

Years Of Training Bear Fruit

CHILDREN BECOME A WITNESSING EXPLOSION; SIMPLE TESTS HELP KIDS GRASP MO LETTERS!

From Charity, S. America:
GOD BLESS YOU ALL! We love & pray for you! "The Lord hath done great things for us, whereof we are glad." (Psalm 126:3) We have been pioneering now for over 6 weeks, a new ministry in a new virgin field, travelling, winning & loving as we go! TYJ! WLY!

WHEN WE LEFT, WE FELT A LITTLE LIKE ABRAHAM, not knowing whither we went, only knowing we were being sent by the Lord! The Lord supplied all our transportation to our new field for free, & we even spent the first two weeks in the best hotel in town, free, as guests of the owners who were so sweet & kind to us.

ABIGAIL, OUR 8-YEAR-OLD, IS BECOMING SUCH A MATURE WITNESS, really using the Word of God with real conviction & great love, a real shepherdess. She led a rather skeptical elderly lady of the hotel staff to the Lord one evening. The lady was so inspired that she immediately brought Abigail to the hotel's owner, whom she cared for, a paralytic. The old man, José, was so happy to receive Jesus, with tears in his eyes. He hadn't felt so much love & joy in 5 years since he became sick & has been confined to his bed in his little room. Abigail would go & visit him daily, & sometimes we would all go & sing & read the Bible with him. Even the doctor mentioned that he looked better after receiving the Lord. TYJ!

EVERYWHERE WE GO, WHETHER IT'S TO PROVISION OR JUST OUT FOR A WALK, THE CHILDREN WITNESS. Just this first month the children themselves led over 95 souls to the Lord. And José, 7 years old, won his first souls to Jesus by himself!

WE JUST CAN'T GO OUT WITHOUT THE CHILDREN CAUSING AN EXPLOSION. It's like we've wound them up & they just take off & explode & win & witness for the Lord all on their own. It's so beautiful to see the years of training & teaching begin to bear such good fruit in their lives in making them such powerful witnesses for the Lord, and God's Word working in their hearts, giving them spiritual depth & bringing about personal victories in each one's life & walk with the Lord.

ONE OF THE GREATEST BLESSINGS WE'VE SEEN ON THIS TRIP IS HOW THE LORD HAS BEEN SO FAITHFUL TO SUPPLY not only our daily physical needs of good wholesome food & shelter, but also the children's spiritual & scholastic needs. A particularly rewarding development has been our daily MO tests. At our evening MO Letter time all together, one of us reads the Letter, being careful to explain & discuss any new words or things the children don't understand, while the other writes up test questions, encompassing the main points of the Letter, & at the same time making a list of vocabulary & spelling words. Then, the next day after devotions & dish washing (which is done by the children & overseen by one of them chosen by the children themselves in their own weekly meetings where they organise their responsibilities & then inform us of their decisions), we begin our school time with the test.

THE TESTS REINFORCE THE LESSONS & MEANING OF THE LETTERS & have really helped the children to grasp them & to learn to

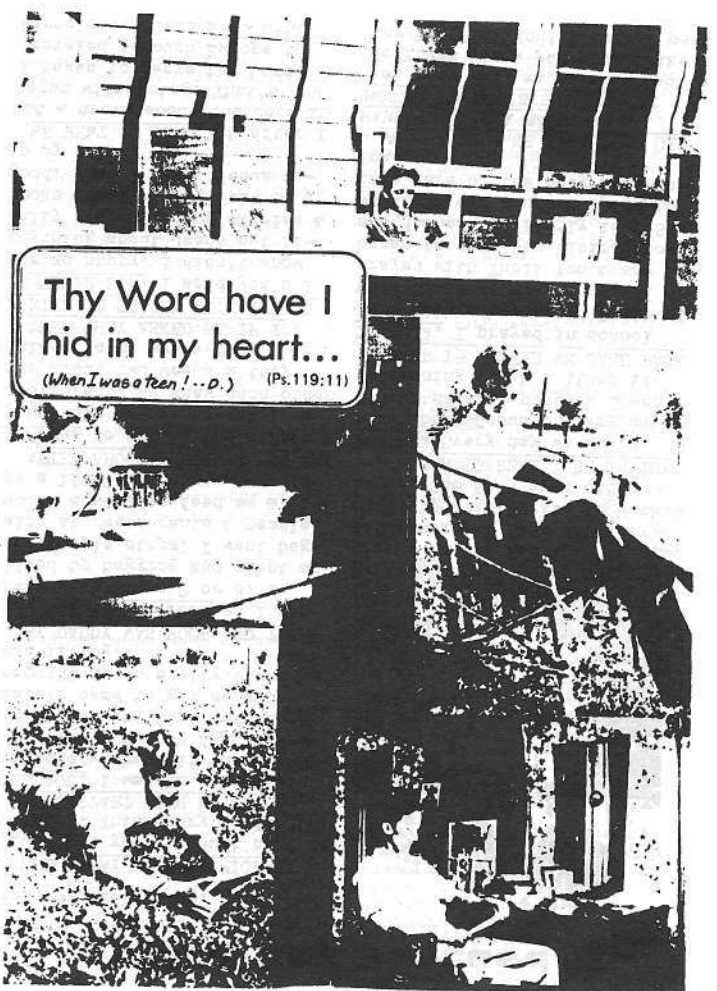

listen & read with real comprehension. We often follow the tests, which we correct & discuss together immediately afterwards, with language study, such as spelling, vocabulary etc., using the list of words taken from the Letter. So it's all rolled up into one or two hours of good solid school time centring around the Word! TYJ! It's really inspiring for us as well as for the children.

"CHILDREN ARE AN HERITAGE OF THE LORD!" (Psalm 127:3) That's the most precious gift: Real love--God's love--His love in a little child--so sweet & beautiful!--Blessed of the Lord before birth & given of God to His children for His service. They're His children & He wants to take care of them & train them! God's gifts are God's work! (Daily Night 345)

IF YOU WOULD LIKE TO HELP IN OUR PIONEERING, please send checks or money orders payable to Patricia Berry & send along with your TRF in an inside envelope marked: Charity (Patricia Berry) in South America. (AMEN/GBY!)

"CHILDREN ARE THE BIGGEST JOB THERE IS & the most difficult. If you can teach a child, you can teach anybody!" (990:11)

"GOD BLESS ALL OF YOU WHO TAKE CARE OF THE CHILDREN, probably the most important job there is, molding a little life & teaching it everyday. You learn 80% of what you're going to learn in your whole life before you're 5 years old, so think what you're teaching them! It's going to be 80% of everything they're ever going to learn!--Pretty important to teach them well & teach them right!" (990:145) (AMEN)

Thy Word have I hid in my heart...

(When I was a teen! - D.) (Ps. 119:11)

"Lisa Pray, Jesus In Heart"

HOW 20-MO.-OLD LISA ASKED TO PRAY TO RECEIVE JESUS!

Lisa, who after praying, told everyone Jesus was in her heart & was much freer to hug & kiss the people around!

From Dance, Europe:

ONE NIGHT I BROUGHT MY 18-MO. OLD DAUGHTER TO BED, and after reviewing Rev. 3:20, she said seriously, "Jesus knocks--heart," while pointing at her heart. I thought for sure she'd be too young to pray and ask Jesus in her heart and I just prayed with her so she could

it & gave her some verses & then we prayed. It was for the first time she repeated every word in the prayer. We both praised the Lord afterward & it was all such a testimony for Oswald! Hallelujah!

WHEN WE GOT HOME SHE TOLD EVERYONE that Jesus was in her heart! TYJ! Much love, Dance

go to sleep. Later I thought I missed the 'Golden Opportunity' & should have prayed with her! LHM!

ABOUT 2 MOS. LATER LISA AND I VISITED A SOCIAL WORKER, Oswald, a fish of Sharon, who was going to help fill in some papers for me. We had a real nice dinner together, we made love & had altogether a very nice time. I had a real chance to witness to him & explained the salvation message to him. He told me he was saved already.

BY THIS TIME LISA, WHO HAD BEEN PLAYING QUIETLY, CAME UP TO ME, took my hands, and said, "Lisa pray, Jesus in heart." She asked it very sincere and it brought tears to my eyes. So I told her a little bit more about

"IT SHOULD BE On The 'Best Sellers List'!"

What the Family says about the Childcare Handbook!

"Wow! How inspiring to just be able to flip through the index for Godly advice on almost anything you'd need to know, & the testimonies are just beautiful! There were quite a few things I hadn't been sure of, but found the answers in the Handbook!" (Maggie's vision!)

"We felt the new Childcare book & the latest Mag are like the start of a new era in the Family. As the Fellowship Rev. begins to roll, the Lord is pouring out the vital leadership & back-up material in printed form. Letters for Leaders, PTL! The diverse visions of so many brethren all working for the same goal all in one Mag: there is clearly a place for everyone, each according to his faith. No church can equal it!"

"The Childcare Book is such a victory in my life. I could hardly believe how beautiful & complete it is, TTL! & God bless FC Services & everyone that contributed towards it. Many, many thanks!" (Amen)

"The CC Book was marvellous. Never have I seen a childcare book so complete. GB FC for their tremendous work!"

The CC Book is stupendous! It's so complete & thorough!

"Really love the CC Book, it is such a blessing as I have only been in the Family for 3 years & I didn't have any childcare materials except system books. It's so complete & helps with important details that mommy needs to know. GB all at WS for such an effort!"

"A great blessing, which I was eagerly waiting for, was the first CC book. Even though I'm a single brother, I really feel a vacuum to learn about the miracle of new life & what a blessing to have it all condensed in one book without having to go through other system books."

"The CC Volume was a direct answer to prayer. My baby is now 7 months & feeding has been a hit & miss affair. I didn't want to buy commercial baby foods that I wasn't sure of, & didn't know what other things to give her as so much caused her wind. But thanks to the CC Volume, I know what to give! I prayed desperately to know what to do & the next day the book came!"

"The most beautiful baby book in the world! GB the FC team & everyone who worked on it!" (Sisterling MARIA!)

"Beautiful Fantastic! You could never find such an outstanding book in the system! GB FC--our love & prayers & appreciation to you all!"

"I love it! An answer to prayer! It contains so much & put together so orderly to help & so easy to find info. & the Lord's counsel without wading through volumes of misc. material. GB those who worked so hard on it!"

"The Childcare Handbook is the dream of many years come true! GBY all! How can we ever thank all our precious brethren who lay down their lives constantly to get this gold to us. May the Lord reward you for it! WLYVMI! (AMEN!)

"It is fantastic! It must have taken so much time & research! It's just packed with things that normally take me so long to find in research books!"

"We are so thankful for it! It is really fantastic with all those details. Now we can throw out some of our system books."

Fabulous! Also so needed to be organised & compiled to contain such a thorough & complete 'R' Baby Book! The system can't touch this one--by a long shot! BRAVO! MORE! MORE!! (coming!)

"The CC Book is incredible! A real feat! So much care, concern, research & combined efforts! It's marvellous, so much information in one book. FC has captured the best to serve us. Thank you! Our pubs are sure priceless & there is nothing to be compared with them."

"The CC Book is phenomenal work from the Family! Indeed complete & inspired & inspiring! We had a great need of it as the system is not so informed on how to love & care for our children." (AMEN! TYJ!)

"A dream come true! So beautiful! A real tool to help us become the best parents in the world by God's Grace!"

"WOW! Absolutely fantastic! A monumental publication that definitely will create a Revolution! Should be on the 'Best Sellers List'!" (AMEN! & REBE!)

"Chocked full of the most comprehensive material we've ever seen!"

"The Childcare Handbook is simply fantastic! It's the best of everything & has everything a parent needs to know. I'm qualified to teach childbirth classes & I love it!"

"The Childcare Handbook saved us hours of reading system junk! So compact, concise & faith-building instead of fearful!" (AMEN! & B. FC!)

"At first glance, I thought I wouldn't be able to use it much since I have older children & can't have anymore, but in looking further, I found it had a cure for gum infection I had... & many more good facts that I need for our family & others. TYJ! It's a great tool for all! GBYAI!"

"We wept with joy when we received this volume. It was like a dream come true! We love you Maria, our precious Queen!" (AMEN!)
