"If You've Got Kids, Get'm Singing!" "KID POWER" LETTER & MAM SONGS GIVE FAMILY FAITH FOR SINGING ON THE STREETS!

"RID POWER LETTER & TWEE
Trom Jon; British Isles:

1. WOULD LOVE TO SHARE
WITH THE REST OF THE FAMILY
HOW THE LORD HAS BEEN REALLY BLESSING US & the children with a new singing
ministry. We are a family
of 6: Philip, Becky & their
children, Eve(5 1/2), Etoile
(3) & Justin(1), & mynelf,
Jon.

IT REALLY STARTED WITH
MUSIC WITH MEANING. For
months now the children
have been singing for their
own inspiration & visitors.
Eve would often put together a mock MWM show complete
with "personal interviews",
jokes, songs & jingles.

LEARNING "ROCKIN' ROBIN"
SET THE BALL ROLLING & became Eve's star number in
the show. Then one morning
we read Dad's Letter, "Kid
Power" & received the MWM
songbook, which finally
gave us the faith & the
push to go ahead & do it
in the streets.

THE RESULTS WERE FANTASTIC! We planned a program
in the same manner that
Dad suggested in the Letter
& put on two 15-20 minute
sessions. The response was
really encouraging, & soon
we were getting crowds of
over 100. With a captive
audience we could even slip
in some real witnessing
songs such as "Jesus Really
Loves You".

IT MAS TEMERDOUSLY INSPIRING TO SEE THE CROWDS!

dren spread God's love thru the songs & their own sample. NOW ME ARE TRAVELLING TO VARIOUS COASTAL RESORTS, singing with the children 2 or 3 times a week, & we are seeing what a blessing they are. It took time & faith to train them, but it was really worth it. Personally, I was finding it quite hard to move these staid English spirits thru lit-

get'm singing! If it can be done here in sleepy old England, it can be done anywhere-even more so! Our kids have become our greatest asset. I hope this will encourage you to use yours!
BY THE WAY, I had injured

my back quite badly a few days ago, 6 I was considering staying in bed. I could barely walk, but we went singing by faith. After the first session I realised that the pain had completely gone 6 I was healed. PTL. "As they went they were healed!" [Amen! PTL! GBY! Keep'm goln' & singin'! TY!]

ATTER MUCH PRAYER, we asked him if we could take the girls, as his parents are old, sickly & could not take proper care of them. He was very thankful & agreed, but was afraid his parents would never accept, as they had become very attached to the girls.

KNOWING IT WAS GOD!S

HIGHEST WILL, he approached them with the idea. To his amazement they accepted it with little persuasion. So, for the past two months they have been with us. It has been a real experience as they spoke no Emalish & care

Spanish was feeble. Thank the Lord, Marisol, the oldest, is a very bright girl has already picked up a lot of English as well as helped to improve our Spanish.

TO OUR AMAZEMENT HE SAID YES! Since our arrival the faculty have gone out of their way to help us. We have water, electricity, showers, private bathroom. They also gave us a room to use & put in a TV, drink cooler & left the playground open for the giral: Praise His name; He is so faithful! All this for free! TIJ!(Ament)

Mobility-The Only Way To Get Ahead! A COAST-TO-COAST TOUR TO RAISE HOME SUPPORT, THEN OFF TO S.A.! From Philemon & Shiloh;

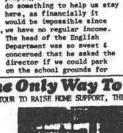

HI: WE ARE PHILEMON & SMILON along with our 5 children, Jeremy(10), Eden (5), Pablo(4), Sharon(3), Theresa(2), & our helper, Joh

(5), Pablo(4), Sharon(3), Theresa(2), E our helper, Job.

UP UNTIL A YEAR AGO WE WERE AT A U.S. BORDER BASE between the U.S. & Hearleo, feeling more desperate all the time to get out of the CU.S., but we just couldn't seem to get ahead financially because nearly everything we made went into keeping the Home going & helping to sometimes feed & house large numbers of brethren.

MEM "THE CRASH IS HERE"
CAME, we knew we had to do something quickly. TTL for the camping series! It was the answer! We got a loan from a fish & bought a trailer, hitched it up to our old "colony car" & hit the road to litness & pay back the loan. And then we planned to go to Mexico.

IM ONLY ONE MONTH OF LITMESSING THE LORD GAVE US CHOOGH TO PAY BACK THE LOAN! By this time we were having car problems, & we saw that we resulty needed another vehicle. So we got another loan & got a good pick-up truck with a camper which gave us the extra bedroom that we needed—our trailer only sleeps 6, & there are 8 of us.

AGAIN THE LORD PROVIDED, THE FUNDS TO PAY BACK THAT LOAN in only one month of litnessing!

Litnessing!

ALL THIS TIME WE HAD BEEN PREPARING TO GO TO MEXICO, but one day the Lord showed us that He was preparing us to go to South America. We were so excited! And by selling our truck & trailer we would have our fare & landing money! All we needed was some needs—such as luggage, correspondence courses for the children, etc.——for course monthly supporters.

SO WE HIT THE ROAD AGAIN WITH ANOTHER FAMILY, Branch & Charity & their 2 chil-dren, & we are now travel-ling across Canada & then down the East Coast, litdown the East Coast, Ift-nessing, witnessing & vis-iting churches as we go. Our goal is to have every-thing we need by the time we reach Florids so that w can then sell our truck & trailer & fly to South America.

Please pray for us, as we know the time is short. And we're praying for you all too! We love you!

From the Arabic Lit-Pic: GBYA 5 WE LOVE YOU ALL SO SO MUCH! So much has transpired in our lives over the past 5 weeks, 8 so many changes have happen that we know it was only that we know it was only the miracle-working power of God that has kept us. We are now writing from our new location, camping smidst God's beautiful creation. We have just spent an event-ful week caravaning here to

ful week caravaning here to re-locate our work.

LIKE SO MANY OF OUR FAMILIES TODAY, we have been desperately seeking the Lord about His will 6 where we should go. We want to tell you the story of what God had to do to get us on the move 6 the miracles He's done for us to confirm His will 6 to lead 6 guide us. We pray that it will inspire your faith in His miraculous power to answer prayer 6 direct our lives 6 increase your faith to take that ist step.

AT THE BEGINNING OF JUHE

ME HAD LEFT CUR HOUSE & scarced doing our Lit-Pic work from the van & caravan which our angelic friend M. had given us. By July we felt like old hats at camping, & things were rolling right along, & we broke into new world of witnessing liberty at the campgrounds a new world of witnessing liberty at the campgrounds to ur weekly LAF became our "LAF of Love". Ha! 25 souls got saved that month, plus we printed our 4th LIN & 12 pages of new Mo Letters. The previous month we had completed "The Hem of Mis Garbert Calling & GOD MAS HARACULOUS.

cerning our next step. But God hadn't shown us anything, & 6 because He was just show-ering us with blessings in souls & provisions, we put it in His hands to just take care of it & to show us in His time.

ON THE WEEKERD AT THE BEGINNING OF AUGUST we left our carsvan at the campaire & went on the road with the wan to another side of the city to visit some Family & friends there & to have our LAF at the Home there.

ATTER DOING SOME BUSINESS
IM ATHEMS ON MONDAY MORNING,
we started heading back to
our camp. It was a particularly dry & very hot day, &
the wind was blowing about
160 km. an hour-not too unusual for Greece-t the wind
had been blowing like this
for days.

AS WE APPROACHED OUR CAMP
WE MERE PASSED BY AN EMERGENCY ELECTRICAL COMPANY
TRUCK, & we noticed some
smoke about 18 km. up the
road.

ARRIVED AT THE CAMP, I(Asher) noticed that the smoke was now visible from our camp-ground so I asked Jay to stop working so we could start packing things up & prepare to move just in case the fire should come our way. Thank God we did!

"MAAT IS ALL THE RUSH!",
as it didn't "seem" to be
that close, but 10 minutes
after this.-just 20 minutes
after he fire was starting
to engulf the campground.
And when we pulled out we had

from Germany died sleeping
in his tent. It hit so fast
that within 5 minutes after
we pulled out we watched the

had blown 5 kilometres down
the road.

IT WAS JUST LIKE "THE HOL-

IT MAS JUST LIKE "THE HOLCAUST"—a fast moving ball
of fire sweeping down one
side of the highway, destroying everything in its
path. Another amazing thing
was that the Greek people,
like the Systemites in Dad's
dream, were racing towards
the fire—the wrong direction—to see what was happening, making it difficult
for us, God's children, to
get out!
