

Dad Flips Over MWM Photos!

Photos by Tiras Seeds & Peter Pebble. Captions by Paul & Marianne. Dad's comments in parentheses!

PHOTO 1: Peruvian Manuel with his lovely German mate Maria. Manuel teaches our children to sing & perform & is the one who inspired our first KP Video.

(PERUVIAN MANUEL has such a strong face! He's beautiful! He's a knock-out! He looks like an Incan or Mayan king. All he needs is a head-dress & the Kingly robes! Manuel is terrific & his mate Maria makes a beautiful Viking Queen.)

PHOTO 4: Beautiful Joan singing "Love Is Forever".

(AH, JOAN, in that kind of nightgown you look absolutely angelic!)

PHOTO 2: Checking the shots! Everyone gathers 'round the monitor to see if it was a good enough take. A new addition to the Video Team, Tracy (top left) is a great blessing as a "floor manager"—can turn any old corner into a palace.

(IF WE AREN'T SOME GYPSY OUTFIT!— Operating a whole movie crew out of a van! We really are a scream! I mean, nobody, I don't think, would attempt to do what we're trying to do with as little as we have to do it with.—All living like a bunch of gypsies & looking like a bunch of gypsies with a bunch of amateurish equipment & very few professionals. But boy, we've got the Spirit! Hallelujah! Aren't they beautiful?!)

PHOTO 3: Simon Peter & daughter Celeste. "Like Father, like daughter".

(OH, DEAR SIMON & CELESTE! They've both got those hypnotic eyes! Whew!)

PHOTO 5: Beautiful Topaz in her Island costume invites you to join the Club. Topaz is co-MC & also the choreographer!

(TOPAZ, WHAT DID YOU DO TO YOUR HAIR? Well, oddly enough it makes you look even more beautiful! No wonder, we never saw your face before. Ha!)

PHOTO 8: Abel Seaman teaching the Book of Acts in Hallelujah to the children for their united morning devotion before the children go home & each Mommy gives them school. Abel is also our flying teacher "teaching others to teach others" sharing his experiences with the less experienced mothers.

(AH, DEAR ABEL SEAMAN! I love anybody who loves children!)

PHOTO 6: Paul Michael with his lovely Danish wife Suzanne & daughter Ollivla, age 3.

(DEAR PAUL MICHAEL, IS SUZANNE YOUR WIFE OR YOUR DAUGHTER? You must have robbed the cradle. She is one beautiful babe!)

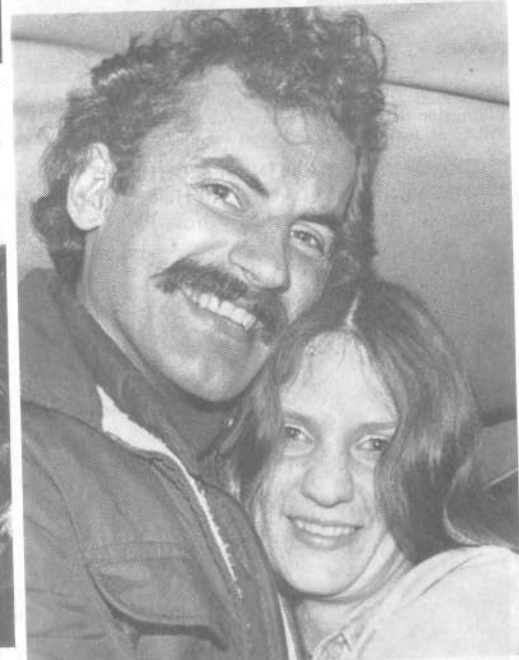

PHOTO 7: Tiras & Endureth. Photo by Dicon.

(TIRAS LOOKS LIKE THE HANDSOME JOLLY BROWN GIANT, & I told you that Endureth was a sexy gal! And Tiras, these MWM photos you & Peter Pebble took are absolutely gorgeous & have delightful labels.)

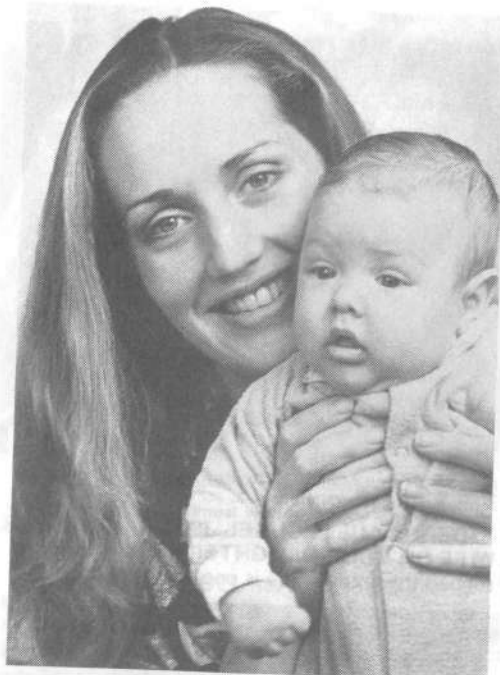

PHOTO 9: "All Hail to the Queen! What a sight to be seen when bare bosom to babe she does lend!" (777:32.) Photo of Joan & baby by Peter Pebble.

(BEAUTIFUL MADONNA & CHILD! They're sure cute little verses from "All Hail to the Queen" that you put on the backs of those.)

PHOTO 12: Sarah Violin. "All Hail to the Queen! Such a beautiful Queen, no greater could God send..."

(AND DEAR SARAH! Oh boy! Her violin & singing really flips me out!)

PHOTO 10: "All Hail to the Queen! She can wash & can clean & find it before you count ten!" (777:40) Patience. Photo by Peter Pebble.

(DEAR PATIENCE, GBY, SO SWEET! You really live up to your name.

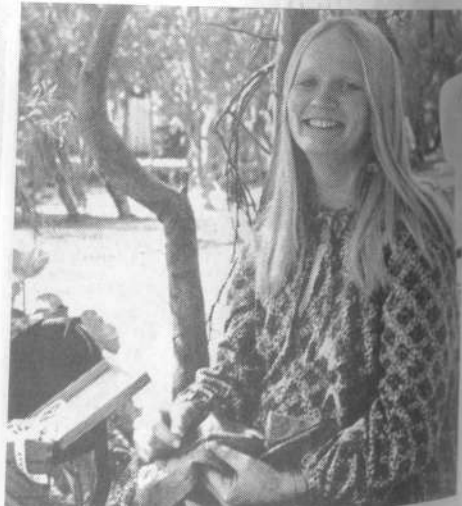

PHOTO 11: Fiona. "All Hail to the Queen, who's fixing my jean & sews all the patches to mend..."

(FIONA, WOW, NOW THERE'S A REAL QUEEN if I ever saw one! Hallelujah! She's every inch a queen!)

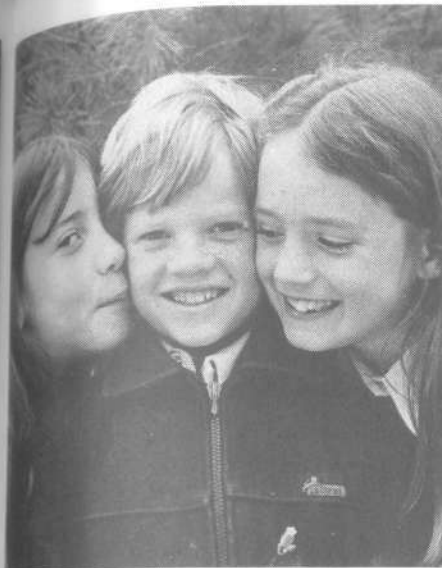

PHOTO 13: Koa, melting between two lovelies, Armanita of Jeremiah & Priscilla, & Charity of Job & Charran.

(HEY KOA, HOW COME YOU ARE HAVING ALL THE FUN?! I would have fallen in love with both of them when I was your age.)

PHOTO 15: Heidi & Army of Jeremiah & Priscilla Singer. (MUST BE A BIT OF INDIAN IN PRISCILLA. All Priscilla's children look like her.)

PHOTO 17: Mommy Sunny with older daughter Virginia, Age 3 1/2. Photo by Andre.

(MOMMY SUNNY'S GOT THAT GORGEOUS ORIENTAL BEAUTY & their little girl is beautiful too.)

PHOTO 14: Some of our pretty girls—Heidi & Army of Jeremiah & Priscilla, Heidi of Jeremy & Fiona, & Charity of Job & Charran.

(AND HOW MANY SWEET HEIDIS CAN WE HAVE?! Along with Armies & Charities!)

PHOTO 16: Our up-coming Black Stars, children of Peter & Topaz—Metra, Marcus, Maacah & Imana.

(THAT WAS A REALLY CUTE SHOT of our rising black stars!)

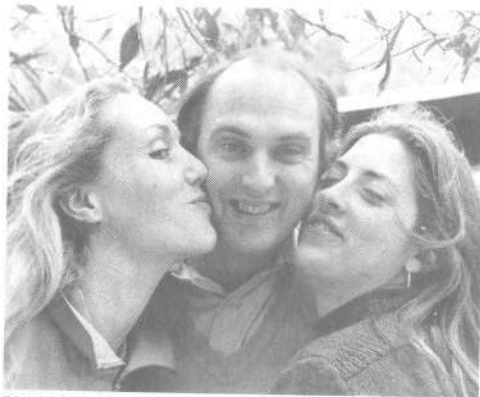

PHOTO 18: Farewell to Rain! Joan & Windy bidding him a fond good-bye! We're all praying for you & the Spanish MWM!

(RAIN, RAIN, GO AWAY, come again some other day. Let me come out to play with those two beauties!)

PHOTO 21: French Jean & Priscilla with the 4 children—Armandria, Heidi, Robin & Joan.

(AND YOU JUST LOOK GORGEOUS with all those beautiful children, Jean.—Very fatherly!)

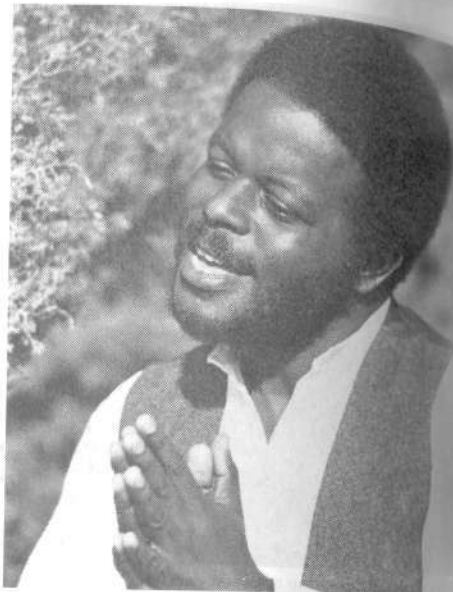

PHOTO 19: Sweet Simon, performing for the Video! After listening to Dad's various comment tapes & experiencing our life & recording in the studio, he returned to France as a real apostle & gave the needed boost! to get French MWM started, PTL!

(DEAR BLACK SIMON THE PREACHER. He looks like he's saying the Benediction. He is a saint!)

PHOTO 20: Jeremiah Singer.

(YOU KNOW, JEREMIAH HAS REALLY GOT TEN BETTER LOOKING. It took ten years, but he's getting almost handsome! I've got to keep him humble.)

PHOTO 22: Jean & Priscilla.

(JEAN, PRISCILLA'S NO. 2, is so sweet & beautiful I could fall in love with him myself! Maria already did!)

PHOTO 25: Zach & Lydia Lightman.

(ZACH, YOU & LYDIA CERTAINLY HAVE BEEN A WELCOME ADDITION to our Family there. You give it a little more "respectable" look. Ha, ha, ha! More venerable with the wisdom of age. Now Lydia, I didn't mean that you look so old. In fact, you look like his daughter, like Maria does to me!)

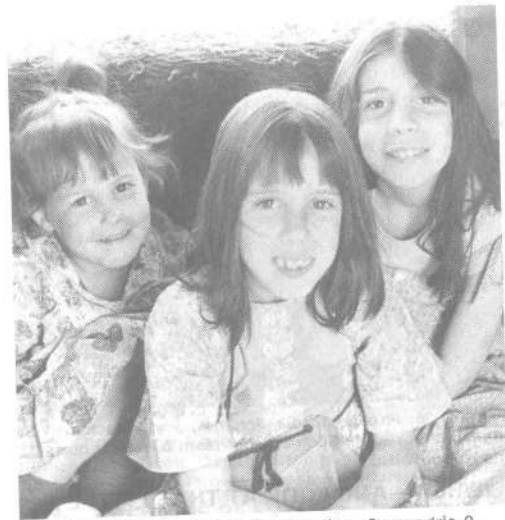

PHOTO 23: Three of our little lovelies—Armandria-9, Heidi-7 & Joan-3, of Jeremiah & Priscilla. Armandria quickly became one of our performing stars, both audio & video.

(THERE'S OUR TWO INDIAN BEAUTIES AGAIN with little Joani who looks like a little doll.)

PHOTO 24: Armandria, of Jeremiah & Priscilla, precious & sweet little star.

(THAT'S A GORGEOUS PICTURE OF ARMANDRIA, one of our new stars.)

PHOTO 26: Phoebe, Lydia, Johannes, Joy & Zach arriving from Norway!—Such a sweet team & a great blessing to the work!

(WHEW!—AND LOOK AT THAT LITTLE PHOEBE would you! Maria says Windy's got competition now. Hallelujah! I always did fall in love with girls with smiles like hers & that impish gleam in her eyes.)

Photo 27: Preparation: French Françoise fixes the girls' hair & make-up, as well as full of good ideas for costumes & set-ups! We couldn't do without her!

(SPEAKING OF IMPISH GLEAMS, Françoise, you look like you're really performing magical tricks on the girls' hair to enhance their beauty with one of our most beautiful beauties!)

PHOTO 28: Paul directing the girls for the song "Multitudes".

(PAUL WITH HIS MULTITUDE OF BEAUTIES high on a windy hill, makes my heart stand still.)

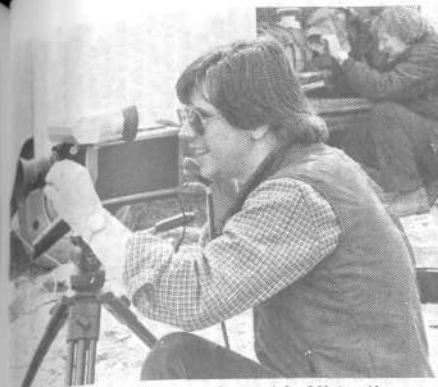

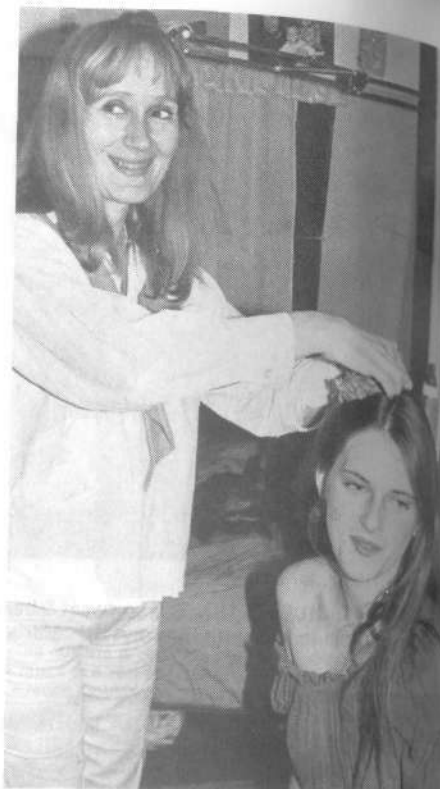

PHOTO 29: We set up our equipment in Michael's van to facilitate the operation.—Paul checking the focus, while reading the monitor. We're all set!

HOW WE OPERATE WITH OUR MINI-EQUIPMENT out of a mini-bus is just one of our many minis in our great ministry of the minis.)

PHOTO 30: The girls are ready! All these lovelies are German Maria, Joan, Danish Suzanne, German Karen, Norwegian Lydia & Phoebe, Topaz & Endureth.

(THAT BEVY OF BEAUTIES on that windy hill is enough to be a show-stopper on anybody's TV!)

PHOTO 31: Lovely Norwegian beauty Phoebe, who is a real blessing already with our children & secretarial work, but also has a lovely voice, sings in Italian & is a pretty decoration to our video show! Wait till you see her belly-dancing for the Gypsy King!!!

(OUR LITTLE PHOEBE looks almost exactly like one of my first little sweethearts. Makes my heart go pitty-pat all over again! It reminds me so much of that German co-star, the dancer in "Can-Can", with that impish smile & the pixy eyes with the come-hither look. Here I come! You asked for it!)

PHOTO 32: "Multitudes no man can number, as the waters cover the seas, multitudes are coming together, come, look and see!"

(REMEMBER GALS, you always look your most beautiful & inviting like that with your arms over your heads waiting to be attacked.)
