

"WE SOLD 2 OLD RINGS FOR A TOTAL OF \$152. After tithing we were able to send \$60 to Bithia in Europe with 5 children, & with the remainder we got some survival things. The day we got Bithia's money off to her, we got around \$300 in the mail! So we were able to pay on a debt that we have, TTL!"
—David & Nogah Psalms; U.S.A.

"WE WERE INSPIRED TO BEGIN SENDING A SMALL DONATION to every appeal & prayerletter we read, thus helping to support many fields. If each TRF & even IRF sent even \$1 to each appeal, our brethren would be able to do much more on foreign, often very poor, fields, TYJI!"—Byron & Tabitha; Eur. (—Amen!—Dad.)

"WE WOULD LIKE TO ADD THAT WE FEEL MANY OF THE VICTORIES WE GOT this month happened because we were faithful to bring in all the tithes. The Lord opened the windows of Heaven & poured out a blessing that we soon won't be able to hold. Last month we only sent in \$20 because we felt we couldn't afford to tithe due to our survival situation. But we started getting convicted, mainly by the verse Mal. 3:8 that we should give our full 10% & thereafter we got the

above mentioned victories!"
—Malachi & Heidi.

"FINISHED A NEW SONG TAPE OF 30 SONGS IN GERMAN! The other day while tithing I saw a beggar who looked pretty honest & in need, so with my first donation I decided to give it to him. Tithing was tough that day so I really prayed over it & asked the Lord to bless & supply our needs as I had helped supply the beggar's needs. Well I forgot the incident until later that evening I met a man who said he didn't think much of Christianity & the church. He said, 'You're supposed to be a Christian. Tell me, what would you do if you saw a beggar?' I told him what I had done that morning & he looked surprised & said, 'That's what I call real Christianity! Here is 5DM! (10 times the amount I gave the beggar!)"
—Jordan & Sharon.

"THE LORD MIRACULOUSLY HEALED AN INFECTION which had persisted for over 4 months. I didn't believe it was God's will to stop breastfeeding to take heavy medication, tho' other medications had failed. After reading Grandmother's testimony I claimed God's healing by faith & He didn't fail! I was healed overnight! PGI!"—Daniel & Claire; Iberla.

"WHILE OUT LITNESSING JOSUE MET THE PRESIDENT OF SPAIN Adolfo Suarez! Josue found himself standing outside a large cafeteria. He couldn't understand why he was there as it was very quiet. So he decided to wait on the Lord to see what would happen. Sure enough, within minutes cars full of people, press & TV arrived. Josue stepped into the crowd & with the boldness of Peter & John grasped the hand of the man who was the center of attraction, Adolfo Suarez. For a few seconds all was still as Mr. Suarez waited expectantly & receptively for what was next. Josue then handed him a copy of "Infidelity" & then they parted. Later we were thinking how nice it would have been for him to get a political-type Letter, but only God knows what he needs most in his life right now! PTL!"
—Bithia Masseuse; Spain.

TO END WITH A LAUGH! Four people were in an airplane together—President Carter, Henry Kissinger, an old missionary & a hippie. The plane develops engine trouble & they discover there are only 3 parachutes. The President says, "Well, I've got to have a parachute as I'm an important man, the President of the U.S.!" So he grabs one & jumps. Then Henry Kissinger says, "Well, I'm the smartest man in the world so I've got to have a parachute too." So he grabs one & jumps. Then the missionary turns to the hippie & says, "Well son, I'm an old man & I have faith in the Lord. I'm not afraid to die. Here you take the parachute." To which the hippie replies, "Don't worry, man, the smartest man in the world just jumped with my backpack!" —Sent In by Cancion; Iberla.

"THERE SHOULD BE A LAW which prohibits brethren from selling furniture of a Home closing & keeping the money, mainly when they were gotten by the work of other pioneer brethren. They should give the money for publications or other use!"—Tabitha; S. America. (There is a law!—Love!—Ed.)

"WE WERE WONDERING HOW THE FAMILY CARE TEAM with 11 children & no childcare helpers get out their pubs! Do they need more financial support? Maybe they could write how they do it. How can we help them?"—Jared & Rebecca; U.S.A. (That's always what we wonder too!—But they do! GB'M! Send help c/o W.S.-M&M.)

"AFTER DESPERATE PRAYER WE DECIDED WE MUST START SENDING IN NAMES of sheep we know here for the Mail Ministry. We've talked about this before with all here & no one thought it wise to do in our selah situation because people might connect. But we personally feel it's worth the risk & at that it's not really that much of a risk. If they're really sheep they wouldn't be so all-out to harm us even if they did find out. They need the Word & I know the Lord will protect us!" —Miguel & Ruth; S. America. (Amen!—GBY!—Dad.)

"TAKING A FIRM DECISION TO WANT TO BE LIBERATED without reservations from the homosexual tendencies that have followed me stubbornly even tho' I wanted to hide them from myself & from others, I fasted & prayed for 4 days. Thank the Lord for my wife who helped me so much in those moments of fighting & praying together with me. What the Lord has given me now is the power over it to conquer it because I have completely submitted myself to Him. It's not a permanent victory, but with the grace & power of Jesus I continue fighting & winning. I hadn't thought of giving public testimony of this as I was ashamed, but I received the verse 'If thou shalt confess with thy mouth the Lord Jesus...thou shalt be saved.' (1 Cor. 10:9.) The Lord told me I had to give testimony of what Jesus did for me, so as to be saved & to help, encourage & inspire others. TYLI!"
—Rafa & Michelle; Iberla.

"OUR NEW ARRIVALS FROM THE STATES Jareb & Joy, came to our Home with a saying, 'We don't buy, the Lord will supply!' And they have been causing a revolution with their faith, provisioning lots, even gasoline!"—Sam & Kezia; SEA.

"WE ARE PRESENTLY BEING SPONSORED BY A CHURCH MISSIONARY GROUP to be their field representative ministering to Laotian refugees. This involves distributing physical aid to 2 camps. We are able to tithe with selah lit, mainly the Salvation message. There are many missionaries here from different denominations whom we've been able to encourage. Already many are pouring out their misgivings about their church. We found out that a young Englishman, out here for 1 year, had gotten saved with the Family back in '72 while still in school!"
—Jeremy & Anna; S.E. Asia.

"WE SPENT QUITE A BIT OF TIME WITH JEANNE MANSON while she was here doing a show. We were pretty disillusioned with her as she seems to be in pursuit of fame & has left the Lord out of the picture. We arranged 2 interviews for her, 1 on TV & 1 for our MWM show, during which she was asked questions which she could have at least given a message of God's love but completely blew it off lifting up the love of man. She was sweet to us, tho' on a very superficial level. Altho' she did not turn out to be as we'd expected, the Lord used her to open a door for free passes to all the shows

with the possibility of meeting & FF'ing some of the elite here."
—Zichri & Hepsil Longfellow; S.A.

"GOD JUDGES! A big news company here who recently started & backed a national campaign against COG, broke down to a crash, closed their TV-radio stations with many unemployed, leading their associates to financial & economic ruin."
—Sinao, Pedro & Felipe; S.A.

"YOU CERTAINLY CANNOT SERVE GOD & MAMMON, & our stats show it. We're making money but with little or no time for the Lord & souls. We really cried & asked the Lord to forgive us & by His grace we're going to put Him first!"
—Don & Christina; S.A.

"LAST NIGHT WE PRAYED FOR A GIRL & HER 5-YR.-OLD DAUGHTER who has a bone disease & has been operated on twice. At the same time she received Jesus. This morning they came to us & said the girl was very happily moving her legs & that the Lord had already healed her, TYJI!"
—Andres & Jeanette; S.A.

"IN CONFIRMATION OF DAD'S COUNSEL, those people whose names I've already sent in to WIM are now reporting either as IRFs or TRFs & are still my most faithful sheep & supporters!"—Jonah & Rainbow; USA.
