

**LESSONS ON 10:36 PROBLEMS:** "Soon after Anna & her children rejoined the Family with us, her ex-husband, an ex-member from years back, Nathan West (the Bible name he still goes by) came all the way from Ariz. to Tex. to rip off his 2 children. He came with the police when she wasn't there & took them. Nathan (Corky is his other name) is very bitter against the Family & came breathing accusations to the police saying, 'Anna's in a cult. She ran out on her children & is going to bed with everyone.' Anna was in Mexico at the time scouting out the land while Rachel & I were taking care of the kids. He got wind of her being in Mex. from her 2nd husband in the system. (This is where she made a mistake in that she shouldn't have told him, & she did not cut all ties.) Anyway it was a terrible scene with the children screaming & crying that they didn't even know him. But the police pressured us into letting him have them. We didn't agree but felt we had to obey the law. He didn't even have papers to show the police who he was! Of course we contacted Anna right away & she came back. She had papers stating she has full legal custody permanently. We went to the police, who knew they had blown it & turned everything over to Criminal Investigation who informed us to go out to Ariz. with the custodial papers & go to the D.A. So we did, & after a lot of red tape finding the right dept. etc. they sent police out to arrest him. But by this time Nathan had some kind of papers too, as he had a lawyer working for him. So Anna still couldn't get the children. They were placed in Children Protective Services. When we went there we found out Nathan had tried bluffing them into believing he had a court order to get his children. He also filled CPS with a bunch

of lies about Anna too, so they were scared to turn them over, even tho' she had the legal papers all along! So we talked with the county attorney, GBH! He called CPS & advised them to turn the children over to their mother, as he knew Nathan had kidnapped them & the State of Ariz. had him for 'custodial interference'. So PTL, Anna finally got her children back. This was a big big lesson for her, & I hope for anyone else in the Family who might be going thru' similar experiences. My advice is if you have any doubts that someone could be a 10:36er, don't give any place to it. Break all ties & flee for the sake of the children. Better safe than sorry. Don't wait around to see what the Enemy is going to do! Also, be warned about Nathan West & Peter McIntyre (a former mem-

ber who came with Nathan to get the kids.) Both are enemies. Nathan especially is very bitter & there is no telling what he could or may do. I also wanted to say thank God for our brothers in the Family, as I couldn't drive out to Ariz. as Nathan knows me. So GB Matthew who drove us all the way out in his truck & fought with us to the very end, leaving his wife & family to lay down his life for the sheep. Another thing I left out is that Nathan came in very very subtle & got some of the brethren to tell where we were staying. The whole thing was an attack of the Enemy as we never expected it. The unguarded moment—it's so important to obey all God's checks—every little one!"—David & Rachel: U.S.A. (Yes, like leave the U.S.—D.)

## ROGUES GALLERY!

**GREGORY DIAS (BIBLE: JOHN SERVANT)**, 5 ft. 5 in., 120 lbs, age 30, Hawaiian-born, Portuguese-Spanish descent. Possessed with a living spirit, an alcoholic. He pretends to be in the Family, preaches our message, litters, but is a very subtle snake-in-the-grass. We met him thru my "Mate Wanted" ad & had only been together one month when he robbed me & my 4 kids of all our cash, lit & new truck—approx. \$1200 worth. He's presently somewhere in the U.S., but plans to go to South America, particularly Chile. Family beware! He's very subtle & has crept in unawares & is a real reproach to the Cause & will hurt the Work, yet use it for his

own advantage. He's also left a lot of unpaid debts. Watch & pray & don't be deceived, like I was at first. Particularly, sisters beware, as he charms the women & then uses them. Signed, Hannah Crusade. Co-signed Gabriel & Clare, Libertad & Joshua, Pablo & Joyful, Bozrah & Ruth, Martha Mushi, Crispus Gitano & Peter Catcombs; U.S.A.

**Rod Udriș** (never took a Bible name), 6 ft. tall, about 200 pounds. Romanian born, Lebanese & American citizen, speaks fluent English, French, Arabic, German & Romanian. He's a professional thief & liar. He was with us for only one month & stole about 2,000 SF from two Homes & a friend. I don't think he'll cause trouble for the Family, but just be aware of him. He may still be in Switzerland. Love, Jair.
