

KOMIX KLUB BLASTS OFF!

TRUE KOMIX TURNING KEY
OF INDIA'S YOUTH!

From Zebedee & Zorah Rabbit,
now pioneering in S. India:

AFTER NINE YEARS "BEHIND THE SCENES" AT A W.S. DESK JOB, what a thrilling change it is to be missionaries on the field! --And what a field! Everything Dad has said about India is so true! We arrived in India 3 months ago totally by faith in obedience to the Lord's call of India in our hearts. We had no idea what outreach the Lord would open to us or what city to go to. We didn't even have any family home addresses or phone numbers.

BUT STEP BY STEP AS WE'VE OBEYED & TRUSTED THE LORD to lead us & provide for us, He has cared for us, led us & now opened up a whole new ministry that promises to bear much fruit --the "Komix Klub"!

THE KOMIX KLUB IDEA WAS BORN ABOUT SIX WEEKS AGO after we'd gotten a bit settled & adjusted in this beautiful South Indian city where it was suggested we come by Keda and the VSs Tim & Faith whom we had the golden opportunity to meet a

few days after arriving in India. They also set our hearts afire to get out the Wonder Working Words to the waiting millions with their astounding testimonies of the huge vacuum there is for the Words of David.

SO WE WERE PRAYING ABOUT WHAT KIND OF MINISTRY WE COULD HAVE with our four children, considering the needs of the local field, our talents, etc. One day our three oldest children--Mark-6, Christopher-5 & Victor-3-1/2--were enjoying their favourite passtime--drawing & colouring--when Daddy got the inspiration to compile some of their drawings into a picture illustrating God's Love for India & the Indians.

THE RESULT! A LITTLE 8-PAGE MAG CALLED "LOVE FOR EVERYONE" with the kids' artwork as the cover, the TK "Space Story

Part 2", a "Secret Code" Mo-Quote game adapted from KIDZ Mag & an invitation to write in & join the "Komix Klub" to receive more TKs. Talking to India vets & national disciples & inspired by Dad's words in "Dream of India" which we had just received where he says, "...to reach them with the Gospel of Love!--Not churchianity, not formal Christianity, but true, genuine, wonderful, free Love of Jesus!--we really had the burden to make the little mag super-exciting & inviting.

students came pouring out at the end of the day.

Schoolgirls clamour for Komix!

ALL 5,000 COPIES DISAPPEARED IN NO TIME (next time we'll print more!) & in only three weeks close to 80 have written in to join the Komix Klub & get more TKs, PTL! Here's what some have written:

"I am a boy of 13 & I love comics, especially your Komix about God & Love. Please send me more & enroll me as a member of this lovely Klub."/"I want to join the Komix Klub because I want to be happy, I want God to love me, I want His help & I want God to change my life."/"I have liked this beautiful magazine. Please, for heaven sake, send me these!"/"I am very happy to have been able to join the Klub, as I have always thought of Love. I never found more joy in my life until I received my first True Komix. Please send me more."

WHAT PRECIOUS HUNGRY SHEEP! Some will surely be future labourers, as Dad said in

Happy to be in India to share God's Love--Mark-6-1/2, Chris-5, Grace-1-1/2 & Victor-3-1/2.

WE PRINTED 5,000 COPIES TO START WITH, with the vision of using them mainly for the children to distribute during their "get out" time. But after a few days the Lord showed us we could "aim" it better at those who read English, so we started hitting the English-language highschools in blitz attacks as

"Song of India": "Precious children that Jesus wants in His crown! Pearls of rare price in that land!" (par. 26) We had no idea the response would be so great!

BUT IT SEEMS INDIAN YOUTH ARE "CLUB CRAZY"--look at the MWM Club! Our vision now is to feed those who write in via mail with TKs, as well as eventually meeting them personally at parties something like MWM has. We're also working on a 2nd edition of "LOVE for Everyone" to hit the English cinema crowds during the vacation months. We want to mention a special thanks to our new Home members sweet French Josue & Marie & baby Blandine, without whose inspiration & help the Komix Klub ministry would not be possible.--Also the help of Irish Rebecca who along with 22-month-old Taidgh came with us to India.

French Marie & Josue, with lil Blandine--13 mos. Both joined in Nepal 4 yrs. ago & returned to India last Nov.

LATEST KOMIX KLUB VICTORY is to have the help of lovely Indian national Joan on the mail ministry follow-up, GB'H!

THE INITIAL INVESTMENT TO PUBLISH AN 8-PAGE MAG is, of course, more. But the response has been greater, more yield per seeds sown, especially as we "aim" our distribution at largely English-speaking audiences such as high schools & English cinemas. So we feel the souls & eventual labour leaders gained will be well worth it.

All we have to do is teach'm how & give'm the tools to do it, which the Lord has poured out in abundance, thanks to our Aquarius & his artistic helpers.

"DO YOU LOVE HER? ARE YOU WILLING TO ANSWER HER CALL?" (India's youth!) She'll satisfy your heart's desire, she'll satisfy your every need...if you'll just come & love her & satisfy her & her needs, her spiritual needs & physical needs & need for Jesus!" (1097:54)--Or if you can't come, help us to reach her. You'll partake of the blessings as much as you give! We & India need your help. You can send gifts for the "Komix Klub" via your Reporting Office designated for Z&Z Rabbit/India. And let us know if you'd like a copy of our monthly news & photo letter. Love & prayers, Zeb & Zorah.

Komical Kwips From The King's Kute Kids!

Little jewels from David, Davida & Tech!

"DAVID, DAVIDA & TECHI ENJOY VERY MUCH THE NEW MWM DRAMA TAPE containing besides other stories, the story of 'Sophie, The Washerwoman' in the rich lady's house. After first listening to it the children were so excited, & Tech right away wanted to hear it again. 'Please,' she pleaded, 'can we again hear the story of 'Soapy, The Washerwoman'?'--Ha!" (From Dora).

"ON THEIR WALK WITH GRANDPA, THE CHILDREN MET A GREAT ST. BERNARD DOG who came barking & chasing toward them, but was real friendly. Later at the dinner table the children told us all about their encounter, & Grandpa said the dog stopped barking when he saw the children's angels! He explained that the dog is supposed to bark as a warning, because he's a watch-dog! 'Do you know a verse about the watchman?' Dad asked David, who then quoted Ez.33:7, 'Son of man I have made thee a watchman...'. It was Tech's turn then & she said, 'Yes, we also saw a Watchman on the video, singing!'--meaning Watchman at MCV! Ha!

She also made up a new verse afterwards & sang, 'Watch & pray, there is no other way, to be happy in Jesus, but to watch & pray! Ha! Grandpa said it's a good second verse to the little song, 'Trust & Obey! Amen! We love you!' (From Dora).

"AFTER HAVING A STUDY ON THE HOLY SPIRIT, WE WERE REVIEWING WHAT WE'D LEARNED TOGETHER. I asked David (?) what the Spirit was for & he remembered a memory verse we hadn't even reviewed recently. 'Holy men of God spake as they

were moved by the Holy Ghost!', he said. I then asked Davida (?) what bird the Bible likens the H.S. to. Still thinking of what David said about 'moved', she said, 'Oh, I know! Like Rockin' Robin!' (From Sara).

"AT A CHRISTMAS FLANNELGRAPH STORY, I ASKED TECHI THE NAME OF THE ANGEL who visited Mary. 'Hark, the herald angel!', she answered. Ha!" (From Sara).

"DAVIDA WAS SEARCHING THROUGH THE TK BOOK FOR ONE OF HER FAVOURITE LETTERS on the Spirit Queen of Love. When she found one she said, 'Oh, there it is--Our Decoration of Love!' (From Sara)

"DAVID & DAVIDA ARE BOTH LEARNING ABOUT SPELLING NOW. David said, 'Guess what! I can spell 'cannot'!' I thought he'd play a trick & spell the contraction 'can't', but he said 'k-n-o-t'!" (From Sara)

"SOMEONE NOTICED TECHI PUTTING HER OWN SHOES ON & said, 'Techi, you put your shoes on the wrong feet!' 'No,' she said, 'I put the wrong shoes on the right feet!' (From Sara)
