PIL! HE MEYER FAILS! A national girl joined our team in February, bringing new blood to the work. Also, the Lord gave us a knew disciple, born here, 5 she's 2 years old now!

WE'VE FOUND THAT TEACHING IN SCHOOLS is quite an ef-ficient way to reach people here, teaching the kids the way of the Lord as well, & also supports us finan-

cially. SINGING IN RESTAURANTS. ON RADIO & T.Y. proved to be the most efficient outreach, the most efficient outreach, & me can now see fruits from it in FFing, soul-winning, etc. The Lord is giving us an average of 50 souls per month & a very good open door for HMM. And recently a prodigal former disciple came back home at last. THE UNSTABLE SITUATION HERE IS MAKING PEOPLE BE MORE RECEPTIVE TO OUR MES-

RADIO & TV OUTREACH HELPS REAP DANGEROUS MIDEAST COUNTRY!

From Pierre; The Mideast: WE WOULD LIKE TO PRESENT TO OUR DEAR FAMILY A SHORT ME MOULD LIKE TO PRESENT TO OUR DEAR FAMILY A SHORT HISTORY OF THE WORK IN THIS COUNTRY. It started with Faithy when she came with a team to pioneer here. That was my first contact with the Family & the Mo Letters, & I knew then that that is where I belong.

THE FIRST TEAM DIDN'T STAY HERE LONG & was thrown out. But at least the seeds were planted. Since then our Family has learned a lot about how to carry on in such places as this.

THO YEARS LATER, I met the Family again & decided to join in April 1975. Then in summer of 1977 the Lord opened the door again here, but because of the political situation we had to leave again.

Learning How To "Take It"! The blessings of chastisement!—"The time will come, & you'll know God was right!"

From Toni; Thailand:

From Toni; Thailand:
Dearest Dad & Maria,
GBY IN JESUS' PRECIOUS
NAME! I've been thinking about writing you so often lately
to share belated lessons from
your Letter to me, "The Girl
Who Wouldn't". When the Letter was first published I was so
emotionally hit with it that I'm
sure I didn't learn half the lessons that you & the Lord were
trying to teach me, but now that
almost three years have gone by
I'm reaping deeper lessons than
ever before, TTL!
I WANT TO THANK YOU AGAIN & from my heart tell you

I WANT TO THANK YOU A-GAIN & from my heart tell you how much I appreciate all your love for me & the chastening with which you dealt with me. After reading "Healing in His Wings" today it spoke to me so clearly about how just & true are all of God's spankings. The "fiery furnace" really is God's tool to make precious gold out of our faith if we can only take it. I pray so earnestly that my faith can stand any test, trial or

faith can stand any test, trial or

chastisement He sees that I need, to make me His vessel.

I REALLY BELIEVE IF I HADN'T BEEN CORRECTED IN SUCH A SHOCKING WAY that my faith would have gone by the wayside. I really know now how it feels to need so much mercy of the Lord, you & the Family, because you really realize that there's not one good thing in you & how totally you must surrender to Jesus & His loving Spirit. I'll try to sum it up with these few quotes: "BUT WHATEVER THE REASON ALWAYS REMEMBER WHATEVER GOD DOES, HE DOES IT IN LOYE, & all things work together for good to them that love the Lord 'Ro. 8:28). God is not going to let anything IN SUCH A SHOCKING WAY

God is not going to let anything happen to you, His child who

loves Him, except what is for your good... Well, I daresay you finally found out sooner or later finally found out sooner or later that somehow or another it was good for you.—Or will yet!...So even troubles or tribulations are good for us...TTL! God knows best! And even tho' sometimes it may take weeks, months, or years before you know why, the time will come, & you'll know God was right & did the right thing!" ("Healing in His Wings" 3)

IT SEEMS MY PROBLEM IS ALWAYS THE OPINION OF ALWAYS THE OPINION OF MAN, LHMI Since my first Jesus baby which really helped bringt me thru in some of my derkest hours (even before she was born).

I now have enother Jesus baby who is half-Thai (our first Thai Jesus baby in the Family)! She really looks Thai, which is really a bottle-breaker, or should I say pride-smasher, as neither I nor my mate look anything like her.

Please pray for me as I'm getting

some real victories learning to accept & take what the Lord has in store for me, knowing that "al things work together for good to them that love the Lord". PTL FOR HIS WONDERFUL

PTL FOR HIS WONDERFUL WAYS! As my 2-year-old loves to sing: "Jesus" love is very wonderful!" It's such an exciting time in the Family to be raising children! Thank you so much for all the Lord's precious words that we need so, to stay on the straight & narrow. We need you so much! GBAKY. Love always in His service.—Ton!.

We're very inspired to heer about
the Flannelgraphs being done in

"These letters were so heavy & are still really changing my life & having a great effect on me. Esther's problems hit my problems right on the head, tool really want to thank Esther for repending & fighting & that she is still going for the Lord—as it encouraged me so much that I. encouraged me so much that I, too, can still make it. And, as too, can still make it. And, as Exther thanked you, Dad, I also need to really thank you with all my heart for turning the light on for me, too. God help me to walk the straight & narrow path that leads to a higher crown. I don't think I've ever appreciat-ed your Words so much Dad since that series of Letters came out to help change me.
