

Miracle Visa Supplied!

IMPORTANT OFFICIAL OFFERS HELP; BEWARE OF PICK-POCKETS!

From Tim & Rose; S. America:
FOUR MONTHS AGO, ROSE & I & OUR 3 CHILDREN ARRIVED HERE IN S. AMERICA. We came down at the invitation of an American brother who is married to a national here.
AT THE BEGINNING, THINGS WERE RATHER DIFFICULT FINANCIALLY, but they improved shortly thereafter. However, our biggest worry was whether or not we would be able to get a visa to stay. Normally, it is very difficult to get a semi-permanent visa, & at the present time there is a campaign to restrict immigration into the country.
IN ORDER TO GET THE VISA, ONE OF US HAD TO GO TO THE CAPITAL CITY. Since Rose speaks better Spanish & since I was working teaching English, she went with one of the children to find out what we needed to do to get the visa.
AFTER GETTING THE "RUN AROUND", she finally got an appointment to see the Director of Immigrations. The following week she went back & got the forms for the visa, & was told to have my work contract notarised.
WELL, NOTORISING SOMETHING HERE ISN'T ALL THAT EASY. I finally found out that I needed the contract signed by a lawyer which cost me about \$35 plus \$4 for the registration fee. Well, after I got the lawyer's signature, I found out that it wasn't even legal for me to get it notarised because I didn't have an I.D. card from this country.
THE DIRECTOR OF THE ENGLISH INSTITUTE WHERE I WAS WORKING WAS SUPPOSED TO GET IT NOTARISED & sign the application for the visa. However, he was in Europe & was going to be there another month.
ROSE RETURNED ANYWAY WITH THE INCOMPLETE PAPER WORK,

expecting the Lord to do a very much-needed miracle. We couldn't wait another month since we were supposed to leave the country to secure the visa (one of the regulations) & Rose was already 6 months pregnant. Also, Ruth, the other sister in the home, was 8 months pregnant & was going to need help after the delivery.
THIS TIME, ROSE TOOK OUR OLDEST SON SAMMY WITH HER. While she was eating in a restaurant, a gentleman sat down beside Sammy whom he seemed to like. Rose talked to him a little & related that she was there with the boy to get the visa for the family. He then said that if she needed any help, he could help her.
THEN, HE TOOK HER TO HIS OFFICE IN A GOVERNMENT BUILDING. He turned out to be a member of Parliament & a friend of the Director of Immigrations. He gave the Director a call & asked him to help Rose get the visa.
AFTERWARDS, HE TOLD HER TO SEE THE DIRECTOR THE FOLLOWING DAY & gave her a note asking the Director's help in the matter. Well, she got quick action from the Director's staff & obtained the visa for the whole family the same day; and we didn't even have to leave the country. However, we did have

to pay about \$125 per person, which we got the day before Rose obtained the visa.
SHE HAD TO RETURN TO THE CAPITAL AGAIN TO PICK UP THE PASSPORTS, & this time she took all 3 children. When she got to the office where she was to pick them up, she found out that her wallet was missing. Fortunately, one of the girls recognised her & gave her the passports without the I.D. papers that they give you when you turn in your passports. Also, Rose only had about \$3 in her wallet because the rest of the money was in her diaper bag. TYJ! (AMEN!-D) ON THE WAY BACK HOME, WHEN SHE WAS GETTING ON THE BUS, a teenager began to push her. She had Tina, 1 1/2, in her arms, & was holding on to Benji, 2 1/2 at the time. She soon discovered that the boy had opened her diaper bag & had taken her newly-purchased wallet. This time the loss was greater, but she still had some money at the bottom of the bag together with the passports, so those were safe. TTL! (AMEN!)

WHEN RELATING THIS INCIDENT TO A NEIGHBOUR, the woman advised her to keep her money in her bra, & I also believe that money belts are a good idea here. We really need to do everything we can to be good stewards.
WITH MUCH LOVE & APPRECIATION, Tim & Rose.

PIONEERING PUPPETS!

Paul with puppets, Merlin & the king.

WE VERY OFTEN SING AT NIGHT IN THE VARIOUS RESTAURANTS with good responses from both the owners & the customers. Also, we have a puppet show that we have produced all over the island. The children love it very much & during the show Paul teaches them to sing "The Time To Be Happy". This way over 1300 received Jesus into their hearts. TYJ! --Daniel & Melody; Indian Ocean.

Getting It Together in Denmark for a very happy Family Fellowship! Photo by Daniel

GOLDEN OPPORTUNITY

"We wanted to share with you about the 'Golden Opportunity' the Lord has given us to get our puppet shows on video! We have been giving the shows in many schools. One High School Principal was very turned on to our Puppet Shows & has given us the "red carpet" treatment, including one of the class rooms to use as a workshop & studio, use of all their PAL-VHS video equipment & extra facilities such as darkroom, wood workshop, etc. It is a very exciting open door!" Aaron Quixote, Australia

ACCORDING TO YOUR FAITH

"We just want to tell you that we heartily appreciate the wonderful Words that you give us without which we could not go ahead! TYJ! We really love you! As you know, this field has already been considered closed & just lately some of the Family decided that they could pass out carefully some milky lit. However, many of the brethren here have fallen into the trap of fear, saying that it is a dangerous closed country. We would sure appreciate any particular suggestion that the Lord speaks through you!" Love, Jonathan & Sara, S.A. (DAD still says to the Chileans: "According to your faith be it done unto you!")

(AMEN! GBY all! WLY so dearly everyone! - & read every word! Thanks so much for your love & encouragement! Keep 'em comin'! -M&M.)

"Mommy Becky's milk is best", says baby Arthur! Now in N. Europe, they are hoping to "Shove Off" soon!

"Thinking of Dad!"

MONTHLY RECAP OF M&M MAIL! Compiled & typed by Keren Tommy

"Just say a word to one of my little birds and it will fly speedily to the ear of the king!" (No. 238:12)

LOVE 'N THANKS

"Thank you so much for your recent reply! I am very glad you like to hear our testimonies. Sometimes our pride gets in the way & we think, Oh, Dad won't want to hear from us! But we should have a trusting attitude that you will receive what you need & should read just to inspire you as I can imagine having to live in a super-selah situation as you have to! You are making a big sacrifice for all of us & we cannot tell you enough how much we appreciate it! We really love you, Dad!" Pedro Godspell, S.A.

"I thank the Lord for you more & more every day! I want to thank you so much for loving & forgiving us & for this opportunity to be a useful tool & channel for you & the Lord thru Spanish MWM!" Miracle, Age 13, USA

"Thank you so much for Mag. 35! We can't tell you how much it has helped us, convicted us, touched our hearts & has, in fact, been the answer to the letter I just recently wrote you about problems we are having pioneering this closed country! To put it simply, the Mag. has inspired us to get back in the Word again, to pray desperately & to drop out again to devote our full time to witnessing & living by faith. It has been miracle after miracle as we turn our vision towards the lost sheep & the unharvested fields & away from our own petty personal problems. In conclusion, Dad, we just want to pledge our loyalty & love to you & the Family forever. Thank you for your prayers & undying love, we are always at your service!" Jonah & Abi, S.A.

"Thank you so much for your invitation to go to MWM! It's almost more than I can bear everytime I realize I'll be there soon! It just blows my mind! I pray I can be a blessing there & I am ready for some life-changing lessons! I love, love, love you more than I can tell here, you both are my greatest love on earth! You're what keeps me going for Jesus!" Ruthie Manuel, N. Eur.

"I've never known such ecstasy as in the sold-out 100% love-giving, life-saving work of the Lord! It is just thrilling to be here at MWM! My former fish only wanted to make love once or twice a month! Can you imagine! A person like me, who loves nothing more than to make love & thank the Lord for it! Since I've been here I've made love to at least 11 brothers! At least once a day, sometimes two & one night 3 of them in a row! Love from one of your Prodigal Daughters returned!" Rebecca Rumba, P.R.

"Thank you so much for the beautiful MWM tapes & True Komix! I am a busy Mother & whenever I don't have time to really dig into the Word, I take a few minutes & sit down with my kids & read them a Komix! They are so feeding! I will always love you & pledge my loyalty forever!" Victory Praise, Canada

"I just wanted to thank you again for having Faithy & Juan stop by to inspire & encourage all of us here in our far-flung field! It's amazing what a personal visit from the King's Ambassador can do! Our unity was immediately increased & their

"THE FELLOWSHIP REVOLUTION!"

Dad & Maria are so thrilled, inspired & encouraged by the tremendous responses received this month to "The Fellowship Revolution!" Here are some of these exciting reactions which we'd like to share with you!

"The 'FR' is such an answer to prayer & something we have seen that is really desperately needed all throughout our area & amongst the few Homes we have visited since recently going mobile. More organisation will surely help more brethren to get out of the U.S." Jacob & Saffron, USA

"Thanks so much for the FR! We should have grown enough in the Word now to be able to not repeat the mistakes of the past & install new leadership based on love, compassion & the Word!" Artemas Shepherd, N. Europe

"The 'FR' is just what everyone needed! We are just thrilled to see how concerned you are about the Family's welfare! The reaction from the brethren here has been so encouraging & we will meet on June 7 to establish our LAFS' Donato, USA

"The 'FR' - what a bomb! What concern! What love! Thank you so much! What would we ever do without you?" Shem & Shelah, S.A.

"Wow! The 'FR' is beautiful! What a fantastic inspiration! It's a tremendous answer to our desperate prayers for more fellowship!" Anne, West Indies

"We all really feel the 'FR' was so right on for the need of the hour & is really giving people the extra boost to really get more on the ball & attack for the Lord, & be strengthened to obey Mk.16:15! The latest Ltrs. & elections have really helped & given us all more conviction to get back to the real deep basic unity of our Family in love & the 100% do or die spirit for Jesus & souls! Thank God for the Word & decree of our King! Love & Prayers, Stephanas & Deliverance, ASS, USA
