

## Faithy's 'Mission-Prodigal'!

More musicians return to the Father's House to reach the world with His music!

From Faithy: 19 May, '81

Dearest Dad & Maria, IT WAS SUCH AN ENCOURAGEMENT & BLESSING TO TALK TO YOU yesterday Maria, & to hear those beautiful words for the Prodigals from you, Dad. TTL! It came as such an answer to prayer, & we really appreciate your love & faithfulness as our beautiful shepherds in helping to reclaim them for His glory & service. The verses you received for them were so beautiful & perfectly fit the situation. TTL! We felt so excited upon hearing them that we wanted to just jump up & down for joy, for them!

THE LORD GAVE US SOME BEAUTIFUL VERSES OF CONFIRMATION from today's Daily Might about the importance of our musical ministry in reaching the world with His love & message & healing. "The music of the harp of David is going to bring the answer... Music to me is the miracle of this generation. It's the magic that heals their souls & wounded spirits & proves our messiahship that we are their saviors!—The day of miracles is not past! Our God is still a God of miracles!"—Which He has once again proven to be true by the miracles He has wrought in the lives of these musicians who have just been reclaimed from working for the Devil & are now deciding to go all the way for Jesus & producing His music! TTL! IT HAS CERTAINLY BEEN A VERY FRUITFUL 3-WEEK VISIT TO MEXICO, & as so many have said it was the Lord's perfect timing in their lives! TY!! Thank you for encouraging us to make this trip at this time & for giving us the faith & words to reach out to what seemed to us, & others, almost impossible cases. But as you responded to me last year when I first wrote

Faithy & some of those who gathered at the Border Base to record for MWM: (l-r) Sunny, Zerah, Huldah, Katrina, Watchman, Charly, Branch, Gentleness, Jerry, Rena, Singin' Sam, Faithy, Josh & Lynn.

asking about getting in touch with Sam & others who were known backsliders, you said: "WHILE THERE'S LIFE, THERE'S HOPE!" TTL! In this short three weeks ten of our best musicians have been reclaimed! Hallelujah! Each one is a complete miracle in themselves, beginning with Watchman here in Mexico City who then helped us to win Sam who was one of the biggest miracles of all!

OTHERS REACHED DURING THE MEXICO BORDER BASE MEETINGS (& BREAKINGS!) were Micah Teddy Bear, Chronicles, Josh, Huldah, Mercy, Vessel & Lamb, Samson Drum-

Watchman, always busy in the studio!

mer & our dear Fisher. All of them recorded for MWM while we were camped those 12 beautiful "Days of Heaven" at the hotel which Sam nicknamed "Shangri-la"—Which it really was, TTL! Two other musicians were reclaimed in Mexico City—Solomon Costa Rican & Danny Puerto Rican who have decided to return to the Lord's service. Also during this same period of time Zac & Shelly joined "Musica Con Vida" in Puerto Rico to work full-time on the Lord's music, a real answer to prayer for them!

OF COURSE, IN THE WAKE OF MIRACULOUS "CONVERSIONS (?)", if we may call them that, others came with them such as wives & families & even friends, & former members whom they witnessed to & won back to the Lord & His Prophet & Family, a series of many many miracles! And we are sure the full repercussions of people like Sam & Watchman coming back to the Father's house have not been completely felt, as there are many other backsliders who look up to them & their example, some of whom left as a result of their leaving whether directly or indirectly! So we believe others will return as a result of their repentance!

WE'RE SO THRILLED TO ALSO REPORT THAT WE WERE ABLE TO MEET WITH A TOTAL OF 90 OR MORE ADULTS & 80 children at the border base, showing videos & taking 6 hours of videos which were simply thrilling & super exciting, even watching lives change right before the video camera!—As in the beautiful & miraculous case of Singin' Sam which you'll see, as he sings & cries & repents of his 2-1/2 years "serving the Devil"! Thank you for all your prayers & support for this "Mission Prodigal" in Mexico! Now—"Mission Impossible" in Puerto Rico!—Hal Much love & prayers.—Faithy.

## Prodigal Musicians' Reunion!

Faith & Juan round'm up & head'm on back to makin' music for the Lord!

From Shaul:

THE EXCITEMENT WAS HIGH, THE AIR FULL OF UNSPOKEN ANTICIPATION! It was dubbed "Laredo-ville" or "Loveville 2". What exactly is going on, many asked. Faithy's in town? Videos? Amminadab? Watchman? Micah? Chronicles? Really? Can I come? All aboard! All aboard! SOUND EXCITING? WELL, IT'S BEEN MORE THAN THAT!—It's been the most explosive, exciting, productive musical get-together to shake the Americas in nearly a decade!—And the reverberations of Dad's loving call to "Get Aboard" have already been felt as far away as Argentina & are sure to shake up distant continents in the months to come! "CAN ANY GOOD THING COME OUT OF LAREDO?" all asked! Well, the past week has proven that indeed, good comes out of following the words & guiding light of our faithful Father & Prophet, David! Would you like to hear a few of the details? Then come with us & see just how great this explosion & outpouring of the Spirit of David has been!

IT ALL BEGAN WITH DAD'S CALL FOR OUR "PRODIGAL PRODIGES" HERE TO "GET ABOARD"! He had suggested to Faithy & Juan that they organise a get-together "south of the border" for all of those whose music & talents are so desperately needed to sow the seeds via radio in all the world, including several prominent prodigal sons. And it has been Dad's faith that has already worked wonders to call so many back onto the wall of full-time service & resulted in some of the most beautiful, heart-touching commitments & pledges & testimonies of faith to help once again change the world & win it for Jesus!

Jerry in his recording studio!

FIGHTING BY FAITHY & JUAN'S SIDE TO GET THE BALL ROLLING WERE JEREBOM & LOVELY WIFE GENTLENESS. Jerry had already recorded 18 songs on his own professional equipment, using his studio & musical experience learned in part with one of Mexico's top recording artists.

FIRST TO GET ABOARD AGAIN WERE WATCHMAN & KATRINA whom Faithy & Juan had visited & lovingly wooed in Mexico City. He had become a

top executive for a major hotel chain in the past two years, a rising star in the business world.

BUT WHEN HE SAW THE VIDEOS CLEARLY DEPICTING THE MOVING OF THE SPIRIT, the light shone in his heart once again & he decided to drop out a second time & follow the Light of David! He had had to forsake very little the first time, 12 years ago. But now he was to leave an executive post for a major corporation, so you can imagine the shock waves such

a choice has already created!!

SOON THEREAFTER FAITH & JUAN, ARMED WITH THE FAITH & SHIELD OF DAVID, ARRIVED IN NUEVO LAREDO, MEXICO. Many had come from as far away as Virginia, all over Texas & even Guatemala! The Devil really fought the meeting, knowing his defeat was at hand & that so many lives would be salvaged & re-inspired!

THE FIRST TO ARRIVE TO THIS BIT OF HIGHER GROUND WERE CHRONICLES & PATIENCE, whose heart-rending repentance made all of us weep as he tenderly recommitted his life to faithful obedience to our Prophet & King. Micah Teddy Bear & wife Carshena were next, & their short fruitful visit produced beautiful music & videos & fellowship not seen in these parts in a long time.—And seeing & feeling the call, both have now decided to dedicate their full energies to the music & love that lives!

NEXT TO COME WERE JOASH CROW & WIFE LYNN! Joash recorded some beautiful songs in Jerry's hotel studio. The hotel, by the way, treated us royally tho' we broke every rule in the book & made Watchman's hotel-conscience shiver! We had a complete music recording studio in one room, a complete TV video studio in another & a complete restaurant-kitchen in a third, managed by Huldah & Mercy, & yet they were so happy to have us here. Also present were songwriter & recorder Fisher ("Your Love Is the Reason") & wife Lydia, as well as Andrew, Mary & Claire.

WATCHMAN & KATRINA FLEW UP FOR A FEW DAYS just in time for the tail-end of a video reunion with some 60-70 Family members who had made a pilgrimage here & patiently waited for several days to see Faithy, Juan & the fantastic videos. All oohed & ah-ed to Bobo & the Bluebirds, Rockin' Reggie,

Doing vocal back-ups at "Laredo-ville" studio—Gentleness, Huldah nursing her baby, & Mercy!

Argentina, Brasil, Kid Power & a world on video. And all left changed creatures. A talent show afterwards lasted into the wee hours of the night & turned up some budding new talent waiting to be recorded & passed on to the world!

THE HIGHLIGHT OF THE FIRST WEEK WAS TO SEE SINGIN' SAM, alias Aminadab, alias "You Gotta Be a Baby",

Fisher, whose 105-degree fever disappeared in time to record several beautiful songs!

return to full-time musical service for Jesus!! Deeply touched by Dad's personal message to him to "get aboard" & by Dad's love manifested thru Faithy & Juan, the videos, renewed fellowship etc., & sickened by 2 1/2 years of misery & unfruitfulness, Sam recommitted his life to reaching the lost & has already produced 11 songs in the studio & received some new & beautiful songs that are going to shake distant shores. Sam was at last a Prodigal Prodigy come home to his Father's House! Hallelujah!

ALSO PRESENT WAS SAMSON DRUMMER to add percussion, as well as Mercy & Huldah to do back-up vocals for the recording, as well as help love up the brethren, feed them & help with the children. And what can I more say?—For time would fail me to tell of Nun & Benjamin & Zerah & Goodman & Christina, Michael & Rebecca & kids, Philemon & Shiloh, Gabriel & Clare & children as well as the many other lives touched & tenderly changed here at Laredo-ville! The future potential for these & other musicians, lyricists & talented personnel is unlimited, & this was indeed an added thrill to witness here! Lots of love to you from Laredo-ville!—Shaul & all.
