

Sweet French Beatrice who recently joined the Family here. She was a good architect & is now busy using her art talents to make posters & banners for the outreach. GBH!

Paul, an engineer from Bombay, who's known the Family for a few years, has started TRF'ing & going out witnessing & litnessing in his free time & we've just heard that he's leaving his job to serve the Lord full-time! PTL! There's so much more potential here, fruit waiting to be picked!

ALSO HELPING PAUL & VIVIAN with the English outreach, is David, who joined out here 5 years ago & Beatrice, a French architect, who David met 2 years ago, and recently dropped out into the fold of David to serve Jesus full-time. GBH!

WE HAVE SOME VERY GOOD LOCAL TALENT HERE among the precious nationals & recently they had the opportunity to sing at some concert/fairs in the city, where they soaked it to the local youth letting their lights so shine. Many souls were saved afterward

through personal witnessing with lots of lit out too. TYL! It was a real musical explosion & many of the sheep that were met attended the COL the next day & were flipped out by the love & spirit, plus a special treat—a video of "Life After Death", a documentary Keda had brought with her, which was very enlightening for all. The Indian people can really relate to things like that as they have a lot of faith in the after-life—reincarnation, etc. Their COL has been flourishing & many are coming closer into the Kingdom through the regular fellowship & Word received.

THE NATIONALS HAVE SUCH AN ANOINTING for reaching their own people & truly shine brightly amidst the darkness here. Rom. 5:20. Just yesterday we spent a beautiful free day at a nearby beach with the Family here, & in travelling to & from the beach about 35 souls were saved. Hall! You just can't help meeting sheep everywhere here!

THERE ARE PRESENTLY ONLY 2 HOMES HERE IN BOMBAY, one being the Hindi Lit-Pic, which is going to split into 2 Homes, so then there will be 3 Homes of 17 adults for a population of well over 6 million people. This city could easily handle at least 10 Homes as there's so much to do both in Hindi & English outreach! Along with MWM there's DTD which is very fruitful & almost untouched, litnessing to millions of hungry souls who need those words of David, there's also a wide open door for you FFers with so many hungry for the love of Jesus & David. It's almost impossible not to meet someone when you go out & the variety's great, from Arabs to lonely businessmen, foreign tourists & of course the local people. TYL!

THERE'S ALSO A ROAD-TEAM HOME IN BOMBAY which sends out teams into the Hindi speaking areas scattering seeds & reaping thousands of souls through personal witnessing & musical programmes, singing on radio & TV & also at different functions for the cream of the crop. The Lord always seems to lead them to the top first & then they're received by everyone, rich & poor. There's such a need for these road teams as there are many minor cities with large populations of up to 1/2 a million who can't really handle full-time Homes as they're so conservative, but desperately need to hear the message & a road team for a month or so can do a lot in getting the message to so many of these needy souls. Last month the Hindi Road Team won 7,000 souls! Hall! TYL!

the top Indian disciples were at the Lit-Pic & if we did not get out witnessing enough, then God couldn't use us to really reach our own people. So now we work on the words for half the time, & spend the other half doing a lot of personal witnessing in search of the precious new disciples which we believe the Lord is going to give us to help in the tremendous harvest. So thank God for His loving concern & direction & especially the Letters which have really been helping us to get revised & reinspired!

THE LORD ALSO SHOWED US TO SPLIT UP IN TWO HOMES, one doing the production of publications & the other producing the "Prem Kiran", Hindi Radio Show. Incidentally, our first Hindi Show was broadcast on Saturday, the 28th of November at 1:15 p.m. So it has begun to roll! TYJ for the victory!

BY SPLITTING INTO TWO HOMES we will also have more room to accommodate & train new disciples. So do pray for us & our desperate need for new housing in this crowded city where the living costs especially of renting a house are quite high. It takes an impossible situation for God to do a miracle & we are expecting a great miracle for His Glory & for His work here. PTL! We really believe that once we get organised into two Homes we will be able to raise our efficiency & produce faster than ever.

DAD'S COUNSEL TO THE LIMS & LIT PICS in the new Mag, was really helpful about "condensations & abbreviations of some of the latest Letters for use in the Local Language Lit" & a real blessing to us here. It's amazing how the Lord always has the answers & how they come just in time. TYJ! During this transition stage, we were able to translate & do the artwork on 8 Komix for GP. From now on we really want to translate & print as many Komix as possible to distribute to the hungry starving millions!

THIS MONTH WE HAVE BEEN ON THE ATTACK ON OUTREACH & the Lord told us that this year He will reach the whole of Bombay through us at Christmas, & amazingly enough, He has opened the doors for an English TV Show, English Christmas Radio Show & a Hindi Christmas Radio Show. So the Lord is opening great doors as we follow & obey & is keeping us always abounding in His wonderful works. TYL!

WOULD YOU LIKE TO HELP? We love & need you & are very, very thankful for all your help & prayers. God bless you! LOVE from the Hindi-Lit-Pic Family. (Amen! Hal! GBY! WL&PFY! Come on Family. Let's go to India!—Or help all you can!—It's the **INDIAN IMPLOSION!**)

Jethro & Ruthie, faithful witnesses & workers on the Hindi Lit-Pic Team! Jethro had been into dope, did a hotel management course & finally ended up living in a cave in the Himalayas to meditate when he found Jesus & the Family about 5 years ago here in Bombay. Ruthie was a little radical, naked on the beaches of Goa with all the hippies when she joined 7 years ago. They have 2 precious little girls! GBH!

SO IF YOU'RE FEELING THE "CALL OF INDIA", please write to us right away & we'll help you all we can with information, etc. Enclose a photo too! WLY! Thanks also to those of you who so generously donate to the field here, we really appreciate it so much. Please do

continue to help all you can, as little goes a long way here! Send via your reporting office for the India work. GBY! WL&NY all so much! Love & Prayers in Jesus & David, Timothy & Faithy.

(AMEN! Answer the call!—GBY all!)

Carmel & James are the Hindi Lit-Pic shepherds. They've been serving the Lord in India for about 5 years. Carmel is from New Zealand & James is from Bombay. James is also the technician for the Hindi MWM Show.

From the Hindi Lit-Pic; India:

Dearest Family,

GBY! GREETINGS IN JESUS' PRECIOUS NAME! We were really flipped out over Dad's "Song of India" & its precious promises for this land. It has really awakened our hearts & made us even more responsive to the needs of the people here & we are also really looking forward to seeing you here. TYJ! We really love you & are praying that many will heed the "Call of India" & come to help in this "fresh new invasion". Like Dad says, "We are going to reap the greatest harvest we have ever had yet, I believe it!" (No. 1096:21) Hallelujah! TYJ!

THIS LAST MONTH THE LORD FLIPPED US OUT WITH MANY NEW CHANGES in our Home & one of the main things was a "Litnessing Revolution". Miraculously the Lord raised up a printer who has since been saved & filled with the Spirit & who really loves us & wants to help us roll the Gold. PTL!

So we were able to print 211,000 pieces of lit in Hindi & also 52,000 pieces in English this past month, which is the biggest printing job we have done so far. TYJ! All the teams here have really been getting on the attack to get out all this lit the Lord is supplying! PHN!

IT'S REALLY INSPIRING TO GO OUT LITNESSING HERE & see the great hunger of the people & their need for the words of David. Sometimes when you're litnessing, people even cross the street to receive the lit & we're always surrounded by people hungry to receive the Komix & the Lord is always continuing to break our hearts for all these precious sheep.

ONE OF THE GREATEST VICTORIES THIS MONTH is to have Keda here with us & all her encouragement & love which we are so thankful for. The Lord has used her to get us moving & pouring out the WORD more than ever. The Lord showed us that most of

This is "Prem-Kiran" meaning "Ray of Love", the name of the Hindi MWM Show. 8 Shows are finished & on the 28th of November the first Hindi Show was aired on Radio Ceylon. PTL!

Ruth, another beautiful singer for "Prem-Kiran", the Hindi MWM Show!

Priya, one of the first MWM listeners to join & become a full-time disciple, is now our Hindi MWM DJ! She sings beautifully & packs lots of Spirit & Love into the songs & DJ work! She's Anglo-Indian & recently her brother Rodney has joined the Family too! PTL!

From Peter & Joanna; Southern India:

ARE YOU READY & WILLING?...Because we know that God is able & will mightily bless your step of faith as you forsake all & seek first His Kingdom—On the Mission Field!

"THERE IS AN INFINITE VARIETY OF OPPORTUNITIES in God's work.—It only takes a man to find & make them work!" This couldn't be more true here in India where the harvest truly is plentiful & the opportunities are indeed limitless! Many cities are virtually untouched & crying out for more wildly willing workers who are willing to lay down their lives for these precious lost sheep.

WE HAVE BEEN IN INDIA FOR 5 YEARS NOW, the last one year of which we've had the priceless opportunity to be in an open outreach home in this beautiful South Indian city. We'd like to share with you some of the marvellous & miraculous things the Lord has done for us as we stepped out by faith one year ago, to pioneer for Jesus! Hallelujah!

SO FAR IN THIS CITY, OUR MAIN OUT-REACHES have been MWM Minstrels, DTD, school programmes, FFing, COL & provisioning. For us foreigners open litnessing is not that wise, but TTL we've been working with nationals, who've been able to get out the WWW here!

THE MWM FOLLOW-UP MINISTRY ITSELF IS A FULL-TIME JOB! Presently in our city alone there are 200 club members receiving mailings from Greece. As well as visiting these people in their Homes, we've also been holding a bi-monthly club party where we deliver the message through a 3-hour programme of songs, skits & Word! MWM provides an excellent "cover" & enables us to witness & reach people right in their own homes. Indian people are known for their warmth & hospitality & will eagerly invite you in for snacks & refreshments, giving you the opportunity to minister to them spiritually!

DTD ALSO PROVES VERY FRUITFUL
