Much Love, Esther Q. - Europe (GBY/ILY!)

"In the last few months the Lord has been changing my life! How important love is! My wife, Naamah, & I & our 4 children are in Europe travelling in the van the Lord miraculously supplied!

For the first 2 1/2 years on the field here we were completely absorbed in the struggle for survival, singing in restaurants & making money for our existence but not really bearing much fruit for His Kingdom.

Although we were out of the States & learning a foreign language, we always felt a bit frustrated until recently when we just got desperate & really asked God for an answer. And He gave it to us - through your precious Letters! I opened the ML Vol. 7 to 'More On Faith', paragraph 78 - 'Watch out about any compromise or pulling your punches for advantage, for finances, for protection, for safety, for anything.' And bang! The Lord really began changing our lives! We were sitting in our little van parked on the street & the Lord began to speak to us through those Wonder Working Words!

Since then we decided to live the life of Love & have stopped working for money & are learning to work for the Lord! And, as you said, 'Those days of hard living by faith were the happiest days of our lives with a family of 4 small children, a family of 6, & those days on the road, living in the car or a tiny tent or tiny trailer but serving God full-time by faith & just trusting God from day to day for our food & our gasoline & our tires & our engine repairs & our housing & most of all for places of service where we could serve the Lord & do good!' (835:54). Well, now we're learning & growing! Thank God! Lord help us to follow your sample & His Words! We love you, Dad!"

HAPPY ARE THE CHILDREN OF DAVID!

"ILY so much & thank God for your sample & giving of your lives that we might live & walk in the light that He has shown you!

Since July I have been giving my life once again 100% in His Service. I am just so happy being whole-hearted & sharing

my life, all the way, with the brethren! In the middle of August we sent our first team to South America! We have put all our funds in one pot & are stepping out by faith! Now we are sending another team with needs & an extra month's rent to carry us through, and D.V., by the end of this month I will have raised enough funds to go too!

Miracles happened after having prayer at our last DAF! I was burdened because you are mad about MMM & want us to get it to the world & asked the Lord to forgive us & help us.

Later I wanted to go FFing at a famous Hotel here. I was only there 10 minutes when there were 3 businessmen sitting beside me & to my surprise they were with radio stations & told me a Broadcasting Convention was there! They were very impressed & interested in MMM so I returned the next evening with tapes & brochures & booking cards! They liked it & filled out booking cards for 2 stations! They treated me like a princess with nice meals & financial help for my children!

I gave them a sample of God's Love also as we all got so close. One man was having personal problems & received Jesus. He didn't want me to leave him & really wanted to be fed. All these men have become real friends! TYJ!

Three other sisters came the next 2 days of the convention to meet more contacts & were very successful. The

"Just a thought of you both & your dedication to Jesus brings tears of joy & thankfulness for how much you love us all," comments faithful correspondent Renata Rose - USA

last man I met has influence with 80 radio stations of which he feels 40 could be approached with MMM & knows several stations that are looking for exactly our kind of material!

I am going to begin working with him on this! What a miracle! I'm so happy to give my life & not just be thinking of myself! So please pray for me! I love you so much!"

Love, Renata Rose - USA (GBY/ILY2!)

"GBAKY! ILYSM and wanted to tell you about an unusual thing that happened to bring me closer to the Family & to be willing to be obedient to you.

I was fished in by my husband Philippe & I was a little rebel! I didn't know exactly what the Family was all about & I didn't know why I had to follow this MO! But one day I saw the lion on the Basic 144 Book in French & at this very moment I knew my place was to serve the Lord in this Family & to obey you, His Prophet! Why??

Because when I was 3 years old, I had several dreams that I could never forget of a lion walking on his two hind legs, repairing the car of my parents & always doing good things for us. I knew that one day I would have the interpretation of this dream & that it was going to have an impact on my whole life! TYJ! 'Since the beginning ye are with

me! ILY & send a lot of kisses!"

"The Unexpressable Love"

Dear Grandpa & Maria
I love you both so much
Ever since I felt your love
And the wonder of its touch

You've told me & I know it's the love of Jesus
Which you have so abundantly given to us!

It is just impossible that this Love could be human
As it comes from God & the Son of Man

How beautiful to have this love, what a gift!
And in words, I confess I cannot express
How, when I'm down it gives me such a lift!

Cures my ails & all the rest!
Wherever I go, I do not care
As long as I have this love to share

And share, I pray, that I will do
So that others may have this love too!

Love, yours truly forever
Forget you, I will never
Or this love so beautiful

Which I have, to the full! (GBY/ILY2!-D.)

Ex-World Council Friend Visited!

INSPIRING VISIT WITH REX DAVIS, A GOOD FRIEND FORMERLY WITH WORLD COUNCIL OF CHURCHES!

From Phinehas & Rebecca:

British Isles:

THRU DAD'S CONCERN WE

VISITED AN OLD FRIEND OF

THE FAMILY, Rex Davis, in

the cathedral town where

he holds a high position

with the Church of England.

He was very surprised &

happy to see us, as he had

not had contact with the

Family for some time, & he

was very interested in the

latest goings-on of our

work worldwide as well as

locally.

HE IS THE SUB-DEAN OF THE

HUGE CATHEDRAL & has a very

influential position involv-

ing important people all

over England & abroad. Still,

he can't help being enthralled

by our way of life--for

which it seems he holds a

special place in his heart.

MO IS HIS PRIMARY INTEREST

& he has for some time ad-

mired Dad's radical teach-

ings & ways of reaching

others for Jesus--not to

mention his unorthodox fol-

lowing who, to Rex's amaze-

ment are still going strong

& obeying the Letters.

AFTER FINALLY GETTING HIM

ALONE & AWAY FROM ALL HIS

GLAMOROUS HIGH CRUST OF

CHURCHIANITY, we found him

still confronted with the challenge & rivalry of God's real church, the Family--a better & far more real way of serving Jesus.

FROM HIS FIRST MEETINGS

WITH THE FAMILY & Faithy &

Ho some 8 years ago, he has

been compelled to write a

book about us. However, he

finds that each time he

thinks he has finished the

book we have had another

revolution; so he has had

to add another chapter.

WE LEFT HIM WANTING TO

SEE US AGAIN SOON & with a

MMM tape which he wants to

get on radio. He has been

helpful, & we pray he will

progress with the Lord in

helping us to continue to

get the message out.

BACK IN LONDON WE GOT TO

GETHER WITH ARTHUR & BECKY

who are continuing to make

regular appearances with

their children & thus make

contacts for support in S.

America. They really have

a good captivating show, of

which we have been taking

the golden opportunity of

videotaping so that others can

see the sample they are

living.

IN TWO 10-MINUTE PERFORM-

ANCES in Hyde Park they not

only raised funds but met the mayor of a large town in Wales & his wife, who want to receive their prayer letters, & they also met others who were very touched by the message & the beautiful-inspired children.

ALSO IN LONDON, we found

it so thrilling to see the

fulfillment & fruit of the

new Fellowship Revolution

where the Lord is raising

up new leadership thru those

who have been taking genuine

concern for the sheep in

real love.

THRU DAD'S LETTER WE ARE

SEEING THE FAITH OF SOME

REAL SHEPHERDS INSPIRED

to rise up & help unite brethren

in the large DAF of London.

This has resulted in the

much-needed organisation of

outreaches in witnessing

there, more use of manpower

in the right ways & projects

aimed at people leaving or

in need of help in any way.

WITH REGULAR LAFS, things

have really changed, & the

Homes in London have a much

closer family atmosphere of

sharing & mutual benefit,

thanks to Dad & his pre-

vision for all of our lives!

(Thanks to the Lord & you! GBY

all! ILY, my children!)

Becky & children perform & raise support in Hyde Park.

Friends Old & New Get In Touch!

DEAR FAMILY, I HOPE YOU'RE STILL AT THIS ADDRESS (GLP) but I won't get my hopes too high. I've written long letters & sent money to others in the Family, without answers.

I want to see someone from the Family again please! If you have any addresses in Oklahoma or nearby, please send me them or any letters from Dad. I've been trying to find the Family again for 2 years but so far nothing. Love in

Jesus, Duvel Gardner (GBY, Son! Welcome!)

DEAR FATHER, I AM WRITING TO THANK YOU FOR YOUR INSPIRING PAMPHLET, "REFUGE FROM THE STORM". Being a poor man, I cannot afford to send you a gift but

know that you will be glad to hear that I am praying for you. Bless the work of thy hand that thou doest. Yours faithfully, W. Matthews, Australia (Txs!)

WE'VE BEEN OUT OF TOUCH FOR ABOUT 3 YEARS. We kept up some contact with members of the Family. To make a long & painful story short, I (Jonathan) so ended up at the end of my rope,

that I could only let go of everything, & ended up in the arms of the most wonderful love I have ever experienced. My head's been whirling & my spirit sailing with visions. The Lord has dealt with me in such a way that I must cling to utter simplicity so here goes:

I have seen the lovelight & I'm swimming towards it.

I am the prodigal trying to return home.

Dad, I have doubted, please forgive me. Jonathan, (Welcome, Son!)

PS. I am now learning what love is, but the fear is still great. Please pray for us. Thanks. (North America)

H! GOD BLESS YOU ALL IN YOUR WORK, & ESPECIALLY MO! We were just reading about him in the Bible to-

night & sharing just a few of the many verses about him & his ministry! I can't tell you how privileged we

feel to even know such things at this time, when it really isn't nec-

essary for everyone to know. Years from now, during the Millenium maybe it's ok & everyone will need to know to catch up on what happened to change the World! (AMEN!)

If the Lord was a respecter of persons, in so far as knowing the Truth is concerned, then we'd probably be right down there at the tail end of the list of those who should.

But since He ain't, we don't have to wait to die & go to Heaven to find out about Father David & the things he's given to say & how important it is to the destiny of the world (& to the Lords people in particular).

God bless all of you who have stayed on through thick & thin to keep the vision & the presses rolling. The new children coming up have your example to help guide them, by God's Grace.

The very best way to train up a child in the way he should go so that "when he is old he will not depart from it" is to be an example -- a sample, not a sermon! (Amen!)

We are about to hit the road for the summer in preparation for going overseas. We want to litness, FF & just begin with what we have retained of our training, which ended with our backsliding in 1978. We have 4 books & extra letters above the 600's, but not many. We haven't many letters & things for the kids, & we have no tapes of music or letters & want to have

what we are eligible to have of these things, if possible. We're ashamed of ourselves for laying down on the job, but we're not dwelling on it & would just as soon forget those things & hope the Lord does too, & just get back out there & fight! (Welcome Home!)

A new disciple, Debbie, & I passed out lit today at the Zoo with 1 of her 2 daughters, & won 2 souls! Hallelujah! So God is working here, & we really & truly want to fall immediately in line with what He has planned.

Please pray for us to be good samples & to win many & get them

Phinehas & Rebecca's children visit the cathedral where Rex Davis is an official.
