

Love (lots of it) ville Log No7!

Love Videos! Visiting Minstrels Record! Songbook coming! 300 Receive Jesus!

Compiled from Reports from Paul & Marianne & Loveville log-keeper Abel Seaman; MWM, Greece:

LOVE, LOVE & MORE LOVE! This month we were blessed with the exciting project to share some of our love via video! After hearing the "Love Is Forever" tape of "music to love by", which you should all have received by now, Dad got the wonderful inspiration to ask us to make "a Love Video with this tape as musical background making love to each other...to show'm how the real children of love can do it—lovingly, tenderly, beautifully, smilingly, sweetly & exuding the love of the Lord the way you always do...Let's see what you can come up with, with a real artistic beautiful love-making scene with that gorgeous music in the background. Lovemaking can be beautiful! Hallelujah!"

IT SURELY WAS A THRILLING ASSIGNMENT, & OUR VIDEO TEAM WENT TO WORK AT IT RIGHT AWAY—our sweet cameraman Zac Lightman, our faithful floor manager Tracy who can fix up the settings, dress the girls, cook for the crew & help with the dancing & movements & watch the children all at once, while Topaz & Paul patiently directed the girls & helped with the dancing & movements. As usual, words from our Prophet arrived just in time to help us complete the project with the guidance we needed the most, in two beautiful talks on "Love Videos" & "Loving Can Be Beautiful", PTL!

IT WAS SUCH A WONDERFUL EXPERIENCE FOR ALL OF US TO HUMBLE OURSELVES & DISROBE FOR THE WORLD. It brought us closer together, broke so many barriers & taught us so many lessons of love & humility! "Sex, humility & nudity, the truly humble are the truly loving & the truly loving are truly humble, because love & humility are virtually the same. They're impossible to separate. You cannot have genuine love without humility, & you can't have real humility without a lot of love. It takes a lot of love & a lot of humility to strip yourself naked & bare before somebody else, bare yourself & all the awful truth before someone else." (Quotes from "Video Love Tapes".)

IMMEDIATELY FOLLOWING WE GOT THE BLESSING OF DOING A SPECIAL 3-HOUR DANCE VIDEO, this time following Dad's instruction & tips & also including all of our pretty girls, & not just a few like we had to do to put out a one-hour video, so all could feel part of this liberating revolution & get a chance to see their good works & glorify our Father which is in Heaven". We hope you will enjoy them as much as we enjoyed making them for you. (See the following page of "sneak Preview" shots!)

ONE OF THE MOST EXCITING PARTS OF OUR LIFE AT "LOVEVILLE" is to greet the many brethren who have been answering Faithy's "Last Call" to all musicians to "get aboard". This month we had up to ten visitors at once & we had to use all our housing facilities down to the

smallest pup tent! French Joseph & Abigail recorded some beautiful inspired songs for both the French & English shows. Michael Mountain who wrote "Snowman" & was one of the first to write songs straight from the Word, recorded 7 songs in a few days. Italian Nathan visited us for a few days also, & could contribute to our Italian Show with a few of his inspired oldie goldies.

"STARS & BEGGARS", Danish Peter & Rachel, & Stephen (English), along with his beautiful Danish wife Lena, who after a needed rest & re-filling from their tiring pioneering in the East Bloc, recorded some beautiful moving songs & even wrote a few while here. GB'M, they surely needed this R&R, after two years of faithful labours in a field which was getting tougher & tougher, with a tense political situation, hard living conditions (touring constantly with a troupe of musicians & artists) & barely eating enough. (When they arrived in Greece they marvelled at the abundance of fruit, meat & vegetables, as they hadn't eaten an orange for 4 months & they could only get a few hundred grams of meat a month!)

IT WAS A REAL BLESSING ALSO TO HAVE MARY COLOMBE for nearly a month, who besides being a lovely adornment to the camp, learned from Simon Peter about DJ'ing & produced two half-hour French MWM Shows, PTL! With the recent developments in France, "Musique Magique" may take some time to develop, but all our Family there seem ready to follow the Lord wherever He leads them & eager to produce songs & tapes for the Family till the Show can get rolling, DV, in a safer location.

LAST BUT NOT LEAST WE HAD AN INSPIRING VISIT FROM DOMINIQUE who has been faithfully provisioning in Switzerland for many families & units. The Lord has certainly given him great faith & he has been a tremendous blessing to the work & to our MWM family here in particular by his generous gift of a car & caravan & even lending the brand new one his father had bought for him, GBH! He arrived loaded with goodies for all, particularly a brand new microphone for our mobile studio, the last piece of equipment needed to get it rolling. PTL! While here Dominique spent some time with our little provisioning team in town to help with needed advice & tips & inspire them with testimonies.

ANOTHER EXCITING PROJECT IS THE SONGBOOK of all songs recorded here at MWM, plus a collection of the best songs from the old songbook, & a lot of inspiring hymns & traditional Gospel songs which Dad & Maria have been sending us & we've been singing at our Sunday

Fellowships! So this songbook should be quite a tool for our Family & in reaching the world. God bless our faithful typists, Nadia & Phoebe, our layout artist Chris, as well as Michael & Windy who have spent hours transcribing, selecting, putting in guitar chords, correcting & proofreading. Please pray for them all so they can complete this project soon, as so many have been pleading for such a songbook! And by the way, besides these duties, Chris & Nadia became parents to Nicky & Patrick for a few weeks while Patience was preparing to give birth to Beautiful Nathaly Spring, born on her birthday! (How about God's amazing planning!—Their first son Nicky was born 5 years ago, on Michael's birthday! Hal)

A GREAT PART OF OUR LIFE IS ALSO TO GET OUT WITNESSING & trying to reach the world around us while there is still time. The Lord really blessed our efforts this month with over 300 souls saved! God bless our new bottles & KP who are becoming real soul winners! We had a golden opportunity this month when our precious camp owner's daughters invited all their schoolmates for a free day at the camp, & he asked us if we would put on an hour show for them. They were all girls ages 13-15 from very well-to-do families, all speaking English!—About 300 of them!

WHAT A RECEPTIVE AUDIENCE! They all flipped over our songs, the children & the hit of the show, Rockin' Reggie, who made them all get up & start rocking & twisting & screaming for encores! After a "Heart Skit" by the children, our sweet & charming Greek-speaking MC Abel Seaman challenged them all to receive the Lord & about 200 of them repeated the simple salvation prayer after him, PTL! A day they will never forget! At show's end they refused to leave, even after much persuasion by their headmaster, & only when we offered them another show soon (Lord willing) were they content to depart, having once tasted that "wild & free" spirit of David they wanted to be sure they could come back & get more!

FINALLY, WE WANT TO REMIND YOU OF A VITAL ASPECT OF THE MWM MINISTRY, not so glamorous, but without whose behind-the-scenes faithfulness, many souls would be lost! This is our mail ministry follow-up team led by Hosanna & Abigail, who answer all the responses from the stations, listeners, club members etc. Lately they have been receiving up to 50 letters a day, on top of their regular office work & sending out tapes to our worldwide Family monthly! Please pray for them as the task is getting bigger & bigger, & this follow-up thru the mail is so important!

WE LOVE YOU ALL SO MUCH & APPRECIATE YOUR FAITHFUL PRAYERS & SUPPORT. We hope & pray that the tapes & videos continue to inspire you & are a blessing to you in your witnessing to the world. It was such an encouragement to us when a fish of Endureth got saved just as he was listening to the "Love Is Forever" tape! PTL! "Love is the greatest force in the world & the Word of God the most powerful truth on earth!" (DM 260) Love, Paul & Marianne.

MWM In Central America!

"MWM in Spanish is going to be the greatest thing to happen to the Latin world!"

From Obeth & Paloma:

MWM IS REALLY GOING OVER BIG HERE even tho' it's in English! It's on one of the most popular youth stations & has been very well accepted by the station's listening audience, & the radio is more than happy to have it. The director of a school for young children heard the program & loved the children singing more than anything else. She called the station & when we got in touch with her she told us how she just loves the children's songs & asked if she could have the words & music to some. We told her we'd be more than happy to oblige & that we also have a group of children that sing here in this country. It just so happened that Shaul & Abiah were visiting & three of their children sing. So she invited us over to her school & we were able to sing for about 50 children & teachers, PTL!

THE LORD IS OPENING THE DOORS FOR SPANISH MWM ALSO as we already have a station that wants to air it, which transmits on AM, FM & SW! They have taped two interviews with us, one with questions about MWM & how it got started etc., & the other was more powerful with deeper questions about what we believe about such things as birth control & abortion, the arms race, drugs, political violence etc. We knew in advance what questions they would ask, so we were able to study up & give them the Lord's answers right from the Letters.

BOTH INTERVIEWS ARE TO BE BROADCAST IN A FEW DAYS to reach not only this country but on the station's international short-wave band that reaches Europe & the Far East. It's only the beginning! PTL! We are beating the Enemy on his own ground of the air

waves! Let us just say that MWM in Spanish is going to be the greatest thing to happen to the Latin world, & we just know it is going to be well accepted! **GOD BLESS SHAUL, ABIAH, ANA & BOB & THEIR 5 CHILDREN** who are visiting here with us now. Their children's sample of singing & performing has gotten our little 3-year-old Juliette super-inspired! It didn't take her long to catch on to their songs & routine & is now actively singing & performing with them! (Amen! GBY all! -D.)
