

meaning, please give it to me! What could it possibly signify? I don't know why I'd even think about it, I completely forgot the dream, but when I prayed this morning You reminded me of it, so it must be something. TYL.

12. ANYHOW, THEY WERE SUPPOSED TO SHARE THE MONEY, & the one guy got ahold of it & wouldn't share. I can't think of who that could possibly be unless the bank would refuse to cash the cheques or something. I was emptying out our bank account there & splitting it every which way with the kids that are still left, giving them all a little bit & the leaders some reserve to help operate their colonies on. PTL! TYJ! Have Thy way, Thy will be done. I guess you'd call this the 'Dream of the Three Robbers!'

13. BUT AT THE END, IT WAS LIKE IT WAS SUPPOSED TO BE A MYSTERY, like a riddle or a conundrum. Now which one do you think has the money?—That was the whole idea, the question at the end. Which one do you think really got the money? Just the one, or the two? "What happened to the money?"—was the question at the end of the dream. I don't think I've ever had a dream like that where it was so funny like at the end, that you were supposed to figure out the answer! Ha!--Like it was a mystery who got the money! Isn't that funny?

14. WELL, IT COULDN'T POSSIBLY BE SOMETHING LITERAL, that wouldn't make any sense at all, it would have to be symbolical. That's the first choice you have to make. It must symbolise something, it must illustrate something. Once in a while I have dreams that I don't think seem to mean anything & are just interesting dreams from the multitude of business. Well, Lord, if there is any answer, You can give it to me, so we'll just wait for the answer, in Jesus' Name, amen. WLY! Bye Bye! Amen.

15. WELL, THE KIDS CERTAINLY

AREN'T ROBBERS SO IT CERTAINLY COULDN'T MEAN THEM, & we're not robbers, we're all doing our jobs, it couldn't mean us, I don't see how it could mean any of us.

16. A LOT OF TIMES IN A DREAM DIFFERENT KINDS OF COMPONENTS OF THE DREAM MEAN DIFFERENT THINGS, like if they're beasts or animals, that usually means governments or the System, but a lot of times if they're people, they represent spiritual powers usually.

17. SO IT COULD BE THAT THAT MEANS THAT SOMEBODY IS TRYING TO GET THE MONEY WHO SHOULDN'T BE, some powers of the Enemy or something behind the scenes are trying to get it. I wouldn't be surprised at that. It is the day they're distributing it & supposed to be cashing their cheques, & so maybe the Lord just gave it to me as a warning to be sure & pray for them that the Enemy won't get ahold of it & steal it away from them. (Just before the RNR!)

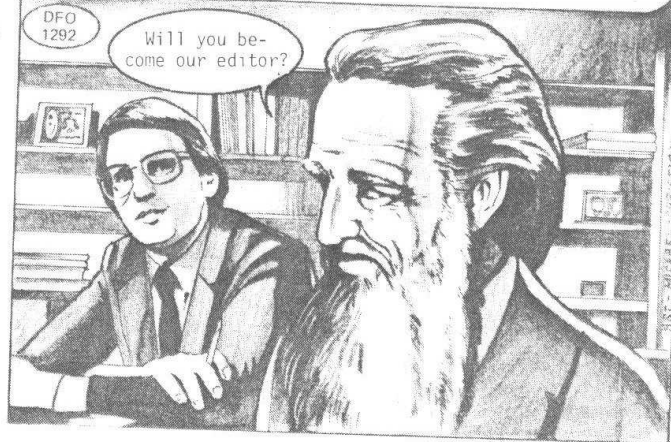

18. WELL, AMEN, LORD, WHATEVER IT MEANS, IF IT'S A WARNING TO US TO PRAY that the enemy doesn't get his hands on that money, we rebuke the enemy & the robbers right now, in Jesus' Name, that the wrong people will not get their hands on that money, Lord, & the enemy will not get their hands on that money. It belongs to You & Your Children Lord, so bless & keep it safely, in Jesus' Name! Have Thy way.

19. PTL! P.S. TO THE THREE ROBBERS DREAM, IT HAS A HAPPY ENDING! The enemy did not get their hands on that money & the Lord did get it safely out of their hands, & we escaped with it & distributed it to others elsewhere, as well as there, & the Lord delivered it out of the hands of the robbers & preserved it for His glory & His use, TYL!

20. SO IT PAYS TO PRAY, don't forget prayer power! Praise God! Don't forget to pray! GBY all!

WLY! Bye Bye! Amen.

THE NEW EDITOR DREAM

THE NEW EDITOR DREAM!

7/3/79
DFQ1292

1. (MARIA: YOU HAD A DREAM ABOUT SOME OF OUR BACKSLIDERS & DEFECTORS WHO STARTED GETTING OUT A NICE LITTLE MAGAZINE like ours. It got so good that we invited them to join us.) And Peter was the editor, & he was a genius & so good that we asked him to become our editor. He was just the guy we've been looking for all this time, especially for me, & he made us very happy. They had some really good articles.

2. IT WAS LIKE SOME FOLKS THAT HAD BEEN OFFENDED BY THE OLD CHAIN, & they were glad to find out that we were nice after all. They really liked us, & they were really so happy to find out they could work with us, & that we were so much the same. I was especially happy because he was a big help to me.

3. HIS ARTICLES WERE RECOMMENDING DIFFERENT PRODUCTS, & articles & books & health foods & other things. He was even guaranteeing that if they didn't like them that he'd make sure they got their money back: He even had a team offering free car inspection with minor adjustments free & a recommended garage for

good reasonable repairs. He was offering all kinds of Family services. They were all really good ideas.

4. HE WAS A REAL HELP & A GOOD LEADER & JUST WHAT I NEEDED.

We must have gone to sleep thinking about needing more help. It was such a comforting dream. But I can remember we had some enemies trying to cause us trouble, but we were doing so good they couldn't stop us. PTL!

5. SOME OF HIS PEOPLE DIDN'T QUITE KNOW YET WHETHER TO TRUST US OR NOT & we sort of had to win them & prove to them that we were sincere. It was a good dream, it gave me a really good feeling.

6. IT MADE ME REALLY HAPPY, THAT THERE'S GOING TO BE SOMEBODY TO HELP YOU, to help take care of your work when I'm gone. It's going to boom more than ever, PTL!--Because the Lord is with you honey, & it's the Lord's work & He's going to prosper it & continue to make it a great blessing!

7. IT WAS REALLY A BEAUTIFUL DREAM, TYJ! Isn't that funny? Some of the enemies were trying to get us & put us in a box, but we refused to be packaged. I guess we had to burn free, hallelujah! TYJ!

(1982 P.S.: PETER DID HELP TO SAVE THE DAY & OUR FINANCES AFTER THE RNR & Jeth, Deb, Rachel & Tim's departure!—And he's still a strong tower of strength to us as our Business Manager & personal assistant—our "Executive Vice-President", you might say! He's also a great blessing to Maria & helps share the heavy load of administration that she bears, while I have all the fun writing Letters from the Lord!—Ha! His continued unwavering faith has been a constant encouragement to us all, getting us through many tight places & hard moves! GBH! He's a great blessing now, & I expect him to be an ever greater blessing to you & Maria after I'm gone! GBY all!)

PHONE CALL DREAM!

DFO 1298 2/79

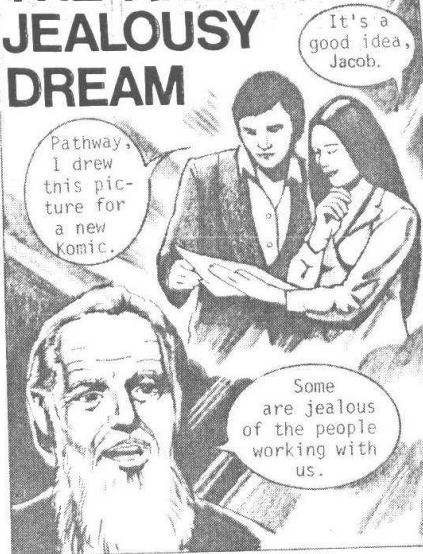

IF WE HAD ANY EMERGENCY PHONE CALLS FROM ANYBODY—any questions they had—they were to put them on a little piece of paper & write with a red marker in big print the name of the person it was from in big red letters & line them up on this table so we'd be sure & see them. We could see at a glance who called when we got up! I thought, "That's not very secure because everybody else could read them too!"

NEEDED! ML QUOTES! —by J.Penn

WE IS WORKING ON A NUMBER OF "WORD" PROJECTS, & FOR SOME OF THEM WE NEED A NUMBER OF ML QUOTES. We would very much appreciate it if those of you who have a collection of your "favourite" ML quotes could take the time to type them out & send them in. We are especially interested in quotes that relate to our spiritual life & walk with the Lord, those of a more devotional nature & which are not in common usage in the DMs etc.

SO COULD YOU TAKE TIME TO GO THROUGH YOUR QUOTES & send in any of these lesser-known jewels that have really been a help to you in difficult times? They might really be a help to others! Be sure to MARK THE REFERENCE CLEARLY! Send them to: Postfach 241, 8021 Zurich, Switzerland, with "Attention James", on the inside envelope. Thanks so much for sharing His Word!

THE ARTWORK JEALOUSY DREAM

THE ARTWORK JEALOUSY DREAM

10/2/79

DFO1295

1. SOMEONE WAS VERY, VERY JEALOUS, EXTREMELY ANGRY, ESPECIALLY OF JACOB & HIS ART, & they criticised it. He made a small illustration for a Letter & he showed how he very cleverly had taken it out of a larger picture for a Komic of the small Letter.

2. IT WAS LIKE THE LITTLE PICTURE THAT HE JUST DREW for "Happy Endings", with just the center of a much larger picture that he had drawn for the same Letter. This was a very clever idea, because he had drawn this great big picture for the front cover of the Komic, & then he just took

this little centerpiece out of it for the heading of the Letter, so that it was very clever & a big time-saver.

3. IT WAS SO CLEVER THAT WHOEVER IT WAS, WAS VERY JEALOUS THAT HE WAS OUR ARTIST WORKING WITH US. It was like there are some people that are very angry because some of these people are here with us in this nice place. (Maria: How do they know that it's such a nice place?) Well, they must. Somebody knows. Anyhow, they criticised his art & made fun of it & were very, very critical, & also of Pathway & her typing, because they are very, very jealous of the people that are here working with us, & very angry.

4. THERE WAS A WHOLE GROUP OF THEM THAT WERE SPEAKING AGAINST JACOB & his art & Pathway & her typing. The Devil is very angry we have such a simple, powerful, effective little team, & is trying to find fault with it. I don't know whether it was my imagination or not, but it seemed like Timothy's Deborah was one of them, & that she wouldn't hesitate to betray us for spite (& did!)
