

SWALLOWED UP by socialism, communism, capitalism, false religions etc etc., & that the Lord put me aside to work with David & his forces which is the only way & truth, Hallelujah! "It's a Revolution—for Jesus!" Lots of love, your Martin.

From Katrina, ML Staff
ILY ALL! I'M GETTING OVER THE SHOCK of having received such a blessing, & what remains is so much happiness that you would allow me to come here! It is a big change from what I'm used to, but I just love it! The quiet peaceful atmosphere, the sweet & peaceful nature of the Home itself, the beautiful surroundings—it is all fantastic!

WHAT I LIKE MOST OF ALL, I THINK, IS THE PRIORITY GIVEN TO THE WORD & THE WORK. After being in a situation where I more or less tried to inspire others to get into the Word enough, it is such a blessing. Also, even tho' there is lots of love & affection here, there does not seem to be too much emphasis on fellowship over the work either. A quote in the Letter I just read reminded me of that, how Dad said that Maria is "more interested in the Word than in sex." ("The Lion Farm") So that makes me really happy too, to be free to devote so much time to the Word. TYJ!

I DID NOT THINK I WOULD BE SO CLOSE TO YOU! This is what caused the biggest surprise of all—such a wonderful warm feeling. I was actually distraught sometimes thinking that I could be with you & wasn't. I made everything else husks by comparison. And to think that you have so much faith that you bring me so close...I am desperately praying that I will grow up & learn lots & develop more spiritually so I can be the blessing I need to be here. It is certainly something I do not deserve, & as I said, I am just trusting the Lord to do all the changes & more.

tions on me that I need! NOT ONLY DO I HAVE "THE PLEASURE OF YOUR COMPANY" but also a chance to be used much more than before. I feel each task has such an effect & that makes me so excited! DAD, THE VIDEO OF YOU & TECHI was so beautiful! The artists can never capture the shining kindness that radiates from your face. I love you so much! You have been so wonderfully kind to me. Thank you so much! XOXOXO! I appreciate your giving me a nice room, plus so many rough drafts to read, which all helps me to get my bearings & reorganize my life. It's like swimming in the Word! I love it! THANK YOU ALSO FOR THE SWEET NOTES ON MY LETTER. It touched me so much that you immediately read it & wrote to me. What a wonderful privilege. I can never thank you enough.

THE WORK I HAVE DONE SO FAR OF LAYOUT is really challenging & fun!—Creative tool I pray I can do it right so that the Letters are a beautiful sample of your love of order & neatness. Each job here is thrilling! So I am so thankful for the precious privilege of being one of your daughters & pray the Lord will cleanse me & help me to be fit for the King! Thank you, Maria, for allowing me to help in the "Shepherdess" ministry. God is giving me a real joy in all these things. Love & thanks forever, —Katrina

From Martin:
FOR ME THESE ARE REALLY DAYS OF HEAVEN & every day I have nothing else to worry about than the Word! The Lord has given us a beautiful place to work, plenty to eat, loving brothers & sisters & a never-ending stream of Words—what more can one ask? TYJ! I'm so happy! Sometimes it's still hard to believe that I'm doing this, something I always wanted to do. LOOKING BACK AT MY TIME IN THE FAMILY I can

see much clearer now how the Lord was preparing me all the time for this ministry & how He had to teach me faith, patience & most of all give me the vision for this kind of work, that if I ever should obtain such a privilege, I'd be aware of this precious calling & not become another "Esau" who "afterward when he would have inherited the blessing was rejected for he found no place of repentance, tho' he sought it carefully with tears!"

IT'S LIKE THE ENEMY OFTEN TRIES TO TEMPT ME & says "Look what you're doing now. Every day the same monotony. Look what you could be doing out there, some glorious task, blah blah blah..." But thanks to the Word & the Letters I'm aware of his dirty work & know how to go to the offensive & not be deceived! Never before did I realize the importance of staying in the Word continuously & what "pray without ceasing" means & "knowing that the same afflictions are accomplished in your brethren that are in the World".

I WANT TO GIVE MY ALL to this end of the R. to strengthen the Body of Christ! TYJ! It's only the Word! TG for our archeologist who keeps diggin' for these precious gems! ILY! And for you, dear Maria! "She's my little coach & manager & she sure does a good job of it, she knows how to do it! She is the power behind the throne, the neck that turns the head & the gal who makes the man!... & everybody said Amen!"—XXX-Love, Martin.

From James, M&M Staff:
Dearest Dad & Maria, GBY! ILYAPFYI! I just want to thank you so much for the wonderful evening last night. Being up in that nice "heavenly" restaurant with you & having such a nice time was like a dream come true! I enjoyed it very much, especially your thoughtful explanation of the situation here, both locally & nationally.

I REALLY FEEL "AT HOME" IN EVERY WAY. The evening was so much fun. Thank you for thinking to take me. I really consider it an honour & will do my best to be a good bodyguard & companion.

APART FROM THIS I WAS REALLY TOUCHED BY YOUR LOVE personally for me, how you had the faith for me even when I was quite out-of-it. As Maria said so truly—no one was fighting against me, but I was fighting against myself.—Really the truth! As the song says, "I Can't Pay You Back", but I'll

never be able to thank you enough for not giving up on me. I'VE SEEN MORE THAN EVER HOW MUCH YOUR SAMPLE IS THE ONLY WAY. So I'm eternally thankful to you & the Lord for your love & patience & faith, & I want to do my best to share that with the Family & the World by doing my jobs well & "trusting & obeying".

THIS MORNING I WENT TO THE LOCAL P.O. WITH PEARL to mail some mail, & got to see the local neighbourhood a bit. Then I've been unpacking & "setting up shop" as I know that it's

time to get to work! I've been getting lots of rest (& love!) & everyone has been really sweet about filling me in on the situation. MY ROOM IS BEAUTIFUL & I HAVE EVERYTHING I NEED. What more could I ask for? So thank you again so much for all that you've done & are doing for all of us. I'm ready to do anything that you have for me, so please don't hesitate if there's anything I can do. I'm really happy to be here! Much much love in His Service,—James.

Sneak Previews!

—From work reports to Dad & Maria!

Dearest Dad & Maria, GBY ON ANOTHER GORGEOUS DAY! (Amen! TTL!) It was so good to see you & to have your fellowship & message last night. You always fill us with just what we need!

A HUGE THANK-YOU TOO FOR THE SONGS OF COMFORT on tape! That alone feeds us so very much, & I can just imagine now all our busy mothers & families enjoying the songs too all day on tape. (PTL!) We had a good sleep & school with the Word—finger puppets of Mt. 10 memory chapter, then writing exercises & phonics.

THERE'S SO MUCH TO LOOK FORWARD TO each day. You've taught us to love life in Jesus! (PTL!) Even if we don't see you (Sorry) all day long, we enjoy everything about you all day!—Your songs, TKs, MLs on tape, the Mag, DM & Love for Life!—& all the Family can enjoy all the same every day! Isn't that wonderful! (PTL!) We love you! The kids seem fine & happy—now time to "Get Out!" Love & gratitude, Your Sara. (—Amen—GBY!—Tks!—Love,—D.)

Dear Dad & Maria, GBY! I LOVE YOU & PRAY FOR YOU! To love all these

various Prophecy Letters about different people, especially about Maria, is so inspiring, & the promises for this Family are so uplifting & encouraging! To know that Maria will inherit the very heart of David & his spirit & give the Words to us after David is with the Lord helping us from the Spirit World, is such a beautiful promise, & one can see already the ever-growing wisdom & love & deep concern of Maria for God's sheep! I presume that you, dear Maria, have been one of the dancers in the "Garden of Eden", & I just melted by this gorgeous sight of your beauty & graceful dance for us! Thank you! xxxxxx! What a Revelation! Hallelujah! Lots of love, Martin.

Dear Dad & Maria, ILY & WAS SO ENCOURAGED THIS WEEK by the verse from the Lord promising "thine health shall spring forth speedily" which we pray for daily. Every time we sit down to eat we always pray for the Lord to give you good digestion, strength & inspiration. You're both the most beautiful couple to me. Adam & Eve may have been the most perfect physically, but you are the most beautiful to me as you lead us thru the Garden of His Word & help us to find our way back

to the original truth of His Love & creation just as He meant it to be! TYJ!

I REALLY ENJOYED BEING ABLE TO TYPE DORA'S LOGS. I couldn't begin to write all the lessons I learned, I certainly see why TechI is "wise TechI"! GB Dora for being so faithful to record her wee words of wisdom. I would love to read some of her wisest words put together in a Letter. Some of her comments & understanding about certain things at such a young age, for instance on forgiveness etc., are just amazing! Dad's comments on TechI & David are such jewels & make me wonder if some of the other parents receive things like that or prophecies about their children. It's so encouraging! Dora's logs are chock-full of jewels from Dad, like diaries full of diamonds!

I LOVE YOU & THANKS so much for your trust & confidence in me to do what I'm doing when I know I'm so unworthy. I've been here 3 months now & every day I thank the Lord, & every such a miracle! GB&KY in all you do & give you a double anointing of love & wisdom, as David our strong mountain & Brunhild his keeper & defender! Love & prayers, Pearl. (Tks! TTL! GBY! He & you do most of it! PTL! WLY! TYJ! & those "TechI Letters" are coming soon. Father—D.Y.—D.)

LOVE LETTER TO DAD!

Dearest, dearest Dad! ^{10.10.81} (7am) PTL! GBY!—Tks! ILY!
GBY!! I love you so very much!! ILY!!!
I have wanted to write you this letter for some time to thank you for your wonderful note to me. I have been thinking and thinking about it, but I know no words that can properly express how I feel, how it so deeply touched and warmed my heart. It wasn't even a note, but a whole letter, so beautiful and full of love. I feel so undeserving of the beautiful things you said, but I love you so, so much and thank you for it with all my heart!! @@@!
I want to do my best to help you and be a blessing in the place that you want me. JILL!! Amen.—V.B. GBY!
I'm praying for your health and well being and strength, and for Hama too. Thank you so much for all you do for us all! We need your words so desperately! There doesn't seem to be a time when we don't need you more than ever. "I'll still be Jesus & Maria in the Word & we in spirit!"
I have been listening to the ER tapes again, and in view of Sadat's death a few days ago it seems all of a sudden to be so much closer to full fulfillment. Thank you so much for those lessons to prepare us for a future which all of a sudden seems to be just around the corner. Your description of the new ruler seems to so fit the VP who has been groomed to take over. But it is so touchy, I don't even really want to think about it until I see a letter about it. ^(coming!)
How privileged we are to have you, the Voice of the Lord for these last days! TYJ! JILL so!! Lots of hugs & kisses to you & Hama too!! @@@!! @@@!! Yours for ever, —Jewel—Tks! ILY!—D.

Dearest, dearest One!!! ^(From one of our personal staff who had 2 B lffs behind her!—D)
GBY!!! I love you so, so much, more than I could ever tell you in words. I am continually (we all are!) praying for your health, well being and security, you and the children and everyone, but especially now for your throat and digestion.
I wanted to thank you with all my heart for the wonderful going away present you gave us all. It was so sweet and generous of you to think of us all in such a way. Thank you so very much.
Path gave it to me after I came home from the airport and I must admit that it couldn't outshine the joy I felt in my heart that I had gotten to see you and be with you before you left. Under normal circumstances it would probably have been very hard for me as I'm not very good at good byes. But this wasn't a normal circumstance as I felt so enormously blessed that you had let me come along to see you off. Then we were so busy praying for you on your trip that any other personal feelings couldn't be allowed to take over. Oh, and how we praised and thanked the Lord when we heard that you had arrived safely! PTL! TYJ! And your personal words to us all since then have been such an encouragement to my heart. I love you so, so much!! How can I ever thank you enough for all that you do for us, most of all for the precious, priceless words of the Lord to teach us everything we need to know. And a special thanks for the Eden's Revelation videos. We are almost to the end of the series now and then I hope we can start over again. Lots and lots of love to you!!! ILYN!!
Yours forever, —Jewel

(Tks, Sweetheart! —U.B. an angel! —I'll always love U! —I'm U's 4ever! Gaby! D.)
