"THRU' MY WIFE SHEBA'S DEATH I'VE LEARNED MANY LESSONS OF FAITH & praising God no matter what happens, like in our case where the Lord did things contrary to all our expectations & we are even getting persecution thru' the newspaper for our faith. Well, now that I am alone it is harder to carry on, but I feel closer to Jesus & more dependent on Him. One problem is that the children have been acting quite insecure & frustrated."—Glasco, Canada.
(He is now TRFing & has a new Mommy for the kids! PTL!)

"IN CONFIRMATION OF DAD'S COUNSEL, those people whose names I've already sent in to WIM are now reporting either as IRFs or TRFs & are still my most faithful sheep & supporters!"—Jonah & Rainbow, USA.

"WE LOVED THE MEMORY VERSES that were published in Mag 18. Let's have more! We quickly cut them out, put contact paper on them & are memorizing them like mad. We feel that memorization has been sadly lacking in the Family in these recent years."—Samson & Canelon, S. America.

"IT CERTAINLY ENCOURAGES US TO SEE THE EMPHASIS PLACED ON CHILDREN throughout the FN. It really helps us to know that we face common challenges, & of course it's wonderful to share solutions!"—Joel & Amor, S. Amer.

"A REAL ANSWER TO PRAYER was the Letter 'The Christmas Eve Massacre', as we

know someone with this problem of drinking but never listened to anyone's counsel. But he finally got convicted by the Word of God, TTL!"—Antoine & Dominique, Europe.

"HOW ABOUT SOME INFO ON COUNTRIES we are now in & which countries need yet to be pioneered?"—John Pasture, Europe.

"I eat up every issue of the Family News!"—Hendrik, youngest child of Micah & Deborah, Europe.

"SOMETHING VERY SPECIAL TOUCHED ME after reading the reactions to the Davidito Letters. I'm now more interested than ever to search out the very needs of my children & to inspire others to do so also. We would like to donate our extra funds to Sara Davidito for her faithfulness & 100% dedication to our children."—Jose & Rebecca, S. America.

"PUTTING DAD'S ADVICE INTO PRACTICE HAS MADE US VERY HAPPY. We have squeezed ourselves together a bit to reduce living costs & to be able to raise funds for survival & travelling, & it works! Not only is it practical, but it's fun & inspiring! Plus our friends are very impressed with the sample of our helping each other! TG for Dad's hints! (848:107)"—Mary Heart, Europe.

"EACH TIME I READ A NEW MAG for the 1st time, esp. the

reactions from those describing their lives with & around M&M, it is as if the love & concern they talk about reaches right thru' the paper directly into my heart & causes me to cry. TG for Dad & Marial!"—Zacarias & Sara Flower, Europe.

"CHRISTMAS EVE MASSACRE": "A SPIRITUAL CLEANSE" P. had the same symptoms as the brother in the Letter. Now he has given up alcohol altogether! We had a real nice birthday party in which he was a blessing instead of a problem because he didn't drink anything. GBY, Dad, for warning us & writing it down. It has given us new hope in our relationship!"—P.&M., Europe.

"WE WANTED TO WRITE A SPECIAL NOTE OF THANK YOU for the beautiful Mags we've been getting. Personally we have appreciated the FNs more & more. There is so much bad news everywhere in the world as it begins to tumble & crumble that we have been eating up every word of good news & the things the Lord is doing thru' His children, as even our 'little lights' seem to be getting brighter & brighter in contrast. The FN is a very big encouragement & inspiration to us & really lifts our hearts. We very much enjoy reading the 'News Briefs' as well as the longer testimonies of the many, many aspects of God's work & all the big & little miracles the Lord is doing everywhere. We loved your comments on 'What the Parents Say About the Davidito Letters'. They reflected such love & humility. We sure need a royal family & long live our king, queen, prince & princess & all your sweet & wonderful staff who work so hard! We can honestly say we have never seen a more wonderful, sacrificial & hard-working Home as yours!"—Emmanuel & Hannah.
