HE SAYS HE REALLY DOESN'T UNDERSTAND HOW OR WHY it works, but that he's seen it work on hundreds of people. A man from Pakistan who knew of the work he was doing in helping to cure cancer patients came to his office one day & gave him a suitcase containing \$100,000 for his work. He couldn't believe it. We saw a picture of the transaction.

HE HAS WRITTEN TO W.H.O. & BIG NAME CANCER SOCIETIES but none of them want to give him a chance to show he can cure these diseases until he first gives them the formula, so that they can take the

credit.

HE EXPLAINED THAT IF THIS FORMULA GOT INTO THE WRONG HANDS, that they might magnify the process of dematerialization & use it in warfare or some other evil. When we met him, he was trying to get to America or some place where he felt he could continue his experiments & show the cure for cancer. He said he'd had offers from Russia & Czechoslovakia to work there but declined because he doesn't like communism.

HE BELIEVES IN GOD & is really a precious soul. We had a chance to witness to him quite a bit about our solution for the world, Love, God's

Love. He was so responsive & we are going to be in touch with him thru' the mail. We told him that we believe it was God who gave him this knowledge & formula that he discovered, & he does realize this.

WE TOLD HIM THE STORY OF THE GOLD IN "THE ELIXIR" & he ate up every word. We told him that in the morning we always pray & ask the Lord to lead us to someone special. He just loved to hear that & knew that it was God that had led us to him. The Lord's hand seems to be on him for an important mission. Please pray for him! Love, Mirth & Jonathan Trust.

(Amen! God protect him!—D.)

## Back To Heaven!

How the life—and death—of a little baby can influence many!

From Robyn Geppetto:

(INTRODUCTION: A testimony from the mother of an 8-month-old baby who recently & suddenly died of asthma. He was diagnosed as having asthma in Italy before they moved, but they didn't realize & had never researched the subject to find that asthma in babies can develop into something more serious like a bronchial infection. Soon after they took a long journey, at the height of a quite severe fever, the baby suddenly died.)

Dear Dad, Maria & all,

I WANTED TO WRITE & TELL YOU HOW MUCH WE APPRECIATED YOUR PHONE MESSAGE to us concerning the graduation of our little son Andrew Jonathan. Thank you so much for thinking of us & praying for us. You're so kind & loving—God bless you!

YOUR MESSAGE WAS SO TIMELY, as I was having a hard time, at first, adjusting to his death. But your message of love & prayers really strengthened my heart & helped me to gain the victory.

A MONTH-AND-A-HALF HAS PASSED & ANDREW'S GRADUATION HAS BEEN SUCH A TESTIMONY to people we've witnessed to—even one soul was saved (so far) as a result, & I've been writing a lot of letters to send back in Rome & am really praying for more souls as a result.

IT'S AMAZING HOW THE LIFE ( & DEATH) OF A LITTLE B-

Andrew Jonathan at 7 months, of Zebulun & Robyn Geppetto—now back with the Lord!

MONTH-OLD BOY can influence the hearts of so many! When someone asks me, "Have you any children?" and I say, "Yes, I have 4—3 girls & a boy who's gone to be with Jesus now"—boom!—Right away it opens the door to witness. I really love him & miss him too, but I know he's being taken care of & is a lot happier in Heaven.

HERE ARE THE WORDS OF A POEM that a mother wrote after her son got saved & joined the Family—she ended up getting saved too! This poem appeared in the LIN over a year ago & Zebulun put music to it. It's really beautiful & has taken

on a new meaning to me:

Who Called Away My Son?  
Who called away my child from me  
Who called away my boy?  
And put the light into his eyes?  
—This Stranger from above!  
Who cast His magic spell on him  
And turned his light on bright?  
Who put the roses in his cheeks?  
This Stranger in the night!  
Who turned my whole world upside down

And brought me unknown joy?  
By taking what I loved so much,  
My precious son, my boy!  
And now my life is changing,  
My world is not the same.  
This Stranger is no Stranger now,  
Jesus is His name.

Each day is bright, each day is new,  
Each day a shining thing.  
He took away the child I love  
And gave me everything!

OH YES! I'M 4 MONTHS PREGNANT AGAIN & we're praying for another little boy. God is so faithful & loving to give us another baby—and we're so thankful! We can hardly believe it! (I got pregnant before Andrew died!)—Praise God! Isn't He wonderful? He thinks of everything! God bless you all & continue to make you a blessing & inspiration to all with lots of love, hugs & kisses, Zebulun & Robyn Geppetto.

GRADUATION NOTICE! Black Emmanuel, who worked for the Lord in Holland, France & Kenya, died on June 19th while swimming in Sweden on vacation with his Fish. A faithful brother whom the Lord called home!

### Five Captivating Little Americans

Perform freely for the old & infirm!

(Reprinted from a Spanish newspaper.)

ONE FINE DAY 3 YEARS AGO, (Seek & Secundus) abandoned their native Texas & came to Europe with their children. One fine day about one year ago, (Seek & Secundus), with their children arrived in Spain.

DESPITE THEIR YOUTH, they already had 5 children in whom they had instilled the love of music. Then arrived the sixth, "who tho' she doesn't walk", her mother told us, "yet she already has a feeling for rhythm & music."

THE FIRST 5 OFFSPRING, Jason—7 years, Sherah—6, Summer—5, Stephen—3 & Jamie—2, with the help of (Secundus) who accompanies them on guitar, together form a vocal music group playing to the delight of young & old.

ADDS THEIR MOTHER: "THEY SING POPULAR SONGS & above all, songs of love, because in this

world there is no doubt that the people need love." Before coming to Spain, "the country we like the best", they performed in Sweden, Finland, Denmark, Holland, then in other Spanish cities.

HERE THEY HAVE PERFORMED FREE in various places like hospitals, orphanages, pensioners' homes etc. "We will always sing free of charge for those people who need it. There are many people," adds Seek, "who truly need it & the group, with their songs, will bring them a message of love."

THIS BIG "LITTLE GROUP" would like to be more widely known, to bring happiness to all children of our circumstance, even singing free when the circumstances require it or asking for a small fee. It's worth the trouble to go see them & hear their songs. Jason, Sherah, Summer, Stephen & Jamie form a big "little group."

## Tips On How To Be A Parent!

From Justus & Adar; WMM:

**DISCIPLINE:** We wanted to share a little lesson we have learned in disciplining Justin, our 2-year-old, who can be quite a rascal! Altho' he'd prayed for salvation & the Holy Spirit, he wasn't learning any "permanent" lessons from our discipline.

WE WERE SO INSPIRED & IMPRESSED BY "THE POTATO", particularly the sub-title, "By mercy & truth iniquity is purged!", but we didn't find the way to apply it to Justin until just recently, when he was about to get another "well-deserved" spanking.

DADDY HAD ALREADY PULLED JUSTIN'S PANTS DOWN & Justin was very much in "fear & trembling" when the Lord inspired Daddy to give him a choice between praying or a spanking. Of course, Justin chose to pray!

BUT FIRST WE TOOK THIS CHANCE TO EXPLAIN how he had not only made us unhappy, but also Jesus, but that Jesus wanted to forgive him. Standing there with his pants down, he really understood mercy & forgiveness for the first time & repeated a prayer with such sincerity & brokenness that we were amazed.

THEN WHEN HE DIDN'T GET A SPANKING, HE WAS AMAZED! It really taught him the benefits of prayer & that "God is the way out of trouble!" Now, altho' he still blows it quite frequently, he really does turn to the Lord! It's so beautiful.

THIS REALLY SEEMS TO BE ONE OF THE MOST IMPORTANT LESSONS that we can teach our little ones, along with sharing & loving the Lord & others, yet we had missed it for so long! We also took this good opportunity to explain again about the Holy Spirit & how the Holy Spirit wants to talk to him & help him be good.

WE CAN SEE SO CLEARLY THAT MOST OF OUR FORMER DISCIPLINE was mostly "a work of the flesh that had to be repeated tomorrow"—All because we felt our 2-year-old was too young to understand such "deep" spiritual things, when actually that is what he is the hungriest for, as borne out by the happy results! TYJI If you apply the an-

swers to "Why Are Our Children Sick?" to "Why are our children bad?", you get some amazing things!

**BABY CARE:** A few nights ago, Timothy, age 6 months, was really crying, almost as if throwing a fit & really uncontrolled. I felt he probably was acting that way because I'd spoiled him with honey on his pacifier & rocking him to sleep each night. So I decided to just put him in bed without rocking that night & let him cry it out. Lord help me!

INSTEAD OF CALMING DOWN, HE GOT MORE & MORE UPSET, until finally the Lord got thru' to me & I got him out of bed. He cried quite a while longer, calming down a little for a few minutes & then screaming again real loud, while I was holding him. It was then that suddenly Daddy noticed two teeth that were working their way down!

He had just gotten his two bottom teeth & I never thought he would get two more so quickly.

I FELT SO BAD FOR ACCUSING HIM OF CRYING FOR NO REASON at all but his honey & rocking to sleep! I quickly realized that there is really no way you can spoil a baby this young so much that he would throw a fit, but that his crying is always for some reason. I really had to pray & ask the Lord to forgive me for acting so hard towards Timothy & only hope he won't remember it when he grows up. Lord help us adults to understand these little people, no matter how small they are.

**CLEANLINESS:** Another lesson I learned the hard way is one of cleanliness, when we discovered some white spots on Tim's mouth the other day—Thrush! Boy, I nearly cried! I felt so bad for not heeding the Lord's checks! I had already been thinking that

THE OTHER CHILDREN SHOULD NOT CARRY AROUND & PLAY WITH TIM'S TOYS. Undoubtedly he got the thrush from sticking the dirty toys in his mouth. Right away, we sterilized his bottles, nipples & pacifiers & also disinfected all his toys (which we do daily now).

OF COURSE, WE ALSO HAD UNITED PRAYER & asked the

Lord to please heal Timmy from the infection. Phew! I'm sure getting a crash course in child & baby care, & I'm so thankful for it! Thru' it all the most important lesson I'm learning over & over again is one of patience, love & mercy! The Lord is so patient with us, Lord help us to pass this love & patience on to our children! Love, Adar.

Now Helping "Change The World!"

Emilio, 50-year-old faithful Catechumen in Spain, with Maria Carmen.

From Maria Carmen; Spain:

EMILIO HAS BEEN A CATECHUMEN FOR ALMOST A YEAR NOW. During this time the Lord has transformed his life radically—from a sad person without a reason to live, to a very happy & thankful "new creature in Christ" to know the Truth & to be able to share it with others!

A 50-YEAR-OLD WIDOWER WITH A 22-YEAR-OLD SON, Emilio first contacted the Family thru' reading a Letter he received on the street. He phoned our Home & came to visit. He really believed in Jesus but was not in agreement with the

ABOUT A YEAR AGO I HAD COME TO THE END OF MY ROPE & I prayed that God would help me, if He did exist. (I was a proper 29-year-old Marxist-scientist-female-revolutionary-atheist at the time.) If He would not help me, then obviously He did not exist & I would be better off dealing with the Devil, since there was not much doubt about his existence!

THE LORD ANSWERED MY PRAYER: First He showed me, in a strangely real & realistic dream that someone had suffered a lot, also for me. (I didn't catch it, I thought the people upstairs had killed someone & that I had become a psychic or just plain gone crazy.) The second time He communicated with me. He took me thru' a long tunnel at the end of which was an immense light. (I would have liked to stay there!)

AND THEN ONE DAY in brilliant sunshine, in the middle of the day, while sitting on my bed, a penis grew in front of me! (Wow, I couldn't believe my eyes!) I was eagerly studying its shape, but it did not belong to any of my numerous lovers. Slowly the penis (the love of God) started changing. It turned slowly & gently into a three-fold fork!—The Father, Son & the Holy Spirit—and started moving, turning, revolving & revolving!—(Exactly what we do when we follow the Lord & the guidance of your Letters) & turned to fire!—(Working for Jesus by faith & witnessing.)

IT WAS TRULY BEAUTIFUL! Then there were many penises & they were all dancing & changing

from fire to a three-fold fork & back & carrying jewels (souls), precious beautiful jewels with beautiful green & brown colors (like the lovely forest-lakes when the sun shines thru'). And they danced & moved & revolved & revolved, & two of the stones kind of jumped in the air & became two eyes!

A BEAM OF LIGHT CAME OUT of each eye & they literally struck me with power! I had not experienced before (the love of God)! Half the face was in darkness & the other half in light. (He showed the love, but He didn't show the battles & the fighting.) I wanted to see the whole face but then it all disappeared. Plopl!

AT THE TIME IT HAPPENED, I didn't understand any part of it. I only knew I wanted more & more, & wouldn't give up till I had it. The only thing I could cling to was that still small voice & the peace I got when I followed its instructions.

BY FOLLOWING THE VOICE, in my heart I finally met a brother, & he was the first person I could tell about the vision. I had travelled from Zurich to Lugano to meet him, but had already started packing before. I thought it was time to leave all I had done till then. I also had a strong urge to read the Bible. "And it shall come to pass, that whosoever shall call on the name of the Lord shall be saved." (Acts 2:21.)

I AM TRULY GRATEFUL HE PICKED ME OUT OF THE GARBAGE. I guess He had to choose a nut-like way like that!
