

for the Russians via spy satellites, that is, they take photographs (of a highly detailed, very clear nature). In fact, one of these stations went to 'red alert' after photographing Russian troop movements in Afghanistan. They also keep an eye on Russian military nuclear bases. These American surveillance bases would be destroyed in the event of a war, from 2 areas by multiple warhead nuclear missiles. From bases in Siberia &/or Russian submarines based off the coast of Australia. Only one multiple warhead missile is needed, since one of the rockets contains 10 warheads. As far as is known 3 are tagged for Australia & the rest for S.E. Asia. (That's 1 missile with 10 warheads.) Since these American bases are in very isolated parts of Australia, the only effect of a war on Australian cities would be fallout, as it's only these bases the Russians need to knock out. Also, Darwin is now an airbase for the American super bombers. Also, during the Afghanistan crisis, the Prime Minister expelled the Russian Ambassador who threatened Australia with nuclear retaliation if Australia continued on its path with the U.S.A. (Tks Jered & Love Heaven; Australia).

"REFUGES was really so true! We had a little country house for a year & we hardly accomplished anything in the way of witnessing at all, although we did learn a lot of personal lessons, especially in our marriage. But it was really a 'Moses in the wilderness' experience. LHUI!" — Kenez & Sharon; N. Europe.

HK GOOLAGONG: "For quite a while we really wanted to have a change concerning the field in which we are in now. When the letter, HK Goolagong came it was for us such a confirmation. TG for Dad! Now we want, D.V., to go to Indonesia. The harvest here has already been gathered for most of them

& there are only 14 million people here, as opposed to 140 million people in Indonesia." — Esther Moonbeam & Andre; Aust.

ILLUMINATI: "One faithful king-fish was witnessed to about Masons & Illuminati. Afterwards came the scandal in Italy & it blew his mind that we told him before!" — Daniel Mountain & Etelle; Pacific.

GOOD SHEPHERDS: "Our greatest victory has been receiving & following this new Letter which has been the answer to so many things concerning our ministry & working out what's best for it & the children. Little David is being taken care of by Chris & Ready at their caravan site. Also, the Letter is so right & true about everything Dad saw! It is daily changing our whole situation & we find it a complete miracle & such love from the Lord to reach out to our difficulties in such a direct way. We are so grateful & honoured & convicted to fight for the standard that the King expects." — Phineas & Rebecca Water; English V's.

REFUGES: "It's still having such far-reaching effects here in Australia. I have rarely seen such an amazing change in so many people. It is like some sort of 'spell' has been lifted & people are just coming to their senses. TG for David!" — Hazeleah & Leah Livingstone; Australia.

REFUGES: "Gave us the needed boot in the ass to get out & die for Jesus. It was so needed for everyone here in Australia. We've all been off the track in so many ways. TYJ for forgiveness & a new start." — Abarim & Charity; Australia.

MAG 39 & REFUGES: "We received Mag 39. Wow! What a bomb! TTL for such a needed change. We forsook all our freeze dried food (16 cases) & all our survival gear to Paul & Tirzah who are going to Hong Kong.

They sold it all & it was enough for their fare. TYJ! We plan to leave Aussie as soon as our baby will be old enough to travel. (Baby due in 6 weeks.)" — Bart & Rene; Australia.

HONG KONG GOOLAGONG: "Fantastic letter! It answered so many things we had been wondering about. We desperately prayed for the house we are living in & anointed everyone with oil. We believe that the horse that kicked our 2 yr. old son was a revenging spirit as we had found out that a person who had come to live with us was diagnosed as schizophrenic. We counselled with him that the simple love of Jesus was the answer to all his problems but he totally rejected it & became violent & we prayed him out. It was a real battle in prayer. About 2 weeks after that, the animals began to change. The rooster attacked our 2 yr. old & one of the horses tried to kick Zach & then one kicked our 2 yr. old in the head. PTL for His mercy & protection as the accident was very traumatic, but the Lord did many miracles & really encouraged us & our faith was a real testimony to many people. TTL!" — Zach & Esther Malachi; Canada.

NEW LETTERS: "Dear Dad & Marie & all! I just felt compelled to write today & give you an extra big thanks for all your help, love & those new Letters! It seems we're being given so much these days being in the Family. It's just amazing! All the mags, tapes, books, etc. It's so much more like a real Family now compared to the way it used to be... & of course all due to you, Dad, your courage to give us what we need. You're so young, so free, it absolutely confounds me! ILY all, & just want to add a special thanks for the new Fellowship R.I. We sure needed it, & I think it's going to cause a big change in our worldwide Family! I'm so glad to be a part. It's wonder-

ful & exciting, & just the beginning of what's to come! I can't thank you enough with words. Wish I could kiss you all ILY!" — Mary Glascoe; U.S.A.

REWARDS: "I'm very glad to have read this letter, because I mistakenly always have been of the opposite opinion." — Birthe; Scandinavia.

GOOD SHEPHERDS: "Dad's discernment is incredible. We both know the couples very well & we felt the couple Dad chose to VS deserve every word of high praise that the Lord gave them. Their sample with their children & with the family is one of much love & kindness & self-sacrifice!" — Joseph & Lamb; Orient.

"THANK YOU!" (POEM BY VS IN S.A.): "It sounded like it was written just for me. Up to now I didn't think I had to say thank you, because I thought the other person would understand. Reading this poem really convicted me & showed me if I don't say thank you that it is just my pride. GBH!" — Ruthie; Pacific.

APPRECIATION: "Absolutely fantastic & inspiring letter! One that we both needed—it really helped us in our personal lives." — Timothy & Abigail; Pacific.

"Because of 'APPRECIATION!' we decided to give the VS's a love gift." — Steve & Sharon; S.E. Asia.

APPRECIATION: "This is one of the sweetest letters we have read. Sooo good! It is saving our marriage!" — Gabriel & Shalom; S.E. Asia.

MAG 41: "This past month I was thinking I would like to hear some testimonies about visits with angels & then when the new Mag 41 came out—there it was! TYJ! I've heard one testimony where a sister in the Family thought she lost the fear of God & so she prayed for it to return. When she was in

bed that night, she looked at the end of her bed & there was an angel standing there looking a bit stern at her. She jumped under her blankets & the fear of God returned! PTL!" — Benjamin & Rachel; U.S.A.

"ROTTEN APPLES" is so true! How easy it is to think that our children who are saved are exempt from such attacks of the enemy. One of our children was oppressed by the enemy several years ago. Until we really prayed & rebuked the devil & the evil spirit which was oppressing him & then got tough, he of course, didn't get the victory! We also see the need to continue to rebuke that spirit, as it tries to come back & bother him. Although, thank God, he's not violent, rebelliousness is no light thing." — Dale & Sharon; U.S.A.

KID POWER: "After working with children on skits & dramas for years & reading many publications & books on the subject, I found Dad's letter 'Kid Power' to be of insight. It really hit the nail on the head & I'm sure it will be a great help & blessing to many when performing with their little ones." — Anthony & Joy; Europe.

TK BOOKS: "The Comic Books are beautiful! It's so nice to sit at night & mornings with the kids & feed them from these TK's. They like them more than the movies & it sure makes 'Daddy Time' more fulfilling for Daddy & kids." — Ahimelech & Patience; Europe.

TK VOLUME 2: "Beautiful & dynamic! Really illustrates important & convicting parts of all those Letters. Exciting new artistic talent. The whole book itself is a real work of art & a real work of love!" — Uriah & Katrina; Europe.

SEX JEWELS: "Really was glad to see this Letter as there are still many sisters around who won't share with the brothers. It's quite common to hear, 'That's not what I need right now!' But I always think about the brother, what do they need right now? It's also common for some sisters to want to only share with fish. Well, I think we have the sweetest guys in the world here, & we all have so much in common: Jesus, Dad & our Family & that sure beats anything that the men in the world have, so it should be a real joy to share with them! TYL for the brothers!" — Nathan & Daystar; U.S.A.

A happy Japanese Family going strong for the Lord! Back, left to right: Rachel, Timothy & Loumore, with in front, left to right: their lovely children, Al (2), Shalom & Kasey.

LOVE & DISCIPLINE: "Tks for putting so many photos from brothers & sisters all over the world. It's so encouraging to see them. One article which was a great help for us was 'Love & Discipline' by Ho. It has been really helping us to know what to do in certain situations. We would like to hear more of these testimonies of how Dad raised his children." — Peter & Rachel Acts; Europe.

TK VOLUME 2: "The second edition of the True Komix is even better than the first. I really loved MC 27. Hearing the way Dad puts things & emphasises things adds a new dimension & makes the Letters more understandable & alive. The subject of the tape was really nice, & I'd love to hear him talk all day about discernment, people's characters, & what he has learned from episodes in his past." — Elias Astor; British Isles.

ABIDE IN YOUR CALLING: "It really set me free with new convictions to FF again, besides being a mother of 4! The day I went out with this new conviction I was able to land one of the biggest fish I've ever met! TYJ! TG the Lord always confirms the Word of His Prophet!" — Susanna & Adam; S. America.

MAGS: I haven't been in the Family very long & haven't seen too many FN's, but this one really touched my heart. I loved the testimony of the prodigals & Simon Peter's testimony! Also the letter, 'Abide in Your Calling' was a blessing. I was kind of bothered because all I could get for work was cooking & cleaning jobs. I now feel good about my job as a janitor. The world would be awfully sloppy if it weren't for us little people." — Matthew; U.S.A.

LOVE & DISCIPLINE: "Ho's Chapter 3 on Love & Discipline was such a blessing. Rosie (3) always loved 'shiner prizes', but we didn't want to 'bribe' her in

certain matters. But due to Ho's comments about Dad on rewards, we offered a few & she is now learning many long verses & quotes compared to easy ones. And after having months-on-end pee-pee accidents, she now has none. We told her she could pick out her own reward if she would stay dry for a week." — Jonah & Rainbow; U.S.A.

MAGS: "What can we say? Everything we receive is so FANTASTIC! The testimonies just feed us so much & encourage us! The testimony that Singing Sam wrote just broke my heart & I cried all night. I can't even read it without crying. TG he's come back & TG the Lord is bringing many more prodigals back into the Family!" — Shimi & Atemeth; U.S.A.

APPRECIATION: "Right before reading this letter, we had just told each other for the 10th or 20th time that we would be better off if we would just split up, 'cause we only see each other's bad points. While reading it, the Lord completely turned our attitude around about each other & we are actually falling in love again! TYJ! Love truly has an extra spiritual eye that sees the good & possibilities that others cannot see!" — Aran & Gentleness Fidler; Canada.

"THE PRODIGAL SON TESTIMONIES broke my heart & made me very desperate in prayer for Nahum Nail who is somewhere lost out in the system, in the U.S. Anybody know where he is?" — Ahlai Hofer; U.S.A.

SEX JEWELS: "You can never talk enough about it, Papa, because it's one of the nicest things in the world when done in love!" — (Sorry! Name got lost.)

"When we read 'BLESSED ARE THE DEAD' it gave us a victory over any fears of the future." — Luke & Naomi; British I.

HO SERIES: "Dad, if you ever think that you shouldn't

publish things like Esther's problems—don't, because it really has borne fruit in my life & I'm sure it has in others. Love you for always!" — Maggie; U.S.A.

APPRECIATION: "So needed! It's a comfort to know that Dad believes in such an outward show of affection! Such an opposite to the chain's ways." **SINGING SAM'S TESTIMONY:** "So touching! If God can forgive him, surely He can forgive me! A great sinner, a great repent! GBH!" **ABIDE IN YOUR CALLING:** "It's encouraging to know that the experiences we had in life before we knew the Lord, He can turn around & use for His glory!" — Crystal Hope & Naphtali Fidler; U.S.A.

HO SERIES: "I was very impressed about how MO exhorted his children & it was really convicting. GB Esther, for the way she took that rebuke—what a sample of humility & repentance." — Mary & Israel; U.S.A.

THE SHEPHERDESSES: "After reading this I was more encouraged to FF because I saw the good examples of Beatriz, Sofia, & the FF's in Spain & their fruits." — Daniele & Sweet Light; Europe.

WHY DISASTERS & BLESSED ARE THE DEAD: "These were so deep & encouraging & inspiring. Dad's explanations of these mysteries of life are so much simpler, wiser & uplifting than the ungodly philosophers & theologians. Neither are they the dogmatic answers of the narrow-minded, but open, honest queries by God's anointed! GB M&M!" — Benjamin & Blessing; Canada.

"GOOD SHEPHERDS" really shattered some of my preconceived & churchy ideas about what a good person 'must' be. It set a standard from the 'love' do nothing & hurt nobody' ideas I had to the real values God looks at." — Isaac Smile; Can.

NUCLEAR NIGHTMARE: "I really like those compiled letters meant for us & the GP. It helps to really understand the subject in all its importance!" — General Revelations; Europe.

FRENCH PUBLICATIONS: "Dear French LIM, We are sending another request for French Word. We are so grateful to you for your faithfulness in sending some to us already. It was approximately 250 'Thoughts from MO', 300 'Real Love', 50 'Sharing Real Love', 'Daily Might' & other MO Letters. We had given them out so fast that we have only a really few left. All of the French Word was given out to Russians, Rumanians & East Block people. I believe that behind the Iron Curtain just one little book will roll in the many hands & hearts there, not only to him with whom we shared it, but the Words will be shared with many, because the people are very, very hungry there. Without your help we could not have reached a lot of people. The little booklets like these listed above are the best to pass through the tough borders of the Iron Curtain, instead of giving to somebody 10 different MO Letters that will look like they are going to distribute them. One little booklet will do better. Is it possible that you could send us some more as soon as possible? The sooner, the more people reached!" — Matteo by the Grace; Europe.

MAGS: "The new mags we have received this month have been a tremendous blessing & great inspiration for us. Although having read all the exciting Letters, we are still reading all of the many tips, testimonies, reactions & WN, etc. To us the LNF at the front of the Mag are very important containing much needed advice on current & new moves & policies. Also, Dad's comments on the individual news briefs are of great impor-

tance to us as they give his reaction to what is actually being done & practised by our worldwide Family. The continuing story & testimony of MWM has been very inspiring & thrilling to us. It is so exciting to see so much being accomplished & the many returns & victories of these very special channels that the Lord has chosen to produce MWM. It is a constant reminder to us to seek to be used to the fullest by the Lord while it is yet day." — Mosera & Patience; U.S.A.

HENRY & THE CONTAINER: "Hal PTL! It really turned us on. We've had chickens too & got the parallel. Here's some more: 1) Sometimes a hen sits on eggs, then forgets about them for awhile & wanders off & they don't hatch. 2) If they get out

of line & wander off, they'll eat your growing garden. 3) Roosters get very cocky sometimes & crow a lot!! P.S. Helpful Hint: When they're too old to lay, do boll them before baking or they're too tough to eat!" — Peter & Robyn; Australia.

TK "JUDAS": "Last night I read 'Judas'. It was really a revelation. It shocked me to realise that I couldn't go on living this way. I just have to live more for Jesus, the Family & others. Working with the Family in more personal contact is the solution. I certainly don't want to become a Systemite." — Enok; Scandinavia. (Just started reporting again!)

"CHILD PSYCHOLOGY" is great & a real eye-opener. As we're all children of God, all can learn." — Ezekiel; N. Europe.

"The lesson I learned from 'GOOD SHEPHERDS' is to really watch the garden of our own hearts." — Ingrid; N. Europe.

ISLAND SECRET: "Was right on for Singapore & confirmed everything that we had gotten from the Lord here. God's timing was perfect as recently some unwise people were coming in from outside fields, disregarding counsel—litnessing openly & endangering the whole work here. Thanks Dad!" — Rebekah; S.E. Asia.

ISLAND SECRET: "Was so encouraging for us & our escort work here. It's really incredible to see how the Lord told Dad exactly the spirit of Singapore, without his ever being there. The government is so polite on the outside, even when they're deporting you. It's all done 'nicely'." — Zebadiah & Shiloh; DAS's; S.E. Asia.

ISLAND SECRET: "Being in that area, we know how appropriate the warning is & appreciate Dad's insight." — Daniel & Lisa; S.E. Asia.

ISLAND SECRET: "We feel it it's a real balance to the openness
