

Living God's Law of Love!

To MO from Ana (Guatemalan):

Dear Dad & Maria, I LOVE YOU! Have you ever felt in your heart the desire to share with someone how much you love them & appreciate them & can't find words enough to say so?—Or feel that if you sat down to say so you would sit there forever? Well, that's exactly how I feel with you!

I JUST LOVE YOUR LOVE! And so many times I sure hope to have a little bit to share it with others. You are so sweet & most of all you are the humblest people I ever met & we sure need your kind of love. We need you so much! Oh yes we do! God bless you so much! I'm never going to get tired of saying how humble you are & how much love you have!

TODAY A VERY INSIGNIFICANT THING HAPPENED IN THE HOME. But as sentimental as I am, it broke my heart. God help me, I should have done something but felt so bad I just walked out. The thing was that someone did something that wasn't right but someone else, instead of reprimanding in love, went so much to the law.

IMMEDIATELY I THOUGHT OF THE WAY YOU WOULD HAVE HANDLED IT. I'm sure that tho' it would have been with firmness, love would have never lacked! And I'm sure that's the reason why it's so nice at your home—it's all ruled by love! At the moment I felt very bad. But as I prayed, the Lord showed me that the only way he was going to learn was going to be by showing him in love the way you would do it. I love

Rachel's Grievances!

(Emanuel's notes from his phone conversation with Rachel, 17-2-79) —& DAD'S ANSWERS!

1. Rachel: IN TEN YEARS WE HAVE BECOME just what we have accused the churches to be: internal strife for power & money. The Family News is "political" & "gossipy" to destroy the people not in favour with the top. Because of manipulators around him, Dad has been encouraged to get on a power trip.

(DAD: Yes, you have!—And who's striving against me for power & money? I denounce you for abuse of both!—Of course the FN is political & gossipy—and so are a lot of my letters!—Most folks like it! Yes, my staff does please me!—You didn't! That's why I had to remove you from power!)

2. Rachel: DAD IS TRYING TO MAKE ALL GIRLS INTO WHORES because he received love from them in his travels & he saw the need of travelling salesmen, but not all girls are called to minister God's Love this way. (She does not want to send her children up here where I—Emanuel—am "a pimp running a brothel"!!)

(DAD: I certainly agree, not all girls are called to be "God's Whores"; I've said so many times—just the bravest!—And I certainly wouldn't mind being called God's pimp!—But none of our Homes are brothels!)

3. Rachel: SO MUCH EMPHASIS ON SEX WITH THE CHILDREN is not good, for ours, at least, who have to be in contact with the "nor-

mal" world.

(DAD: Who's emphasizing sex with children?—And since when is sex not normal?)

4. Rachel: WE ARE MAKING UN-NECESSARY ENEMIES with our "stupid" super-sexed comix, all with those hearts & nudes all the time. People love us for our basic & simple Letters.

(DAD: I don't draw the Comix, but I like 'em!—Don't you?—& nobody has to use 'em if they don't like 'em!—Certainly not where they offend!—And they're about as basic & simple as they can get!)

5. Rachel says THERE IS NO BIG ALL OUT CAMPAIGN against me or her (Emanuel & Rachel) in Italy. She will investigate further.

(DAD: Then why has a committee been formed against us, Homes raided, aliens deported, some jailed & the Family banned from Rome?)

6. Rachel: INSTEAD OF GOING AFTER THE LOST SHEEP, Dad just excommunicates them now.

(DAD: I put up with Jeth, Deb & Rachel for 10 years—like stubborn goats!)

7. Rachel says about me (Emanuel): I AM SO "intelligent & cultured", I should be using my talents. (DAD: I agree!—But you never appreciated Emanuel's talents, you mistreated & left him!)

(—So now you know where Rachel's at, poor girl!)

RESPONSE TO THE —

Nebuchadnezzar Revelation!

From Miriam Newlove: Bali, Indonesia:

Dearest Dad & Maria, I LOVE YOU SO MUCH & hope this letter finds you both healthy, safe & comfortable in every way. The Letters are so refreshing & delicious to us, way out on the field—they revive & renew our whole beings everytime!

WE JUST RECEIVED "THE NEBUCHADNEZZAR REVELATION". It really sobered us & spoke to us about staying faithful with each other & the little sheep. Before we came here to pioneer, we had some lessons to learn along these lines & the Lord has been so good to us, to keep us up after the bad old

takes we'd made which hurt some people & the Work too. It's so good to know Jesus loves us enough to chastise us, but He keeps using us if we can learn from these things.

I WANTED TO WRITE WHAT HAS BEEN ON MY HEART ABOUT THESE MARRIAGE SITUATIONS.

Here in Indonesia over the past year there have been several of us who have had marriage problems that have really hurt & slowed down the Work, caused a lot of internal discord & in general just born bad fruit. Within the past three months, Homes in two cities have disbanded & closed down due to these kind of

problems.

COUPLES SEEM TO GET TO WHERE THEY DON'T WANT TO TRY to overcome their problems. If the going gets rough, they just split up. Then the parents go their separate ways for a couple of months & then get back together. The children seem to be kind of insecure & unstable too. Also, many friends, fish, kings & queens etc., really start to wonder about us.

WE HAD JUST RECEIVED YOUR LETTER "GOING UNDERGROUND" & the other NRS Letters. I was really praying & the Lord gave me the verse, "Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour" (1 Pt. 5:8).

THE LORD JUST SHOWED ME HOW THE ENEMY CAN DEVOUR A WHOLE WORK in a city by getting in thru' our personal problems. It seems that he is really trying to devour God-ordained teams that the Lord has put together to further His work, & some of us are just letting him in this way!

IN THE DAYS TO COME WHEN WE CAN'T LIVE COMMUNALLY anymore & the only team there is, is a family, how are we going to make it if we just divide everytime there are a few problems? It seems like we need to work in more unity now than ever, especially looking ahead to the times to come when we will need to be strong in the Spirit & close to our mates & children.

THEN WHEN WE GOT THE LETTER ABOUT RACHEL & EMANUELE, I thought, "Oh Lord, the enemy even devoured a team like that, who have been so used of You for the Work!" We're really praying for them both, because we are going to need them in the future, as well as many other strong couples, to keep fighting in the dark days ahead!

I KNOW THERE HAVE BEEN A LOT OF GODLY SEPARATIONS in the Family too & some people have needed those changes. But it seems like many of us have not gotten our answers & guidance from the whole counsel in the Letters & have taken some parts to justify what we felt like doing at the time, while ignoring your many warnings & rules in the very same Letters.

DANIEL & I WENT THRU THIS

LAST YEAR. We both got very deeply involved in relationships with other people that caused us to lose our overall vision for pioneering Indonesia & also insensitive to each other & to others who were getting hurt. THE RELATIONSHIPS WE WERE INTO REALLY DIVIDED US AS A TEAM & we couldn't work very effectively together. It taught us a lot & I'm thankful because we have been getting "Greater Victories" in our lives, especially to keep on sharing. But one main thing we learned is that the Work & pioneering has to come first—& anything that hinders that must not be good for us! Also, we learned that all the verses, prophecy & confirmations the Lord gave us when we got married were not just a lot of hot air, but that He meant what He said.

ALTHOUGH WE CANNOT POSSIBLY COMPLETELY FILL EACH & EVERY NEED OF ONE AN-

OTHER, at the same time "God puts people together because they have what each other needs." I know that coming to Bali to pioneer again has refreshed & renewed us both & we're so turned on in the battle here! IT'S COMFORTING TO KNOW GOD CAN STILL USE US! I love you both more & more every day & the Letters have kept me thru' thick & thin. I'd never be here without them! I always have so much to say in my heart to you—I can never seem to write it down. I hope it reaches you somehow in the Spirit thru' my prayers! xxxxxxxxxxxxxxxx Love, Miriam; Bali, Indonesia.

"In none of my Letters have I ever advised anyone to desert their God-appointed Husband & small children, break up their home & family, leave their God-appointed job & their Family, disobey me & the Lord." (The Nebuchadnezzar Revelation No. 75 by Father David.)

The Choice!

Once again, the words ring so true: They're doing just what they usually do—Despite their saviours and vilify their name, They did it to Jesus and they still do the same!

When Jesus gave out the fish and the bread, Many gathered 'round to hear what was said, But when He spoke a "hard saying" too naked and bold, So many were offended at the things that He told.

"From that time many of His disciples went back And walked no more with Him"—they chose the down track, And Jesus said to the rest: "Will ye also go away?" To whom shall we go, Lord; Your Words lead the way!

Well, the thing that hath been is the thing that shall be, Continue in the Word and it will set us free! But like Gideon's army, the Lord's purging on solid floor, The chaff blows in the wind, but the wheat's on more.

To us who remain, is a choice left this day, As the ones in the garden we're told "Watch and pray!" Let us not fall asleep as those in the garden, Let us follow our Shepherd and our hearts never harden.

Though at times the wise man will evil force And when he sees it coming will obey and flee, But when the time comes to stand alone on the ice flow, Make us willing to die for the Truth that we know!

Lord, help us stay faithful and each day seek Your face! Lord, be with Your children and please give us the grace We'll fight the good fight and finish the race So we'll be unashamed when we stand face to face.

Lord, thank You for David, our father and guide! Help us lift up His hands and stand right by his side! Thank You for the power that pulsates within And if we cling to the Pillar, We know we will win!

Natural Childbirth Seen By Thousands!

WHAT A WAY TO WITNESS—EVEN IN A CLOSED COUNTRY!

by Sharon in South America

ON NOVEMBER 1st, SHARON GAVE BIRTH TO LITTLE ANGELA by natural delivery in the best hospital with all expenses paid. (For background, see FN Vol. 6, No. 10.) Not only that, the entire birth was video-taped to be shown to medical personnel around the world, as a study in the method of natural childbirth!

THE BIRTH TOOK PLACE IN THE RESEARCH WING OF the hospital, where about 20 medical persons, technicians and photographers had gathered to record and monitor the birth. We were surrounded by all sorts of equipment including a video tape camera that taped the whole thing. There was also a photographer taking pictures and many doctors and technicians monitoring the baby's heartbeat, the internal pressure during each contraction, etc.

THEY WERE USING A NEW METHOD (actually an old method) taken from "primitive" peoples in which the women stoop down or squat to have their babies. So they had a chair specially designed for me to sit in and push with my legs and arms at the same time. So it was intended as a study of God's method of natural birth, the miracle of God's natural design and plan.

SINCE THIS WAS MY THIRD CHILD, they gave me all the freedom I wanted to decide when to push, etc. Emmanuel was able to be with me the whole time and it was a real testimony as we shared verses together—Psalm 23, Isaiah 26:3 & 41:10 and Psalm 119:165, in particular.

THEY WERE VERY CONSIDERATE and took little Angela only a few feet away to clean out the mucous and then gave her right back to me to nurse and love. I was ecstatic, as it was a girl—My heart's desire! Praise the Lord!

SINCE THE BIRTH AND THE VIDEO FILM, so many miracles have continued to happen! Dr. P., whom I had been visiting before the birth and who assisted in the birth, has completely changed! He has been telling everyone about us, has been calling and visiting us and wants

me to help him write a book on how my faith in God helped me during my delivery! Before the birth, whenever I would try to share with him or witness to him, he just thought I was crazy.

BUT ABOUT TWO WEEKS AFTER THE BIRTH, when I went to visit Dr. P. for an exam, he forgot completely about the exam and started pouring out his heart. He said that for the first time in his life he had seen someone's faith in God help them. He said he had never seen a woman so calm and prepared to have

a baby. He told me about his wife, who is very sick mentally and now is sick physically. He wants us to visit her and says we have what she needs—faith! Praise God! He looked me straight in the eyes and said, "I can see something different in your eyes and I know it's God!"

ANOTHER DOCTOR, DR. C., JUST FLEW TO EUROPE and the U.S., showing the film of Angela's birth to large conventions and lectures everywhere. Dr. P. said thousands have seen it by now! PTL! Love, Sharon.

Obis, Sunlight & 10-month-old miracle baby Santiago visiting relatives in the U.S.—That's Obis's sister on the left & his mother & grandmother on the right!

by Sunlight Shuhite

Dearest Dad & Maria, GOD BLESS YOU BOTH! I LOVE YOU SO MUCH! Last night I read Maria's testimony "Pregnant Again!" & I can't describe how much I needed that Letter! Ten months ago, by a miracle of God, our first son, Santiago, was born!

THO' I HAVE SCOLIOSIS (curvature of the spine) & Obadiah, my hubby, had club feet (he was finally & totally healed when he joined the Family)—our son came out perfectly beautiful, with the best of both of us! PTL!

THAT PREGNANCY WAS CERTAINLY A TEST OF FAITH each & every day, as some doubted I could even have a baby due to my physical defect. Though in the end he did have to be delivered by Cesarean (a small price to pay for such a precious jewel), it was the first of

the "Davidito" series that gave me the faith to see it thru'. Looking back, I really clung to each Letter & read them over & over. Maria, your sample of faith encouraged me that the delivery wouldn't be too much to bear!

NOW I BELIEVE I AM PREGNANT AGAIN! It was hitting me pretty hard, not knowing if I'm physically capable yet so soon. But after reading "Pregnant Again!", my heart & faith were encouraged & the Lord showed me more clearly than ever how much we need the "Letter life-line"! Tho' I know the Lord will see me thru', how much easier you both have made it for all of us to fight the good fight of faith, with your guiding words of love! Please don't ever give up writing! Your words help us to keep going for God! Love, Sunlight Shuhite; U.S.A. (soon to be returning to Latin America) ■

VIENNA—

Crossroads of the Globe!

FF REPORT TO DAD

From Lee:

VIENNA IS SO EXCITING FOR FF'ING! The atmosphere is so nice here. Things are quiet & peaceful & people somehow seem to be more open for discussing deep things, maybe because so many are either coming or going from the Eastern Bloc; plus the UN agencies & OPEC, which are based here, bring people from the Third World. So it all goes into making this an elegant crossroads for people from all over the globe.

THE MEN ARE SO APPRECIATIVE here, not just the Austrians, but the travellers too. Vienna is not known for its nightlife, so maybe these men have a hard time finding companions. Anyway, the prospects are thrilling & the girls in the Family here are so pretty & a'arin' to go!

I RECEIVED ENOUGH CLOTHES FROM MY MOTHER & SISTER to outfit several FF'ers, so I've been helping the girls get fixed up. We found that maybe part of the reason why they had sometimes not met anyone was that they were not really dressing up, so the men probably didn't think they wanted to meet someone, as they weren't "advertising the merchandise"! Also, the girls often sat at tables instead of at the bar, & this also didn't advertise that they were available. They've still had good fruit, just need encouraging. I'm really happy to be here & have already had some really good evenings!

ONE WAS MY FIRST "ARABIAN NIGHT"! We even got into Arabian sleeping garments before going to bed, & the man, a sweet curly Arab who is extremely polite, fed me almonds & dates in a most "sheikish" manner. I thought I was in a movie! But he wasn't at all like the devouring sharks I have heard some Arabs can be. Rather, he was gentle & so receptive.

WE TALKED FOR HOURS & HOURS about Bible prophecy & he

was completely receptive about your & the Lord's predictions concerning the next 20 years or so & especially glad to hear about the coming Millennium. When I told him how Jesus would rule all the kings of the earth, he said, "Won't that be wonderful!"

THEN WHEN READING "OUR DECLARATION OF LOVE", he said, "I wish everyone in the world could read these words." It's such a blessing to have such a receptive fish! TY!

ANOTHER MAN I SHARED WITH IS AN INTERNATIONAL LAWYER, an American, who represents multinational firms to the different world governments. As he travels extensively in the Eastern Bloc & Russia, I asked if he thought it would be possible to go there, for instance to Hungary, & get work.

HE SAID THAT THEY ARE SO CONSERVATIVE it could be difficult to live without being closely observed & that a person's personal activities could be subject to blackmail! So he said, "Why don't you just live here & take short trips in?"—Exactly what you suggested!

I HAVE ANOTHER FISH ON THE LINE now, who covers the Eastern Bloc for his company. Each month he takes trips to differ-

ent countries & he may be able to take me with him on one—undercover!

ANOTHER INTERESTING & ENCOURAGING EXPERIENCE came when I went to a very exclusive coffeeship here to meet someone who, as it happened, didn't show up. To my embarrassment, I found that I had forgotten my money. Since this was such a high-class place, I was praying about what to do when the Lord gave me a check that there was a man sitting behind me who would pay the bill!

I LOOKED AROUND & THERE SAT AN OLDER, DIGNIFIED LOOKING MAN who smiled at me & then struck up a conversation. He was bored & lonely, but actually a famous man, a movie actor here for a premiere. He was busy with a celebration that night but invited me for breakfast & the drive to the airport the next day, promising me to call upon his return to Vienna.

I TOLD HIM THAT I FELT THE LORD had something to do with our meeting & this impressed him very much! It seems this city is teeming with important, shrewd, lonely men! PTL!—He must be blessing because He knows we need this city & her acceptance of us to be able to reach further East from here. Please pray for us & all the souls here! Love, Lee. (GBYI) ■

News From Mideast!

by Koroush & Liz

WHEN THE LITTLE FROG IN MO'S DREAM OF 1973 (see "The Frog" Letter No. 275) was attacked by the System (the American cat), it looked like the end! But it actually exposed the cat for "the rat" it really was & the frog itself remained unharmed, though "buried" for a time! Hallelujah!

THAT'S WHAT WE'RE DOING HERE, following the advice therein:

"They (frogs) also hibernate underground in winter—like winter is almost like a time of trouble too, almost underground, when things get cold & wintry out, or trouble or persecution comes, we hibernate too!—We go underground!" (275:92.)

WE ARRIVED HERE IN DECEMBER with nearly everything for our soon-coming baby supplied in Germany thru' FF'ing, street & bar singing, litnessing & thru' parents & friends. Also, a friend from Jordan paid us to drive his Mercedes car all the way here & provided us with hotels, food etc. PTL!

OUR FIRST NIGHT HERE, THE
