

that the so-called Mogen David is a symbol of the Antichrist, the sign of the Antichrist, a six-pointed star! God help us!

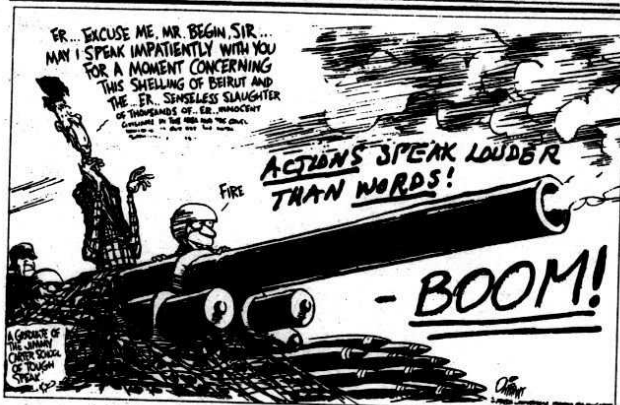

50. POOR HITLER. HE TRIED TO SAVE THE WORLD FROM THE JEWS but they were so diabolically clever they persuaded both Capitalism & Communism to fight him & kill him! He was a martyr to the cause because he knew that the Jews were the cause of most of the World's troubles. He exposed them & tried to get rid of them with the so-called final solution, but that wasn't the way to do it.

51. YOU CAN NEVER GET RID OF THEM BY KILLING THEM, THEY'RE LIKE THE HYDRA-HEADED MONSTER! Didn't you ever hear about that in Greek Mythology? For every head they cut off of this dragon, two grew in its place—just like the Jews!

52. THE ONLY WAY GOD WILL EVER BE ABLE TO GET RID OF THE JEWS IS TO SEND THEM TO HELL PERMANENTLY! You can't get rid of them by killing them, they multiply too fast. You've gotta send 'em to Hell!—which God has & will!

53. THE FINAL SOLUTION IS THE GOD-DAMNED JEWS!—And He has & He will!—And He does every day! God's damned the Jews for rejecting Jesus, their own Messiah. They're their own worst enemy & they'll eventually destroy themselves through their hatred & unbelief. PTL! TYJ!

54. THAT'S THE FINAL SOLUTION & THEY DESERVE IT FOR

MORE CURRENT EVENTS!

DO1257 7/82

1. THE LORD'S LETTING THE JEWS EXPOSE HOW CANTANKEROUS & OBNOXIOUS THEY ARE in trying to annihilate all of Beirut of nearly a million population just to get at 6,000 PLO!

2. THEY DON'T GIVE A DAMN! They'll starve them all—mothers, babies, children, everyone—just to get their way. How sad, sickening, disgusting, Begin was on TV saying, "We're not going to let them kill any more of our women & children." Well, so they've killed maybe 1000 to 1 of every woman or child who's been accidentally killed by the so-called terrorists.

3. I NOTICE THEY ALWAYS CALL THEM "TERRORISTS", THEY NEVER USE THE PALESTINIAN LIBERATION ARMY. It's an army, it's their national army, but no, they call them terrorists because the World hates terrorists & that word terrorists, a bad word! Armies are too legitimate!

4. THEY ARE WAGING PSYCHOLOGICAL PROPAGANDA WARFARE JUST LIKE HITLER WAGED EXACTLY. I mean, they're no better than Hitler. In fact, as far as I can see, they're worse, much worse! So now they're starving those people to death so they can annihilate the PLO.

5. THEY'RE EXPOSING THEMSELVES & SHOWING WHAT HORRIBLE MONSTERS THEY ARE, INCLUDING THE AMERICANS WHO

LEADING THE WHOLE WORLD TO HELL!—Hell now & Hell hereafter! Hell on Earth & Hell below! That's one place they're not going to run!

* * *

55. (9/7/82) FIRST THING IN THE MORNING I HAVE TO READ THE NEWSPAPER TO WAKE ME UP! I have to read the bad news to get me awake & get me stirred up enough against the Jews to want to fight! Then I go to my armoury (study & tape recorder) & manufacture my munitions, my weapons & ammunition (Letters) against the Jews! Yes, I'm an anti-semiter! No, I'm not really an anti-semiter because that means anti-Shemite, & the Arabs are Shemites too! And the Indians are Shemites & Hamites mixed!

56. WASN'T IT SOMETHING FOR THE JEWS TO MANUFACTURE THAT TERM SO THEY WOULDN'T HAVE TO SAY "ANTI-JEWISH"? That hurts. I'm not an anti-Shemite, I'm anti-Jewish! That's one thing I have in common with the Arabs, they're anti-Jewish too! So, to the battle! I have to manufacture my munitions for my forces! PTL! Hallelujah! TYJ! Amen!

* * *

57. (1/8/82) NO MATTER WHAT I TALK ABOUT, SOONER OR LATER I GET AROUND TO EITHER THE JEWS OR SECT of course, I'm always talking about the Lord too, but the Jews are one of His greatest enemies & sex is one of His greatest friends, so it pays to know both!—Ha!

BACK THEM. The Americans just sit there & let them massacre tens of thousands of civilians—old men, women, babies, children, mothers, innocent civilians—just because of the Jews' despicable, spiteful wrath & wanting to get their way!

6. I'M BECOMING CONVINCED THAT THE PLO ARE NOT EVEN THEIR GREATEST INCENTIVE & MOTIVE, but the PLO themselves are an excuse. They've used the PLO as an excuse to invade Lebanon & massacre & wound thousands of Arabs!

7. YOU CAN JUST COUNT ON IT THAT EVERYTHING THAT BEGIN SAYS IS A LIE! Everything he says & every policy he makes is an outright lie! He said they were not going to invade Lebanon, & they did! They were not going to attack Beirut, & they did. They had a ceasefire, they weren't going to shoot, they're shooting like mad tonight! Everything he says is an outright lie & you can just expect the truth to be the exact opposite from what he says. They're just outright liars, that's all!

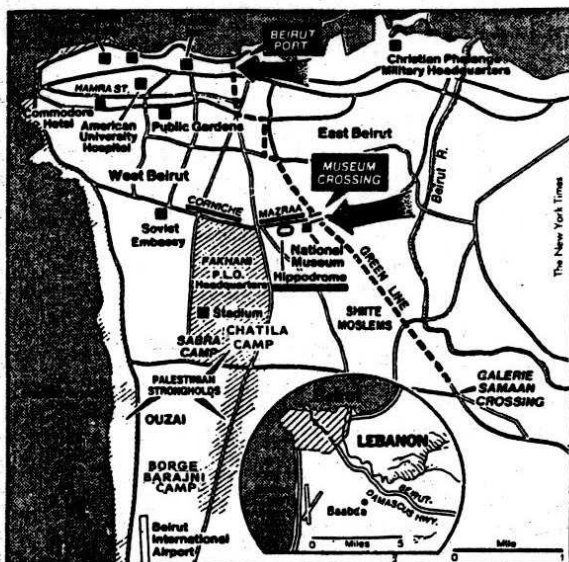

8. THEY'RE EITHER THE BEST OR THE WORST!—WE'RE THE BEST & THEY'RE THE WORST!—Ha! We've got more Jews around us, I never saw the likes! It seems like whenever we have real pushers & guys who've really got talent & are really getting some place, they always turn out to be Jews!

9. NO WONDER THE JEWS ARE SO MAD AT US! The parents are mad at us because we ripped off all their kids! Well, they blame it on us, but it was the Lord. We had something to offer & they didn't, & the kids were fed up with what they had.

10. LAST NIGHT I SAID, "WELL, LORD, IF YOU CAN'T COMPLETELY STOP THEM WITHOUT PRECIPITATING WORLD WAR 3, AT LEAST DO SOMETHING TO SAVE THOSE PEOPLE!" But anyhow, God is exposing their perfidy & the lying, deceitful Jacob the Deceiver to the whole World by what's going on in Israel right now, & their cruelty & their heartlessness. They're not hard-hearted, they are heartless, no hearts! They care nothing for those poor people! They care nothing about slaughtering them right & left!

11. THEY'RE NOT SATISFIED WITH DRIVING THEM OUT OF

WIKI BOOR SUFFER!

THEIR COUNTRY & stealing their homes & their businesses & their land, but they've got to follow them 50 miles into Lebanon & slaughter them there too! How long ago did I write that letter on what they're really after? They want to exterminate the Palestinians so there will be no Palestinian question, because there won't be any Palestinians! That's exactly what they're trying to do & they don't care if they kill tens of thousands of Lebanese in the process! (See No.704 "Extinction!")

12. NO WONDER EVEN THE CHRISTIAN LEBANESE ARMIES THEY'VE BEEN SUPPORTING DON'T WANT TO COOPERATE WITH THEM NOW after they've seen how the Israelis just slaughter their own people without discrimination & without any conscience whatsoever!

13. I'LL TELL YOU, THERE'S NOTHING WORSE THAN A GODLESS JEW, & THERE'S NOTHING BETTER THAN A GODLY ONE! They are either the worst or the best, & all you have to do to find that out is just read the Bible!—Hal! If you want to know what the Jews are like, just read the Bible, they've been that way for thousands of years.

14. LIKE MY GRANDMOTHER USED TO SAY: "A MAN OF FORCE IS A MAN OF FAULTS!" They either do great things, or if they do make a mistake, they make one wallpapalooza of a mistake! Whatever they do, they do in a great way! And you know me pretty well, most of you, I don't ever do anything halfway, right or wrong I go all the way! —Like the Jews!

15. HE WAS NAMED JACOB THE DECEIVER & IT TOOK A MIRACLE OF GOD TO CHANGE HIM INTO ISRAEL—which is a type of the birth of the spirit, being born again—when he wrestled with the angel. Israel means "a prince with God & man", which was symbolic & a type of how the only way to ever change Jacob from being a deceiver is by a miracle of God, to completely change his heart & spirit & life & change him completely into a new man, a different man.

16. AND OF COURSE ONLY THE LORD CAN DO THAT & ONLY SALVATION COULD DO IT, only Christ can do it & that's the only thing that's ever changed the Jews. Otherwise they're just as bad & ornery & obstreperous & obstinate & obnoxious & stinkers as ever! I can't think of enough words to do the subject justice.

17. ALL YOU HAVE TO DO IS READ THE BIBLE TO SEE: See what every prophet of God had to say about them, see what Jesus had to say about them, see what the Apostles had to say about them. You can hardly find one good

word spoken for the Jews through the whole Bible!

18. I THINK EVEN DEAR APOSTLE PAUL WAS STILL A LITTLE BIT BIASED & PREJUDICED & HE JUST COULDN'T QUITE GIVE UP HIS JEWS! Obviously he couldn't because he went & shaved his head & circumcised Timotheus & went back to the Temple & went through all those empty motions that he had been condemning & criticizing in all his writings & saying were just empty blab & going through the motions!

19. YET HE WENT BACK TO THE TEMPLE, IMAGINE, & WENT THROUGH ALL THE MOTIONS AGAIN so that he could prove to the Jews that he was still really a Jew & to try to win them to the Messiah. Well, you saw where it got him, he nearly got killed!—If the Romans hadn't rescued him! And it finally cost him his head because he never got out of that mess!

20. ONE POLITICIAN AFTER ANOTHER BEFORE WHOM HE APPEARED, TO BE JUDGED, WAS TOO AFRAID OF THE JEWS TO LET HIM GO, yet knowing that he was innocent & it was merely a religious matter. But they didn't kill him, they kept him around for several years until finally Nero, the insane idiot, decided that he was making too much progress in his own house—gotten all of his own staff & whole household converted—& finally ordered him beheaded. I think Nero was undoubtedly demon-possessed, probably possessed of the Devil himself!

21. BUT THAT DIDN'T STOP US, TTL! That was us, folks, that was our family back then! That didn't stop us, they couldn't stop us, they'll never stop us!—No matter how many they try to stop or behead or imprison or whatever! So TTL!

22. WELL, RIGHT NOW IT LOOKS LIKE NOBODY CAN STOP THE JEWS & it looked like they were the curse quite a few times in the past if you read history. It looked like they were going to get away with everything. Imagine, they even thumbed their nose finally at the top rulers of the World! I mean, this is nothing new.

23. THEY'RE EVEN THUMBING THEIR NOSE AT THE UNITED STATES IN USING ALL THOSE WEAPONS—planes, tanks, guns, cluster bombs! Everything that the U.S. has forbidden them to use except in self-defense, they have used in a blatant outright open aggressive invasion of a poor little innocent neutral helpless country like Lebanon!

24. THE LEBANESE CAN'T HELP THAT THE PALESTINIANS ARE THERE, THEY CAN'T GET RID OF THEM! It's an army that's more powerful than their own army, so what can they do about it? And besides, they don't like the Jews that much, knowing the Jews as they do. So after all, blood's thicker than water & they're Arab brothers, all of them, whatever.

25. SO THEREFORE THEY'RE STICKING TOGETHER ON SOME THINGS—although they can't seem to hang together on most things—& there's only about one thing that they're agreed on & that is hating & opposing Jacob the Deceiver, the God-damned Jews!

26. THAT'S ABOUT THE ONLY THING THEY CAN AGREE ON is the Jew & his perfidy & his cruelty & his consciencelessness & heartlessness!—I just can't find the vocabulary to describe them—they're just the worst!—Just like I can't find enough beautiful words to describe you & all of us nice converted Jews, we're the best there is! PTL! But they are the worst & they are demonic! You ought to read what Martin Luther had to say about them. ("Martin Luther"—Book review by Joseph Reader, BOTM 2.)

27. READ YOUR BIBLE & SEE WHAT THEY DID TO JESUS & see what they did to the Apostles & all the rest that they're doing now, & all the prophecies about them & everything God has had to say about their race!—People that have been so bad that God had to wipe them out

They don't even kneel to God!— Look at 'em at 'Weil Wall! Israeli Prime Minister Menachem Begin tells the United Jewish Appeal that Jews do not kneel but to God. He was referring to US proposals to impose sanctions against Israel for invading Beirut. (UPI)

Yes!—God will make him kneel very soon!

several times, I mean wipe 'em out & just leave a handfull. But my God, look at the way they multiply & get right back in to power again!

28. THEY MUST HAVE SOMETHING GOING FOR THEM, & IT'S NOT GOD, SO WHO COULD IT BE? They're the leaders of the opposition to God! They're Satanic, diabolical, empowered & led of the Devil himself—Lucifer! They are the leaders of the forces of anti-Christ, & if the Antichrist is not a Jew, I am going to be really surprised!

29. I DON'T THINK THERE'S AN ARAB OR GENTILE OR HARDLY ANYBODY IN THE WORLD SMART ENOUGH & whom the Jews would go for & follow & accept as their messiah— which they're going to do—so how could he be anything else but a Jew? It doesn't matter where he arises or where he comes out of or what Jeane Dixon says about him coming from the line of the pharaohs from Egypt, I still think he's apt to be Jewish!

30. WELL, I WOULDN'T BE A DAMNED BIT SURPRISED IF THAT LINE OF PHARAOKS WERE JEWS TOO! In fact, was it the Hyksos Dynasty which were very friendly with the Jews?—The ones that spared Joseph etc. There was a complete new dynasty who took over afterward who enslaved them & finally let them go. It was an entirely different dynasty in power, probably even a different nationality who hated shepherds.

31. SO I DON'T THINK THERE'S ANYBODY IN THE WORLD THAT THE JEWS ARE GOING TO FOLLOW BUT A JEW, & obviously the Jews are leading the world whether it's in the East or the West. The Jews are the leaders of Capitalism, they are the leaders of Communism, they've got the world in their hands—at least they think so—& God's letting them think so & letting them get away with it just to expose themselves & the horrors of Satan & the Devil & the Jews!

32. THEY ARE THE LEADERS OF THE FORCES OF ANTI-CHRIST, the leaders of the forces of the Devil, so it's no wonder they're our bitterest enemies & it's no wonder the Lord has had me condemn them & criticise them & blast them quite a few times. And I think they've got the point & they have already branded us as anti-semitic, so I don't think it'll make a damn bit of difference when we get out "Jacob the Deceiver"—although they'll probably want to use it as evidence that we are.

33. IMAGINE, THEY'RE THE ONLY PEOPLE ON EARTH THAT HAVE MANAGED TO PERSUADE VIRTUALLY ALL THE WESTERN GOVERNMENTS TO PASS LAWS AGAINST EVEN CRITICISING THEM!

Even the Catholics haven't succeeded in doing that, or the Gentiles. About the only ones that are also protected in the same laws are their co-helps & co-labourers, the poor Black dupes that they use to go along with them because they're so dumb & child-like & a so-called persecuted minority.

34. THEY MANAGE TO GET THE BLACKS' HELP BECAUSE THERE'RE A LOT MORE OF THEM THAN THERE ARE JEWS, so they put them under the same laws in order to be protected from discrimination & all that sort of thing—they've got a lot of fancy words that they use—& I understand they've already had a few cases on us in a few countries where they've already branded us as anti-semitic.

35. THE JEWS FIGURE THIS WAY: THEY DON'T NEED ANYBODY'S HELP, THEY JUST NEED THEMSELVES & THE DEVIL & that's usually the way they win. They seem to go right through & make it, & as I pointed out in "Get Off", God Himself hasn't been able to control them. "You mean God can't control the Jews?"—Not as long as there's free will & choice. He's got to stop free will & choice to stop the rebellion of the satanic, devilish, fiendish, Godless, diabolical Jews! The only thing He can do is wipe 'em out!—And He will again soon, as He always has!

36. HE CAN CONTROL THEM, OF COURSE, HE'S GOT THE POWER, but as my mother used to preach a sermon called "Why Doesn't God Stop Hitler?", do you know what the answer was? If God had to step in & intervene & stop Hitler, He would have to stop every sinner in the world from doing his sin & wickedness. He would have to intervene in the power of choice & the will of man & free will & man's determining his own fate.

37. HE WOULD'VE HAD TO STOP ADAM & EVE IN THE GARDEN!—Not just forbidden them to eat from the Tree or warned them not to eat it, but He would've had to stop them from eating it. He would've had to prevent them from eating completely. But in order for them to have free will & choice & for the experiment to succeed—if you want to call it that—or the whole plan of God to succeed, He had to let them go ahead & have their own way.

38. JUST LIKE HE'S LET MAN GO AHEAD & HAVE HIS OWN WAY EVER SINCE & DO AS HE PLEASES, in a lesson not just to the world but to the entire Universe of Saints & Angels & God knows what other creations throughout the Infinity of Space!—To let the Earth be an example to the whole Universe of what rebellion against God is like & what a mess man or any creatures of God can make of themselves if they do not follow God's laws & if they disobey God & do as they please. So to make that experiment work & that example work He's got to let them do as they please.

39. BUT ONCE IN AWHILE HE WILL STEP IN WHEN THEY HAVE JUST ABOUT GONE TOO FAR, their cup of Iniquity is full & God's had enough. He can't control them, He can't make them want to do right, He cannot legislate righteousness so He just slaughters them, kills them!

40. THAT'S THE ONLY WAY HE CAN STOP A JEW IS KILL HIM, & then He probably goes to work for the Devil on the other side! Ha! I'm sure Satan's forces must be full of Jews, he's probably running Hell with Jews! Ha! You think I'm a little bit anti-Jewish maybe? I feel a little like what Voltaire said about one of his dinner conversations when he was criticising the church & criticising the System etc.

41. VOLTAIRE WAS MADE OUT TO BE AN ATHEIST & INFIDEL, & I wouldn't be surprised if there are some Christians & Fundamentalists & Conservatives who consider me an atheist & an infidel! Infidel means unfaithful—unfaithful to the traditional church; atheist, against

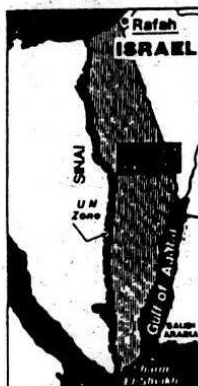

Israel and Egypt Agree on Border Cutting Through a City in Sinai

By William Claiborne

Washington Post Service
JERUSALEM — Egypt and Israel have reached agreement on the demarcation of the border that will cut through the northern Sinai town of Rafah after Israel completes its withdrawal on April 25.

The Israeli Defense Ministry announced Monday that the demarcation through Rafah, a Mediterranean coastal town of more than 70,000 residents, had been completed without having to destroy houses or move residents.

Israeli defense officials said that the town would remain divided along the 1906 boundary drawn by the British to separate Turkish-controlled Palestine from British-controlled Egypt, but that a 130-foot-wide (40-meter) security strip planned by the Israelis would stop short of the densely populated part of the town. A fence with several gates for cast access from both sides will be erected in the center of town, officials said.

The officials said that while the fence would divide yards and streets in Rafah, it would not require the demolition of homes as originally had been feared.

The town straddles the border between the Sinai and the Israeli-occupied Gaza Strip, and residents had complained that dozens of houses would have to be destroyed if the security strip followed the 1906 border.

There will be about 60,000 people on the Israeli-occupied side and about 10,000 on the Egyptian side, officials said. Arab residents of the town have already begun exchanging property in anticipation of the demarcation.

Israel and Egypt have not agreed on border demarcations in the eastern Sinai near the Israeli port of Elat on the Gulf of Aqaba. One dispute involves a new Israeli-built hotel that Egypt maintains is on its side of the 1906 border.

Soviets Seen Continuing Gold Sales

Rome — Soviet gold sales, which in recent weeks have become a major influence in depressing world prices, are likely to continue at a high level, according to traders and analysts attending a conference on gold that ended here Sunday.

"In talking to the Russians, my feeling is we'll see a lot more selling," said a representative of a major international commodity trading house that deals directly with Soviet traders.

Experts on Soviet gold trade stressed the difficulty of estimating the size of recent sales because of the Soviet demand for secrecy of transactions. However, they said that the trend is clear.

"It is safe to assume that the Soviet Union has at least doubled its gold sales in 1981 compared with the preceding year," Guido Hunselmann, executive vice president of the Union Bank of Switzerland, said.

God. I'm sure that most Christians of the church I think I'm against God & against Christ & against the church. Well, I'm very much against dead churchianity—the way some run their churches—but not Jesus or God!

42. SO THEY THOUGHT VOLTAIRE WAS AN ATHEIST, AN INFIDEL, but if you actually read his writings he talks quite a bit about God! He was not really an unbeliever in God, not like some later guys who were actually total atheists who claimed not to believe in God. Of course, as the Lord Himself said, "Only a fool"—in other words an idiot, insane—"has said in his heart there is no God." (Ps. 14:1.) They know in their hearts there's a God, unless they're idlots!

43. JUST LIKE RALPH UNDERWOOD KNEW, THE LEADER OF THE AAA'S OF AMERICA (The American Association for the Advancement of Atheism). He was a big shot in his day, but he finally got converted & said: "I knew there was a God all the time but I hated Him so I was working against Him!"

44. WELL, VOLTAIRE'S HATRED WAS MOSTLY FOR THE CHURCH SYSTEM because he could see its sins & its wickedness in its heyday in France & how it was bringing France to its ruin! Look what happened to France: it eventually brought about the people's rebellion against the church & its heartlessness & its cruelty & its tortures & its Inquisitions & all the rest. It finally brought about its fall in France & the fall of the government & the monarchy. The French Revolution came along & they almost wiped out the church for awhile.

45. THERE WERE SOME GOOD JEWS, SMART JEWS RUNNING THE CHURCH THEN. When was Cardinal Richelieu? Somewhere in there. (Became Cardinal in 1622.) I know he helped to

save the French Monarchy once upon a time, & of course it had to be saved quite a few times!

46. ANYHOW, IN THE DAYS WHEN VOLTAIRE WAS CRITICISING THE SYSTEM & THE CHURCH THEY CONSIDERED HIM AN ATHEIST & AN INFIDEL, just because he criticised the System & the Church—like me! So while he talked he asked to have the kitchen doors shut & all servants out & all the doors of the dining room closed & he said:

47. "GENTLEMEN, IF THE SERVANTS WOULD HEAR WHAT I'M SAYING, OUR LIVES WOULD NOT BE SAFE!" One way or the other: if they had ratted on him to the System, or if they had believed what he was saying & lost their faith in the System, they would have risen up in rebellion & revolution, which they finally did.

48. IN OTHER WORDS, HE WAS DESTROYING FAITH IN THEIR TRADITIONAL SYSTEM & CHURCH & GOVERNMENT IN HIS CRITICISMS, & therefore he said, "Gentlemen, our lives would not be safe sitting here at this table if the servants hear what we have to say, so shut the doors!"

49. SO I'M SAYING THE SAME THING TO YOU: if some people could hear what we're saying, our lives wouldn't be safe!—And of course, some people have already heard, so our lives already aren't safe! Only in the Lord are we safe! PTL!

50. IT'S JUST AS DANGEROUS TO BE A GENUINE CHRISTIAN TODAY AS IT EVER HAS BEEN, & it's just as dangerous to be a Prophet of God as it ever has been, & it's only a miracle of God that we've survived as long as we have. But as the World gets more Satanic & more Jewish-led & dominated it's going to get more dangerous all the time—more Antichrist!

51. AND THAT'S OF COURSE THE TACK THE JEWS HAVE ALWAYS FOLLOWED with both their prophets & with Jesus & with the Apostles & with the Christians. They always brought their accusations before the government & accused them of sedition & anti-government activity & all kinds of things.

52. EVEN IN THE RELIGIOUS ACCUSATIONS BEFORE PILATE & BEFORE ROME, HE COULDN'T HAVE CARED LESS! They didn't hold water! He said, "I don't care anything about that, that's something you settle amongst yourselves." They couldn't get permission to crucify Jesus until they had tried to convince Pilate that He was a seditionist, a terrorist, a revolutionary, & even then they couldn't convince him of that.

53. THE FINAL CLINCHER THAT REALLY PERSUADED HIM was a warning from them that if he didn't let them have Jesus to crucify they were going to use their power & their influence to rat on him & against him to the Roman Emperor, to the top man, & they would see that he didn't last as Governor of Judea.

54. THERE ARE VERY FEW POLITICIANS WHO CAN STAND THAT KIND OF PRESSURE, & that's the kind of pressure they're bearing down with on Reagan & Mitterrand. They did on Giscard D'Estaing & he lost the election, & they use it on every other World leader. They've got pressure! —Power!

55. THEY DON'T EXACTLY HAVE THE NUMBERS—although they're sure getting those nowadays too it seems—but they know how to manipulate the media, the government, the votes, the press, the newspapers, the movies, the banks! So any politician who has to face the Jewish lobby practically shakes in his boots because he knows that they're going to have their way & he'd better do what they say or he's out!

56. AND DESPITE THE FACT THAT BOTH NIXON & REAGAN WERE PRETTY NOTORIOUSLY ANTI-JEWISH & more pro-Arab to begin with, I notice Reagan has mollified his stance quite a bit, until this invasion. Apparently Haig was their friend & he was the one promoting the invasion &

Begin Says Schmidt Should Ask Jewish People for 'Forgiveness'

Washington Post Service

JERUSALEM — In the revival of a nine-month-old feud with West German Chancellor Helmut Schmidt, Israeli Prime Minister Menachem Begin said Thursday that Mr. Schmidt should "go down on his knees and ask the forgiveness of the Jewish people" for the Nazi extermination of Jews during World War II.

Reacting to a report in the newspaper Yedioth Ahronoth that quoted the chancellor as saying he would not visit Israel until Mr. Begin apologized for remarks in the same vein that he made last May, Mr. Begin repeated his earlier accusation that throughout the war Mr. Schmidt had remained faithful to his oath of allegiance to Hitler.

(West Germany denied Thursday that Mr. Schmidt ever demanded an apology from Mr. Begin. United Press International reported from Bonn. Government spokesman Kurt Becker called the report pure fantasy. UPI said.)

In a statement issued by his office, Mr. Begin said Mr. Schmidt was the leader of a nation "which bears the historic responsibility for the extermination of 6 million Jews, amongst them 1 1/2 million little children."

Soviet hard currency needs have grown sharply in the past two months, conference participants said. Large-scale grain imports and aid for Poland have drained reserves, while Russia's income

from energy exports has been cut by weakening world oil prices.

U.S. plays mom to Israeli brats

America's behavior toward Israel reminds me of the attitude that many mothers have toward the unruly of their violence-prone kids. Type, Israel may have behaved excessively in Lebanon, our officials tell us. But we have to understand that it has been picked on by bullies: deprived of security, disadvantaged by the fact of its assistance in a sea of hostile neighbors and psychologically damaged by the Holocaust. Deep down, Israel always was a good boy.

And America's boy. The same America that finds it too costly to give to its hoodlums money, arms, uneducated and hopeless, but finds it not at all inconvenient to supply the Israeli domestic and military budget to the tune of some \$2 billion a year — \$1,000 per man, woman and child in the whole country.

Not all the money we give Israel looks like a gift. Some two-thirds of it is accounted for, officially, as "sales" of military supplies and equipment. But as Thomas Szasz of the Harvard Center of Middle East Studies noted in the Christian Science Monitor last December, there is less to the sales than meets the eye.

For example: "In fiscal 1980, \$1 billion worth of foreign military sales were authorized for Israel's account. Immediately following the sale, however, \$500 million of the loan was canceled and the residual \$500 million was added to the \$7-plus billion the State Department estimates that Israel now owes the U.S.

government. This debt involves credit periods of up to 10 years prior to any repayment... (Israel) can service this debt only in the formal sense, that installments are paid when due but are, in fact, funded through new U.S. aid each year."

There are other bookkeeping tricks, including military procurement contracts and grants, that we use to keep the Israeli economy — and the Israeli military machine — alive.

Those were American planes and missiles that smashed into Lebanon, killing thousands of dead and maiming civilians, women and babies in their wake. At some point we will have to get beyond cheering the Israeli invasion has proved the superiority of U.S. armaments over the secret election that the Palestine Liberation Organization has been reduced to impotence; and deal with the fact that weapons supplied by us on the half under the pretext that they will be used only for defensive purposes, have been used to slaughter innocents who were no target to begin with.

Maybe Israel always was a good boy; whom only desire was for peace. But the American interest in a peace that results from accommodations between Israel and its neighbors is very different from the peace Israel is trying to purchase through the elimination of its enemy.

And for all the carnage our money and weaponry made possible, Israel's bloody course will not produce either peace for itself or justice for the Palestinians. Even accepting

that the PLO is a terrorist organization committed to Israel's annihilation, the PLO is not synonymous with the Palestinian people whose homelessness never ceases to have them, though that is the principal source of the ceaseless unrest in that part of the world.

It would be hard enough to justify the invasion and continuing occupation of Lebanon if there were reason to believe that Israel, having vanquished the PLO, now intends to do justice to the Palestinians. It is impossible to justify it when it seems clear that the real object of the bloodbath is to kill the Palestinians' dream of nationhood.

Israel, America's good boy, initially described its invasion of Lebanon as retaliation for the shooting, in London, of the Israeli ambassador to England. Then we were told the purpose was to clear a 25-mile zone in southern Lebanon in order to push the PLO out of rocket range of Israel. Now the purpose appears to be the annihilation of the PLO — Palestinians.

Maybe America, in the role of enquirer, cannot persuade its violence-bent good boy from pursuing his bloody course. But she can at least maintain the lid until it is too late. Washington Post (Editorial Page)

"You kicked the dog of an Israeli diplomat in Central Park... when?"

- all the rest.
57. BUT REAGAN SAW TO WHAT LENGTHS THE JEWS WERE GOING TO GO & the slaughterhouse kind of religion they have! Begin—supposed to be a pious man with his skull-cap reading the Bible & convincing the Christians that he is God's chosen & God's anointed—when Reagan finally saw how willing he was to slaughter the innocent, I think Reagan & some of his people must've finally got the point & decided that this was a little too much!
58. EVEN IF THEY WERE IN FAVOUR OF IT, THEY COULDN'T EXACTLY PERSUADE THE WHOLE WORLD TO SWALLOW THIS INVASION & that it was justified, so he kicked out Hag & put in Shultz, who's known as a friend of the Arabs & not such a friend of the Jews. So the votes have been going a little different ever since.
59. AT LAST THEY'RE ASKING THE JEWS: "BEGIN, WON'T YOU KINDLY STOP NOW?" Don't push, don't shove! No, no, don't do that now! Naughty, naughty, you mustn't shell Beirut! Tsk, tsk, tsk! I mean, it makes America look like absolute fools & idiots that they have absolutely no control over the Jews!
60. AS ARAFAT SAID & MOST OF THE ARABS & A LOT OF PEOPLE BELIEVE: The Americans are 100% behind them & backing them & it's the U.S.' idea to have them invade Lebanon & do what they're doing in order to have a powerful power base in the Mideast in opposition to the Arabs & for eventual control of the oil. It's that simple.
61. AND AS I STARTED TO SAY, THE AMERICANS ARE OBVIOUSLY BACKING THIS JEWISH INVASION OF LEBANON—no matter how they hypocritically, deceitfully & falsely try to pretend like they don't like it, saying: "Naughty, naughty, you mustn't! You've gone too far

- already & now you mustn't go any further, mustn't attack Beirut!"
62. BEGIN SOLEMNLY PROMISES, "I WILL NOT ATTACK BEIRUT."—BOOM, BOOM, BOOM, BOOM, BOOM!—which are how much his promises are worth! You can count on it that everything he promises not to do he will do, & everything he promises to do he will not do! He's a liar & another Jacob the Deceiver, & he's probably the Devil incarnate! As I wrote in "Satan King of Empires" (No.961), you can just count on it that the worst political leader in the World in every age at all times is full of the Devil, probably possessed of Satan himself.
63. THE U.S. IS SUPPOSED TO BE THE GREAT WORLD SUPER-POWER IN OPPOSITION TO RUSSIA, RIGHT? Who's telling the U.S. right now what to do & where to get off & what they're going to do, & dictating U.S. foreign policy & the works? Who's running the U.S.?—Reagan? Who's telling Reagan what to do?—Begin!
64. HE ALREADY CUSSSED SOME WORLD LEADERS OUT NOT SO LONG AGO while we were still in France, he just told them off! He doesn't give a damn! I believe he's actually Devil-possessed! What other man in the World has got such gall & doesn't give a damn what the whole World thinks?—Not even what his mentor & supporter & financier & armourer thinks—the USA!
65. WHO IS THE LEADER OF THE MOST ANTI-CHRIST, ANTI-GOD FORCES IN THE WORLD TODAY?—BEGIN! Look at him, he looks like a devil, he looks like a demon, he looks diabolical! He looks like he's demon-possessed & I believe he is, not only demon-possessed, I believe he's Devil-possessed!
66. BECAUSE WHO ELSE IN THE WORLD COULD CAUSE SO MUCH TROUBLE & dictate the policies of the United States & its foreign policy & just go right ahead & lead the U.S. around by the nose to do as he pleases & be about to precipitate the World into another World War?—Who but Begin!
67. WHAT OTHER WORLD LEADER IS THE GREATEST DANGER TO WORLD PEACE, World security, World order & the greatest threat to plunge the World into another World War but Menachem Begin? Even the very fact that his mother named him after one of the most diabolical Satanic kings of Israel is significant. You wonder how come the guy ever would've taken a name like that—Menachem!
68. SO I'M CONVINCED HE'S PROBABLY THE DEVIL INCARNATE! I don't think he's healthy enough to last long enough to be the Antichrist, but as far as I'm concerned, he's the present-day Antichrist right now! He's the Devil's best tool & he's the leader of World Jewry, that's obvious, & World Jewry is the leader of the Antichrist World!
69. SO MENACHEM BEGIN, AS HE'S CALLED, IS THE ANTI-CHRIST OF TODAY! As I say, I don't think he's powerful enough, smart enough or even healthy enough to be the Antichrist—he's too old & about to die anyhow—and the sooner the better as far as I'm concerned! However, when he does, then the Antichrist will probably arise to take his place.
70. BUT THEY'RE JUST USING THE PLO AS THEIR EXCUSE TO TAKE OVER LEBANON. No, they don't covet one square inch of Lebanese territory, they covet the whole God-damned Mideast, that's what they covet!—Because that's what will help to plunge the World into the chaos & destruction of WW 3!
71. THE DEVIL IS THE DESTROYER & WHAT HE'S TRYING TO DO IS TO DESTROY GOD'S CREATION, & the fastest way to do it is to plunge the World into another World War, the worst most horrendous war the World has ever known!—The Atomic War that'll wipe out at least a

Mideast 'Balance' for Stronger U.S.-Arab Relations

By George C. Wilson
Washington Post Staff Writer
WASHINGTON — President Reagan's reappraisal of Middle East policy, forced on him by the departure of Secretary of State Alexander M. Haig Jr., gives Defense Secretary Casper W. Weinberger a fresh chance to argue for more "balance" in dealing with Israel and the Arab countries.

The essence of the Weinberger case is that the United States sends all the friends it can get in the Middle East and must woo them whether Israel likes it or not. He believes the United States cannot tolerate such destabilizing actions in the region as Israel's thrust into Lebanon and shelling of Beirut.

While conceding that it is too early to know how Mr. Reagan may change Middle East policy, officials familiar with Mr. Weinberger's thinking predict he will make these recommendations:

• Rein in Israel. One official in the Weinberger camp said it

Casper W. Weinberger
rael's invasion of Lebanon and pounding of Beirut has brought

a torrent of protest from Arab leaders to U.S. embassies and to the State Department. King Fahd of Saudi Arabia "called our embassy and asked, 'Do you want to destroy us all?'" the official said. "The Egyptians, Jordanians, Kuwaitis, Bahrainis — everybody is saying the Israeli attacks on the Palestinians 'will sweep us all away.'"

The official said Arab leaders fear they will be deposed by their people, if not their political opponents, if Israel is not checked. They are also warning, he continued, that they cannot afford to be seen as friendly to the United States as long as Washington continues to allow Israel to shell Lebanese cities.

Mr. Weinberger's pugnacity to the armed services, states that "our principal objectives are to assure the continued access" to oil from the Gulf region "and to prevent the Soviets from acquiring political military control of the oil directly or through proxies."

Kahane Urges Jews to Leave U.S. Before Economic Collapse

DETROIT (UPI)—Rabbi Meir Kahane, founder of the militant Jewish Defense League, said American Jews should leave the United States and emigrate to Israel to escape the chance they might be

blamed for the collapse of the American economy. "I have terrible fears about an economic crash in this country. I believe Jews would be the scapegoat," he said during a visit here Monday.

REPRINTS AND COMMENTS

Third of the World, according to God's Word. But, TTL, it's not going to be the Third World; a third, but not that third. The West is the worst third, the one that plunges the World into war all the time—the USA & some of them.

72. SO I GET A LITTLE STIRRED UP ABOUT IT ONCE IN AWHILE & A LITTLE MAD AT THE DEVIL, & sometimes I get a little mad at God for not doing something about it! But He's had to let it go on for 6,000 years already, & just because one little tiny Prophet gets a little bit upset about it He's not going to leave His plan unfinished until it's done. But it shall be very shortly, TTL! It's not going to be long.

73. THE WORLD CAN'T LAST BUT A FEW MORE YEARS AT THE RATE MENACHEM BEGIN & THE JEWS ARE GOING, & eventually the Antichrist will arise. In fact, I'm convinced that God's going to literally have to raise up the Antichrist to save the World from total destruction, & the World's going to be convinced of that too. He's actually going to be posing as the Messiah & as the Saviour of the World & the solver of all of its problems & the ender of all its wars & the solution to its economic problems, the whole works—the Superman the World is waiting for!

74. I THINK POSSIBLY THE LORD IN HIS MERCY IS GOING TO ALLOW THE ANTICHRIST TO ARISE TO BECOME WHAT THE WORLD WILL CONSIDER THE BEST GOVERNMENT IT EVER HAD. At the end of the World, what else could God allow & the Devil inspire but what man considers his best government ever, the best government man has ever had? The most perfect, miraculous, supernatural Superman as the leader, with the most efficient, strongest, most

powerful government to enforce World peace & solve all its economic problems.

75. HE'S GOING TO BE CONSIDERED BY THE JEWS THE MESSIAH, the Bible tells us so, & by the World as its saviour, the Superman! The World is waiting, as Toynebee said, for a Superman to lead it, solve its problems & inspire it.

76. AND JUST LIKE GOD IS LETTING THE JEWS GO AHEAD RIGHT NOW & SHOW THAT THE BEST THEY CAN DO IS THE WORST POSSIBLE, showing how bad they are, He is going to let man do his best just to show man & the World & the Universe that man's best is the very worst of all, just like the Jews best is their worst. Without God, man's best government is going to be the worst the World ever had! Do you understand what I'm driving at?

77. SO HE HAD TO LET THE JEWS MORE OR LESS TAKE OVER because they're the leaders of the forces of anti-Christ. They are the most anti-Christ people in the World today, they have been for thousands of years, & only the mercy of God & the power of the Devil has helped them to survive in order for God to allow His purpose to be accomplished & show how horrible they are & how horrible man can be, & that man's best is the worst possible without God!

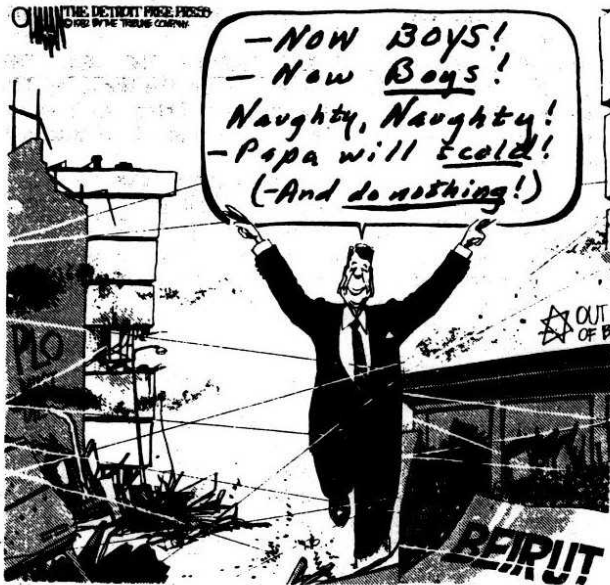

78. GOD'S GOT TO LET THE WHOLE THING GO TO ITS BITTER END & CRASH, just to show what a mess His creations can make out of themselves & His creation if they insist on doing it without Him & disobeying & defying Him & rebelling against Him & going their own way & doing as they please.

79. THIS WORLD IS NOW A LESSON & AN ILLUSTRATION TO THE WHOLE UNIVERSE, including millions of saints & angels & God knows how many other creations throughout the Universe & other universes—who knows?—of what a mess a creation of God can be if they are allowed to have their own way! And yet at the same time, out of that mess He'll show how wonderful a creation of His can be who are not compelled to worship Him, who are not forced to obey Him, who are not coerced to do His will but choose to do so voluntarily—us, His chosen people who've chosen Him!

80. IT'S JUST LIKE THE DIFFERENCE BETWEEN THE GOOD JEWS & THE BAD ONES: THE GOOD ONES ARE THE BEST THERE IS—YOU!—& the bad ones are the World's worst, leading it to its destruction! We're the World's only hope of salvation: We can't save the whole World but at least we're saving some. PG! The World's going to go on pell-mell to its destruction but at least we're saving some out of it. TTL! Amen? So the bitter End is probably going to be an example to all of God's creation of the very worst that man or His creation can possibly do.

81. BUT THE CONTRADICTION & THE MARVEL OF IT ALL IS THAT OUT OF THIS MESS HE'S GOING TO SAVE A PEOPLE WHO CHOSE TO WORSHIP HIM & chose voluntarily to love Him & decided of their own free will & choice it was best to love & serve the Lord! He's going to save them.—Us!—And that majesty of choice & this royal Family...(Tongues:) "Listen to the Words that I have spoken unto thy Father David! Heed that which I have said unto thee through his mouth!" Hallelujah! TYJI PTL!

82. THIS ROYAL FAMILY THAT GOD HATH CHOSEN FROM OUT OF THIS HORRIBLE CHAOS that man has created is going to rule not just the Earth alone but the Universe! "Know ye not that ye shall judge angels?" (1 Cor.6:3.) Man was originally made a little lower than the angels (Ps.8:5), but in the final destiny of man, saved man, God's children, His Church, His Bride, the Christians, you are going to be the top rulers of not only this

World but the Universe! You are going to be telling angels what to do & they are going to be your servants as they are already, today, now! They're your guardian angels, your servants!

83. THAT WAS ONE OF THE LAST MESSAGES THAT MY MOTHER EVER GAVE TO US, did you know that?—That she got from the Lord. She said, "The Lord told me today, 'Thank Me for My angels. Why don't you thank Me for My angels who guard you continually?'"

84. WE COULDN'T BE SITTING HERE TONIGHT IN SAFETY IF THIS CAMP OF THE SAINTS WAS NOT SURROUNDED BY THE ANGELS OF GOD, & the Devil knows it. He doesn't dare attack us unless the Lord would let him for some reason. But we are hedged in, as the Devil himself said about Job.

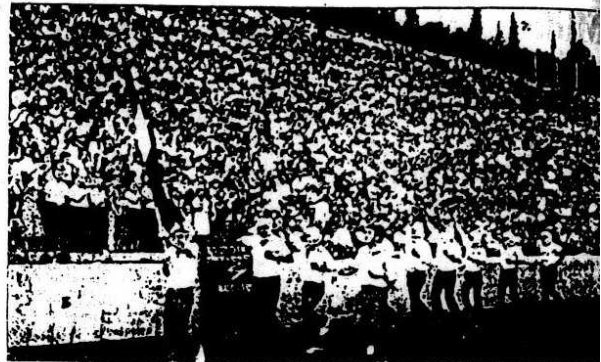

85. HE SAID, "HOW CAN I TOUCH HIM? YOU'VE GOT HIM FENCED IN!" You've got him hedged in where I can't even reach him, I can't even touch him." God has a hedge of angels built around us, a fence of angels, a wall of angels, & the Enemy cannot touch us. Even every time you walk down the street or you go to the market, don't forget to thank God for His angels. But you've got to give them a little cooperation.

86. THE LORD ONCE TOLD US, "DON'T RUN AROUND OUTSIDE OF THE TOWER OF MY PROTECTION, outside in disobedience & in rebellion & out of My will." Then His Own laws prevent Him from protecting you if you're disobedient, rebellious, defiant & going ahead in your own wisdom, your own knowledge & leaning to your own understanding, running around out there shopping or whatever you're doing, instead of asking God every moment for His will: "Lead me, Lord. Show me, Lord, what to do. Help me, Lord!"

87. GOD KNOWS WHAT HE'S DOING! He's giving the damned Jews enough rope that they're going to hang themselves, & to do that He has to let them do their dastardly deeds & their dirty tricks & expose their horrors to the whole World. He knows best & knows what He's doing, what He has to do.

88. IT DOESN'T MEAN WE CAN'T FRAY FOR THE POOR PEOPLE THAT GOD WILL SOMEHOW SPARE THEM, if they deserve it or even if they don't. In His mercy & love I'm sure He's working out His purpose, if nothing but to show the horrors of the Jews & expose them for what they are.

89. EVEN THE AMERICAN JEWS WHO SUPPORT THEM ARE

A formation of Palestinian "Fedayin" cheered by the crowd, run around the Athens Stadium at the opening of the benefit concert for Palestinian children.

PALESTINIAN BENEFIT

A CROWD OF ABOUT 80,000 WEDNESDAY ATTENDED A SPECIAL BENEFIT AT THE ATHENS STADIUM FOR THE PALESTINEAN CHILDREN, AND FOUND THE OPPORTUNITY TO VOICE THEIR SUPPORT FOR THE STRUGGLE OF THE PALESTINIANS.

THE HEAD OF THE PLO'S DIPLOMATIC REPRESENTATION IN ATHENS, SAUD ARMALI, WAS ENTHUSIASTICALLY RECEIVED WHEN HE ENTERED THE STADIUM ACCOMPANIED BY CULTURE AND SCIENCES MINISTER MELINA MERCOURI, ARMALI AND MERCOURI THEN WALKED FULL ROUND OF THE STADIUM, UNDER WARM APPLAUSE AND SLOGANS IN SUPPORT OF THE PALESTINIANS AND AGAINST ISRAEL'S MILITARY ACTION IN LEBANON AND U.S. ROLE IN THE LEBANESE CONFLICT.

THE WHOLE PROGRAM, WHICH FEATURED SCORES OF WELL-KNOWN ARTISTS, LASTED FOR OVER 4 HOURS.

Thanks From Arab Meeting

During a meeting of Foreign Ministers of Arab States held in Tunisia, the General Secretary of the Arab Organisation Mr. Satalu Houlkaidi pointed out that Greece is the only country which stood at the side of the Palestinian race

and Arab World in one of its most difficult periods of its history.

Mr. Houlaibi went on to say that the position which had been taken by the Greek Government of Mr. Papan-dreou, will never be forgotten by the Arab Nation.

The actor playing the title role of a Stratford, Ontario, performance of Shakespeare's "Julius Caesar" was really in agony when he gasped out, "Et tu, Brute" — one of his fellow actors' daggers delivered a most unkind cut, breaking one of Jack Medley's ribs and puncturing his lung during the assassination scene. Medley, 54, said the accident would forever alter his interpretation of the role.

BEGINNING TO GET PRETTY FED UP WITH THEM & SICK OF THEM, & even their home folks right there in Israel. What was it? Something like 70,000 or so came out in a big demonstration against the war & against things there in Israel!

90. THIS IS WHY ISRAEL'S ECONOMY IS IN SUCH A MESS why the inflation there is something crazy, like 100% a year, & why their economy is just chaotic! It's because they have put every penny of everything into arms & weapons & bullets to do what they're doing right now, & that's exactly what I was going to tell you, that this is only the beginning.

91. THE REASON THE U.S. IS BACKING BEGIN & TOLERATING IT IS BECAUSE THE U.S. WANTS THEM TO TAKE OVER THE MIDEAST. Not just destroy the PLO, that's just an excuse. The U.S. wants them to conquer Lebanon, & not only Lebanon, Syria would be next! They'll think up a good excuse for taking over Syria if they can get away with it—if they get away with this they will.

92. THAT'S WHY BRITAIN HAD TO STOP THE ARGENTINES— if they'd gotten away with their take-over of the Falklands, that would've just been the beginning! Britain has oodles of other colonies & islands all around Argentina & down there & a lot of other places in the World.

93. THAT'S WHY THE U.N. CAME OUT REAL FAST & REAL QUICK AGAINST IT, because they knew if one country was allowed to get away with it, then they'd all try it. There are lots of other countries that want to grab off adjacent pieces of real estate!

94. SO IF THE WORLD LETS ISRAEL GET AWAY WITH THIS, THIS WILL ONLY BE THE BEGINNING! They'll not only grab off Lebanon, but the whole area! They don't cover one

Israelis Have Lost Luster (By one of their own!)

By Richard Cohen

WASHINGTON — The Washington Post the other day began a story by saying, "With Israel poised to attack West Beirut..." But of course Israel had been saying all along that it would not attack West Beirut. What's going on here? Doesn't anyone believe Israel anymore?

The answer, I regret, is no. It was Israel that said it would go only 25 miles into Lebanon in order to secure a safe border for itself. It went to Beirut instead.

It was Israel that said it was responding to the attempted assassination of its ambassador to Britain, whereas it was really acting that as a pretext to administer a punishing blow to the PLO. It bombed civilian centers of Beirut.

It is Israel, in the person of Menachem Begin, who keeps denying what the world can plainly see. He rejected the use of the word "retreat," saying, "Israel did not invade any country."

It was Israel that said it would allow free elections on the West Bank and the Golan Heights, and the Palestinians say that had been elected there.

It is Israel that defines "defensive" in such a way that soldiers living in another country miles from Israel itself have to worry about their very lives.

It is Israel, in short, that has a major credibility problem. It has repeatedly lied both to its own citizens and to the rest of the world.

It plays with language in the Soviet manner. Just as the words "people" and "democratic" have been rendered meaningless by the Communists, so the Israelis have shorn the word "defensive" of its real meaning.

In many ways, of course, Israel is acting just like any other nation. It was America that secretly bombed Cambodia, tried to destabilize the regime in Chile and murdered people right and left in Vietnam only to call it pacification.

America "terminated with extreme prejudice" when it meant "killed." But Israel was a special case. Maybe it was just me — naive me — but Israel was supposed to be the place where the truth was told, where idealism thrived, where things were different from other countries. Israel was founded not on some lust for gold or territory but for moral reasons. —*AK!*

But much of that has been squandered. The good name of Israel, built by sacrifice, restraint and principles of justice, has been soiled by the Begin government, which has nothing but contempt for what the rest of the world thinks. It is so full of righteousness, so sure of its own version of history, that it treats its own people and other causes alike as

children it loves best.

Those of us who care about Israel and its ultimate security have been played for patsies. Even so we appreciate the legitimacy of Palestinian claims and acknowledge the role of the PLO, as nevertheless hold a special place for Israel. It might be true that in some sense Israel was created at the expense of the Palestinian Arabs (who had nothing to do with the Holocaust), but Israel nevertheless remained a special place. It asked to be measured by a higher moral standard.

No longer. What it is mostly now is more efficient — mightier, faster. The world apparently respects what Israel has been able to accomplish in Lebanon, but power and might was not what the dream was supposed to be all about.

No one ever supposed to me to contribute so that an army could some day roll into Lebanon. And the United States has not over the years supported Israel just because it needed its power in the region. Israel was a worthy cause.

Its word meant something. Now that is less and less the case. Its moral standing has been eroded by its actions and its words. The invasion of Lebanon cost it dearly. What it won in territory it lost in credibility. It is no longer believed. Territory cannot make up for that.

square inch of Lebanon, they cover all of it, & Syria too & Jordan too & Egypt too & the whole Mideast!

95. IN FACT, WHAT THE JEWS WANT IS THE WORLD, & THEY WANT THE U.S. TO HELP THEM CONQUER IT!—And the U.S. is doing a pretty good job of it & is very happy to let them conquer the Mideast, because then they'll have the power to control the oil & the Arabs who own it.

96. SO THAT'S JUST THE WAY THE COOKIE CRUMBLES, & THAT'S THE WAY THE EARTH IS GOING TO CRUMBLE, because the U.S. is backing the Antichrist already! The U.S. is backing the Jews, so they're backing the most anti-Christ forces in the World who have always been the enemies of Christ & the enemies of Christians & the enemies of His Kingdom & the enemies of His Will & His Church! So, GHU!

97. BUT GOD KNOWS WHAT HE'S DOING: HE'S LETTING MAN GO TO THE END OF HIS ROPE, giving him enough rope to hang himself, just to show man he can't solve his own problems & he is his own worst enemy. The whole idea is to show man he can't get along without God & he can't save himself.

98. I MEAN, THAT'S THE BASIC FOUNDATION PRINCIPLE OF EVERY FALSE RELIGION—SELF-SALVATION, SELF-RIGHTEOUSNESS: "You can save yourself, you don't need God! Who needs God? Save yourself!"—And that's going to be the motto of the Antichrist System. It already is, especially the Jews.

99. WHEN AFTER ONE OF THE JEWS' RECENT WARS some commentator said to one of the outstanding leaders of the Jews: "It looks like God was on your side," he said, "What do you mean? We won the war!" In other words, "God didn't do it, we did it! We saved our-

selves!" The epitome of the Jewish religion is self-salvation & always has been, Israel leaning on its own arm of flesh instead of trusting God.

100. SO THAT'S WHAT HE'S GOT TO LET ALL MANKIND & THE WHOLE WORLD DO, IS GO TO THE VERY LIMIT IN TRYING TO SAVE THEMSELVES—which is self-righteousness & which is anti-Christ, which is denying that man is evil & trying to prove that man is good & that he can save himself—& that's the worst religion of all! But it's the religion of the whole World! It's the religion of the Devil, it's the religion of the Jews, the Antichrist System, the whole works!—Self-salvation: "We don't need God, who needs God? We can do it ourselves!"

101. GOD SAID SEVERAL TIMES HE DID THINGS MIRACULOUSLY & SUPERNATURALLY FOR ISRAEL SO THAT ISRAEL COULD NOT SAY THAT HER OWN ARM HATH SAVED HER! He did something supernatural & miraculous so that they wouldn't be able to brag about it, pat themselves on the back & say, "Look, we did it! We did it!"—Just like they did in the last few wars!

102. WELL, LET'S SEE WHAT KIND OF A MESS THEY'RE GOING TO GET THEMSELVES INTO NOW THAT THEY CAN'T GET OUT OF & they can't brag about that they got themselves out of. They're patting themselves on the back right now saying:

103. "NO MATTER WHAT WE DO, WE CAN GET AWAY WITH IT! We can do it ourselves! Who needs the World? Who needs the United States? Who needs the U.N.? All we need is ourselves! Who needs God? We're doing it!" The guy said on television, "God didn't win the war, we did!" It's just like slapping God in the face! I mean, they couldn't have done it if God hadn't allowed it at least.

104. AND NO DOUBT THE DEAR MUSLIMS & ARABS ARE SUFFERING FOR A LOT OF THEIR SINS TOO, present & past & whatnot, including the PLO who live by the sword.* I feel sorry for the bystanders & civilians who get caught in the crossfire, but God knows about them too. (*Gen.27:40, Mt.26:52)

105. MARIA WAS JUST ASKING ME: "WHAT DID THOSE PEOPLE DO THAT WAS SO BAD THAT GOD IS LETTING THEM SUFFER LIKE THAT?" Well, I don't know, except I know that Lebanon's been a hellhole of iniquity for many years. The place is full of dope & drugs & drug gangs & the government has practically lived on that sort of thing for years & condoned it, as well as all kinds of other iniquity. Neither Beirut nor Lebanon are innocent, everybody's a little bit guilty. Everybody's got some sins to suffer for, & apparently they're suffering for some of their sins.

106. I BELIEVE IN THE JUSTICE OF GOD AS WELL AS HIS LOVE & MERCY, & I don't think He lets anybody suffer more than they're able to bear or deserve. What do you think? Sometimes we think we're over-burdened & over-laden & "that's more than I can bear, Lord!"—but He's always brought us out of it. PTL? Amen? It wasn't more than we could bear, we made it!—And we'll make it again. TTL! GBKAYAMYABI!—In Jesus' name, amen!—And He'll bring the whole World out of this mess soon! TYJI—Amen? Thank God we can trust Him to solve the whole situation very soon! TYJI! God bless us all! In Jesus' name, amen.

1. (15/7/82) THE PLO IS NOW DEMANDING U.S. RECOGNITION BEFORE EVACUATION, & I DON'T BLAME THEM, & Israel is demanding recognition from the PLO. The PLO are almost being too honest to be revolutionaries. They
