

▲ The family in God's big Family
—Bernardo & Lynn & children
—Samuel & Andres.

you & the Lord had never let us down, & that encouraged us to keep going. After all, we didn't join the Family because everyone was perfect or because things were always easy, but because we believe you are God's anointed & this is His fold.

SO THE MOST IMPORTANT THING IS TO LEAN ON THE LORD & keep trusting in His Words. I can truly say I've been getting more out of the Word lately than for a long time. It is so inspiring to really dig into the Letters, there are so many valuable lessons in those old goldies. The Lord has been so good to us!

WE HAD WANTED FOR A LONG TIME TO BE IN A NORMAL HOME AGAIN with other brothers & sisters. It was really hard for us to keep on the attack living alone in an apartment, especially with Bernardo's busy schedule. He was home very little, so that left me alone most of the time with the kids.

I GUESS SOME IN THE FAMILY CAN DO IT, but Bernardo & I need to be around other people. Otherwise it's so easy to get into a selfish spirit, only thinking of yourselves & your own little private family. When you're living with others, you have to constantly give of yourselves & think of others, which isn't always easy but sure is a lot better.

WE HAD BEEN IN TREBOL FOR SEVERAL MONTHS UN-

TIL RACHEL EVICTED US. But the Lord doesn't take anything away without giving you back something better. Even tho' we loved the house, garden, location & everything so much, just the upkeep & constant repairs took so much time & money, so I think we'll be even freer to do the Lord's work here in our new flat. Anyway, I know the Lord knows what He's doing & will judge Rachel accordingly.

WE ARE REALLY HAPPY & UNITED WITH THE PEOPLE IN OUR HOME & are doing what we can to get the words out while there is still time. Bernardo's been letting me lit-ness (outside of Puerto). It is so encouraging to see how receptive the people here are to the Words, especially after so many of us witnessing here for such a long time.

TENERIFE HAS REALLY BEEN AFFECTED BY THE WORLDWIDE ECONOMIC CRASH, & tourism has dropped a lot, plus the people who do come have little money to spend. This of course has meant a large drop of clientele in the restaurant, but when we see many businesses having to close for lack of income we thank God for what we have. Also I think the Lord is trying to keep us trusting more in Him instead of the arm of the flesh.

ABOUT ROSER'S COMING HERE & CAUSING A BIG DIVISION: It was also a great purging & unification, & the people who are 100% sold-out are going stronger than ever & the Lord has really gotten us together, something which we desperately needed.

WE ALL LOVE SALLY & RICARDO VERY MUCH & are really sorry to see them off on the wrong track, openly confessing their doubts & even propagating them. Sally has been

such a strong fighter before & we all had so much respect for her. I know you love them so much too & it must truly grieve your heart to see them turning away. We hope they will see the error of their ways & repent. I think Sally really got sucked in living with Ricardo away from the Family. I know it's hard, especially when her mate is not strong spiritually & has a lot of doubts. I think she really gave in & started compromising with him.

I DIDN'T WANT TO GET INTO THE BAD NEWS, BUT REALLY IT'S SO SMALL

when you think of all the good news & all the mighty miracles the Lord is performing. I pray we will always be a blessing & encouragement to you & that this year will be one of even greater things for you & for us, your children. We love you very much, & would love to show you in person. But anyway, you are always near our hearts. Lots of hugs & kisses & love, Lynn & Bernardo. (¡Os amo mucho!—Dad)

From Juan & Amor:

Dear Dad & Maria,

GBY WLY! WE ARE ALWAYS PRAYING FOR YOU! Thanks for your faithfulness & for trusting in all of us in spite of our mistakes. You are a real sample of Jesus' love to us. We are Juan & Amor & we have been in Tenerife since November. When we came here we made a Home in Trebol with Juanjo, Conchita, Lynn & Bernardo who were living in different places until then.

WE WERE VOTED HOME SERVANTS, but as this is a different field from the peninsula we have been working together with Lynn as co-Servant, helping us with things we didn't know about the work on the Island. We are very thankful to the Lord for bringing us here,

& to be living with brethren who were living with you & love you as much as Lynn & Bernardo.

IN OUR NEW FLAT WE HAVE GOOD UNITY, attacking the streets with the Letters, witnessing, FF'ing, & we have meetings too in Santa Cruz park with young people who are interested, where we sing songs & give them the Word. Also Lynn & I are working 4 nights each in the restaurant, & Juanjo & Celia are singing almost every night. The Lord is blessing it a lot.

WHEN WE GOT HERE WE NOTICED A LACK OF UNITY AMONGST THE BRETHREN. At first we didn't see the cause, but now it has become so clear, because it's been a few days since Roser came here talking with everybody she had known to "open their eyes", saying that you are not God's prophet & a lot more dirty lies that she said in the Church of Love in front of everybody, making a division between the ones who believe that you are the prophet of God & the ones who believe you are not.

EVERYBODY HAS BEEN ABLE TO SEE WHERE THE HEART OF EACH ONE REALLY WAS. The "catacombs" reaction was very bad, supporting Roser, together with Sally & Ricardo, except Paco of Merche who stood up against the lies together with us, defending the truth & testifying of his complete faith in you, TG!—We have at least one catacomber with all his heart.

ALTHO' IT'S NEVER PLEASANT TO GET DIRTY WITH THE DEVIL'S SHIT, it worked out because it made us take a position & fight for the Truth even tho' those who were doubting & denying didn't want to hear the Word we gave them. We know Ro. 8:28, & it will help us to be more together now fighting.

MAYBE THE LORD LET IT HAPPEN BECAUSE OF THAT: Sometimes we discuss amongst ourselves until the Enemy attacks thru' the gap we left open & then we have to come together to repair it. The problems with in disappear because we haven't time to think of ourselves.

THIS HAS ENCOURAGED US TO HOLD ON MUCH MORE TO THE WORD, to have a mightier shield of faith, wherewith we shall be able to quench all the fiery darts of the wicked (Eph. 6). We don't know very much—the only thing we know is your Letters & the Bible & we say to you with all our heart if it wasn't for you & the Letters we would be lost without knowing what to do.

EVERY LETTER IS ESSENTIAL FOOD TO KEEP US LIVING & FIGHTING. We love you & know we can't repay everything you have done for us, but we want to give you everything we have—our loyalty & our lives to do the best we can for the Lord & His Prophet-King & all the little sheep that need the Wonder Working Words. With much love, —Juan & Amor.

From Miguel & Magdalena:

Dearest Dad & Maria,

WLY VERY VERY MUCH & KEEP YOU CONSTANTLY IN OUR PRAYERS. We are very happy & thankful for Faith & Juan's prayers, they are a real inspiration for all, GBT! We pray that the films they have made of the Family here are a great inspiration for you.

WE WANT YOU TO KNOW THAT WE ARE ON THE ATTACK & fighting. We keep conquering new lives for His Kingdom & thanks to God there is a new generation of friends whom we are showing your marvellous & sweet love. They are real thankful & happy to have found it!!! Oh, we are really very happy & thankful to be able to be at your service, our "Shepherd"

& "Shepherdess" in the Lord. Always yours,—Miguel & Magdalena.

From Jose & Celia:

Dear Dad & Maria,

GBY ILY & PRAY YOU ARE WELL, & I am praying that the Lord inspires your heart each moment letting you know that we are fighting each day for the Truth. Don't worry because "the much bitterness cannot put out the love that He has put in us for you".

IT HAS BEEN A REAL BLESSING TO HAVE FAITH & JUAN HERE, as they have helped us so much in renewing our vision & to fight with new ideas for the work here. We feel very bad about the things going on with Sally, but maybe she'll change when she sees that the Spirit of David has left her. We are going to do what we can to keep her close or like a friend.

ALL OF OUR FRIENDS HERE LOVE YOU & they wait for you to come back. It seems that the judge of Orotava is going to be sent to Bilbao (where all the terrorists are) & he is real scared to go there, so it seems that the Lord is going to judge him. A friend of ours who is a lawyer says that the judge is doing a lot of harm & that no one likes him. Heavy, huh?! I'll write you another letter with more details, but right now I want to tell you that I love you very much. Much love & prayers, Jose & Celia.

From Caroling:

Dearest Dad & Maria,

ILY VERY MUCH! I WANT TO THANK YOU FOR SENDING FAITHY & JUAN HERE. They really helped us. It is so beautiful, because Faithy is the way I always thought you were like.—Like the branch, so the fruit! She was also such an inspiration to your dear friends here. They all remembered you & asked when you were coming!

WE ALL HERE KEEP ON FIGHTING FOR THE TRUTH.

"When the Spirit of God moves in us we witness & FF & witness & sing & laugh & dance like King David!" ILY so much!—In faithful dedication to you & the Lord.—Carolina.

P.S.—IT WAS JUST THE LORD'S TIME FOR FAITH & JUAN TO COME, just after Roser & others spread such lies about them. We could see the true spirit of David was much stronger than the lies of the Devil!—C.

From Juanjo:

Dear Dad & Maria,

LOTS & LOTS OF LOVE TO THE KING & QUEEN to start! I have a few things to share that I have collected:

ALMOST EVERYBODY ON THE ISLAND, from the waiters to the taxi drivers, are wondering how far it is to the next big war. At the same time, as tourism has decreased by 50%, it seems like we are going into these 3 years you talked about in which we are going to have trouble.

DO YOU KNOW THE OFFICIAL SYMBOL OF TENERIFE?

I just saw it a few days ago & it really surprised me. In case you didn't know I want to tell you. In the middle of it you can see Mt. Teide exploding in flames. At the right there is a lion standing on its back legs with the first legs up. (Sorry, I don't know my English expressions.) Anyway, at the left side, guess what it is? The Archangel Michael descending from Heaven ready to fight! At the top of the whole symbol is a royal crown & all around is a phrase in Latin meaning "The Archangel Michael comes to help God's people." Isn't that something?!

SOMETIMES TEIDE, AS YOU WELL KNOW, GETS COVERED BY A CLOUD. Two months ago a big storm of sand

from the Sahara polluted our atmosphere making the air yellow for 2 weeks. Well, about the same time, a subtle cloud came over Teide, which was already hard to see, hiding it mysteriously.

AS I STOOD LOOKING AT IT, a question came to my heart:

Why do we receive these sand storms? And why is the top of the volcano covered? Is it that something we don't know about happens over there in the spirit world? Could there be some kind of meeting? Is it possible that spiritual beings, or some kind of heavenly visitants meet over there to decide something? To be honest, that was my real impression, even when my mind rejected it as a fantastic tale. But I know everything is possible in the Spirit World. What do you think? (Amen!—Dad.)

IN YOUR LATEST ADVISORY ABOUT THE "CRASH" you sound close to die. I know how tempted you feel to go Home since long time ago. Maybe it is even hard to fight against that burden to meet the Lord

up there, & so you think like you won't be able to stand it next time & that as soon as the temptation attacks again, you could say bye.

BUT, IF YOU ARE THINKING THAT WE DON'T NEED

YOU HERE, let me tell you that I believe we do need you still. On the other hand, the Lord has been very specific about the days of your years, which are going to be 70. Last time when you were close to death & when we all fasted for 3 days, we here had a prayer session for you, a real desperate one, & the Lord did give us a prophecy thru' me in which He said that your years, a number already declared by Him, would not be shortened. PTL!

ALSO LAST YEAR I RECEIVED A FEW PRECIOUS PROPHECIES about you.

Would you like to hear them? —Don't worry for these brothers & sisters falling down, even after being very important people in the Family. Don't worry if they become enemies. You still have the faithful ones, these who are following the anointing from the Lord in you, ready to fight at your side.

"THE COMING DIVISION PROPHECY"

(Letter No. 117A) says that you would have strong men standing for you. By God's grace & mercy, my sword is ready, my arm firm & my heart thirsty for war. Sincerely, we are all praying for you. We would like to hear that you are as happy as ever before, in spite of all the troubles. Yours in His Service,—Juanjo. (I'm happier than ever, now that I've read your letters! —Thanks!—Dad.)

RFN! DO October 1979

1. HI! I'M PETER & I DO THE BUSINESS.

Dad had a revelation about me the other night! Ha! Well, that's getting a little ahead of things I guess. It all started about a year & a half ago when I received a mysterious phone call from Timothy asking me to come over to Emmanuel & Hannah's house. Now it wasn't so odd that Timothy was there & asked me to come over, as he had visited in the past, but when he said, "Make sure that no one follows you", I knew something big was up!

2. AFTER DRIVING ALL AROUND THE BACK

STREETS I arrived & knocked on the door, & Alfred whom I hadn't seen in six years & who had led me to the Family, was there to greet me!—What a surprise! It was so good to see him & Sara, as well as to meet all Dad's other staff members. This was the start of my daily mail-runs to their house. I cherished those visits & all the little lessons I learned from the always cheerful, loving staff.

3. THEY NEVER FAILED TO LOVE ME UP & to sit & share with both me & my wife Damaris whenever we visited, & just talking & observing them in their daily lives taught me so much about being simple & saving, as opposed to the luxury & extravagance I had learned from some Chain leaders before.

4. A NEW FACE APPEARED IN THE DOORWAY late one afternoon while bringing over the mail, & although I hadn't met her before, I knew right away who it was, as Dad had already described her so well in the Letters. Maria truly is an angel, & I thought I was in Heaven that day! We sat & talked for about one hour, although now I could never tell you what was discussed, as I was on Cloud Nine! I do remember though, that she was the sweetest person I had ever met.

5. MY DAILY VISITS THERE LASTED A FEW

LIFE-CHANGING MONTHS until suddenly they were off to a new location, as they really are Gypsies! Oh, what a change! I missed them so much, but I was sure thankful for those "Days of Heaven"! You

can imagine my shock 21 months later when I received a call saying that after two very close calls in Malta & Sicily, Dad had to flee & had nowhere to go—could we possibly make arrangements for them to return! Although very concerned for their safety,

6. I WAS OVERJOYED THAT THEY WERE COMING BACK! During their first time at that location I hadn't met Dad, as Maria had explained to me, "Dad makes it a policy never to meet anyone he doesn't absolutely have to". This was of course, fine with me, as meeting Maria & the others was already such a great privilege. But now they had asked me to meet them at the airport & drive them to Emmanuel & Hannah's house!

7. YIKES, I WAS SO NERVOUS!—Especially realising that I would not only meet Dad, but also drive him home! I cleaned out the car like it had never been cleaned before!—It's not everyday you get to chauffeur the King—& drove off to meet them at the airport. I waited with bated breath as they breezed through customs, & Dad gave me a warm hug & said, "God bless you, Son, thanks for coming to pick us up."

8. NOW, WE WERE STANDING RIGHT IN THE MIDDLE OF A CROWDED AIRPORT LOBBY & I'd just driven there making sure that no one had followed me, & I was quite freaked out about security, & here Dad gives me this big hug! Ha! I've since learned that he always gives a hello & goodbye hug whenever you see him.

9. WELL, MY DAILY MAIL-RUNS STARTED AGAIN, but this time a number of business meetings & dinners with Dad were included, which were such a blessing!

10. TO SIT AT HIS FEET & to learn the many important lessons that he was sharing was the most wonderful time of my life after getting saved. But don't think you've missed out on those same lessons, as many of them have come out as Letters. PTL! When it came time for them to leave again I could hardly believe they were going, & it was a lot harder on me this time, as I'd come to love them all so much more, & their departure really saddened me. I was sure this was the last I would ever see of them all!

11. BUT GOD WORKS IN MYSTERIOUS WAYS!

Some months later Maria called me to explain that Timothy was returning to be with his wife & that they needed someone to come temporarily to take his place. She asked if I'd be willing to come for about a month to help out, as she was
