

award symbolised something "different", something above "normal"! Which was something I was forced to accept publicly in this open declaration of these Godly teachers who had prayerfully chosen the student they felt qualified in spite of what anyone might think, believing the Bible verse, "Give honour to whom honour is due".--And "without partiality, & without hypocrisy"!

16. **THERE WAS CERTAINLY NOTHING FOR THEM TO GAIN BY CHOOSING ME**, as according to system standards my parents were probably the poorest financially & materially, & the least influential, being just poor missionaries themselves! The only thing they could possibly have gotten out of it was the pleasure of encouraging what they considered to be a good example of dedication which they hoped the other students would follow. And maybe they even knew, like teachers do sometimes, that they were encouraging this little girl, me, to be an even more dedicated missionary & to "Seek ye first the Kingdom of God".--And that "all these things shall be added unto you".--And I'm sure that it did, as this event, too, had a very profound effect on my life.

17. **I'LL NEVER FORGET THEM & THEIR GODLY**

EXAMPLE OF BEING TRULY DEDICATED TEACHERS INTERESTED IN ENCOURAGING YOUNG PEOPLE MORE IN GOD & HIS WORK THAN IN "NORMAL" LIVING. And I don't think you can find teachers like that today "in the System". But really, they weren't in the System at that time either, because they had dropped out to teach at this little Miami Christian School which was a pioneer effort on the part of these dedicated Christian teachers, to have a new, more Godly system of education than they were experiencing in their System teachers' jobs where most of them came from.

18. **SOME OF THEM, I BELIEVE, WERE EVEN RETIRED MISSIONARIES** (retired by the System church, but not by God) & were now trying to raise up more missionaries to take their places by teaching us, the "new bottles" of that time! God bless them! And I know He has, & they will share in our rewards for souls won & the thousands of kids who have been helped through our schools or Colonies, who because of our influence are now also missionaries in many countries of the World!

19. **--AND PRETTY SOON IT'LL BE THE WHOLE WORLD IF WE KEEP "TEACHING OTHERS TO TEACH OTHERS"**, as they did us, & encourage the "new bottles" to be even more de-

licated than we were at their age because of all we've learned now from their experiences & our own. Those teachers had to acknowledge the anointing of God's Spirit upon us--not how **SMART** we were.--and that we were preparing even then to take their place!

20. **AND SOME DAY WE'LL SEE THEM IN HEAVEN & BE ABLE TO THANK THEM**, even though some of them may not now fully understand what we are doing, if they are still **alive**!--They'll see the fruits of their labours in ours & the Lord's "great Worldwide youth movement for Jesus".--"The Revolution for Jesus", founded by that "crazy" father & his "crazy" family!

21. **I HOPE THEY'RE NOT SORRY THEY HONORED US--THE LITTLE PROPHETS--WHO HAVE NOW TAKEN OVER THE ARDUOUS WORK OF EVANGELISING THE WHOLE WORLD** before Jesus comes back to rule it in a few years. And I hope they haven't become "old bottles" that can't take the new wine of the Spirit which is flowing today from the pen of His "crazy" prophet, David! Hallelujah! Because if they "taste" they'll "see that the Lord is good"!--

And hasn't changed but is still causing a Revolution in His children who are reaching the World with the "good news" by the revolutionary means & methods that the Lord has given them to reach this, the last & most difficult of all generations!

22. **LIKE THE OLD PROPHETS, WE HOPE THEY WILL GIVE THEIR BLESSING TO THE NEW** & not reject them as the scribes & Pharisees rejected Jesus & His first band of "hippy" disciples who also preached the "Good News" to the whole World of their day--without the help or acceptance of the church system of their day.--In fact, they suffered persecution, & eventually **death** because they were faithful to obey what Jesus told them to do before He "split"!

23. **BUT IT SEEMS LIKE IT'S SO HARD FOR THOSE WHO HAVE GROWN OLD & HAVE BECOME PART OF THE "ESTABLISHED" & "NORMAL" CHURCH**, & have long since forgotten the struggle of a new revolution & therefore have become part of the System, to accept us & our New Jesus Revolution & the "new wine" which is for the "new bottles", to revive & refresh this dying generation of young people who would not listen to the "old bottles" or their "old sermons" any longer.

24. **--BUT THEY ARE LISTENING FOR THE SHEPHERD'S VOICE TODAY** & the "Words of their Father" which are working Wonders for the World today. In so many of your letters! God help them if they do not listen! For "Now is the day of salvation & now is the accepted time"! Yesterday is past & tomorrow will be too late! will be too late!

(Living room of trailer)--Thank the Lord for this "Home on Wheels" which makes our SOUL WINNING MINISTRY possible!

"DEAR DAD!"--"MY LIFE STORY!"--By Faith David

Chapter 4: "The Graduates!"

1. **WELL, I HOPE I DIDN'T QUIT TESTIFYING & GO TO PREACHING**, but I just get so excited when I start remembering all these things & how the Lord made His "revolutionary" out of me. Thank God! I think it takes faith for God to reveal the past & all its meaning as well as the future. I hadn't thought of these things in years, but He "brings all things to our remembrance"! Hallelujah! I don't know where to begin today, but I'll just "dive in" like I did yesterday & see where we land, Okay? Thank You Jesus!

2. **THAT LETTER "BROTHER SUN" REALLY TELLS WHERE THINGS ARE AT FOR ME!** Jesus said aptly, "But ye are not of the System, therefore the System hateth you! Dare to be different. He was saying, venture to vary from the norm which the systematic System addicts have established to conform to their own Establishment behaviour, what they claim to be the generally accepted rule of your rulers, & they will hate you for daring to challenge their authority to tell you what they them-

selves have decided is right & wrong. 3. **"JUST YOU DARE TO BE SO BOLD AS TO THINK, ACT, LIVE OR TEACH DIFFERENTLY** from the vast robotic, narcotic, conventional, pretentious, conformist, performist, zombie bumble so-called silent majority of the supposedly average & normal Systemites, & you will soon see them not so silent & you will hear them, too, for it is the hit dogs that howl! And if you learn to run with these wolves you will learn to howl too, when someone dares to say & prove that your way of life is not the only way!" (From "Brother Sun" by Father David. No. 225) "Long live the truth of Brother Sun!"

4. **THOSE TWO VERSES FROM YOUR LETTER ABOUT SUM UP WHAT I'VE BEEN TRYING TO SAY! HALLELUJAH!** Thank God for "Paper Power", because now everyone can learn what we learned with you & become "revolutionaries" for Jesus too! You had to pioneer it so you could put it down on paper to teach others besides your own kids, because nobody else is teaching them.

5. **AND NOW, THE LORD HAS GIVEN YOU**

THOUSANDS OF JESUS REVOLUTIONARIES TO HELP YOU SPREAD THE LOVE, PEACE & JOY of the "Good News" to the millions of people who need to know that God isn't dead just because religion is, but that He's speaking today to those who will listen, & will give them a whole new life if they want it! And for those who don't want it & will not listen, God is having you warn them of what is going to happen to them because they haven't listened to God or you--like America!

6. **YOU USED TO TEACH US BIBLE CLASSES ALL THE TIME WHEN WE WERE GROWING UP**--about how America was going to fall because of its sins! Even then the Lord was revealing to you what those prophecies the churches didn't understand & thought were kind of crazy really meant!--And especially the Book of Jeremiah which the Lord showed you was the message for America today. You could hardly get anyone to listen to you & especially the church people because they didn't want to forsake all & follow Jesus, & didn't want to obey what they did understand of the Bible, & in fact, your own family were about the only ones who did listen to you!

Our Family and home on Miami Beach!

7. **BUT NOW YOUR FAMILY HAS GROWN & LOTS OF OTHER KIDS, HIPPIES & DROP-OUTS** from other people's families have become part of our family, because they liked what you said & what you taught them from the Bible; they believed it & wanted to live with us too! But I'm getting ahead of my

story so I better go back a little bit & try to pick up where I left off: I was telling about Deb & I graduating from the Miami Christian School!

8. **WELL, WHEN I WAS GRADUATING FROM THE SIXTH GRADE OF THE ELEMENTARY SCHOOL, DEB WAS GRADUATING FROM HIGH SCHOOL** which was a pretty big event. I was there for her graduation ceremony too & remember thinking how much she looked like a career girl! I think they even voted in her class that she was the most unlikely to get married before 25! Little did they know what God had planned for her as only a year & a half later she had already married & was having a baby!

Deborah

9. **I WAS ALWAYS THE LITTLE SISTER, OF COURSE, SO SHE COULD TAKE ME ON DATES WITH HER BOYFRIENDS** to make sure they stayed "friends"! Therefore I got to see some social life too, & meet a lot of big kids. I went miniature golfing & boating on these friends' houseboats, went to all kinds of "Gospel Singers" as she sang with a group called the Sextet from the Miami Christian School, & she even sang on TV a
