

are criticising the cults & isms, the Moonies & us, when they've got more idiotic religions here than the worst of the cults! They just happen to be their traditional original majority religions, they got here first!

52. IT DOESN'T MATTER WHAT'S TRUE OR FALSE, SINCE THEY GOT HERE FIRST! It doesn't matter about truth or lies, as far as his government is concerned, who got here first is what counts!—Ha!—Whoever is the most numerous, the majority. The wrong majority have the rights! "Broad the way & wide the gate" & if they want to go to destruction, he's gonna let 'em, in fact, he's encouraging it! (Mt.7:13.)

53. "THOSE THAT REJECT THE TRUTH, GOD SHALL SEND THEM STRONG DELUSION, THAT THEY MIGHT BELIEVE A LIE, that they all might be damned because they have not the love of the Truth, because the love of the Father is not in them." (2Th.2:10,12; 1Jn.2:15.) In Jesus' name, amen. That's that! We need to go to sleep, Honey.

54. THAT'S SINGAPORE, THE SINGAPORE SUMMATION! I'm through, Honey. God's through too. Because they rejected Him, He's going to turn them over to the Devil. He's through with them! They think they're through with us, but God's through with them. They had their chance & they muffed it.

55. HE LET THE DEVIL IN, HE OPENED THE FLOODGATES OF DESTRUCTION! "And they wist not until the Flood came & swept them all away, because they had not the love of the Truth!" (Mt.24:39; 2Th.2:10.) This kind of a set-up is going to be the first to fall to the Antichrist. It's almost 6 o'clock, we need to go to sleep, OK? Please? PTL! TYJ!

56. THAT'S THE PICTURE: IT LOOKS GOOD ON THE SURFACE, BUT IT'S DIABOLICAL UNDERNEATH! The fires of Hell are

burning underneath, down below. There's fire down below! It looks nice up here, huh? It looks beautiful, huh? But you should see the fires of Hell burning underneath, the demons & the devils & the dragons & the horrors!

57. IT'S NOT THE KINGDOM OF GOD, THIS IS THE KINGDOM OF THE DEVIL! It's not the Kingdom of God on Earth, it's a sample of the kingdom of Satan on Earth, the Antichrist himself! They'll be the first to fall for him.

58. IN TRYING TO PLEASE EVERYBODY, THEY'RE PLEASING NOBODY, MUCH LESS GOD! They're sure pleasing the Devil! Well, if it's the Devil they want, the Devil they're gonna get! PTL! TYJ! "As for me & my house, we'll serve the Lord!" (Joshua 24:15.)

59. IF THEY DON'T WANT US HERE, THEY DON'T WANT THE LORD HERE EITHER, YOU KNOW? If they don't want our lit here, they don't want the Truth here, so God'll let them have the lies & go to Hell! It's such a self-righteous hypocritical sham! It's a farce! The imitation Heaven-on-Earth of Singapore! The heaven of the Devil! The Devil's imitation of Heaven. Lord deliver us, in Jesus' name! Bless & keep us, Lord, in Jesus' name. Help us to sleep, Lord, & help us to escape, in Jesus' name! TYL!

60. IT'S KIND OF LIKE THE TEMPTATION THE DEVIL GAVE JESUS, WHAT HE'S GIVING SINGAPORE: "FALL DOWN & WORSHIP ME & I'LL GIVE YOU ALL THE GOODIES OF THE WORLD! You can have it all!—East & West & all cultures & all religions & all luxuries & everything, just fall down & worship me!" And they have & they do!—So he has blessed them with his material blessings. The Prince of this World has entered in, & Jesus has no part in him! (John 14:30.) TYJ! PYL! In Jesus' name, ILY! Amen! GHU!

We delivered tens-of-thousands of souls from the bondage of the Devil in this horrible deathly cemetery! Do you know that? Do you know that? Do you know that?
- (Maria: Hallelujah!) (Tongues!)
9. IT'S A GRRREAT LIBERATION!—A grrreat liberation, grrreat liberation, great victory for souls for Jesus! Hallelujah! (Laughs) I love to fight the Devil because I can't lose! That was a good battle, Honey Baby! I love you! Huh? (Maria: Amen!) Do you like it? (Maria: Yes!) (Tongues & 5 kisses) TYJI Amen! (Yawns) We have to go to sleep sometime. (Later while describing this experience to the Family in another city) 8/82

18. THAT WAS A THRILLING SIGHT! I'LL TELL YOU, THAT WAS A THRILLING SIGHT! I bet I'll never see a sight like that till the Resurrection! That whole house that I was in was just like the walls weren't even there & I could see the whole graveyard! You could just see all these spirits looking like white ghosts rising right out of the graves. They all wear robes, Isn't that something? They don't just rise up naked like some of our artists pictured at first. I told'm, "Listen, stop that!—People aren't running around Heaven naked!"—Just almost, in these see-through gowns!

19. WHENEVER YOU READ ANYTHING IN THE BIBLE ABOUT SPIRITS OR THE LORD APPEARING IN HEAVEN, THEY ALWAYS HAVE SOMETHING ON that looks iridescent, sort of shiny & almost like it has light in it, sort of thin & sparkly & nice & see-through! They glow, like they're made out of light, actually made out of light, sort of sparkly & flowing. I wouldn't say these gowns on these particular spirits in this graveyard were all that sparkly, but they were white.

20. THEY WERE ALL RISING IN WHITE NIGHTGOWNS, & you could see not only through their nightgowns but through them, just like ghosts! A lot like the general conception of ghosts. Well, they've gotten that idea from so many people telling ghost stories about seeing ghosts I guess. But these were not just a few nor even a hundred or even a few hundred, not even several thousand, but

by tens of thousands they were rising out of that graveyard! You know what it reminded me of a little bit? You know those Katusha rockets, those big rocket banks the Russians invented with a whole bunch of tubes & the rockets go shish, shish, shish, shish, shish! Only they weren't going that fast, but that's the way they were rising, a constant stream, just constant.

21. THEY MUST'VE BURIED AN AWFUL LOT OF PEOPLE IN THAT PLACE TO HAVE THAT MANY SOULS! I just couldn't believe it! I never dreamed there were so many people buried there. There were tens of thousands of these spirits, they were just pouring out in one constant stream! The sky was full of them, just absolutely full of them, just pouring in one constant stream out of the graves, out of the whole graveyard! The sky was lit up with all the spirits! Boy, you should've seen it!

22. WHEW! BRRRRRRRRRR! TYL! HALLELUJAH! EVEN GETS ABRAHAM EXCITED! TYL! I better simmer down or I'm just going to take off! The robes these spirits wore were not as beautiful as the ones I've seen on the Heavenly inhabitants, maybe because they weren't first-rate citizens or top-flight citizens or something. But they were all white. They were just streaming, streaming out of that graveyard like those Katusha rockets. Not that fast, but I mean fast! They were going up as fast as I could watch them, the sky full of them one right after the other, just a constant stream of them! The whole sky lit up just like our house wasn't even there. Ha!

28. WE LIVED RIGHT BEHIND THIS HUGE GRAVEYARD & NEXT TO THAT WAS THE BIGGEST TEMPLE IN THE EAST. There's a special day, Yu Lan Ji, which is called the day of the liberation of the spirits! According to their tradition & custom, they're only liberated for one day.—Only allowed to come out of hell for one day.—And it was right at this season when this happened! The Lord liberated them permanently, hallelujah! What a victory over the Devil! The Lord must have a lot of compassion for them! It doesn't always happen, but it just shows you what can happen if the Lord gives you the faith for it.

24. TWO NIGHTS BEFORE, I GOT "SINGAPORE SAILOR" & it was that one which gave me the faith for the other one! I went to bed thinking, "Well now, if I can liberate one soul out of that graveyard, why can't I in the name of Jesus liberate them all?" So I thought, "Well I might as well try." Hallelujah! And it worked! So that was really some sight! That's one of the most thrilling sights I think I ever had in any dream of any kind!—But was an actual vision!

25. THE ONLY THING I CAN THINK OF THAT WAS ANYTHING LIKE IT WAS THE DEATH OF ABRAHAM & HIS TRIBE OF ABOUT 200 PEOPLE, & I saw those spirits rising from the bodies. That little picture by whoever it was that drew for that Letter was nothing in comparison with what it was really like. But that was a rough idea of what it looked like. But it was about 200 people, all of them, men, women & children, & all rising out of their bodies! Beautiful! That's the closest vision I ever had of the same thing.

26. BUT IT COULDN'T HOLD A CANDLE TO THAT SIGHT THAT

NIGHT IN THAT CHINESE GRAVEYARD! I mean there were literally clouds of them, clouds! The Bible says Jesus will come in clouds. It says that the spirits, you know, the departed are going to come with Him. Maybe it's like clouds of spirits, you know? Maybe that's what it is. I don't know if I saw them all, but I saw plenty of them! They were smiling & looking happy.

27. IT SAYS IN HEBREWS 12 WE'RE SURROUNDED BY A GREAT CLOUD OF WITNESSES. And in 1 Thessalonians 4 it says that the Lord Himself will bring them with Him when He comes. Which means all the departed saints are going to come back with the Lord when He comes. It's part of the victory, & we're all going to rise to meet Him in the air. All of us!

28. SO YOU CAN IMAGINE THAT'S GOING TO BE QUITE A CLOUD OF PEOPLE, QUITE A CLOUD OF SPIRITS! So when the departed dead come back to get their resurrection bodies, here comes this cloud of ghosts, so to speak, & all these bodies rising from the ground to be in Heaven! That's quite a scene, huh? That was quite a resurrection I saw that night, I'll tell you!

29. NOW DON'T MISUNDERSTAND ME, IT WASN'T THE RESURRECTION THOUGH! It wasn't their bodies, it was just their spirits. At least that's what it looked like. It looked like ghosts, not ugly ghosts or scary ghosts, though. In fact, I'd say most of them looked kind of surprised like they were sort of stunned & wondered what was happening, just amazed! You know the Chinese, they're usually a little stoical & poker-faced but I'll tell you, they were looking really thrilled this time!

30. AND WHY THE LORD LET SOME OF THEM FINALLY LOOK AT ME & SMILE, I DON'T KNOW. Maybe that was my payoff to cheer me up to show that they were thankful. Well those clothes they wear in Heaven, girls, are the only thing I've seen any prettier than what you wear here

everyday, & those angels I've seen up there weren't a bit prettier than you, so PTL! You're all gorgeous! We have angels right here! HAL!

31. KEEP ON SHINING! YOU'RE GONNA SHINE FOREVER LIKE THE STARS!—Wanna be a star?—Shine for Jesus forever! HAL! PTL! GBY!

"Lord keep me shining for Thee,
Lord keep me shining for Thee!
—In a World lost in night
Keep me pure, keep me bright!
Lord keep me shining for Thee,
Lord keep me shining for Thee!
Until I behold Thy face!"

Sing it, Angels! You're an angelic chorus right now! Like MMM & MCV! They're all God's Angelic Chorus!

32. —"SING, CHOIRS OF ANGELS! SING IN ADORATION!"— Sing it! HAL! TYJ! Thank You for the millions who'll be singing for You because we worked & prayed for their release!—And now tens of thousands more Chinese for Your glory! HAL! TYJ!—Freed in Jesus name!—You can do it too! Do it NOW! Tomorrow will be too late!

33. PRAY FOR THE SOULS OF CHINA! WORK FOR THE SOULS OF CHINA! HELP OUR CHINESE MMM RADIO PROGRAMME FOR CHINA!—A billion Chinese can't all be wrong! OIL FOR THE SOULS OF CHINA!—JESUS!—will you light their lamps today? Please HELP!—Thanks! GBY! WLY!

"Jesus loves little Chinese boy with his bow & arrow toy
Jesus loves the big Chinese!
Jesus loves both you & me!—
Yes, Jesus loves me! Yes, Jesus loves me!
Yes, Jesus loves me, the Bible tells me so!
Jesus loves me this I know for the Bible tells me so!
Little ones to Him belong, they are weak but He is strong!"

GREAT GRANDMOTHER'S 2,000 CHINESE CONVERTS!

—She Learned Cantonese!—So Can You! DFD1265 16/8/80

1. MY MOTHER HAD JUST TWO BROTHERS, MY UNCLE JOHN & MY UNCLE MARK, & SHE WAS IN THE MIDDLE. Mark was the older brother & then John was the younger brother, both of them brilliant. Uncle Mark, her older brother, played the cornet & so did she, & they used to perform on the Chatauqua Stage. Chatauqua was a kind of a travelling road show in the early days before television & even before motion pictures!

2. THEY HAD BY THIS TIME "THE MAGIC LANTERN" WITH MY GRANDFATHER'S COLOUR-PAINTED SLIDES. He would be on stage & would show his pictures of his travels all over the World. He went around the World several times & took pictures in the days before cameras were very common, & he'd come back & my Grandmother who was a beautiful artist would colour these slides & show them in colour. It was beautiful! He would show them on his magic lantern stereopticon or slide projector, a great big thing!

3. GRANDMOTHER WOULD COLOUR THE SLIDES & THEN SHE WOULD RUN THE MACHINE & SHOW THEM FOR HIM WHILE HE GAVE HIS LECTURE. Then my Mother & my Uncle Mark would sing
