

What The Family Says About MWM!

Responses to Tapes! Booking testimonies!

"GBY FOR ALL YOUR WONDERFUL WORK & beautiful music! We made an appointment with the local radio station. The DJ & manager really liked it & would love to play it for free, maybe on Sundays to 'brighten things up' they said!" —Mark & Linda; New Zealand.

"I JUST REC'D. THE 'CHRISTMAS SPECIAL' in the mail. — Spirit-filled to the brim! It was a real encouragement & just like Dad said, it is a reminder to pray for you." —Ezra Milestone; Japan.

"WELL, PG, MWM SHOW NO. 1 WENT ON THE AIR on our FM program last Saturday. Your show is really great. Keep up the good work. In fact even I feel like writing in to join the Club—ha!" —Andrew; Tasmania (he has his own radio show there).

"WE HEARD MWM FOR THE FIRST TIME with about 40 construction workers. They were so turned on, 5 of them got saved!" —Selah; Philippines.

"TY SO MUCH FOR THE TERRIFIC SHOW TAPES! It's such a blessing to play them for friends & visitors, exactly the way they are. The introductions, jokes, comments & all make it just exciting, feeding & entertaining listening. We love it! Keep going! It's worth it all! We need you!" —John & Anne; Scandinavia.

"WE JUST DON'T BELIEVE there is anyone who won't like 'em!" —Eva; France.

"THIS IS GOING TO CAUSE ANOTHER EXPLOSION that will be heard around the world!" —Pilgrim; U.S.A.

"YOU'RE SURE MAKING IT A MERRY CHRISTMAS for

us with the 'Christmas Special' tape! It's beautiful! What a blessing & witness it will be to the world! Their line is gone out thru' all the earth, & their words to the end of the world! (Ps. 19: 4). We also loved the 'Heavenly Sunshine' tape & think it will make a wonderful gift to our relatives." —Scandinavian LIM.

"ONLY THE LORD'S SPIRIT OF LOVE could do something like you all have done in producing this Show! I have an appointment with an English program, the largest in this country with a wide audience. It's only the beginning as I am now 100% sold on the quality of the MWM show!" —Joseph Flowers; Eur.

"WE CRIED WHEN WE HEARD JEREMY SING 'Prodigal Son' & also when Paul Michael sang 'Happy Birthday Jesus'. We were deeply touched & convicted to get these tapes on the radio. They are so anointed!" —Jonah & Abi; Europe.

"WLY & PRAY FOR YOU & the wonderful ministry the Lord has given you. It's the most beautiful music we've ever heard since we joined, and it moves us so much! What a blessing it will be to the whole world!" —Bruno & Maria; Europe.

"WE'D LIKE TO ORDER 19 CHRISTMAS TAPES for our provisioning contacts & friends. We had been wondering what to get them for a little thank-you gift for Christmas & the Christmas Tape was a real answer to prayer!" —Bart & Keturah; Australia.

"WE RECEIVED THE FIRST 2 SHOWS & THEY ARE SUPER! We listened to them & got real excited & then read Letters 930, 924 & 929 & went to the radio

stations. One of them got real turned on & last Thursday at 11 p.m. the show started. The local DJ did a good job—he introduced the Show in a few friendly words & then played the 28 minutes!" —Jacques; Spain.

"THE PROGRAMS CARRY SUCH A WARM & LOVING SPIRIT. They are so simple, so we are sure they will speak to every seeking heart. We also feel such a confidence in the programs that the listeners will not hesitate to write in because they feel cared for. The 'Christmas Party' sounded so cozy. It really was an invitation to join in." —Scandinavia.

"WE DON'T KNOW ANY ENGLISH-SPEAKING STATION in our area but would like to use the tapes at the Seamen Club. We know the owner who is a good friend & likes our work. We could use the Christmas tape on Christmas Eve at this place & the other one when visiting friends on ships as many seamen speak & understand English. So these tapes will be of great help & are going to be fully used." —Francoise & Michel.

"THANK YOU FOR THE BEAUTIFUL TAPES! 'Heavenly Sunshine's' catchy tunes inspire the children to sing & memorize all the songs & keeps them singing all day long! We were also so inspired by the video of MWM & all the people there, like taking a spirit trip to Greece. What a power-packed show with the Elixir of Love just flowing out. Beautiful! All the tapes & video are so moving. They make us weep to hear the songs that mean so much to us & are one of the reasons why so many of us joined the Family—the music of David! —And to see it can reach so many is wonderful!" —Princess & Rebecca; VSS.

"ALOHA, IN JESUS' NAME! The Lord has opened the door

for MWM to be heard here in Hawaii! It was the first station I approached. It will be on Sunday mornings for ½ hour. I chose this station because it is quite popular & contemporary, rather than a Christian station whose listeners already have the Message. I have the faith for the MWM Show to get the Spirit of Love to those 'sheep' who are turned off to such churchy business. May the Lord continue to bless & anoint all our Family artists with their music & keep the MWM Show bearing fruit!" —Gabriel Moonshine.

"I WENT TO ONE STATION where I met the manager & program director who agreed to put it on 4 times a week for 15 minutes each at a good hour starting now! He later told me that one of the DJs said it was kind of 'religious' & he wanted to put it on Sunday mornings, but the Director said, 'Not at all! We're going to put it on a good time, 4 times a week, so get busy doing a presentation for the program & a translation of the address for the end to help these guys with their Club! Hal PTLI! But this is not all!—There is a friend of mine at a library & when I told him about the tapes, he put them on the PA system. All of a sudden a guy jumps up & says, 'What music is this?' He was a DJ at another station, a cultural station with a different audience. He really liked the music & wanted me to put him on the list right away for a 15-minute show each week in his weekly ½-hour contemporary music show. So I'm amazed at what the Lord can do. As Dad said already, 'If you believe in the product & know it's good, now you can sell it!' I think you will be receiving some mail from here in Spanish, but don't hesitate to answer in English, as people here read or can get someone to translate it for them. Of course, I'm praying that we can get such a qual-

ity program in Spanish! That would be a hit!" (Coming soon!) —Marco; South America.

FROM A LETTER FROM MWM TO A SALESMAN IN S.E. ASIA: "Sorry you didn't feel led to use the brochures, by the way, but if you have any ideas you think we could use, let us know. M&M did like it tho'. Guess the fact that it was 'full of straggly bald long-hairs & was not very professional looking' should really help you pray for us, that God can even use such 'weak things' (1 Cor. 1:27,28). (Dad: I hate to publish the Devil's stuff, but I think we should sock it to that guy publicly. I wouldn't say that to my best friend. It's certainly no sample of the Lord's love, & our MWM staff can't help how the Lord made 'em. What an unkind thing to say. I can't imagine anyone being so unkind. How can our kids help the fact that they're growing older. What's the guy expect?—A bunch of hard-rock teenagers?)"

"WELL, THE SHOW IS ON THE AIR IN MAURITIUS! For a start we had to fly there from Reunion. But the Lord raised up a king who paid both return tickets for Melody & me, plus another king who invited us to stay for free in a hotel with food & chauffeured car for 5 crazy wonderful days on the beautiful island of Mauritius! Melody shared with him & as a result he prayed to receive Jesus, as well as the hotel manager & 3 girls we met singing at one of the top discos. We also met the Program Director of the Broadcasting Corp. who liked the Show sooo much, & as a result it will be on the air every Friday & then change, DV, to every Sat. or Sun. evening before TV time. So we hope & pray you will get lots & lots of letters from the beautiful island of Mauritius where we now already have so many precious new friends!" —Daniel & Melody.

"THE LORD OPENED THE DOOR FOR MWM ON HOSPITAL RADIO here in this city. I've just returned from meeting the Program Director & Station Manager of another station who both received me warmly & after listening to the sample tape the Manager called the show 'refreshingly different' & the Director was only too eager to book it." —Daniel; British Isles.

"ANOTHER TESTIMONY & FRUIT OF YOUR LABOURS: Last week while we were busy, we put on the Christmas tapes for the children. Then as you, Simon, said that 'you can receive Jesus today...', Marie-6 took her little sister's hand (Anne-Claire-2) & prayed with her to receive the Lord into her little heart! And we have seen a wonderful change in her since PTLI GBY!" —Vincent & Chantal; Europe.

Marie-6 prays with Anne-Claire —22 months, to receive Jesus!

What The Family Says About The Latest Letters & Pubs!

—From the Monthly Reports! Compiled by Maria!

"AFTER READING 'TITHING & THE FN'—the part about tithing on your 'bonanzas'—David started giving on 2nd-hand clothes given to us, gifts etc. At first I thought it was going too far, but at the same time I was really very proud of his honesty. We were saving to leave the U.S. & had 2 small gold pieces. But convicted about back tithes, David turned our savings in to send as our Tithe. The Lord has given us so much, we really could never repay Him. It also convicted David to put aside, above our Tithe, a special offering for someone or worthy cause in the Family. We'd still like to leave the country, but after giving I feel more at ease that we'll either get out before it happens or He'll keep us if it does!" —David & Nomi; Palms; US.

"READING 'TITHING & THE FN' REALLY CONVICTED US about all the little ways we have been cheating God by not tithing our full Tithe, like only tithing our paycheck & not the amount before taxes & not tithing clothing gifts etc. We are sending our savings which we had planned to use to go to S. America with. It has been very hard to save money in spite of my high salary. I think the Lord has been telling me the money has been slipping away because of our failure to give Him more. So here's \$600. It may or may not be what we owe on our Tithe, but it can't ever come close to what the Lord has done for us. If the Lord wants us back on the mission field (& we know He does), we will have to trust Him to get us there Himself. We hope this to be our 1st step to living by faith again like

in times past. It used to be so common to give all your savings to a pioneer effort, & the Lord always blessed. Now we have developed the attitude that we need it to survive, & the Lord hasn't really blessed us. We are doing well financially but we are spiritually dry. So here's a start. I know that Letter will cause a financial & spiritual revolution heard around the world!" —Andre & Gail; U.S.A.

"I'VE HAD A POOR ATTITUDE TOWARD GIVING. Altho' I've been faithful to tithe, I haven't been sending extra gifts like I used to. The Lord's been warning me about this too by causing a delay in unemployment insurance paychecks I've been receiving." —Josephus; Canada.

"WE DECIDED TO TITHE OUR TOTAL INCOME. It was a big trial, but we know the Lord is going to bless it. It was heavy to think about some giving their whole lives 100% for the Lord. We can at least give 10%! Immediately the Devil attacked by sending us new bills we did not know we had, but even that was a blessing because now at least we know about it. So we are really glad we could help the Lord's work a little bit one day before the Devil tried to swallow it all up the next day!" —Philip; Europe.

"THE LETTER ON TITHING WAS SO NEEDED! Several of us read it together at the trailer park, & I was surprised how it offended some. But I can testify that altho' I've been alone with my 4 kids off & on for some time now, the Lord has never failed to supply enough to pay my 10%. The Lord gave it

to me, so I know I owe it to Him.—His portion which should go to those who are helping me to serve Him best. GBY, Dad! 'Freely give because freely you have received.' And the Lord has never failed me in my 10 years of serving Him." —Hudiah; U.S.A.

"REALLY ENJOYED & APPRECIATED 'TITHING & THE FN', especially how Dad explained how the Lord always gives 100-fold by way of our needs & protection. I never thought of it in terms of protection before. TYJ!" —Matthew & Rose; U.S.A.

"TITHING & THE FN CAME JUST AT THE RIGHT TIME! I was just wondering if I should tithe this month as the children needed clothes & it would help us get back on the field quicker if we used it on our fares (so I thought), so God gave me the answer & supplied the clothes anyway! TYJ!" —Claire; Europe.

"I THINK 'TITHING & THE FN' is the best, most sensible & easiest answer to the problem. Every time I tried cutting down my 10% I've had a terrible time & my conscience plagued me." —Daniel; Europe.

"TRFing TRFing that's our cry We're gonna do it DO or die Sink or swim, come what may We're gonna make our witnessing pay

Be single-eyed, cast out the beam We've got Jesus on our team Don't know %ages, we're David's men

And we're gonna keep giving 110!" —Salvation Light; Caribbean.

"AFTER RECEIVING FN 27 WITH 'TITHING & THE FN' I quit my job & am now 110%

for Jesus. The 'Happy Family on the Road' testimony also encouraged me. I received the free box of books this month & got them all out except for 2. People loved them. They were a real blessing to have." —Amos Summers; U.S.A.

"THE NEW FAMILY CARE KOMIX ARE FANTASTIC! Another special benefit is that we are able to send or give away to friends all the Komix we had copies of that are in the book—a real special mail ministry for the kids!" —Daniel & Turn.

"WHAT WAS REALLY NEAT WAS TO RECEIVE THAT FAMOUS 'KIDZ' MAG! It came right after I had really prayed for something like that. What a wonderful answer to prayer, TYJ!" —Nicolas Camon; Canada.

"KIDZ—TERRIFIC! Very inspiring! Clear also for adults & to me even better for distribution than some of the other Komix!" —Carthana; Europe.

"KIDZ 27 WAS BEAUTIFUL with all the beautiful pics of the children. They're so strong! Komix 2 leaves you breathless! So valuable when you're raising children!" —Ruth Provisioner; Eur.

"KIDZ MAG—WHAT A WONDERFUL IDEA! The kids love it & are so inspired to become good faithful reporters!" —Bigval & Rose; U.S.A.

"LOVED THE KIDZ MAG! All our kid catacombers & friends read it. It was a blessing. God bless all those little people behind the scenes who made this Mag possible. My 5 children were thrilled to have their own Mag, just like the big one!" —Giacomo & Annie; Canada.

"WELL, THE ARTICLE BY THE CONVERTED WITCH WAS A LITTLE OFF as Carole King's Tapestry album has some beautiful music on it, not at all hard rock or even demon inspired. I think he's a little too extreme on banning almost all music with a beat! I pray we will not

become old bottles. I don't really like hard rock bands, in fact I abhor them! But mellow music with a beat is beautiful, especially single singers & love ballads." —Charis; Canada. (M&M: Uh oh! Be careful! There's lots of 'beautiful' music demon inspired & seductive to lead people away from the Lord. Is music still your god? It doesn't matter how beautiful the music is if it's not of the Lord.—It could be the Devil in sheep's clothing.)

"TO START WITH I WAS ABSOLUTELY SHOCKED to read what John Todd says about music. My first reaction was negative.—How could that be? But the Devil sometimes makes you angry at the truth because he is about to be defeated by it, & tho' I am not a 'hard rock' fan I felt some of the system music wasn't so bad—a hangover from being at Florence, Italy, & listened to it frequently not realising the effect it was having on me. Now I see & understand that it was putting me to sleep, & altho it did not have an out-&-out demonic message it was hindering me by not pushing me forward in inspiration. Thank God & all of you for having the guts to publish such a bomb! I feel similar to one of Martin Luther's old followers who after conversion literally wanted to smash the old idols that he had worshipped previously. I agree wholeheartedly with what was written. At this point I also feel similar to one who has developed a perverted taste for sugar & can no longer tell when it is too much. My spiritual sense to tell good music from bad has been so warped by these, that I feel that I can only stick to what I know is from God to be safe. Thanks for a good shake-up! We would like to know more & wait eagerly for details." —Bobz Turner; Europe.

"AFTER FN 27 THE LORD SET US FREE FROM ROCK MUSIC. I used to be a great fan of country music & was still listening to some of the music. The Letters for rock bands & rock music articles clearly show us the proper channel to tune to. We're going to get more MWM tapes." —Elijah & Rebekah; S.E. Asia.

"I'M GLAD JOHN TODD IS SAVED BUT DON'T AGREE WITH HIS BLANKET CONDEMNATION of all commercial rock music or his comments about 'witch language' & the Tapestry album by Carole King & 'One Tin Soldier.'" —Rebekah; U.S.A. (We still stand pat by John Todd's analysis of rock music. We see that some of you are still fighting for your idols! —M&M.)

"WE ARE SO THANKFUL for how Dad always goes back to the Basics when we complicate things too much. It's good to read how the Family Care crew manages their bunch. We can remember how it was working with them—lots of work with 4 helpers. We can't imagine with no help at all, but they are doing it! GBTA!" —Samuel & Maria; U.S.A.

"GO TO THE CITIES' WAS SO ENCOURAGING as it made me realise that we did forget to go to schools; we have to go to where the disciples are. It's a harder battle but with more lasting fruit!" —Lukas Be So Happy; Eur.

"WE WANT TO SAY A SPECIAL THANKS TO M&M for your infinite love & faithfulness in feeding us. WLY! & to WS & to our CRO for their labours of love in the Lord to get the Mags & other publications & communications to us. GBY! WLY!" —Daniel & Abigail; Canada.

QUESTION: We have many friends here in the Philippines who couldn't afford \$5 for a LIN. What can we do? —Hedakuk 214. (Have them send what they can, a Dollar or more, & we'll try & see that they get one.)
