

of the Fellowship Rev. In the same Mag—especially in countries like ours which demand a lot of carefulness or our stay would be prematurely ended.” —Michael & Joseph, S.E. Asia.

**HONG KONG GOOLAGONG:** “So sobering & a real victory to me! This, too, is a dark country with a long history of nearly 5000 years & much of it with evil spirits through their pagan religions. It showed how much we really have to fight the enemy & that we don’t even realise it—that these oppressive spirits affect us—we just think it’s our own out-of-it-ness or whatever, but it’s a spiritual battle! What a tremendous victory we have in Jesus’ Name!” —Simon, S.E. Asia.

**REFUGES:** “So true & fitting for Australia. I can see the fruit born from it already here! When I was in S.E. Asia our support from Australia went down to almost nothing when everyone started off on the refuge kick!” —Nathan & Angel, Australia.

**FN:** “God bless Charan for her good caravaning ideas. The pull string bags for the kids’ socks & underwear have been a real blessing. Also, thanks to Mrs. Good for her loving advice on etiquette & manners. There is a real need for Americans living abroad to learn these little courtesies.” —Heph & Sara, Europe.

**TK VOL. 1:** “It’s beautiful! My daughter, Ivana (13 years), who has not yet read all the basics, loves this book so much & it’s really feeding her spiritually.” —Rosy, Europe.

**FREEDOM FROM FEAR:** “When I first read this letter, the Lord really spoke to me through it about my getting very angry with my wife & so frustrated with her that I would hit her. Lord help me! This caused a real dead end & lack of communication in our marriage. Also, our little boy seemed disturbed at

night in his sleep & would wake up suddenly crying. We had prayed for him previous to this, but he was still having this problem sleeping! We had never related it to my problem of getting angry, etc. But on reading ‘Freedom from Fear’ the Lord showed me that I was being oppressed by a bad spirit & this spirit was also oppressing Samuel in his sleep, especially just like the child of the sister in ‘Freedom from Fear’! So, as well as this, the Lord gave me James 5:14-16. Lord help me for not obeying instantly, but finally a few weeks later the Lord really convicted me about my spiritual condition & relationship with my wife. Even though I was a litenshing shiner, etc. & winning many souls to the Lord, I did not have love for my wife & this was a very unyielded part of my life. ‘Without love it profiteth nothing!’ (1 Cor. 13). So I finally called for prayer & everyone in our home laid hands on me & prayed for me & rebuked the spirit oppressing me. TYJ! It was such a victory & set me free immediately after prayer. I felt so much more at peace & happier, like a heavy burden had lifted from me. And our little boy has been sleeping undisturbed now. TYJ! It really broke me to realise my rebellion & sins were harming him so much, too! Lord help me! Now I’m doing much better & don’t hit my wife. GB her for sticking it out with me & for forgiving me. TY Dad so much for all you share in the Letters, as your Letters set us free!” —Gilled Wildflower, Pacific.

**PRODIGAL PRODIGIES:** “Wow, was it convicting! We didn’t know where to look. It took us 3 or 4 sessions to get through it as we have little babies, but as we got into it, we couldn’t wait for more. It showed Hannah & I how that selfish system marriage thing can cause so many problems & of course

it spoke to us about having more family sex. Getting together as a Family over the Letters really puts light on the thoughts & intentions of the heart. When you share them with someone other than your mate it makes you responsible to obey them in the lives of other people. When you share the Word, it makes everyone equal. TYJ! (Ac. 2:44) Loyalty to Dad & Maria & the Words was a big lesson. Instead of covering for your mate, being honest. Letting go & letting God have His way with us. The theme through this letter & ‘Problem Cases’ to me was the Words & the work first, your private relationship is not of the Lord. You need to be honest & have your life open to others. GB Dad & Maria who have let us look inside their bedroom, as did Sally, who let us walk right through her life. She’s now free from having to hide it. These lessons are so needed as to what’s expected of us. Thanks again for such a needed letter.”

**THE UNGUARDED MOMENT:** “That’s sure how we’ve been exactly thinking. ‘How could they?’ ‘I’d never do that!’ This seemed the answer to all these Letters about top leaders defecting. Better stay close. We were always asking how they could have done it being face to face with Dad & Maria. Now we know! TYJ!”

**SEX JEWELS:** “Inspired all the girls & all the boys! We have to read that one together! Hal! We’re still getting through this Mag. We really love you guys lots & lots!” —Paul & Hannah, Aust.

**PROBLEM CASES:** “Really helped us to see how damaging & unedifying a critical attitude of others can be, as LHU we have developed somewhat of a critical spirit as VS’s in the US the past 2 years & seeing so many problems. D.V. we really want to change in this area. Also it helped us get desperate about a few bitterness that we have

let creep into our lives & we’re getting some good lasting victories.”

**NEW YEAR’S PRAISE:** Thru reading this letter we felt we were right there in Dad’s home & saw & felt such a dedicated, humble, loving, sweet spirit from everyone, which made us want to really forsake all & change & try to follow their sample & even more the sample of our Shepherd & Shepherdess. **HO & ESTHER SERIES:** These letters have so specifically & amazingly hit the nail on the head for many of the sins & shortcomings in our personal lives that at parts of the Letter we feel we can almost just fill our own names in. Thank you so much for the spanking & the exposure as our hearts so desperately want to be clean & right with God & we truly do love & want to follow closely every step of our dear faithful & loving Shepherd & Shepherdess.” —Adam & Carmel, U.S.A.

**DARK FOREST TK:** “The letter ‘Dark Forest’ in the Comic Volume 2 really hit home. We now really want to leave. We are going to sell our caravan & maybe our van, too. Thanks so much to M&M for telling us over & over again. We finally understand!” —Matthew & Susanna, Europe.

**THE HO & ESTHER LETTERS** really helped me in my own life; cleared up a lot of doubts; excuses for not obeying the Lord; helped me to get an all-over victory in my heart. Being in the Family since the beginning, sometimes just ‘floating’ along, these last few Letters have really sobered me up & opened my eyes to where I’m at, too. Lord help me! You’ve always been my first love. How can I forget when you looked into my eyes & reached down into my heart & kept me close to yours forever! Wow! Lord help me to be faithful with the job you’ve given me to do over here in my little part of God’s plan. I still

wish sometimes that you would have let me be your little ‘house-keeper’ in the Ark at Laurentide, even though I did enjoy working with the girls in the ‘Rib Cage’. My heart belongs to Daddy! But first to Jesus of course! I still love you so very much Dad & Maria. Thank you for everything!” —Tabitha & Justin, Canada.

**“TK VOLUME 2** is a real blessing & a tremendous help in my artwork.” —Simon, S.E. Asia.

**TK VOLUME 2:** “Beautiful! Just what our children need! Us too! We all read it everyday! Terrific to help new disciples read the key points from all the letters! A pub Rev.!” —Ruthie, Orient.

**“TY FOR VOLUME 7,** the Tapes & the Komix! You are making it easy for us to be good missionaries—GBY for pouring out!” —Jordan & Joy, S.E. Asia.

**ROTTEN APPLES:** “Will be a great help to several situations we

have seen in the past & gives us more faith to sock it to ‘em (our own kids) when they need it!” —Job & Tirzah, Australia. (Parents of S.)

**TK VOLUMES:** “A great inspiration & a simple way to glean over the letters & to use for babes, children, sheep & fish!—TTL! GB our artists!” —Habakuki, S.E. Asia.

**TK VOLUME 2:** “Now we don’t have to worry about any Komix we may have missed—also gives us new Komix to pub for GPI!” —Jeriah, S.E. Asia.

**TK VOLUME 2:** “Has especially helped the children to also get to know the Letters better & to help the older children read better.” —Aaron Quixote, S.E. Asia.

“Seeing our various pubs come out in such beautiful VOLUMES & in such concise, easy-to-digest form, really inspires us to read & study more. GBY!” —Adam & Mary, S. Europe.

“We love you & pray for you!” say Shangri-La & Emanuel, DAs’ in South America. Their children are (left to right) Tamar (1), Daniel (4), & Heidi (3).

**“I LOVE READING TESTIMONIES FROM PEOPLE WHO HAVE VISITED MWM & saw a real sample of true, communal living & sharing & loving. A sample is so much better than a sermon. When I read about Loveville, it makes me want to have one right here. We made a tape to send MWM which we all helped with. Israel had not written many new songs since. ‘Why Couldn’t There Be More Love’**

**KID POWER VIDEOS:** “Our little ones (ages 1½-2½) really join in on the KP video. Our 2½ year old knows all the songs & the skit & has started to sing with ‘her microphone’. It’s so cute! They all shout, ‘YES!’ when Daddy asks if they want to watch KP. Please do more KP’s & videos for children! Our 4 love them & the video has answered our prayers for more fellowship, inspiration—and now it’s even a childcare helper at times! Hal PTL! TY Dad for inspiring us about the videos. They’re part of our spiritual food now.” —Zaccheus & Katrina, Orient.

“What a super thrill to get Mags! It’s like Christmas every month. TYJ! We’re so thankful! This month had extra excitement not only from the multitude of MWM tapes, but from Wild Wind the GARDEN OF EDEN SERIES! We would like to thank you, Dad & Maria & all of the precious Family who have made possible all of the

written Word (Mags & pubs), the spoken Word (Word & song tapes), & the seen Word (videos). These 3 are 1! Hal GB your faithfulness! The kids are growing by leaps & bounds with explicit instructions in the way of the Lord through the mighty pubs of basic words, stories, flannels, skits, etc. Thank you! Thank you!” —Bette & Ruth Boat, Pacific.

**MWM TAPES:** “We purchased a cassette player at the beginning of the month & within a few days, all the children could talk about was MWM—the songs, the singers, everything about it. They are totally engrossed in the tapes. PGI! What a victory in our home. They’re being literally brainwashed & loving it. What a welcome, needed, combative, demolishing effect it’s had on those system influences they get hit with at school.” —Paul & Laura, U.S.A. (PTL! But it’s almost unbelievable that u haven’t had one all this time!)

“Our favourite this month was the exciting GARDEN OF EDEN TAPES. It really inspired us & gave us the real Spirit of God through MO & also showed

us how beautiful & natural nudity & sex are, just the opposite of what we have been taught all of our lives until joining the Family. TYJ! WLY!” —Josias & Smilie Allen, U.S.A.

The tapes are incredible, blow our minds, keep us moving! I was so excited to hear Singin’ Sam is once again in the army, full-time again for the Lord! He has always been my favourite musician & on top of that he sings in my range. Most of my songs I get to play were received by him. I’m so thankful he has returned to the fold! GBY Amminadab! WLY! KGFG!” —John & Dove Beloved, U.S.A.

of Word being poured out to us. It’s almost more than we can hold. We love it & especially the most exciting thing is to be able to hear it straight from Dad himself, which just really brings across his sweet Don Quixote spirit so clearly. It just really rejoices our hearts to hear his voice! We are so thankful for the Revelation series as we had really been praying for more Bible classes, but wanted to get it right from the right source, so these are a real answer to prayer. **“THE MWM TAPES** that we listen to constantly have really become so much a part of our life. I’m continually thrilled over & over by the same tapes & when the new ones come I’m amazed all over again. In the system I was a real music lover, but it left such an emptiness. Our heavenly music with its message of love just really inspires me. We’re so thankful to be a part of this Family. God bless you, Dad & Maria for loving us so much.” —John Beloved, U.S.A.
