

scious blessing I keep deep in my heart. And you looked so good! Your face so kind & reassuring. "Faith is knowing"—you looked so happy, so sincere, so deep. The anointing the Lord has given you just shined out of the screen! **EVERYTHING YOU SAID WAS SO EASY TO RELATE TO**, so easy to visualize. It was so feeding & convicting, & even tho' you especially challenged the unsaved at the end, you definitely challenged me to be a more faithful witness for the Lord & never be afraid to proclaim His Truth Love, Uriah & Katrina.

From Mary-Magdelene, French MWM's DJ:

Dearest Dad & Maria, **THANK YOU SO MUCH FOR THE BEAUTIFUL TIME YOU OFFERED ME AT LOVEVILLE!** It was so feeding & simple! I hope & pray that I can faithfully pass on the love & lessons I've received there. The most beautiful thing I'll keep secret, but it was to see you, Dad, on video, & your face often comes on the screen of my mind as an anchor, like an image of the Lord. You are my greatest love on Earth! **I DIDN'T REALISE UNTIL**

I'D GOTTEN BACK TO FRANCE how much you & Loveville had done to me these past four weeks. In Loveville the Lord was not in the thunder or the earthquake but in the still small voice—thru your voice in the tapes, videos & CDs, thru the MWM tapes, videos & of course the sample of love & concern given by the brothers & sisters.

THERE WERE TWO POINTS THAT STRUCK ME THE MOST PERSONALLY: Simon's motivation to reach the souls of India that led him to do the Show in the first place, & your strong urge to give a Salvation message at the end of each of your videos, altho' your first field is the Family. I sure made me check my motives!

ESPECIALLY WHEN I HEARD THE FRENCH MWM SHOW 2A & 2B that I'd done. I'm sorry, Dad, for the result which is so slow, dragging, monotonous & the songs that lack variety. I should have looked at the souls it could help save & put my all into it, despite the fact that I was still a bit sick & under the shock of your message about Mitterand's election. Like you said, Dad, if we only

get one soul for the Lord we'd feel that it was worth it all!

YOU CAN'T SPEAK FROM YOUR HEART IF YOUR HEART IS WRONG! Well, I finally saw that my main motivation was to find where I could fit, where I could be fulfilled & happy, instead of reaching the French-speaking lost souls, & that was the reason the French MWM Show 2 lacked fire. Like you say, when you can't see your audience, you really have to keep the vision that you're actually talking to somebody! So Dad, please forgive me for not doing it even tho' I was warned by your tapes. The change of heart came slower; I have so much to learn!

ONCE AGAIN I WANT TO THANK YOU from the bottom of my heart for giving me this chance. Daniel reminded me that it was an answer to my prayer to be closer to you & Jesus! I love you forever in Jesus—your Mary-Magdelene.

(Amen! GBY! ILY!—Thanks for your encouraging words of love & gratitude. I didn't realise I was gonna make such a hit & be thought so beautiful! Ha!—But Maria did, GBY! GBM & KM'M a blessing!—D.)

Get back to work until the job is done!

(Chorus) He just had to keep movin' To prepare the MWM Show! He just had to keep pushin' Til it became the Greatest Show on Earth!

Simon moved to Athens Where he got the word from Dad To make the whole world Mad, sad or glad! So he called for some musicians With the help of Faith & Juan Til they got to be about 80 strong! 140 stations booked within a year 40 shows broadcasting loud & clear! Now Simon is the Show itself And Dad his baby to grow Hence the International Music With Meaning Show!

(Chorus) He just had to keep movin' To prepare the MWM Show! He just had to keep pushin' Til it became the Greatest Show on Earth!

He travelled throughout Europe Looking for some songs He even wrote letters to Hong Kong!

So he took what he could gather To use on his first Show. Faithful with little, God gave him some mo'!

Tired of broadcasting Simon decided to quit Til Dad wrote, "It's von ting just to schtick!" There are countless millions Depending on you, son.

Simon Peter Keep Movin'! (Written by Michael Fogarty to the tune of "Gotta Keep Movin'")

Simon, one of God's children Since the beginning of time Looked for a Show that's Only seen by faith! Had to live like an Indian Stranger to the world Wandering without a resting place! Simon Peter could've been an actor

But he got the Word from above To leave it all & join the Children of Love Tho' all his friends got angry Simon didn't fear, Said to himself, "I gotta pioneer!"

battles. At the time we had no idea why or what the Lord had in store. But looking back now, we have a thankful understanding that all this was necessary.

"WELL, WE NEVER BACKSLID ALL THE WAY." That's what Peter & I & our at that time 3 children & a precious Danish sister named Grace told ourselves. Ha, ha! But what we have come to learn is that you can backslide within yourselves while still thinking you're in the Family. Just like Dad has told us for years.

WE ALWAYS SEEMED TO BE BUSY—busy being salah, busy at system trades to support ourselves, busy worrying about the new babies that were soon to be born (Grace was pregnant with a Jesus baby & I with our 4th). Sometimes we were busy worrying about the rent, the utilities & on & on. But we really were not trusting & seeking the Lord's solutions thru' the Word.

So of course problems just tumbled about us & heavier came each task.

WE HAD BEEN IN GREECE ALMOST A YEAR WHEN FAITHY & JUAN ARRIVED. And were they ever a refreshing sight for sore eyes, as the expression goes! The whole area at the time was going thru' a purging. And Faithy & Juan really helped us all to get back to our "First Love". Chronicles & his family had just arrived from America. Then came Jeremy, then Simon Peter, then Michael. Whew! It was so exciting because we could feel in the Spirit that God was moving & working & about to accomplish something great!

WE BEGAN SINGING TOGETHER AT THE CLUB in Athens that Peter helped pioneer & was also working at. We also recorded some of the first songs in the new studio. These were some of the happiest days I had had in a long time! I truly felt new life & purpose in not just singing before a crowd & then it's finished

Co-MC of Music With Meaning—Topaz! "...with shimmering sheen she shines with a light without end!" (777-20)

but putting it down on tape for many, perhaps not forever but for a long time, TYJ!

AT THE TIME WE WERE LIVING IN A ONE-ROOM APARTMENT in the middle of Athens. The camping Letters were exciting to us but we just didn't see how we could do it with two babies on the way in the middle of winter & with no extra funds or any camping equipment. Then, boom! "The Crash Is Here" came! And boy, did that Letter shake us up! We began to really pray for the Lord to help us go mobile somehow.

AT THIS TIME CHRONICLES & PATIENCE DECIDED TO GO BACK TO AMERICA. This saddened us as we were very close to them. But his father had offered him help in going mobile or getting a refuge & he felt it was what he had to do. After they left many times the thought would come to us to "go back". But I noticed the thought came only when we were the most down & discouraged, so we knew it was just the Enemy.

I REMEMBER READING THE LETTER "SHITICK" & it being such a help in giving me

new strength to fight. God bless Dad & Simon Peter. Faith & Juan were away at the time, so Chronicles gave Peter the car that Faith & Juan had given him for a very small price & asked Peter to sell it. In Greece this is a monumental task. Lots of red tape. By a miracle of God Peter sold it just before its permit was up & the Greek gov't. was about to confiscate it, TYJ!

WHEN FAITHY & JUAN RETURNED & WE GAVE THEM THE MONEY FOR THE CAR, guess what they did? They gave it to us! We were just amazed! God bless them! We just cried to see such sweet & loving concerned shepherds—giving always. Well, with this money we bought our first tent. Hallelujah!

SHORTLY AFTER WE BEGAN CAMPING AN INCREDIBLY WONDERFUL THING HAPPENED! We spent "7 Days With Dad" via 1-hour tapes every night! Wow! We were all in 7th Heaven! Music With Meaning for the World was no longer a dream but a clear & precise reality.

ON ONE OF THESE TAPES DAD SUGGESTED WE MOVE IN AS FULL-TIME WORKERS AT MWM! Wow! All the tapes were so full of love & encouragement to each one personally. To say the least, it changed our lives & increased our vision.

Dad's voice so lovingly wooed & soothed us all. And all the pains & sorrows, troubles & woe of the past just melted away, TYJ! Thank God for such a wonderfully dedicated prophet who is always there to call us back & even search us out when we've gone astray.

NOW TO BE HERE AT MWM IS FOR ME THE CLOSEST THING I'VE EVER EXPERIENCED TO HEAVEN! Of course, the battles, testings & trials still exist. Hal PTL, that's what we all joined the Army for, & I'm glad I "shituck"! I Love, Topaz. (PTL! GBY! ILY!)

I'm Glad I "Shtuck"!

Five MWMers tell why!—And how!

From Simon Peter:

Dearest Dad & Maria, **GBY! ILY SO MUCH & AM SO THANKFUL FOR THE PLACE OF SERVICE** that you & the Lord have given me & that I am able to be part of this tremendous ever-growing worldwide MWM Ministry! It's certainly much more than I deserve because, as you know,

AT ONE TIME I WAS ABOUT TO FORSAKE IT & leave my post & turn my bishopric over to another! I'm so thankful that you wrote to me that priceless lesson "Shtick" & that thru' God's grace, strength & mercy I have been able to do so & be used by Him in a way in which I feel completely incapable & unworthy. Truly His strength is made perfect in our weakness, & why God chose a fool like me only He knows. I guess it's Scriptural! (1 Cor. 1:27!)

THIS WEEK WE BEGIN WORK ON THE VIDEO OF THE "LOVE TAPE". What a beautiful idea, Dad, that we should strip & make love before all & show the world the true beauty of love & love-making & show them that this is truly the Kingdom of heaven on earth! How marvellous to be able to give God the glory for sex, the most exciting wonderful thing that He's given His children to enjoy! How thankful we are to you, Dad, for being so sexy & for helping us to enjoy life, love & sex to the full!

TRULY WE ARE MORE BLESSED THAN ANY OF GOD'S CHILDREN ever have been. We have so much more Word, so much more love & instruction & counsel & shepherding & training than any Christians ever had before! And it's all thanks to you, Dad, & your faithfulness to "shitick" over the many years. The longer that I'm in the Family the more clearly I can

Simon Peter, the original MWM shitick!—Hal!—Now being mightily used by the Lord to reach the hearts of many souls & bring glory to God.

see just how great a prophet you are, so much greater than any who have gone before.

MAYBE WE WON'T FULLY APPRECIATE HOW GREAT YOU ARE until we get to Heaven & see you on the right hand of Jesus & how ashamed we will be then that we didn't obey you more, jump to it quicker when you gave the Word & shitick to the Letters more closely.

PLEASE FORGIVE ME FOR MY WAYWARDNESS in the past & for not serving you as wholeheartedly as I could. Thank you for your faith in me & for your tremendous constant love & encouragement, for all the so many encouraging & strengthening things that you've said to me on your tapes. Dad, it's these that have made a new man out of me & have given me the faith to step into the role that the Lord wants me to play with all my heart!

I REMEMBER ONE BEAUTI-

FUL SPRING DAY, just like this, in England in 1973 when I first joined. I remember the joy of my salvation welling up inside & I was so thankful for it that I just cried & desperately prayed that the Lord would never let me leave the perfect path that He had planned for my life but would see me thru' unto the End so that I could indeed look Him in the face & hear Him say, "Well done, thou good & faithful servant."

TRULY THE LORD ANSWERED MY PRAYER WHEN I RECEIVED THAT LETTER FROM YOU that kept me abiding in my calling, & it is still here today, & I pray I can continue to "shitick" close to you & the Lord so that He can continue to use me to MC His music & to speak your words to the people. The only way I can ever think to repay you is to follow closer than ever before & with God's help never leave an "unguarded moment" so that I disappoint you & cause you heart-

YES, I'M GLAD I SHTUCK! But I can only give the credit for that to you & Jesus (Jude 24). I hope that the fruit of the MWM Ministry will encourage others to do the same & not ever leave their plough in the field as I could have done. Your thankful son, —Simon Peter. (GBY, Sm! ILY!)

FROM TOPAZ:

ON THIS SUBJECT I CERTAINLY HAVE TO GIVE CREDIT WHERE CREDIT IS DUE, & that is to Jesus, "the author & finisher of our faith". When we are faithless yet He remaineth faithful. So many things looked pretty dark & gloomy & even hopeless but thanks be to Jesus we "shituck"!

I GUESS THE LORD KNEW THAT BEFORE HE COULD GIVE US SUCH A MIGHTY BLESSING as working with Music With Meaning we had to go thru' some good sized testings &

FROM ABEL SEAMAN:

Dear Dad, Maria & all,

HII GBY & THANKS SO MUCH FOR ALL THE BLESSINGS you send us. I wanted to write & let you know that I'm glad I shtuck too. It was only one year ago that I wanted out of here as it was so hard—sleeping in a tent with holes in the cold of winter, without heating, & alone.

BUT NOW, ONE YEAR LATER, the Lord's blessed us with beautiful tents, electric heaters, rugs, bungalows & even caravans! And no longer alone due to the greatly increased sharing as we're becoming more "One Wife" here. Hallelujah! That's a real victory!

"THE JEANE MANSON REVELATION" WAS A PERSONAL COMFORT as sometimes I feel I should be hated by now, but it's less of a problem due to the wonderful care we get here. Boy, do we have such loving mothers & sisters. They make it easy to be single. It's really a "Family Marriage" here more & more, & the sacrifices our precious mothers make for you really inspire me to want to do more for them & their children! So that's been a real victory. In conclusion, it's been a real blessing to help here in any way I can. And thank you, Dad, for your tapes. We just love 'em & they have sure made it worth "shiticking"! I'm so happy to be in your & Jesus' service. Love, John. (PTL! WLY!)

From SOLOMON DRUMMER

PTLI I'VE BEEN AT MWM FOR ALMOST A YEAR NOW & it's been the best, most fulfilling & satisfying year of my life. I thank God I "shituck" because I can see how the Lord has used me. And the Lord's personal words thru' Dad to me were really worth "shiticking" around for! **WHILE HERE I'VE BEEN THRU' TRYING & TESTING TIMES**, mainly thru' sicknesses,

Abel Seaman, Loveville Log Keeper & teacher to the camp's crossers, reading with Maresha-3½ of Jeremy & Fiona.

but the Lord is helping me to keep hanging on. If I weren't here I dread to think what I'd be doing. I'd be a mess just like I was before I came here! So I thank God for His continued mercy in using such a one as I. Yes, I was a backslider, but now I'm enjoying the benefits, PTL! God's way up is down!

BEFORE I JOINED THE FAMILY I WAS A LOST DEFEATED HIPPIE DRUMMER watching the flame of my life slowly flickering out before me until the day I met Onesimus & Adoriam in a park in Bromley, England & they led me to the Lord. Two weeks later I forsook all & joined full-time.

FOR TWO YEARS I FORSOOK PLAYING THE DRUMS, trusting the Lord to use it in His time. Well, His time came when I was in Dublin in the form of a phone call from Martha saying, "We're opening a Poorboy Club in London. Would you like to come & play drums?" I was there in London for a long time learning many valuable lessons, mainly by mistakes.

THEN I WENT TO AMSTERDAM & helped in their Poorboy Club, then accepted an offer to go to Athens. I was there for 6 months but wasn't happy so went back to England for a while. Then Zach & Shalom wrote me

from Belgium & invited me over. This was the beginning of "TLC" & I really enjoyed being with them. As long as we were recording & getting new songs, it was great. But when we didn't, things began to stagnate.

DURING A STAGNANT PERIOD I GOT A JOB at a piano bar in Antwerp. There I met a Russian girl I liked & thought I'd try & win her to the Family. I moved in with her mainly to get away from the upside-down home I was in at the time. Well, living with her, having a job in a nightclub & not having much fellowship anymore started me on my downhill road.

AT ONE POINT I TRIED GOING TO ITALY TO BE WITH MICHAEL & JEREMY, feeling that if anything was going to happen with Family music it would be with them. But while there I didn't see anything happening, so I went back to Belgium to the same club, the same girl, the same rent. But I did keep writing to Patience, Michael's wife, which in the end helped bring me to MWM, PTL!

WHEN THE LORD WAS READY, HE CLOSED ALL THE DOORS IN BELGIUM & I finally woke up & applied for clearance to MWM. I'd had enough world & I wanted the real thing again! I was invited, so I bought an old
