

Escorting People To Jesus!

GBY FFers! -- A FEMALE FISH JOINS THE FAMILY & BECOMES BAIT TO OTHERS! --Mt. 25:21!
From Petra Glad Tidings; Europe:

GBY: I HAVE TWO ESCORT-
FF-ING TESTIMONIES I WOULD
LIKE TO SHARE WITH YOU!
WHEN I STARTED ESCORTING,
the first man that took me
out was like an angel in
disguise. I asked why he had
chosen me & he said: "It's
your eyes; they're so soft."
DURING OUR CONVERSATION,
HE KEPT SAYING, "OH JESUS,"
so I asked him if he also
believed in Him, & he re-
plied that he did. TTL he
was saved but didn't like
the church.

I TOLD HIM ABOUT OUR WORK
& that I needed money to go
to a mission field. He re-
ally fell in love with me (the
Lord's spirit in me) & could
hardly believe that he met
me thru escorting. He was
not really rich, just a
well-paid businessman, but
he gave me nearly all of
his money as well as treat-
ing me to nice dinners &
buying me clothes, which I
needed badly.

GBY, SUCH A SWEET MAN,
truly sent by the Lord. I
told him all about the Holy
Spirit & he got filled after
a few days. He really full-
filled a prophecy which my
mate got when we prayed for
our fare: Mt. 17:27, "Take
up the fish that first
cometh up..." TYL! What a
miracle! (HAL! How good for FFer!)
AFTER A LONG TIME OF
TESTING & WAITING AT THE
AGENCY, I finally was also
picked by a man from India.
I could see straight away
that he responded to the
Spirit, & he confirmed it
soon by saying: "There are
more beautiful girls there,
but there is something about
your eyes."

HE WAS QUITE BROKEN BE-
CAUSE HE HAD HAD AN ACCIDENT
some years ago & his wife is
paralysed because of it; he
has felt really guilty about

been fferd into the Family,
she really appreciates be-
ing able to FF others.

it. So, I told him about
Grandmother & he received it
& got encouraged by it.

I REALISED THAT HE AL-
READY HAD SO MUCH FAITH.
When I asked him if he ever
had an experience with God,
he told me that after the
accident the doctors had
told him his wife would
surely die because she had
a rising paralysis which
would take only a few hours
to reach her heart. He said
that he had prayed desper-
ately that night for God to
save her life, & the next
morning the doctors told him
that it had stopped at the
6th rib without any explana-
tion. Then he knew that God
is real.

LATER, WHEN IT WAS TIME
FOR US TO PART, he got very
sad & quiet, & I got heavy
checks in the Spirit to give
him the whole message. So,
I said: "Before I go, I would
like to leave a friend of
mine with you, so you won't
feel lonely."

HE ASKED: "WHAT'S HIS
NAME?" And I said: "Well,

His name is Jesus!" Then I
told him how he could re-
ceive Him & how He had
changed my life. He was so
ready for it & prayed right
away. TYL! He said he felt
really different, not sad
anymore. It changed him
immediately. TYL! He is so
precious & willing to help.
It was really worth it to
"shut" to win such a
friend. PTL!

ALSO, ANOTHER HEAVY FF
TESTIMONY IS HOW I JOINED
THE FAMILY THRU FF-ING, TG
for fishing!

WHILE TRAVELLING IN INDIA,
desperately looking for some-
thing, I met the Family &
got fferd by Daniel. I stayed
two weeks because they were
so loving. PG! Love never
fails! And the last day I
got saved.

HOWEVER, I WAS STILL VERY
DOUBTFUL ABOUT THINGS, so I
travelled on. A few days
later I had a tremendous
experience with God's love,
joy & understanding, & I
felt clearly that I was re-
born. But in my mind, I
didn't want to think about
Jesus, but tried in vain to
look for God in every other
direction, without finding
Him.

BACK IN EUROPE 1 1/2
YEARS LATER, at the end of
my rope again, I received
a letter from Daniel saying
that he was back in Europe
& inviting me over. So, I
went for a short holiday.

FINALLY, MY EYES WERE
OPENED TO THE TRUTH & I
JOINED THE FAMILY. After
giving me such a long line,
he finally roled me in, &
we've been happily mated
since last summer. TG for
his loving persistence with
a rebellious sheep like me.
And TG for the Family! ILY!
(TGFF! WL! Pa. (28.6 ILY!)
P.S. FROM DANIEL: PTL! After
9 years in the Family, He
has given me a wife! She was
worth waiting for! Hallelujah!

Orgasm After Orgasm!

The over-40 life gets better & better the closer you get to Jesus!

From Hana, Indonesia:

Dear Brother David & Maria,
GOD BLESS YOU! I LOVE
YOU BOTH! And to you, Bro-
ther David, I would like to say
that it was in 1976 that I came
into contact with the Family &
started to work for Jesus & the
Family as a part-time typist,
thus being able to know the
early Letters like "Stop, Look
& Listen, "Squeeze Don't Jerk",
"Dumps" etc. I got so turned
on and couldn't help but fall in
love with you. (LY! PTL!)

I SAID TO MYSELF, "WOW,
THIS IS THE KIND OF MAN
I've been looking for all my life!"
Now I know it is the Spirit &
the Love of Jesus in you that
I'd been seeking all my life which
made me feel so attracted to you
that I've fallen in love with you.
PTL! (Now I'm no longer typ-
ing the Letters but now for the
past three years I've been proof-
reading & translating them into
Indonesian, & for this purpose
am now living in one of the
Indonesian Pubs Homes.) (GBY!)

YOU SAID, BROTHER DAV-
ID, THAT YOU BEGAN EN-
JOYING LIFE AT 50 when you
founded the Family. Altho' my
story is quite different, it is also
at that age that God made a real
big change in my life. It was in
1975 at the age of 50 when, like
you said happened to you in
Letter No. 8:11, 19,20, "the
Lord had to break me so that it
made me want to die. But then
I was willing to live for Jesus...
He first made me want to die so
that I then yielded & surren-
dered my life in the face of death."

AND SO WHEN I WAS WILL-
ING TO LIVE FOR JESUS, He
took me lovingly step by step
out of the pit. And a year later
in 1976 He gave me the chance
to work for Him thru the Fam-
ily. What an entirely different
life from the one I had in the

nesian. She says, "You've got to have that Heavenly Vision that makes
you want to continue life & makes it worth living!" (Amen! GBY!)

System! (I had been an Office
& Personnel Manager.)

SURELY IT'S NOT THAT
EASY TO SWITCH OVER
from that kind of life I was used
to for half a century into full-
time service for Jesus! I never
would have been able to make
it if it were not for Jesus & His
Word: "I can do all things thru
Christ which strengtheneth me"
(Phil. 4:13). His Word & your
Letters have helped me to over-
come. (TYL! GBY! ILY!)

IT'S TRUE WHAT YOU
SAID: We gotta keep our eyes
& our mind & our heart & our
faith stay'd on Jesus. Now I
understand & realise that you've
got to have that Heavenly Vision
that makes you want to contin-
ue life & makes it worth living.
I just fail to see how I could ex-
change this present wonderful
life with Jesus for that old mon-

otonous dead life I had in the
System. The longer I live for
Jesus, the closer I get to Him.
And being close to Jesus is all
you really need for whatever
needs in your life. (Amen!)

THE LETTERS HAVE ALSO
HELPED ME TO UNDER-
STAND THINGS which I as a
church worker for so many years
in the past was never told by any
other church pastor. --For ex-
ample about the miraculous power
that is in the Name of Jesus.

You remember you told us your
experience with that big dog
when you were a little boy?
Well, one morning going DTD a
dog ran straight to me barking
venomously showing his teeth.
I knew he wanted to do me harm.
What other weapon did I have
but the Name of Jesus? But
that's the real one & only weapon
needed, indeed! So I loudly

rebuked the Devil in that mad
dog & by the time he was in
front of me he had become quiet
with his tail between his legs.
TYL! Thanks a lot for teaching
us how to face incidents like this!

YOU KNOW, THAT PICTURE
OF GRANDMOTHER in Mag
18 was so inspiring for me! Im-
agine! 80 years of age & still so
active for the Lord! This has
really encouraged me in doing
things for Jesus at this age of
mine. TYL for saints like Grand-
ma & Mo whom You use to help
& encourage us in our spiritual
life. (TL! ILY! only Jesus!)

SO EVEN THO' THE BODY
IS OLD & old-age diseases like
rheumatism etc. can hinder,
& the speed & strength of those
young years have given place to
slowly moving acts & physical
tiredness that comes quicker
than before & sometimes you
would wish you could leave this
worn-out world rather than stay-
ing that long in this worn-out
body, but if the real desire is
there to dedicate this old body
& soul with all its "handicaps"
for His Glory, you'll then want
to ask the Lord even to lengthen
the days of your life a little bit
to work for Him here "while it
is day", & working for Him

makes you realise you still have
so much to learn! (Amen!)

THEN JESUS HIMSELF WILL
GIVE THE NECESSARY
STRENGTH for you to keep
going for Him. And you'll ex-
perience & enjoy the truth of
His Promise, "Even to your old
age I am He, & to grey hairs I
will carry you". (HAL! GBY!)

NOW AS TO THE LAST BUT

CERTAINLY NOT THE LEAST
important subject--sex! Mine
has never been that hot & full
of variety as yours, Brother
David, if I may put it this way.
It started seriously tens of years
ago with the man whom I
thought would be my husband
until old age, but things turned
out differently, & after having
been together for a short while
we split without children, &
tho' some lovers came by after-
wards the Lord has never given
me a child.

BUT THIS HAS NEVER
BEEN A HINDRANCE IN MY
SPIRITUAL COMMUNICA-
TION WITH JESUS. It has given
me many more opportunities to
be alone with the Lord, the real
Lover of my soul with Whom
I've been able to experience, as
you say, "orgasm after orgasm
of spiritual ecstasy." And I thank
the Lord for giving me so many
moments of that intercourse in
the Spirit with Jesus "Who alone
can satisfy that deepest yearning
of every human soul for total
love & complete understanding"
("Daily Might" 21:1). Thank
you for the nice chance for us
"over 40s" to share how wonder-
ful life can be--with Jesus!
Love, Hana. (Amen! GBY! ILY!)

The Lord's Call At 49!

A whole new life of love erases all the loneliness & despair of former years!

From Santiago, now in South
America:

MY NAME IS SANTIAGO
& I MET THE FAMILY THREE
YEARS AGO IN SPAIN. I am
52 years old, born Oct. 1st, 1928.
All thru my life I was looking
for the Lord but could never
find Him except in the loneliness
of my bedroom, because in
churches I never felt well.

I GOT MARRIED & WAS
VERY HAPPY with my wife un-
til she died, now 6 years ago.
Then I almost went crazy & de-
voted myself completely to my
son, giving him all his desires,
but nothing would satisfy me--
until one day going home in my
car a Mo Letter was given me at
a street light by a brother.

AND THAT IS WHERE EV-
ERYTHING STARTED AGAIN
for me. My wife had died 3 years
before & I wasn't interested in
life at all; I only wished to leave
this world. But thank the Lord
there was this brother giving me
the message I needed at that mo-
ment. I read the Letter anxiously
& wanted to get in touch with
the Family right away. In the
first Home I visited I knew a bro-
ther named Jonathan who started
to witness to me, & since
then the strong need to go back
every day grew within me.

AT THE END OF A MONTH
I was invited to dinner & got to
meet several brothers & sisters
who continued witnessing to me.
I received Jesus in my heart &
the Holy Spirit. All my life chang-
ed from that moment & I didn't
want anything else except the
Word. At the first Church of
Love held in my city I gave my
testimony. I took my mother
there & she also received Jesus
& the Holy Spirit.

I STARTED TO GO OUT LIT-
NESSING & with the brothers
provisioning & felt very happy.
But that wasn't all, I needed to

devote myself completely to the
Lord. My job didn't attract me
at all (& to tell the truth I was
running out of business).

SO AT THE END OF APRIL
1980 I DROPPED OUT COM-
PLETELY, & since then I've been
serving the Lord full-time! I
went to another city where I stay-
ed 6 months in a hotel, going DTD
with other brothers & on faith
trips & felt, or should I say feel,
completely happy in His Service.

AT LAST I DECIDED TO
COME TO SOUTH AMERICA
and here I am mated with a very
precious sister, Maria Carmen,
and along with our daughter Car-
olina & another couple we're
expecting more sisters to come
to this harvest field so white.

I MUST TELL YOU THAT
WHEN I FIRST MET THE FAM-
ILY my son stopped talking to
me & seeing me for 16 months
(Mt. 10:36), but when he found
out I was going to South Amer-
ica he came to see me off & he
received Jesus & the Holy Spirit!
Thank You Jesus! The Lord is
marvellous & we can never out-
give Him. He gave me much
more than I expected. It took
me a long time to find Him (49
years) & now I am anxious to
give His Words to the people so

they can receive it as soon as pos-
sible as time is short & labourers
few, but the harvest plentiful,
as Jesus said.

THERE ISN'T ANYTHING
GREATER THAN SEEING A
SOUL SAVED, I have experi-
enced this many times & I hope &
trust the Lord that I'll be able
to continue until He comes or
until He takes me. In my door-
to-door ministry I have lived a
multitude of testimonies & I hope
to tell them to you separately,
otherwise this would be far too
long.

I FEEL VERY HAPPY TO
BELONG TO THE LORD'S
FAMILY, the most marvellous in
the world, & to be able to enjoy
His heavenly blessings. I hope
this short testimony will show
that the Lord can call us to His
Service at any time, at any age.
The only thing we have to do is
follow Him when He calls us,
leaving all behind for Him. "And
everyone that hath forsaken hous-
es, or brethren, or sisters, or fath-
er, or mother, or wife, or children,
or lands, for my name's sake,
shall receive an hundredfold, &
shall inherit everlasting life" (Mt.
19:29). Much love in Jesus,
Santiago. (PTL! GBY! -- & Wel-
come to the OFen! WL! Y! D.)
