

Amel! Some people are more like kings to us than disciples, especially old Chain leadership still in power. Love, Stephen. Write us, or come 4 a visit if U wish.

ROMANS 11:29 FOR YOU Samson—you are a true prophet. "A just man falleth 7 x's & riseth again". Let's go!

#### SAMSON'S REPLY:

Dear Mother Eve & Stephen, GBY! WLY & PRAY FOR YOU. Thank you for your letter, Stephen, & the information enclosed on your work there in N. Africa. KGFGI I WAS REALLY SORRY THO' THAT YOU HAD GOTTEN BITTEN BY THE SERPENT's bite of bitterness. Maybe you felt to write to us because you thought we could commiserate together & sympathise together over each other's blatings from Dad & the Family in the Letters & FN's. Misery loves company! I'm sorry tho'—you've got the wrong guy here!

I'M THANKFUL FOR THE BLASTINGS & Dad's faithful rod of correction to knock me out of that spiritual stupor of pride that I was getting into.—Exalting myself instead of the Lord & His Words & being guilty of gross Old Bottles!

LOOKING THRU' THE MATERIAL YOU SENT ME & the comments you made about former Chain leadership still being in power, I think you are suffering from the same thing I was suffering from, i.e. jealousy & hurt pride which Dad said was "a result of spiritual pride & the frustrated temptation to want to be a spiritual leader" ("Son of Sam" para. 12) which enabled a root of bitterness to spring up, defiling many (He. 12:15) & landing me & others

in a terrible cesspool. WELL, I'M SORRY, I HAVE NO TIME FOR IT ANYMORE. Thank God Dad really had mercy on us & socked it to us & woke us up from that Hell of a shit-pond & by God's grace we're out of it & have no desire to return anymore! I'VE BEEN IN THAT ARID DESERT OF MURMURING & I can't stand it anymore. I just want to get back to the green pastures & still waters with my Shepherd. I don't want to be a goaty prophet out in the wilderness when I've got God's Shepherd for today to restore my soul.

I REALLY LOVE YOU, Stephen & Mother, but I'm sorry, that kind of discord amongst brethren that you wrote me is an abomination to the Lord (Prov. 6:16-19) & I'd be pleased if you'll send me no more of it, thanks.

WE REALLY LOVE YOU & RESPECT YOU & are really thankful for all the love & encouragement you gave us when we were young in the Lord. We don't mean to hurt you or be unkind & we have nothing against you in any way.

WE JUST PRAY YOU'D GET BACK TO YOUR FIRST LOVE of promoting Jesus rather than yourselves. "For we preach not ourselves but Christ Jesus the Lord; & ourselves your servants for Jesus' sake" (2Cor. 1:5).

GOD BLESS THOSE "FORMER CHAIN LEADERS" who have learned how to be good servants & are still abiding in the power of God—appointed by God & appointed by Dad! May I remind you of the Lord's admonition: "Touch not mine anointed & do my prophets no harm" (Ps. 105:15). So let's talk about Jesus! Much love & pray-

ers, Samson & Ara. P.S. I DON'T KNOW MUCH ABOUT WHAT YOU'VE BEEN THRU' with the Family, but one thing I remember Faith-y always used to say was, "All these things that happen to us are to make us better & not bitter" (Ro. 8:28). Hallelujah! We really do love you & pray for you always.

P.P.S. I HOPE YOU DON'T MIND, but I've sent a copy of this & your letter to me, to Dad.

P.P.P.S. IN CASE YOU FORGOT WHAT YOU WROTE ME since it was just a handwritten piece, I'm enclosing a transcription. I'm afraid to say it reeked of man-pleasing & flattery of me.

DON'T PRAISE ME! PRAISE THE LORD! Your comment to me as being a "true prophet" is just total contradiction of what Dad says in "Son of Sam" & I agree with Dad who is really a true Prophet & I'm just a novice who got lifted up in pride.

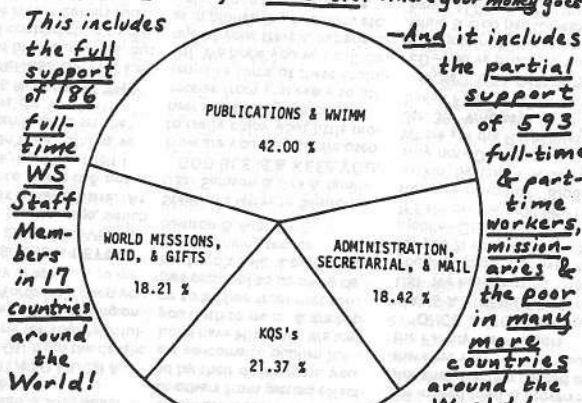

BUT WHEN I CAME TO THE END OF MYSELF & recognised my failings & where I was really at & called out to the Lord to deliver me, it resulted in glorious resurrection & liberation from my own flesh & fleshly attempts to jump into the limelight, instead of being a Diamond of Dust, obeying God to promote His Word.—The Word He has given to His True Prophet, Dad. We really love you Stephen & pray for you & Mother that you will 1Peter 5:6. We really love & need you.—Samson & Ara. (DAD: GB these 2 precious pioneers of India!—Such faith, humility, repentance & loyalty are rare after such a reproof! I'd be proud to call him a "Son of Dad" now, but he's even more a son of God! GBY both! ILY!—D.)

### Miraculous New Ministry!

After Son's Graduation!

From Gideon & Sara; Latin America:

SINCE MICHAEL'S DEATH (see the "Graduation Notice" of their 2-year-old son in FN Vol. 14, No. 4) the Lord has really been changing our lives & ministries, & we wanted to share with you some of the things that happened.

WE KNOW MICHAEL IS HELPING US IN THE SPIRIT & as the Lord told us when we were in prayer one night: "For lo, thy mighty little one fighteth for thee & prepareth the way before thee." Hallelujah! TO BEGIN WITH, OUR 3rd CHILD, Michelle, was born almost exactly one month late, on July 2nd. She weighed nearly 11 pounds, but Sara had a very good, normal delivery. Who knows why she was born so late but we know the Lord had His reason. She's really beautiful & closely resembles our precious Fish, R., whom we have been ministering to for over a year.

R. CAME TO THE CLINIC THE DAY SHE WAS BORN & was really inspired & happy. He asked me what we needed for her, & Sara told him we

needed a new refrigerator. The next week he came over with a cheque to buy one! GBH!

WE'VE BEEN SPENDING AT LEAST 1 OR 2 DAYS A WEEK with him & his family. His wife really loves us too & it's a perfect example of how FF'ing can even mend broken homes & marriages as when we met him they weren't even living together!

RECENTLY R. PROPOSED THAT HE & GIDEON GO INTO BUSINESS TOGETHER & begin a language school. R. is putting up all the capital necessary as well as using his many influential contacts to get the necessary permissions & working papers for us. Such working papers are extremely difficult to obtain here—we have friends who have been trying to get them for 2 years!

GIDEON ALREADY HAS MANY STUDENTS LINED UP after teaching English at

another school for a year, & we believe that with the Lord's help the business will prosper & expand. We should be able to give good-paying jobs to several brothers & sisters within a few months' time.

SO THE LORD IS REALLY OPENING DOORS here for us to stay & witness & establish something permanent. As Dad said in "Coming of Age": "Give each of our folks the faith that they need, the vision they need, to catch a vision for whatever ministry they are best suited, the faith to exercise it & do it, Lord, & the willingness to take the initiative to do differently now, other things we haven't done before & still have to do." WE FEEL WE'RE SUITED TO THIS TYPE OF MINISTRY as almost all the experience we have, both in the Family & before, has been with business & administration. So, PTL! We are experiencing that "God gets His greatest victories out of seeming defeats!"

LOSING LITTLE MICHAEL seemed to us to be the greatest defeat we could ever suffer, but now the Lord seems to be using him in the Spirit to help us along to "greater victories" by God's grace!

—Gideon & Sara.

### Home From Brazil Mission

(From an article in a Washington, U.S.A. hometown newspaper:)

A LOCAL 1971 HIGH SCHOOL GRADUATE returned recently from South America where he & his wife have been serving as missionaries. "Andy" Moody & his wife Sara & two small children visited with Andy's parents & went on to Spokane to be with Sara's mother.

THEIR GROUP HAS COME IN FOR ITS SHARE OF MEDIA CRITICISM, along with other small evangelical groups formed during the tumultuous sixties. But in spite of persecution & possible misrepresentation, the group directed by the Letters of Moses David, originator, has continued its ministry worldwide.

SARA HAS BEEN WITH THE MOVEMENT 4½ YEARS, Andy for 6. They met & married in Seattle. In following the need for "something more" in their lives, & following Jesus' commandment to go unto all the world, South America became their world. They are both fluent in the Portuguese & Spanish languages, spoken throughout Argentina, Bolivia & Brazil. IN SAO PAULO, THE 5TH LARGEST CITY IN THE WORLD, they lived in a house as pastors. Six others, 5 Brazilians & a Chilean, lived with them & shared Bible studies & evangelical outreach. They conducted a school for youngsters, sang on TV & on buses, handed out literature & visited hospitals & schools. Their financial support

came from many sources. THERE WERE "TIGHT SPOTS" since each home is independently responsible for both work & funding, but according to Moody, they never lacked for anything. "People do not waste anything there," he said.

ASKED ABOUT THEIR COMMITMENT TO THE GROUP'S DOCTRINE, Moody said members are not captives. Each member can come & go, & even leave. The decision is up to the member. "We are a family. Although members come from distant points, we all have the same goal: following Jesus."

"IT IS GOOD THAT MY PARENTS COULD SEE BOTH US & the children, & realize that we are not 'zombies'." Sara's mother visited them in South America 6 months ago, spent a month with them, & was impressed with their lifestyle & work.

THEY SEEM TO BE NORMAL YOUNG PEOPLE, with an added attribute. They "glow" when they speak of their work,

their love for Jesus, & their zeal in spreading the Word. Their eyes shine. (end of article.)

THAT ARTICLE CAME OUT about six months ago, when we first returned to the States. Thank God, we're almost ready to leave again! I have a job, to earn our fare & pioneer funds, working with low income children & families. I've been able to witness a lot there & have been selling the "Basic Book" to some interested co-workers.

RECENTLY I TOOK A COPY OF "THE GURU" LETTER to the "Seattle Times". They printed portions of it & a bit about me in an article entitled "COG founder, in 'Mo Letter', attacks major religions!" PTL! The date of the paper was 7/7/79! Love, Samuel & Claire.

Andy & Sara Moody & children Eden & Charity are home for a visit after 3 years in Argentina, Bolivia & Brazil. (newspaper photo)
