INDIGENOUS CATACOMB EXPLOSION!

by Peter Revolutionary,
Catacomb Servant in
Thessaloniki, Greece

How one Greek Catacomb-
er, with the help of only the
Lord and the Letters, start-
ed a Catacomb Explosion re-
sulting in 16 Catacombers
and 20 Friends!

It all began last June when
the earthquake hit! I was feeling real-
ly down because I had to take some
exams at the University. I knew the
Lord had something better for me
and I was praying with all my heart
to deliver me from this nonsense.

Then a small earthquake hit Thes-
saloniki. The Family here fled to a
nearby small village where it was
safer. I spent almost two weeks
alone, praying and memorising scrip-
tures. I had the worst battles I've
ever had, but the Lord delivered me,
clean and broken for His use! PTL!

Then on the 20th of June, Thes-
saloniki suffered the greatest of the
earthquakes. The three full-time

members of the Family that remained
left and I lost contact with all the
other Catacombers. Nevertheless, I
was happy!—No exams! So I was free
to do the Master's work!

Every summer for the past eight
years I had gone to the sea resort of
Kallikratia, and I had a lot of friends
there. So armed with my last 60
pieces of lit, I went there. I gave
them out and waited for the reac-
tion. At the same time, I was
FF'ing two girls.

My first full-time fruit was an old
friend of mine, a student in Crete.

Copyrighted Nov. 1978 by The Family of Love.

liberated in more ways than one!
Thank You Jesus! I slept like a
baby that night!

J. and her husband B. saw me off
on the bus the next day. I was
pretty choked up because I was
leaving behind the Family that I
loved. B. was really terrific to me!

I really got a sample of the un-
selfish love shared by the Family.
I often wondered if I were to make
love to a member of the Family,
what would be the behaviour after-

ward of the household and espe-
cially if it were a married woman.
Well, I got my answer from B.—

He was so happy for me and
kissed and hugged me! That really
blew my mind! Anyway, I went
back to prison with a new light in
my life and a true awareness of the
Family and a new fire within me
which made me want to witness
more and more!

The Advantages of Having a (Deaf) Child!

by URIAH SHONDO; San Juan, Puerto Rico

Zion, 4-year-old son of Uriah & Sharai
Shondo; San Juan, Puerto Rico.

Dearest Dad,

We just wanted to tell you that
Zion is doing well and making pro-
gress. When we left Europe, we
wanted to go to Caracas, Venezuela,
it being the advanced and wealthy
city that it is, and we knew it was
most likely to have the best facili-
ties for Zion (4), who you know is
totally deaf. But the Lord blocked
it, and we have been here in Puerto
Rico for the past year.

I have been Zion's teacher for the
past two years. Although I have
tried to be as dedicated as possible,
it has often been very difficult for
Zion to get the really personal and
individual attention that he so des-
perately needs, as often I have had
to get so involved in other duties or
get my quota, etc.

The "Davidito" Letters have re-
newed in me a greater conviction

and dedication, seeing Sara's sample.
Well, with the Lord's help, Zion
has been making good progress and
now has a sign language vocabulary
of about 250 words, which is very
good for a four-year-old deaf child!
Not that he can sign them all, but
he understands what they all mean,
so it is just a matter of time until
he can begin to also use them.

He hasn't had much outside help,
as the system educational facilities
for deaf children are sorely defi-
cient here in Puerto Rico. There is
no real pre-school programme at all,
and children don't start training un-
til they're six years old, which is of
course too late and a shame.

I've prayed for Anne Sullivan (the
"Miracle Worker", Helen Keller's
teacher) to be my spirit helper and
with the Lord's help we've been
making good if not excellent pro-
gress! Zion is really blessed with a
loving and affectionate spirit. Please
pray for us and his progress; we
know the Lord really wants to use
him in a mighty way some day.

Becoming One & Witnessing At School!

A "HOW-TO" by Shuly Bolivar,
age 13, Costa Rica.

Dear MO,

Guess what? I'm out of school!
They kicked me out because I was
sick with a bad foot and a cold for
two months, because in the rainy
season it's freezing in the morning

His new name is Assah. In two days,
he got the Holy Ghost and great
power! Then we met an 18-year-old
boy who was deeply disappointed
by the Orthodox system.
We started meeting each other
every morning in a small tourist
restaurant. Soon our company
grew. We had miracles almost every
day! One night while I was leading
a prayer meeting of eight newborn
babies (new disciples), everybody
started crying unto the Lord, pray-
ing for the lost sheep! Hallelujah!
I got almost frightened because
they were crying and praying so
hard, all of them! It was the first
time I saw such a heavy outpouring
of the Holy Ghost to so many peo-
ple.

By the end of the summer, there
were 16 Catacombers and 20 friends.
Everybody in that town was talking
about the Family of Love! Some
angry parents wanted to take us to
court, but God kept us safe! Now
we are organising ourselves in Thes-
saloniki, winning souls every day!
Pray for us! We love you!
—Peter Revolutionary.

Needed: Personnel in Greece!—To
help this indigenous Catacomb work
in Thessaloniki and to replace per-
sonnel who have left Athens for
other fields. Please write and in-
clude a bit about yourself and your
talents and burdens, as well as a
photo. Address: CPO 562, Athens,
Greece (with Attn: SCS in lower
left corner).

I Made Love For The First Time In My Life!

by a Prison Catacomber!

(I received a long letter from a brother
who has been in prison for
about twelve years now. He'd never
had sex before one of the sisters
made love with him on one of his
weekend parole visits to the Family.
Here's his account of what happened:)

In the evening most everyone
went out FF'ing, so J. and I were
left alone with the children to look
after. I enjoyed that because I love
kids! Later on after the children
were asleep, J. and I were alone to-
gether. I was in one heck of a state
and found myself wanting J.

For 35 years I went through life
not needing love with a woman.
So that night I wasn't sure what
was happening to me! But I knew
one thing—I was going to make
love for the first time in my life!

J. saw my need and we left the
room to go to my bedroom. Well,
before I knew it—oh—I could hardly
credit that J. and I were going
to love each other in the sight of
Jesus!

I exploded in more ways than one!
I felt like a baby in the arms of a
lovely lassie. I felt really awkward,
inadequate, did not know what to
do! But J., God bless her, was so
patient with me. One thing I was
determined to do was to be a good
lover! Whew!

J. was so good for me and really
helped me get rid of all my sexual
hang-ups. I am, to say the least,

Also, we are praying to find some-
one in the Family to work with
Zion (he works really well with
others, often better than with my-
self!). They don't have to know
sign language, as I could teach them.
If you know any wildly willing
workers, please let me know!

I love you so very, very much and
am so grateful for all your love,
honesty and sacrifice. Your sample
and conviction has truly changed my
life and renewed in me a "right
spirit". Thank you so much. Yours
in Jesus, Uriah Shondo.

P.S. God has answered our prayers
and blessed us with a new childcare
helper and wife, Casiphia, thus eas-
ing the load and giving me more
time to spend with Zion, plus a lot
of extra love and attention for Papa,
too! Sharai is due to have our 4th
baby at November's end.

After reading "Your Two-Year-
Old Can Receive Jesus", I prayed
with Zion in sign language and he
got saved!! Thank you so much for
that Letter! —Love, Uriah.

(I had to wake up at 5:00) and I'd
get drenched because of the tor-
rential tropical rains. I missed the
exams and the education system
here kicked me out for missing too
much.

I'm in French classes now and
have much more time to help Mum-
my who has just a little help for
tons of work.

I will tell you a bit about witness-
ing in school. In grade school,
when the teacher leaves the room,
you can witness while everyone is
making a scandal, you can do indi-
vidual witnessing by getting best
