His-story of MWM Part 2!

Going forth to conquer! - With the weapon of God's Love in music & song! Some of the MWM Minstrels during the filming of "Jesus Is Born" video! (I-r) Tracy, Joan, Solomon, Windy, Paul Michael, Faithy, Topaz, Jeremy & Michael.

From Faithie:

ALL THE EARTH & HIS WORDS TO THE END OF THE WORLD!" (Psalm 19:4) Probably IN MUSIC SHOWS! THE the greatest victory of this past year of "MWM-Gospel for the World" has been that we have gone from being heard on just 2 radio stations in Asia, broadcasting to a few countries, to being

HEARD IN OVER 80 COUN-TRIES of the world! With some 50 radio stations now broadcasting MWM weekly for 1/2-hr., & most now asking us for 1 hour "The Lord hath done great things time God's ready to make you for us whereof we are glad!"

(Ps. 126:3.) Hallelujahl WE ARE NOW RECEIVING MAIL FROM ALL CORNERS OF THE GLOBE & gathering many precious sheep into David's most like one of our theme ful poportunity we have had to inspire the Family & Friends & giving them such an effective tool for witnessing via MWM

"HIS LINE IS GONE OUT TO music which He has been pouring GAL MUSICIANS, songwriters out on us this past year!

"IT'S THE ULTIMATE TRIP GREATEST SHOW ON THIS EARTHI TYJI" That's what Dad said recently about MWM, after hearing some of the latest shows! TTL! Surely one of the biggest lessons that we learned over the past year at MWM was:

"IF YOU'RE WILLING TO BE WHAT GOD WANTS YOU TO BE, not what you are, but what God wants you to be, then of the program weekly, minimum! He can mightily use you! By the some of the present, as we are really great. He makes absolutely being broken. Like the verse nothing out of you, so...it's only Jesus!" And as Dad also recently remarked after listening to Jeremy's Prodigal Son: "It's alfold, TYJI -Besides the wonder- songs! Such a theme song & so true of so many there!"-speaking of the MWM Family.

THE GREATEST TESTIMO-NY HAS BEEN THE LORD'S

shows & the wonderful Heavenly RECLAIMING OF HIS PRODI-& singers, altho' we've even had others pass thru' our midst & be refreshed by His Spirit of obedience & love, being refilled with His Word & getting plugged back into the source, TTLI "Unto whom much hath been forgiven, the same loveth much" (Lk. 7:47) is so total

> EVERY ONE OF US MARV-ELS AT THE FACT THAT GOD IS ABLE TO USE US after so many failings & mistakes, backslidings & sins of the past, & even continually learning lessons & says. "Unless you have been broken, humbled, humilisted & come to the end of yourself & have nothing left but God, God will never be able to use you as greatly as He would like. Did God make a mistake?-Or is all this necessary to make us what we ought to be?" We believe so! PTL!

ONE OF THE GREATEST

BLESSINGS OF LAST YEAR was the recording of our children's song tape "Heavenly Sunshine" or His-Story in Song! It was a tory for me, learning to let go & let God do it thru' us & to let His Spirit inspire us & take contral in the recording studiol

It just turned out so inspired & "snappy" as Dad called it, happy & easy to memorize the songs for our children, PTL!

WE HAD SOME SERIOUS BATTLES, of course, as the Devil was really fighting MWM's even getting started! Simon Peter got very sick with hepatitis & was in bed for several weeks. About the time we were finishing the children's tape he was getting back on his feet after much time with the Lord & searching the scriptures & reading the Letters-& writing new Scripts!

BY THIS TIME HE WAS SO FULL OF THE WORD, he was ready to explode on tape with having gleaned many fresh new quotes & ideas, even mokes & funny stories from the Letters. "When He can get you out of the tent the same day we moved way, then He has a chancel When you become nothing but a tool & a channel, then God can soon became our expert tent really use you!

THE NEXT TO JOIN OUR MWM FAMILY WERE JOAN & TRACY with their 2 children. & Windy! They had received per- helping us to finish the inspiring Dad & Maria that perhaps they could come & help us at MWM. since we desperately needed female vocalists. So after a very long & difficult train trip via Yugoslavia they arrived & we put them in a bungalow near our little camp, of only 3 trailers at that time. - Oh yes, & 2 tents! And besides children's tape, they recorded a few of their own special numbers for the new MWM Shows & were also interviewed on the Show by Simon Peter & so gave their testimony. We were so thankful for the lessons & the fellowship & the beautiful opportunity to use the wonderful talents the Lord has given them at MWM!

IT WAS SO BEAUTIFUL TO SEE HOW WE COULD LIVE TOGETHER & have "all things common" as we shared tents & trailers with each newcomer, as the need arose. & the Lord provided. After letters & phone communication inviting him to come & help us,

PAUL MICHAEL ARRIVED with his sweet Danish wife Suzanne & 2 precious children. We had just been able to buy another family tent from some Dutch tourists & got it all set up with the essentials just in time for their arrival. IT WAS SO SWEET TO SEE

HOW EVERYONE WANTED TO MAKE THEM AS COMFORT ABLE as possible as new campers. charing their little extras such as dishes, pots & pans, sheets & towels etc. I guess they knew how they felt when first learning to camp & so wanted to help the newcomers. Paul Michael & Suzanne were thrilled with their co-

zv little "home" in a tent & adjusted quite quickly to camp life. THEY ALSO HAD BEEN LIV-ING ON THEIR OWN, for about

2 years, & Paul had been working as a janitor in Denmark. He had hardly written a song in 2 years & knew that he needed to be using his talent for the Lord We needed someone to "stand in the gap" as a songwriter. & we really felt the Lord was calling him & would also give him new

HE HAD JUST READ "MIL-LIONS OF MILES OF MIRAC-LES" & had been recalling his own days as a pioneer & was be-ginning to feel the Lord's call once again to really do something for Him, Hallelujahl He dropped everything & came to MWM that same week, GBHI-& spent "Heavenly" weeks camping

with us & recorded 21 songs! THE SAMPLE OF LOVE & FELLOWSHIP WAS SUCH A BLESSING for him & just what the Family & to give him the con-viction to "step out now" & to once again be a pioneer & really help MWM—the Gospel for the Worldl TYJI

BUT THERE'S NO VICTORY WITHOUT A BATTLE! And the battle was on!—Both for the personal lives & walk with the Lord, & their music ministry! Even tho' she began to like us & our work & camping life & music, & possible even the Lord, after a very rebellious time, it was too late & the Lord wasn't pleased with her shenanigans & the trouble she caused between Angelo & Sara.

IT WAS THEN EVIDENT TO NGELO WHAT THE LORD'S HIGHEST WILL FOR HIS LIFE WAS, & he began to work extra hard to make a new relationship with his wife Sara.—And to get down to the Lord's important business of recording their songs for MWMI And also seeking Him for new inspirations for new songs to help us reach the lost sheep with His lovel

ANOTHER OLD TIMER DEAR JEREMIAH, SOON AN-SWERED THE CALL & invitation to come & record his son & spent 3 "renewing" weeks with us & recorded 30 of his songs! GBH! He helped us to pioneer "live" recording, which Dad had suggested we try to do more of to save time & help us to be more inspired in our re cordings—to just sing it straight thru' without stopping for every little mistake & thus better to capture the "firey anointing" & keep the inspiration flor

Paul & Marianne came to visit us & video MWM, our way of life & work, for Dad & Maria & the worldwide Family & friends. He has been washing himself clean in the purewater of the Word, & the many empty beautiful new & not-so-new many beautiful new & not-so-n Letters which are restoring unto him the joy of his salvation! Hall BESIDES THIS HE HAS BEEN

A GREAT PHYSICAL HELP a round our camp. One of his first nights, with us we had a big steam-own of the worst yet with risery might blow us swey! It was such a flood too that our tents start-ed to flood & blow down & al-most floated away! They say it was the worst storm in recent times, & many homes near us were flooded too, so it wasn't just our poor tenters who got flooded out! Others were worst off than us, at least we had a re' off than us, at least we had a ref-uge from the storm in the Lord & each other! —Working togethe as fast as we could to keep the water from completely flooding

TIRAS CERTAINLY WASN'T TIRAS CERTAINLY WASN I JUST A "FAIR WEATHER FRIEND", as he proved to be a strong tower of physical strength during the height of the storm, moving people & tents & belongings to drier ground! GBH! We'v also uncovered a hidden talent, which is composing songs for the children from the Mo Letters which feeds & inspires them so much!-And a good photograph

AND LAST BUT NOT LEAST WE HAD DEAR TOPAZ, NOW OUR CO-MC OF MWM, join us with Peter her faithful mate & 4 beautiful children! They were so thrilled when they heard Dad mention that he would like then to work full-time at MWM & move in with usl. They lived in nice little family tent until the storm flooded them out & we had to move them to a bungalow They have been such a great bless-ing & help in every way, GBTI

He's a classical guitarist & a very comedian GBHI HE RECORDED 8 ALL-TIME FAMILY FAVOURITES, played classically on the guitar! Once again, this was Dad's idea after

AUSTRALIAN SARA (MAR-GARITA), ANOTHER TALENT we have found "in our own back yard" here in Greece, also added something completely new to MWM-original Australian Fam-ily songs written by an Austral-ian brother (Steve) who went to be with the Lord a few years ago. Abram (Mike) & his son Zeph have also professionally record ed some of his songs in Australia on a system album which has been quite popular there.

ABRAM USED TO PLAY MTH STEVE IN A SMALL MU-SIC COMBO, but then Steve backslid & left the Family & the music group.—& suffered greatly from having departed from his shepherd & the Letters. So he

found himself in confusion 8 darkness, having rejected the Word & the way of happiness after having been so mightly us ed by the Lord to write such beautiful songs. LHHI WE TRIED TO CONTACT

STEVE WHEN WE WERE IN AUSTRALIA to try & reclaim him for the Lord as we fell in love with his songs, but we couldn't find him. A few weeks later we heard from our Family in Australia that he had gone to be with the Lordl—But had very sadly taken his own life in his car in his garage Teaving a des pairing note saying that he be-lieved in God but was so confus ed & didn't know how to serve Him & so couldn't go on any-more he was so miserable. Poor fellow! He must now see his mistake & be so thankful that we are using his songs! TTL!

"KID POWER"! One very im-portant fact that I want to men-tion here is that not only has the Lord reclaimed all these for His full-time service, but also their children who are now our "Kid Power" & a very important part of our Ministry, not only locally but for our worldwide spreading of the Good News, they often appear on MWM & are a Hitl GBTI They have op-ened many hearts to us & made our Ministry & living here pos sible, TTL! And also we are so thankful for our mothers, our 'queens' who keep them going

MORE VISITORS FROM MORE VISITORS FROM VERY FAR PLACES: ZACH LIGHTMAN flew in from Zambia just in time to help us film our "Jesus Is Born" video for the Family & friends worldwide Before going to his home in Norway he spent 1 week with us & was an invaluable help as we learned so much about lighting & videoing of our Shows from him. HE IN TURN SAID IT RE

MINDED HIM OF WHEN HE FIRST JOINED THE FAMILY n Norway & just walked out of his job as Norwegian TV's best lightman! He said he could fe the Lord calling him again!—T time to help our new Video & hopefully TV Ministry to really get started.

HE WAS GOING TO TRY & GET A LEAVE OF ABSENCE from his job, & last we heard he's miraculously gotten mobile & is coming with his family to MWM in February1 What a blessing for us & them!

HE GOT TO BE WITH US DURING THE RECORDING OF THE CHRISTMAS OLD FAVOURITES, & he saw how the Lord really broke us & got us all in the right Spirit & helped us to find the original inspir ation of these beautifully pow-erful & full-of-the-Word Carols

MWM's ever used by the

WE FOUND WE JUST COULD T RECORD THEM THE WAY WE HAD ALWAYS HEARD THEM SUNG in church. We had to learn to sing them, really listening to the words & putting real meaning & heartfelt emotion, & even praise, into them as we recorded them! Also, if here Carolleans. hese Carols were going to be played by the Family possibly played by the Family possibly until Jesus comes, we needed to put the real "fighting" spirit into them to keep us in times of hardship & tribulation, as we felt these were the type of song we'd sing then

ALTOGETHER IN THE PAST VICTORIOUS YEAR OF MWM we have recorded in our studios, both the old one & now the new one that our dear singing carpen ters built—Tiras Seeds, Chris & John Cloud, whose wives Nadia & Danielle help in provisioning & secretarial work —a grand total 256 songs! AFTER HEARING THIS &

BEING WONDERFULLY SUR-PRISED at the amount of work done in one year. Jeremy men

done in one year, Jeremy mentioned that it took them as long to do the last album he did for the system called "Flee", a total of only 12 songs! Wow! It's a musical explosion!

BESIDES THIS, 72 NEW SONGS WERE WRITTEN in this last year, 36 of them by our great & Godly composer Paul Michael! He said that in all his years in the Family (must be Michaell He said that in all his years in the Family (must be nearly 101) that he had only witten a sum total of 15 songs!! ON THE TAPES TO US is one of the most wonderful things I've ever experienced.-I think second my Salvation! I can't even take the credit to say it's dream come true", 'cause I never dreamed it or imagined even that would ever hear your voice say,

Topaz, I love you"! I JUST "CAME" RIGHT THEN & THERE in the Spirit & in the flesh I felt a warmness go all over me. Oh Dad, I love you too & Maria too. Thank you for your love & mercy & faith. Without you I know I would have been dead long ago. YOUR LETTERS TAUGHT

ME that Jesus is not dead. You taught me how to live & how to love. And like that beautiful song, "You are my life" says, "And if today I am not the same it's all because of you". If I dance or sing or shine or any it's all because of you

WE MOVED INTO THE MWM CAMP almost one week ago We feel what home as we see Faithy & Juan's love & concern every day for all of us. And Grant & Sue & Nath an & Leah & everyone cheerfully doing their best to make it all work.
WE JUST HOPE & PRAY
EACH DAY THAT WE WILL
NOT FAIL the Lord or you or
all the precious lost waiting to
be found & wooed by the music
of the harp of David. I love you both. Maria, your voice is so sexy, smooth & beautiful. G bless you! We're praying for you Love forever, Topaz.

From Peter: (Topaz' mate) Dearest Dad & Maria,

GBYLLLOVE YOU SO VERY MUCH I won't even try to say how much. I'm thanking the L for His & your mercy on all of for His & your mercy on all of us prodigal sons. That Scripture is truly fulfilled by you that, "W loved him because he first loved us". And I pray the Scripture is fulfilled in us: "Him that is forgiven much, loveth much' God bless you, Dad. THIS, OUR FIRST FIVE

DAYS IN MWM CAMPING. has been the most beautiful week in our lives in a long long time. Thru' Faith & Juan's influence we can really feel your spirit here & how it must be in your home. There's really no-where else I'd rather be than here being a small helping hand to this great ministry. I'M REALLY HAPPY &

THANKFUL TO THE LORD THAT TOPAZ CAN BE SUCH ABLESSING & be used so much with MWM. I share your feeling that she really has "it" & she should share it with the world via MWM! Your comments really encouraged her & us so much, & she wants to be used to the full.

BEING ABLE TO LISTEN TO YOU on these tapes is really like sitting at your feet & get-ting your message for today. What an honor! On tape 5 you mention me a couple of time about helping out around the camp & about my former selling of rocks. Your comment on the tape about "giving part of my

LORD FORGIVE ME FOR TIME WASTED! Altho' I wasn' nto it for the sake of business (like some others) but rather to help my little family thru' a hard time, it was a lack of faith, I feel, in not trusting the Lord & I was cheating God & souls of

my time. It's so inspiring to know that my whole "being" is geared for this important work even if one of the smaller mem bers, TTLI I love you both a lot. I'm not one for many words, but the feeling is there. Love, Peter, From Jeremy Spencer: Dear Dad & Maria, GBAKYB! I'M WRITING

THIS NOTE IN RESPONSE to your inspiring comments on th MWM videos. The points that the Lord brought out I think vould make an excellent Letter I especially saw the point about zeroing in on someone whilst singing or giving an interview or covering the show, it makes such a difference & really makes the song or whatever it is come across alive & personal

ANOTHER THING THAT WAS A BIT OF A SHOCKER was the suggestion to try record-ing the music & vocals all at the same time. So I thought about it, prayed about it, slept on it (or should I say stayed awake on it!)! & after Faithy discussed it with us the following day, we tried it. THE RESULTS HAD A

CERTAIN "RAW" QUALITY that was quite good. It's going to take some practise as it's def initely not what we're used to! (Altho' I remember that during my first days of recording with Fleetwood Mac, I never consid ered recording any other way but music & vocals all at the same time).

I SUPPOSE THAT SINCE THE INTRODUCTION OF "MULTI-CHANNEL" RECORD

ING, artists & performers have become too technical & exacting in their music. And come to think of it, I think some of my most inspired singing has been whilst doing it "live" with the music, such as the little tape I did for my children. Tho "it's susual processor to on back & susual processor to on the control of the susual processor to on the susual processor. usually necessary to go back & add small embellishments mus ically to sort of "spice" it for listening interest so to speak.

OUR FIRST TWO TRIES AT DOING IT THIS WAY SEEM ED TO BE QUITE INSPIRED. We did, however, add a chorus on "Ballad of Aquarius" as due to the limitations of our equip-ment it would have been rather difficult to do it all at the same time, because of limited space, microphone channels on the

I REALLY EEEL THO! THAT THIS METHOD WILL REVOLUTIONIZE OUR MU SIC, because if a song does not come across "live", I suppose it's not really going to come ac ross with all the technical "patch ing up"1 It's interesting to note that of the top three current listeners' favourites, two of them were recorded in this fashion! So that goes to show that the Lord is not limited by many or by few! (AMEN! GBY! - Ded)

'D BETTER CLOSE NOW NEED TO GET BACK TO CAMP. (I'm writing this during my "get out" time.) Thank you again for taking your time to give us all this wise counsel. But of course it just shows how important it is to the Lord right now. We really need your guidance & to follow it. Faithy got the verse, "The king's business requireth haste" (1Sam. 21:8), sol pray that we will do our best to pray that we will do out best to put all your suggestions into ef-fect. "Believe His prophets, so shall ye prosper" (2Chr. 20:20) is the verse I got on this. Love & prayers in Jesus' Name, Jeremy
