

The Removing Of The Hindu Temple!

by Zac Lightman

PTL! Greetings to you all! We are so thank- again! to be here with MM, & thanks to the Lord & you, Dad, we are in the safe south & out of the war zone & don't have to worry about letting our children go through the hell war is. I still remember the fear my parents & the other adults had when the alarm sounded for everyone to seek shelter during WWII (I was 4 years old when our country, Norway, was occupied).

I knew going south would bring a great change in climate, food & living conditions. But little did I realize that the spiritual battle would be like a heavy war!

The flight went so well & this place is just gorgeous! The people here are so simple, friendly & full of smiles, & it seems like they all move with the nature, take time to live! It is just created for visiting here with flowers of all kinds & colours, palm trees, elephants, you name it! - And we love it!! - However...

When I arrived - in spite of all the beauty, security & challenges here - I felt very troubled in the spirit. People here lit fires on their properties in order to keep to the minimum the chances of having big damaging fires. But when we arrived, there had been fires lit around the property which we use here, which were totally uncontrolled, & the day before we came, the whole mountain side close to our house burned down & the brethren that were here cut all the grass around the house to prevent it from spreading.

One of the first mornings as I was walking around in the nearby area to get to know the place better, I came to an empty (I thought) house, and as the door was open, I went in. What I was next to see was things I thought belonged to the past. I had entered a temple & there were about 20 different evil-looking figures standing on an altar. I suddenly felt as if I was 2-3000 years back in history & with a prayer from my heart, realizing the devil I pushed out

The next day I had gotten a fever & a very sore throat which made it very painful & difficult to swallow. During the following nights I would suddenly wake up gasping for air. And the letters "Hong Kong Goolagong" & "Chinese Spirits" etc. came to life! Some of the others had the same symptoms too, for instance Peter Pioneer woke up one night unable to breathe, & when he choked sat up, he saw two demons sitting in his room waiting for a chance to take his life. He felt so close to death but got desperate in prayer rebuking the devil & the demons fled from him. - So it was obvious that the "old man" didn't like us to invade his territory.

Like Dad has said over & over again, the Word is so important. The devil just can't stand the Word, & how important it is in trying times! We all felt that we could not share our property with the devil & only by a strong attack in the Spirit & calling desperately on the Lord could we overcome these old dark spirits. Thank the Lord, "He that is in you is greater than he that is in the world". We read NO Letters & Bible several hours every day & had communion, reading & praying heavily.

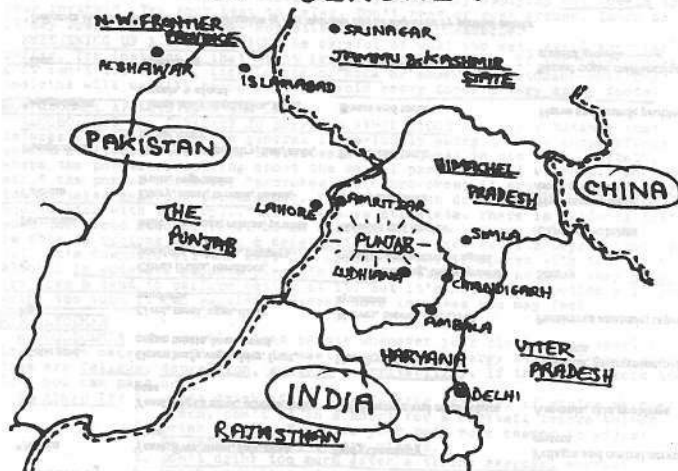

Miraculously two weeks later, the temple & the idols & the "war" shippers (who were mostly ugly looking women) & some "priests" were removed from our land & peace was restored in our midst! PTL!

"Finally my brethren, be strong in the Lord & in the power of His might Put on the whole armour of God that ye may be able to stand against the wiles of the devil. For we wrestle not against flesh & blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places. (Ephesians 6:10-12).

Much love in the King's Service,

Zac Lightman

COME TO THE LAND OF JEHOE!

From Ruthie & Jonathan: N.India
"The land of my fathers is the land of snows. I come from land of snows of the North wind. But it's warm in the south where the weak people live. But I come from land of snows: the land of Jehore for strong people! That's where I come from," said Abraham in the "Song of India" (1096:33). Well the resemblance of this description to the state of India in which we are living absolutely thrilled us! We are in Punjab state in North West India.

Actually the historical Kingdom of Punjab (meaning 5 Rivers) included not only the

present state of Punjab, but also West Punjab and North West Frontier Province (now both in Pakistan), Himachal Pradesh and Haryana. Some of the Himalayan range are included in this area where there is much snowfall. And this winter season we are certainly experiencing the north winds.

Also the Punjabis are considered the strongest people in all of India.

However, we looked all over the map of India to try to locate JEHOE and could not find any such name. But interestingly enough the historical capital of the Kingdom

of Punjab was...LAREORE.

Well, if that was 'nt enough Dad, in your beautiful new letter "Dream of India" you said, "I don't even really know where Shalimar is. I've tried to find it in my Atlas because I got something, a revelation from the Lord not long ago about the Shalimar." (1097:16)

Well, actually Shalimar is an ornamental garden built by one of the Mughal Emperors for his favourite wife, in which he would go with her in the evenings to sport. Actually there are 2 Shalimar gardens we know of, one is in Srinager and the other, (which is considered superior and more beautiful) is in... LAHORE!

I (Ruthie), my husband Jonathan & baby Anisa are here along with Daniel & Crystal. We first came to this area 6 months ago and the response has been terrific. We've sung on T.V. and radio, had 3 newspaper articles and done several college shows. It's really a fruitful field here amongst the youth.

Actually my Father is a Punjabi and we feel a particular burden for these precious people. There are not many Christians here in North West India, however the Lord once promised that although their parents had rejected the truth, the children will receive it, if we are faithful. So, come to the Land of

100 WAYS TO DISAPPEAR & LIVE FREE: PART 1 OF 2, by Edna Press, PO Box 8410, Fountain Valley, California 92708, U.S.A., with introductory & concluding quotes from the Letters & notes throughout by compiler.

1. "IT SEEMED LIKE I REMEMBERED I WAS GIVEN A CHOICE, WHETHER I WANTED TO BE IN A STATE INSTITUTION OR A PRIVATE INSTITUTION, this sort of mission. After I woke up I got to thinking, if they can get away with what they're doing right now in the States, illegally kidnapping the kids & holding them prisoners, actually imprisoning them & bragging about it in the newspapers, & bragging about taking away their Bibles, & holding them prisoners for several days, up to ten days, then of course this could happen! The government lets them do it!...
2. "IT'S QUITE OBVIOUS THE AMERICAN GOVERNMENT & THE AMERICAN POLICE LIKE HITLER'S HAVE AGREED TO JUST LOOK THE OTHER WAY! Our enemies have got the American System on their side! I said way back in Dallas that they were going to make what we're doing in changing kids lives with Jesus as illegal as peddling drugs!... It's amazing that they would even dare to do it in the first place. But not only that, they are getting away with it, & boasting about it, & being encouraged in it by American officials like Reagan & Nitler!" (The Asylum, #221, par. 18, 20, 21.)
3. USING METHODS AKIN TO THE COMMUNISTS & FASCISTS THEMSELVES & REMINDING US OF THE ROMAN, TURKISH & INQUISITORIAL TORTURES used in the past to force both Jews & Christians to deny their faiths, the free-wheeling FREE-COGs have been running rampant in a rapid reign of terror across America amongst these poor little innocent, weak & defenseless non-conformist groups snatching away their members by lies, deceit, violent bodily force & the hooks & crooks common to the lowest thugs in order to submit these poor children to torture & mental anguish not even conceived by the Romans or the Inquisition!
4. "WHICH SHOWS THAT TIMES HAVE NOT CHANGED!--THE MODERN WORLD IS ONLY GETTING MORE DIABOLICAL, more fiendishly clever & more Satanically scientific in its forms of force, torture, compulsion & devilish ordeals enough to drive some of these poor young people stark raving mad!
5. "THE VAST MAJORITY OF THE CHURCH PEOPLE HAVE SEEMED TOTALLY INDIFFERENT TO WHAT'S GOING ON & UTTERLY UNCONCERNED about these denials of religious & corporal liberties which are befalling their own young people right under their very noses! Instead, many FUNDAMENTALIST EVANGELICALS & OTHER CHURCH PEOPLE HAVE ACTUALLY PRAISED THE PERPETRATORS OF THIS REIGN OF RELIGIOUS TERROR & TORTURE & HAILED THESE DEMONS AS HEROES & THE ANSWER TO THEIR PRAYERS! This should surely identify their own hellish allegiance to whom they pray!
6. "THIS REIGN OF TERROR BEGAN PRESENTLY UNDER THE RULE OF RONALD REAGAN, THE THEN GOVERNOR OF CALIFORNIA, & WITH HIS ENCOURAGEMENT & support by a member of his own staff, a black fiend called Black Lightning..."
7. "AS ONE OF OUR LAWYERS HAS INDICATED, WE WILL HAVE TO COMPROMISE WITH THE SYSTEM OF OUR ENEMIES... & VIRTUALLY JOIN IT TO OBTAIN ITS RECOGNITION & PROTECTION... unless, as he says, 'It is the plan of the Children of God to ultimately abandon this country, then all these things are unnecessary.... If they wish to become completely nomadic or gypsylike in character, uprooting themselves from established Colonies, & transplanting members from one location to another whenever local authorities intrude, they can probably survive an unpredictable length of time, but will always be confronted with harassment by the Establishment within a predictable length of time! What words of wisdom & what a comparison!
8. "...WE DON'T STAND A CHANCE IN THEIR COURTS CONTROLLED BY THEM, so it's just a waste of time, money & effort! THERE WOULD BE MORE JUSTICE IN HELL than in America today, & we could be expected to receive fairer treatment from God's appointed & restricted Satan & his minions in the courts of Hell itself rather than from these still free-willed, free-wheeling FREE-COG free-booters under their guise of the so-called courts of law & justice in the mad America of today!
9. "...IF WE CAN'T GET RID OF A CORRUPT SYSTEM THEN LET'S GET OUT OF IT, FOR GOD'S SAKE, & drop these futile court cases & run for our lives!
10. "AND THIS IS EXACTLY WHAT JESUS ADVISES HIS FOLLOWERS TO DO: WHEN THEY PERSECUTE YOU IN ONE CITY, FLEE YE TO ANOTHER! ...If they will not receive you, shake off the dust of your feet as a witness against them, & depart: It shall be worse for that city in the Day of Judgement than for Sodom & Gomorrah!...
