

ed in the emergency room of a hospital in the city. The coldness of the doctors & nurses who prided themselves in their un-Godly medical knowledge caused me to quit & seek to live my life in a simple way & to avoid the fast pace which this world is heading towards. I am interested in what Moses David has to say. He pulls no punches, especially 'Mountain Men'. Please send a copy of this & his recent Letters. Please put me on your mailing list." —Mando; U.S.A.

"BY GODLY COINCIDENCE WE RAN INTO ISRAEL & GENERAT who were former leaders in Central America. They apparently returned to the States about 4 years ago, bought a house, & Israel is working as a policeman. They were both interested to hear what has been happening to the Family, as they hadn't even heard about the RNR. The only contact they've had is with Urijah & Joy who were leaders in Argentina & now sell real estate, & with Hadorum, the radio operator in Puerto Rico who is now working in the Merchant Marines—all of whom also left the Family. I&G wanted an address to write to, which I gave them, as it was such a shock to hear about all the changes that had happened." —Shadrach & Rebecca Solidout; U.S.A.

"I MET A FORMER COG MEMBER (1971) who works for a radio station. He interviewed us & played it on the FM talk show. —Very favorable as he's just getting interested in living for the Lord again." —Josiah & Jewel; Canada.

"MY NAME IS HANNA & I lived & worked for the Lord in the Family 7 years ago. I have 3 children ages 13, 6 & 1. I have had contact with the Family on & off but I miss the words of MO & now that I have left my system husband I am

free to serve the Lord again. I have contact with Family members in this city & I know very much has changed. I would like to give 10% of my income for the Lord's work. I work in a hospital a couple of nights a week. Please write & tell me the things I need to know. Praise God for the Family & Mo. I love you all." —Hanna; Scandinavia.

"THANK YOU VERY MUCH FOR THE FAMILY NEWS. I'd like to read more. Enclosed is \$20. Love, Peter the deaf boy." —New Zealand.

FROM A BROTHER WHO WAS IN THE FAMILY YEARS AGO: "The thing I've been missing is the Mo Letters, the spiritual love, the togetherness & the healthy outlook on life. I really am destitute & I'll be honest with you, all I've got is a KJ Bible & my belief. I'm so lonely I want to reach out & touch somebody & talk to them 'in the Spirit'. Anyway, I found a True Comic 'Letter to a Lover'. It reminded me of when I first started witnessing & really felt pressed. I loved it." —Abimelech of Simeon; U.S.A.

"IRF TURNED TRFI. The Letters in Mag 21 were just what we needed! We definitely want to Tithe our 10% & receive all the Letters. While the FN, Dito & Tech Letters, Komix etc. are all very exciting & inspiring & helpful, the spirit behind all these is what Dad gives us in his Letters, the Spirit of God's Love. Without the Letters he writes all else seems in vain. Please send us all the news!" —Darren & Laurie; U.S.A.

"I COULDN'T PUT INTO WORDS WHAT I FEEL! I'm so happy & filled with love, & I thank the Lord for such a loving Family He has given me. When you feel loved & secure & have a family who shares every little thing with you & Jesus is your

light & life, what more can you ask for? TYJI PTL! I'm really in love!" —Sharing Love (2-mo. babe); S.E. Asia.

"I AM DIRECTOR OF A RADIO STATION. Approx. 2 year ago we had a visit from a group of youths from your organization who requested of us airtime to transmit their testimonies. With much joy our station took them in for 5 days, seeking housing for them etc. Before this we took them to schools, universities, churches etc. where they sang songs of Jesus & preached His name & especially our radio theater where approx. 500 persons attended. I write asking for records or cassettes for the radical program which we are transmitting every Sunday where we read your pamphlets & ask those listening to think & meditate about what is read. But we lack your music. It doesn't matter what language it's in. Send us the prices. You deserve respect for carrying love & peace to all men of the Earth, & because of this we want to help you. Also we wanted to inform you that our radio station & its network has bought a network of private TV which transmits cultural programs, musicals & programs of public interest. If you have for sale TV programs, with joy we would also like to buy them." —South America. (Send 'm MWMs!)

Do you have friends, contacts or loved ones who would like to get in touch with the Family? Send in their names & addresses to WIM, Pp. 241, 8021 Zurich, Switzerland, or to your LIM. For a monthly donation of any amount they can receive "Love Is News", 32 pages of news & Komix each month. If they tithe 10% of their total monthly income they will receive all the news, Letters etc. in the "Family News" plus extra books, mags etc. as a full-fledged member of the Family.

Gettin' Back On!

Fruitful & inspired again! Washed by the water of the Word!

Vincent & Chantal with daughter Anne-Claire—so happy after singing for 200 refugees during Christmas, & leading them to the Lord!

From Vincent & Chantal; Eur.: **"AS LONG AS YOU'RE PRETTY PERFECT** & you haven't made many mistakes you're going to think you're really doing something & you're doing pretty good. And then you're much more unmerciful on those who do make mistakes. But don't your mistakes make you a lot more merciful on those who make mistakes?" ("Lashes of Love" No. 606:24.)

WE WOULD LIKE TO THANK YOU, DAD, for these & many other words which revealed to us the truth. —And thanks also to Zaccheus & Lamb for their sample & to Paul & Marianne for shaking us up & challenging us again to really serve the Lord! **WE THOUGHT OUR WAY WAS GOOD,** so good, that there was nothing to learn from others, to the point of dangerously slowing down spiritually & becoming barren & even a reproach to the cause! We had tried to "become one" to the point that we were

well on our way to becoming like them, with the fear of persecution, the fear of man & what they would think.

WE WERE ALSO FAILING TO STUDY THE LETTERS, to memorize & receive the Word for ourselves. This lack of Word brought a lack of faith & then a lack of love, mercy & understanding for others & setting ourselves on an island.

TTL FOR CARING FOR US & teaching us our lesson like the Prodigal Son, so we can maybe help others & keep them from falling into the same trap! Our long worried faces turned into joyful praises as we now see the Lord working wonders! "It comes so much thru" hearing the Word. As you begin to obey & follow God, & confess your sins & obey & with your last breath praise the Lord, God begins to strengthen & do His part!" (Daily Might 2:28.)

THE LORD IS QUICK TO FORGIVE as the time is now

so short, & these last days have been some of the happiest & most glorious of our life in the Family. He led us to a very hungry & receptive radio station manager who put MWM on the air, reaching 50,000 people each time. Then he let us sing in a shopping center, the show being broadcast on his radio. It was so "unprofessional" but oh so powerful, & Marie-6 ended it with a loud "Jesus loves you!"

IT HAS BEEN SO GOOD TO RETURN TO SIMPLE WITNESSING, especially together as a family, & to hungry & receptive people. We sang & did the Heart Skit in several homes, schools & institutions! And the Lord showed us to seize every "Golden Opportunity" & really win souls!

MY SINGING IN RESTAURANTS SEEMED KIND OF DEAD, but now several owners have prayed to receive Jesus & customers are also being witnessed to & saved in the middle of their meal! Some neighbours, whom we've known for over a year, also prayed to receive Jesus, & even one family whom I helped in the supermarket & drove home, also prayed there to receive the Lord! Any opportunity, any kind of situation will turn to gold if we obey & deliver the message of Salvation. The harvest truly is plentiful. We just need to go in & reap it!

THE LORD HAS PROVIDED THE FUNDS TO BUY A CAMPER, so we should soon be mobile, Lord willing, & freer for God's work. We're so thankful to have Zaccheus & Lamb here to show us the sample & help reap the harvest here before time to leave. The MWM Shows will be a precious tool for this, even in English which is commonly spoken here. We love you all very much. Please pray for us! Love, Vincent, Chantal & family.

Now We're 11—On The Road!

News & tips on how a large family does it! (How @ some help?—D.)

From Keilah & Shiza Son; U.S.A.: **HII! JUST WANT TO SAY WE LOVE YOU & ARE STILL ON THE ROAD** in our trailer, learning lessons & getting out the Words of David. We've moved a lot lately, & the 4 oldest children have been in 3 different schools already this year! PTL!

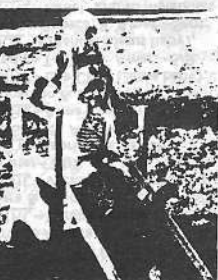

DURING THE CHRISTMAS HOLIDAYS the kids went wild with the lit & were able to get out 200 pieces per hour with good donations! One Salvation Army "bell-ringer" was amazed to see 4 children, covering 2 doors, getting tracts into every hand & getting more donations than he was! Our parents were also generous this year, & we received enough to provide good useful gifts for all the children for Christmas, PTL!

WE'VE TAKEN DAD'S ADVICE & SAVE OUR GAS by heating our water, frying etc. on a hot plate & also by buying a 6 quart slow cooker (crockpot) for our large family. It has been a real blessing as Mom can put the chili, stew, spaghetti, split pea soup etc. in at noon & be gone all day so that when we return at dinner time it'll be ready!—No more rushes to make dinner while children are fussy & it's hard to think! Ha!

FOR OUTSIDE PLAY we found a "Creative Playthings Slide" to be a real blessing for our 1-4 yr. olds. It dis-assembles in minutes & we store it on a top bunk when travelling. We also purchased a 6x10-ft. roll of "Astroturf" (a rubber-backed plastic grass mat) which makes an ideal play mat at the door of our trailer. It's easy to clean, dries quickly after a rain & stores easily rolled up on the bumper of our trailer. They cost between \$30-45 depending on size & quality.

Shiza & Keilah with newest addition Rebecca Sunshine, 9th in 9 years in the Family!

BEING INSIDE MORE, now that it's colder & dark earlier, we're finding it better to park where there's "things to do", like exploring stores after litnessing, or shopping with Mom & Dad. With 9 kids this is usually a hit! Ha! Actually, we haven't attempted all 9 yet but usually split up into two smaller groups of 4 & 5 each to make things easier! Ha, PTL, with God nothing is impossible! (Can't someone help?—D.)

PLEASE PRAY FOR US AS WE PREPARE TO "FLEE as a bird to our mountain", that we can win support & find fellowship along the way. By the way, the Lord answered our prayers & sent a sweet sister to help us when No. 9 arrived last August, PTL! We are presently on our own again tho', but pray the Lord will lead us to join up with someone soon! GBY! Love, Keilah & Shiza & family.

A Loved One For Eternity!

The Graduation of a friend & helper — now helping from the Heavenly dimension!

From Lebanon & Manasses; S.E. Asia:

I WANTED TO SHARE WITH YOU ONE OF MY GREATEST FF EXPERIENCES, with our precious friend & loved one, Mario, 35, Vice President for several large gold & silver mines. Like Dad said, "Our greatest witness is Love, because the only Love of God they can see, is the Love they see in us...to believe there is Someone up there who loves & cares for them."

"THIS IS THE END RESULT & GOAL in soul winning, a new-born Babe into the Family of God, the only thing we can take with us from this world." Mario had become a close family friend for over a year & stood up for the Family within his executive business circle of friends.

FROM HIS BEGINNINGS AS A CATHOLIC filled with fears of laws & traditions, he had grown a lot & was set free with our classes on Simple Salvation, Witnessing, The Word & the Endtime. He was now trying to live the sample he was taught by the Word.

HE WOULD ASK MANY QUESTIONS ABOUT HEAVEN & refugees, wondering where his would be when the time came. (I was reminded of Ps. 46:1—

"God is my refuge & strength") At the end of November of this past year, Mario was on vacation (which he called his "spiritual retreat") to get away from business & have some time alone with the Lord to thank Him for his many blessings, which he said was us, his "source of joy".

DURING THIS TIME AWAY, HIS PLANE CRASHED into the mountain behind our refuge home. I didn't yet know what had happened, but the same day I received a letter from him

Mario, now helping from above, surrounded by two of the Lord's Lovers—Lebanah (left) & Sunshine!

which became a real comfort for me at this hard time. Here's some of the inspiring things he wrote:

"BLESSED IS HE THAT READETH & they that hear the Words, & keep those things which are written...for the time is at hand...With your help I will be prepared...I brought my Bible & am reading it this trip. You can be proud of your Babel!"

GOD MUST HAVE ALREADY BEEN PREPARING HIM. He was so curious about the Spirit World. I got the quote: "Ah, sweet mystery of life, at last I have found thee! Ah, at last I've found the reason for it all! Ah, 'tis love & love alone..." (No. 151:52.)

I'M SURE HE'S NOW OUR

VERY OWN SPIRIT HELPER —he always said he wanted to be of greater use & service, TYJI! Each night we can see a bright light on the mountain behind our house, reminding us of him & the great privilege that we have in giving our lives that others may find life & love & peace ever after. Like the song goes: "...we found the answer...let's give them Jesus while we can!" Tomorrow may be too late for them! Let's conquer their hearts today! Love, Lebanon & Manasses. P.S. Thanks so much Dad for your love & obedience. The Letters about life after death have been a real comfort. Mario & I read them just before his Graduation. (PTI!—Dad.)
