

Day of Pentecost, June 7th. It's really thrilling! And so needed! —For the Lord to re-light our fire for the last days & mighty End-time witnessing with an outpouring of His loving Spirit, the latter rain! (HAL!)

IT FEELS LIKE OUR FORMER RAIN in the beginning of the Family when 100s of disciples joined quickly & the fire & boldness of His Spirit was on them, which took us into all the world!—Such a beautiful example, of the 120 together in the upper room! Wow! We know this is the answer for us now to unite us against the foe & strengthen us to stay faithful to give His message to the whole world, "and then shall the end (of the End) come!" I can feel it coming if we all just obey & put this Fellowship R into practice immediately, beginning tomorrow, a really fresh out-pouring of His Love & fire & faith! (Amen! GBY?—D.)

SEEING ALL THESE MUSICIANS & BACKSLIDERS JOINING AGAIN & forsaking all in abundance to once again follow Jesus reminds me of our early days, it's such a dynamic chain reaction of Love & its unfailing power! Please forgive me for going on & on about this, but I just can't help it, I'm so excited with our new Fellowship R & its envisioned results on our beautiful worldwide Family as we gather together & "get it together" for the sake of lost souls & His Kingdom, so that it can be fulfilled, our prayer at this time last year, "Even so come quickly Lord Jesus!" TYJ! I really believe we have only just begun to see the influx of lost & found that will come into our ranks as we obey this new commandment to "fellowship" & truly "love one another" as He & you have loved us! (Amen, Get it together!) AND AS YOU MENTIONED, ON THE DAY OF PENTECOST LONG AGO, NEW LEADERS WERE FOUND, the "Good Shep-

herds" who could guide the sheep! PTL! Another very important Letter for now, "Good Shepherds", is so convicting & we do pray that on our Day of Pentecost He will point them out & raise them up to "lift high the royal banner" so that "it shall not suffer loss!" Hallelujah! "From victory unto victory, His army shall He (they) lead, till every foe is vanquished & Christ is Lord indeed!" TTL! And thank you for your wonderful inspirations & guidance from above which we so desperately need, "so we can have a little more united action, a little more fellowship, a little more unity, a little more power, cooperation & organisation & synchronisation for united action! PGI Hall!"—which we have personally seen in all our travels to be a very desperate need! So, Amen!!

AS WE BEGIN TO PREPARE HERE IN PR AT MCV for the tremendous influx of new disciples & musicians, we are sure that "with every mouth the Lord will supply" according to our faith, & yours, as we can't turn one away! We believe the fellowship & unity is going to work the miracles in each life to make them what the Lord & you want them to be, as we gather here in PR & "get it together" to make music miracles for the world—and especially the Latin world as this is their hour—the "Round Round Room" fulfilled with the lamps plugged in again & set each in its place.

THE FIRST TO ARRIVE WAS OUR DEAR AMMINADAB who had to flee persecution from his hometown & so-called loved ones! And he is already being transformed & his mind renewed as he washes it with the pure water of the Word, which he has missed for 3 years now, & so is diligently reading & attempting to catch up altho' we know it will take some time.

HE HAS ALSO GOTTEN SOME BEAUTIFUL NEW

SONGS, one of which is dedicated to you, "It's almost like I never left", the story of his coming back to your house & loving arms & full-time service in a musical ministry! He's almost like a new babe & will need to grow again "in the grace & knowledge" like a rough stone that will have to be polished into the beautiful jewel that it truly is, by the Master Jeweler, the Lord! PTL!

Fathy & Amminadab, now writing & recording the Lord's music at MCV!

HE WAS ABLE TO ARRIVE IN TIME TO HELP IN THE RECORDING OF SPANISH SONGS that were to go on the new sample tape of Shows 1 & 2. After many trials & battles, & victories, this week we finally finished this sample tape, which we hope & pray will be what the Lord & you expect of us, & one that can go out to the Homes in LA, whom I'm sure are eagerly awaiting something from MCV! LHUI!

PLEASE FORGIVE US FOR THE LAST TAPE WHICH WAS DONE IN A HURRY & not as it should have been. Your comments on it arrived two days ago & just in time for us to assess this new tape in the light of your counsel as we were just completing it. We read it together with those "top dogs" here the other night, the same day we received it in the mail, & it really broke us all to see how we had disappointed you & failed you & the Family. But we pray it bore the "peaceable fruits of righteousness." (Latest tape is terrific!) (Amen! GBY?—D.)

AFTER READING, WE ALL WENT INTO THE STUDIO & listened again to the two shows & made some adjustments in the order of the shows till at last we were all satisfied that we had done the best we could with what we have here, as we are still in great need of more Spanish songs from more artists in the field, of good quality like the one "Harp" & "Garden of Heaven", our two music groups in Argentina, sent us & which we received the day after we arrived back in PR from our Mexican missionary journey!

—ALL IN THE LORD'S PERFECT TIMING to put in the first sample tape, along with the new ones done here by Aaron Montaña, our Colombian brother, besides using his record from Colombia!—Which by the way is where the wild sax came from, a system musician who played on his award-winning system recording, but we tried to fade it down on this new show with Jonathan talking over it, because it's a good song despite that horrible sax which we already had a recording of. We hope it's not so noticeable now & that it doesn't offend as it did on the previous version. Also, the local minstrels like Rebecca & Silas etc. recorded some beautifully translated versions of MWM-I songs. TTL! And as the "professionals" come in, we are sure our recording will improve. (Amen!)

ZECH & SHELLY JUST MOVED TO OUR NEW "SHANGRI-LA" which we rented this week & are super-thrilled with the potential & beauty of the place! TTL! They have been real troopers, living in Josh's old bus & putting up with the rain forest & all its insects & afflictions caused by the humid & tropical surroundings there at the little studio house.

—BESIDES THAT, THE CONTINUAL BATTLE WITH THE HUMIDITY for the health of our precious machines which it

seems to be taking its toll on. But this week Rain had a more powerful air-conditioning system provisioned which would help if we didn't have problems with overloading the electrical system of the little house, which Eleazar has tried to fix with new boxes, but it's still too much for them to have 3 air-cons working at the same time—one in Jonathan's little trailer, one in the bus & the other in the studio.

BUT GB ZECH & SHELLY FOR PERSEVERING & they have been

Zech & Shelly & family!—baby Emily, Krystal-11, Holly Dawn-2, Jonathan-4 & Samuel-5. Now happy to be back in their Father's House & being a big blessing at MCV!

such a great help with the technical as well as the professional side of the recording. Personally, I feel so handicapped without Jeremy beside me as I'm really no musician, but I'm sure the Lord knows & is bringing in these that can help us make the show more professional, DV, as we hope this new tape is. Your message to all of us about checking our motivations really changed our lives & I believe is a breaking we all needed here. Everyone was so encouraged by your sweet comments on MCV, so loving! Please continue to pray for us & our efforts here at MCV, & He will do it! PTL! (Amen, GBY?)

Prodigal Musician Shares Lessons!

Thanks to Dad!—"You finally got my attention!"

From Jeremiah Singer:

Dearest Dad & Maria, THANKS SO MUCH, DAD, FOR YOUR LOVING CORRECTIONS concerning some of my tripped-off music. It's really true that even tho' God has used me to produce some of His soft loving music over past years, I still never really forsook that rock 'n' soul, black pentecostal, Bob Dylan-style country-blues musical influence of my past life before joining the Family. Tho' you tried to tell me way back at the Club in Huntington Beach I never seemed to get the point until now. Like the story about the old mule, you finally got my attention! PTL! (Amen! GBY?—D.)

NOW I SEE SO CLEARLY THAT THIS WAS NOT THE MUSICAL CALLING that God was trying to give me. By leaning to my own understanding & fleshly wisdom, I never forsook this music, but rather thought I'd throw in some here & there "for variety" & to please the goats (bait? hal).

BY CONTINUING TO COMPROMISE WITH THE WORLD & its musical influences on me I started to lose the original musical anointing that God had given me. I started getting fewer & fewer songs with less quality of the kind that made the Revolution. I went from a simple soul in love with & spaced out on Jesus, receiving His music on my simple guitar, to being a big rock band leader compromising with the Devil & his music! The spiritual parallels in "Bahai Temple Prophecy" really explain what happened to me thru compromise & how I lost the anointing. Then along came the Chain rock lovers who really praised & encouraged me in this.

THANK YOU, TOO, FOR

Jeremiah during his visit to MWM, singing "I know someone loves me". Photo by Tony.

PUBLISHING JOHN TODD'S EXPOSURE of System music & who is really behind it, because I too have been bewitched into singing some of the System's lighter, seemingly harmless, popular worldly songs, in order to

please worldly audiences while singing in clubs & restaurants. I realise now that this is an unnecessary compromise & spiritual drain when we have so many beautifully inspired songs of our own to use. There is a subtle, draining, bewitching effect thru singing these worldly songs that I believe has quenched my spirit & hindered my receiving any truly inspired songs from the Lord. With most of this so-called "nice" worldly music, it's just the same old story of the wolf in sheep's clothing, or the Devil coming as an angel of light (Gal. 1:8).

EVERY LOT OF MY OWN COMPOSITIONS that were not truly inspired by the Lord but were the result of System musical influences I find draining when I sing them. I always wondered why it even nerve-racked & irritated me when I would listen back to some of my own recordings. It must have been the Holy Spirit resisting it—it felt so good when it stopped!

THANKS, DAD, FOR YOUR CORRECTIONS & spankings that are always so full of love that they hurt so good. Thanks also for taking the time to make those sweet, encouraging personal comments to me on the videoed song of mine that you liked (I Sing To Him). It gave me a good guideline to follow of what you do like. We hope that by God's grace we can be of some help with French MWM in whatever way you see best. Lots of love in Jesus & your loving service,—your returning prodigal son Jeremiah. (TB, Son! WLY?)

'Stars & Beggars' Visit MWM!

"Heaven on Earth!"—After three years of faithfully pioneering a closed country!

From Peter: Dear Dad & Maria, THANK YOU SO MUCH FOR YOUR INVITATION & CONCERN that we made it here to MWM. We took the plane from Warsaw to Athens, & Paul & Marianne picked us up at the airport,

a happy reunion! It's been such a blessing for us in so many many ways to come here.

FOR ONE THING, COMING FROM POLAND where it was so dry in some ways—not easy living, quite tough on the old flesh, plus living a continual nightclub life here—we've really appreciated the inspiration, the joy & the love we're receiving here!

EVERYTHING IS SO MUCH MORE BEAUTIFUL than I ever hoped or imagined. Everything is intense & concentrated. It's very convicting to see how dedicated everybody is in their service to their King & Queen. Coming here I feel so much closer to you, listening to your tapes, reading your Rough Draft Letters & seeing your loving concern for every little detail & every little one.—The love & concern of a real father!

WHEN I WAS 11 MY FATHER LEFT US, which broke my heart. I went to my room & cried & prayed for Jesus to give me a father.—And He did! He gave me you! I love you sooo much! You've been a father & a friend & led me in the paths of righteousness & taught me how to laugh & how to cry! ILY!

WE FEEL SO CLOSE TO YOU —CLOSER THAN EVER BEFORE! And there's no looking back; only new worlds to conquer. I pledge my full devotion to you & sign the blank sheet of paper for you & the Lord to fill in. —Your son, Peter. P.S. While writing this, everytime I thought of the fact of being one of your sons, it moved me to tears!

From Rachel: Dearest Dad & Maria,

TODAY WE'VE BEEN HERE EXACTLY TWO WEEKS, & it's been Heaven on Earth literally. I don't think I've ever felt so much genuine real love before or since joining the Family (1976). There is so much light here, & it's the closest I've ever felt to you, dear Dad. Everyone here

is so willing to trust & obey you & to follow your loving sample in every way.

DAD, EVERYONE HERE IS SO LOVING, SO HUMBLE & so willing to do whatever needs to be done. When you see so many people living together you could easily imagine that soon everything would be in a mess & things get out of hand. But everything is running so smoothly & things are getting done, & that's all because everybody loves you & the Lord so much & all are pulling the load together. TYJ! I love them all so much!

WE HAVE FELT LATELY THAT OUR TIME IN POLAND IS SOON OVER (at least for right now), & hearing the latest news about everybody leaving Europe as soon as possible, we really see that it's time for us to move on to other fields.

I ALSO WANT TO THANK YOU FOR THE BEAUTIFUL VIDEO with your wonderful sexy girls doing strip-tease for us. As we were seeing strip-tease every night in the Polish nightclubs, it was just so wonderful to see a real strip-tease—so Godly, sweet & sexy! God bless you! Dad, I'm so happy & thankful that I got a chance to do a strip-tease on video for you. I wanted so much to love you up thru my dance, as you are so precious to me & I love you so much!

THE OTHER DAY I SAW YOU ON THE VIDEO, Dad, giving an End-time class. I cannot describe in words what I felt when I saw & listened to you. You were wonderful!—So much light, so much love & so much fire! I love it! Lord helping me I want to follow you as closely as possible. I just want to be a nobody for Jesus & you. ILY!—Rachel.

From Stephen: (PTL! GBY?—D.)

Dear Dad & Maria, THE STRIP-TEASE SHOWS YOU SENT FROM YOUR HOME ARE BEAUTIFUL, graceful & really sexy. Sure beats any-

thing we saw in Poland, & there are 1000s of strippers there. It is really exciting how they start off moving around on a chair, whew! We sure have come a long way since the pretty organ player you mentioned in one Letter, how you would watch her behind wriggle around on the stool as she played, hal!

OH DAD, IT'S SO WONDERFUL TO ENJOY ALL THESE THINGS in a new light, in the Lord & in His Spirit, things we felt ashamed of & only indulged in secretly. But now we rejoice in it all & it's part of "All Things"!

Thank you for entrusting us with so much liberty. Lord help us not to fail you & the Lord, each other & the multitudes who have yet to hear & see, even thru Radio & Video. TYJ! Wow!

IT WAS SO BEAUTIFUL TO HAVE YOUR FACE SHINE ON US THRU VIDEO, DAD,—you look great on TV! You gave that sermon as if it were the first time, so fresh, inspiring, encouraging & frightening—hal! GBY! As I watched, I thought of Jesus, how after being so selah for some time He really made Himself known towards the end of His ministry, how he socked it to them in the temple etc.

SEEING YOU IN THE FLESH IS NO DISTRACTION, DAD! —It's an asset. It reminded me of "Moses on the Mountain". I picture you on TV throughout the world drawing millions to Jesus. You really radiate warmth, love & light. I love you so much, & you too Maria xxx as we hear more & more from you too on tape & the written word. (Amen!)

I PLEDGE MY 100% DEDICATION TO YOU BOTH in the Lord's work & wish to be used to the fullest. Thank you for your thoughts & prayers for me & each one of us. Love, Stephen. P.S. Paul & Marianne are so sweet & a real sample of you. It breaks my heart when I see them so often moved to tears, really emotional people, GB'M! (Amen!)
