### QUOTES ON DREAM QUEEN!

DFO1301 10/82

Dear Dad,

THIS IS WHAT I'VE FOUND ON THE HOLY SPIRIT BEING LIKE A MOTHER. Perhaps there is more in these two RDs but this is what I've found on this particular subject:

IN GENESIS THE LORD SAID, "LET US MAKE MAN IN OUR IMAGE, & MALE & FEMALE made He them". (Ge.1:26.) So what was God's Image?—Male & female! There was a female in there somewhere. And it certainly wasn't the Father, He's not female! It wasn't Jesus the Son, He's obviously masculine. The only One left it could possibly be would be the Holy Spirit. Well, you don't have to believe that if you don't want to, I'm not going to argue with you about it, but that's just my own personal opinion. (RD103:14)

WHAT BETTER IMAGE, YOU MIGHT SAY, CAN HE USE TO DEPICT OR PICTURISE GOD'S LOVE, HIS COMFORTER, HIS MOTHERING HOLY SPIRIT, THAN A WOMAN? A woman to the world today means love, a mother means love, mother-love is supposed to be the greatest love in the world! So why not? (RD163:2)

SO, IF YOU DEPICT THE HOLY SPIRIT AS THE FEMALE MOTHER OF THE GODHEAD, THEN, IF GOD IS LOVE, IS SHE NOT THE GODDESS OF LOVE? Maybe you think that's a little shocking at first, but think about it. Why not? You can take your choice. You have a right to your own opinion, but that just happens to be how I like to think of the Holy Spirit. (RD163:3)

I'VE GOT AS MUCH RIGHT TO CHARACTERISE THE HOLY SPIRIT AS A WOMAN AS SOMEBODY ELSE HAS A RIGHT TO CHARACTERISE HER AS A PIGEON! When the disciples say they saw the Holy Spirit descending on the Lord like a dove, it does not say it was a dove. (Lu.3:22.) How do you know it wasn't our Heavenly Queen, the Goddess

of Love? From a distance She could have looked like a dove. (RD163:4)

SOLOMON DEFINITELY TALKS ABOUT HER (SoS.6:10; Pr.8:1-32; 3:13-18.) I mean he could not possibly be talking about anybody but the Spirit of God, because he says "she". Solomon says that She says, "I was with God in the beginning & I helped to create the Worlds"! No one was there besides God & Jesus but the Holy Spirit! (RD163:5)

IT'S NOT JESUS TALKING, BECAUSE HE DEFINITELY SAYS "SHE", "HER". Jesus was there, of course. John makes that very clear, the Bible makes that very clear, Jesus was there too. (Jn.1:1-3.) But so was She! And I've got a right to call the Holy Spirit She as much as you've got a right to call Her a pigeon if you want to! (RD163:6)

I THOUGHT EVEN THE CHILDREN CAN UNDERSTAND THAT BETTER. How are they going to understand a Holy Spirit that looks like a pigeon? That's a pretty weak characterisation considering how powerful the Holy Spirit is, & how all-comprehending She is, omniscient, omnipresent & omnipotent! There is so much more meaning in picturing the Spirit of God's Love as a Mother! So I think the female Motherly conception of the Holy Spirit is a good one. (RD163:12) We love you!

Dear Dad, (From one of our secretaries;)

 GBY! ILY! Your study on the Holy Spirit is so interesting! You've talked about the Holy Spirit being a She for a long time! I think the first reference I can remember was in "Prayer for Love & Mercy" (1971) (No.75:13-16) "...the picture of tenderness, gently wooing like the dove, cooling like a dove—easily frightened away if met with hardness & resistance. You don't try to force anybody, Lord! Your Holy Spirit gently descends, & can be easily shooed away. It doesn't land where it's not wanted. Thy Holy Spirit is like a Mother—tender & gentle with the little baby. Not even the father has so much patience. But Thou art like a Mother, hovering over, waiting, comforting, nursing, nurturing!" It's such a beautiful picture of the H.S. as a tender, gentle, wooing, loving, patient Mother! (Amen!) Since I read that, I always thought of the Holy Spirit as being a Mother, & lots of times I would ask the Lord to help me be "more like the Holy Spirit", whereas before that I had always prayed, "help me be like You, Lord." But the Holy Spirit, being like a Mother, I guess us girls can relate to Her more, & try to have the qualities She has—a good Model for us to follow! She's everything we'd like to be! TYJ! (—Amen! GBY!) When making love in the spirit I've always thought of myself making love to Jesus, & I guess the boys could make love to the Holy Spirit, the Queen of Heaven!—I love you!—Pear! (Amen! GBY! ILY!)

Dear Dad, (Compiled by Hope & Joseph Reader) Oct 82

Here are a few more ML references! Wow! TYJ!  
 IT'S A LOT LIKE THE RELATIONSHIP OF GOD TO US: In some ways the Holy Spirit is like a Mother, sweet, loving, gentle, the Spirit that conceives a spiritual babe, brings it to the birth & bears it & gives birth to a newborn babe in the Kingdom of God, a Child of God. But as we grow older & become aware of what's going on we're more apt to need a father image of God Himself & be more afraid of Him than we are of the Holy Spirit, a gentle wooing dove—afraid of His rod of correction & His judgements & His very heavy hand that enforces His strict rules. So that's the way I see it. (Sex Problems, 332C:67)

BUT YOU WOMEN HAVE MUCH MORE MERCY. You're

ably more like the Holy Spirit because you are  
 the Spirit of the Holy Spirit. God is the Father & the  
 Spirit is like the Mother--like you women.

YOU'RE SORT OF LIKE THE HOLY SPIRIT, THE MOTHER.  
 that's true even with the children. The mothers  
 always have more mercy & patience with the children  
 than the fathers.

YOU WOMEN ARE MORE LIKE THE HOLY SPIRIT or Moses  
 Jesus. The mother is always the intercessor in the  
 family.

NO WONDER THAT POET CALLED THE HOLY SPIRIT THE  
WIND OF HEAVEN--the Spirit runs after us! See?

Men With More Mercy Than God, 583:14, 51, 65, 69, 97.)  
THE PICTURES HE SAW were as the slow, beautiful  
 floating motion of an underwater ballet, with the Wild  
 Wind represented in dreamlike fashion as a beautiful  
 woman whose long flowing gossamer gown was like visible  
 currents of filmy air which flowed after her in lovely  
 undulating motions, as she playfully, yet enticingly, sought to  
 escape David's grasp as he determinedly pursues her in  
 a vain chase to final fond embrace in ardent love! (My  
 Book is the Wild Wind, 154B Intro.)

OUR ARTISTS HAVE PORTRAYED GOD'S SPIRIT AS HIS  
QUEEN OF LOVE! She is absolutely gorgeous!--God's  
 Spirit-Queen of Heaven! What a beautiful representa-  
 tion of the Holy Spirit! His Queen of Love!--How true!  
 of God is Love!

I ALWAYS DID THINK OF GOD AS OUR HEAVENLY FATHER &  
HIS SPIRIT OF LOVE AS OUR HEAVENLY MOTHER--making Her  
 the Spirit-Queen of Love!--Even the Catholics have this  
 concept of Mary. It meets a human need of visualizing  
 the loving Motherhood of God in His Motherly Holy  
 Spirit.

THIS MAKES THE TRINITY MORE COMPREHENSIBLE, the  
 Third Person of His Spirit more understandable,  
 complete as Father, Mother & Son! This is vividly  
 picturing His abstract Spirit of Love in a more con-  
 crete way by personifying Her as She should be--a  
 Motherly conception of His Holy Spirit of Love!--His  
 Spirit-Queen of Love!--the God-Mother! Queen of  
 Heaven!--Goddess of the Trinity!

WHAT DO WE THINK OF WHEN WE SEE HEARTS & FLOWERS &  
A BEAUTIFUL WOMAN?--LOVE! So why not picture God's  
 Love, His Spirit, Third Person of the Trinity, as a  
 real Person?--Which She Is!--His Holy Queen of Love!  
 God the Mother! God the Holy Spirit!

WHAT BETTER SYMBOL OF GOD'S LOVE COULD YOU HAVE  
 than this beautiful characterization of a gorgeous  
 lovable woman, the Mother of the Trinity, God's Holy  
 Spirit of Love, personified as a lovely exciting woman!  
 Love Her! (The Goddess of Love, 723:1, 3, 4, 9, 12.)

#### JEWELS ON THE HOLY SPIRIT!

 DFO1302

1. I GOT REALLY INSPIRED ON THIS! I WENT THROUGH TEN  
VOLUMES OF OUR KOMIX--5032 PAGES!--AND I FOUND 176  
PICTURES OF HER! It's unbelievable how many pictures  
 there are! The point is, I wanted to pick those where  
 She already had been mentioned or shown, or the artist  
 under inspiration had been picturing somebody & he  
 probably didn't even know who it was! Time & time again  
 I think the Lord has inspired them to picture Her &  
 they didn't even know who it was! They just figured it  
 was an angel or something, like a lot of people saw  
 Her, or thought they saw Mary, & they were probably  
 seeing the Holy Spirit, Queen of Heaven, Mother of the  
 Trinity!

2. I THINK THIS IS GOING TO BE QUITE A THEME! It's  
 quite a doctrine & it's one of our pet doctrines, our  
 shibboleths! PTL! And I believe it! I really do! I

mean, it's there undeniably, right in the Scriptures!  
 There're one or two places in the New Testament that  
 some of them claim are contradictory where an  
 indefinite pronoun was translated "He" or "Him" instead  
 of "She" or "Her", but I think it was strictly those  
 Jewish translators who couldn't bear the thought of a  
 Female Holy Spirit! (Jn. 14:16, 26; 16:13.)

3. I BELIEVE THEY HAD A BUNCH OF JEWS WORKING ON IT  
THERE UNDER KING JAMES TOO, INCLUDING DEAR SHAKESPEARE,  
 that just couldn't quite stomach a "She" for a pronoun  
 which could be translated either way, so they just went  
 ahead with the "He". I'm talking about the King James  
 translation. For example, the King & the Archbishop had  
 to make the decision between using an English word for a  
 church building, "church" which came from "kirk", for  
 the Greek word "ecclesia", which actually meant "the  
 called out ones" or "the group" or "the assembly of the  
 Saints", the people, & not the building at all!

4. THE ARCHBISHOP ADVISED THE KING THAT THAT WOULD BE  
A DANGEROUS DOCTRINE to make a distinction between the  
 body of the people & the building, & that that would  
 take them out from under the power of the Church. It  
 was quite a raging controversy amongst the King James  
 translators in 1611, & of course the Church & King won!  
 So every place where "ecclesia" is translated it uses  
 the word "church" which came from "kirk" or "the  
 building", even though the original Greek meant "the  
 body of the believers", "the called out ones"--the  
 people! Think of that!

5. AND LOOK WHAT IT HAS DONE TO GENERATIONS! That one  
 little compromise they made with the Devil just about  
 wrecked the church for generations & kept them under  
 the power of the ecclesiastical system & the denomina-  
 tions & the buildings! That has become their major sin,  
 those buildings! They spent more money on them than  
 anything! Just because they didn't want to have to  
 translate it to mean what it really meant for fear it  
 would destroy the grip of the religious hierarchy! But  
 it destroyed the power of the people & their witness  
 to the world by emphasizing buildings & meetings  
 instead of Missions!--So they failed to evangelise the  
 world, & so those buildings damned millions!

6. AND I THINK THAT'S EXACTLY WHAT HAPPENED TO THOSE  
ONE OR TWO VERSES IN THE NEW TESTAMENT where it says  
 "He" & "Him"! I think it may even be "She" or "Her"!  
 Because they just couldn't stomach translating it as  
 Female! Those Jews, after all, they couldn't stomach it  
 that it should be a "She"!--Those male chauvinists!

7. I MEAN, WHEN ONE LITTLE TRANSLATION OF ONE LITTLE  
PRONOUN CONTRADICTS ALL THE REST OF THE MASS OF SCRIP-  
TURES--INCLUDING BOTH NEW TESTAMENT, OLD TESTAMENT,  
PROVERBS & GENESIS AS WELL AS THE REVELATIONS OF  
GOD, YOU KNOW SOMETHING'S HAYWIRE! I'll stick to my  
 revelations! If one little tiny controversial contra-  
 dictory translation of one single pronoun in the New  
 Testament contradicts what I've seen with my own eyes,  
 then I'll stick to what I've seen!--If it contradicts  
 not only that but all the other Scriptures as well!  
 Amen!--So I'll stick to my guns & I'm gunnin' for Her!  
 HALI!--You too?--GBY! ILY!--And I love Her!--Do you?

SO WE'VE GONE THRU' ALL OUR ARTISTS' CON-  
CEPTIONS OF HER & CHOSEN THE FOLLOWING as  
 being their various representations of Her that  
 depict her Motherly ministries, from some of  
 their earliest in the some of the very earliest  
 letters to my very latest exciting dreams of  
 Her! We felt you'd be thrilled with the beauty &  
 magnitude of it all & amazed at how often She  
 has appeared in our art & letters. Our Dream Queen!
