

# Leaving Europe For Untouched Field

A FLIGHT OF FAITH TO A NEW FIELD WITH IMMENSE POTENTIAL!

From Rose of Sharon;

South America: Dear Mo & Maria & Family, **WLY & APPRECIATE EVERY LOVING LETTER.** This is just a short note to you & all the family to let you know we've made it thru the tunnel to sunnier, greener pastures.

**OUR JOURNEY TOOK US FROM FRANCE TO SOUTH AMERICA--** Matthieu & I & our 3 children & our loving co-workers Luc (Australian) & Marie (French new disciple). We spent the last months in France working on support, finishing our beautiful slide show with the Family flannelgraph, & litnessing & cafe singing.

**BEING IN A CARAVAN MADE ALL THIS SO MUCH EASIER,** economical & pleasant. By the way, we had borrowed \$2,000 from Matthieu's parents by faith to buy the caravan two years ago, & 6 months later his grandmother died leaving him an inheritance of exactly \$2,700, enough to pay our debt & the 10%! How God supplies!

**SO WE JUST SOLD ALL THAT WE HAD** & put our funds together to make the trip. The Lord really blessed our united effort, & we were able to find tickets at only \$450 per adult.

**WE MIRACULOUSLY MET THE BRETHREN IN OUR NEW COUNTRY** & were surprised to find that there were 50-60 adults with about 30 children in the capital city. Our flight was on June 7, & we were so inspired to arrive & see the brethren fellowshiping & really getting it together.

**WELL, BECAUSE OF THE HUMIDITY & SMOG,** Luke began to have asthma. So because of that & our personal burden to pioneer some of the untouched cities, we headed out to a delightful city

with blue skies, surrounded by mountains in a desert. **I CAN'T TELL YOU ENOUGH HOW SWEETLY,** receptive and smiling the natives are here. Some are not even accustomed to seeing blond, light-skinned whites, & they often stop to touch or look at the children.

**AFTER ONLY ONE MONTH HERE** we had won 2 FT souls--God bless our beautiful, French babe Marie, who really attacked, even though she knew very little Spanish. We have been able to meet several influential people already, as here the people take pride in befriending foreigners.

**THEN THE LORD DID A MIRACLE IN SUPPLYING OUR LITTLE HOUSE** after 1 1/2 months. It was a miracle because the houses for rent here are few & expensive. This house was not even publicised for rent, but the nearby Catholic nun was the one who found us the house & contacted the owner for us.

**SO NOW WE ARE IN OUR LOVELY 2 1/2 BEDROOM HOME,** half-furnished, with telephone & lovely flower garden, safely enclosed with a high wall, 3 blocks from the centre of

town. Already we're receiving visitors daily, & two souls prayed with us to receive Jesus this morning! **THE POTENTIAL HERE IS IMMENSE;** radio & T.V. are open & interested. We have been able to renew fellowship with brethren who had lost contact when the chain & their crew left. The brethren here are so sweet but dispersed & needy of fellowship again.

**ALL THESE VICTORIES COULD NOT BE POSSIBLE WITHOUT A FEW BATTLES,** & the Enemy has done his best to try to stop, discourage & practically kill us. We've all been touched with severe diarrheas, even though we purified our drinking water, & the many changes in food, climate, bacteria, etc. are something that everyone coming here should be prepared to face.

**SO THEY SHOULD BRING ALONG PLENTY OF FAITH,** as well as things like baby clothes, radios, videos, projectors & things like that which cost much more here. But with plenty of faith & courage, these inconveniences are nothing compared to the rewards of obeying & following Jesus & Dad into all the world. WLY all so much! (GBY!)

## Blessings Upon Arrival!

MIRACLE ACCOMMODATIONS PROVIDED ON NEW FIELD!

From André & Gail:

South America: **MAY 21 WAS OUR DEPARTURE DATE FOR OUR NEW FIELD** in South America, so we prepared for it by selling our trailer, van & odds & ends. When we got on the plane we met a nice elderly American lady who owned a plantation in the country where we were going. She told us what to expect, & as we arrived we discovered that she couldn't speak any Spanish. So André helped

her thru customs using his limited Spanish. **SHE HELPED US AFTERWARDS BY HIRING A TAXI VAN TO TAKE ALL OF OUR & HER LUGGAGE TO A HOTEL.** That was a real help, as taxi vans are very expensive--\$50 a ride. We had hoped to be met at the airport by the family already living in this city, but they hadn't received our letter to them. We had sent a donation with it, & neither the letter nor the money arrived at

their post office box.

**SO HELPING THIS ELDERLY LADY THRU CUSTOMS REALLY HELPED US TOO.** We stayed at a hotel owned by a Baptist family who immediately opened their arms to us & the kids. The wife told us about a large house she had outside of town that was for rent, so after praying about it & our not being able to contact the brethren thru their phone number--we didn't know if they were still in the country--we decided to rent the house.

**THE COUPLE SUPPLIED US WITH LOTS OF FURNITURE FOR THE HOUSE** & we were all set. After living there for 2 days the couple from the family had gotten our note that we placed in Poste Restante for them & they were really surprised to see how the Lord provided

a place for us. The church people had also offered us a couple of teaching jobs which helped us get started. **NOW WE ARE IN OUR THIRD MONTH HERE** & have left our first house & moved together with the family--a couple & their 2 children. After living alone for 2 years in the U.S. we really missed the close fellowship & inspiration of living with another family, so we teamed up with each other.

**THE TWO HUSBANDS TEACH ENGLISH** to the rich upper class, both teenagers & adults, & have several sheep among their students. André also tutors some of his young students in math.

**WE HAVE ALSO FORMED A SINGING GROUP OF OUR CHILDREN** who sing several songs in Spanish that they learned from Singing Sam's "Amor"

tape. They sang at a park on Saturday, & just recently they sang at a peanut butter factory & were given 10 kilos of peanut butter!

**WE HOPE THIS TESTIMONY INSPIRED OTHER FAMILIES** in the U.S. & Europe to make the break & come to the sunny climes & happy people. Where God guides He provides! Also, any families wishing to come & help us reap the lost souls here please write us for more information, care of the LHM, & we'll be glad to answer any letters.

**OH, I FORGOT TO MENTION THAT ANDRÉ TEACHES THE WIFE OF THIS COUNTRY'S BEST MOVIE DIRECTOR,** & he is also the director of the night-time news on T.V. So if MCV comes out with a Spanish video we might be able to get it on the T.V. here. (PTL! GBY! Keep'm rollin'!)

## Guam: Full of Military Bases!

IT'S OKAY FOR "PASSING THRU" BUT YOU WOULDN'T WANT TO LIVE THERE!

From Ephesians LA: (Now in Japan):

**WE HAVE SPENT TWO YEARS IN GUAM,** so we are sending this information on the island as requested by Bithia Masseuse. We hope it will be of help to many.

**GUAM, U.S.A.: LIKE DAD SAID, ALL AMERICAN TERRITORIES USUALLY ARE MILITARY OCCUPIED,** which is true. Guam has 5 military bases & is only 36 miles long & 8 miles wide. It is the only U.S. territory in the Pacific where you can receive food stamps, free housing, etc. (besides of course the State of Hawaii).

**A SINGLE MOTHER CAN EASILY OBTAIN FOOD STAMPS** (approx. \$500 worth for Bithia's family size) & free housing along with a living allowance from welfare. Guam is a very easy place to live, as it has no seasons other than summer year round.

FROM MY OWN PERSONAL EXPERIENCE

however, I would not recommend it for anyone to just "live" there. But it is a good place to "pass thru" temporarily if she's on her way to Asia or the Orient & needs to wait for visas, passports or whatever, providing she has the faith to leave before the island is blown off the map.

**SHE ALSO WANTED INFO SUCH AS ABOUT SCHOOLS:** They are typical American schools. English is spoken. Catholic schools are a lot better & cost about \$80 per month, about \$20 more per child.

**TRANSPORTATION:** No mass transit, no buses--only taxis, cabs & hitch-hiking. **APTS. OR HOUSES:** Usually rent is between \$200-\$300 monthly for a furnished 2-bedroom place, & it is easy to find one.

**COST OF LIVING: ABOUT TWICE AS EXPENSIVE AS CALIFORNIA,** especially food, as it must all be shipped in.

**AIR FARE:** From Calif. I think it's about \$450 APEX (which means you purchase your ticket 3 weeks in advance). From Guam elsewhere it's about \$260 to the Philippines, \$188 to Japan, & \$340 to Hong Kong (all 1-way).

**WELL, I HOPE THIS HELPS SOME FOR BITHIA** & anyone else considering a move to American territories. Hawaii is about the same. I spent 5 years there when we first pioneered the islands almost 9 1/2 years ago. However, housing is more expensive, welfare harder to obtain, & it's a lot more expensive to get out of there when you decide where you want to go. Also the people are harder. The family has really been persecuted there in the past.

**GUAM IS 98% CATHOLIC,** & the family members were well received the last 5 years they've been there. I hope this helps. GBYA! WLY&P4Y! (Tks! GBY! This is good info!)
