

2% WERE SHARING A SEAT together between two old ladies. Azar began to fall asleep & started to cry for his Mommy, so I told Adria to hold his hand & we recited Psalm 23 together & prayed for Azar to have a good nap, & he dozed off to sleep. Adria still holding his hand & smiling from ear to ear, so happy to have this big responsibility. Well, those two old ladies were so touched, I think they nearly cried!

ALMOST ALL THE PEOPLE ALONG THE WAY WERE REALLY

HAPPY to see all our children & offered to help us on & off trains, or gave us their seats, & were helpful in giving us directions. The children were such a testimony by the way they helped each other. The older children were such a blessing in watching & helping with the little ones & helping us carry the luggage.

TRAVELLING WITH VERY SMALL CHILDREN, WE MADE A SPECIAL EFFORT TO CLEAN & tidy each area as we left it, like train compartments, waiting rooms, hotel

rooms etc., so we would be a good testimony & not cause extra work for others.

SO THANK THE LORD FOR A SAFE & HAPPY JOURNEY where we learned many lessons. "Most of the time it's a smooth & happy road, & He helps you to carry the load, & many lost souls you'll help to find! Hallelujah! Amen!... Let's keep moving for the Lord, spreading the Good News as we go." ("Have Faith Will Travel" No. 150-4,9.)

for infants.

FOR ADULTS: Stand behind the victim, reach around him & place your fist (thumb against the abdomen) just above the navel & below the rib cage. Then use your other hand to grab your fist & press hard,

giving a quick upward thrust. What you're doing is pushing up the diaphragm in order to force air up from the lungs & expel the obstruction from the throat.

FOR INFANTS: Hold the child upright on your lap, place the fore-

finger & middle finger of your one hand on the abdomen just below the rib cage. Use these fingers & the two fingers of your other hand to give a quick upward thrust. This should clear the child's throat.

Miracle Pregnancy!

—AFTER TWO MISCARRIAGES!

From Gentleness Fiddler, France:

IT ALL STARTED WHEN I HAD TWO PREVIOUS MISCARRIAGES & doctors said that it would be next to impossible to have a normal pregnancy without drugs, complete bed-rest or getting my cervix sewn up.

But we decided to trust God & knew that He would do it somehow.

AFTER WAITING A YEAR WE DISCOVERED TO OUR JOY THAT I WAS PREGNANT! We took all the precautions of my eating & resting right. All went well until the

second month when I started to bleed as I had in the other pregnancies.

WE IMMEDIATELY CALLED THE HOME TOGETHER FOR PRAYER, & the Lord did not fail to answer our cries! Several brethren had a vision of an angel going with me everywhere, holding my womb at the same time. One brother, Stephen Apollon, who has since gone to be with the Lord, had a vision of me at 8 months pregnant!

THE LORD WAS FAITHFUL & I WAS TOTALLY HEALED, & witnessed every day until delivery. I had to make the choice whether my faith was in the drugs or in God. I felt that if it was God's baby & if He wanted me to have the baby, He could do it!—And He did! PTL!

WE ALSO PRAYED SPECIFICALLY for a free delivery, a good doctor, that Daddy Aran could watch the birth & that it would be a labour without fear, as I was having many trials thinking it was going to be a horrible ordeal.

THE LORD ANSWERED EVERY REQUEST, & after two hours of labour our popped little Jonathan at 3.25 kg, on July 7th, 1978. The labour wasn't all that bad. I kept waiting for those "horrible bad pains" but I never seemed to have any. I just felt like I was going to have a big B.M. Hal—3 kilos worth!

ANYWAY, WE'RE SO THANKFUL for Jonathan, & now we really know that with God all things are possible! P.S. We don't want to discourage anyone from using drugs or whatever to have a baby. We just had to examine our faith to see where it lay & we felt God could do it for us, & He did!

Look & words of love from Mommy make Jonathan 3 months old with joy!

A Toast to His Little Ones!

From Seek Farmer, Spain:

First thing every morning
Until late every night,
I do what I can,

But when little shining eyes
Look at me with such hope,
They give me real courage
When at the end of my rope.

Day after day,
Week after week,
Weeks between weeks,

But year by year
We see a bit more
And get a few hints
Of what God has in store.

Missionary's Mail Ministry

Tips on how to get results—And some samples!

From Judy, Thailand:

I WANTED TO WRITE AGAIN TO ENCOURAGE YOU ALL WITH YOUR MAIL MINISTRY. Mine is booming & weekly I receive very inspiring & rewarding letters from those I am writing to. A little note & word of encouragement to someone really works wonders, especially remembering birthdays, anniversaries etc., to friends, fish, & especially to our own & our family.

SINCE I CAME TO THAILAND, I'VE WRITTEN TO MY PARENTS AT LEAST ONCE A WEEK, & to many of their friends. They are so touched that they all got together

& sent me a large donation in the mail! My parents & sisters regularly send me a specific amount each month. They are very happy to do it, as I always remember them in the little things (which is very important).

MY PARENTS ARE STARTING TO "BAG" to others about my missionary work & as a result I've got a donation from someone I've never met or written to! So it really pays to give a little love in such a small way. Below are excerpts from latest replies to my letters:

"Your experiences are exciting to read & think about. Never lose that energy & desire to help others. It is your greatest gift to your fellow men & yourself."

"Every night at 11 p.m. my prayers go out to you, Judy. God listens & I know within my heart that you are safe & well."

"We think it beautiful that you & your friends have dedicated your lives to expressing God's love. In this world today so many are striv-

ing to serve themselves first & others later. 'What the world needs now' is what you are doing—love & more love. How quickly the problems that so batter society would be solved if all of us were living this life of love. We feel you have chosen to travel the high road, a road that can only bring you peace & deep joy. We bless you & your group & know that God is blessing you also."

"I know you are working so hard on the Lord's work & some day you'll be greatly rewarded in the Kingdom of Heaven & that is the highest reward in the Universe. It makes me happy to know that someone far away across the sea is thinking of me & I love you more for doing so."

THESE LETTERS ARE ALL FROM FRIENDS OF MY FAMILY in the States. I pray this will encourage you to write more & send a little love to the many lonely hearts throughout the world. Love, Judy.

Our labors are in vain
As we polish each little jewel
To be part of His reign!
I watch them grow taller
With a tear in my eye—
Those difficult days
Surely did fly.
And now here she is
With such conviction in her eye

And see, here he comes,
My prayer to invade
Saying, "Take a look Mom,
Do you like what I made?"
One thing I've learned
Throughout thick and thin
Is if we just keep fighting
We can't help but win!

For Christ—Against Zionism!

The Christian League of Testimony: Their mission—to unmask Israel's antichrist character!

Letter received from "The Christian League of Testimony": (Arab Christians!)

Dear Father David,
WE HAVE BEEN INTRODUCED TO ONE OF YOUR PAMPHLETS & would like to know more about your mission. Would you kindly inform us as we may collaborate with you, if you wish.

HERE INCLOSED YOU WILL FIND A PAPER EXPLAINING OUR MISSION. We are ready to send all our literature freely in case you are interested. The pamphlet we read was in English. Please tell us if you also have in other languages. Thanking you in advance, we salute you in Jesus Christ. For the C.L.T.—K.N.

From a C.L.T. Pamphlet:
THE C.L.T. HAS BEEN CONSTITUTED TO TESTIFY FOR JESUS in the face of Israel's false messianism. One often forgets that Israelis deny the universal, non-racist Messianism of Jesus, the true Christ, & oppose to it their own messianism which is essentially Zionist. This restricted messianism is contrary to the Spirit of Christ & only belongs to the Antichrist announced by St. Paul (2 Thess. 2:1-2 & St. John 1 John 2:22).

ISRAEL TO ESTABLISH ITS FOUNDATION, dodges the "justification" of its widespread ambitions &, amongst other deceitful manoeuvres, Israelis base their pretensions on false biblical interpretations. THIS IS WHY OUR VOCATION IS SPECIFIC: It is not to demonstrate that Jesus is the true Christ—others have done it before us—but to unmask Israel's antichristic character. IN EFFECT, ISRAEL UNJUSTLY BASES ITS ENTITY ON BIBLICAL TEXTS & has thus deceived many Christians who, due to the lack of biblical comprehension, have been

misled, sympathizing or committing themselves to Zionism. This is contrary to their belief in Jesus' Messianism.

WE THEREFORE PUBLISH PAMPHLETS demonstrating, from the Bible, the following points: 1) That the Israelis of today are not God's chosen people. 2) That Palestine is not a land promised to them. 3) That they are not the Jews of the Bible but false Jews, false prophets. 4) The antichristic character of the state of Israel. 5) The apocalyptic dimension of the events of today, the reapportion of Israel being a "sign of the times" prophesied in the Apocalypse (Book of Revelation). WE DO NOT SPEAK OUT OF ANTI-SEMITIC FEELING but we are urged by a compassion for Truth & Justice.

OUR REPLY TO THE CHRISTIAN LEAGUE OF TESTIMONY:

Dear Mr. N.,
GOD BLESS YOU & GREETINGS IN JESUS' NAME! We would like to thank you sincerely for your letter, as well as for the interest which you have shown in our work. Your letter & pamphlet were a great inspiration to all of us, as we feel that your objectives & aims are in many ways similar to ours.

WE THOUGHT THAT PERHAPS YOU & YOUR FELLOW WORKERS WOULD BE INTERESTED TO KNOW A LITTLE OF OUR BACKGROUND, METHODS & AIMS in order to help us all better understand each other:

From "Extermination!" Letter No. 704: "Israel's policy to overcome this problem of the rights of the Palestinians is: 'Wipe them out!' And now Israel is threatening to throw the whole world into war over its stupid stubbornness!"

YEARS AGO in a town west of southern California. It was as you may recall, the height of the "hippie movement" in which thousands of the lost youth of America flocked to California looking for some kind of answer in the hippie subculture to the problems of today's complex society. It was there that Father David, his wife & 4 teenage children found a tremendous ministry in witnessing to these wandering young people, showing them that the love of God & their fellowman was the answer to their problems.

DAVID HAD BEEN AN EVANGELICAL PASTOR, as had his parents before him, but had grown disillusioned with the largely half-hearted efforts of the American churches to fulfill the Great Commission of Mark 16:15. However, he found his calling in ministering to these "lost sheep" who were sincerely seeking some sort of spiritual reality in the materialistic world of today.

AS A RESULT OF HIS FAMILY'S EFFORTS MANY WERE WONDERFULLY SAVED & DELIVERED from drugs, vice & crime, & truly became "new creatures in Christ Jesus" (2 Co. 5:17). Many, lacking any real goal in their lives, resolved to give their lives to Jesus & His Service, & to do their best to win others to Christ. So, it was thus that we had our humble beginnings.

SINCE THEN WE HAVE EXPANDED throughout North Amer-

ica, South America, Europe, Asia, India & Africa; so that we presently have a little over five thousand full-time missionaries working in 82 countries & a mailing list of thousands of friends. So thank the Lord! For we know that it is only He that has done it!

IN REACHING THE WORLD WITH THE GOSPEL, we have tried several methods with varying degrees of success, including musical groups, coffee houses, radio & TV programs, & of course, the printed word. We have found that the printed word is one of the best ways to reach people, so that in the last 8 years we have published over 300 million tracts, Bible classes, books etc., on every topic. Father David, who for health reasons cannot pastor us personally, has devoted himself to helping us reach the world through his written counsel, letters which we have found to be very popular with those outside our group, one of which you received.

SOME CHRISTIANS OF THE WESTERN WORLD HAVE CRITICIZED US for our somewhat radical (in comparison to theirs) views & doctrines, especially concerning our political & economic views. They suggest that we simply preach "the love of Jesus" & not become involved in "worldly affairs". However, we have found that, as the Good Samaritan did, you cannot simply pass by on the other

side of the road, & ignore the needs of the world!

WE BELIEVE IN A SOCIAL GOSPEL, AS WELL AS A PERSONAL GOSPEL, & want to have an influence on the world for good. & that as a Christian, it is not enough to say "Depart in peace, be ye warmed & filled". So it is this conviction, as well as careful study of the Scriptures that has led us to stand up & expose the Israeli regime with its gross injustice, illegality, & to also warn the world of what this will lead to if Israel & the Zionist movement are not stopped & brought to heel. We feel that the enclosed pamphlets, distributed in over 30 languages, explain clearly our viewpoint & that of the Bible.

AS YOU CAN IMAGINE, DISTRIBUTING SUCH PAMPHLETS IN WESTERN COUNTRIES has made us many enemies, & has indeed caused the media to attack us, some accusing us of racism etc., thus illustrating even more clearly to what an extent the Western press is influenced by the Zionist viewpoint. However, we know that this is our God-given duty, to warn the world of its mistakes, & to expose those who would prefer to bring the world into a war rather than yield or compromise, & who continue to rob & oppress the poor, as they once were. It is a dangerous job, but "If God be for us, who can be against us?"

MAY GOD BLESS YOU & keep you, & make of you a blessing.

—P. S. for Father David.

A Cure for Cancer?

A Turkish doctor discovers a secret process that dematerializes cells!—Gives credit to God!

From Mirth Trust, India:
THIS MAY SOUND CRAZY, BUT WE MET A TURKISH DOCTOR WHO HAS FOUND A CURE FOR CANCER & other diseases. He showed us pictures of patients before & after the treatment, plus newspaper articles from Turkey & Germany, & a document from a Mideastern government asking the Turkish government to please let him stay in their country to cure more cancer patients.

IT'S LIKE THE "ELIXIR" STORY! It seems that he's discovered a gap in time & while using an ordinary machine that is used in a physics lab (I believe it's the x-ray kind but I'm not sure) he found that at certain frequencies & timings that he could make certain cells dematerialized. HE SAID THAT EACH KIND OF

CELL (cancer, malaria, red blood cells etc.) are different, & that he has also taken a cup (which also has a certain type of cell make-up) & when he focussed the machine on it at a certain frequency & a certain amount of time, he said it disappeared or dematerialized, & then he made it re-appear!

HE DOES THE SAME THING WITH CANCEROUS CELLS by focusing the machine on the cancerous portion of the body. One man with terminal cancer was told that he was going to die but after this doctor treated him with the machine, he was completely recovered in 5 days. He also told us about numerous other cases of cancer, malaria etc. that he's treated who have also been completely cured, complete with be-
