66. SO "COUNT YOUR BLESSINGS!"—I don't know whether we've got a Letter by that name or not, but that'd be a good name! God bless you, Honey, I've got to get up before you wear a hole in me! I'm probably wearing a hole in you, getting you raw. TYL! PTL! Count your blessings! PTL! Sing, pray, praise, get busy!

67. IDLENESS IS THE DEVIL'S WORKSHOP! If your mouth is idle, he'll use it. If your mind is idle, he'll use it. If your imagination is idle, he'll use it. If your hands are idle, he'll use them. So if your tongue is idle, he'll use it, or try to. Get'm busy for the Lord: Sing, pray, praise the Lord, quote Scripture, or at least think about it if you can't do it out loud wherever you are, or get busy with the work you have to do.

68. DO SOMETHING POSITIVE! Attack the Enemy & his territory by doing something good, & that way chase the bad away! "Chase away the bears", praise the Lord, by going into action! Go on the attack & think positively, talk positively, sing positively, quote positively, pray positively, act positively!

1. (7/4/82) WORLD WARS HAVE STARTED OVER JUST LITTLE THINGS, STUPID MISTAKES! World War 1 started over an assassination. The shooting of the Archduke Ferdinand at Sarajevo started a war between Austria & the Balkans, then Germany stepped in & they all began choosing up sides & diving in until the whole World was at war!

2. WORLD WAR 2 STARTED THE SAME WAY: HITLER KEPT GRABBING OFF THIS, THIS & THAT, & he grabbed off this place & that place & nobody did anything about it so he just felt he could keep getting away with it. He grabbed Austria & Czechoslovakia etc. & finally he figured he'd pretty much grabbed everything except France & Poland & it was time to grab Poland, which was kind of a pushover.

3. HE NEVER DREAMED THAT BRITAIN WOULD KEEP HER MUTUAL DEFENCE TREATY WITH POLAND & step in & try to defend Poland, because it was almost a ridiculous, hopeless, useless effort to try to defend Poland in that stage of the game when Hitler had most of Europe in his grasp, but Britain did it! Britain jumped in with the encouragement of America & the Jews, of course, their final excuse to try to fight Hitler.

4. SO A LOT OF THESE WARS START BY MISTAKES & SOMEBODY'S MISCALCULATION. Hitler miscalculated that he

69. THE POWER OF POSITIVE PRAYER & PRAISE & QUOTING & SINGING & ACTION JUST REALLY PUTS THE DEVIL ON THE RUN! He sure doesn't like the Scripture & he hates praise & he hates thanksgiving & he hates songs of prayer & praise, & he especially hates our positive active work for the Lord. If he can just get you idle you'll have time to just think all his thoughts & doubts & fears & everything.

70. THE BEST THING TO DO IS GET UP, LIKE I DID THIS MORNING AT 5:30 & GET BUSY, GO TO WORK! why lie here worrying about all the work I've got to do & worry about it for hours & stay awake & can't sleep because I'm thinking about things I need to do? The best thing to do is just get up & do them! Amen? Instead of worrying about it, do it!

71. YOU'RE JUST WASTING TIME LYING THERE WORRYING ABOUT IT & wakeful about it when you could be up doing it! So I just got up & went to work, & then when later I got tired & sleepy I just went back & took a nap! So here we are & look how the Lord rewarded me!—XXXXXXXX!—With a nice little love session with you! So PTL! TYJ! Amen! COUNT YOUR BLESSINGS!

could grab Poland without Britain doing anything about it. Britain miscalculated that she could jump in quick & save Poland & put down Hitler! And you know what happened. So things like that happen & it doesn't take much to start'm.

5. (22/7/82) RUSSIAN IS A WONDERFUL LANGUAGE SPOKEN BY A WONDERFUL PEOPLE who are doing a wonderful job of taking over the World, & I guess the Lord must figure they can do a better job of it than the ones who have it now or He wouldn't be letting them.

6. EVEN BREZHNEV IS KIND OF AN OLD SANTA CLAUS! I look at the Russians sometimes & I figure, well, take a look at them & take a look at Reagan or Halg or some of those other guys & I'd almost rather trust the World in the Russian's hands than some of the others that already have it—especially Begin!—He looks like a demon or an ape!

7. BEGIN COULD QUALIFY FOR THE ANTICHRIST WHEN IT COMES TO HAVING A FIERCE COUNTENANCE, & when it comes to not regarding the desire of women—or their children for that matter, the way he's blown them to to bits & pieces in Lebanon! Except I don't think he's young enough & not nearly that smart! He's not winning the World, he's antagonising nearly all the World!

8. (12/8/81) I THINK BEGIN IS ALMOST THE DEVIL IN PERSON, ONE OF THE MOST DANGEROUS MEN IN THE WORLD! I think he's demon-possessed, demonic! Look at all the Evangelical Christian churches backing him, to the point where he even phones them for advice & asks for them to help him! It shows you how plumb off the beam they are!

9. HE'S ITCHING TO GET INTO WAR BECAUSE HE FIGURES HE'LL WIN IT, or the U.S. will help him to win it, & he'll wind up better off than he is now, maybe with Jordan, then Lebanon, Syria & Egypt & even maybe Saudi Arabia nicely annexed into a Greater Israel!—The dream of all Zionists!

10. THIS IS THEIR DREAM, THE GREAT KINGDOM OF SOLOMON & DAVID, & that's how far it stretched, including half of Iraq & even parts of Turkey & into Libya. But I don't believe the U.S. is quite ready & willing to help him do it. But he wants it all & he's out to get it any way he can!

## Peace — and war — A BAST

**IN The Lessons of History, historians Will and Ariel Durant write:**

"War is one of the constants of history, and has not diminished with civilization or democracy. In the last 3,421 years of recorded history, only 268 have seen no war."

The statistics, stated as concisely as that, are stunning, but hardly surprising. In this century alone, we have seen dozens and dozens of wars among various nations, and two world wars with a third predicted before the end of the century. There are simultaneous wars involving Britain, Argentina, Iran, Iraq, Afghanistan, the Soviet Union, Israel, Lebanon, and there are major conflicts everywhere from Poland to Vietnam.

It is actually peace, not war, that is the unusual condition. War has become for many peoples all over the earth, a way of life. In fact, there has hardly been a single generation in hundreds or even thousands of years that has not personally experienced war. Some friends and I, War II, were assessing our chances of living out our lives without hav-

ing to go through a war. Our conclusion: practically nil.

If human history is so characterized by war, the scant periods of peace seem designed only for cleaning up the debris of wars and preparing anew for the next one. Peace is almost reduced to those times when nations can re-arm themselves, renew their populations and find another excuse for war.

"The causes of war," the Durants write, "are the same as the causes of competition among individuals: acquisitiveness, pugnacity, and pride; the desire for food, land, materials, fuels, mastery." All those are wonderful excuses for war.

The regularity of war makes the few and short-lived pauses for peace even more precious. The thousand activities possible in peace acquire the courage of the doomed. They are pursued, engaged in, even though their destruction is foretold by history. Under the constant shadow of war, buildings are still built, books still written, roads still paved, songs still sang, love still ventured upon. Human beings do not realize how much built-in courage they have to proceed with the ordinary processes of life.

If war is the constant of human life, why bother with peace then, one is tempted to ask. Why erect all

these homes and hotels only to have them blown up by bombs; why create all these works of art — paintings, books, sculpture, edifices — only to have them demolished by invading and resisting armies; why risk learning to care for other people only to mourn or go mad when they are struck down in war?

The answer, too, is in history, say the Durants. "To those of us who study history not merely as a warning reminder of man's follies and crimes, but also as an encouraging remembrance of generative souls, the past ceases to be a depressing chamber of horrors; it becomes a celestial city, a spacious country of the mind, wherein a thousand saints, statesmen, inventors, scientists, poets, artists, musicians, lovers and philosophers still live and speak, teach and carve and sing."

"The historian will not mourn because he can see no meaning in human existence except that which man puts into it; let it be our pride that we ourselves may put meaning into our lives, and sometimes a significance that transcends death."

Peace then, and even war, derive their meaning from what man puts into it. Once that meaning has been placed there by individual men and women, even war acquires a meaning; even fragile peace a purpose.

members too whenever they get in the way, also his Haddad's so-called Christian Arab Lebanese stooges.

17. HE IS NOT ONLY ITCHING FOR WAR, HE IS ALREADY AT WAR with the Lebanese, Palestinians, Syrians, Libya, Russia, Iraq & Jordan! He doesn't hesitate to attack these countries when he feels like it & it suits his purpose, & everybody lets him get away with it!

18. HE REMINDS ME A LOT OF HITLER! Hitler went ahead & took whatever he wanted because everybody was afraid to try to stop him by crossing him, so he just marched into country after country & took them over without a shot because he had the nerve & the gall & the guts to do it!—And everybody else was yellow-livered & weak & scared to cross him!

19. HE COMES THE CLOSEST TO BEING A MODERN HITLER OF ANYTHING I'VE SEEN! Typical! Overly-ambitious, zealous, aggressive & insane!—And insanely religiously convinced that he is virtually the Messiah of Israel to save her & recoup her lost lands all the way from the Euphrates to the Nile! That means half of Iraq, all of Syria, part of Turkey, all of Lebanon, all of Jordan, half of Egypt & about half of Saudi Arabia!—All of which David & Solomon used to rule, so-called Greater Israel. I don't think he'll be satisfied with less!

20. IT'S OBVIOUS HE WANTS WAR & THE QUICKER THE BETTER! All he needs is a good excuse for it. He's already waging virtually a full-scale war in Lebanon, just doing it as economically as possible. But he's still Jewish & doesn't want to lose too many planes so he's kind of shying clear of the Syrian missiles & hitting where they're not interested in trying to object or protect.—But they'll be next!

21. BEGIN MAY ALREADY HAVE SOME KIND OF A GENTLEMAN'S AGREEMENT WITH SYRIA like he claims they had before, & that is: "You stay North of the Litani River & we won't bother you; & we'll stay South & you don't bother us! We'll take half of Lebanon—you take the North half & we'll take the South half"—which he virtually already has because he has complete freedom of the skies & they don't bother him in the South.

22. AND OF COURSE THE U.S. WON'T DO ANYTHING ABOUT IT. It's just like the camel's nose, he'll take a little more, a little more. Meanwhile, Sadat has made a pact with the Devil thinking it's going to save his skin by the help of the great Satan, you know what I mean?—The other devil & all their money & planes & all that—the USA!

23. BUT WHEN IT COMES TO THE SHOWDOWN THE U.S. COULDN'T CARE LESS IF BEGIN DECIDES TO TAKE OVER EGYPT, because then they wouldn't have to worry about Sadat & his Idealism & they could run Egypt the way they want to run it, the way Begin runs things, just by the gun!

\* \* \*

24. (19/7/82) JUST LIKE ANY DICTATOR, BEGIN IS DISTRACTING PEOPLE'S ATTENTION FROM THEIR INTERNAL PROBLEMS, their terrible domestic & economic problems at home, by trying to unite the nation behind a war against the common enemy & the pitiful little PLO. It's exactly the way Hitler tried to unite the Germans against the Jews & blame all their problems on the Palestinians.

\* \* \*

25. (21/6/82) THE ISRAELIS ARE IN A WAR OF EXTERMINATION! They not only don't want to give the Palestinians their land, they don't even want to give them their lives! They want to kill them off so they'll never have to worry about them again. And if there are no Palestinians, nobody is going to be demanding Palestinian rights when they're all gone! It's happened

LENCE! He talks about terrorists!—He was one of the worst! He blew up the King David Hotel in which about 500 people died, including over a hundred British officers, because it was their headquarters, & he brags about it!

12. HE MASSACRED A WHOLE VILLAGE OF ARABS & SAID IT WAS NECESSARY. He evacuated another whole village, told them they could come back later, & then gave it over to the Jews 20 years ago & they've never been back!

13. HE'S TOTALLY UNPRINCIPLED, UNSCRUPULOUS, CRUEL, VIOLENT & VILE! I believe he's the Devil in the flesh, he just looks demonic! You can just look at him & see he's demon-possessed!

14. I THINK HE'S DETERMINED TO GET WHAT HE WANTS IF HE HAS TO THROW THE WHOLE WORLD & THE U.S. INTO A WORLD WAR! The only reason it hasn't already happened is because he's like a little spoiled child, a spoiled brat who everybody is exercising extreme patience with in trying to pacify him & not cross him & giving him everything he wants to try to keep him quiet, including the U.S.

15. WELL, YOU'VE GOT TO GIVE A LITTLE CREDIT TO REAGAN, at least he's stopped the shipment of about 16 planes now, a little slap on the wrist, a slight little: "Naughty boy!" rebuking him—while Begin goes right ahead & uses the hundreds of planes they've already given him to do as he pleases!

16. HE OBVIOUSLY PLANS ON COMPLETELY TAKING OVER SOUTHERN LEBANON, everything South of the Litani River, the very same territory they already occupied & by World pressure were forced to vacate & supposedly give to the supervision of the U.N., which they have been unable to do. He doesn't hesitate to shoot up U.N.

# Begin, Sharon imitate Hitler, Nazi Germany THE TRUTH!

There are many aspects to the tragedy of Israel's invasion of Lebanon. The saddest is that, in their zeal to ensure that the Jewish people never suffer another Holocaust, Israel's leaders are imitating the Germans who tried to wipe out the Jews.

Adolf Hitler, Hermann Goering, Joseph Goebbels falsely portrayed Jews as a grave threat to not only Germany but the rest of mankind and in their own minds justified the mass killings, the gas chambers, the other tools of genocide.

Israeli Prime Minister Menchem Begin and Defense Minister Ariel Sharon have persistently portrayed the Palestine Liberation Organization as a grave threat to Israel (which Israel's invasion proves was not the case), and Begin and Sharon have used this as justification for

killing and maiming thousands of Palestinian and Lebanese civilian women and children.

Hitler thought he could solve the so-called "Jewish problem" by slaughtering all the Jews. He got Germany into a war in which thousands of those who claimed Aryan supremacy were killed — a war that Germany lost and suffers from till this day.

Begin and Sharon seem to think that they can solve the "Palestinian problem" if they can kill all Palestinians. So they have plunged Israel into an unnecessary war in which many Israelis have been killed or injured — a war that has made Israel the object of condemnation and hate in every country on earth save the United States, where doubts about support for Israel are rising.

Hitler, Goebbels and company had a great propaganda machine. So do Begin and Sharon. Israel isn't fighting the Palestinian people, just PLO "terrorists," we are told. No one is supposed to notice that in this war Israel has terrorized in a few weeks more people than the PLO has terrorized in all the years of its existence.

Lebanon's Prime Minister Shafiq Wazzan says 15,000 people have been killed during the Israeli invasion. But Israeli propagandists send Maj Gen. Aharon Yariv to Washington to argue that the invasion caused "no more than 300 civilian deaths" outside Beirut, and that the casualty figures are "exaggerated."

The world will believe Wazzan for the simple reason that Begin and Sharon have destroyed their country's credibility.

We used to quote Hitler as saying: "I am for peace — a piece of Poland, a piece of Czechoslovakia"

It pains millions of us who have been supporters of Israel: to see evidence piling up that an arsenal of the most sophisticated U.S. weapons has made this little country aggressively expansionist and arrogant beyond sanity. What, we ask, gives Israel the right to reduce Lebanese cities to rubble and bomb refugee camps, hospitals, whatever, in Bei-

sent in by Appaloos  
rut with a demand that PLO forces go to Syria and the Lebanese sign a peace treaty with Israel? What gives Israel the right to overfly Saudi Arabia and comb out a nuclear reactor in Baghdad, Iraq?

Begin and Sharon construe "self-defense" as the right to attack any country with large numbers of enemies of Israel, which now means that Israel has at least 127 potential targets, that being the number of nations that most recently denounced the Lebanese invasion.

The United States cannot, and does not deserve to, escape condemnation as co-killer of those thousands of Lebanese and Palestinian women and children. The U.S. cannot long pay the price of providing cluster bombs, fighter planes and bombers and other weapons to Israelis whose vows as to their use are meaningless.

For all their military might and their fantastic propaganda machine, Hitler and colleagues lacked something vital: a proper sense of what the world would stand for.

More than any people on earth, the Israelis ought to heed this lesson of recent history and understand the limits of what this world will tolerate.

The route of Camp David and of peace talks — talks that include the PLO — may be painful and at times exasperating, but it offers the only hope of an Israel where people can go to bed at night free of fear.

The route of arrogance and almost incessant warfare can only end in the destruction of Israel — even an Israel with atomic weapons. **AMEN!**

Why don't You do it now?"—And as clear as I ever heard the Lord, He said: "Have patience, for the cup of their iniquity is not yet full!"

27. THE LORD IS GOING TO EXPOSE THEM EVEN WORSE BEFORE THE WORLD SO THE WORLD WILL KNOW WHY! Every time He judged Israel in the Bible, you'll see, they'd exposed themselves & made it known to the World until they'd made themselves to stink—God's Word says so—so the whole World knew why God was judging them. That's what they're doing now. So just be patient, He's going to sock it to them pretty soon, very soon!

28. THEY'RE GOING TO GET WHAT THEY HAVE DISHED OUT SEVEN-FOLD! They're exposing themselves to the whole World as being the World's worst aggressor & worst villain in the World—which is just what they are—and they're getting everybody mad enough to fight!

29. I THINK MAYBE THE ARABS ARE FINALLY GOING TO GET UP ENOUGH GUTS TO FIGHT BACK! (Marla: You should have seen Arafat on TV in his personal interview. He was in military uniform & looked beautiful! And he sounded marvellous!) Boy oh boy! He was really socking it to them!

# West Beirut Like Tel Aviv in 1947

By L.F. Stone - GBH!

WASHINGTON — I remember another "West Beirut." Then it was Tel Aviv.

The year was 1947. To recall it now may help the Israelis understand the besieged Palestinians and learn, as the British did then, the limits of overwhelming military power when confronted with a nationalism desperate enough to gamble on suicide. No one should be able to see the point more clearly than Menachem Begin. He was then the besieged.

It was in Palestine then for the third time in three years for the New York newspaper PM. The big story that year was the increasing tempo of terrorist attacks on the British troops by Mrs. Begin's Irgun and a smaller group known as the Stern Gang.

The climax came when the British military decided it had suffered enough. I thought of it again when I heard Ambassador Moshe Arens of Israel on U.S. television discuss the West Beirut situation.

The ambassador was asked about the shut-off of water, electricity and food to this urban area of some half a million Lebanese Moslems and Palestinians, among whom 5,000 to 6,000 fighters of the Palestine Liberation Organization were dug in. Water and electricity have been restored under pressure from Washington, but food and even medical supplies were still being turned back or delayed at Israeli checkpoints.

The ambassador was asked how he could justify this. He likened it to an

airline hijacking. The PLO was holding the whole area hostage, and the Israelis had to determine how best to weaken its hold on West Beirut. One way, it was implied, was to put the squeeze on hijackers and victims until they surrendered.

It was a clever answer. The British were not that clever when they tried similar tactics in 1947 to get at the Jewish terrorist organizations.

There had been provocations and counterprovocations. A tough speech by Foreign Minister Ernest Bevin seemed to slam the door shut on the hopes of resettling Jewish refugees in Palestine. The next day there were no less than 16 separate attacks on British personnel and installations in Palestine. The biggest was on the Goldsmith British Officers Club in Jerusalem where 13 people were killed and 15 were injured. Mr. Bevin's Irgun took responsibility.

Britain's patience ran out finally and it decided to break the back of the terrorism. But the terrorists were few and found it easy to hide in Jewish urban areas.

Their two main hideouts were in the ultra-orthodox Mea Sharim district of Jerusalem and in the all-Jewish city of Tel Aviv.

A curfew and martial law were imposed, paralyzing the economic life of Tel Aviv. British troops imposed a blockade on the city and its suburbs.

The atmosphere was extraordinary, the good humor and morale incredible. I felt proud of Tel Aviv and its people. Unemployment soon rose as factories shut for lack of supplies. But

in the end it was the British, not the Jews, who gave in. There were Ariel Shartans then in the British military, too, but to Britain's honor their counsel did not prevail. Martial law was lifted after five days with a face-saving statement that 25 "known terrorists" had been captured.

British house-to-house searches continued throughout Palestine, but so did the terror. Three days after martial law was ended, the Irgun blew up the British military headquarters in Tel Aviv, the central police station in Jaffa and an army camp at Sarona.

Only a minority of the Jews were for the terror. But desperation and sympathy for the Jewish homeless fueled the same kind of support among normally peaceful Jews that many otherwise law-abiding Palestinians may feel for the PLO. Now, as then, only a political solution can bring peace.

Can we Jews not recognize the image in our mirrors? Can we not respond to a starved people being made homeless once again, first in Palestine, now in Lebanon? A readiness to remember when our people were in the same plight, a little magnanimity in the wake of military victory with these we might begin to build a fraternal road to reconciliation and to mutual security.

If a Jewish state in Palestine why not a Palestinian state, too? Who better than we should understand Palestinian desperation and homelessness? Can we not open our hearts? GBH!

Nobody else is devilish enough & fiendish enough, diabolical enough & demonic enough & clever enough to take over the World & convince the World that they ought to kill all the Christians & to become his slave. Who else could do that but the Jews?

37. THE SUPER SALESMAN BECOMES A SUPERMAN—THE ANTI-CHRIST!—who deludes & deceives the whole World into becoming his slaves & worshipping him as God, setting up his statue in their Temple. What an impostor! The super impostor of all time!—A Jew!—Jacob the Deceiver!

38. HE'S ALWAYS BEEN A DECEIVER & ALWAYS WILL BE! He leads the forces of Antichrist. He led the forces of Communism & the forces of Capitalism & he still does, anything that's anti-Christ & that promotes himself, the God-damned Jews!

39. THEY'RE THE MOST ANTICHRIST FORCES IN THE WORLD TODAY & ARE LEADING THE WORLD INTO CHAOS & DESTRUCTION! Just think, a few million Jews are smarter than billions of Gentiles & are running the World to suit themselves! The Gentiles are running the World to suit the Jews, but they're going to get theirs one of these days, Hell on Earth & Hell below! Hallelujah! God's already damned the Jews!

40. I DON'T THINK ANYBODY ELSE IS SMART ENOUGH TO TAKE OVER THE WORLD BUT THE JEWS, BECAUSE THEY ALREADY HAVE! And just think how they duped the Christians into helping them! The only ones they couldn't fool were the Arabs, who knew them too well, & a few other little countries that used to be run by them & are fed up with them & threw them out & whom they still hate to this very day!

41. YOU CAN JUST COUNT ON IT THAT ANY COUNTRIES THAT ARE CONSTANTLY VILIFIED IN THE AMERICAN/BRITISH JEWISH PRESS, as well as European press, are countries that don't favour the Jews & give them priority, countries that won't let the Jews run them. They're blasted in the Jewish Press as the World's enemies number one, two, three, four, five, six, seven etc. Ugh!

42. THEY RUN THE WORLD, ALL EXCEPT A FEW LITTLE STARTS THAT DARE DEFY THEM like Botha of South Africa, Marcos of the Philippines, Godahfi, Arafat, Giscard d'Estaing, Peron, Allende, Mrs. Gandhi, Franco & a whole list of others whom they've already overthrown who dared defy them! God help the Christians, they're going to need it! God damn the Jews! They're going to get it! Hallelujah!

43. THANK YOU JESUS FOR OUR JEWISH MESSIAH, JESUS CHRIST, WHO DARED TO DAMN THEM & DEFY THEM & ACCUSE THEM & EXPOSE THEM & CONDEMN THEM—for which they killed Him & for which He rose from the dead to conquer them! Only somebody who can rise from the dead can ever beat them, including us! We'll beat 'em someday when we rise from the dead! We're beating them today by rising from the dead America & dead Europe & dying Capitalism & a dying World!

44. THIS NARROW BED SHEET REMINDS ME OF A JEWISH GYP! They don't come right out & tell the World that they've cheated them, they're such super salesmen they've convinced the World they've bought the best sheet there is that will cover all their sins, & it doesn't even begin to cover them! They've been short-sheeted & long-cheated by the God-damned Jews who are leading them to their anti-Christ destruction!

45. ALL THE WORLD'S WORST DOCTRINES, RELIGIONS & IDEOLOGIES ARE LED BY JEWS!—Everything from Judaism to Evolution, & Communism to Antichrist!—All led by Jews, the doctrines of the Devil! The Jews are his favourite cohorts because they do everything he tells them to! They're his best co-workers & the leaders of his anti-Christ forces, the God-damn Jews! Put an "ed" on the end of that!—The God damned Jews!—They're already damned! "He that believeth not is damned already!"—Because they receive not the love of the Truth. (2Thes.2:10,11.)

46. THEY RECEIVE NOT LOVE, PERIOD! They have nothing but hate for God & for Jesus & for the Gentiles & for the Christians & for the whole World! They even hate themselves, & you certainly can't blame them for that!

47. ONLY THE DEVIL HAS HELPED THEM SURVIVE THE LAST 6,000 YEARS, & the Lord's allowed it to show the World what fools they are in following them & the Devil instead of Christ & the Christians! And today even the Christians are following them while they lead the whole World to destruction! But they're going to get theirs very soon along with all the rest of the World that they've led astray to their doom!

48. ONLY JESUS SAVES! ONLY GOD CAN SAVE US NOW, & HE WILL, TTL! TYJI PTL! Hallelujah! TYJI Bless & keep us, In Jesus' name, amen!—From the Jews, from the God-damned Jews! Amen! That's enough, Honey! I'm sick of the God-damned Jews! I'm sick of the subject & I'm sure you are too. XXX! Faithful little scribe! TYJI Let's go to sleep. When I don't get up early it's because I've stayed up late.

49. DID YOU EVER NOTICE HOW THAT FIENDISH GOAT OF WITCHCRAFT LOOKS JUST LIKE A JEW? Add one more horn to the Pentagon & you've got a Star of David, so-called. I don't think David ever had any such star, I think it's a diabolical concoction of the Devil! Six is the Antichrist's number, not God's number! It seems like we should have waked up to that before this & known

that the so-called Mogen David is a symbol of the Antichrist, the sign of the Antichrist, a six-pointed star! God help us!

50. POOR HITLER, HE TRIED TO SAVE THE WORLD FROM THE JEWS but they were so diabolically clever they persuaded both Capitalism & Communism to fight him & kill him! He was a martyr to the cause because he knew that the Jews were the cause of most of the World's troubles. He exposed them & tried to get rid of them with the so-called final solution, but that wasn't the way to do it.

51. YOU CAN NEVER GET RID OF THEM BY KILLING THEM, THEY'RE LIKE THE HYDRA-HEADED MONSTER! Didn't you ever hear about that in Greek Mythology? For every head they cut off of this dragon, two grew in its place—just like the Jews!

52. THE ONLY WAY GOD WILL EVER BE ABLE TO GET RID OF THE JEWS IS TO SEND THEM TO HELL PERMANENTLY! You can't get rid of them by killing them, they multiply too fast. You've gotta send 'em to Hell!—Which God has & will!

53. THE FINAL SOLUTION IS THE GOD-DAMNED JEWS!—And He has & He will!—And He does every day! God's damned the Jews for rejecting Jesus, their own Messiah. They're their own worst enemy & they'll eventually destroy themselves through their hatred & unbelief. PTL! TYJI!

54. THAT'S THE FINAL SOLUTION & THEY DESERVE IT FOR

LEADING THE WHOLE WORLD TO HELL!—Hell now & Hell hereafter! Hell on Earth & Hell below! That's one place they're not going to run!

55. (9/7/82) FIRST THING IN THE MORNING I HAVE TO READ THE NEWSPAPER TO WAKE ME UP! I have to read the bad news to get me awake & get me stirred up enough against the Jews to want to fight! Then I go to my armoury (study & tape recorder) & manufacture my munitions, my weapons & ammunition (Letters) against the Jews! Yes, I'm an anti-semitel! No, I'm not really an anti-semite because that means anti-Shemite, & the Arabs are Shemites too! And the Indians are Shemites & Hamites mixed!

56. WASN'T IT SOMETHING FOR THE JEWS TO MANUFACTURE THAT TERM SO THEY WOULDN'T HAVE TO SAY "ANTI-JEWISH"? That hurts. I'm not an anti-Shemite, I'm anti-Jewish! That's one thing I have in common with the Arabs, they're anti-Jewish too! So, to the battle! I have to manufacture my munitions for my forces! PTL! Hallelu-Jah! TYJI! Amen!

57. (1/8/82) NO MATTER WHAT I TALK ABOUT, SOONER OR LATER I GET AROUND TO EITHER THE JEWS OR SEX! Of course, I'm always talking about the Lord too, but the Jews are one of His greatest enemies & sex is one of His greatest friends, so it pays to know both!—Ha!

BACK THEM. The Americans just sit there & let them massacre tens of thousands of civilians—old men, women, babies, children, mothers, innocent civilians—just because of the Jews' despicable, spiteful wrath & wanting to get their way!

6. I'M BECOMING CONVINCED THAT THE PLO ARE NOT EVEN THEIR GREATEST INCENTIVE & MOTIVE, but the PLO themselves are an excuse. They've used the PLO as an excuse to invade Lebanon & massacre & wound thousands of Arabs!

7. YOU CAN JUST COUNT ON IT THAT EVERYTHING THAT BEGIN SAYS IS A LIE! Everything he says & every policy he makes is an outright lie! He said they were not going to invade Lebanon, & they did! They were not going to attack Beirut, & they did. They had a cease-fire, they weren't going to shoot, they're shooting like mad tonight! Everything he says is an outright lie & you can just expect the truth to be the exact opposite from what he says. They're just outright liars, that's all!

8. THEY'RE EITHER THE BEST OR THE WORST!—WE'RE THE BEST & THEY'RE THE WORST!—Ha! We've got more Jews around us, I never saw the likes! It seems like whenever we have real pushers & guys who've really got talent & are really getting some place, they always turn out to be Jews!

9. NO WONDER THE JEWS ARE SO MAD AT US! The parents are mad at us because we ripped off all their kids! Well, they blame it on us, but it was the Lord. We had something to offer & they didn't, & the kids were fed up with what they had.

10. LAST NIGHT I SAID, "WELL, LORD, IF YOU CAN'T COMPLETELY STOP THEM WITHOUT PRECIPITATING WORLD WAR 3, AT LEAST DO SOMETHING TO SAVE THOSE PEOPLE!" But anyhow, God is exposing their perfidy & the lying, deceitful Jacob the Deceiver to the whole World by what's going on in Israel right now, & their cruelty & their heartlessness. They're not hard-hearted, they are heartless, no hearts! They care nothing for those poor people! They care nothing about slaughtering them right & left!

11. THEY'RE NOT SATISFIED WITH DRIVING THEM OUT OF

MORE CURRENT EVENTS!

D01257 7/82

1. THE LORD'S LETTING THE JEWS EXPOSE HOW CANTANKEROUS & OBNOXIOUS THEY ARE in trying to annihilate all of Beirut of nearly a million population just to get at 6,000 PLO!

2. THEY DON'T GIVE A DAMN! They'll starve them all—mothers, babies, children, everyone—just to get their way. How sad, sickening, disgusting, Begin was on TV saying, "We're not going to let them kill any more of our women & children." Well, so they've killed maybe 1000 to 1 of every woman or child who's been accidentally killed by the so-called terrorists.

3. I NOTICE THEY ALWAYS CALL THEM "TERRORISTS", THEY NEVER USE THE PALESTINIAN LIBERATION ARMY. It's an army, it's their national army, but no, they call them terrorists because the World hates terrorists & that word terrorists, a bad word! Armies are too legitimate!

4. THEY ARE WAGING PSYCHOLOGICAL PROPAGANDA WARFARE JUST LIKE HITLER WAGED EXACTLY. I mean, they're no better than Hitler. In fact, as far as I can see, they're worse, much worse! So now they're starving those people to death so they can annihilate the PLO.

5. THEY'RE EXPOSING THEMSELVES & SHOWING WHAT HORRIBLE MONSTERS THEY ARE, INCLUDING THE AMERICANS WHO
