

ual beauty & that the Lord never made an ugly woman but that each has something special about them. (Amen: GBY! 14Y!)

I KNOW THAT ONLY IN LOVE CAN YOU SEE THE GOOD & possibilities that others cannot see, & it certainly reflects in the women that you have there near you—the fruits of love & appreciation! Another thing I really liked about the "headless" video was that each girl did about the same thing & wore the same clothing, which I thought was very considerate & thoughtful of you to suggest, as it made you concentrate on their body movements, grace & poise. Women are all the same, & what you said in a Letter quite some time ago is so true:

"TELL HER SHE'S BEAUTIFUL & SHE'LL BE WONDERFUL." And I could add, "Tell her she's sexy & she'll be sexy!" Because as you've said, "Being sexy is just being you!" I'm also very glad that you consider the top half of a woman more beautiful than the bottom half, & that you like tummies! (Amen! Love'm!)

ALL YOUR SWEET COMPLIMENTS TO US "LARGER" WOMEN are such an encouragement to me, & it's certainly true in my case that my top half is nicer than my bottom half. Being crippled & having an unsightly scar at the base of my spine had, in the past, held me back from really feeling free to be nude before others except those I was in bed with.

DURING THE FILMING OF THE "LOVE" VIDEO I WENT THRU TRIALS because on the one hand I felt ashamed to be nude before others in that type of situation, but on the other hand not being in it I went thru trials about being "left out" & the "only duckling". But the Lord really gets all the credit for my victory because on the day the "Love Video" was finished

& sent off He gave me the verse "God's delays are not denials" because I had prayed desperately to be in that video!

TWO DAYS LATER WE GOT THE MESSAGE FROM MARIA asking all the girls who wanted to, to dance & to strip for you, Dad! I only wish I had taken a bit more off! Anyway, I was so happy & especially thankful to see the Lord so faithfully answering my prayers! My strip & dance won't be the best you've seen, & I certainly have a lot to learn about being video'd, dancing & stripping etc., but it was done with a lot of love for you, Dad, & with a real desire to give you something after you've given me so much! But what can I give to the man who has everything? All I can give is my love, my devotion, service, & if you ever want another strip again, I'd be glad to!—Hal (TYJ! 14Y!)

IT STILL REALLY TOUCHES MY HEART every time I read the transcript or listen to the tape of your "Comments on MWM's Christmas Video Show" when you said that I was beautiful. Thank you! You'll never know just how much those few words meant to me & how much they encouraged me, especially when I wasn't feeling so "beautiful". Thank you, Maria, or asking all the girls to do that dance & strip. God bless you for making us all feel a part & close to David. (Amen! She loves U!)

ABOUT THE VIDEOS YOU HAVE DONE, DAD: Those fantastic classes are wonderful! Maria is certainly right, Dad—you are very beautiful! During the first class I couldn't take my eyes off you, & it was very difficult to take notes—Hal And your singing voice is simply gorgeous. I never knew you could sing that beautifully! It really adds spice to the Video Show when you start singing like that!

I THOUGHT YOUR AUDIO SHOW WAS GREAT TOO! It made me cry!—So very touching,

& just what our MWM listeners need to hear (us too—hal). I do hope you will become a regular feature on the audio MWM Show, as it certainly can't help but add more "meaning" to the already meaningful Show!

THANK YOU FOR TRUSTING US TO WATCH THESE VIDEO SHOWS you've made, & I certainly agree with everyone else that they will be great for the general public! Your classes really do keep us on the edge of our chairs in anticipation, & your jokes & humor keep us rolling on the floor in laughter! GBY!

OF COURSE, IT'S THE LOOK IN YOUR EYES—the sincerity, the truth, the love, the fire & the wisdom that is really impressive & helps us never to forget it! I must admit that there is certainly something very special & enlightening about looking into your eyes while you speak to us on the video screen! Your appeal for souls at the end of each program is so moving it makes me want to get saved all over again, every time—hal I've learned a lot about witnessing just by watching these videos, your passion for souls really convicts me & puts a fire in my heart!

I JUST WANT YOU TO KNOW THAT I LOVE YOU very much. I pray that I can always be a faithful, loyal, loving crew member of this great ship. Simon Peter has been wonderful to work for & his "Simon Peter Day" was most deserved. He is a saint, like you! Love forever, Nadia.

(PTL! GBY! TYJ! Uv so encouraging! What more can I say?—Uv said it all!—Uv was all absolutely beautiful! The Lord has the most beautiful girls in the world! I want to be like Him—Uv said it!—Uv will use it all the credit in His glory! Hal! Hal! Amen! Hal!)

Dear Dad, LETTER FROM JEREMY SPENCER AT MWM!

God bless you both in Jesus name. I wanted to write and thank you so much, Dad for taking your precious time to comment on my last letter to you regarding the holiday with Maria and your music tape for later some the day after I received some a/c mail that had been sent to my parents from Florida (Amen!) I have thought about that the Lord sends me encouragement at the same time. Please! I have received that kind of attack in the mail before too, and your reply more than made up for it.

We also received your comments on your music tape, I'm so happy to hear you like it. We certainly did not do it because we feel sorry for you, but out of love. A lot of credit must go to Abba, too, for the time he took in equalizing the original tape in copying it to eliminate the background tape hiss. (G.O.M!) (Coming soon!)

This seems to be quite a good way to accompany you, you sing a capella, going where you feel it should, & be followed later!! We are not tired of you looking over our shoulders, we hear and appreciate your comments, compliments and rebukes although we've been getting so much approval from you it's almost scary! I know you must know that a proud, humbling, unassuming heart we are! Thank the Lord he helps our music to be beautiful! (Amen!)

On top of all this, having your Paulina class on video has been amazing, so different. Hearing her and you, I felt like I knew you all my life. We then you talked to me on the phone from London when I first joined. So much as you have said about your personal presence, I can see why Maria said in "The Shaped" class, she can't seem to be able to separate it from the spirit!!! I feel we really do need your presence & guidance for awhile yet, as the Lord sees it. (Amen! Hope 2.0 @ awhile yet, DV.—Dad)

So God bless and keep you in your moral, in Jesus name, we are all praying for you. We hope to be in S. America soon. Love blessing (Amen!) (Sooner than U think!—Ha! GBY!) (TYJ! Hal! Uv wonderful! Love and prayers in Jesus name!—Uv said it!—Uv will use it all the credit in His glory! Hal! Hal! Amen! Hal!)

MONTHLY (RECAP OF M&M MAIL)
Compiled & typed by Karen Tommy

TO ONE OF MY FELLOW BROTHERS AND SISTERS: (No. 238-12)

(PTL! GBAKY everyone of you! Your letters are such a thrill & inspiration! The fruit of His love in & through you is the pay off & makes it all worthwhile!—ILY!—D.)

We've had another happy & inspiring month thrilling to your inspiring testimonies & loving letters, thanking the Lord for the many victories won around the World & praying for you in your many ministries of Love in His Service! Each & every word you write is read & prayed over & we are so thankful for each one of you! Please keep writing! GBY! WLY! --& hope you enjoy this month's Recap of incoming M&M Mail!! (We do! GBY Karen!)

WONDER WORKING WORDS!

"I'm writing this letter just after reading the RD copy of your Letter 'To Be or Not To Be'! ILY so much that I can't hold back from weeping. Please believe that I am your son & that I love you like I love Jesus. You have always been & always will be the hero of the day, the defender of the meek, & vindicator of the righteous & the Prophet of the age! My heart is broken & overflowing with joy to have read such sounding & reverberating truth! This Letter is sure to release the brethren from the chains of fear & conformity into the glorious liberty of being able to abide in our individual callings & to spread the Gospel with spirit-led witnessing!

I would like to shout the victory as last night we read the Letter in a committee mtg. & it was victoriously received as a whole with many prophecies of confirmation. For the first time I felt we were really united in Spirit as we all had repentant hearts & only now want to get the job done

here before it is too late! There was much sorrow & regret expressed for all the brethren that were spiritually estranged & an agreement to make apologies & every effort to bring them back into fellowship made. We're a big river now all flowing in the same direction & they are going to know that David's mighty men are here & fruit is going to be won because now we're going to roll the gold & plant the Golden Seeds so that we can reap the harvest!

GBY, Dad, for again taking the side of the little guy & speaking the truth no matter what! God help us to never forget that you will always be the sympathiser, the vindicator & defender of the faithful frontline soldiers who want to get the job done! Please forgive me for my guilt in the matter—but I know you don't want apologies!—You only want a change & some action & fruits & by God's grace that's what I'm going to do! ILY! Happy ending!"

Isaac & Dulce with their newly provisioned lit contacts in a former controversial South American Country!

"Thank you so much for 'Rewards'! It was so very encouraging as we often feel somewhat discouraged because pioneering is hard work! We have now left a beautiful home for an exciting new field & are sending a testimony of the many mighty miracles the Lord has been doing! TYJ!" (Coming soon in the FN!) Love, Gibeah & Mercy — SEA (Amen! GBY!)

"Thanks again for 'Refuges'! It is now almost 2 months since I arrived here from Australia. The people are so sweet & hungry for the Words! Last week at Sunday Fellowship 12 people that our small Home met came to visit...on a 3

day road trip 250 souls were saved & 8,000 pieces of lit got out. We've gotten 22 responses in the mail from the 2 towns that we visited so far... & the Lord's opened the door for us to do 3 puppet shows for children's TV! PTL! ILY both very much!

Love, Michael Davidson — SEA (former LAF Shepherd, now 'Paper Boy' Hall!) (PTL!)

"I'd like to report that the 'Fellowship Revolution' has been the biggest life-changing force in the lives of those we know here! Many families have left their system jobs in order to get back to full-time witnessing, litnessing, provisioning & child-training! Sad to say that all the convicting & even threatening words didn't bring as great a change as this one, which brought more fellowship, more observation & therefore more conviction to get their sample back in line with the Letters! Ha! It's hard to hide with visitors coming each week & voters looking for the most faithful!

The second week of Sept. we organised a GAF camp fest in which the Lord provided 25 camp spots & enough food for 3 days! Over 60 adults & 40 children came representing Homes from a wide area! We fellowshiped, shared testimonies, had Kid Power for an entire afternoon, Mom's meetings, action committees, Communion, Come-Union & elections. It was wonderful! We also collected funds & called Miami to get a PAL video & TV!! TYJ for this wonderful freedom! I want to give it all back & 'in love serve one another'! GBY! Love & kisses forever!! Ruben & Katrina — Canada (Amen! HAL!)

"I wanted to write to share some first reactions about the 'Fellowship Revolution' & what an effect it's had on our Home of a mated quartet & our 9 children!

When I think back on the first LAFH meetings we attended, I can't help but notice how so many of the couples living alone commented on how they would like to be working together with another couple as one unit & raising their children with the 'One Wife' vision as they see us doing. I know in our case it has born a lot of fruit in the way of our everyday conviction of living for Jesus & obeying the Letters the best we can!

Sticking together as a team for so long

"Welcome to the South!" says beautiful Lia Natureza, happy & radiant in His Service now full-time after being a catcomber for 4 years!

has formed us into a streamlined fighting unit working together with each doing what they can do best...each one helping the other to recognize & develop the talents the Lord has given to each one! Hallelujah!

"To do this though, we've each had to continually forsake our own personal selfish ways & die to ourselves to do what works best for us as a body. That isn't always easy but we each wanted to do what the Lord wants first & forsake our pride.

We noticed that almost everybody is busy preparing to go to a new field! This has been very inspiring & gave us new ideas concerning ourselves as relocating a family our size with so many tiny children isn't a simple affair! Seeing & meeting so many new brethren of whom we've heard about or read about in the FN is really exciting & our faith is increasing! It is so good to have a Family!

Please keep those Letters & Mags coming, Dad & Maria, as we love them & need them so much & cling breathlessly to
