simply by faith as humble mis-sionaries. Lord help us, having temporarily fallen back into the habit of looking to some type of leader or personality for direc-tion rather than following what the Lord & the Letters had al-

the Lord & the Letters had al-ready shown us to do, we were left wavering between two op-inions (1 Kings 18:21). FINALLY, BACK IN FLOR-IDA AWAY FROM THE OLD TIES gave us time to read & stud the Letters both old & new & to return to the besics & simplicity from whence we came. The Neb from whence we came. The Neb. Revelation came out confirming many feelings we'd come to have of late regarding Rachel & those around her.

NOT LONG AFTER THIS WE RECEIVED "THE TIM REV.", which was a real shock for us. Oddly enough, a couple of days later we answered the phone on later we answered the phone only to hear Timothy's voice on the other end. Arrangements were quickly made for us to get together for a couple of days to visit one another. For some reasor that we were only to understand later we felt a real burden to go.

later we felt a real burden to go.

MORE THAN ANYTHING
ELSE, THE TRIP PROVED THE
WORD OF THE LORD TO BE
SO TRUE! The change in Timothy was shocking & it really put
the fear of the Lord in us to see
him without the Spirit, a totally
changed man. In many ways it
was the destruction of the last idol of our past, & we could at
last begin anew.

last begin anew.
THO' LIFE IN MANY WAYS WAS VERY HARD, living alone & working full-time, the continu-flow of the Letters renewed & strengthened our faith daily, as well as renewing our vision totally. Tho' it didn't seem like we were accomplishing much, we had a real peace in our hearts that we were in the Lord's will & contin-uing to learn some valuable les-sons that probably could never have been learned any other way ave been learned any other way AFTER SEVERAL MONTHS

WE WERE CONTACTED BY ANOTHER FAMILY COUPLE, Rocky & Naz & their 4 children, who also were living & working in the same city. Before long we moved into a rented house together with the vision of helping & strengthening each other in getting off to a new field & full-time service for him.

UNFORTUNATELY, AFTER WORKING IN A SYSTEM JOB FOR ALMOST ONE YEAR we still didn't have much money saved, & it was only by a miraculous & generous donation from

saved, & it was only by a miraculous & generous donation from a very dear friend & supporter of the Family that we were able to make our long-awaited "Exodus" PTL! The Lord also miraculous ly supplied Rocky & Naz with the necessary funds to make their move South at almost the same exact time, PTL!

LOOKING BACK OVER THE LAST 2½ YEARS we ask ourselves, "Did God make a mistaker" NOI Tho' it's obvious that we made plenty, God certainly used all of it to accomplish his purpose ING OUT to show their love & in our lives. The Mo Letters were concern than anywhere I've ever & still are a constant source of guidance, strength & inspiration. It's because this is the way you live, as this Camp is just a reflection of you. I wish everyone could come here to see it, as words Love, Silas & Endureth. (GBY)-DJ are sometimes not sufficient for how I feel.—But if not. I believe

ing with new inspiration!

From John Rain; helping to pioneer Spanish MWM-his re-tion to visiting MWM-Greece:

alDearest Dad & Maria, I Dearest Dad & Meria,
I AM JUST THRILLED TO
BE HERE IN "LOVEVILLE"
& again, thank you so much for
allowing me to come here & par-take of this beautiful sample of love, unity & cooperation. I can truly feel your loving presence & can only think that this must be a lot like your home, where be a lot like your home, where love for the Lord & our brothers & sisters is the main motivating

factor which powers the work that is done.
FROM THE FIRST MOMENT I ARRIVED I FELT SUCH LOVE & CONCERN FROM ALL the Family here who were constantly asking me if I was getting enough rest, enough to eat, if I was warm enough & if there was anything that I needed!
THERE IS SO MUCH GOING

ON HERE as the Lord is explod-ing thru' the radio show & now the beautiful exciting videos, that I am just really getting stuffed to overflowing with this new in-

Love, Silas & Endureth.(GBY)-D. are sometimes not sufficient for how I feel.—But if not, I believe the music imparts the Spirit of the Lord found here. Thanks to

the Lord found here. Thanks to you & your Letters of guidance & faithful supervision!
SOMETHING ELSE I FEEL IS SIGNIFICANT IS THE WILL-ING SPIRIT of the brethren here in their work & the feeling of everyone "pulling together" for the common good to see the good news published abroad via the radio shows & the videos. From the musicians to the provisioners, to the cooks, childcare helpers, mothers & on down the line. evnothers & on down the line, everyone is cheerful & inspired about the part they play & do their responsibilities as unto the Lord & not unto man, & out of genuine love for the Lord. 144! PTZ! GOY!- Hugen April!

I HOPE & PRAY I CAN
BRING THIS SPIRIT BACK TO
THE FIELD so that others can
feel & see more of the Spirit of
David. It is truly amazing to see
the fruit coming out of this Camp,
such as Paul Michael's 35 new
songs for the Lord in only six
months, & all the songs the other
musicians are receiving!
THESE NEW INSPIRATIONS
FROM THE LORD ARE HAPPENING SO FAST that you almost can't keep up with them all.
It seems that everyone's gifts are
being used to the fullest! God
bless you, Dad & Maria, & Faithy
& Juan, for having the compassion & vision to go after these talented musicians & bring them
back into the "fold of David" for
such a time as this, for this is such a time as this, for this is

sack into the Told of David for such a time as this, for this is truly a tremendous moving of the Spirit & an explosion which will be heard found the world in the hearts of people everywhere! Halleuljahl Praise the Lord!

IT IS ALSO VERY INSPIRING TO SEE HOW CLOSELY YOU & MARIA ARE INVOLVED in this project & the concern you show to each one of your sheep here at MWM by way of the inspiring tapes you send us with your comments & wise suggestions. We feel so close to you all here, & it is such a source of strength that we can all draw from knowing that you are in direct charge of things here. PTLI—No wonder everything is so exciting here!

everything is so exciting here!
THANK YOU FOR THE
BEAUTIFUL CLOTHES you got BEAUTIFUL CLOTHES you got for the children & the adults here as they are such a blessing to all. "The shepherd layeth down his life for the flock!" We love you so much! And thank you spain for everything, especially your words of love, inspiration & guidance thru' the Letters—& also for the opportunity of being able to come here & see MWM personally. I love you! Love, John Rain.

Musicians' responses to Dad's tapes!

Dear Dad Dear Dad,
THANK YOU FOR THE LAST PATES OF COMMENTS ON
THE MWM SHOWS. Much need the direction on children's songs.
Some things we seem to overlook, so that's why we need you. We want to hear the truth, & it's greatly an

greatly appreciated.
I USED TO BE SO AFRAID
OF MAKING MISTAKES that

I TOTALLY AGREE WITH YOU ABOUT TODAY'S "MU-SIC" & how far off balance it has gone. The words are so hard to hear & the music so loud. Of course these groups having nothing to say would put the emphasis on the music, but we having more to say than anyone in the world must go to the other extreme if necessary to make sure the words are heard & felt.

THE LESSONS ON PRIDE WERE SO BEAUTIFUL, & Jerenny & I had a good laugh at our

my & I had a good laugh at our-

selves. You let us down so easily, Dad, & correct us so lovingly when we make mistakes, bearing our burdens for us, seeing the problem, understanding it & then presenting us with it. You make it so easy for us to be good. I pray we do better in the future in our musical projects here with the different songs & learn how to better "clothe her lightly". Love, Ahimelech (Michael), (Amen)

MWM_ a special place to be!

I USED TO BE SO AFRAID OF MAKING MISTAKES that I hardly did anything. Jethro used to tell us that a leader cannot afford to make mistakes. That isn't true is it? You wrote in one Letter that the only person who's never made mistakes is the person who's never tried. (—And that was a mistake!—Dad.) So thank you again for your cost of rection. We need it so we can do better with Jesus' help. Love & prayers.—Jeremy. (GBY, son. you've really grown!)

From Michael:

Dear Dad & Maria.

GBY BOTH & THANK YOU

SO MUCH FOR THE NEW TAPE.

"Meaning With Music" or "Clothe Her Lightly". The avelation you received about a song being like a girl & the music the clothing really helps me to see clearly how a song should be.

I TOTALLY AGREE WITH YOU ABOUT TODAY'S "MUSIC" & how far off balance it has gone. The words are so hard to hear & the music so loud. Of course these groups having nothing to say would put the emphasis on the music, but we having

one who works here & makes
this operation so fruitful. I feel
I'm being in a very blessed place
with very blessed people. Whenever we'll be back on our field I hope we can share what we've seen with others. I love you both dearly. Much love & pra -Jean. (GBY all!-Love,-D.)

All Hail To Our Queen of Music!

-A tribute to FAITHY, from the MWM Minstrels!

ALL HAIL TO OUR NEW QUEEN!—
By Dad crowned today
To lead us along the straight narrow way
All hail to our new queen
A prophetess of God by video seen
Whose job with us truly has been
One of the highest and hardest amongst m
To reform us musicians and prodigal sons
To her we surrender as Lord Byron of old
"To perform that which is ordained"—
To produce the gold!

ALL HAIL TO OUR NEW OUEEN

ALL HAIL TO OUR NEW QUEEN Who with love's medicine
Has truly made our hearts to mend
For when the wicked bore rule
We surely did mourn
Scattered & lost, by the wolves we were torn
But now a queen by judgment establishes the
We sheep have been healed land,
by the shepherdess' hand
For she hath considered the cause of the poor
And hath not turned any away from her door.

MAY HER THRONE BE ESTABLISHED And of her love, may it never fail, never!

How we rejoiced when we heard of her crown
And from it our musicians may sing a new song!
For when righteousness rules the people rejoice
Without a doubt, she is God's own choice!
In our camp there has been such a happy refrain
Within her sweet and loving domain!
Proverbs 27:23 and 24
Did Rochel sweets to only riches more. for ever and ever Proverbs 27:23 and 24
Did Rachel reverse to gain riches more.
But Faith cares for her flock more than

riches and crown
riches and crown
Valuing souls, that the lost may be found.
Daily she gives her life for us all
In utmost obedience to His very call!
She sings loud & strong, with a voice of thunder
And neath her feet will our foes be under

And 'neath her feet will our foes be under QUEEN OF THE VALKYRIES, BRUNHELD, Daughter of God!—
May all come now and fight by your side, And in this battle we will turn the tide. The gates of Hell we'll invade with His music No matter what, this war we cannot lose it! If God be with us, how can we fail?
All attacks of the Enemy will be of no avail! Dad, we wholeheartedly accept this new coronatic Let us ring & sing it throughout our New Nation That now upon the throne of the Queen Reigns our Dear Faithy, on whom we can lean!
