people acted distant & didn't even greet us. But a little later some of the children remembered Jason & Sherah & asked them to sing, so soon we had quite a group of children & mothers who all became friends. It really broke the ice & the last 2 nights the kids sang & did skits so that the kids could pray to receive Jesus. The only problem is that now our camp is always filled with kids waiting to play with Jason & Sherah & follow them around wherever they go.—Hal

WE HAD A REALLY GOOD DEVOTIONS this morning in which we read "The Temple Prophecy" so that we would remember to always give God the glory & look to His Spirit for our inspiration. It helped a lot as the kids were a little overtaken with their popularity at first & needed to be brought back down to earth like we all do sometimes.

they would grow up so fast.

they speak Spanish. I'm typing to the sound of the sea rolling out. There is such a nice

FRUSTRATED? By Seek, mother of 7

Frustrated Mommy, Tired weary Dad? Nobody to appreciate The tough day you just had?

No one to thank you
Or pat you on the back
For the good job you're doing
In spite of all you lack?

Wonder if you'll get ahead? Will you ever see the light? But you know you have to keep the pace, You've got to hold on tight!

And if you'd ever just give up Who would see them thru'? This one thought is just enough To give a surge of strength to you! The Son of God, & yet a man With only mortal strength -How they pressed & sought for Him, Compelled Him to such lengths!

With weary hands He touched & healed,

Meuteury lips He spake! With weary feet He walked long ways And continued for their sakes!

His life was surely not His own. He couldn't have given them mor Till everything He'd come to do Was finished-not before!

Was plusted to say
And with a cheerful heart,
Like many others every day,
It's not sacrifice to do my part!

And daily as we pour ourselves, Into these little ones We see it yield 100-fold –It even can be fun!

What a tiny price to pay, How little is required, For all the blessing that we reap. The little hearts we have inspired!

Frustrated Mom, tired Dad, I sympathize with you.
But come on now, thank the Lord!
We've an important job to do!

concerns my daughter Anaik &
her safe return to me & the
Lord's Service after being kidnapped for nearly a year. But
first, let me tell you the details
of the story & why the Lord let
it happen the way it did...
AFTER SPENDING 5 YEARS
IN JAPAN, during the RNR period, I felt led to go to a new
field in S.E. Asia with my wife
& child. My wife, however, refused to even consider it & so reluctantly I decided to continue
with the Family in Japan & see
what the Lord would do in our
lives.

I FELT LIKE THE QUOTE

FINALLY SHE DECIDED TO LEAVE FOR THE STATES with an American fish she had "fallen in love with", leaving me alone with our 1-year-old daugh-ter since I told her that I would never let little Ana go. At that time I let her go, knowing the Lord was in full control, answer-ing my prayers for a better mate.

Lord was in full control, answering my prayers for a better mate, or changing the one I had into what she should be.

HOWEVER AS THE WEEKS WENT BY I BEGAN TO WEAK-EN IN MY STAND (Heb. 12:3) & became discouraged over the whole issue. Had it not been for the loving help & encouragement of the Family members during

that time of trial, as well as the conviction never to fail my precious little one, I don't think I could have held on.

I FELTI JUST HAD TO MOVE ON or I would literally die there. And so, still shaken up. I decided to follow an open door for me to work in Eastern Europe rather than S.E. Asia which the Lord had shown me a year before. I found the Lord more than willing to get me there, most of the needed funds supplied thru' a good friend of mine with whom I had been staying during my preparation.

DESPITE THIS GREAT OPPORTUNITY & BLESSING FROM THE LORD to help reach the peoples of the East Bloc. I soon found that merely crossing an ocean or switching mission fields was not the solution to the problem!

HAD I LEARNED THE LESSON HAD I LEARNED THE LEARNED THE LESSON HAD I LEARNED THE LESSON HAD I LEARNED THE LES

pense which further tied me down from being free to do

down from being free to do God's will.

THEN ONCE I FOUND A HOME IN WHICH I COULD LIVE, Ana's mother & new husband moved to be closer to Ana for visitation rights. Like a fool, I again thought I could trust them, or at least their obeying of the System laws which were supposed to be on my side, letting them have Ana a couple of weekends a month.

KEDA & OTHER CONCERNED FAMILY MEMBERS HAD AL READY WARNED ME TO GET OUT OF THERE, but thinking my battles were over I

AND THEN THE WORST POSSIBLE THING HAPPENED! OF TRUTH, & those precious promises kept me alive when the failed to return her on the agreed day & upon investigation! I found they had fled half way across the country with no forwarding address! Words cannot describe my feelings that day over the loss of little Ana.

IN MY HASTE I FLEW

THERE to begin my search for them, obsessed with the idea of finding her. The authorities there, as well as in L.A., were powerless to do anything unless their whereabouts were known, frustrating me even further, even laughing at my attempts to do anything during the Christmas holiday season.

I CONTINUED MY SEARCH.

do anything during the Christ-mas holiday season.
I CONTINUED MY SEARCH, GRASPING AT ANY STRAW of evidence I could find that might lead me to them, but to no avail. Ana was gone & I was totally at the end of myself, having spent practically every-thing I had trying to find her. It was the darkest period I have ever been thru' in the Family & out.

WOULD BRING ANA BACK, & even if He didn't, "But If Not." I still had to obey! So I returned to California & began working again to earn my fare to S.E. Asia, telling the Lord I would go with or without Ana to show Him that I had learned my lesson—always to keep Him first.

SO WHEN MY DEPARTURE DATE ARRIVED, STILL WITH NO SIGN OF ANA, I went of friends & relatives. As I went I felt so many burdens lifted, & I must say upon my arrival in my new field I experienced what Johnust have felt, finding myself blessed with a new & better mate who truly loves the Lord & her daughter & newborn son, in a place of Service. And tho' Ana was not there with us, I knew I just had to keep trusting & obeying, & then God would answer my prayers.

SURE ENOUGH, AFTER 5 MONTHS OF TESTING, THE LORD SAW FIT TO DELIVER ANA. Eleven months after she had been taken from me the Lord used a private detective which my mother had hired without my knowledge to find her. THE POLICE RETURNED HER TO MY PARENTS, & by yet another miracle the Lord used a gift from Liz's fish to pay for the trip back to the States to get her. Arriving in L.A. again was like reliving the past, only this time doing it the right way—God's way! I was there only 24 hours before catching a plane back, with Ana in my arms most of the way to our joyous triumphant return to our happy Heavenly Home!

THANK YOU EVERYONE FOR THE LOVE, PRAYERS & ENCOURAGEMENT you showed to me in my times of trial, especially you, Dad & Maria, with your feithfulness to the Words of God. May God bless & keep you in His will always. Love, Micaiah.

Tribunal Court goes to war against the Krishna in Paris

Caravan Becomes Gas Chamber! Four English vacationers die of gas poisoning

Translation of an article in the French press:)

THE DECISION OF THE CIVIL COURT OF PARIS, which is being appealed before the State Council which will give the last ruling runs a strong risk of rekindling the debate on sects in France. At the heart of this is the question:

France. At the heart of this is the question:
WHAT MARGIN OF TOLERANCE SHOULD A LIBER.
AL SOCIETY ACCEPT CONCERNING THEIR ACTIVITIES without being confronted by the sects own intolerance & even heir fanaticism? The memories of Guyana are still quite fresh. The Civil Court confirmed an order of the Prefecture of last year forbidding any meetings of the Krishna in a hotel that the sect owns in the Marais quarter of Paris. The order, citing "threat to public order," forbade the occupants of the hotel to receive any outsiders or have any meetings or ceremonies of a religious nature, (WOW!" -No religious liberty!—Dad.)

A VACATIONING ENGLISH FAMILY CAME TO A HOR-RIBLE END IN A CARAWAN at the Steinplatte Camping-grounds. Thirty-two-year-old Adrian John Ray, his 30-year-old wife Brenda, & children John-Edward, 5, & Mark-William, 3, died in their caravan as a result of gas poisoning. The death must have occurred Monday, but their bodies were not discovered until Thursday evening.

COURT WAS THEN APPEALED BY THE KRISHNA Assoc,
maintaining that the decision was
invalid & that the Court had no
right to put the order into effect
until the appeal judgement had
been handed down. The Krishna
sect, which was mainly established in the U.S. in the 60's, has
made converts in France. There
are without doubt about 500 members in France, easily recognised
by their bald heads with the exception of a ponytail. They wear
togas & often go around in groups
with cymbals & tambourines. As
with other sects, they are well
versed in the art of begging, but
this is most unlikely to be their
only source of income. Concerning this, their financial power,
like that of Moon, is worrysome.
For example, the hotel that they
own is worth about 10 million

In his neighbouring caravan for several days, altho' the light was on. He notified the owner of the camping grounds who called the police.

AS OFFICIALS OPENED
THE DOOR THEY MADE AN AWFUL DISCOVERY: On the sofa of the caravan sat Adrian Ray frozen stiff, with little Mark on his lap. Brenda Ray lay over the sink, also frozen stiff. They were washing up when they were surprised by death. As the officials searched the caravan for identification papers, they found John-Edward in bed, also dead.

INVESTIGATION RESULTS

OF CARBON-MONOXIDE POISONING. Ray, an English Garrison soldier who had lived with his family near Munich for years, moved into the camprounds. So no one brought it to his attention that it is of life & death importance to keep the caravan free of snow.

Cold Water Treatment for Burns

EXPERIENCE WITH SEVERAL HUNDRED BURN CASES has shown that simple immersion of the burned area in cold water, or the application of cold, moist towel compresses using leed tap water, provides immediate relief of pain & seems to heal the burned area faster.

IT IS GENERALLY ADMITTED BY MOST HELPLESS when called upon to treat a burned patient. The usual first aid management neither relieves the pain nor helps heal the burn. In fact, in many instances it is actually harmful. LET US TAKE A LOOK AT THE COMMERCIALLY AVAILABLE BURN OINTMENTS which are in almost every one's medicine cabinet, What about these chemicals? Phenol, iodoform, picric acid & boric acid have all been known to cause deaths. Yet they are still used today to apply to delicate, damaged, burned skin cells. One every popular burn ointment has been advertised that it is 'harmless to normal skin'. Note that it does not say that it is harmless to burned skin'. The

MENT was begun originally as an emergency measure to provide immediate relief of pain. A 3-year-old child had grasped a hot water pipe. She was brought in screaming with the intense pain of her hands. When the hands were put in ice water the child immediately showed relief & refused to take her hands out of the water until some time later. Once she was able to remove the hands without pain, the pain did not return & no further treatment was necessary. The use of the ice water treatment seems in most cases to have lessened the damaging results expected.

THE ACTUAL TREATMENT CONSISTS OF: Immersing the burned limbs into a large basin of cold water as soon as possible following the burn. The temperature of the water should be comfortably cold (usually under 70 degrees F. or 22 degrees C). Ice cubes are frequently added since the heat from the burned part raises the temperature of the water. On a reas where immersion in water is impractical, moist towels kept constantly cold by repeated transfer are applied. In the beginning these towels must be changed constantly

to keep the patient comfortable.
IT IS NOT ADVISED TO PLACE
THE BURN UNDER RUNNING
WATER, since the pressure of the
stream of water will cause more pain.
THE PATIENT HIMSELF DETERMINES THE LENGTH OF TREATMENT in minor burns-if the burned
part is removed from the water too
soon, the pain will return. The treatment may last from 30 minutes to
several days, continuously or intermittently, depending on the depth
of the burn, the degree of pain, &
the amount of swelling present.
TO OFFEST THE PATIENT'S
FEELING OF CHILLINESS that
may arise, give hot drinks, heating
pads & blankets for warmth of the
burn-free areas. Once the burned
part can be kept out of the water
with no return of pain, many burns
will require no further treatment.
WE HAVE TREATED PATIENTS
WITH BURNS OF UP TO 20% OF
THE BODY & have found that whatever the subsequent care may be,
those case treated initially with cold
water do much better than those who
were not. This treatment has proven
to be so effective & gratifying to
both patient & occtor alike that it is
recommended for use in most burns.

Our Family History Chapter One

Invading The Churches & Street Singing

"At the ages of three & four they were witnessing on street corners, play-ing their little ukeleles & singing revolutionary Gospel songs at the top of their voices!" (Form "We Are the COG" Chapter 1.) (I-r) Deborah, Aaron (Paul), Hoise (Jonathan) & Faltin.

their voices!" (From "We Are the CO (Paul), Hosse (Jonathan) & Faith.

(INTRODUCTION): DAD HAS ASKED ME TO WRITE DOWN SOME OF OUR EXPERIENCES that happened to us as a family & as children when we were little. So this is my story about some of the past events in my life & of our family, my brother & sisters when we were travelling & singing for Jesus in order that the testimony of these past events might be a blessing & maybe a guide or an inspiration to some of our families today who have children the same ages we were when we first began to do these things. Also it might give them some ideas as to what they could do with their children.

children.
IN THIS FIRST CHAPTER I
AM ENDEAVORING TO THINK
OF THINGS THAT WOULD BE
HELPFUL TO OUR FAMILIES HELPFUL TO OUR FAMILIES with children the same ages we were then, from about three to nine years old, & some of the things that we did then that possibly some of the families could do today. This first chapter is mainly about how we went singing & witnessing on the streets in the churches.

1. THERE ARE DIFFERENT SONGS WE USED TO SING,

4. THEN WE'D SING ANOTHER SONG:
You'd better get right with God (point our finger at them)
Come and do it now
Come to the cross of Jesus (motion to come with our hands)
And lay your burden down.
You'd better get right with God (point our finger at them)
Come and do it now
Some special ones which we used in the churches for the church people, & some were songs which we would sing when we were out on the street. Our beginning song for singing on the street had some little hand motions. We'd hold up our hands & sing.
Stop and let me tell you (hold up both hands for "Stop")
What Jesus has done for meso (point up)
Oh, stop and let me tell you What Jesus has done for meso (point up)
Oh, stop and let me tell you (what Jesus has done for meso (point up)
Oh, stop and let me tell you (what Jesus has done for meso (point up)
Oh, stop and let me tell you (what Jesus has done for meso (point up)

You'd better get right with God (motion to come with our hands)
And lay your burden down.
You'd better get right with God (shake our finger)
Come and do it now (motion to embly she our burlen at his dear feet of us that we used to sing in the churches was:

is Jondy." Then Faithy would say, "My narve is Faith Ellen & I'm three years old, & my nick-name is Jondy!" When she'd always repeat what I'd said, everybody would laugh!
4. THEN WE'D SING ANOTHER SONG:

What Jesus has done for me. For He healed my body & He saved my soul (motion towards ourselves)
He baptised me & He made me whole
Oh stop, and let me tell you what Jesus has done for mel
(2. WE WOULD HOLD UP
OUR HANDS & SAY, "STOP!" to the people & get them to stop & look at us, & then we'd go right into our medley of songs, songs we'd sing one after the other without any break inbetween.
3. WE'D EACH INTRODUCE
OURSELVES, step up to the microphone, if there was one, & say, "My name is Paul & I am seven years old." I would say, "My name is Jonathan Emmanuel For Jesus is leading & I'm 5 years old & my nickname Each step of the way

6. THEN DAD WOULD COME
UP & SAY, "Now I'm going to
sing with the children. How'd
you like to have Dad sing the
second verse with you?" And
we'd all say, "Yes!" Then Dad
would sing,
The Pathway is narrow
But He leads me on
I walk in His shadow,
My fears are all gone.
My spirit grows stronger
Each moment, each day,
For Jesus is leading
Each step of the way.
Then sometimes Dad would sing
the song, "I'd Rather Have Jesus".
He'd usually sing that one by himself, with the last verse giving his
testimony.

The WOULD ALSO MEMA.

self, with the last verse giving his testimony.

7. WE WOULD ALSO MEMORIZE CERTAIN PASSAGES OF SCRIPTURE that we would quote inbetween the songs. When we were a little bit older, when Faithy was nine years old, she memorized the 11th Chapter of Hebrews, & that was one of the special things she would quote. I would quote a passage, II Chr. 7:14: "If my people which are called by my name shall humble themselves & pray & seek my face & turn from their wicked ways, then will I hear from heaven & will forgive their sin & will heal their land."

8. I'D SAY, "THAT MEANS

heal their land."

8. I'D SAY, "THAT MEANS
THAT IF WE'LL DO FOUR
THINGS (I'd use my fingers to
list them), if we'll humble ourselves, pray, seek His face, &
turn from our wicked ways,
then God will do three things.
He'll hear from heaven, forgive
our sins & heal our land. So
that's four things we do & three
things God will do. That's seven
things, God's perfect number,
& that will please God." I made
a little rhyme out of it.

9. ONE OF THE SCRIPTURES

9. ONE OF THE SCRIPTURES
WE USED TO QUOTE IN
CHURCHES WAS EZ. 3:17-19:
"Son of man, I have made thee
a watchman unto the house of
Israel, therefore hear the word

at my mouth & give them warning from me. When I say unto the wicked, thou shalt surely die, & thou givest him not warning nor speakest to warn the wicked from his wicked way to save his life, the same wicked man shall die in his iniquity, but his blood will I require at thine hand. Yet if thou warn the wicked & he turn not from his wickedness nor from his wicked way he shall die in his iniquity, but thou hast delivered thy soul." "So it is our responsibility to warn the wicked, & if we do not warn the wicked, The well will be until the wicked of the will be until the will be will be until the will be will b

FROM JEREMIAH 1:8: "Lord, behold I cannot speak because I am a child. And the Lord said unto me, Say not I am a child for thou shalt go to all that I shall send thee, & whatsoever I command thee thou shalt speak." Then we would say. "Even tho' we're children the Lord has told us to be a witness & to tell you what the Lord has said."

11. THE PROGRAM CONSISTED MAINLY OF A SET MEDLEY OF SONGS with certain appropriate memory verses inbetween the songs that we would quote. Whatever we would quote. 13. SO WE FOUND IT BETTER THAT THOSE WHO WERE
GOING TO PASS OUT TRACTS
STAND OUTSIDE THE CIRCLE
OF PEOPLE who were watching
us sing on the street or in the
park, & they would give out tracts

As long as the people were stand

11. THE PROGRAM CON-SISTED MAINLY OF A SET MEDLEY OF SONGS with certain appropriate memory verses inbetween the songs that we would quote. Whatever we would do in church or in street meetings, our whole program was pretry much set in advance. Tho we didn't do very much practising in advance, we did memorize the Scriptures & we had the songs memorized already. We sang so often in informal situations that we did most of our practising by singing on the street. 12. AFTER WE'D SING OM.

We found it was better not to Spass out tracts when we started singing or before we started singing or before we started singing or before we started street we say be the would not take it out and give it back to them, but we'd go on singing, not letting the receiving of money in our practising by singing on the street.

12. AFTER WE'D SING ON THE STREET WE HAD BEEN INSTRUCTED NOT TO TAKE MONEY, & if people came up & tried to give us money when we were singing, we would not take it out and give it back to them, but we'd go on singing, not letting the receiving of money in our singing or appear as the o'that was the reason for our singing or appear as the Valley out of the receiving of money in our hands while we were singing. Sunday shoool teacher would usually ask us where we had come from & what we were doing. We would explain to the teacher that we were missionaries & evangelists passing by & in town for the weekend, & that we all sing together.

27. THE SUNDAY SCHOOL TEACHER WOULD BE ALL TURNED-ON & EAGER TO GET US TO DO SOMETHING IN THE GENERAL MEETING after the individual classes were over. They would usually get all the classes of the Sunday school together in the main church or in a room large enough to hold them all. This was a more informal situation where they would have the different Sunday school classes comment about their lessons, or the teachers would talk about their Sunday-school at tendance drive, & in this situation they would be very happy to have us sing to all the other children who were attending Sunday school.

28. WE KNEW THAT IF WE

have us sing to all the other children who were strending Sunday school.

28. WE KNEW THAT IF WE GOT THE OPPORTUNITY TO SING IN THIS SITUATION THEN WE MIGHT GET INVITED TO SING IN THE MAIN MORNING MEETING which was at 11:00. We would go to Sunday school as sembly, & then the head of the Sunday school are sembly, & then the head of the Sunday school would be the Pastor (or sometimes the Pastor would be there). "We've got this group of children that can sing & they'll really inspire the congregation!" Then the Pastor would invite us to sing one or two songs in the main morning meeting. Because the morning meeting, Because the morning meeting, be they what's going to happen, it was a little more difficult to get an opportunity to sing on the spur-of-the moment, so sometimes they'd only let us sing one or two songs.

29. WHEN WE'D GET UP THERE TO SING, WE HAD

SONGS. We would run straight
n thru' them & it would be a little
bit more than what they had expected, but the people would be
quite inspired & happy to hear
us sing. Then the Pastor would
say to the people, "Well, if you
come back tonight, we'll have
them sing. We'll give them the
whole evening service." (Mom
& Dad would be in the congregaston & sometimes they hadn't
even met the Pastor yet!)
30. WE KNEW THAT USUALLY FOR THE MORNING SERVICE, THE OFFERING THEY
TOOK UP was for the support of
the church, but sometimes when
they'd have us come back & take
the whole evening service, then
that was different. They would
either give us the offering from
the evening meeting or they
would sometimes take up a special "love offering" for the visiting home missionaries.
31. SO THIS METHOD OF
BREAKING THE ICE WOULD
WORK VERY WELL to get us
into the church & into an opportunity for singing, & from this
we would meet people from the
congregation who would invite
us to go home with them. They
would help in encouraging the

other members of the congregation to help us out, get a place to stay or more opportunities to sing, or go out witnessing.

32. TO BUILD UP OUR MAILING LIST, ONE OF THE WAYS WE'D COLLECT THE ADDRESSES was that if our family was giving the meeting & we had the whole evening service, after the meeting Dad & Mom might be talking with the Pastor or the Deacons of the church & we children would always make a beeline for the door & be there to shake hands with people before they went out.

33. EVEN IF DAD & MOM WERENT ABLE TO BE AT THE BACK DOOR because they were talking with the Pastor, we would shake hands with the people & get a chance to talk with them. We had a little notepad with us on which we would collect names & addresses from people who wanted to receive our little prayerletter.

34. WE WOULD SEND THEM A LITTLE PRAYERLETTER WITH NEWS ABOUT OUR WITNESSING, Dad & Mom would give us five cents for every address we collected, so we were quite diligent to try to get people to give us their name &

address so that we could write to them, & of course so that we knowled with the country and th

sweet Letter. I have been waiting to write you an answer as the Lord has been really dealing & working new things in our own lives; that is, of Ho, Esther's a mine & our children. (See "Prodigal Prodigies" No. 935, Mag 35.) I would say that even tho' we have not been a good sample a lot of the time in our relationship with one another, WE ARE CERTAINLY LEARN-ING A LOT OF LESSONS FROM OUR MISTAKES, as well as from our successes, & others' successes! Learning from mistakes is certainly the hardest way to learn, so I feel it's important to share some of these lessons to help others avoid the pitfalls & yield to the Lord in whatever way He's working in your lives. Yielding to the Lord may, at the time, seem a very hard thing to do, when your emotions can get in the way. But believe me, "the away of transgressors is hard" (Pr. 13:15)—much harder!

HER BITTERNESS WENT
QUITE FAR BACK that she had not accepted ho's work & his is not being able to spend much time with her & the children, & also that his relationship with me was quite a bit more permanent now that I was pregnant.

WHEN ESTHER & THE CHILLDEN ARRIVED IN HONG KONG 5 months later (I had given birth meanwhile), our three-some relationship became quite rocky. Esther felt she deserved & needed someone just for herself only & thus began a 3-y-y-sin relationship with a fish who drew her very far away from us & who never had any intentions of following Jesus.

IT WAS A VERY SAD THING & VERY HARD ON ALL OF US, even causing Ho to fail the Lord by not doing the jobs Dad assigned him, but getting drawn away into the system working for money to support Esther's high-cost tastes & failing health, resultant operation & almost

She too had returned to full-time service to the Lord & her Family just last month when your letter came, which is why I've waited to answer you.

I've waited to answer you.

ESTHER HAD BEEN ALMOST COMPLETELY BEDRIDDEN due to her mental &
spiritual condition, but the very
day she began doing the housework, cooking, laundry, childcare & husband-care that she had
neglected for almost 3 years, the
Lord instantly healed her by
faith & she found out that she
did have the strength to do all
these things! God bless her &
continue to strengthen her each
day as she obeys by faith, not
by feelings! With each step of
obedience she has also been
learning so many many lessons
that she didn't accept beforea very difficult road back, but
hopefully others will take heed

in His Word.

THE CHILDREN ARE GROWING SPIRITUALLY by leaps &
bounds & are so hungry for the
Lord & His Word. The older children, especially, are taking more
responsibility & are really beginning to seek the Lord for themselves. A lot of their spiritual
problems, which were a reflection like a mirror image of our
own. are now disappearing, just own, are now disappearing, just dissolving with the Word & feeding of the Shepherd's Letters, instead of our having to battle then in our own strength.

THERE'S A LOT MORE TO DO & A LONG WAY TO GO for

by us as a family as all these things have not yet been completely sorted out, but the communication with the Lord & His Prophet's is restored & as a result our personal communications with one another are being healed & reston ed as a threesome, & with our children, as well as with our children, as well as with our others & sisters in other Homes here.

WE DO NOT HAVE A CHILD CARE HELPER NOW, as the Lord worked out other things for them, & we feel it's God's will for now as we learn many be learns to really care for our children bysically, which brings us so close to them. As in "Thoughts & Prophecies", we have to show them physically to make them know we love them spiritually & that the Lord loves them tool—Just like witnessing & FF'ingl SO IN A THRESOME MARRIAGE, I WOULD SAY IT'S EASIER FOR THE SECOND WIFE. I knew from the beginning that I would need to share Ho & not be jealous of Esther. I went into it with my eyes open, so to speak, & have not yielded to any temptations along this line.

BUT FOR THE FIRST WIFE, WHO MARRIED HER HUSS BAND EXPECTING TO BE HIS Innuch much more difficult to review a second woman into the house. This has not only been our case, but a couple of other cases we know of. But thank the house this has accepted God's will & yields to it daily!

OWN & to slowly over the next two years get to know them each one & love them in a deeper way. It takes such a long time to really show & minister love, to change from being a "helper" to a parent. Sometimes I got discouraged thinking I didn't love the children enough or that they didn't really love me. But then they'd do something so sweet that would encourage me to keep going & not give up on myself, that the Lord was working it all out & melting us all together.

NOW THAT WE ARE ALL YIELDING TO ONE ANOTHER IN FEAR OF THE LORD, of course my relationship with the children is growing much faster than when we were bettling our own problems so much in our own strength! God bless you for your love & concern for Eli & Tara & their children. Children are certainly a gift from God & a binding force that confirms & God's will for us in most instances!

AS TO YOUR QUESTION A-BOUT THERE BEING A
SINGLE BROTHER IN THE
HOME, as Dad says, we are all
matriéd to Jesus & so are mated
to each other. We should take
care of & love the brothers &
sisters in our Home, but as far
as being mated with children &
knowing the Lord has put you
together with someone as husband & wife & someone to comhome to.

bend & wife & someone to come home to, WE KNOW IN THE LETTERS THAT DAD ALSO HAS SAID HE BELIEVES IN HUSBANDS & WIVES & that God forms unions for His glory. If you know that being mated with Eli & Tars is God's will, then there must be a good reason, & it must be for God's glory. They probably really need your help & love & loyalty with their heavy responsibilities of reising their children for the Lord.

WITH SEVEN CHILDREN YOU ALL HAVE YOUR

HANDS FULL, & they probably the dyou more than the single brother does, on a permanent basis. The brother would probably be satisfied, as Dad points to ut in "Male and Female", with loving sexual help from time to a time when needed from you girls. He may need a wife, but if it's not God's will for you to be his permanent wife & for you to leave Eli & Tara, then you should not worry about it but try to give him the love he needs while he's part of your Home & Family, however long that is. The main thing to know is God's will for each of you & to make loving allowances within the situation to try to make all as happy as possible working together for the Lord.

really not enough. The first brother, after my repeated offering
to spend time with him, was

have a good sexual relationship.

prayers & he now has a wonderful national wife & a baby on

THE NEXT BROTHER TO

MORE SEX THAN! WAS WILLING TO GIVE, & I had a lot of battles about this because of my selfishness. The Lord did manage to give me the victory from time to time, & I shared with him. But it became a difficult relationship because of lack of communication. He had a minor fungal sexual affliction which I caught from him twice, which he refused to get treated. Because of this & my own selfish battles our communication with each other broke down.

I ALSO WISHED ESTHER WOULD DO HER SHARE TO HELP THE BROTHERS, but she would not consider it at the

time & only made love to her
fish, not even to Ho at all. What
a mess! But recently, when working out all these problems, the
brother & I really shared about
it from the heart & he got the
affliction treated willingly. We
both learned a lot to good lessons & repented & forgave each
other & now have a much more

SHARING WITH BROTHERS
& SISTERS, as Dad & Maria have shown us to do, is one of the very basics on which our ge worldwide Family is built, & there is really no excuse not to, as we have the Word! It's been so thrilling & exciting to see the fruits of obedience recently! The Lord has thrilled my heart when sharing whole-heartedly with others, & increased all of our vision as we step out by faith & in obedience to do it! It's so liberating!—And gives you so much more faith for the future as well as the present! There's nothing like the Family!

HELP TO YOU, as sometimes MELP TO YOU, as sometimes it's difficult for us to show ourselves as we really are. We don't want to disappoint people's faith in us as we follow Jesus. But as we've learned from MO who is always so faithful to coness to us where he's made mistakes, those are the lessons we can really relate to & are especially thankful for. It's no good for people to follow what they think is a terrific sample when it's not.

cially thankur is in the control of people to follow what they think is a terrific sample when it's not.

IT'S BETTER TO KNOW THE TRUTH & ALL THE MISTAKES, breakings & lessons along the way so people do not look up to some kind of "ideal" family. If you want to look up to anybody, just please look to Dad, Maria & their family & the FN news & Letters & Davidito Letters about themI—Not us! PTLI DAVID HAS BEEN FAITH-FUL IN ALL HIS HOUSE, not only his natural family but this great worldwide Family, the Children of Love! "Hear ye

We've had to try to make right a lot of wrongs recently & are getting back on where we got off the track, by following closer than ever to Dad, his Letters, his sample & his faithful local KOS's & other faithful local KOS's & other faithful lamilies right hare! We're really the least!—God help us!—And He is! In fact, He's never failed us ever! And He's still helping us & holding us up by His everpresent grace & mercy to those of a contrite heart! PTL! P.S.: OUR PLANS NOW?—
To obey Dad & do what he's told us to do! We're teaching the children this year at home with the Calvert Courses of Home Study recommended by a sister writing in to the FN. The Chinese school system, which we tried for two years, is impossible as the schedule daily was 6:30 a.m. till 10 at night with school & homework!—No time for the Lord, Word or witnessing or litnessing!—& much

e too competitive because there are so many many young Chinese & so few places of higher learning that the school & homework. Is unreal!

ENCLOSED IS OUR NEWS-LETTER FROM AUTUMN'50.
We spent 2½ months in Hong Kong just litnessing, witnessing & FF'ing while Ho was away in Europe & it was such a blessing! But now we're back to work on assignments given & very very thankful for them & for our new vision & outlook, & new relationship with the Lord, Dad, each other & our great Family!

P.P.S.: HO & ESTHER ARE FIGHTERS FOR JESUS! They didn't give up but are fighting their way back to the right track & fighting the Devil, not each other any more! That's why I love them! We're fighting to getter against the Foe, to reach the goal where we're supposed to go, thanks to the love of our dear MO!—We'll all meet in the end with victories to show!

Dearest Dad, Maria & Peter,
GREETINGS IN JESUS'

In Mag 34 the recording of the accomplishments of the many members of your staff & the tremendous amount of work they have done & accomplished in getting out the Words really convicted me as to how little I have produced & how much I failed in the past to obey & help in getting out the Words really convicted me weaknesses & faults that Jus had, but the end result of the downfall of Jus because he did not your New Year's reports that made us feel so much closer in touch with you.

"REEDOM FROM FEAR"

love from one or your scanus navian children—Priscilla."
"FREEDOM FROM FEAR" brought this beautiful letter & testimony from Peter in S.E. Asia: "This Letter really helped me recently as I've been ministering to a girl with a similar problem with a spirit of fear. This is a girl I met almost a year ago just after she'd been released from a mental hospital. When I approached her while out litnessing she froze in her tracks & be-

gan quivering. When I asked her what was wrong she told me how she was afraid of everybody. I tried to show her lots of love & after a few minutes she received the Lord. As she left I got her address & have since been ministering to her by mail. Of course I prayed a lot for her on my own but it wasn't until the Letter from you that I really felt able to take authority in the Spirit.

"I ASKED MY HOME IF WE COULD ALL PRAY FOR HER at our Sunday Fellowship after communion. We all agreed, so I wrote the girl in advance & told her when we would be praying for her. We claimed Mt. 18:19-20 & Jn. 14:14 & told her to claim them too. Since both verses mention the Name of Jesus, I emphasised that, just like in your Letter—such an important point!

"WELL, THIS WEEK WE RE-CEIVED A LETTER FROM HER acceived that a fantastic change from her past letters! She thanked us

for our prayers, saying that Tife continues to be fulfilled & grows nicer & happier' as opposed to the drudgery before! And all this, she said, because we prayed for her & now she is 'praying, as you instructed me to, to Jesus!'
"NOW WHAT SEEMED TO BE A HOPELESS CASE IS A MREAL LOVER OF THE LORD! Thanks so much, Dad, for the answer. We're so dim-witted sometimes, I don't know how the Lord ever manages with us. TG for the Letters, they've got all the answers! Love always, Peter."
PRAYER REQUEST: Jonathan in California writes during what they thought would be a brief Homegoing at Christmas time when it was discovered that his wife Sharon had a large can recrous tumor on her liver. He is praying the Lord will happe her.

gotten off the track somewhere, but we can't quite seem to find it. If we have, please let us know if you think that we have."
(The series of Letters including "Blessed Are the Dead" in Mag 36 should be a great comfort to you, Jonathan. We seem to have had so many Graduations & serious illnesses lately in the Family. I think the Lord is trying to teach us more about death & how merciful it is, because we still have such a system attitude toward it in a way, speaking for myself that is, because the first thing to think is, 'Oh poor kids' or 'How sad!' etc. But death is much more glorious. The system has lied to us for so long & Dad's given us such truth that it seems the Lord is letting us have more experience with it so we can be prepared for the future & not dread or fear it, but really realise what a blessing it is—to be at Home with Jesus at last!—K-H.) In this first letter, Jonsthan also said she had surgery but that doctors had said the cancer had spread throughout her lymph system. But Dad & Mania just received the joyous news that after desperate prayer it was discovered that none of the other tumors were malignant & that after desperate prayer it was discovered that none of the other tumors were malignant & the operation was a complete success & in a few weeks Sharon should be back to normal & hope to return to their mission field of South America, PTL!

SOME NOTES OF USEFUL COUNSEL from dear Dad & Maria: To a brother who had written to them about how his first wife had run off with another brother (He's accusing that dear girl, his

first mate, of committing a crime by running off with another man. Maybe he's committed a crime by marrying a second wife. Apology From Samson Warner!

His response to "Problem Cases"! "God was mad at me for my spiritual pride!

From Samson Warner:

From Samson Warner:

Dear Dad & Maria,
GBY BOTH FOR YOUR
FAITHFUL NESS TO HIM &
for the guidance you've given us,
Dad, in your Letters. I believe
the reason I was losing the vision
while I was in the Pubs Unit was
that I didn't have the spiritual
strength to keep it, mainly because all I had was just head
knowledge & theory.

I JUST DIDN'T HAVE MUCH
PRACTICAL HAND-TO-HAND
COMBAT EXPERIENCES to
draw on, believe it or not. I believe that is also the reason I was
getting so deep into finding esoteric meanings in the Letters.

as I look back maybe I'm not the one to figure them out, or maybe they are not supposed to be figured out 'til the Millennium. Whatever the reason, what the Lord showed me, as I have sat in this Wilderness for the last 1½ years was that—
I WAS EXALTING MYSELF IN MATTERS TOO HIGH FOR ME."—And that He wanted me to get some basic training to get me back on the ground again & make me simple, 'cause most of the people I have met witnessing don't really care how many angels can fit on the head of a pinl AT THE TIME OF MY DE-PARTURE FROM PUBS I admit I was mad at you & Justus both. But different brethren helped
me see what the vision was, like
Dust & Mahela & Giddel & Robin & Aanon-mainly that of getting out & witnessing & distributing the lit. You know that almost the entire time I've been
in the Family I haven't done that
much actual street litnessing &
witnessing.
I KNOW I COULD HAVE
DONE MORE WITNESSING,
but I didn't. In fact, most of the

You said once that Mao would often send his leaders out into the fields to work & do common labour to keep them in touch with the masses. Well, it's been quite a purge, but I'm finally getting it, PTL!
RIGHT NOW WE'VE GOT TWO NEW DISCIPLES, age 20 & 24, both brand new babes whom we are helping to train, along with the Lord. I'm tithing, witnessing, litnessing, FF'ing, trailering, discipling & trying to obey the counsel in your Letters. I'VE BEEN WORKING OFF & ON TO GET MONEY FOR THE TRAILER & trying to get my kids in line & witnessing & now training disciples, plus living on the road & fixing up my trailer so I haven't had much time to do any pubs. But I'm still part of the Family. I hope, & doing the best I can in my sit uation.
BY GOD'S GRACE I THINK

& doing the best I can in my situation.
BY GOD'S GRACE I THINK
I'M GETTING THE VICTORY
finally & bearing fruit that will
last. Especially these last 7
months, & this last two months
with 2 new disciples has really
renewed my vision for winning
others into full-time service &
helped me to get back to the
very basics.
IT SEEMS TO ME THAT THE

very basics.

IT SEEMS TO ME THAT THE U.S. IS EXPERIENCING A "DEJA VU" IN REAGAN, & the atmosphere that pervades here is what I really think is a repeat of the Nixonian Vietnam era with war, youth rebellion etc. Maybe there will be a final reaping of the youth harvest, maybe not, but the two disciples that I got are sure getting on-fire!

IT'S BEEN A REAL STRUGGLE TO TRAIN THESE GUYS (cause I've been away from this scene so long I'd forgotten how to do it! So it's taking more

time. Also there are different problems that didn't exist when we were getting others in harvests past. But if the Early Church could grow in the face of persecution, why can't we? YOUR COUNSEL IN "MHY THE FAMILY" & "DISCIPLE REVOLUTION" HAS REALLY CONVICTED ME that if I don't go out & witness & win right here that all my planning to go over to some other country & be a missionary won't be realised. God won't let it!

SO I DID BACKSUDE.—I wasn't even prepared to stay

so I DID BACKSLIDE.—I wasn't even prepared to stay there in Europe. When my faith was put to the test to go out & pioneer when I left pubs. I found out it was just 'paper piggy faith''. Even with the generous gift you gave us as we left, I still didn't have the faith. So it's taken me awhile to rebuild my faith up to even the low level that it is now to go out & witness & win & trust the Lord. (GBY/-D). I KNOW GOD WAS MAD AT ME FOR MY SPIRITUAL PRIDE which is the worst kind of pride & for my pretend faith which was really just theory. I really backslid from my faith, BUT I DIDN'T BACKSLIDE

which was really just theory. I really backslid from my faith, BUT I DIDN'T BACKSLIDE INTO AN ENEMY! I'm sorry that I gave you that impression, I guess thru' my lack of communication & my rather proud-spirited reply to the Convenant Letters & maybe as you said also thru' Jus' opinion of me.

I'm STILL ON THE WALL BUILDING UP OTHERS in the Kingdom as best I can. I'll probably never be a super soldier, & I'm definitely not a super litnesser, but I'm out doing it anyhow & I am winning disciples & brainwashing them pretty good, at least I give'm the doctrine pretty good—& not theory either, just simple Bible & Mo Letters!

PLEASE ACCEPT MY APOL-OGY for being proud & hard in my letter to you, & believe me that I have not "turned against

you". May God keep you & keep those close to you to continue to inspire us with your sample & help me to submit to your chastisements even when I sometimes at the time think I'm right. I found out later "Father knows best". Love always, Sam.

sometimes at the time think I'm right. I found out later I'father knows best". Love always, Sam.

From Abigail Warner:

Dearest Dad & Maria,

GBY! ILY BOTH SO MUCH!

After all this time & all the information you've already gathered & everything pretty much concluded, I don't want to appear to jump in & deliver another punch to the underdog whe's down, but I must add that working under Justus was, at best, very difficult (& it was always unspoken but very clear that we worked under him & not with him). I was always nervous around Sal, but downright scared around Jus. It's true, of course, that Sam needs someone to help keep his feet on the ground, but I think in that situation he felt that his head was on the ground a great deal of the time.

ANYWAY, I'M SURE THAT EVERY-ONE AROUND HIM RECOGNISED AT LEAST HIS MANI-FEST PROBLEMS of drinking too much & listening to ungodiv rock music (& I completely egree with you & John Todd about the source of that!). I guess a few people were really tripped of by it & emulated it &, like Sojourn, even carried it all a little farther. Others were confused by it. After all, I fanyone knew your edicts, Dad, he surely must, & he was a great one for upholding the law-for everyone but himself. He even came over & had talks with our whole Homes. & once with just Sojourn about drinking & bad music. But of course he never followed his own good advice.

BUT THEN FINALLY!
GUESS WE ALL FELT THAT THERE WAS SIMPLY NOT MUCH WE COULD DO ABOUT IT even if we had had the courage. He was our channel to you, & I knew that he opened the

sealed "confidential" reports that others, like Abe Snowman, sent to you thru' him (he told me so). And certainly no one wanted to risk his wrath if being found circumventing him. So really, I think he more or less had everyone in somewhat of a grip of fear, no matter how much he was otherwise liked &/or respected.

bitter about what happened.
The Lord's so merciful & so long-suffering (& so are you!) that I always marvel that He used me as long as He did.
AND DO YOU KNOW WHAT HE USED TO COMFORT ME during those hard, long heart-breaking months after coming back here? It was little baby. Dominique, just over 4 months old when we left pubs. So many times that baby was the Love of God for me! Eventually the other children began to encourage me too (I guess as I was finally able to encourage them), but for months on end sometimes little Dominique was my living, loving, laughing proof that the Lord loved me, & I am forever thankful & grateful for him.
NOW I THINK WE'VE FINALLY GOTTEN BACK ON THE TRACK & have been witnessing, winning & discipling! We would really like to help reap a final harvest of new disciples before moving on to another field. As for what field that will be, it's all very uncertain. We have a nice trailer & truck, but neither of us has a burden to stay in Mexico. Samson wants to go to Costa Rica & has possible open doors there in the art field. I don't think that's really where I want to go, but I don't know how much choice or even alternative I have.

SAMSON & I HAVE ALWAYS HAD ALMOST TOTALLY DIF-Ablasti with little Dominious. "Obserst Dad, I want to say, Tho' you more a more each day! Love forewed."

I'm so very far a way, My havant will always with you stay and love you more a more each day! Love forewed.

Set not not another field. As for what field that will be, it's all very uncertain. We have a nice trailer & truck, but neither of us has a burden to stay in Mexico.

Samson wants to go to Costa Ric & As possible open doors there in the art field. I don't think that's really where I want to go, but I don't know how much choice or even alternative I have.

SAMSON & I HAVE ALWAYS HAD ALMOST TOTALLY DIFFERENT HOPES, dreams, aspirations, burdens, needs, very little in common except for the children words can tell. We say now the Lord. And those are the reasons we've stayed together (off & on) this, long: the 4 children. YOU SET THE SAMPLE, DAD, BY REMAINING WITH MOM until your kids were grown, & I think we need to do the same unless the Lord presents a good alternative. We called a truce between us several years ago, so at least a lot of the ten-

You know the sensations you get in your heart when you're in love with someone & whenever you see them, your heart goes "pitty-pat"?! That's what happens

whenever I think of you! XXOO I'VE WANTED TO WRITE YOU A VERY SPECIAL LOVE NOTE for so long to somehow try to express in these feeble words how very very very much ILY & how very thankful & grateful we are to the Lord for you, & also how very thankful we are to you for so very very much!—All your fantstic gifts of the WWWs, the inspiring blessing of the videos!!, the helpful & generous Christmes gifts of cash, for your never-ending love & trust & faith in the job we're doing, & the encouragement, guidance & in-

THE UP-COMING CHANGES ARE EXCITING, whatever they may entail. Changes are so good for us. Dear Dad and Marie,

GBY both and all those there with you! We all love you and pray for you often. We are very happy to hear your indigestion problem is better and we are praying for your couft. Thank you for being so faithful to feed us and pour out so abundantly tue! By name is Phillip and I help out here servanting the Chinese Lit-Pio along with my mate Christi.

On Friday evening we received conies of Mag 35, and I we just finished reading the "Prodigal Prodigals" series, and I felt very convicted to write you. You said in there that you knew so little about Hong Kong and Macau and this area, and I saw how I have really failed to write you. Thanks so much for that Letter, as it will really help us all in the area in our work with He and his family. Before hand he has always been trying to help, but he hes been so over-powering and pushy that many here have just tried to stay out of his way which of course is no answer. Now with this juster out; it should help us all to work sore closely in love with him.

Just the other day representitives from the Homes in our area get together for our first area meeting. It was very fruitful and went a long with minding unity to the area. We will be following it up with subsecting the state of the second of the seco

I've eatd all this to help you understand the spiritual, physical, mental, moral and psychological wrench it is on our nationals, especially the first few years in the Family and the battles they face as we have seen it. But thank God, we have sume wonderful disciples who have stuck it out and are growing daily.

Well, we hope to keep you better posted in the future. TY for all your help and prayers for us. MLY Dad very much and you too Maris! Thanks again for all you do! Every little Word is like a fountain of water! Love, phillip

P.S. ILV2! No matter what the problem—the love & counsel in the letters always makes them melt sumy!

Dear Dan! and Maria,

Much love to you both! I want to tell you how much I love you and thank you for all you've been giving to us!

Thanks for sending out the "Prodigal Prodigies" series, clearing away a lot of debris for all here in Hong Kong; as well as helping us to understand how to help Ho and Esther. We saw Ho and Ruthie just a few days ago, as they came here to video and show videos, and we enjoyed having them. Quite a change in Ho, so much more humble and snjoyable to be around. And he's very welcome to return again!

"Problem Cases" was sobering, helping us all to check our hearts, and forsaking all to let the Lord use us more.

I had a dream Dad, just before receiving the Letter "Prodigal Prodigies", in which we were having to pick up brethren who had fallen out of windows and help get them fixed up (people who had fallen maleep, losing their usefulness for the Lord it seems). One was an older man, who turned out to be you, as you had just pretended to have fallen testing to see what we would do. After returning to your caravan with you (set within some beautiful shrups off the main street behind other houses), you had me sit on your lap and gave me the most breathtaking hug and kies! You? I couldn't wait for more either; but you told me to come back again, and

and encouragement, and I'm very much looking lorest time!

Also, while praying for you that the Lord would heal your cough and help you get the needed rest, we received the verse, "so He giveth His beloved sleep."

(Ps. 127:2) And then I was reminded how David means "beloved of God". So, "He giveth His David sleep."

I really liked Ruthie's comments on you, Maria. We really love you and are so thankful for you!

Much love to you always! I pray we can return some of the love to you that you've given us, by being a help with the Chinese work.

PASSPORT STOLEN!

(FAITH:) WE HAD A FEW ATTACKS OF THE ENEMY Ourselves, but TTL He protected us. While walking down the main walking street of Buenos Aires, called Calle Florida, returning to our hotel where Juan was busy working on the Video of Brasil, having bought a little lunch at a hamburger stand, someone picked my pocketbook! It was very crowded at lunch hour & they probably watched me change a rather large bill to buy the hamburgers & then followed me. They also probably saw that both my hands were full & that my purse was just hanging from my shoulder. So apparently they found it quite easy in the crowd to just slip my wallet (which is actually a passport nicide; Aurocheck, & card & some cash.

WE DIN'T DISCOVER IT UNTIL A FEW HOURS LATER at the hotel & then the late the hotel & then the late the hotel & then didn't seem to think it unusual at all. In fact they said sit was quite common for tourists to get hit by pick-pockets on

entina!—& one of the keys unloo
Calle Florida, LHMI
I SHOULD HAVE BEEN
E MORE CAREFUL, especially being out alone & after seeing some
if unny characters standing in the
hamburger joint watching as I
changed that large bill. We went
to the place later to ask if they
thought it could have been stolen there before I ever walked out
of the place. They told us that
the same day two boys had been
caught inside the place stealing!
It's quite common, they said, &
that these boys just sit around
e there all day just watching for a
chance, & there's just nothing
they can do about it as they don't
know who all of them are etc.!
Besides the lessons we learned
concerning being more mindful
to watch our purse more careful
ly & not to take our passport
out of the room etc.—
WE FELT THAT PERHAPS
SOME GOOD DID COME OUT
OF ITS BEING STOLEN. Coming into Argentina the customs
official had to unfold all the in-

bout it, just having arrived in Argentina. But then after seeing the way things seem to be tightening up we were very thankful to be getting a new one now instead of next year! PTL!—And with the war coming & all, who knows if we could even get one then?

knows if we could even get one then?

THERE WAS QUITE A START-LING NOTICE POSTED IN

THE EMBASSY on the bulletin board, also, warning all Americans not to go to the Middle East at this time as it is too unstable, & then proceeded to name all the countries. Really seems they tare preparing for something soon! LHU to be ready & in safer countries of refuge, & to help you by locating the best ones!

but samba records are what's selling like crazy now in Brasil. This is what the youth are into, very nationalistically, instead of like in years past when our music was a big hit.

BUT WE DID SEE IN BRASIL AMIDST ALL THIS DARKNESS that has taken over, there is still need of a great light, as we saw many hungry sheep praying to receive the Lord at their Holy Ghost Sample there in Sao Paulo Ross as they faithfully give the Word! We were actually surprised at the great amount of freedom they still have there (in Sao Paulo) to do just about everything with no persecution at all. Rio, which is where they hounded us before, is much darker also & I don't believe the Family there feels this same freedom yet to witness openly.

LIVING CONDITIONS!

ONE THING THAT DID SURPRISE US ABOUT BRASIL WAS THE CAMPING POSSIBLITIES & how cheap things were latter seeing this & the beautiful campground we were actually considering it as a possible refuge for MWM. The only problem is visas, unless you are able to get residency before you come, which is what one newly arriving family from the U.S. just did. THEY HAD BEEN IN BRAS-IL BECAME & beach shahv. In more deform the U.S., so our imported from the U.S., so our

sic groups are practically starving right now because they don't sing in English! It's no wonder our boys, Pethuel, Jubal & Obed, have become a big success & make so much money.

THEY HAVE A VERY NICE 4-BEDROOM HOUSE in the suburbs of Buenos Aires, with big fireplace, for \$1500 monthly where they all live together, 3 couples & B children. They invited us to a delicious dinner at their home & we got to really share the vision for MWM & how they could help by setting up a studio & recording center here to record for MWM.

THERE IS A LOT OF LOCAL TALENT here, including a band of Argentinian nationals who by some miracle are playing in the best clubs too, & in Spanish Jubal & his group have offered their services in any way to help, including support for Spanish MWM (he is the one who donated 500 SF for the rent of the conference room, GBT!), or for English MWM if it moves here.

SO THE MORE WE HEARD ABOUT HOW EASY IT IS FOR FOREIGN MUSICIANS to support themselves here plus get residency, Argentina began to look like a good possibility for MWM as a new home, in fact for any Home because of the extremely easy residency. There would be no visa problem as in Brasil for the long-term.

WE KEPT GETTING THE PARALLEL in the story of the spies who went in to check it out & reported "Giants in the Land" every time we'd look at the prices here, hall But the Lord J was able to give them that land anyway for their refuge & inheritance. Argentina is definitely very potential as a refuge. In case MWM needed to flee Greece in a hurry, the essential people could come here & continue working in a ready-made studio uninterrupted!—So foreigners are really the "in thing" right now in Argentina, TTLI

BOYS LOOKED FOR THE BEST HOTEL CONFERENCE ROOM & found it right under the nose of the Governor's Palace, hal Safest place in town! This one we had to pay for, but it turned out to be even more private than the church, for our special communion, prayer & songs of the Spirit where the Lord really broke everyone including all the musicians, & they all renewed their dedication to him & His music & work of spreading our message via Spanish MWM! They realised during these days together that they had much more to do for the Lord with the talents He's given them, & that they were pretty deep into the System & that the Lord was calling them once again TYJ!

WE DON'T KNOW WHY WE
HADN'T HEARD ABOUT THIS
VERY TALENTED ARGENTINIAN NATIONAL MUSIC

to the Spanish LIMI? They are
the most talented Latin group
we have seen so far & very professional, singing mostly their

own compositions, which is one reason they play in the best clubs (city-father-type places). They are one of the very few Spanish singing groups making it now in Argentinal Must be the Lordl BUT THEY ARE READY TO FORSAKE ALL TO HELP MWM & feel they need to leave Argentina to do it. But we told them to keep faithful in their misstry here & to record their music with the other American group when they get their studio built, & we will see what the Lord wants. But we suggested they could get their papers in order & see if visas are possible in the event that some of them would need to travel to PR to record.

MORE ON LIVING CONDITIONS!

(JUAN:) After checking into our hotel we took a walk. Buenos Aires is one of the most pleasant places that I personally know to take walks. We went down to Calle Florida which is the main shopping street in downtown BA. It is just a walking street—no cars allowed—& runs for about 15 blocks!

THIS IS WHEN WE HAD OUR FIRST SHOCK!—PRICES! As we walked we noticed it was almost impossible to find a dress for less than 150,000 pessos (US \$75)! Then we came to a TV & Video store & almost fainted when we saw a Hitach! TV just like the one we bought for SF 1,000, selling for SF3,6001 And then a Panasonic Video (NTSC, Secam & PAL) selling for SF 18,0001 Gulp! Then we went to the movies as we felt a need to relax & found it costs SF10 per adult on weekdays & SF12 on weekends! Getting a bite to geat we noticed food prices are as high as in Switzerland, which

is very high for Argentinal

BUT PTL, ONCE WE GOT

OVER THESE "GIANTS IN

THE LAND" & saw the people

the potential that this country
has to offer, we were so happy
& inspired to be there! (It just
shows that the people are rich &
they have a very good strong
economy & currency. - Dad.)

VIDEOS: Here! would like to
mention that altho' Argentina
has the PAL system it is a special
PAL-N system which only Argentina has! Our PAL TV does not
work in Argentina. You only get
a black-&-white image, but no
sound or color! They can fix the
sound by putting a special transformer in your TV, but not the
color. That night we had dinner
with Rafael & later Jose Luis
joined us too!

IN RESPECT TO CAMPING,

IN RESPECT TO CAMPING. It is very expensive as it is something very new in Argentina & only the rich can afford to do it, so prices are high.—Not only when it comes to campgrounds but also for camping gear & equipment. Vehicles are almost too incredible to believe the prices they charge! You pay as high as U.S.\$25,000 for a little Renault-8 or a Fiat-125.

PUBLIC TRANSPORTATION IS VERY GOOD & this is what the Family here mainly uses.

There is a very good train service & also bus & even taxis, althouthey are very expensive.

HOUSING: Rents for a 4-5-

they are very expensive.

HOUSING: Rents for a 4-5-bedroom house, furnished & in a nice neighbourhood where foreigners are not seen as weirdos start at around US\$3-5,0001

They are quite easy to get as the prices are so high that not too many people can afford them!

But on the other hand the owners won't rent them for less as they do not seem to be in desperate need of money. Usually the owner wants a 2-month deposit plus the first 2 rents in advance. Also since most of the houses are rented by special renting places, the renting place gets

the equivalent of one month's

the equivalent of one month's rent!
BUT ALL THINGS ARE POSSIBLE, as one family here rented a beautiful furnished home of 4 bedrooms for U.S.\$1,500 a month as they offered to fix it up & are doing so. We've heard that houses outside the main area of Buenos Aires a few miles away are considereably cheaper & houses are more available. For example, a home in Mar del Plata which has 7 bedrooms & 4 bathrooms plus all the other rooms such as dining room etc. goes for around U.S.\$700, but you can only rent it for the winter.

FAMILY FELLOWSHIP!

FAMILY FELLOWSHIP!

THAT NIGHT WE MET WITH A COUPLE NAMED SIMEON & TARAH who had just arrived from Lima, Peru. Since they've been here they've been trying to FF, which they say is very fruitful & many souls get saved, plus it pays. She was mentioning that it is quite different to FF here than in Asia as men are much more forward & are more on the attack, hall—Those volatile Latinis! This couple seems to really like it here & feel that there is great potential but that brethren who come here need to know more about the country & its people before coming as they might be in for a shock if they don't! (To find out how high-class it is—intelligent & well-educated?—Ed.)

ATTHE MEETING WE WERE FAMILY FELLOWSHIP!

AT THE MEETING WE WERE 47 ADULTS WITH 19 CHIL-DREN, some of whom had nev-er met each other. Actually, ev-

er met each other. Actually, everyone was quite shocked to see how many people there were! First we sang & fellowshipped & then played them the videos of MWM & the Family in Europe. THEY ALL FLIPPED AT THE VIDEOS, some were crying & everyone kept coming up to us to thank you, Dad & Maria for sending us here with such beautiful videos. They were all so touched when Faithy shared

with them the testimony of how we had not planned to visit Argentina but that you had called us on the phone & asked us to it visit & to give them your love & to encourage them to keep up the good work! Also that night both bands played for all the a Family. It was really beautiful & inspiring for all of us, TYJI & SUNDAY WE HAD A BEAU-TIFUL FELLOWSHIP meeting a in which we had communion & prayer & asked the Lord for more unity & fellowship & for wisdom, as Argentina is a closed country & we need to be careful about our security.

WE PLAYED THE TAPE A-BOUT "LITTLE PEOPLE" which made many people cry. It was really touching for all as this area certainly needs that sample. In the past they had dandy bad examples with Corny, JT, Alexander & even Poor Shaul was not too good of a sample. So for them to hear Dad himself & the love he has for all the little ones

Many mentioned how it had changed their lives, TYJI You have a superbeautiful Family here, dear Dad & Maria! They really love you! ON MARCH 18TH WE HAD A FINAL MEETING with some people & discussed some very interesting points about what is happening with the actual economy & the change that might happen when the new Government takes over on March 29th. IT SEEMS THAT THE PESO IS GOING TO BE DEVALUED TO ITS REAL VALUE which is about 3 times more in relation to the U.S. dollar, which will make it very cheap for those to the U.S. dollar, which will make it very cheap for those who earn their money in dollars! We thought that the Lord might. Just do that to help us! People are buying dollars like mad in the Casa de Cambio because everyone feels that the new Government is going to do that to bring the economy back to its real value! — Much love forever in Jesus & David, —Juan.

WE GOT TO SHOW HIM THE MWM VIDEOS & asked him if he would be willing to help us do a TV show for Latin America, & he was thrilled with the possibility. He knows & uses sumatic video for his programs! I challenged him to be our TV man for Spanish MWM which we hope to produce in a short time, & he said he'd like to come & talk it all over at our base in PR in July. TYJI

HE TOLD US ANY VIDEO EQUIPMENT IS AVAILABLE IN CHILE, you just have to pay more. In fact we found Chile quite modern & more areas, And it certainly is a lot cheaper, & with a more mild climate!

IN THE MEANTIME, I GOT A JOB TEACHING ENGLISH which enabled us to eat & later the Lord mercifully supplied a little room in a nice apartment of a lady in a residential area. But between the time the Lord spoke to us & the time we got the room we stayed 3 weeks in the local Home.

WE WERE REALLY A SAD CASE as we had no money & no place to go, & they took us in. Our baby was 3 days old when we went there! Well, since we weren't prepared with funds to rent our own apartment (\$500-600 deposit), we always had to look for rooms to rent. The nice room we found was only for two months & had to promise to leave by then.

SO 4 DAYS BEFORE FAITHY CAME TO LIMA we had had to leave our room. Going out by faith with no place to go, we met a Baptist preacher who took us into his house in a poor part of town & was really trying to help, but it wesn't a good place for the kids because the area wasn't too clean & it was dangerous for "gringod".

WE GOT DESPERATE & ASKED THE LORD TO HELP US GET OUT & work a miracle to get us to Puerto Rico & out of this situation. Oh, I lorgot to say that not long after we made that decision to go back to P.R. was when we received Rain's letter inviting us to come & work with Spanish MWM. So this seemed like a definite confirmation for us to go back to P.R. So we were really praying & trying to leave when Faithy arrived in Lima.

WE WERE REALLY ENCOURAGED TO SEE THEM.

They took me to lunch & talked about MWM. I was very encouraged & thankful. The next day

I would be on call & if they needed me they would let me know.

WELL, OUR 8 MONTHS IN PERU WERE NOT A TOTAL LOSS as we won many souls & I was giving classes to 4 potential disciples & we were able to sing in many influential restaurants & old folks homes, orphanages etc. But when the Lord is spanking you & you are not in His perfect will, no matter how hard you try & how much you do, if you miss His highest, you will really pay for it, because a miss is as good as a mile, & our best is not good enough.

DAD'S MESSAGE TOUS TO GO BACK TO THE STATES & get it together really showed me what a mess I'm in. I want to ask you to please forgive me. I am going to try & do my best. When we get situated, I will send some music to MWM, but first things first. Right now I just want to get back to my first love, Jesus & you & your precious words. Once again, please forgive me for causing problems but my disobediences. I want to open you because I love you!

The new Letters about Justus & Hosea have really shown how much I need to change & that all the little sins that we think ae not important are affecting

WE DON'T WANT TO STAY IN THE U.S. ANY LONGER THAN NECESSARY, until we've paid off our debt to Faithy & Juan & our standard is way up high where it belongs! We'd like to return here to Puerto Rico. If you wouldn't mind, with enough funds to buy a car & trailer & es tablish something here. We have many precious sheep & fish here, so beautiful. If you don't want us to have anything to do with MWM we won't, but we'd love to help in any way we can. But that's all in the future anyway. All we want to do is serve you & Jesus & obey your every command for Jesus. Like the saying goes, "the King's suggestion is our command!" We love you both so much. Love in His Service,—Siloam.

Angel Called Back To Heaven!

Graduation of one of the Lord's little ones!

From Tiago & Tabita; VSs of

Brasil:

WE WANT TO SHARE THAT
OUR 5TH CHILD, MICHELANGELO, WENT TO BE WITH
THE LORD on Jan. 22, 1981,
when he fell into the swimming
pool here at the campground
where we're staying & was drowned. This has been the most crucial experience in our lives, as we
loved him so very much!

WE NEVER REALLY KNEW
FOR SURE WHO HIS FATHER
WAS as he didn't look like anyone who could have been. He
was the most loving & captivating child we had & sometimes
we felt bad because we loved him
so much & were afraid the other
children would feel unloved.

HE WAS ALWAYS VERY
SPECIAL & DIFFERENT from
the other children. He seemed
to know everything, was so
smart & different that people
here at the campground admired
him & found him special. He
was so loving & gave us so much
love & even helped us to have
more love for each other.—A real
gift of love!

EVEN THE WAY IT HAPPENED WAS VERY UNUSUAL as
he never before went near the
big pool alone. It was a cold
morning & there was only one
of the boys who works in the
campground cleaning the pool.
Someone called him away & it
was in that few minutes that it
all happened, & by the time
someone saw it, it was too late.

IT'S VERY HARD & PAINFUL FOR US WHO LOVED
HIM SO DEARLY, & only the
Lord & the Word can help us
keep on going for His sake, His
work & His children. We feel
like a big part of our hearts is
gone with him & it will take a
while for us to get used to the
idea of not having him with us
& to really give him to the Lord

get some clothes for them & in that morning it all happened. We still had a few other places to sing but had to stop for a while. But who knows?—Maybe Michelangelo at 1 year old. Photo by Mommy Tabita. But who knows?—Maybe Michelangelo will even help the rest of our children to sing stronger in the Spirit! Tho' he was only one-&-a-half he loved to sing & pray with us & wouldn't even eat until we had prayed for the food with him.

TABITA IS NOW PREGNANT WITH OUR 6TH CHILD. The Lord is so faithful! Before He took Michelangelo, He'd already given us another baby. So Lord willing, we'll soon have 6!—Five on earth & 1 in Heaven! The Letters on pre-existence & reincarnation (Nos. 794 & 796) are such a help in this moment of sorrow & sadness & help us to understand better the Spirit World & how much better off little Michelangelo, He'd already given us another baby. So Lord willing, we'll soon have 6!—Five on earth & 1 in Heaven! The Letters on pre-existence & reincarnation (Nos. 794 & 796) are such a help in this moment of sorrow & sadness & help us to understand better the Spirit World & how much better off little Michelangelo, is now. He's not dead, but alive, even more than us!

THE WHOLE EXPERIENCE HIS DEATH, on better, his fraduation, we had started our singing ministry with the children for handicapped children, in orphanages etc. Tabita & the children had stayed in town while! I, Tiago, went out to the campground to

Definitely the greatest victory of the month! We invited all the people in this area to our Home. We've met 3 Sundays in a row & it has been fantastic! Hope to start including visitors now. Lots of songs (most from the basic Songbook), communion & Bible study. We begin with a 'Sunday school' for the children, then give them lunch while the adults fellowship & have tea or juice. Then we start off with united prayer & take time to go around individually & pray for each one. Then communion & Bible study. With so many living separately this has broken down all the walls to begin this way & brings down God's Spirit full-force. Powerful! It reminded us of the good old days with that strong unity, fellowship & love, only better now because we can really love each other in word & deed & share all things, hallelujah! "ILLUMINATI": "A television program here in Denmark about the Masons caused no small stir & proved how true what John Todd wrote about this. There had been a lot of secrecy about making the program as some other TV journalists had tried to do something similar before but were stopped by the authorities. They took as an example a medium-sized Danish city & showed how most of the ruling & influential peo. 5 were members of the Masonic Lodge. most of the ruling & influential peo. 5 were members of the Masonic Lodge. It showed the initiation rites you had to go thru't to become a Third Degree Mason, leaving no doubt who the author of it all is. The Masons were embarrassed & mad at being exposed, but some were also happy that it got out in the open as they wanted to get out of it. The program was one of the main topics in the newspapers for several days, & those who made the program suffered a lot of persecution, even threats to their program suffered a lot of persecution, even threats to their lives, GB'm, & another follow-up program in which they were going to go into further detail was sacked. They finally ended up having a discussion on TV to find out why & proved that there isn't really freedom of speech here as they claimed. A few weeks later the journalists involved were removed to another less influential position. Problem Cases" & "Prodigal Prodigies" Bring Life-Changing Lessons!

"We have learnt so many valuable & pre-cious lessons from the Letters, especial-iv the recent ones like "Problem Cases" & "Prodigal Prodigies". As you said in 'The Unguarded Moment', 'There's not one of us that's above it, none of us are any good!" - How true, it could happen to any one of us. These Letters have really shak-en us up & have made us check our own hearts & motives & rededicate our lives & talents to the Lord, His Family & you, & hearts & motives & rededicate our lives & utlents to the Lord, His Family & you, & we are really trying to use our talents again for His Glory. We have learnt so much by following the Word closely & it's so much fun to really love & obey the Letters instead of being 'hearers only deceiving ourselves'." Ruthie & Michael, Europe

"I especially wanted to thank you for the recent series on Justus Ashtree & Ilo & Esther as I personally have learned so much from them. Having spent so much time in leadership positions myself up to the RNR. I didn't even realize fully some of the things that I needed to get rid of such as coveting positions & just being able to be thankful for all that the Lord has done for us & given us. It has really set done for us & given us. It has really set me free to have had these things exposed as these Letters are like lights shining di as these Letters are like lights sinning at rectly into our hearts & showing us how they apply just as much to us. We pray that we will be faithful to truly eliminate all these besetting sins & get on with the things the Lord shows us to do like never

Much, Much Love, Daniel Love, Latin America

"I am so thankful for all of the Letters & new wine & especially for the Letter 'Problem Cases'. I learned so much, it brought up all the memories in me of the lessons I've learned this last year when I was almost backsliding when the division happened here, started by Roser. Your Letter spurred me on to fight. Dad, I'm so very thankful that we may learn so much of you, GBY for saying so frankly the truth. GBY for still loving us & having so much mercy on us. You've given Justus so many, many chances to change, may God help him, he is going to have to learn the hard way now. May the Lord help us never to rebel towards the Voice of Him thru His Prophet. It's beautiful to know that with the Lord we can live above self & be a new creature! I love you so much!" Carolina, Tenerife "I am so thankful for all of the Letters &

It reminds me to pray for you to have faith & also for Maria who must have such positive believing faith to help you always to believe what the Lord gives! I love all the new Letters, especially 'Why Disasters' because it is so clear & answers so many thoughts of why people die, etc. The subject of Death is always a mystery & so a subject of curiosity & wonder to people & always comes up when witnessing. Well, it helps me to get more victories over Aaron's death also." Love, Shula attacked over these things. Thank the Lord

victories, thanks to His Words through you! Simon has another wife, Rosi, that he fished into the Family that loves him & me so much! She is helping us in everything she can, sacrificing herself & realigrowing in the Lord! I can truly say that no matter my jealousy & selfishness & consequent trials & negative behavior sometimes from my part, I know that 'One Wife' & the other Letters on sharing are the truth of God & I want to continue to learn to share with more love & happiness & fun too!

Response to "Daily Might"!

From Ben Portrait; U.S.A.:

I HAVE A BURDEN TO SHARE SOME IDEAS I got concerning the "Daily Might" which I'm sure many others wil also agree on. For some time I'

also agree on. For some time I've exhausted myself trying to go thru' the Letters & pick the most important quotes for study & memory, especially for our 5 children's sakes for the future. I WOULD BECOME SO DISCOURAGED after hours of study, trying to decide what quote was more or less important as there are so many & so many Letters with so many important thoughts & principles & concepts to implant in our children's hearts.

hearts.
BUT NOW I'M TOTALLY
FLIPPED, IN LOVE WITH &
SOLD on the beautiful wonderful
little Daily Might book! There
are so many good points about
it that I wanted to share some of

it that I wanted to share some of them.

TO BEGIN WITH IT MUST BE THE MOST THOROUGH STUDY of the most important parts of the Letters, their though & concepts, that has yet been done, covering all the truly important subjects Dad has talked about concerning the most important aspects of serving God—from all angles. I love it! I'm sold on it!

ALSO IT IS A REALLY GREAT SELAH TYPE BOOK, with a good cover & is layed out like any one of the different Bible bookstore daily devotion-

als. It's also a perfect size for a fleebag. I've gone thru' more trials trying to stuff all the big books into my fleebag & still have room for anything else, plus it's so heavy. But the Daily Might so thoroughly covers all the real important stuff that I feel it is the only book I need along with a Bible, for my fleebag. WE PUTA REVIEW SYSTEM IN THE BACK OF OURS. Every morning at devotions & every night at our Family Word time together we are memorizing together as a Family the new set card in the Kidz Mag & a good quote out of the Daily Might. I WENT THRU' THE HANDY LITTLE INDEX in the back & selected the most important quotes that stood out to me on each section & boiled it all down to where there were maybe 5-10 quotes in each section, like a set card, & we have started memorizing like crazy frem them!

THE LORD SHOWED ME IT'S IMPORTANT FOR OUR CHILDREN to grow up with those important quotes deep in their hearts to lead'm, guide'm, inspire'm, humble'm & give them the very Spirit of David. So we are on the attack!—And it's all inspired by the anointed little Daily Might that so plainly & simply lays it out for us, & the faithfulness & love of the dear ones who put it all to begin with! Thank you for your love & concern without which we would not be serving the King Stor even having any hope in life, HOW 'BOUT A MO SET CARD out of the Daily Might, compiled by someone with real insight, like Apollos who did those anointed condensations! I've tried, but what may be a

The tried, but what may be a truly important quote to me may not be to the next fella. We need a unified basic Mo Set Card for the whole Family!

Love & thanks,

Ben Portrait.

The Need for Shepherds!

From Keda & Yasuko:
DEAR DAD, I SOMETIMES
FEEL A NEED for the warm,
close human hand of shepherds
on the field. All that has been
written in the FN about Area
Shepherds we think is fantastic,
but nothing specific has really
happened in most cities.
WE HAVE SOMETIMES
FOUND A MARCH

but nothing specific has really happened in most cities.

WE HAVE SOMETIMES
FOUND A KIND OF ANARCHY SPIRIT among some since the RNR. It's a shame after all you have written about shepherding, even as recently as "Sgt. York". I just feel that unless you set something up specifically, Dad, such as a vote among Homes of each city & a way of changing the nominee after a time if things aren't going as well as they could according to the opinions of all sconcerned, that it just won't happen for a long time yet.

IN HOMES WITH YOUNG SERVANTS who have joined since the RNR we've found them to be very much open & truly hungering for sharing & a little help. I'm not by any means talking about setting up a whole new Chain, just perhaps a few words from you about shepherding.
FOR INSTANCE, THE MAIN THINGS THE "CHAIN" WAS SACKED FOR were unfair quot a setting, extortion of the poor litnessers, unfair work loads, denying sexual needs of those in the Homes etc. But all the basic & real aspects of shepherding weren't thrown out. It's just that some have lumped it all together & "thrown the baby out with the bath water"! (True!)

WE'VE BEEN SEEING HOW VITAL IT IS THAT OUR VS'S BE REAL SHEPHERDS. I was

VITAL IT IS THAT OUR VS'S BE REAL SHEPHERDS. I was a little saddened to read in the FN that many areas don't have any VSs, since we know how much the Homes appreciate'm & look forward to a visit & new

WE KNOW WITHOUT A

DOUBT THAT THE LORD'S

HAND IS IN IT, tho', & He sureity needs to grow us up & get us
all more dependent on Him, with
the times coming! So Lord have

Letter of Apology to the Editor

From Gary & Beth; Thailand:
Dear Family News,
WE'RE WRITING TO APOLOGISE FOR A TESTIMONY
THAT MAY MISLEAD FAMILY MEMBERS. It was in Mag
35, page 52, "How We're Hittin' Thailand With the Lit" which
we sent in. The part that could
be misleading is where we told
how we would go to a school &
ask the headmaster to give the
lit to his students for us while
we arranged to do a show. We did
this to reach as many as we could
with the Message in a short time.
HOWEVER, KEDA & YASUKO SUGGESTED RECENTLY
in light of "Paper Agape" &
"Mailbox Litnessing" that this
method is not such a good idea
& that the personal approach of
our disciples giving it out personally is much better & more fruitful, giving the recipients a samle of leva as well a handing. From Gary & Beth; Thailand:

them a sermon. Amen!
THIS IS SO TRUE, & WE
NOW PASS OUT THE LIT PERSONALLY to all the students,

1 WANT TO MENTION SOMETHING ABOUT JOHN TODD'S

EXPOSE OF ROCK MUSIC. It
seems that some Family members are swallowing the Devil's
lies that his description is off or
something. Please remember:
Dad put the article there & he's
the Lord's prophet & mouth!
So it's the Lord that is confirming John Todd's article, & anyone doubting it is doubting God
THE REACTION OF SOME
THAT IF MUSIC IS PLEASANT
& NICE then it must be okay is
a kind of parallel to the fruit of
the tree that God forbade Adam
& Eve to eat!—Apparently it was
nice to look at & when they disobeyed & tasted it, it even tasted good, yet it was evil!

From a letter to Jeremy & MWM from Dora & Techi:
TECHI MUST BE ONE OF YOUR GREATEST FANS!
She loves all your tapes & sings along to many of them. The other day the children, together with Sara, were watching one of their videos called "Blue Peter", which is usually real good.
SUDDENLY THE SHOW GOT INTERRUPTED by some horrible rock music. It was just like an evil attack on the minds of young children. Sara didn't fail to show her absolute disapproval of this devilish music. Techi watched her disapproval serious! If ye then said,
"THANK GOD FOR JEREMY!" Amen! TYJ for setting you & so many of our musicians free! Love, Dora, Techi & all.

THE IDEA OF AN END-TIME
COMPILATION is thrilling!—
Would love to do it! But agree
it's best to wait till the recent
prophecy series is completed!
An End-Time compilation is really needed for the GP, so that
means only 4-6-pagers unless we
can print a separate 16-32 page
booklet like HK did the "Fish

Foods".

ARE LENGTHY BOOKLETS
LIKE THIS OUT FOR NOW?
Should I compile 4-6-pagers only?—Or maybe long, Letter-format compilations for the Family in the Mag & shorter condensed revised versions for the GP or the streets?—Or separate "Fish Food" type booklets?

Late Video News! -New Video Accessories on the Market!

Buying Tips from Thaddeus, W.S. Researcher

THE WORLD OF VIDEO IS EXPLODING! Barely a week passes without some new piece of equipment being launched onto the market. From TVs the size of a pocket calculator to tiny solid-state cameras, the video scene is changing and advancing very rapidly. If you are planning to invest in a video recorder and camera, you might well find these developments somewhat bewildering.

well find these developments somewhat bewildering.

LET'S LOOK AT THE EQUIPMENT YOU SHOULD BE CONSIDERING IF YOU WANT TO MAKE VIDEO FILMS. Firstly, there is the recorder. These are unlikely to change a very great deal except to get smaller and lighter. They are already of good enough quality to enable you to make films without the picture breaking up between shots - if you get versions with a "Back-space Edit" facility. JVC do the IMR2200 portable, Ferguson makes an identical model in all but name Panasonic have just introduced one, Hitachi produce the VT-7000E. All these have "Electronic Switching" - little touch switches as compared to the bigger "piano-key" switches of the older models - which should be avoided, if possible. Of course, all these should be PAL versions. We are recommending portables wherever possible, too, as they are lighter, more compact and versatile and generally more durable.

SECONDLY, THERE IS THE CAMPPA Whilst TOWN of these states are recommended.

more durable.

SECONDLY, THERE IS THE CAMERA. Whilst many of these are now being made to fit any recorder, unless you know what you are doing try to stick with a camera produced by the company who made your recorder. The camera field is developing very rapidly and if possible, I would suggest renting one first. If you do buy one buy the best you can afford and try it out thoroughly before you buy it to make certain that it feels comfortable. At the moment, the new Sony 2000P or 3000P is the best buy in the "Budget Priced" cameras, but this would need a special adaptor to use it with a VHS machine. Therefore, JVC's new XR8, looking very much like a SuperScamera would make a good camera to start with. The JVC G71 is a better quality camera, as its price reflects, but is older in design. At the more expensive end, they are introducing a new model, the SIOOE, which will give top quality results.

FOR ANY CAMERA YOU NEED A GOOD TRIPOD. Do not skimp in this

model, the SIOOE, which will give top quality results.

FOR ANY CAMERA YOU NEED A GOOD TRIPOD. Do not skimp in this area. Having spent a lot of money on a camera, if you try to use a still-camera tripod, you would be wasting your time and money. Still-camera tripods are not strong enough or smooth enough for video work. They are designed to be set in one position and not moved, whereas you need one designed to move smoothly. The best type is a "Fluid Head" Tripod, but these are very expensive. The next best is a "Fluid Effect" head tripod. The "Fluid" is used to damp out jerks and make the movements smooth. The simple lightweight tripods are too weak and the camera can fall with a jarring bump which can damage your new camera irreparably before you even start filming. It is a case of being "Penny-wise and Pound-foolish"

ANOTHER NEED IS GOOD LIGHTING. With the characterists.

Start liming. It is a case of being "remny-wise and round-foolism" ANOTHER NEED IS GCOD LIGHTING. With the cheaper domestic cameras most of the Family will be using, good lighting is essential as these cameras are not too sensitive. It is better to get good lights than just buy 1,000watt cine flood lights. These tend to be too harsh and are not designed to operate for more than a few minutes. Continually switching them on and off will cause the

bulb to blow. There are several makers of good lighting systems including Berkey Colortran and Rank. For most interior scenes, including Berkey Colortran and Rank. For most interior scenes, though, you can get enough light by buying several floodlights though, you can get enough light by buying several floodlights which use 250w or 500w bulbs. Again, these are not as reliable as the more expensive models and their bulbs tend to have a very short life. The aim in lighting for these simple cameras is to make the overall light, as you move the camera, bright objects will leave a streak behind them like a comet's tail and there will be lot of ghosting - where the image stays on the tube of the camera like a ghostly apparition. In general, then, the better your lighting, the better will be the quality of your picture.

WHEN USING LIGHTS BE VERY CAREFUL AND PRAYERFUL - they get very hot and leads are easily tripped over, tripods knocked over etc., in confined spaces. Therefore, pay special attention to children and run the leads where no-one is likely to walk. [Editor Note: The light bulbs may every jointly exploit if the lamps are dropped. This happened to us once, resulting in shappened lower of the person being interviewed! Could have caused stroug inquir! Use extreme causion!)

ANOTHER VERY USEFUL TOOL IS A COLOUR MONITOR. JVC have just introduced a new one with a 6 inch screen which can be used on batteries - for field use, the car battery or the mains and which doubles as a PAL or SECAM receiver. Its model no. is CX-6100B. A monitor is easier to use than the little black and white one in the camera for setting up and playing shots back. However, being so small makes it unsuitable for large group viewing. Unlike the tripod and lights, this is not essential.

THE BEST COLOUR TV IS MADE BY SONY: it is called a Trinicon TV and is available as a portable model. Any television will work.

THE BEST COLOUR TY IS MADE BY SONY: it is called a Trinicon TV and is available as a portable model. Any television will wo though, although there might be problems with old models which not have a special AV channel.

not have a special AV channel.

NEVER POINT A CAMERA AT A TV YOU ARE USING AS A MONITOR: THIS WILL BURN OUT THE CAMERA TUBE. However, it is possible to film from a TV - if it is a SECAM or NTSC broadcast. Don't expect very good quality. It is not possible to copy a tape made on NTSC onto a PAL machine without going through a very expensive computer unless you film it using a Pal camera off the TV. It is also possible to copy slides and Super 8 or 16mm films onto video but you need a Tele-cine unit. JVC produce a simple fold-flat model and Sony have a more expensive version.

WHAT THEN OF THE FUMILER? Procedure 1.

what then of the future? Firstly we can expect smaller and cheaper, mass-produced cameras and TVs courtesy of the micro-chip revolution. Then we can expect higher sound quality and more features and gimmicks on both cameras and recorders. With the arrival of thin, flat screen TVs, there should be some recorders with built-in TV screens coming soon. However, the basic needs of good lighting and tripods are unlikely to change much. Sound quality is likely to improve greatly and the use of good mikes close to the person speaking or singing will help a lot.

THE MANUFACTURERS WERE CAUGHT UNPREPARED FOR THE DEMAND for their machines and there has been a world-wide famine for the essential micro-chips. So if the machines are not yet available, they should be soon and then you, too, will be able to share in this exciting new ministry of Visiting Via Video!

WE ARE AL READY SEEING THE GOOD FRUIT OF PRINT-ING THE HO SERIES FOR ALL. Whatever Dad does, he does in love, like the Lord, & we understand now that Scripture about nothing hidden that shall not be revealed, not as a punishment but so all can learn & be helped. ESTHER HAS SEEMED TO RECEIVE THE MAG VERY WELL. She said on the third morning she didn't think she could go on anymore, but got up & decided to go on the attack, & she & Joey recorded seven of their songs for MWM!—And she's been ok since, PTL! She even reports little Maria getting a real breaking & victory this week, which is the first time for her since Ho's return.

ES'ING & WITNESSING:
Some problems have arisen in the Scort Ministry here, since the discovery Ministry here, since the discovery Ministry here, since the security of their poor field & money for their poor field & main topic of conversation instead of doing it like Dad said in the Fish & the agency greating each other in the Family way when out on dates together etc.

THERE HAVE ALSO BEEN LITNESSERS SENT FROM THE PHILIPPINES to raise funds here. These litnessers & ESers were not willing to counsel at first with local Homes in the midst of these past warnings of persecution, but to the local Homes it seemed they were just here to rape the field with no obligation to the consequences of those who were investing their of these who were investing their firsh & souls.

TIL, THE POINTS ON SECURITY Wente VERY WELL PACELVED by the visiting girls, & when we explained the reasons & lessons behind them, they were really thankful. However, we did not get into the issue of their coming to earn money, as it is a bit of a touchy situation, PERSONALLY, I DON'T MIND THEM COMING TO WITNESS, LITNESS & ES as long as they're willing to counsel & respect the security of the work here, which is quite different from the Philippines. But myself as they re willing to counsel & respect the security of the work here, which is quite different from the Philippines. Chapter 2 by Hosea David

1. FIRST, FOREMOST & ABOVE ALL, DAD & MOM
RAISED US WITH THE VISION
OF SERVING JESUS FULLTIME, Our earliest memories
were ainging & witnessing for Jesus, & Dad & Mom showed us by
their example to live our lives
this way. When we started getting old enough to go to school,
the first schools that I can rementher us being sent to were Christian schools. The first one was
the Christian school where Dad
was also teaching & driving the
school bus, which he talks about
in his Letter.

2. THEY TRIED AS MUCH
AS POSSIBLE TO SEND US TO
BIBLE-TEACHING CHRIS.
TIAN SCHOOLS where we
would have the good influences
of Christian teachers. Tho' these
schools were usually run by
churches of different groups such
as the 7th Day Adventists, Lutherans & independent Christians,
at least they would be teaching us
the Bible, songs about Jesus etc.
3. BUT EVEN THESE SCHOOLS
HAD THEIR WORLDLY SYSTEM INFLUENCES. One of my
first memories in a Christian school
where I was attending the first
grade was my having a controversy
tern lecture telling me that I
should not destroy the other children's belief in Santa Claus,
& we didn't believe in Santa
Claus. The teacher took me out
of the room & gave me a very
stern lecture telling me that I
should not destroy the other children's belief in Santa Claus,
& we didn't believe in Santa
Claus. The teacher took me out

we had already bean taught the
truth about this & many other
things before going to school. We
were prepared for the different
teachings which the school influence

finish our homework which we had been too busy to finish be cause of witnessing or singing on the weekends. He would write us a note excusing us for having completed our homework. We were constantly reminded of the importance of putting Bible study & the Lord's work before school.

& the Lord's work before school
7. ANOTHER THING THAT
HELPED US FROM GETTING
TOO DEEPLY INPLUENCED
BY SYSTEM SCHOOLS was
that we were constantly changing from one school to another,
from Christian schools to public
schools & back to Christian
schools again. When we were
travelling we sometimes attended as many as nine schools in
one year, being a month in one
place & a month in another.

When Mother was telling one of our teachers one time that she was taking us out of their school as we were moving again the teacher said, "It's a shame that he has to leave as he was just beginning to fit in & become one of the other children."

B. MOTHER THOUGHT IT WAS A GOOD THING THAT WE WERE MOVING BECAUSE THEY DID NOT WANT US TO FIT IN TOO MUCH & become too much like one of the crowd of system children. They wanted us to go to school & to learn what we needed to learn, & they encouraged us & taught us how to be a witness in school so that we were constantly on the attack rather than being on the defensive.

tack rather than being on the defensive.

9. WHEN DAD WOULD TRAVEL BY HIMSELF HE'D OFTEN TAKE ONE OF US OUT OF SCHOOL TO TRAVEL WITH HIM. This was a very special privilege which all of us children cyreally looked forward to because the with Dad alone. He really used this time to get close to us personally & to share with us & teach us many things individually.

10. HE DID NOT WORRY ABOUT OUR MISSING SCHOOL as he taught us that it was also very educational for us to travel & see places & learn in this way, & that serving the Lord was

as he taught us that it was also very educational for us to travel & see places & learn in this way, & that serving the Lord was more important. Because we were often attending private Christian schools, the Folks would explain to the teachers that we needed to be gone from a month & would ask the teachers to write out our assignments. We would take along our schoolbooks to work on as we travelled & then turn in our assignments when we returned. God always blessed us putting Him & His work first in this way, & we all made very high marks in school. Having Dad to teach us & help us with our schoolwork at home privately or travelling, we learned more than we would

have by just attending school all the time

11. DURING THE SUMMER

& ON LONG HOLIDAYS WE WOULD OFTEN TRAVEL AS A FAMILY singing in churches & witnessing along the road in trailer parks, campprounds, national parks, etc., & that helped us always to keep the vision that our most important job was serving the Lord & winning souls.

12. WHEN WE WERE IN SCHOOL DAD TOOK A REAL INTEREST IN WHAT WE WERE IN SCHOOL DAD TOOK A REAL INTEREST IN WHAT WE WERE BEING TAUGHT & he would stand up with us against things that were wrong like the teaching of evolution. Dad read thru' the whole textbook in one night & got so mad that the theory of evolution was being taught under the guise of biology class. When the textbook in correation.

13. DAD BEGAN A CAMPAIGN OF THIS TEXTBOOK in the school. First he went to the teacher to demand to want to waste his time studying only the theory of evolution in what was supposed to be a biology class. When the teacher refused Dad's demand to excuse Aaron from the class, he then went to the Principal & then on to the School Board, not only to got exared to the whole school system in Florida which was the State where we lived.

Over & over your beautiful songs to fencouragement & love have kept me thru' the trials, & the Lord never fails to lead me & speak to me thru' the Letters & the precious Daily Mights.

HIS HAND HAS TRULY BEEN HEAVY ON ME DAY & NIGHT, but He's helped me to see problems & needs & answers I've never seen before, & He's become so much a precious husband & lover & helper & answering so many prayers. I want you to know I'm sure I could never thank you enough, or thank the Lord enough for letting me have someone like you to rebuke & reveal & correct & help me into a new life thru' a breaking like this.

be able to take in & receive & be changed thru' your Letters & instructions. It was a blessing to see my rebukes in print, such a relief in a way, to be crucified of my pride before the Family here still loves me in spite of myself by their continued love & fellowship & encouragement & even corrections.

THANK YOU SO MUCH FOR GIVING SIRTH TO SUCH A BEAUTIFUL SPIRITUAL REALITY of love & forgiveness. Our Family must be the most beautiful thing on Earth, & I'm so much in need of it & of both love & forgiveness. None of it would be available without your love & faith & faithfulness & obedience, & I really owe everything to you.

it has been very inspiring & en

EVEN THE CHILDREN ARE GETTING NEW SONGS NOW, so with the Lord's help we're praying & obeying & committed to this new daily schedule & work, which the Lord worked out for us to have conveniently set up right in our home for the moment. Ho's helped with the details & Ruthie's also helped with the children during this time. We're still doing school with them daily & have begun them all this week on their correspondence courses in earnest. It's a busy, happy time, TYJI

THE HOW OF ART!

ed tips by our W.S. Photographer and Printer

Compiled & written by Hart Inkletter, with add
Praise the Lord! We hope you will
find the basic points in this Class helpful. Before we cover Art Equipment and
its care, however. I'd like to mention a
few more vital TK Guidelines that should
help you in your illustrating!

MORE ART TIPS!

(1) We would like to remind you that Dad prefers for the True Komix to have approximately three drawings per page ather than "posters" or one illustration to each page. An occasional full-page picture can be very effective, but normally about three drawings per page is the best and gives your TK a "continuing story" appearance like a Komic Strip.

It involves more work to plan out several different pictures, but the end result is certainly worth it! (Good examples of this are in Family Care's two Komic Magazines, and in Eman's and Jacob Sallor's work in All-Komic Mag no. 15.

Please also try to avoid creating "collage" effects of many pictures all mixed together, as this makes it difficult to follow the action. You may find a pare occasion when such an effect could be useful, but generally try to avoid it!

(2) Our WS Printer would like to ask you--when lettering your page numbers at the better center of the Page--to please.

(2) Our WS Printer would like to ask you-when lettering your page numbers at the bottom center of the page-to please not make them any larger than they need to be, nor too far away from the bottom of your illustrations, as sometimes when they are printed they stick out so far that we have to reduce the entire page to make it fit! Please keep your numbers close to the drawing and not oversized!

(3) When outting Tone on your illus-

the drawing and <u>not oversized!</u>
(3) When putting Tone on your illustrations, please do <u>not</u> put areas of <u>light</u> screen (20% for eg.) surrounded by areas of <u>dark</u> screen like 70% or the dark end of Graduating Screens. In the past, it has cost our photographer <u>hours</u> of extra work (when shooting the positives) to keep the light tone dark enough to print well, yet at the same time, not <u>so</u> dark that the

det tips by our W.S. Photographer and Printer.

dark tone around or near it becomes too
dense and fills in. printing almost black.

A specific eg. of this is on pg. 74 of
All-Komix Mag no. 19 where the girl's
leg is dipping into the water.

(4) Another point about Fone is:
please do not try to create "special
effects" by erasing the tone in places.
Though the naked eye will see the partially-erased dots as merely paler, the
camera will probably not see them at all!
--And they will not print! If you wish to
create a lighter effect in areas of your
Fone, you can either scratch it off with
your X-acto Knife or paint over it in lines
with a white-out brush. The first technique
of scratching off areas of Tone produces
especially good results.

Also, unless you are using very big
dot patterns which will photograph well,
avoid placing one Screen atop another to
create "morrais" effects, as these often
end up very dense and print black or
"muddy".--But if you use big dots, fine! a

(5) Please do your final artwork and

(5) Please do your final artwork and Toning on normal art paper. It is not advisable to do your drawings extra-huge and then reduce them as Paper Positives, as so much quality is lost in every way! Please work directly onto normal-sized art paper—between the minimum paper size of 15.5 c m by 20.5 cm and the maximum paper size of 21 cm by 30 cm.

maximum paper size of 21 cm by 30 cm. (This includes margin around Image Area) (6) When you place your Tone on your final illustration, do not immediately rub it into place before cutting off the excess areas of Tone. Once the adhesive Tone is firmly down, it's down--and trying to lift if may easily rip your drawing paper and illustrations. The best thing to do is cut off the excess Tone first, while it is still down lightly, and then burnish it down afterwards.

down afterwards.

This is another reason why it is best to work on a harder, smooth-sur faced art paper, as it will not rip up as easily as normal typing paper.

(7) When quoting Buble verses in your Komic text, it is usually best to include the Biblical <u>reference after</u> the verse, in smaller print and parentheses. Otherwise we have to spend the time looking up the reference and inserting it. If you have a whole column of verses together, put all the references together at the end or bottom. Also, placing <u>quotation marks</u> around the Bible verse or prophetic MO-quote gives it more <u>power and authority</u> than if you leave out the quotation marks.

(8) Lord willing, there will be more Art Tips from the <u>LIMMs</u> (who reproduce the Mags and Tks in other languages) but for the moment, they would like to request the Artists to:

(A) leave sufficient space <u>around</u> your text, especially in the word-balloons or bubbles, as many other languages are longer than English, and will take up more space.

space.
(B) Apart from not writing Titles in the middle of areas of Tone, please do not write your text in the middle of Tone either! Your original in English may look fine, but in every other language they'll have to put a white bloe atop your text and letter on that——which sometimes detracts from the graphic value of the picture.

Remember, although English is the most widely-read International language, the total sum of all the other languages we print in is much greater than the original English alone. If you really was to reach the other than the we print in is <u>much greater</u> than the original English alone. If you really want to reach the whole World with your art, make your original English IK as easily-translatable and re-printable as possible. "Oo ye into all the World!"—does <u>your</u> art? ART EQUIPMENT & ITS CARE:

RAPIDOGRAPHS:

One of the most necessary Artistic tools is the Rapidograph, and it lives up to its name: "rapid graphics". You can usually purchase these art pens in any major art supply store in the World. The three point-sizes you will need the most (and with which you could get by on even

if you didn't have any other sizes) are a .02, a .04 and a .05. If you can afford them, two other pens worth investing in would be the .03 and the .08, but they aren't really as vital as the basic three. If you have a Humidifier-case to store your pens in, all the better. (Ask your Art dealer about this.) Personally. I have found this unnecessary, and that even without one, your pens will last you for years if you take proper care of them (1) Always keep the pen cap securely screwed-on the "head" when you're not using it! Otherwise the ink in the head will dry up when exposed to the air for too long, and your pen will clog up entirely and need a thorough cleaning.

(2) Always have your pens standing upright in a jar or some container, with the drawing point up!

(3) If your pen point starts really below the the the standing the starts that were simpled to a year simple the starts that a your series.

the drawing point up!
(3) If your pen point starts really leaking ink, that could be a sure sign that it needs to be cleaned (see cleaning instructions later). If that doesn't help, you have either purchased a faulty pen or---more likely---have dropped it one too many times and the delicate inner needle is damaged. That's another good reason to immediately cap your pens needle is damaged. That's another good reason to immediately cap your pens when not in use: they can easily roll off your desk if you lay them down carelessly; but if the cap is on, it offers at least some protection to the point when it hits. (Please avoid falls by replacing the pen to its jar when not in use!)

Sometimes pens also leak if you don't keep the plastic cartridge full of ink. Keep your pens reasonably full. Another point is: don't fill your Rapidographs up with normal drawing ink which

another point is: don't fill your Rapidographs up with normal drawing ink which was simply not made to be used in a Rapidograph---and will clog it. The best ink for these pens is Rotring ink, but you may find an ink of similar high quality in your field. But get Rotring if you can!

RAPHOGRAPH USES:

A Rapidograph is perfect for drawing straight lines such as borders, straight

CLEANING RAPIDOGRAPHS:

The best way to clean your pen's drawing head is in a sink of warm water. (Be sure the plug is in though!--or you may lose some of the small parts down the drain!) Carefully dismantle it and swish the parts around 'til they're as clean as you can get them, then let them soak overnight in a container of Rapidograph cleaning fuuid. (You can ask your graph cleaning fuuid. (You can ask your Art Store dealer about these details too. en purchasing.)

Remember to remove the delicate "needle" (see diagram) from the plastic head encasing it, so that it and the inside of the head get clean as well, as this is where most of the dirty, clogging ink will be. If you cannot othain a jar of Rapidograph Cleaning Fluid where you are, or it's just too expensive, here's another tried-and-proven cleaning method:

After soaking the needle and plastic head in warm water (running water is even quicker') until they're fairly clean, carefully insert the needle itself into the hollow drawing point from the outside. This should push most of the clogging ink out the other side.

other side.

If you do this very <u>carefully</u>, it will not harm your needles, especially the <u>lar</u>

er ones like the .04 and .05---but if you are not <u>very</u> gentle with your <u>finor</u> needle (no. .02 and smaller), this is one of the best ways to totally <u>ruin</u> them! If you've let your pens get <u>really</u> clogged-up and dirty, the dried ink will be so hard as to irreparably bend the thinner needles out o shape. And <u>don't</u> try putting a fine needle back into an <u>un</u>-cleaned head either, or all that your pushing will serve to do is <u>bend</u> it.

Unless you can be <u>careful</u>, stick to using the <u>Cleaning Fluid</u>. But if you <u>know</u> how to do it carefully, you can <u>save</u> yourself a lot of <u>time</u> and <u>money!</u> The better care you take of your pen in the first plac though, the less frequently it will need a thorough cleaning. n in the first place. thorough cleaning.

A clean Rapidograph in good working-

order should make a small "clicking" noise when you lightly shake it. PTL! Perhaps some of you real Rapidograph experts can send in some pointers I might have missed.

CROWQUILL PENS:

Instead of inking your pencilled illustrations with a Rapidograph however, which is limited in that it can only make unvarying even lines, you can use either a brush or a Crowquill pen. A Crowquill pen looks like a pen somewhat, but is different in that it has a clip at its drawing end to hold different-sized metal inking "nibs" with. You dip the nib into an ink jar like you would an old-fashioned quill pen.

The particular advantage of a Crow-

The particular <u>advantage</u> of a Crow-quill pen is that it gives your artwork sharp-edged effects like the Rapidograph,

sharp-edged effects like the Rapidograph, but unlike the Rapidograph, by applying a little bit more pressure or less pressure when inking, you can create lines that go from thick to thin. This adds more realism and variety to your lines.

About the nibs: sometimes the two sides of the drawing point will spread without letting any ink down onto the art paper. A suggested tip is to burn the metal nib for 10 to 15 seconds over a match flame. It often behaves itself after this treatment.—ha!

ART BRUSHES:

Most of the Artists prefer to do their inking with a brush, because unlike the sharp, crisp lines of the Crowquill, it can create very beautiful smoothly-flowing lines far thinner or far broader than a Crowquill--all in the same stroke! You can easily ink in large areas of black with a normal brush. The most-used brush---because of its quality---is the "Windsor Newton" Sable-hair, and the most-used point size is the "O". Some Artists prefer to use brushes as fine as a triple-"O" for very delicate line work, but normally a "O" will give you just about any line you Most of the Artists prefer to de will give you just about any line you want.

Like Rapidographs, Crowquill nibs Like Rapidographs. Crowquill nibs and Brush hairs will last you far longer if you take good care of them! Always clean them immediately after use, especially your brushes!—because if you make a habit out of letting the ink dry in your brush hairs, after a while the ink will cake up inside the metal band holding the hairs, and cause the hairs to spread—and your brush will be ruined!

One of the best ways to clean out your brush is to have a glass of water on your desk (careful about hasty, bumping moves though!) and swish it in the water after use. Then rub it gently in the palm of your hand to work out remaining ink.

after use. Then rub it gontly in the palm of your hand to work out remaining ink. Your palm is rough enough to rub ink ou yet soft enough not to damage the hairs. At the end of a day of inking, give your brush a thorough cleaning, preferably un running water. With proper care your br will last you a year, but with improper care, you'll be buying a new one every month! One last point is: After cleaning your brush, always form the hairs into their natural point, and store it standing point up!

USEFUL ARTIST TOOLS:

Here is a list of common items you'll need for illustrating: A pair of scissors.

Pencils (HB, 2B, 2H and 5H).

Pencils (HB, 2B, 2H and 5H).
Pencil sharpener.
Erasers (A soft white Staedtler or similar brand is very good, plus a "kneaded" eraser will be necessary to erase softly in delicate areas. A "pencil-eraser"—a hard eraser encased like a pencil-is good too for carefully erasing minute details without wiping away all the surrounding pencil work.)

Scotch tape or Masking tape (the latter is more expensive, but not so sticky so you can use the same piece over and over again.)

Glue-Sticks (a good brand-name is "Pritt-Stik", but get whatever brand is available where you are.)

White-out or Correction Fluid (a good brand-name is "Liquid Paper" Correction Fluid, and you will need to buy a couple small bottles of Thinner to add to it when it starts getting "thick". Constant exposure to the air will dry out your correction fluid, so always immediately reap your bottles when you're finished.)
Instead of bottles of correction fluid you can use a brush and a tube of white

Instead of bottles of correction fluid you can use a <u>brush</u> and a <u>tube of white</u> "gouache" or Acrylic paint instead. Some people <u>prefer</u> it! For this you won't need such a high-quality brush as a "Windsor-Newton", but a fairly good one nonetheless. Don't forget to clean your white-out brush after each using too!

ach using too.

Other handy items:
A small stapler.
Plastic or card storage Folders.

Plastic or card storage Folders,

Toilet paper handy to mop up water or ink spills, and wiping rapidographs.

A large plastic bottle of Rotring ink. When inking with a brush, I frop a few drops of ink onto a jar lid and work from that---but of course, you can use just about anything!

Some of these points may seem like very minute details, but they can nevertheless be very helpful to you!

X-acto Knife: For everyday cutting needs, you'll find a simple pen-shaped knife works the best and is easy to handle. You will also need to buy a package of snap-off blades. Do not continue to use a blade when it is dull: either put a sharp new blade in. or else get a Sharpening Stone and re-sharpen it.

Templates: For drawing Speech Bubles, thin plastic templates with eliptica or circular holes (that go from small thig) are the best. They are normally v expensive though, so take good care of them. You might also want to buy a "French Curve" for drawing curving Titles or artwork (ask your Art Supply Dealer

for details.).

Burnishing tools: When you are putting a piece of Tone on your artwork, or
kluing a picture on tracing paper down, be
sure to burnish (rub) it down well, as in sure to burnish (rub) it down well, as in the case of putting tracing paper down, unless you have a thin, even layer of glue on the back and burnish it down securely. It will form bubbles and wrinkles, and the edges will keep coming up. Consequently, it will photograph poorly and print with shadows and dark areas in places.

You can purchase a special burnishing tool, or simply use your X-acto knife.

ing tool, or simply use your X-acto knifer rubbing the handle flat across the surface. Please always <u>cover</u> your final illustratio with a thin piece of <u>paper</u> and burnish or top of <u>that</u>, or your rubbing will smudge or mark your work.

working Area: You should have a good Art desk, or use a normal table of a convenient height, as well as a chair that is good for your back when seated for prolonged periods of time. Make sure you have sufficient lighting so as not to strain your eyes—for they are your most valuable artist's tool of all!

If possible, your drawing surface itself should be at a slight inclination; a specially-designed Art desk is nice, but a couple books under your Layout Board

a couple books under your Layout Board works just about as well.

Art Lamps: You can buy the kind that clamp on to your desk; the lamp is

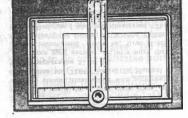

a movable "arm" which can be adjusted on a movable arm with the control of the give you the best possible lighting for whatever you are doing. A 60-watt bulb is best, and if it's a special Blue-coloured bulb, that's even better. You should also outo, that's even better. You should also have good overhead lighting in the room, or the light from your lamp alone will be too much of a glare.

It can also be helpful to have a small Hand-Mirror, which you can use to help you draw facial expressions, emotions, etc. on your characters.

your characters.
Instead of using pencils, you can buy what is known as a <u>Clutch-Pencil</u>, which is quite handy. Along with it, you'll need to buy a sufficient supply of <u>leads</u>: 2H, HB and 2B for different work; you'll also need to buy a small sharpener for it. Personally, I've found working with <u>normal</u> pencils just as good and satisfactory, and much less expensive!---but you can find out for yourself which you prefer.

Layout Board: As mentioned briefly in point 2 of the "Handlettering Class". a Layout Board can be a tremendous help to you when illustrating the Komix. Besides being a good drawing surface, it is very very handy for drawing the dimensions of your working area, pencilling guidelines for your TK text, doing layout, etc. "Rotring" and other companies produce good Boards. Although you will have to make a small but sizable initial investment to huy one, it is far more accurate than merely using a triangle or Γ-square---and much faster!! A good Board size to buy is apprx. 35 cm by 29 cm. (Cost: ② \$25 ∞ U.S.)

As much as you will be tempted to do so, never do any cutting on the plastic surface of the Board itself, nor use the plastic ruler to make straight-line cuts with. It's

face of the Board itself, nor use the plastic ruler to make straight-line cuts with. It's a hard habit to break once you start, and will eventually ruin your board's surface and chip the straight-edge of your ruler.

Do all your cutting with a metal ruler, and not on your Board. Use a piece of thick Card or separate Art Paper.

Keep another small paper handy to test or blot your Rapidograph on, and to stick excess Tone cuttings on, so as not to get it all over the place.

Drawing Paper: For your final artwork, the best material to work on is a lightweight, smooth-surfaced Art Paper. Please use high-quality art paper like Schooller-Hammer (or Schoeller-Turm), or whatever other good card stock is available where you are. Normal typing-paper is too porous and causes your ink-lines to "bleed" as the rough fibres draw the ink. Please do not use very heavy art-boards like Bainbridge Board though, as they are far too thick and will double your postage bill when mailing originals to us.

Besides smooth-surfaced art paper giving you nice, clean, crisp inking lines, it also takes sheets of art Tone or glued-

Besides smoon-surfaces are paper giving you nice, clean, crisp inking lines, it also takes sheets of art Tone or glued-down pieces of tracing paper well; there's an <u>overall even contact</u> with the <u>surface</u>, and therefore no bubbles or bumps underneath, such as a rough-surfaced board can

For your rough sketches you can use normal, inexpensive typing paper, When doing the original pencils, some artists prefer to work directly on the art paper itself. fer to work directly on the art paper itself flowever, if you find that you have to rework and erase your original peneils quite a bit until you're satisfied, it can make your final drawing surface quite smudged and even rough and peneils on use cheape paper for working out your original ideas if you find it easier.

Also, when drawing or inking, keep a protective piece of clean paper over your pencil originals for your hand to rest on, so you don't smudge it that way, or cause it to hecome greasy——in which case your lak will not go down well on it later.

Tracing paper and its use: Tracing Pa-

Tracing paper and its use: Tracing Pa-can be a very helpful tool for many

reasons! For example, if you come across a <u>photograph</u> that has something or someon in the exact position that you want to draw one of your characters in, you can tape the

one of your charactors in, you can tape the tracing paper over the photo, and with a HB pencil copy the lines. Then, taping the pencilled side of the tracing-paper "face down" onto your final art paper, you car transfer the image to your art paper by carefully rubbing the back side of the tracing paper. The final image, however, will be "reversed" on the art paper.

If you want the image to go down in the same position as it is in the photo, then trace the image in ink, and after you have removed it, rub a HB lead over the backside of your tracing. (This will transform your sheet of tracing paper into an improvised Carbon Paper.) Tape it onto your art paper and, with a very hard (and continually-sharpened) 4H or 5H lead, go over the lines you want transferred to over the lines you want transferred to your art paper.
You can use the second technique with

You can use the second technique with your <u>rough sketches</u> as well——if it comes out exactly the way you want it to appear on your <u>final</u> art paper. Instead of merely <u>copying</u> your sketch or idea, you carrup an even HB lead layer over the back of it, and by going over your lines with it on the final art paper, <u>transfer it</u> down!

it, and by going over your lines with it on the final art paper, transfer it down!

Some artists ink directly onto the tracing paper itself, never even using initial pencils—and then glue the inking down onto the final art paper. This technique saves a lot of time, but gives you little opportunity to re-work your pencils should you want to change some details in the tracing.

Other Artists never use tracing paper, preferring to do all their drawings "frechand" without the added crutch of tracing or even copying good photographs. If your art-style is of good enough quality to stand on its own without the use of tracing paper, photographs or any reference material whatsoever, then more power to you! The final end product may not be as realistic, accurate or graphically "gorgeous" but you could also be freed from over-dependence on reference material and enabled to work strictly by the inspiration of the Spirit alone, But—don't cheat yourself or your audience by refusing to

use photos or other reference material that can add realism or believability to what you are attempting to pictorialise.

Some examples of artwork that does not depend on the use of reference material—simpler in nature, but often stunningly accurate in its inspired illustration of the Message, are TKs done by Laban, Zebulun Geppetto, Jacques Elan, Jeremy Spencer, Tiago and others. Study their linework and see how fresh and power packed "freehand" illustrations can be.

Nonetheless, almost all the other Artists use tracing paper to some degree in their artwork—some only sparingly for difficult pictures, and others working entirely on tracing paper, not even inking on art paper at all. For grippingly-realistic artwork with dramatic, powerful graphics, it's hard to get by without using at least some tracing or transferring techniques.

For some of you artists who are just beginning to draw, and do not have the advantage of many years of illustrating experience to automatically draw from, you can find tracing paper an invaluable tool to help get you started. Use ill—just don't let il use you! Many Family Artists have learned a lot of pointers on how to draw faces, clothes, bodies, etc. by studying photos they were copying, and later found their talent had improved to the point where they no longer had to depend so much on it. However you choose to work, make sure that the Inspiration on your drawings is fresh, clean and in the Spirit! Neglecting to take the time to re-work a drawing that somehow looks "wrong", or copying from a photo or "ibsustration that carries the wrong spirit—no matter how enticingly graphic or "beautiful" it may be—will adulterate the Spirit of the Words we

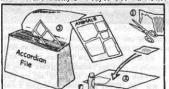

the wrong spirit---no matter how enticing-ly graphic or "beautiful" it may be---will adulterate the Spirit of the Words we will adulterate the Spirit of the Words we are trying to illustrate. Be Spirit-led in your choice of drawing aids and reference material, and sensitive to the Spirit when you get a check <u>not</u> to use something. We cannot discontinue using everything the Devil uses, but like MWM's beautiful music, the <u>simplicity</u> and <u>inspiration</u> of a the Spirit is <u>far more important</u> than mere technical perfection, <u>Many guidelines</u> that apply to the Family's Music apply almost Word for word to the Family's Art! Musicians to illustrate the Message in song, and you'll get a very clear idea of how you should illustrate it with pictures! (See Letter no. 3264 "Sequel To Musical Key!" pagagraphs 21 to 28)

Some good secular artist's work that we can recommend would be, first of all, Hal Foster (the author of "Prince Valiant"), Nestor Redondo (who has illustrated "The Bible" and other Christian Komix), Al Manning (draws Tarzan), Arturo Castello, and Al Williamson. However, because they are only working for money, Al Williamson and Nestor Redondo have illustrated some subject matter that is "Qui of it". The rule of thumb is this, you can study any art that has a clean wholesome spirit, and "when in doubt, don'!!"

Please bear in mind when studying the

Please bear in mind when studying the graphic techniques of system artists, that most are poor, lost sheep or mere hirelings, whose beautiful art leaves people with an emp soul. Other artists are not quite so innocent--some of the "very best" System Illustrators some of the "very <u>best</u>" system flustrators are <u>outright Sorcerers</u>, whose graphics—-like Hard Rock music ——are <u>inspired by the Devil to lead souls to damnation!</u> (Col. 2:4, 8) Avoid them like the plague! "Touch not the unclean thing!" (2 Cor. 6:17) Read "Bookburning!" no. 776 and Faithy's "Prayer For An Artist!".

The very best Reference Material of all is, of course, photographs of our own happy Family. Also, always keep your eye open for other useful photog in magazines, newspapers. Catalogues, etc. (Catalogues are especially good to get photos of people and clothing.) You might find it helpful to ke a File-Folder (arranged in seperate section according to subject matter) for the photos you clip out. Loose pictures that you can't find when you need them will do you little good, so you should paste the individual photos on sheets of paper according to subject, for handy future reference.

FINAL ART TIPS

Letratone is not the only brand of Art Tone on the market, although it is about the best. Other good Art Tones available are: Mecanorma, R-41. Ziptone, etc. To fix Letraset Titles firmly in place, you can buy a can of Krylon Workable Spray Fixative (or something comparable---even Hair Spray is just about as good!).

Keeping supplied: It would be wise to

comparable---even Hair Spray is just about as good!).

Keeping supplied: It would be wise to stockpile a modest reserve of whatever Art Tone or Letraset that you think you'll need for after the System breaks down (as well as other Art Supplies if you can afford to) as Art Tone and Letraset are Petrochemical products, and will be about the first thing to go! Even if there will, by a miracle, be some available, it will be many times more expensive than it is today! For example, exactly three years ago in Spain a sheet of Letratone cost 150 pesetas. Now it costs 200 ptas. In the same time period, the cost of one sheet of Letraset rose from 180 to 350 ptas. So if you want to get yourself a small reserve of Tone and other plastic Art supplies, do it NOW! Provision it if you can, but buy it if you have to, as the prices are rising monthly even now before the Crash has fully hit and the System totally breaks down!

Otherwise, start learning to draw without any tone whatsoever (or very little) as

out any tone whatsoever (or very little) as Tiago, Laban, Zebulun, Jeremy and others already do. Don't leave your drawings bare or washed-out looking though! Study how they use cross-hatching and other effects to create tone, shadow, depth and variety

One of the best all-round Letraset typefaces to use is "Univers 75" and the best sizes of that typeface are 36 and 4 mm. Their number codes are 410 and 412

Warning: Unless you're working at final print-size (100%) do not use any of the Graduated line screens from LT 249 through to LT 266, because as beautiful as they initially appear, the <u>fine lines</u> of the Screen will <u>not print</u> after going through our 35 mm process!

A general rule about placing tone on your artwork is:

"I'D LIKE TO KNOW DAD'S **COMMENTS ON CHESS. Some** brothers were into the game & I personally think it's a waste of time!"-Elle; S.E. Asla.

(Dad: Personally, I am extremely fascinated by chess as I am also with certain types of card games to the point of addiction-which is why I completely stopped wast ing time playing them many years ago. As a young Christian I realised they were wasting valuable time which could be used much more profitably. I'm convinced that such game playing is as addictive as gambling & alcohol & used as a tool of the Devil to waste time & therefore to be avoided like the plague! Quit now while you can! As always, when in doubt, don't! 'Whatsoever is not of faith is sin' & 'he that partaketh thereof is damned!" (Ro. 14:23.) 'Whatsoever you do in word or in deed, to the glory of God. ICo. 10: 31.)

Some of you are still making many of your inking lines far too fine, and they will break and not print, as warned in a previous advisory. Fine shading lines and cross-hatching (a good example is artwork by Nathanael Anani) is great, as long as it's not too fine and delicate. Good examples of thick, solid ink lines that allways "hold" under the photographic process and give good field reproductions are the artwork of Jacob Sailor, Michael Christian, Jacob Cartoon and others!

Something that can really help your artwork to pack an extra punch is to use thick, dark lines on illustrating faces, bodies, etc., instead of thin, unappealing lines. Of course, thin lines can often be used well, but for many of your styles, thick black lines have a real body and weight to them. Also, instead of trying to tone thin-lined charactors with areas of Art Tone, you might want to try using DRAMATIC areas of black.

The 16th verse says, 'For what knowest thou, O wife, whether thou shalt save thy husband? or how knowest thou, O man, whether thou shalt save thy wife?' "AFTER READING TITH-ING & THE FN' we were still lacking some money to send in our full Tithe for the month & we also wanted to buy some more lit. So we were thinking about using some of the Tithe money to get it. But the Lord gave us Mal. 3:10 so we decided not to touch it & to trust God for the needed lit. Wow! Did God bless it! He supplied the needed lit & also the money for the rest of our Tithe within the next 2 days! His Word never fails if we obey! dro & Awlida; S. America

"'TITHING & THE FN' HAS REALLY HELPED US TO BE HONEST with the Lord about some back taxes, gifts that we owe. Confessing this sin & making compensation has really set us free. Over the past 10 mos. we had been having problems with thefts & receiving money ourselves, & the Lord showed us it was because of failing to fully tithe some income that we had before these problems started. Thank God for His Mercy!"—Thaddaeus & Crystal; S. America.

LITTLE MIRACLE: "After having a beautiful dinner & communion together we went to bed about midnight. As soon as we lay down we heard beautiful flute music outside the house. Both of us listened for about 5 minutes. Then we asked each other, 'Do you hear that?!' It was the tune of 'What Child Is This' & we immediately knew it must be the Pied Piper! As soon as we said his name the music faded away into the air! Hallelujah!"—Samuel & Claire; S.A.

"IT IS SO IMPORTANT THAT BROTHERS SEE THEIR RE-SPONSIBILITY if they make love with a sister. To make real love in the Spirit & with your soul & not to go around leaving sisters broken-hearted & alone, even pregnant!"—Maria; Europe. (Amen! That's not love!—D.)

"THE LORD USED IT AS A WITNESS WHEN I FOUND A PASSPORT, \$1,000, an airplane ticket, driver's license & other important papers. It was a witness to hundreds as I looked for the owner for 3 days to give it all back. The police, American Express & others were amazed that I didn't keep it. The American Express said that not even the police in this country would hand it in. I've already received an hundred-fold. As Jesus said, 'It's more blessed to give than to receive' & Mt.5:16." "WE'VE BEEN BURDENED ABOUT THE LACK OF LOVE SHOWN BY BRETHREN 'PASS-ING THRU'. Time & again we have been surprise-visited by brethren on the road who didn't take the time to inform us of their proposed visit. Consequently we were unprepared to receive them well & sometimes their arrivals were even untimely or unwise, as when we were living in a small apartment selah. These pop-in cases almost invariably ask for sheets, towels etc. & we have yet to encounter one who offers to wash them before they leave. What we would like to suggest is the following: 1. If you need to visit a Home for a few days write or call ahead & wait for an answer. 2. Upon arrival be humble & offer to take the lower seat. Remember, you are the guest in someone else's home. 3. Offer to help the host Home. Usually Homes have a pretty tight budget. 4. Be clean! If you dirty something, wash it. Don't use anything without permission. "Do unto others...!"

"THERE HAVE BEEN A FEW INSTANCES WHERE HOMES 'FLEECED' new disciples' forsake-alls. One girl forsook \$2,000 & a caravan which was sold, along with her stereo & other things including all the proceeds from her unemployment cheques. When she wanted to change Homes about all she had left were the clothes on her back. Another brother forsook a car & quite a few things but when he asked for his camera to take pioneering he was told to 'shove it'! So he had to leave without the camera & other gear which would have been quite useful. These two Homes set themselves up well with the 14:33s but left the new disciples pretty much unsupplied of needs!"(Sounds like Chain! - D.)

'GOD FIRST' & PUTTING IT
INTO ACTION! My father had
just sent a check for over \$3000
for round-trip tickets to visit
the U.S. for Christmas, & we
couldn't see how on earth to
tithe such a large amount, but
neither could we see how not to
after reading the Letter! So
we did! At first we didn't know
how we'd buy the complete
tickets, but found out we can
use a ticket we hadn't used yet,
& now it looks like we'll get a
discount on the rest! Also,

We love to receive visiting brethren, & the blessing & inspiration of each visit far outweighs the problems, but we do feel everyone would benefit by using more love & consideration when 'passing thru'.''—Felipe & Betania Pluma; South America. (AMEN!—D.)

from the day we decided to give the full tithe we began to get unexpected gifts & jobs! So the Lord is definitely taking care of us! HEALING MIRACLES!: | Gibeah, prayed for a little girl who was sick with a fever. I prayed & told her God could her. The next day she was totally healed & her mother was so grateful & became very interested in our work. On another occasion a boy of about 15 that we know had a very infected foot. Doctors at the hospital said it would have to be amputated. I visited him & told him in front of the whole ward, nurses etc. that the Lord would immediately stop the spread of infection & heal him totally so that his foot would not have to be amputated & that the Lord would use this miracle as a testimony to win souls as Jesus & the disciples did. Then our whole Home got together, prayed & claimed it. Four days later we found out his foot was healing & would not need to be amputated. PTLI 'Expect miracles'! Gibeah & Mercy; Thailand.

DTD TIPS: "It's good to take down names & addresses of people whom you consider to be the slightest bit receptive-those who smile back or give donations. You can give reasons such as: We need to know who has given & how much, & we need to write you a letter of appreciation, or we have to record who we have distributed to. For those who feel suspicious, write to them & thank them so they won't feel cheated. Also this is a good way to break the ice & make friends with many people whom you probably wouldn't know personally if you didn't write to them first. This way they'll know you are concerned about them & they'll take the time to write you back. A self-explanatory letter of your work as an introduction helps divide the sheep from the goats, & adding 10 people to your mailing list a day is no problem. I don't know if many brothers & sisters have been doing this-my first encounter with the Family was thru' some sisters coming to my place to distribute lit & they didn't even try to contact me even when I let them know how interested I was. This could cause a lot of sheep to be lost."

"ONE EVENING I WENT TO THE BATH TO SWIM & WIT-NESS as usual. After having witnessed to a group of school kids, I was showering when suddenly ly without warning one kid threw a handful of concentrated chemical soap right in my eyes. Needless to say, everyone was astounded. I was rushed to the hospital. It was found I had lost 70 percent of my vision in my left eye & was totally blind in my right. However the Lord assured me He was with me & that this was a test. The whole Family prayed for me & after 3 days Icould suddenly see 100 percent with my left eye again. My right eye is also getting better. Now after 10 days I can see something with it too. The boy who did it & their teacher have invited me to visit them, so I'll be able to pray with them & lead them to the Lord who gave me back my sight."(GBY & heal —Mel; Scandinavia.you totally!WLY!)

"AN AMUSING LITTLE TES-TIMONY was when we were out litnessing & a lady said, 'No, I can't afford it.' Ten minutes later she came back with a donation saying, 'You'd better give me one because since I said no everything has gone wrong!—I've locked myself out of my house & a letter with bad news arrived from my daughter. So I came back to get one before anything else goes wrong!' TYL I" —Asher & Amana; British Isles.

GRADUATION: "The Lord took our precious 13-mo.-old daughter Christina on Oct. 15. 1980. She drowned in a pool. We had been IRFers for quite a while & getting deeper & deeper into the System. Like Dad said in 'IRFers Beware', the Lord took a collection. The Lord's been good to us, giving us a beautiful girl, Rebecça, 4 weeks be-fore Christina's death. We used a small savings to purchase a trailer & plan to live on the road until the Lord leads us to a foreign field. We'll be sending a special tithe to W.S. to make up for our negligence in the past. -David & Charity; U.S.A.

HEALING: "At work I got burned badly across the thumb & wrist by hot grease. The pain was almost unbearable when the ice pack was off more than a few seconds. That same day blood poisoning set in. There was a red line going up my arm & people at work tried to convince me to see a doctor, but I refused saying that the Lord promises He'll heal it. That night I had a communion with the Lord, claimed His healing & went to bed. The next morning I awoke & the red line pain were completely gone. TYL! I got the verse, 'the trying of your faith is more precious than gold' (1 Pt. 1:7)'

"WE FOUND THAT BY SET-TING ASIDE 20% that we were able to have enough funds to tithe our provisioned items. This kept us from having to worry about it at the end of the month. We learned the hard way about keeping back part of our tithe last month. We had illness, car trouble & feelings of condemnation because we knew we were disobeying, & worst of all, not trusting. But we repented & faithfully put aside twice as much & the Lord worked it out that we had enough left over to pay a few bills. The Lord is doing many miracles in our travels South & supplying all our needs day by day, PHN!"

"WE FOUND A NEW WAY TO PROVISION FOOD: Going DTD with the kids! Oftentimes people want to give them special gifts & usually sweets. So we ask them please not to give them sweets but healthy food like bread, cheese or fruit (which we don't buy anymore) & sometimes they give canned goods. honey, eggs, buttermilk & occa- 🚌 sionally whole meals, in place augof monetary donations. Also we made contacts to come back to witness more & to bathe & REAL do laundry, with lots of room for the children to play indoors, which is all a special blessing for us as we are mobile."(Great idea!)

AFTER RECEIVING THESE WORDS OF LOVING CORRECTION FROM OUR LOVING SHEPHERD we were compelled to rectify the situation of not showing full appreciation to the one who has made this Show possible. The MWM Story by Simon Peter!

As told during the Simon Peter Day Celebration at MWM!

As told during the Simon Peter DAD & MARIA HAVE ASK-ED ME TO GIVE THE FULL TESTIMONY in detail of the beginning of the Music With Meaning Show until the present & to specifically mention my trials & triumphs, support, how I made my first tapes, when did I first get on the radio, & how & when did World Services first start to help Music With Meaning in a financial way.

FOR ME MUSIC WITH MEANING BEGAN IN LONDON IN 1974 one night when Hosea summoned me & Elkanah & some of the different people & musicians involved in the Poorboy Club to his room & gave us a long talk about the tremendous possibilities of using radio as a medium thru which to witness. He had just been travelling in North Africa & told us that in these Third World countries there were stations that would gladly broadcast programs that didn't necessarily reach BBC's standard! In fact, he said, they would probably be tickled pink to broadcast anything that was given to them free.

ably be tickled pink to broad-cast anything that was given to them free.

SO HOSEA HAD THE IDEA OF MAKING A FAMILY MUS-ICAL RADIO PROGRAM to send to these North African sta-tions. We didn't have very many recordings then, but we manag-ed to put together a half-hour show using half Family songs & half system songs with Micah Teddy Bear singing a couple of songs live. I remember doing the MC part & it was something very different for me because I had never had any experience as an MC before, but only as an actor. So I wrote down my little bits that I was going to say. I REMEMBER GETTING SUCH A RUSH OF INSPIRA-

TION DOING THAT FIRST

"FLEE THE CITY" & I felt guilty about still being in the West after Dad's continual admonitions to move South & East. I wanted deeply to go out to the white harvest fields of the East from where we had heard so many exciting & trilling stories from the pioneers there. So in January of 1975 my wife & I & Celeste who was then almost a year old left London & flew to Bombay, India.

TO SAY THE LEAST, IT WAS A VERY GREAT CULTURE SHOCK! I had travelled before in my life but only occuring, Israel, Cyprus & places like that, but nowhere that far East. Stepping out of the plane was like coming out into the heat of a blast furnace or something, it was so hot! I remember standing on the airport tarmac at 7 a.m. in the morning watching the huge orange-red sun twice as big as I'd ever seen the sun before rising up over the horizon, & feeling like I'd stepped out onto another planet, truly a stranger in a new & very strange I and!

THE TAXI RIDE FROM THE AIRPORT INTO BOMBAY WAS

TION DOING THAT FIRST
SHOW, thinking how we were witnessing to all those unreached people in those North African countries! But to my great disappointment nothing immediate ly seemed to transpire from it. But from that time on after Hosea's talk, I carried with me what I knew was an inspired vision & had a deep burden to see it fulfilled & brought to pass as a fantastic way to reach the multitudes of people in Thirld World countries.

AT THE END OF '74 THE LORD GAVE MY WIFE NAOM! & I A PROPHECY TO GO TO INDIA, a place where, ever since I had joined the Family, I felt a calling & leading to go. The Lord different smells that we were going to "speak the words of David to the multitudes there". I wish I had written that prophecy down because it has indeed been so marvellously fulfilled!

THIS WAS THE TIME OF

street, at all times of the day or night, there are always 1000s of people! There's always immense activity & something colouring things, noise, terrible confusion, just a huge turnel of life from the local Goan youth. This was my first chance to really the goan on in every corner—people selling things, noise, terrible confusion, just a huge turnel of life from the local Goan youth. This was my first chance to really engaged in a basic struggle for existence.

WHEN YOU COME BACK FROM INDA TO THE WEST it's almost like there's nobody here, like it's totally descreted, there are so few people in comparison to the multitudes that you see in the East I t certainly takes a while to get your bearings because the standards are so different to what were used to here in the West.—The extense powerty, the fifth, the disease the horrobore livine standards are so different to what were used to here in the West.—The extense powerty, the fifth, the disease the horrobore livine standards are so different to what were used to here in the West.—The extense powerty, the fifth, the disease the horrobore livine standards are so different to what were used to here in the West.—The extense powerty, the fifth, the disease the horrobore livine standards are so different to what were used to here in the West.—The extense powerty, the fifth, the disease the horrobore livine standards are seen to the Homes. Horrobore livine standards are seen to the horrobore livine standards are seen to the Homes. Horrobore livine standards are because the rare are begans everywhere. At first when you good on the

tude of different languages, a-bout 30 main ones I think. Anyway, it impressed me very much that he had given his whole life just to reach the one State of Maharastra & had even mastered the difficult Maharastran language I WAS VERY INTERESTED TO SEE HIS STUDIO & to see 3 or 4 very pretty Indian secretaries sitting in his office stuffing envelopes! It turned out that he was making a Gospel radio program in Maharastran all about the life of Jesus, Thru the mail response he got he would send them Gospel literature thru the mail.

the life of Jesus. Thru the mail response he got he would send them Gospel literature thru the mail.

HE TOLD ME HE WAS BROADCASTING FROM A STATION IN SRI LANKA, which is the island at the southern tip of India. He made his tapes in Maharastra & then sent them down to Sri Lanka for broadcast. Altho' his program was only understood by the Maharastrans, it was beamed out all over India, Pakistan & Bangladesh on the All-Asia Service of the Sri Lanka Broadcasting Corporation.

HE ALSO SAID THAT THE SAME BROADCASTING COMPANY ALSO HAD THE LARGET ENGLISH BEAM IN THE WHOLE OF ASIAI So I asked him, "Well, how much does it cost to put your program on?" He said, "Do you mean \$1,000 for one program!" He said, "No, for a year for 52 programs!" IT SEEMED TO ME RIDIC-ULOUSLY CHEAP to reach such a vast expanse, & at that instant looking at his map of India on the studio well it was like it pulsated with light & lit up like a flash of revelation that this was a way with which we could reach india en-masse! It had to be! There was no other way! There was no other way!

way! There was no other radio station that covered it! It just

had to be! SO I WROTE UP THE IDEA & SENT IT OFF & forgot about

it for a while, until suddenly we got a message thru Kenaz that we had the go-ahead from the KOS to do the program & that they would send the money for us to buy the airtime for a 15-minute show once a week for a year! What a thrill! What an excitement!

THE FIRST FOUR PROGRAMS WERE MADE FROM THE FEW THIRD-COPY CASSETTES that we had lying around the colony! I think all we had was "Back to the Basics", the "Liberty" album & an Uncle Dave's tape, & that was it! We really didn't even have the faith that the station would accept our show because of the terrible quality of our recordings!

THE PROGRAMS WERE DONE VERY SIMPLY, even without any jingles, & the first theme tune used was "You Gotta Be a Baby"! I didn't even have the faith to do it myself, but there didn't seem to be anybody else who had the burden to do it. So with our first 4 humble programs Kenaz & I made an exciting journey down to Sri Lanka to try & book the show on the station there.

BEFORE WE LEFT THE

citing journey down to Sri Lanka to try & book the show on the station there.

BEFORE WE LEFT THE LORD GAVE A HEAVY PROPHECY that thru the program many people would turn from their gross darkness & idolatry & come to the Light! Around the middle of December 1976 we arrived on the beautiful paradise-like tropical island of Sri Lanka, & it was really still all by faith because we really hardly had the faith that they would accept the Show or that the quality of our tape would be broadcastable.

WHAT A MI RACLE WHEN THE ENGLISH PROGRAM DIRECTOR SAID THAT HE REALLY REALLY LIKED IT & gave us a good time on Sunday afternoons at 6:15 p.m. God bless the Sri Lanka Broadcasting Service for always having been so receptive to the Music

With Meaning Show & even now broadcasting it for free on their own local medium-wave service that reaches the whole local population of Sri Lanka! A real miracle, for them to agree to broadcast a Christian program like ours on their government-controlled, officially Buddhist radiol

to Bombay & then all the Family went down to Goa for Christmas.

WHAT A THRILL IT WAS
TO SIT ON THE BEAUTIFUL
BEACH THERE under the palm trees in Goa & tune in our radio to the Sri Lanka Broadcasting a Service & to suddenly hear our Music With Meaning come watting thru the radio from a thousand miles away! It's one thing to listen to the Show on cassette, but it's another to actually hear it coming live thru the radio. It's just electric! Even when! was in Dubai in the Middle East I could still pick it up loud & clear coming from 1000s of miles away, realising that all the people over this yast area of the world have the opportunity to tune in & listen to our message!

BEFORE, IT SEEMED IM-POSSIBLE TO REACH INDIA, all the thousands of little villages, places difficult to get to, stuck out in the middle of the Indians live. Only 7% of the Indians population live in the huge over-populated cities which are some of the largest in the world—Calcutta, Bombay, Delbi. 93% of the Indians live in rural areas.

And now it was thrilling to realise that the Lord now had this whole area covered, & if He willed, anybody anywhere could turne in & then write in & get on our line!

IT WAS SO EXCITING TO GET THE FIRST MAIL RESPONSE from a boy in Coimbature, a place where we had never visited before! He became our first Club member! Next week we got the fig. letters, then five, then tgh, then 15, &so it grew. They were all such beautiful heart-touching replies, just like the ones we get now, such a deep appreciation & real heart-felt response that proves & shows that their lives are being changed!

AND FROM THE BEGINNING THE INDIAN LISTENERS that have been the fuel that has made the fire grow! It's the only proof we've ever had that the whole thing has been worth it, & that has given people faith in it!

A T FIRST I WOULD REPLY TO THE LISTENERS LETTERS MYSELF BY HAND, as a sort of personal mail ministry. But then as the response climbed to 30 letters a week it began to get, of course, too much! So the Lord raised up our first sweet MWM Club secretary, Leah Lovelight, a sweet & cuddiy Australian girl, & when the mail got too much for both of us to handle & answer by hand, we had to start using form letters.

BY THE END OF OUR FIRST YEAR OF BROADCASTING WE HAD CLOSE TO 1,000 CLUB MEMBERS! When it came time to renew our contract again we suddenly got word that Dad wanted to put the Show on not once but 6 times a week!

This was the first time that knew that Dad knew about the Show, & goodness me, I was absolutely flipped out, to say the least! And so were the listeners!

They were pleading with us to give them six! Thanks to Dad!

SO DOWN TO SRI LANKA
WE FLEW AGAIN AT THE END OF Or por an whole year of 6 programs a week. What a miracle!

SO DOWN TO SRI LANKA
WE FLEW AGAIN AT THE
END OF '77 with \$10,000 to pay for a whole year of 6 programs a week. What a miracle!
Just the day before we went to pay the money, the Sri Lanka government devalued the Sri Lanka government devalued the Sri Lanka so that instead of getting 8 rupees to the Dollar, we could now get 16 rupees to the Dollar, we could now days later the station doubled the price to make up for the devaluation & also raised the price 40% above that! So thanks to the Lord's perfect timing we paid only 1/3 of the price for the year that we would have had to pay 3 days later! PTL!

**THAT TIME WE GOT
OUT A BIG MAP OF INDIA & stuck a coloured pin on every town or village where we had a Club member or listener who had written in. We wanted to see exactly from where your mail iresponse was coming & to see whether the program was just reaching maybe one particular area of India & not another.

WE WERE AMAZED TO SEE

WORKED SO HARD IN OUR MWM HOME THERE IN INDIA & helped keep us going—people like Barney, or David, who is now working with Ho's children. He would refuse to come back home until the Lord had supplied enough money for everybody to eat the next day!

WE ALWAYS SUPPORTED OURSELVES THRU LITNESS-ING as far as our rent & needs & would put our WS, grant towards the Mail Ministry & tape & studio cost. So it was tough to get all our work done & also raise our own support. So we

wards the Mail Ministry & tape & studio cost. So it was tough to get all our work done & also raise our own support. So we were always dependent on the Lord to do a miracle & supply thru the litnessing team that went out that day! Of course, it wasn't that tough, because the Lord always supplied & always did a miracle PHNI

WE WERE ALWAYS VERY RICH IN INSPIRATION. The wonderful highlight of the month was always to see those 1000s of envelopes piled up containing those precious Mo Letters that, by the end of '78, we were regularly sending out to 4,000 people every month! Our hardworking secretaries at that time were Leah Lovelight, Carmel & Ecclesia, a really precious roughtough Australian bunch!

WHEN YOU HAVE AN AVERAGE OF 25 LETTERS COMING IN EVERY DAY that all have to be answered, of course you can't afford to stop even for one day, or the next day you're going to have 50 to answer! And pretty soon you can get a terrible backlog of mail if you don't keep regularly answering them every day. Well, that's what happened when the RNR carmel Everyone in India took a holiday for a couple of months, & we soon had 100s of letters piled ur.

one of the girls there, Melody, whom I thought could be the DJ. Thank God I didn't, because she backslid 3 months later & became an enemy! I had written twice for clearance to leave the field but didn't get any reply. Then I got impatient & impetituous & wrote a very short curt little letter saying "I want to leave" but not giving any explanation why.

little letter saying "I want to leave" but not giving any explanation why.

THAT GOT A REPLY, BUT
NOT THE ONE I WAS EXPECT-ING! In the mailbox was a big fat letter. I opened it & it said at the top "Letter to Simon Peter", later to be called "Schtick"! I tell you, it had a lot more stick in it than the one which you read!—And really really woke me up! I mean, I didn't want to go back on the Lord & I wasn't backsliding. I just mistakenly & impetuously thought that the Lord wanted me to do something else, & as I didn't get an any answer to my question! Just a more or less decided to go ahead & do it anyway. Lord help me! And He didl—Thru this Letter! UNTIL THEN I DIDN'T OUITE GRASP OR FULLY UNDERSTAND THE IMPORTANCE OF THE MINISTRY that the Lord had given me. I must have been completely & totally

going very well. It was like the battle was won & nothing could stop us. The field was ours & it was a period of extreme fruit. Then ONE DAY THE POLICE VISITED OUR FLAT, as being suspected COG, & both Acher & Amana & myself were given two weeks to leave the country! It came as a total shock, as things were going so well. But somehow! knew it was the Lord, altho! I couldn't understand why. Two minutes earlier! hadn't been in the room & the Lord could easily have kept them from seeing me.

SO! DION'T KNOW WHY
THE LORD WANTED ME TO LEAVE INDIA, but there was nothing else for me to do but to go. That was really a very big forsaking all for me because! had come to be happy there & loved the people very much & had a ministry there, so it was heartbreaking for me to have to go somewhere else where I didn't even want to go. At the same time my wife Naomi left me, taking two of our three children up, especially Celeste & Nina who were so close to each other. TIL that thru these heartbreaks & sorrows we're drawn closer to lesus & to the loving comfort that He gives,

SO! SET OUT ON MY OWN WITH CEL ESTE TO THE stick in it than the one which you readl—And really really woke me up! I mean, I didn't want to go back on the Lord & I wasn't ogo back on the Lord & I wasn't be book on the Lord & I wasn't be Lord wanted me to do some thing else, & as I didn't get an answer to my question I just borne or less decided to go ahead & do it anyway. Lord help mel And He didl—Thru this Letter!

UNTIL THEN I DIDN'T

OUITE GRASP OR FULLY UNDERSTAND THE IMPORT-ANCE OF THE MINISTRY that the Lord had given me. I must have been completely & totally out of tune to think that it was the Lord's will for me to leave when it wasn't. So needless to say, this Letter really woke me up & from then on gave me much strength during even harder battles to come, to not even consider giving up. To be honest, it really knocked the fear of God into mel

AFTER THE LETTER

"SCHCIKC" I GOT DOWN TO WORK AS I HAD NEVER
WORKED BEFORE, & started putting much more time & effort. The Mail Ministry was really a very be and an answer to my question I just and an answer to my question I just to go. That was really a very be for the Lord to delive measure and the tape so tit was an answer to my question I just to go. That was really a very be got and an answer to my question I just to go. That was really a very be doubt to go. That was really a very be for the Lord to dust the failt in day and an instry there, so it was happening three above the people very much & fail and a ministry there, so it was heart-break and a ministry there, so it was shapening there are not not to go. At the same time my wife Naomi left me, so come to have the proposition of our three children up. especially Celeste & Nina who were so close to each other.

That the Lord Naomi left me, so

peration to the Lord. I wouldn't have stayed there, but there was nowhere else for me to go. I couldn't go back to India & I had to have the use of a studio to keep producing the Show! To forsake that place would mean to forsake the Show because I had nowhere else to go where they had a studio that I could use.

THE POOR FAMILY THERE HAD UNKNOWINGLY BE-

THE POOR FAMILY THERE HAD UNKNOWINGLY BE-COME SYSTEMITES & weren't even aware of how the Enemy would often use them to try & fight & discourage & make things hard as possible for me to produce the Show. Towards the end I got down on my hands & knee; & prayed in absolute desperation for the Lord to deliver me.

thinking that India was the only place in the world that was worth reaching!

SO THANK YOU, DAD, FOR TAKING ME IN, & thank you for making Music With Meaning what it is today. It's been Dad's faith & Dad's encouragement that as built the Music With Meaning Show, starting when he gave the go-ahead to do the Show, then the 6 Shows a week, & just every little word of encouragement that he's ever given, his Letter "Schtick without which I wouldn't have schtuck! PTL!

SO PTL, I STILL FEEL THAT IT'S ONLY THE BEGINNING. I've always felt like that. This ministry has always felt like it's just the beginning! I'm sure we have so much further to go! We're only halfway thru the Revolution & so much has happened, & we've come so far in 10 or so years.

GOD ONLY KNOWS HOW MUCH FURTHER WE'LL GO IN THE NEXT TEN YEARS! Dad, I do feel so very fulfilled & satisfied with this wonderful ministry, but I won't truly feel completely fulfilled as satisfied with this wonderful ministry, but I won't truly feel completely fulfilled with I seus comes & the job is completely sone. I won't be truly content & I won't be truly satisfied & my longing heart won't be satisfied until we all stand before Jesus with the battle finished & the job done. That's what my heart truly longs for!

I TRULY APPRECIATE THIS BEAUTIFUL EVENING you've given me, Dad, which I feel I don't deserve! I don't really deserve any credit for not being a Prodigal because if you didn't write the Letter "Schtick" I wouldn't have schtuck! I've never actually backslid from the Family, but I've certainly backslid from my convictions from time to time, & I haven't always put everything into the Show that I could. I've been weak in faith, I've failed in many areas.

IN THE QUESTIONNAIRE

BEEN MY MOTIVATION BEHIND THE SNOW, & I pray
God that it always will be—just
to reach people with the message
& the words of David & the
message the Lord wants us to
give & that is our responsibility
to give to the waiting world. To
do it this way is only worth it
if by doing so we can reach more
people than if we were out personally witnessing.
IF I COULD GET MORE
MESSAGE OUT THAT WAY,
I'D RATHER BE OUT ON THE
STREET giving them out oneby-one because that's all I want
to do with my life, to witness
the Wonder Working Words to
the World! I have no desire
whatsoever to be any kind of
personality or radio star or anything ridiculous like that. So
that is my true motivation &
maybe that's why the Lord has

blessed it, & I know that if it's ever not my motivation then the Lord won't bless it anymore, at least not my part in it!

DAD, I WOULD LIKE NOW TO PLEDGE MY CONTINUED LOYALTY, my service & my devotion to you, the Family & the Lord, & with His help to carry on fighting & doing my part, whether big or small, whatever it may be, day by day, to help promote the Lord's Work & to further His Gospell I AM PROUD OF YOU, DAD, SO VERY PROUD, & I stand ready to obey your commands, as it is you our commands, as it is so great to be on board, to be able to work with Jeremy & Michael & all the musicians—just really a dream come truel it's fantatic & just amazing what only do a desk job or any kind of a job that kept me from litnessing if by doing it I had the satisfaction of knowing that I was reaching more people than if I was out on the streets.

AND THAT HAS ALWAYS BEEN MY MOTIVATION BE-HIND THE SHOW, & I pray God that it always will be—just to reach people with the message the Lord wants us to give & that is our responsibility to give to the waiting world. To do it this way is only worth it if by doins so we can reach more than the Lord will use Music With Meaning as a platform on which, Dad, you can stand & speak directly to the world thru radio & television. Love, Simon.

them that we wanted to just jump up & down for joy, for them!

THE LORD GAVE US SOME BEAUTIFUL VERSES OF CONFIRMATION from today's Daily Might about the importance of our musical ministry in reaching the world with His love & message be hearn of David is going to bring the answer. Music to me is the minucle of this generation. It's the magic that heals their souls & wounded spirits & proves our messiahship that we are their savieurs—The day of minucles is not past! Our God is still a God of minucles!—Which He has once again proven to be true by the miracles He has wrought in the lives of these musicians who have just been reclaimed from working for the Devil & are now deciding to go all the way for Jesus & producing His music! TTL!

IT HAS CERTAINLY BEEN A VERY FRUITFUL 3-WEEK VISIT TO MEXICO, & as so many have said it was the Lord's perfect timing in their lives! TYJ!
Thank you for encouraging us to make this trip at this time & for giving us the faith & words to reach out to what seemed to us, & others, almost impossible cases. But as you responded to me last year when I first wrote

Jerry, Rena, Singin' Sam, Faithy, Joan asking about getting in touch with Sam & others who were known backsliders, you said:
"WHILE THERE'S LIFE, THERE'S LIFE, THERE'S HOPE!" PTLI In this short three weeks ten of our best musicians have been reclaim ed! Hallelujah! Each one is a complete miracle in themselves, e beginning with Watchman here in Mexico City who then helped us to win Sam who was one of the biggest miracles of all!
OTHERS REACHED DURING THE MEXICO BORDER BASE MEETINGS (& BREAKINGS!) were Micah Teddy Bear, Chron-Micah Teddy Bear, Chron-Mica

were Micah Teddy Bear, Chronicles, Joash, Huldah, Mercy, Vessel & Lamb, Samson Drum

mer & our dear Fisher. All of them recorded for MWM while we were encamped those 12 beautiful "Days of Heaven" at the hotel which Sam nicknamed "Shangri-la"!—Which it really was, TTL! Two other musicians were reclaimed in Mexico City—Solomon Costa Rican & Danny Puerto Rican who have decided to return to the Lord's service. Also during this same period of time Zac & Shelly joined "Musica Con Vida" in Puerto Rico to work full-time on the Lord's music, a real answer to prayer for them!

OF COURSE, IN THE WAKE OF MIRACULOUS "CONVERSIONS (?)", if we may call them that, others came with them such as wives & families & even friends, & former members whom they witnessed to & won back to the Lord & His Prophet & Family, a series of many many miracles! And we are sure the full repercussions of people like Sam & Watchman coming back to the Lord & His Prophet & Family, a series of many many miracles! And we are sure the full repercussions of people like Sam & Watchman coming back to the Father's house have not been completely felt, as there are many other backsliders who look up to them & their example, some of whom left as a result of their repentance!

return to full-time musical service for Jesus!! Deeply touched w by Dad's personal message to him to "get aboard" & by Dad's love manifested thur Paithy & Juan, the videos, renewed fellowship etc., & sickened by 2½ year of misery & unfruitfulness, Sam recommitted his life to reaching the lost & has already produced 11 songs in the studio & received some new & beautiful songs that are going to shake distant shores. Sam was at last a Prodigal Prodigy come home to his Father's Housel Hallelujah!

ALSO PRESENT WAS SAM-SON DRUMMER to add percus sion, as well as Mercy & Huldah to do back-up vocals for the recording, as well as help love up the brethren, feed them & help with the children. And what can I more say?—For time would fail me to tell of Nun & Benjamin & Zerah & Goodman & Christina, Michael & Rebecca & kids, Philemon & Shiloh, Gabriel & Clare & children as well as the many other lives touched & tenderly changed here at Laredoville! Tears of Remorse To Tears of Joy!

Prodigal-come-home Singin' Sam tells of his joyful return to full-time service!

Dear Dad & Maria, 28/5/81 WELL, AFTER ALMOST 3 YEARS IT'S ME AGAIN. I love you all so much and les doy mil gracias por la oportunidad de trabajar en el servicio del Señor trabajar en el servicio del Seflor mas una vez, yo espero que esta vez que voy a quedar a sus ord-enen hasta que viene Jesus. (That' sure sign I'm in Puerto Rico, as everyone here silop back & forth from English to Spanish in the course of a normal conversation, ha!)

everyone here slips back & forth from English to Spanish in the course of a normal conversation, hall I LOVE PUERTO RICO & LATIN AMERICA in general, & now that I'm back again it brings back so many fond memories of the first time I ever came here in the Lord's service in July of '72. It was sheepy here then & it hasn't changed a bit in that respect. God knows that I love it here, & right up until this second he has been giving me the desires of my heart since deciding to follow Jesus & His prophet again.

ONE OF THE THINGS THAT MAKES ME THE HAPPIEST is not that I am now fighting the fight of faith & that all my dreams are coming true, but that almost Immediately after yielding my life into the hands of the Lord, the testimony started taking its toll. So far two people have forsaken all to join the Family & loved ones. HOWEVER, IT WAS VERY HARD TO TRUST THE LORD FOR MY CHILDREN, as I knew it was for Cephas, but I am praying very hard for Shiloh that she will change her heart & come back to you & the Lord & bring those beautiful clidren with her.

really wanted to make her feel bad, & he did an excellent job. I know you've heard horror stories & I don't want to dwell on it, but It is part of a long story & I felt like it was necessary to throw it in. We both went thru a lot there in Penz.

WHEN WE WENT TO VEN-EZUELA WE TOOK A LOT OF BITTERNESS & BAD MEMORIES WITH US. While we were there in Caracas the Lord began to really use the children, & I spent almost all my time with them singing in restaurants, hotels, airport lobbles etc., & we even had a weekly TV show that paid us \$100 per 3-song show weekly.

THERE IN VENEZUELA

paid us \$100 per 3-song show weekly.
THERE IN VENEZUELA
THE HOMES STARTED BECOMING MORE & MORE SEPARATE. Because of some ideas
Jethro had introduced there you couldn't even eat in another
Home without paying for it on the spot, & lots of times it was even more than if you ate at a fancy restaurant. I can't put all the blame on poor Jethro for all this type of thing because we did have the Letters & the Spirit, but I'm sure you understand the

this type of thing because we did have the Letters & the Spirit, but I'm sure you understand the whole story & how the work digressed as a direct result of the "dynasty"-type leadership & the chaos that followed in the wake of their reign.

BY CHRISTMAS SEASON OF 1978 SHILOH & I HAD REALLY BECOME "WEARY IN WELL-DOING" & felt like we should go to another field. As I said, we were both weak in spirit & Shiloh's roots of bitterness started becoming bolder & more obvious. To top it off, Rachel(who I always loved & had a crush on) had just been there & taken Shiloh & me out to eat & told us some pretty heavy things about your house, & how she just had to get awayfrom there for a while & all kinds of lies about alcohol, jealousy & the usual garbage.

SO AT THIS POINT IN MY

the usual garbage.
SO AT THIS POINT IN MY

LIFE I FELT SLIGHTED from the year of living around Jethro, Deborah, Isaiah & crew & didn't think the Lord was ever going to use me or my music again, so my mind took the easiest way out & yielded to the doubts of the Ene-

yielded to the doubts of the Enermy which resulted in my total defection just a few months later. I THE ARTICLE IN TIME MAG-AZINE ABOUT JONESTOWN CAME OUT the day we left Caracas for the States to visit her & my parents for Christmas. Salem (Peace also came with us to the States, & he & I always used to get together & play intellectual & be "cool" with each other, so we started analysing the Jonestown thing & found a way to justify ourselves in our rebellion. We came to the conclusion that if Jim Jones could "lose it" in that way then why would anyone less who was a prophet or leader of a sect or cult be exempt from the same type of thing. As I say, this was our finite minds trying desperately to find a way to do our own things, & as I look back on it now I suppose it was neces I sary, as i'm the type of person who usually has to learn the hard way & when I decide to do something I usually do it all the way. SO AFTER CONVINCING MY-SELF THAT THE FAMILY WAS FALLING APART & having heard from Rachel & Deborah that "Dad's always had a problem with sex & alcohol" etc., I took a ride with the Devil that's lasted up until now. That's what happened in a nutshell. There are several important details I left out but I did want to relate at least that much so you would understand what I've been thru & why it was really the Lord's time to come back to the fold.

AS A MATTER OF FACT BEFOUS ABOUT DOUBTING leads eship he came over to my house one day & seemed really broken & said that the Lord had shown him something & that he wanted

to share it with Shiloh & me. He said that the Lord had shown him that if you start doubting & bad-mouthing leadership & finding fault etc. then it would eventually lead up to doubting the prophet & ultimately doubting God Himself. Ironically, that's exactly what ended up happening. Believe it or not I really tried to throw the baby out with the bath water.

SOI DECIDED TO TRY IT ON MY OWN. First I tried to get into the 'be a Christian & still smoke pot, drink, fuck & be happy trip' & do-your-ownthing, which I never could seem to get the hang of. After realising that the only way I could really serve the Lord would be with my real Family I just went off the deep end on drugs, lascivlousness & working really hard doing construction work. I went door to door & developed my own company (without the help of Shiloh, by the way, as she had given up on my being able to do doing construction work. I went door to door & developed my own company (without the help of Shiloh, by the way, as she had given up on my being able to do anything except mope around because I didn't have a cause any more). So it was a big jump I from stellar celebrity & soldier of the Lord to forlorn husband & construction contractor with virtually no reason to get up in the morning.

THEREIS SO MUCH UNHAPPINESS I COULD TELL YOU ABOUT, the tears & wounds, the bumps & grinds, but suffice it to say that after deciding to try & do it on my own that it was like the "dog returning to his vomit & the sow to her wallowing in the mire". Absolutely everything went wrong & I was the most miserable man that I know since leaving the Lord's service.

SHILOH ON THE OTHER HAND IS QUITE "SUCCESS-FUL" & has been the pride of her mother & father since her "coming back to her senses".

"coming back to her senses".
The children are fast becoming
TV zombies & McDonald addicts
plus all the competition & junk

food they readily accepted when Mommy bought it for them. The first thing to go was Easter—no, Christmas. They started believing in Santa Claus despite my resistance as Shiloh felt that it wouldn't do them any harm as "everybody else did it".

I WAS JUST READING YOUR LETTER THIS MORNING A-BOUT "CHILDREN IN THE WORLD" & how our children should feel superior, not inferior. But Shiloh & my children were so freaked out that they just wanted to forget how they had been used by the Lord because their mother & dad talked about the Family like it was a mistake etc.

their mother & dad talked about the Family like it was a mistake etc.

SO AS A RESULT OF OUR NEGLIGENCE THE CHILDREN ARE FIRMLY EMBEDDED IN THE SYSTEM & its hate factories, poisonous garbage & pagan gods. It breaks my heart because they are all so talented & were used so much by the Lord at one time. They were all born in the Family & knew nothing else until we showed it to them! Please keep them in your prayers, as they are so precious & could be so useful to the Lord's Work, especially at a time like this.

I'M SENDING YOU A TAPE WE MADE IN VENEZUELA right before we left. Maybe it can be offered to the Family & friends as I have about 450 of them here in Puerto Rico, all with colour covers. When I send the words & chords to my songs I'll include a copy of the songs on the tape as they are new songs & mostly in Spanish. I know they would be a blessing here in Latin America, so we just need to find out the best way to send them out. I'm willing to give them all away for free as I believe the Lord wants every family to have one, but I just don't know how to go about distribution. I'll just hang on to them for now & wait until I hear from someone about it.

I SENT ONE TO JEREMY AS WELL, & I'd like to hear his re-

action to it. Seeing him on the videos & hearing his testimony really helped & encouraged me to jump in again, & all the testimonies help me realise that no one is too bad for God. I must be really proud because that was one of my hang-ups when I first joined.—I thought that I was too bad for God to forgive etc. But thank the Lord for His mercy & all that He's done for all of us.

THANK YOU FOR SENDING THAT MESSAGE WITH FAITH-Y as it helped me to struggle down to Laredo. I considered it an honor that you would still want my music when I had made such an ass out of myself. I figured if you could put up with it then I could put up with the Family for a few days in order to record it. But was I ever in for a big surprise! Not only was I able

to put up with them, but they put up with my shenanigans for almost a week!

BY THE TIME LEFT I WAS A CHANGED MAN! When I first arrived at Laredo I was smoking cigarettes, not even having the courtesy to refrain from smoking in the hotel room! The Lord must've been pouring out His grace on Faithy & the others, as I acted quite rude. I suppose I wanted to see what they really thought of me & I was subconsciously testing them to see if they loved me in spite of my almost discourteous attitude. NOT ONCE DID I FEEL ANY KIND OF DISAPPROVING VIBES or anyone looking down on me, & of course I was probably looking for any excuse I could find to say, "See, it's all fake," or whatever. But all I can say is that the Lord got ahold of me & said, "Ok, you've had enough, you can come back to Me." Dad, I want nothing more than to serve the Lord & be used in whatever way that I can to further the Kingdom & my beloved cause, for which I was so hungry. AFTER I HAD BEEN IN LAREDO FOR A FEW DAYS I got to where I could hardly do anything without breaking into tears. It had been quite a while since I had cried tears of joy, as most of my tears for the past 3 years have been tears of remorse & sadness.

(DAD: Lord, bless & strengthen him & give him the courage, the failed the grace & the determination. Lord.)

ONE THING THAT SEEMS TO BE THE ORDER OF THE DAY I STHAT GOD HAS TO KEEP BREAKING MY HEART to make me useful to Him & that seems to be when I get my best songs that people tell me help them the most. Praise Godl "Beauty For Ashes" has been a reality in my life for a long time, & I thank God that He still loves are enough to challenge me & not let me love the world, neither the things that are in the world.

a lot. Gail (Shiloh) has her own business there in Houston & is pretty satisfied with it, but may be the Lord will put her thru a

be the Lord will put her thru a crisis & force her to come back to Him. At this point she won't even pray or acknowledge the Lord in her life. So I suppose she just has to get full of it. I believe where there's life there's hope, so that's all I have to go bon, except that I myself am a miracle & only God could have changed my heart.

I LOVE YOU BOTH & WILL SEND THOSE WORDS & CHORDS AS SOON AS POSSIBLE. I'll start on them today as a matter of fact. Also, the Lord is starting to give me a lot of new ideas for songs, & I can't wait to get them out. There's a lot to be done here & that's just what I need, so God knows His timing pretty well.

IT'S STILL ALL UP IN THE AIR IN A LOT OF WAY'S, but thank the Lord that it's coming together & He can still use us "old-timers" & cranky old bottles that have been sitting on God's scrap heap for so long. The kids here are so precious, & that's one thing that I still have a real burden for, to work with the children, & they will sure give me the love I miss from my own flesh kids.

WE HAVE TO GO TO THE IN STUDIO NOW so I'll close this letter by saying thank you one more time for accepting me & whatever I have to give. Pray for me that I'll stay weak in my-self & strong in the Lord. I'll be so happy I'll be in a "blob" for a while so I can get the much-needed fellowship & re-learn how to share with my Family. I love you & pray for you.—Sam. (Welcome Home, Son! GBY! We love you! Any of you who would like to send Sam support, we're surche wauld be glad to send you one of his albums. BUT THERE IS JOY IN
THESE TEARS knowing that you love me enough to go out & greet me even as the Father did for his prodigal son. (Faithy & Juan gave me your message.) And you've done the same for all the brethren that I've just seen with Juan & Faithy in Mexico.—Sam, Watchman, Joash & Micah all ran for hundreds of miles when they got the signals from Faithy. It was incredible! Hallelujah!

Chroniciss & wife Patience durting & happy all in one! These have moved us to a new fire to work with our children & teach them to sing & dance & do skits & all the things that we can hardly do & get away with it. They can say so much, & the videos are the most effective way to get it across. I've written some songs just for them, & Patience also is working on a new gypsy dance. The kids love it!

FAITHY WAS SUCH A SAM-PLE! If anyone could have righteously ministered "lashes of love" for our mistakes she could have. But she would only dwell on the present & what the Lord now has for us to do; nothing about the past. She let you deal with me via your tape. GBH & thank you!
SEEING FAITHY & JUAN WAS LIKE FALLING ON YOUR OWN SWORD & dying to myself & being regenerated. Juan was so sweet, watching eight children at one time while Micah & Carshena, Patience & I watched videos & listered to tapes. I know that I don't deserve your love, but I want you to know that I am thankful for your not giving up on me.

Everything that I have been thru over the past year has given me such a "hunger & thirst' to go to the limit for Jesus & you & the whole Family. PGI Dad, if by some miracle the Lord has mercy upon me & I can bring faithful, it will be thrown at your feet for all that you've done for me. I love you & Marie so much! Please pray for us, that the Lord will open the doors for us to get back to the field & back to work! In Jesus & for the King.—Chronicles & Patience & family.

LATINS ARE MUSIC-LOVING PEOPLE who still appreciate & listen to meaningful lyrics. For them love is still very much an important subject, in spite of mindless rock's undeniable success in getting on many radio stations & piped-in music systems all over the Latin area. Moreover, they're very often disposed to place love of others, family & children above everything else. So it should not be too difficult to reclaim the Latins' ears for the message of the Love of all loves. Ty!!

SO "MÜSICA CON VIDA"

SO "MUSICA CON VIDA"

("MUSIC MTH LIFE) is blessed with these two important factors in its favour. But in spite of all these apparent advantages, including drawing on the lessons of MWM Int'I.'s successes & mistakes, the Enemy would surely be highly pleased by the delay or outright failure of Müsica Con Vida; & the needed material & spiritual support is just as crucial—songs, contributions & prayer are as much in demand here in Puerto Rico as they were—& surely still are—in Greece.
Trusting that the Lord will, as always, get a huge victory, helps us keep our eyes on the all-important goal: To blanket the Spanish-speaking world with the music of Jesus' Children of Lovel AND WE'RE OFF TO A DEF-INITE START! TYL! Practically everyone needed to put the shows

together is already here or on their way, along with many talented songwriters & contributors who will be sending in material & working with us from right where they are on the field.

AT THE MOMENT FAITHY & JUAN ARE ON A WHISTLE-STOP TOUR of every Central & South American city where there could possibly be some talented Family musicians—from Buenos Aires to Lima to Mexico City—in order to inspire, as only Faithy can, all of them to start

producing for this new offspring of the Lord's musical message for these trying confused times. It surely won't be long before we'll be receiving cassettes filled with songs, old & new, which the Lord has given His Latin children for His new program. TYL! It HERE'S HOW WE HOPE THIS METHOD WILL WORK: Family musicians will record their songs for MCV & mail them to Puerto Rico from wherever they are on the field. Together with those songs being translated from the MWM shows & being recorded in P.R., they will comprise the bulk of the programs which will be spiced with songs in their original English & other language versions.

WHEN JOE & HIS FAMILY COME INTO A LOCAL PUB TO SING, conversations at the tables stop. The guests pay attention to the Christian songsthose who usually went to hear little or nothing from the Bible. AFTER THE CHILDREN HAVE SUNG SONGS OF LOVE ecompenied by their father on guitar & they have collected donations, they frequently get into conversations with the people. The pub'r guests can learn things about faith from the family of 6 who travel thru Europe in a caravan to bring the Gospel to the people.

FOR 8 WEEKS THEY HAVE SEEN CAMPING here where I visited them.—Joe 30, his wife Cathryn 28 & the children Virginia-7. Christins-6, Lauren-3 & James-2. Every day they go out to two or three "Gisthauses". They have experienced almost no problems. They are also well-come in downtown pubs. Erom the public they usually receive applause. The married couple describe the people of the area and control of the control of the control of the series as rice, kind & interesting.

NOT 50 NICE, SAYS JOE. STHE WEASHER, Understandelyly, because at this time of year, life at a campground is definitely not something for everyone. Despite many inconveniences, the family enjoys living in their caravan, which they pre-

fer to the apartments of the cities. They are always meeting interesting people in the camp-ground, like recently the magician Moretti.

"WE CAN IMAGINE LIVING LIKE THIS LONG-TERM," explains the family father, it is the family father, it is the shis wife's agreement. It's important for them both that they can always be with their children. They see that as their main mistion—training them themselves. "We're frequently asked if living in a small space doesn't get on our nerves," explains Cathryn, at the same time erasing any doubts.

From Simon Peter:
Dear Dad & Maria,
GOD BLESS YOU IN JESUS'
PRECIOUS NAME! I'd like to
thank you so very very much for
the wonderful & heart-touching
evening that you gave me the other night! (See 'Father of MWM'
Honoured', It was completely
overwhelming & I've never felt
so wonderfully loved & appreciated in all my life! It was just
absolutely beautiful & ... well, I
don't even have to describe it to
you because it's all on the video!
That night! was still in a daze after seeing you for the first time
on yideg the night before.

IT'S VERY VERY HEAVY
TO SEE YOU IN PERSON, DAD, &
everyone here agrees that these
videos will be fantastic not just
for the Family but for the world.
You came across with such authority & with such absolute sincerity. Even when you occasionally
blast away at the Jews or the
churches or something, there is
always behind it all such a love
& warmth & light & good humor
emanating from your face that
I don't see how anybody can
doubt the truthfulness of what
you're teaching. My first reaction, during the first few seconds,
that I saw you on the screen,
was how really Jewish you lookcell Hal—The way you talked
with your hands & everything.
THEN I WAS AMAZED AT
WHAT AN ACTOR YOU ARE
& what a polished performance
you give, almost as if you rehearsed it many times, & how
you can keep your audience's
attention thru your dramatic gestures, your amusing anecdotes,
the occasional shocking statement,
your dramatic openings & endings, & above all the sheer fluency, beauty & power of the pure
Words of God that flow so effortlessly from your lips.

cious blessing I keep deep in my heart.—And you looked so good! Your face so kind & reassuring.
"Faith is knowing"—you looked so happy, so sincere, so deep. The anointing the Lord has given you just shined out of the screen!

EVERYTHING YOU SAID
WAS SO EASY TO RELATE TO, so easy to visualize. It was so feeding & conveting, & even tho' you especially challenged the unsaved at the end, you definitely challenged me to be a more faithful witness for the Lord & never be afraid to proclaim His Truth! Love, Uriah & Katrina.

From Mary-Magdelene; French MWM's DJ:
Dearest Dad & Maria,
THANK YOU SO MUCH FOR THE BEAUTIFUL TIME YOU OFFERED ME AT LOVEVILLE! It was so feeding & simple! I hope & pray that I can faithfully pass on the love & lessons I've received there. The most beautiful thing I'll keep secret, but it was to see you, Dad, on video, & your face often comes on the screen of my mind as an anchor, like an image of the Lord. You are my greatest love on Earth!

Well, I finally saw that my main motivation was to find where I could fit, where I could be fulfilled & happy, instead of reaching the French-speaking lost souls, & & that was the reason the French MWM Show 2 lacked fire. Like you say, when you can't see your audience, you really have to keep the vision that you're actually talking to somebody! So Dad, please forgive me for not doing it even tho'! Dearest Dad & Maria,
GBYI ILY SO MUCH & AM
SO THANKFUL FOR THE
PLACE OF SERVICE that you & the Lord have given me & that I am able to be part of this tremendous ever-growing world-wide MWM Ministry! It's certainly much more than I deserve because, as you know,
AT ONE TIME I WAS A-BOUT TO FORSAKE IT & leave my post & turn my bishopric over to another! I'm so thankful that you wrote to me that priceless lesson 'Shitick' & that thru' God's grace, strength & mercy! have been able to do so & be used by Him in a way in which! feel completely incapable & unworthy. FUL SPRING DAY, just like thiz, in England in 1973 when I first joined. I remember the joy of my salvation welling up inside & I was so thankful for it that I just cried & desperately prayed that the Lord would never let me leave the perfect path that He had planned for my life but would see me thru' unto the End so that I could indeed look Him in the face & hear Him say, "Well done, thou good & faithful servant."

Him in the face & hear Him say, "Well done, thou good & faithful servant."

TRULY THE LORD ANSWERED MY PRAYER WHEN I RECEIVED THAT LETTER FROM YOU that kept me abiding in my calling, & it is because of this Letter that I am still here today, & I pray I can continue to "strick" close to you & the Lord so that He can continue to use me to MC His music & to speak your words to the people. The only way I can ever think to repay you is to follow closer than ever before & with God's help never leave an "unguarded moment" so that I disappoint you & cause you heartibreak as others have done.

YES, I'M GLAD I SHTUCK!

In to you & Jesus (Jude 24). I hope that the fruit of the MWM Ministry will encourage others to do the same & not ever leave their plough in the field as I could have done. Your thankful son,—Simon Peter. (GBY, Smill, Y)
