

Visit To Tenerife! Report by Faith & Juan

Dear Dad & Maria,
WE WERE VERY SAD TO HEAR THE NEWS ABOUT ROSER'S BACKSLIDING & spreading of lies & dissension, especially in Tenerife, as we loved her very much as we know you did too! In the Christmas card that she sent to us she mentioned that she was preparing a letter to explain leaving Greece, & her stay at home with her parents.

NEEDLESS TO SAY, IT WAS A SHOCK FOR US to read it, as in her card she was sweet & full of flatteries to us & the Family in Greece. We got the parallel of David Hoyt & how he suddenly turned against the truth which offended him & received a lying spirit which led him to write pages of accusations, lies & even false prophecies against the Lord's anointed, which you spoke about in "Baalzebub, Lord of the Flies" (Letter No. 168).

THE DEVIL MUST BE FUR-

IOUS, just at a time when the Lord is winning so many victories in so many areas. We know God gets His greatest victories out of seeming defeats, & He certainly is this time from what we have seen & heard during our visit with our precious family in Tenerife!

WE SEE THAT THE LORD SENT IT, EVEN IF HE USED THE DEVIL TO BRING IT! Hal Her testifying against us & our message of love & our methods, like FF'ing to win souls & its fruit, has united the true believers & those willing to stand up for the truth & has set them on fire to do even more FF'ing, witnessing, & obeying & loving & living for the Lord & believing in His words than ever before! TYJ!

IT WAS SUCH A PRIVILEGE, BLESSING & INSPIRATION TO BE ABLE TO SEE & EXPERIENCE PERSONALLY THE LASTING FRUIT that your love & sample has left on the people

of that little Island. Many friends asked us about you & when you would return, as they cannot forget the man, Don David, who loved them & gave so much for them to win them to His love. And like Jesus, his enemies accused him of being a winebibber & a glutton, a friend of publicans & sinners! We are in good company it seems! Hal TTL!

BUT JESUS' SAMPLE CHANGED THE WORLD & started a new religion of love, just like your sample has done today! During our many travels throughout the world we have seen the fruits that the FF'ing explosion that began in Tenerife has caused in the lives of many who could not have been reached in any other way! TYJ!

FAMILY MEMBERS THRU' OUT THE WORLD CAN TESTIFY of the many good fruits in terms of souls won for His Kingdom, help & support for His work, as a result of FF'ing, besides the individual victories it has brought in many of their lives & personal relationships by learning the real meaning of laying down your life for others!

WHEN WE ARRIVED IN TENERIFE, WE WERE MET BY 2 PRECIOUS NATIONALS, Jose & Miguel, who shared with us about Roser's visit & how she deceivingly entered in amongst the sheep & tried to seduce those who were weak in faith & conviction.

THEY ALSO TOLD HOW SALLY THEIR "SHEPHERD-ESS" HAD SYMPATHISED & AGREED WITH ROSER in some of her lies & accusations. —Wherein she, Sally, exposed her own lack of faith in the Letters & God's man, which resulted in her lack of shepherding of the sheep for quite a while. Now the kids feel free & liberated to trust & obey with no one in the way.

Dear Family Artists,
ALL OF YOU WHO HAVE FAITHFULLY ILLUSTRATED God's Word for True Komix, we've been receiving some tremendous letters which we hope to print in future All Editions of the FN. So keep in touch & keep sending them in! We love'm!
WE NEED TO CLARIFY THE RECENT NOTICE TO ARTISTS in FN 18 & also pass on a few more comments & requests from Dad & Maria about the Komix. As stated in the previous announcements in the FN, you should now put your artist credits, "Illustrated by _____" on the front cover of all Komix you submit. Father David's credit "By Father David from No. _____" should still appear at the bottom of the first inside page preceding the copyright.
WE WOULD APPRECIATE IT IF YOU WOULD LEAVE A 3-LETTER BLANK SPACE for the month of the copyright so that we can insert the month the Komix goes to press. So all copyright times should appear as follows: By Father David from No. _____ © True Komix, _____ 1980, FF 241, 8021 Zurich, Switzerland.
ALL KOMIX TEXTS SHOULD NOW BE DONE IN CLEAR NEAT LARGE LOWER-CASE LETTERING & not all upper-case letters as were previously used in some True Komix. The title should still be in large bold upper-case letters as always.
REMEMBER, ALL KOMIX ARE NOW TRUE KOMIX. So the cover logo, first page copyright & back page advert line should all say TRUE KOMIX & not Kids Komix or World Services.
IF YOU USE OR COPY ANOTHER ARTIST'S ART IN YOUR KOMIX, you need to be sure they are included in the illustration credits on the cover. Dad recently told us, "These copies need to learn to give credit where credit is due!"—And give credit to Man & whoever else they copy! It's OK to copy but they need to learn to say so, & not take so much credit to themselves!—And such copied Komix art doesn't deserve as much gift as originals!—Amen!" So please give credit to those you copy or we will have to add it in ourselves before it is printed.
DAD & MARIA ALSO ASKED US TO LET YOU KNOW THAT THEY DO NOT LIKE THE COVER ILLUSTRATION WHICH WAS USED FOR "MOUNTAIN MEN" (Letter B in Volume 1) & prefer that it not be used in any more publications. "The illustration presents a too rugged picture of the mountain we're climbing for the Lord. The Lord doesn't usually make things that rough on us climbing that kind of mountains, or we'd never make it! Jesus & His disciples climbed it easily in Mt. 5:1 for the Sermon on the Mount, which is what the Letter was about, & it

THEY SHARED HOW ROSER EVEN WENT TO CAPRICHOS & would single out our friends & even dance with them to speak against the other girls who were faithfully witnessing His love to them. The result was that our true friends did not want to even see her again as they felt she was a hypocrite & liar & they didn't like her self-righteous company. "My sheep know My voice & they follow, & a stranger they will not follow!" (John 10:4,5). PTL!

DURING DINNER THE NIGHT WE ARRIVED WE LISTENED TO EACH MEMBER of one Home give their testimony of what the incident with Roser had done in their own personal lives & how it had strengthened their commitment & loyalty to the Lord, you & the Family, TYJ! They were sad that some had chosen to listen to the lies of the enemy & even follow her with all of her deceitfulness.

AFTER OUR LAST VISIT WITH SALLY & RICARDO we were both exhausted & very sad to see how Sally has forsaken her place with you & the Lord to go with someone else. So sad! We had prayer for her, for the Lord to show her who really loves her, as we saw a ray of hope when she talked about her past times with Dad, so perhaps eventually she'll come back to her first love, Lord willing!
IT WAS RICARDO, FORMERLY HER FISH, NOW HER HUSBAND, who confronted everyone & by a show of hands made people choose sides as to who really believed all the Letters & who didn't! It seems Ricardo has been waiting for this chance to be a "leader" & said to lead the sheep away from the true shepherd to follow him.

WE TOLD SALLY ABOUT SOME OF THE NEW LETTERS that had come out, such as

"The Shepherdess" & asked if she had received that Mag to which she said no. We asked her to please report, as she was missing a lot of beautiful Letters & not to miss the latest from the Lord.

WE ALSO FOUND OUT THAT ROSER BEFORE LEAVING TENERIFE TO GO TO GREECE HAD NOT BEEN SHARING with her Fish &/or brother & had gotten into reading strange books about spiritism & the occult, & was very interested in this subject, which by the way we heard was also a topic of discussion in some of Sally's meetings with the "catacombers?"

AFTER DINNER WE RECEIVED A CALL FROM LYNN & BERNARDO who had not been able to attend this particular COL because of the restaurant but wanted to come by & see us. It was so inspiring to see them & meet them personally, as he seems really devoted to you & so appreciative of everything you have done for him &

seems to have a great love for the Word.

BERNARDO HAD BEEN GOING THRU' TRIALS & BATTLES during this year, partly influenced by Sally & Ricardo's bad examples & shared business deals with them. He was very hurt to think this was the Family & that we had changed, but TTL this confrontation with Roser exposed the Devil & his lies & revealed that this was not the way of the true shepherd. It has strengthened his faith & conviction & he is now living in a Home as a full-time member & active in his service to you & the Lord, TYJ!

OUR LAST NIGHT IN TENERIFE, WE WENT OVER TO HIS RESTAURANT, the "Quilquiqui", to take a movie there & he was super-inspired about it & he wanted to show you the new improvements he had made in his restaurant which now has beautiful Mo Quote plaques artistically decorating the walls. We got some action shots of Celia & Juanjo singing for the custom-

Singing at Bernardo's "Quilquiqui" restaurant—Celia, Juanjo & Bernardo.

Lynn by one of the Mo Quote well plaques at the restaurant! It says, "Better than gold & better than silver are the words of love that I speak."

ers & Faithy even did a couple of songs at Bernardo's request.

FROM THERE WE WENT & MET THE GIRLS WHO WERE BEAUTIFULLY DRESSED & READY TO GO TO CAPRICHOS, the club where you always went with the Family, where we had planned with the girls to take our last film, & they even got special permission from the manager to do so.

AS WE WALKED IN, ALL THE GUYS AT THE BAR WERE AMAZED to see so many pretty girls walking in, as it had been quite a while since so many girls came in together to the club. We all sat in the corner where the girls told us you always sat with them.

IT WAS THEN THAT FAITHY ASKED THE MANAGER if she could film him & if he could say hello to you. He very sweetly agreed & sat in the middle of all the beautiful girls & even hooked up the movie light at Faithy's bold request to turn on the super-bright light in the middle of the club. Some people even came over & asked if we were filming a professional movie as we had so many pretty girls sitting all together, PTL! THE MANAGER WAS SO SWEET & really surprised us during his talk by the extreme

respect & admiration & love with which he spoke to you in the film, requesting that you please return soon. After the movie the girls began to dance with the different friends & Fish.

FAITHY GOT TO DANCE WITH PACO, from the COL, who was really happy to be with her & said that even tho' he had never met you, he really knew you were a man of God by the sample you left on the island. TYJ! The girls really had a lot of fun, & Celia said that it reminded her of when you were there. PTL! It was so inspiring & so much fun for us to be able to be where it all started & see the girls in action.

OVERALL IT WAS A SUPER INSPIRING VISIT & we feel that those who have remained faithful will bring forth more

fruit as they keep on trusting, obeying, loving & winning souls into His Kingdom there. They all sent a big kiss & lots of love & thanks to you both & they asked us to tell you that they would love to have you back whenever you would like to go back. It was sad to leave such an inspiring place, but at the same time—

WE WERE SO HAPPY TO SEE HOW THE FAMILY REACTED SO POSITIVELY TO OUR VISIT & had been encouraged by it, TYJ! PTL! Thank you for sending us there at this time. We really pray that we were an inspiration to them to keep fighting & doing more than ever before to win these islands for Jesus with the Words of David. Yours always, lots & lots of love,
—Faithy & Juan.

Bevy of beauties at "Dad's corner" in Capricho's, Tenerife!—(l-r) Joyce, Celia, Juan, Carolina, Amor, Jorge (head waiter & dear friend of Dad & Maria's!), & Magdalena.

DISCIPLES IN TENERIFE SPEAK OUT!

From Lynn & Bernardo:
Dearest Dad & Maria, GBAY! I LOVE YOU SO MUCH! FORGIVE ME FOR NOT WRITING in such a long time, but I can assure you that you are often in our thoughts & prayers. I guess it's like you said in "Dumps"—it's hard to talk about it when you don't have the victory.
THIS PAST YEAR HAS

BEEN ONE OF MANY TESTS & BATTLES FOR US, but out of them have come even greater victories, & I pray we will be even better vessels in the hands of the potter. The thing that kept us going has been the Letters & the sample you have given us.

EVEN WHEN THE FAMILY HAD SEEMED TO FAIL US & left us all alone, we knew that
