

DURING THOSE DAYS OUR LIVES COULD HAVE VERY EASILY BEEN CONFUSED by this new intrusion into our midst. Some nights she spent with him in the next room as I listened on.

HE HAD ALREADY BEGUN
WITNESSING to everyone he came in contact with. In fact, because of his zealotness, the word spread quickly in this very small & conservative town, resulting in our being asked to leave our house. However, we discovered later that the people who had asked us to leave had eventually lost their jobs & house & were on the streets asking for a place to stay! Others who had accused us also lost their jobs as we saw the miraculous rod of God's judgements fall on this small town. Because of our decision to "shh'tick" for our

GRADUALLY PEOPLE BEGAN TO COME TO US FOR COUNSEL and opened their lives to us. Several were saved & many lives were changed & affected, including one of the prostitutes. The whole experience *there taught us a world of lessons about the people of this country*, as we were temporarily willing to come down to their level & relate to them. It was here that my children & I learned our Spanish & it was here that I truly fell in love with Latin America. By the time we left, the spirit of the house had totally changed, with everyone sharing their food

& cleaning up after each other, & there was good communication between everyone as if it was one big Heavenly Home.

AFTER WE FELT OUR WORK WAS FINISHED in this small town, we proceeded to the capital of this beautiful country where we are now staying with some very gracious & loving Family members. We had our little pioneer baby only 2 weeks ago & are again preparing for the road. We have a big mailing list now from our previous 6 months on

the road, & people continue to write to us. The owner of the boarding house wrote to say that her marital relationship had completely changed & that they were reading the Bible as a result of our loving sample with each other. We also have a potential disciple, & our Fish visits us here often & was successfully transferred to the loving care of a single sister whom we live with who is now pregnant with his baby to his delight. He is witnessing like crazy & absolutely loves the Letters &

this month will begin Tithing!
IN CONCLUSION, we don't want it to sound as if it were all a bed of roses, but one thing we know: Love never fails & accomplishes mountains of miracles! We are definitely convinced now that we can go anywhere in Latin America with or without a trailer as He leads. Thank God for M&M whose sample gives us the faith to attempt the impossible! Love, Rufus & Dulce & family.

Don't Give Up, Keep Loving!

How one family's obedience to "keep loving" got them to the mission field!

From Ecanus & Nekoda; S. E.
Asia:

WE'D LIKE TO SHARE A MIRACLE & A LESSON LEARNED! For the past 1½ years or so we had tried to get to Asia to share with the *humble more* receptive peoples. To be honest we felt we were going to die spiritually if we didn't do it quick! We finally realised that we were trying to push the door open ourselves, & it wasn't God's will for us to go yet.

WE WERE LITNESSING & FF'ING but not being much of a help to the Home as we didn't bring in much funds at the time. I even tried to find a job, but I couldn't find one no matter how hard I tried. Disappointed, discouraged & down-hearted, we sought the Lord desperately for help & deliverance. To our shock, do you know what the Lord told us to do?

"JUST KEEP LOVING & I'LL PROVIDE!" along with the following verses: "By this shall all men know that ye are my disciples, if ye have love one to another." "For he that loveth not his brother whom he hath seen, how can he love God whom he hath not seen?" "Thou shalt love thy neighbour as thyself." (Jn.

Nekoda, Ecanus & Chinese Marina "loving up" before going out FF'ing!—S.E. Asia.

14:35, 1 Jn. 4:20 & Mt. 22:39.)
SO WE GOT OFF THE WORKS!
TRIP WE HAD BEEN GETTING
INTO & just started loving more
 with our whole hearts, started
 having more concern for every-
 body that crossed our paths.
 The Lord let a love-starved single
 brother named Michael fall into
 our laps to love up, & Nekoda
 made love to him. And so we
 continued on, just trying to fol-
 low Dad's simple loving sample
 for all, which is really fun &
 fruitful too!

THEN TO OUR SURPRISE
SMICHAEL CAME OVER ONE
DAY & said he wanted to give
 us \$2,000 to go to Asia! We
 were so shocked we actually
 tried to talk him out of it at
 first. But he told us the Lord
 had told him to give us the mo-
 ney. So here we are in Asia on
 the mission field, PTL!—All
 thru' obedience to the Lord's
 command to keep lovin'. Try
 it! Love never fails! Love,
 Ecanus & Nekoda & family.
(Beautiful! GBY!—Dad.) ■

P.S. If you ever need me to help in any way, please call
6-1-1 I'll be right there; I love you! ^{Love} Dad

love with you:
--Your Sal:
XXXXXXXX--g m02c!
P.S. The verse that came to me for you after writing this
was: "Many waters cannot quench love, neither can the
floods drown it:--I love you and your love,xxx."
(SbS 8:7.)

Dear Mother, I really really really love you. I have never loved anyone more, but it doesn't mean I love you less! The truth is, I love you more & more & more as each day goes by. Your precious words flowing through my heart & soul; and prayers & your great love without you in my thoughts; and really, it's true, I was feeling a little sad today, but then I thought, you love me, I got all cheered up and wanted to write you this little love-note: How could I ever get sad when I'm one of the most blessed women on the face of the Earth; it's so true; I drink your "fountain all the day long as I travel" - the treasure chest of love, grace, and joy that you have given me. I love you so much and I'll never let you go. I'll always be in love and loyalty are yours and His forever...I'll always be in love

"Just say a word to on

**Compiled by Keren-Happuch:
"TITHING & THE EN"**

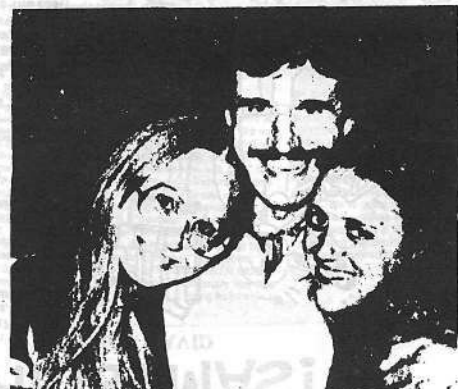

brought a big response & many victories to our precious Family! "I think I never realised that the Lord gives us so much until we started keeping track of its value for our Tithes. It also gives me more faith for needs & I feel more in the Will of God. Thank you for that Letter, Dad!", says Isabel in Portugal. "It really got us out of our lethargy & selfishness & got us on the attack, resulting in many more blessings from the Lord!"—Francis & Rosee in Canada. "You were never one for pulling your punches, Dad! TTL! It's just as plain as day. You covered the whole subject so well & clearly. We really thank the Lord for you & your simple real faith, Dad, that keeps us on the rails. We're behind your decision all the way!" say Isaac & Ruth in Indonesia. Finally, Geof in New Zealand commented: "I feel 'Tithing & the FN' is giving us all the vision for greater obedience & dedication, to encourage many of us to be not merely satisfied with being 10%ers or 100%ers, but 110%ers! I want to say how wonderful & inspiring it is to be in the Family & to see how we are all learning to

love each other more & more as
time goes on! ILY both so much".

**TESTIMONY FROM TENE-
RIFE:** From Bev (mentioned
in the FF Letters): "Since arriv-
ing here things have been rolling!
We've opened a nice new Home &
we're continually meeting
hungry hearts, winning new souls
& ministering to precious friends
of the Family. There is so much
work to do—It's thrilling to be
on the ball again, riding the wave
& seeking first the Kingdom.
Since coming here I've fallen in
love & now have a precious Span-
ish mate, Jose Maria, & the Lord
is knitting our hearts together
more & more in His Service. We
go out singing several nights a
week in restaurants & cafes &
every night we meet open hungry
hearts to share with. Again,
thank you for your help & en-
couragement to get back on the
wall again, back on the front-
lines in the Lord's Army. The
furlough did me good, but how
lonely life is away from close
Family fellowship! I'm really
thankful for all the Lord has

done this year! 'All things work together for good to them that love the Lord, to them who are called according to His purpose'! Love, Bev." MWM EDITOR & 'HARD ROCK BANDS': "Absolutely true! Before joining the Family & during the time I was 'gone' I was a musician in a well known rock group. I had money, women, drugs etc. but always felt empty inside. I want to say that all you said in 'Hard Rock Bands' & The MWM Letters is absolutely true as I have lived it! In the Family I have played in bands that were nothing but problems & led to spiritual pride of a kind that has no place in this Family! When we finally left the band by faith & pioneered a Home in Spain, it was one of the most fruitful times of our lives, being
