

You Are The Love of My Life!

A lover of David shares her heart about the love that gave her new life!

From Mary-Magdelene; "Musique Magique" DJ (written during her visit to "Loveville"):

Dad, dearest Dad, & Maria: ILY SO SO MUCH! IT'S LATE & WE'VE JUST WATCHED YOUR VIDEO about Rev. 1:1. Everybody's in bed & I'm in my little tent, but I have to write you, Dad & Maria, because...

OH DAD, DO YOU REMEMBER THAT "HIPPIE HOUSE" you talked about in "God's Little Miracles"? Well, it seems to me I was there! Someone that looked a lot like you, called Zee or Dee, was there too, with his young girlfriend. Actually, I was staying just next door & I'd been invited for the evening.

I REMEMBER YOU, OR ZEE, WERE TALKING TO ALL OF US, & I was really fascinated. I don't remember the contents very well, except you were talking about this special relationship of deep love you had with your girlfriend. You even said something like when you wanted to go to the bathroom she could feel it, she understood you so well.

YOU ALSO TALKED A LOT AGAINST AMERICA which you had just left & you said they mistreated you there, for some reason. You showed us a big pack of large photos of your commune of young people which you were apparently leading there in America. They were mostly outdoor pics, a lot in the woods, of happy hippie young people. (Amen!)

OUR FRIEND WHO WAS THE HOST THERE WAS NICKY, an American from Chicago, & his wife's name was Suzy. They had a beautiful little baby boy who was very interested in the photos you were showing. (I don't remember when that was, maybe 10 years ago. Anyway, it was well before I first met the Family in Paris in 1973 when I met Faithy on French TV.)

Mary-Magdelene Colombe during her "Days of Heaven" at MWM Photo by Tiras Seeds. (PTL! GBY! LLY!)

THE NEXT DAY I CAME BACK HOPING TO SEE YOU AGAIN but you were gone. I asked about you & for some reason they didn't tell me where you were, like you had to hide or something. I saw Nicky & Suzy again, maybe 1 or 2 years later (the year before I met the Family) in California. They were always so nice to me even tho' I knew them very little. He was the son of a very rich man, a Jew, but was very sweet & I was surprised how humble he was & considerate. These people must have been very special to have had the honor of receiving you!

WHEN I SAW THEM AGAIN I ASKED ABOUT "ZEE". They said they didn't know where you were. Then back in Europe, two months before I met the Family, as I was starting to write my diary when I felt I was going to find what I was looking for, I met another one of that lit-

tle crowd of hippies who was there in London that night where you, or Zee, talked to us. In fact, I called the flat hoping to find track of you, but John, this other hippie, answered me & didn't know where you were.

ANYWAY, DAD, I WAS FLABBERGASTED TONIGHT WHILE WATCHING THIS VIDEO, not only by your beautiful class & your beautiful looks, but also by realising I was a more direct fruit of you than I'd realised & that you'd witnessed to me. Maybe a little bit like a mass-witness—we must have been 20 or 30 maybe. (Rb! GBY!)

WHEN I WENT TO THE STATES LATER I EVEN KEPT IN MIND THE BEAUTIFUL PHOTOS of the happy faces living in a natural way surrounded by trees. Is that possible? If it wasn't you, then there's somebody that really looks like you & talks like you & hates America & loves his young girlfriend & had a beautiful commune of young hippies in the States around 1970! Before seeing the video, I'd thought of all these similarities & thought it might have been you, but I didn't dare think it really was! (Twas!)

WELL, I'VE BEEN IN LOVE WITH THIS "ZEE" when I first saw him. And I really admired his relationship with this girl. At the same time I was scared of him. Maybe the fear of God! I love you! Thank you for these beautiful videos! My dream has always been to be with you. And now I realise I have, & I loved you at first sight. Like in this video! (PTL! GBY! LLY!)

GOD BLESS YOU, IDOL-SMASHER! I'm so glad you talk like that about Nietzsche & Freud & all those nuts that are behind modern psychiatry & psychology. You know, even when I was (supposed to be) a

psychologist, I feel that's what I deeply thought all along, & I was feeling so bad because I couldn't fit. Thank you for delivering me from all that!

OH, DAD, I'D LIKE TO BE SO SO CLOSE TO YOU! When I think that I really saw you that time in London from the back of the room where you were talking to us while we were smoking dope, telling us about Jesus' teachings! You seemed so much from another world to me, I was afraid of coming close to you, but I hungered for more of you. I remember you said you didn't smoke dope because you didn't need it. The more I think about it, the more comes back to me. And Maria came into the room from the back of the flat, & she looked like she was serving you. Yes, you said she was your secretary, but you had a very special love relationship. I love love you both & am so thankful for you. Please take good care of yourself. We need you so!—In Jesus.—Mary-Magdelene. (GBY! Why's that book? I read it! It's a Great thing! GBY!)

Dearest Dad & Maria, DAD, SWEET DAD, THANK YOU SO MUCH FOR MAKING THIS POSSIBLE & for inviting me here. Last night I was with Paul & he shared about your love for me & how I am the Mary you talk about in the Jeanne Manson Revelation. Oh, Dad, you are the love of my life! It's so true that I've jumped the gun, but you are my biggest love. You only have the Words of Life. Thank you for your love, I cherish it so much. Forgive me for my unfaithfulness!

TO THINK THAT YOU SEE ME SO CLOSE with all you have to do! Dad, it just makes me cry, you have so much love! And it is so true that I married so quick, first with Abel & then with English John. I didn't let the Lord do it. I couldn't wait. But you, Dad, are my real husband. I'm married to you & it

is your Words that I'm in love with the most. Please forgive me for having been unfaithful, especially when I was translating & I let my marriage problems get in the way.

MY PRESENT MATE, NANO (Daniel Fidele), is just a real help & blessing. And he loves you, & this time nobody put us together. When he read about the "nincompoop" he said, "That's me!" & he laughed. He really believes it. What made him fall in love with me was how I translated the Mo Letters—& myself I was so thankful to see someone so thankful for the Mo Letters in French that I fell in love too. But not as much as with you, Dad, because I know I couldn't live without you.

YESTERDAY WE LISTENED TO TAPE 1. I was so amazed & encouraged at how you love & know each one & appreciate everything. It must make everyone want to work on their good points! Fiona, Topaz, Windy, Joan—you have done so much in their lives. It makes me want to be devoted like one of them. ILY!

WE ALSO READ "ABIDE IN YOUR CALLING"—How it applies to me! So much! My mother & father had a troupe of classical actors playing Racine, Corneille & Moliere, the French equivalent of Shakespeare. They also played Shakespeare in French. My father was Hamlet, one of his best performances. My mother was the shrew in "The Taming of the Shrew". In fact the way they met was my father (who was born in Monaco) had gone to Paris & become one of the best young actors there, & he started giving drama classes. My mother went to them & they fell in love & got married.

I WAS BORN A YEAR LATER, IN 1945. Then when my brother was born we went to Monaco & ended up staying there. They started a troupe of actors there & at the same time worked at Radio Monte Carlo

for money. So I always remembered being on or back-stage & around or in a studio. On the radio my mother became the best DJ, according to the listeners' reactions. She always received a lot of mail & little gifts from listeners falling in love with her voice. (As Mary said in LLY!)

LATER ON WHEN SHE WOULD DIRECT RADIO PLAYS, SOMETIMES SHE WOULD USE ME (I was in my early 20s at the time). I remember the little problem we had was that we couldn't play different parts together—except that hers was more professional, of course. She just retired after 40 years in radio. (GBY!)

SO, SINCE I WAS A LITTLE GIRL I'VE ALWAYS BEEN IN RADIO STUDIOS.—And funny, I just realised now I met the Family in a TV studio & got saved, nearly, on French TV, PTL! At least in their building (actually, in their toilets!). (HLS! Amen!)

I WANT TO STOP FOR TODAY SO I CAN GO BACK & LISTEN TO YOU some more. I need you so much! Last night was a beautiful night after Abishair's birthday dinner with Paul sharing with me about your love. I could have pumped him all night! After he left, very late in the morning, I couldn't sleep, your love was so burning in my heart. But I don't feel tired. It's such a miracle, because in France I was always tired, & here after 3 hours sleep I feel so rested! Love is such a rest!—Your love! The Camp here is like the fulfilling of all the hopes & hidden desires of being close to people which I had had when in the Paris Show Group many years ago.

YOU MAKE ME WANT TO KEEP WRITING! In Tape 1 you are so understanding. You & all here are so human compared to the Frankenstein monster I joined 8 years ago! I felt so bad because I failed you in not publishing this book of my testimony.

ny. I finally stopped writing altogether, but now everything is made new & I truly feel I want to let the Lord use me in what He made me for, listening & taking notes like He called me Mary for in the first place. I love you, Dad. Thank you, Maria, also so much. You're so beautiful, I wish I could make love with you also. Please take care! Everyone here is giving so much love, always taking time for love! (Twas!)

I JUST REALISED TODAY I DON'T CARE ABOUT MY PHYSICAL APPEARANCE anymore. Yesterday I'd been so conscious of it without noticing it, because I'm 36 years old & my hair got cut short when I didn't really want it. Now it doesn't matter anymore. All that matters is you love me! And I love you! Paul told me how much you loved me & I don't feel like running around with everybody anymore. I love them tho', but I can just sit & watch & listen. (G-d!)

THANK YOU FOR TPE 2 which we just heard & all those precious instructions & encouragements to Simon, especially the part about picturing somebody, asking God for a vision of someone out there. Just as you talked it made me want to cry for that poor desperate lonely soul, lonely lady. And "Get Out 2" is such a relief to see how you really want us to enjoy life! I sure needed it, & I can already see the revolution it's going to make in my little Home in France (of Nano & Frank, both French brothers, & little 3½-year-old Catherine) in our caravan. LHUI Those slave-drivers must have had a big influence on us!—& you commanding us to enjoy life! Wow! Thank you so much, Dad!

THE LOVE THAT PAUL MANIFESTED TO ME FROM YOU & the openness of everyone here is really helping me to speak my heart—even if my heart needs cleaning! I know I need to change a lot too, Dad, I've been so hard, & I still often

am, but I want to & am thankful for your counsel to me to be sweeter & that I need to project love.

DAD, I REALLY WANT TO OBEY YOU NOW, & I feel we've gone so far back in France it's gonna take a strong hand to get us back on the right track with your Letters & love. In fact, I don't feel I've been in the center of God's will for very long, but like little I've been like a tea kettle ready to boil with the top on my head for 8 years & now my time is approaching. I saw that two nights ago when I was sharing with Jeremy who said it was nice not to have any questions about whether you are or are not in God's will, & I said, yes, how nice it must be! He really encouraged me by saying the Lord was testing me & preparing me during those years.

ILY & JUST WANT TO MAKE LOVE WITH YOU & get spiritual orgasms with you like your Tape 3 on "Little People" gave me this morning, when you talk about spiritual orgasms. Thank you for being so sexy! THE VIDEO "LOVING CAN BE BEAUTIFUL" is so beautiful. Thank you for all your beautiful counsels to make it. What a powerful way to set people free! It sure makes me want to get on the attack on my own weakness which is jealousy & encourage Daniel to share with other girls more. —Also, the revealing scenes of the Garden of Eden.

JUST AS I WAS WRITING YOU THESE LINES I GOT A PHONE CALL FROM FRANK IN FRANCE who lives in our Home there. He said on Monday the 18th at 6:00 there was a TV special showing pics of you, Joseph, Jeremiah, Simon, the FF Book & with someone so-called testifying against us. It was announced on the 1 p.m. national news & there was a big article in a horrible newspaper about it, so it's already started. (GHU!) DAD & MARIA, SO SWEET, I AM JUST CRYING as I am

writing you this, I feel so unworthy of it all. The love here is so much I could never pay you back. But I'd like so so much to do more for you than I've ever done!

I GUESS IT'S A LEARNING TIME FOR ME. It is true that I feel like a babe all over again after 8 years, & even tho' I never left the Family, never was tempted to leave, yet so much bad & wrong teachings were ingrained in me. Coming here closer to the Light is a big shaking of my past.

WHILE HERE I'VE HAD A CHANCE TO GET CLOSE TO SOME PEOPLE, like Jeremy with whom I'd been in the Show Group in France. We'd always liked each other. God bless him, he said he's prayed for me years ago when he saw how I was going thru it just coming out of Mother Eve's team & not understanding what had happened to me since I'd been sent there by the Chain & really wandered a way to conform. (I guess the Lord wanted to teach me a lesson & wash out some of that horrible letting come out!) (Sorry!)

ANYWAY, JEREMY JUST REALLY ENCOURAGED ME by liking so much a song that I got while I was in Malta. It's a song about you, Dad, & I hope you'll hear it soon if you haven't yet. It's called "Mocumba" & it's the words of the poem "Love there is that knows your father".

NOW WE WOULD LIKE SO MUCH TO HELP WITH MWM IN FRANCE & learn to work together like in Loveville. Of course, even that would be nothing compared to being a little while in your arms. Please forgive me for taking so much of your time. I miss your embrace. I close my eyes & I'm with you. Please, Maria, excuse me for writing more to Dad, but thank you for being the one who makes it all possible. ILY too! Dad, your love is what we need! I love love love you!—Your Mary.

"Tell Her She's Beautiful...!"

Love changes lives!—Thru seeing Dad on video & in being video'd for Dad!

From Hannah Happy: Dearest Dad & Maria,

GBY BOTH! SO MUCH HAS HAPPENED IN MY LIFE due to seeing your videos & working with MWM, that I just have to write & tell you all about it! The biggest victory & thrill was seeing the videos of you, Dad, & your beautiful dancing girls! Seeing these videos has brought me so much closer to you & the Lord. I think the thing that moved me the most was the shining lovelight in your eyes—such wooing, gentle, loving eyes & speech that just made me warm all over & melt in your arms! After seeing these videos there's been a revolution in my life. There's nothing like seeing the source! (Amen!—Jesus!)

ONE NIGHT AFTER SEEING ONE OF YOUR VIDEOS at the MWM camp, Paul showed some of the "Heavenly Housis" they had filmed there at the camp, & it was really quite something! Afterwards they were asking for more volunteers to come & do dances. Uriah, the VS, & Hosanna both asked me why I didn't do one, but I hesitated & hem-hawed around because I have some skin blemishes which I didn't think would be very attractive & inspiring.

A FEW DAYS LATER AT HOME AT THE LIT-PIC WE READ A ROUGH DRAFT OF "GOOD SHEPHERDS". Boy, after reading that I was determined to rise up & rattle, blemish or no blemish! I was just going to do it for you & the Lord! After all you had done for us, inviting us to come see the videos, the least I could do was dance for you in return as just plain gratitude! (GBY! Tks! LLY!)

THAT EVENING AT MWM WE WERE WATCHING YOUR VIDEOS, & after one of the girls had finished dancing it showed you watching them. I saw how much it meant to you & how much you really enjoy it & how much you really admire the beauty of a woman. That really encouraged & inspired me to go ahead & do it. (PTL! GBY!)

EVERYTHING WORKED OUT THE NEXT DAY TO COME with Katrina, the VS, & Greek Trust who were both going to dance as well. While we were waiting our turn Marianne suggested we listen to a tape, & guess which one it was!—Your talk on shyness! So that was a good prep session, & shortly after that we went to dance.

I HAD NEVER DONE ANYTHING QUITE LIKE THAT BEFORE so it was a new & exciting experience for me. But it was such a freeing experience! Afterwards I felt such a freedom & openness I never felt before, & I now see the Lord was working in my life to set me free. (Amen!)

THAT WAS REALLY THE BEGINNING, for a few weeks later they called me out to record a few more songs. We recorded "Beloved, Let Your Light So Shine", "How Wonderful It Feels To Be Loved" & "All Aboard". It was so much fun & I really enjoyed it so much! Jeremy, Michael & Solomon are really fun to work with, & I learned so much about song writing. As I was leaving, Paul asked me if I could come out to do videos of the songs the next day.

SO THE NEXT DAY I WENT OUT, & it was so exciting! I must admit, I was a little nervous but excited. We did videos of 4 songs & I believe each one got better as they went along. I really enjoyed it. I felt I was burning free! At first it was a bit difficult to see past the camera to

the viewing audience, but as we went along it came easier & easier & it was such a thrill to be able to pour out like this. I enjoyed it so much & would love to do more if possible. (Amen!)

I REALLY FEEL THE CHALLENGE OF THE CAMERA & would love to do more! I was so turned on & excited when I came home that the Lord gave me a new song called "Love is the power & light of God" & since then I've received two more! PTL!

TO SUM IT ALL UP, DAD & MARIA, these experiences I've been having at MWM (your videos, recording songs & being video'd) have helped me to open up more & let God pour thru me as never before. I feel as a channel of water which starts out a little trickle, then into a little stream & pouring more & more, getting wider all the time! So exciting! Such a thrill! I get such an education when I go out to the camp! So much to learn! I also wanted to mention how sweet, encouraging & inspiring Paul & Marianne are, GBT! I could go on & on about how thrilling & exciting it is at the MWM camp, but I will close for now. GBY both. We're praying for you & all the WS units in their up-coming moves! OOOX! Lots & lots of love, your daughter—Hannah Happy. (Beautiful! LLY!)

From Nadia: MWM secretary: Dear Dad & Maria,

ONE OF THE DESIRES OF MY HEART WAS FULFILLED RECENTLY when Maria asked all of us girls here to dance & strip for you, Dad. I've always liked what you said about every woman having her own individ-
