

all this to you, but one of the girls here told me that the men she FF's are the ones that really fill her need for tenderness and thoughtfulness and appreciation.

The brothers almost turn her off by being so cold and unappreciative, even after making love to them! I felt it was time to say something about it, in the hope that somehow we can help the brothers improve in this area. Really, I think it's not all our brothers' fault the way they are.

In the militaristic revolutionary past, romance and love was so de-emphasized, sad to say. I guess they just need to be reminded that girls have needs too! Hallelujah!

Love,
your Adar

P.S. Keren says lots of comments on this have come in the mail also. (DAD: Amen! The girls want real love, Boys! Wake up!)

Dearest darling Dad,

I just wanted to add my two cents on the beautiful subject of Love and sex, as Adar and I have been sharing our burden to see the ancient lost art of Chivalry and Romance reborn! You, Dad, are THE greatest at this I've ever seen or heard, so we're appealing to the expert!

I just wanted to touch on the subject of girls' sex needs a bit more, as they are very real and girls can get just as "horny" as guys! We've had many comments about this.

So many of them can't reach a climax either (although "Rev. Love-making" is such a good class!). It seems our dear boys need a little something more on this.

A great deal of it stems from their

past years in our Family when sex was taboo, and if caught reading a book on "how to" or anything, you were really "in the flesh", as we used to say.

What a help "Loving You" was to the guys and girls!—GBY so much! Ah, love, sweet love!—We need you to show the way, and help us play, and love His way!

Thank you again and again for His love through you and your life-giving sample! ILY so much Dad, you're always in my dreams!

—Your Keren.

P.S. Many have mentioned how their only trials in sharing their mates or in FF'ing are when they don't have anyone to share with at the same time. We know you never leave anyone "out in the cold" and always make sure everyone is taken care of and happy.—Again, you've said it already, but...

We just received a very sad little letter from one sweet sister who loves to share her hubby, but he is not meeting her needs, nor does he see to it that she has someone to share with either!! Hard to believe—sad but true!

Adar's working on the replies to the sex questions and they are so needed and will be a tremendous help—we can hardly wait to get 'em out! You are the most wonderful sample of concern for us gals—and guys too.

"The Love of David" was beautiful and is beautiful, and we are so thankful for our David and His Love through you!! Such pure love of Jesus! Gosh Dad, I'd better quit or I'll waste your time, but—

Oh, how I love you because you

first loved us so very, very much, and we just can't do without it! XXXXXXXXXX again and again!

(DAD: I've always said anyone whose mate is FF'ing should always

have a "babysitter" to take care of the mate left behind—but never alone!—The best cure of the "FF Blues"! Please be more considerate and thoughtful of your mates, folks!)

REACTIONS TO THE "Loving You!" TAPE!

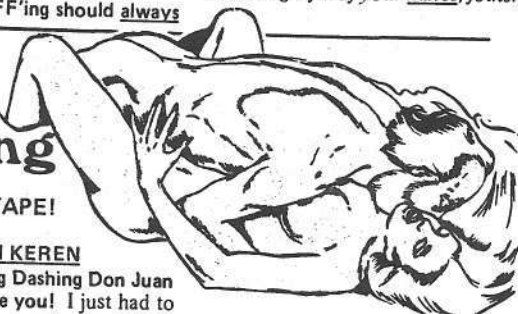

FROM KEREN

Dearest Darling Dashing Don Juan Dad!—How I love you! I just had to send you some Love after hearing your wonderful new "Loving You!" tape! How I love my Don Juan of the Spirit!

Not only is it a good aphrodisiac—ah, hallelujah!—but it also is such a beautiful expression of the tremendously concerned love you have for others and even a good class on love-making!

You are so very expressive, verbally, of your love, even poetic. Oh, it's just so beautiful to hear your voice with such sweet and endearing words of love. I guess I've always been a "word" person—and you've certainly got 'em!!

And it shows how concerned you are for the other person physically, plus the freedom you have and the great and beautiful love the Lord's given you for your special Queen of Love and her for you! Long Live Love! I love, love, love you!! With lots of love and many, many thanks,
—Your big little lover, Keren

A LOVE HEART TO MARIA! by Joseph Lovesyou

Oh, Maria, Maria, Maria, my dear, I felt you, I saw you, I held you so near, as you danced for David so free. You slipped into my heart—yes, you did it to me! I felt each curve David did describe! Oh yes, I had the nerve to even explore inside!

Maria, you danced on top of David's peak. You wiggled your soul on top of his pen until his yen it did spill, and you he did fill with seeds of his heart for your love to spell.—The story for all to tell, the deep things you dip from David's deep well.

You suck at his breast and thrill to the rest. Oh my God, Maria!—You are the best! And me, I'm oh so blessed! How could I do less than fuck you my lass (oh what a heavenly ass) and suck your sweet breasts! Ooooh! Ohhhh! David knows your soft sincere nest—he told me as you lay on my chest...

the time to write. I thank you, too, for the scriptures you have sent. Dreams do often tell us things, and I am thankful that you are an obedient servant to Jesus and do His bidding without questions.

"I will forward your letter to Jimmy so that he may read it and can take advantage of your scriptures first-hand. Keep us all lifted in prayer, please, and be assured that we do the same for you. In His Love, Ruth (Carter Stapleton)."

My last letter to Ruth Carter Stapleton was after reading in the Family News about her leading Larry Flynt to the Lord. I wrote to her about him because the article said Flynt wanted to change his "Hustler" magazine to show sex with

a healthy attitude and with spiritual values. I told Ruth that Dad's writings on sex could surely help Flynt to do that, and I enclosed a copy of "Mortal Sin or Salvation". I asked her to send me Flynt's address so that I could send him some of Dad's writings on sex and love.

It was after my letter to her that Flynt was shot and paralyzed. After this happened, Ruth sent me Flynt's address and encouraged me to write to him. I just wrote him and enclosed a copy of the "Come On Ma" comic and also shared with him from "But If Not" to encourage him through his crisis. I plan to write him often, sending Dad's Letters on love and sex. (DAD: GBY! Prayed for him!)

VISIT to PARENTS RESULTS in LIFE-CHANGING MIRACLES!

by Jeshana Gypsychild; Sao Paulo, Brasil

When I left my parents' house six years ago as a "rebellious hippie", we weren't even on speaking terms. After I joined the Family about a year-and-a-half ago, I tried to share with them in letters about the changes in my life and in my heart. I got so discouraged with how unresponsive they seemed to be that I quit writing them (Lord forgive me!).

Then I received a telegram begging me to visit them in the U.S., and they sent a round-trip ticket. I was really excited about going, as they are extremely rich Jews and I knew the Lord could do a miracle and win them as friends to the Family.

During the month I spent alone there, I really got to know them and reach their souls. One night my mom and I stayed up all night shar-

ing with tears. I even shared how I was FF'ed into the Family, which she thought was beautiful after all the painful relationships she knew I'd had in the system! She shared her feelings of frustration and sadness at not having been able to understand me. We broke together.

A week later she said, "You are in another world. I want to know it!" So I began witnessing to her about the Lord and about Daniel prophesies. After sharing the story of St. Francis in "Brother Sun" she began to cry. I asked if I could pray for her. Afterwards I asked if she'd like to receive Jesus into her heart. She closed her eyes and prayed with me! Hallelujah!

At first, she had a hard time receiving the Name of Jesus, because

you I carressed and you I carressed.

We don't seem to rest, for when you get near me—oh dear me!—how you steer me! Oh Maria, Maria, so sweet and so soft, let's go again and again in our dear neighbour's loft. In your eyes I get lost.

You're the tastiest tease, but oh how you please!—Not like others who only tease and want men on their knees!—No please!

But you! Ooooh, Ooooh, Ooooh, you! Oh how you please! My ultimate strip tease—whew! You make me grease my little hot rod, like David had to do—makes me wanna ram you thru' and thru'—whew!

It's been blowin' and goin' for days

on end and hasn't quit standing since you made it begin! Ain't gonna rest till all I do spend—in you my wispny little Wild Wind!

I saw you dance for David today! I made you my maiden—hurray! I loved you so sweet. Oh how I thrill to your feet! Off with the sheet! Why be discreet? My love, please another time let's meet, for you, Maria, cannot be beat!

I am your helpmeet, till we meet again! I'll beat my meat to your dancing treat, and love another while I think of you, tweet, tweet.—My newfound Spirit Lover, more than a brother, like no other!

Side 1 Maria Dances Nude For You!
MO Makes Love to Her and You!

PRESIDENT CARTER, RUTH STAPLETON &
LARRY FLYNT GET GOD'S COUNSEL!

Mail Ministry Testimonies from Matthew Scribe; Jordan.

I just received Ruth Carter Stapleton's reply to my letter to her (see FN Vol. 3, No. 9) concerning the dream I had about her and the verse I received for Jimmy Carter: "Woe unto them that are at ease in Zion..." (Amos 6:1) I had also expressed to her my disappointment that she had not shared with Pres. Carter the Words that God had given through Dad's Letters about the Mideast.

My letter, which she agreed to forward to President Carter, told of the millions of souls saved through Dad's leadership of our Family and stated that "by their fruits ye shall know them", emphasising the need to heed MO's warnings about Israel's unwillingness to make peace in the Mideast. The following is her letter of reply:

"It was good to get your letter, and I thank you so much for taking
