

ter is an account of what the Lord has shown me personally about how & why I got so far out of God's will here in Chile & some of the scriptures I've received to help me back on the track & into full-time service!

OF COURSE I REALISE THAT THE EASIEST WAY TO HAVE AVOIDED THIS PIT-FALL would have been to be instantly obedient to each new Mo Letter when it came out instead of always looking for ways & excuses to get discharged from this war!--A subtle sub-conscious motivation that has influenced me to an extent that I didn't realise since my time living & working in the House of Saul as Deb & Jeth's personal helpers in Peru from 1976 to 1978.

DELUSION MUST BE DESTROYED TO BUILD A FIRM FOUNDATION OF TRUTH, & this latest Letter, "To Be Or Not To Be", along with "God's Guarantees" & "Serfs, Supers & Super-Dupers" has really opened my eyes & heart & put me back into the arena & out of the grandstand & shaken that Chain Saul deception & delusion once & for all! PG!

WE COULDN'T LIVE WITHOUT YOU & THE WORDS GOD GIVES THRU YOU! And these latest have greatly strengthened us & given us renewed vision, courage & initiative!

WE ARRIVED IN CHILE IN DECEMBER OF 1978 & received the NRS series in the beginning of 1979. Being in a bad spot financially because we didn't do our best to get out & work hard & earn it one way or another, either by witnessing, lit-nessing, singing or just the hard work of trusting God by faith & writing prayer letters & holding meetings or whatever, I clung to a few verses that spoke about settling down & having System jobs, & I rescued myself prematurely from living by faith & then found excuses for not being able to witness

openly!

LOOKING BACK, I CAN HONESTLY ASK MYSELF WHAT MY SO-CALLED "COVER" WAS FOR if I wasn't litnessing & witnessing? I wasn't being just "selah"; the correct terminology is "backslidden". I settled down & quit drinking the water of life & quit eating the spiritual food & quit eliminating daily besetting sins & quit moving forward & died on the vine.

AS BROUGHT OUT IN LETTER #836, I became dependent on personal opinions & not dependent on the Words straight from the horse's mouth --God's Words! I became one of those who knew that the field "conditions" made us "apart from the normal situation & therefore a special case--so even though it says so & so in the latest Letters, it doesn't really apply to us!"

SO SINCE MY DEEDS WERE EVIL & I STILL HAD A CLOAK FOR MY SIN (SINCE REMOVED BY "TO BE OR NOT TO BE"), it caused no small stir when these others arrived who were still in full-time service serving Him full-time, giving their full-time and all that they had to serving the Lord & devoting their full-time & energies & everything to preaching the Gospel, witnessing, lit-nessing & not serving mammon & not working for the Devil, but strictly for the Lord!

SO, PG! I LOVE YOU DAD, & what can I say that you've not already said in His wonderful Word! I'd just like to close with some scriptures that have really strengthened my convictions & encouraged me to take the steps of faith necessary to return to full-time service:

"WELL, LET ME TELL YOU RIGHT NOW, God is our greatest source & He has the greatest income, & the best place in the World to be is in the centre of His will to make sure that you are well taken care of! He is much

more interested in saving souls and saving lives than He is in saving money & saving homes or former ministries & former places & former easy comfortable living." (1027:66)

"ARE YOU IN THE ARMY--OR A MERE CIVILIAN? GBY, Civilians are needed too & there are billions of them, but we are an army of only a few thousand to fight this war & we cannot be dragged down & defeated by civilian jobs! Let the World care for its own & the dead bury their own dead & you come follow Jesus!" (#1033:26) (Also 1036:55 & 1033:68)!

P.S. NOW I'M SERVING GOD FULL-TIME in deed & in truth every day by going out litnessing & witnessing & living by faith! (Amen! GAY! Way!)

From Jonathan & Sarah; Chile:
Dear Dad & Maria,

GBY! WE LOVE YOU & NEED YOU & ARE PRAYING FOR YOU! We are writing first of all in answer to the Letter "To Be Or Not To Be" that came to us from you. I don't really know how to express myself in situations like this, because the joy in our hearts that we felt upon receiving the Letter was something that we probably never felt before in our lives! So we just want to tell you both that we love you from the very bottom of our hearts, & we thank you for such a beautiful, encouraging & strengthening Letter that not only brought the truth to light, destroying the dirty lies of the Enemy, but also shows clearly as usual that your hearts are always ready to take the side of anybody who is mistreated & unjustly accused from the lies of the Enemy--just as Jesus always defends us when the Devil accuses us in the presence of God!

THANK YOU AGAIN FOR ALL THAT YOU HAVE BEEN DOING FOR US, for writing the Letter & especially for the

priceless privilege of receiving it personally thru dear Keren--that was really the frosting on top of the cake! What a beautiful gift it was!

WELL, DURING THE PAST THREE MONTHS THE LORD WAS ENCOURAGING US & predicting to us that we would see the truth brought to light, but not before passing thru some kind of seeing defeat--but that if we would be faithful to His Word & ready to go thru the fiery furnace, He would bring us out of it without even the smell of smoke. Needless to say, the Word & only the Word was able to give us the strength to make it. TYJ!

"TO BE OR NOT TO BE" WAS LIKE A BOMB EXPLODING, & there were people really breaking & praying. For many it was like a liberation from the bondage of the fear of man, & it finally seems that a lot of people can go according to a bigger faith. Too bad that they had to wait for a personal scolding from you instead of just being more faithful in studying the Word & finding the answers in the Bible & Letters. Like you said, they can never have the faith unless they have the Word & dig in it. Now the Word came & they got the faith! How sad that, like Jesus said, "If they don't see miracles they will not believe." Well, PTL, while there is life there is hope! Now we feel that our job is to just forgive wholeheartedly those who repent! PTL! TYJ!

(PTJ! GBY! 4 Ur faith, faithfulness & perseverance! -Rev. 2:10 & Mat. 28:19 & 20! PTL! "Hail Family, full of grace! The Lord is with Thee & blessed is the fruit of Thy womb!")

News From Tenerife!

SEEDS PLANTED YEARS AGO ARE STILL GROWING & BEARING FRUIT!

From Jose & Celia; Tenerife:

THIS MONTH THE LORD GAVE US TWO NEW DISCIPLES. When Juanjo went for a short visit to his family on the mainland, he brought along two new disciples when he returned. One of them is his niece who is now of legal age & the other is a beautiful sister who had left the Family 5 years ago but finally found her way back to the house of the Father. PTL!

SO NOW ON THE ISLAND WE ARE FIVE BOYS: Paco who is working in a bank; Gabriel who has a wonderful & fruitful ministry in a Catholic school as an English teacher & has won lots of souls & is trying to win some disciples of the girls who have already graduated; Bernardo who is selling pictures & working in the restaurant; Juanjo who is doing Komix fulltime; and I (Jose) am litnessing & witnessing.

AND WE HAVE 12 GIRLS: Maria Angeles who has two daughters; Esperanza who is pregnant; Quina (Gabriel's wife) who has 3 children; Merche (the wife of Paco) who is pregnant & has four children--one of them is Maria Jesus who is already 13 years old; the other girls are Lynn of Bernardo who has 2 children; Paloma who has one boy & is pregnant again; Joyce who has a boy & is pregnant again as well; Carolina who is pregnant; and Celia who has three little girls. And with the two new disciples, that is pretty much the personnel here--5 brothers, 12 sisters & 16 children, with 5 more on the way. It is certainly the island of love and fertility!

MARIA ANGELES IS PLANNING TO GO TO S.A. SOON with her two daughters, & Esperanza is planning to go to S.A. also.

PACO & MERCHE WERE ALSO TALKING ABOUT THE POSSIBILITY OF FORSAKING ALL HERE & GOING TO S.A. with all the children, but that is not in the very near future. At present Paco's children are litnessing & winning souls, & his eldest daughter, Maria Jesus, is really on fire & leading other teenagers to Jesus!

SOMEONE ELSE WHO IS REALLY GROWING VERY MUCH IS ALFREDO. Carolina started going out with him because he invited her & started getting interested in the Word & in the Family again. Then he got saved & his life started to change. He started memorising scriptures & phoning every day for fellowship, & his 5-year-old son got saved with him & likes the Komix. Alfredo is also very faithfully witnessing in Cafe de Paris, even to the other waiters there who are somewhat reluctant to accept the Family beliefs even though they are outwardly friendly. He also believes that Carolina's baby still in her womb is his because he prayed for her to have a baby by him!

THE FOLLOWING IS A LETTER FROM ROSENDO, one of the "Tacoronte Boys". His letter began by telling about where he has been & that he has been promoted to captain etc.

"...AS YOU CAN IMAGINE, I DON'T HAVE A CERTAIN DREAMING PLACE, & my contact with

GOD'S GIFT OF LOVE! To see her there in her naked form where the bloom of her newborn, inside, fills her very essence to what she should be... --A woman.

others is short, so I try to give to others all the love & the happiness in the shortest time possible that they may see in me a person truly happy so I can try to help them find the happiness that I found. The problem is that when I tell them that they can have the happiness loving God & trying to make others happy, they don't understand that it is so easy. But those who try to change their lives & to give them to Jesus & to others obtain the thing that their hearts have been so eagerly looking for--and that we know is the eternal happiness.

"I WON'T GET TIRED OF REPEATING MY THANKS TO THE FAMILY that my life has changed a lot & now I find a new meaning in life. I'm happy & everything that happens I know is the will of God. Up to now I have only received rewards--all I ask from Jesus He gives to me. It is so wonderful to live trusting & having faith in Him.

"TWO OF MY BROTHERS HAVE RECEIVED JESUS IN THEIR HEARTS, & my father is very close to our way of thinking, but, like an "old bottle", he doesn't dare to take the extra step.

"WELL, MY LOVE, YOU DON'T KNOW HOW I MISS YOU ALL THERE, & I hope that one of these days I can see you, Lord willing! I love you!" (GBY AM! -Hail to the King! Amen!)

By beaming that beautiful gift of love
A new angelic being into childhood.

Thank you Jesus for a love
Like Yours that is more than any other.
A love that grows and grows
And makes a girl a mother.

SCANDINAVIAN AREA

FELLOWSHIP MEETING RECEIVES NEWSPAPER COVERAGE (GBY!)

(THE FOLLOWING ARTICLE WAS TRANSLATED FROM THE SWEDISH NEWSPAPER "Smaalanningen" & was entitled, "Nordic Christian Family Camp -- 'We Love A Lot!'". Sent by Nahum J. Joan.

"WE LOVE A LOT & WE BELIEVE THAT PEOPLE WERE MADE TO HAVE CHILDREN. The children are an important part of God's work." This is how Daniel expresses himself; he is one of the visitors at the Nordic Christian Family camp by Sundet (where Scandinavian Area Fellowship Meeting was held).

AT FIRST GLANCE YOU UNDERSTAND THAT CHILDREN MEAN A LOT TO THE FAMILIES IN THIS CAMP. Children of all ages are crawling, walking and running between the tents & caravans. Many of the children haven't yet been born; they are resting securely in mommies' stomachs. There were many pregnant women attending this one-week camp which ended on Wednesday.

"THE REASON WHY WE ARE GETTING TOGETHER is to get new friends & contacts. It is initiated privately & we don't belong to any church. The camp is ecumenical & includes people from all over the Nordic countries. We even have some visitors from Iceland," says Daniel.

AROUND 50 TENTS & CARAVANS ARE PARKED IN A CIRCLE ON THE CAMPGROUNDS at Sundet. In the middle is a big tent which is used for get-togethers. There they have a video machine where they play different Christian TV programs.

"THE LOCAL PEOPLE HERE HAVE BEEN SO KIND & arranged for us to be able to have electricity for the video & musical equipment. Music & song is an important tool to help us spread our message. We have a van install-
