From Silas & Faith; S.E. Asia:

GBY: Why so much & want
to share a few tips on a
ministry that has been very
fruitful for us in litnesaing, winning souls & friends
& even support. Since starting to litness in schools &
arrenging to put on shows is even support. Since starting to litness in schools in school in schools in school in schoo

like to offer our services of teaching English to the school.

IN EVERY CASE THEY WERE ALL EXCITED & WELCOMED US GLADLY. The next thing would be for them to fix us a schedule. Depending on how much time we have in that city, we teach from 3 to 7 classes a day, going from classes aday, going from classes to class. We made up our own classes about Christmas, Easter, Valentine's Day etc., teaching the kids the real meaning of these holidays.

BY THE MAY, WHILE LOOKING UP THE HISTORY OF ST. VALENTINE, we found out that he was a martyr for his faith in Jesus & that he wouldn't bow his head to the Roman gods. Before executing him the Roman put him in prison where, to encourage him, his friends, mainly children, wrote little love

MINE THE TACHERS ARE ESPECIALLY FRIEMDLY, we teach
classes right from the MO
Letters, explaining how
God is like electricity 6
is the unseen but stronglyfelt power of love that
created everything. We also
always let our childrenparticipate in singing
songs, introducing themselves 6 throwing kisses 6
telling the pupils, "We
love you", which really
touches their hearts 6 the
teachers are always amazed
& comment on our children.

AT THE END OF EACH CLASS,
we allow 10 minutes to give
the salvation message, 6
hardly eny person so far
has refused to ask Jenus
into his heart. Altogether
thru this ministry over
20,000 souls have been won,
together with some shows
we do. PTL: Also, many
teachers reaceived Jesus 6
became our good friends,
& we are still ministering
to them thru the mail. One
head of an English department wrote after we had
made her a tape of Family
songs: "YTU"
