FAMILY ON THE ROAD IN CENTRAL JAVA!

L to R: Levi with Eman, Tini with Seth, Angie, Casandra with Christian and Maresha & Peter!
WE LOVE YOU!

Happy New Year of 1982, God willing it will be even more fruitful this year than last if that is possible! The last month was our most exciting busy and fruitful yet here in Indonesia.

With the coming of December and Christmas we decided to take a trip to central Java even though we were very low on finances at the time! We all decided to go in a stationwagon/truck that Levi had bought about a month ago. We needed new tyres as the roads outside of Jakarta are very bad so we prayed and God supplied 4 new truck tyres plus a sweet Indonesian Christian man to fit and balance them for us. GBH!

So we were ready to go, Levi & Casandra & 4 kids with Tini our Indonesian maid and both of us making 5 adults & 4 kids. One of the first things that happened was Tini our sweet maid got

saved hardly before we left Jakarta! Around night time we arrived in Cirebon, halfway so decided to stop the night and head off in the morning. We went to one of the nicest hotels in town and they gave us two beautiful rooms and breakfast the next day for under 1/2 price! That morning we hit the streets with God's Word. Markets, schools & shops and got out over 8,000 pieces of literature before heading off again around 12:00. That evening we arrived in Semarang. There we set up at the home of sweet Josh & Suzzie who warmly welcomed us and took us in for the next 5 days. GBT. In those 5 days we were

able to pass out over 50,000 tracts and witness to countless hundreds of people! What a miracle! The mail ministry here in Jakarta have received hundreds of replies already from the seeds of Gods Word planted there.

Our Christmas shows were also a great success with hundreds of souls receiving the Lord from the shows the kids put on! They really won everyone's hearts! GBT!

The sweet family that helped us prepare the truck trip!

One major miracle that happened this month was that Maresha got quite sick with kidney stones but we prayed and asked the Lord to heal her up and the next day when she went in for xrays they were all

A little bit of love goes a long long way! gone - disappeared! The Doctor who was in charge of the case was dumbfounded and sat at his desk quite puzzled so we explained to him that we had prayed them away! He was so impressed that he said he wouldn't charge us to help us continue our work in Indonesia. GBH!

This month we have already planned two more road teams, one to a previously untouched city of 1 1/2 million. Our printer was so impressed at how our last road team went he said he would print all our lit free from now on! Also God has supplied a contact which will enable us to fly free to many of the outer islands that have huge populations yet to be reached with His Words. Can you help? - AMEN! PTL! GBY! FAMILY HELP!

We need your help to continue to reach these sweet people with His love. Please help! ☺

MWM INDONESIA NEWS!

Dearest Family & Friends,
We love & appreciate you all so much & thank you for your prayers & support. GBY!

The Indonesian MWM Show is off & rolling!! Since Dad's message mentioning specifically that Indonesia should make its own local language MWM Show, great steps forward have been made. We are using a radio station's recording studio to tape a local MWM Show. They give us free use of their studio & we produce a show a week which they air & which we duplicate for all the other stations. We are now up to show No. 8. etc!

The number of stations now broadcasting the English MWM Show has grown to approximately 100 & over 600 MWM listeners have written us over 2,000 letters! So with the MWM Show now in Indonesian as well, we have a vision for thousands more club members and much

fine fruit won. The Indonesian tape was sent to the stations to supplement the English show, and since our first mailing of MWM Programs 1 & 2 to 80 stations at the end of Nov., our mail response has doubled to 290 letters from the listeners in only three weeks!

DJ FOUND: As Dad has said, finding a good DJ is the most important thing. Well, thank God, we found one! - one of the main Indonesian translators, Michael Tea, to DJ the show! He has been translating for four years & really knows the Word & the spirit of David - & he has a real burden for his people. He has also had past experience as a DJ & musician & is familiar with recording studios. -TW!

OFFICE TEAM: With the large volume of mail received & frequent communication with the stations, MWM shepherds, Corny & Nekoda's staff of secretaries working in the office has now grown to 5, two of which are full-time. Corny & Nekoda have been monitoring the stations, following up, corresponding with the DJs and booking

stations--all thru the mail. --And Indonesian national, Martha, our other fulltime secretary, is the MWM Club Secretary. She has been busy for the past year answering the sheep letters with Corny daily & winning souls through the mail. Nadia, Batsheba & Sarah have also been working part time in the office, and now the mail follow-up team is really getting results. GB'm! --And the Indonesian Lit-Pic are now producing the first two MWM Club Mags which are going to be a great blessing in our followup! - **GBY!**

TRANSLATING: Josh from New Zealand and his beautiful Indonesian wife Heidi are

busy translating songs from MWM into Indonesian along with Carlos Mexican, singer & guitarist, who helps them match the words with the rhythm and melody of the song.

SINGERS: And last but not least are the singers and musicians who have been doing a great job of recording in Indonesian songs for MWM Show: Nationals--Michael Tea who's also the DJ, Martha, Batsheba & Sarah, who are singers & also MWM secretaries; Carlos from Mexico who's also the DAP Shepherd; Byron from England who has a voice like Andy Williams; Daniel & Miriam

Michael Tea, DJ & singer/guitarist

from America whose country- & western style in the songs in Indonesian has added a lot of spice to the show;

lovely Davide from New Zealand whose voice adds a heavenly dimension; Corny & Nekoda Black from America adding some soul; Philippe Gypsy, guitarist & singer from France; & Brother Sun from California who is also singer, song writer & MWM-Indonesia Show's Coordinator. Musicians still out in the field whom we hope to record soon are Michael England, Daniel Norway, Jerusha, Ben & Mirjam's kids, etc., etc.

PROVISIONERS: Production & follow-up of this show would not be possible without the help & concern of many behind the scenes, such as provisioners Simon Rich and Philippe Gypsy who have been very busy provisioning all the needs for the show, such as: 200 high-quality cassette tapes per month; free duplicating services;

Simon Rich

5,000 cassette labels; 7,500 assorted envelopes every two months, typing paper, and paper for printing comics! GB'm! They really have great faith! -- & where the Lord guides He provides! - **AMEN!**

MINSTRELS: --And the Lord also guided the Jakarta MWM minstrel team to hit the road for Bandung. Bandung is a university town and the political center for Indonesia. Peter Picture had done a good job of booking five stations there! We visited some of the stations airing the show in English, did live shows for three stations, booked two new stations, and did two university programs, winning 60 souls! - **YIP!**

GOVERNMENT
Thailand is a constitutional monarchy. It was an absolute monarchy until 1932 when a constitution was established. The constitutional system was first overthrown in October 1958. It was re-established in 1968 & again rejected in a bloodless coup in 1971 & replaced by a "National Executive Council" which ruled by decree. This government was in turn overthrown by what nearly amounted to a civil war led by secondary, college & university students in October 1973. Many, many students were killed and thousands arrested. The oppressive leaders of the former government fled the country & democracy was instituted. Since then it has been a pretty regular cycle of elections-weak government-coup with the coups or attempted coups usually taking place in October. The ARMY is the only real power in the country supplemented by the other branches of the Armed Forces & whenever the government doesn't suit them they toss it out & rule by decree for awhile promising to "restore democracy when conditions permit." Communism was rampant & rose to its peak in about 1975 was mercilessly crushed by a rabid right-wing government installed by the military & eventually became so rightist it even became too much for the military & was again replaced. The present government has been the best one for the Family thus far. The last one (Kriangsak) was the worst. Politics are a very popular subject here & when there are elections there are at least 40 different political parties contesting it showing there is quite a diversity of opinions on how things should be run. Politics are a very "hot" topic.
