1. MARIA AND I HAD JUST FINISHED LONG DAY'S WORK at her typewriter in the little house in the big city and had gone for a walk in the cool of the evening to get some fresh air and a little exercise and dinner out for a change and relief from our writing. We had just finished a delightful meal at a cosy little neighbourhood dining room and were starting home again somewhat reluctantly, as we were strongly feeling the need for some relaxation and recreation to refresh our weary minds and bodies and lift our spirits after a hard day's work.

2. AFTER SITTING ALL DAY AT OUR

DESK in our tiny room, somehow or other the prospect of sitting another two or three hours in some movie or at some other entertainment did not exactly appeal to us, which is why we so often take long walks together in the evening. But this night it was already dark and the idea of a long walk through the darkened and dangerous streets of the big city did not particularly interest us either.

3. WHAT TO DO IN A BIG CITY AT NIGHT after a long day's work at a sedentary job is a problem which often confronts many of us. You feel the desperate need of a change

from sitting or standing all day in some office or clerical task, and an urgent desire to get out and away from it all and forget your work and your problems for a while with some form of exercise, sport or recreational amusement.

4. BUT WHAT HAS ANY BIG CITY TO OFFER?--If sitting even longer at some show or theatre or movie and being burdened or frightened nearly to death with other people's problems and troubles, usually fictitious, does not appeal to you, what are you going to do? There are clubs, of course, where the members can swim or play tennis or handball or engage in some other form of strenuous sport if you and your mate are up to it and members, but what if you're not?

5. WHAT IF YOU'RE JUST LONELY STRANGERS in a strange land, members of no exclusive local sports club or fashionable recreational facility and these are not always available to you? What if you're only a tourist and it's too cold to swim in a cold climate and you've long forgotten where you put your bathing suit and you hadn't even thought of packing your tennis rackets for a 'round the world tour and have never been too adept at some other indoor sports nor too fond of the type of people who engage in them, except those which are played in bed?

6. WHAT IF YOU'RE EVEN ONE OF THOSE RELIGIOUS FANATICS who wants to go around everywhere and tell everybody about the love of God, when and where free to do so in your spare time? It might be very convenient and conducive when lolling nearly naked in the sun all day on some crowded beach next to a pretty girl or boy, but how many of us have all day every day to take off for what beach and what sun in a cold climate or at night?

7. AND EVEN IF YOU ARE PROFICIENT IN SOME STRENUOUS SPORT, what opportunity does this give you above the

confusion and hubbub of sports to share with your playmates your love of God? Such a confused and noisy atmosphere is not generally conducive to such intimate sharing. I know some church people who would say you could stand on a street corner and pass out religious tracts.

8. OR IF YOU'RE AS REVOLUTIONARY AS THE CHILDREN OF GOD, you might energetically walk down the street passing out those shocking MO Letters to passersby. But how many passersby are you going to find on the streets of the average city after nine or ten o'clock at night --which is when we usually finish our dinner after a hard day's work --unless you live in one of the world's largest cities where there are huge crowds milling about the city center seeking the various prolific forms of big city entertainment?

9. BUT MOST OF THESE PEOPLE ARE IN A HURRY to go some place and don't want to be stopped with talk, and the only ones who might have time to listen are those standing in long queues waiting to get in. But what are you going to do when they're gone and the show is on and you're left outside alone on streets virtually deserted? Of course, you could sit or stand around for the next two or three hours and wait for them to come out again and try to catch them on the run while they're hurrying home or to eat or to bed with their date.

10. SO WHAT COULD YOU POSSIBLY DO LATE AT NIGHT to both get your desperately needed physical exercise and recreation and at the same time have adequate opportunity to share the love of Christ with others?-- Particularly what are you going to do if you're only a tourist passing through and not a member of any exclusive local sports club or social club.

11. WHAT IF YOU ARE LIVING IN A COUNTRY UNDER CLANDESTINE SECURITY

CONDITIONS which do not permit you to openly distribute religious literature of another faith or to litness freely or witness openly in such a way that you would destroy your cover or reveal your identity, which could be extremely dangerous or even fatal, even if not unlawful in some areas, because of bitter enemies of your faith?

12. AND WHAT ARE YOU GOING TO DO AS MORE AND MORE COUNTRIES ARE CLOSED to us and open litnessing and witnessing is forbidden, and religious gatherings, meetings and worship services of another faith are highly restricted or completely forbidden, your churches or Colonies closed, your literature banned and your meetings forbidden, as will be more and more the case in the worsening days to come in more and more areas and finally world-wide under the coming reign of terror of the Anti-Christ?

13. WHAT ARE YOU GOING TO DO THEN if you don't happen to be one of the boldest and most powerful of the famous Last Day Witnesses described in Chapter 11 in the Apocalypse or the Book of Revelation in the Bible who can call down fire out of Heaven and plagues and famines to destroy their enemies in self-protection while preaching the Gospel miraculously under almost impossible conditions?

14. OR WHAT CAN YOU DO RIGHT NOW IF LIVING AS A FAMILY IN A SECRET COLONY unknown even to your brethren, much more your neighbours, where you're not allowed to assemble more than a few people in one place nor conduct any type of normal or organised religious activities and you do not dare reveal your identity or even hand one person one piece of literature or it could mean jail for you?

15. WHAT COULD YOU POSSIBLY DO TO NEVERTHELESS OBEY JESUS' OUT-RIGHT COMMANDMENT to "go ye into all the world and preach the Gospel to every creature" regardless of

such difficult conditions? Some of you might say, "Well, I have my work and I'm already doing a secret job here for the Lord in some office capacity or otherwise which makes it possible for others to preach the Gospel in other places, and therefore I don't have to be-cause I can't".

16. OR WHAT IF YOU ARE ONE OF OUR CATACOMBS DISCIPLES in jail or in school or on a military base, on shipboard or at home or at work with a job which you cannot leave because of debts, obligations, family responsibilities or other reasons? What are you going to do to obey Jesus' commandment and His Spirit's urge within you to share the message of His love with others even at the risk of your job or your freedom or your life--or your wife!

17. WHAT CAN YOU DO, WHERE CAN YOU GO, how can you find others who have the time and the inclination to listen under such conditions when you can only spread the Word by word of mouth and personal example? Where can you find an atmosphere conducive to such secretive intimacy and love for hours on end all through the night in almost any city in almost any country in almost any part of the world, regardless of their religious laws and literature restrictions?

18. WELL, PRAISE GOD, WE HAVE FOUND THE ANSWER AT LAST! For we have been living now for years ourselves under just such or similar conditions in many countries and cities of this world and we have discovered a method which, although one of the most difficult, has proven to be one of the most effective and fruitful!

19. AS ALWAYS, WE HAVE BEEN PIONEERING THIS NEW FIELD FOR YOU FIRST OURSELVES to experiment with the various ways and means and do's and don't's in a field of witnessing which can be dangerous but thrilling and extremely rewarding! After

three years of experience in this field ourselves personally, and hinting to you in a number of letters its methods and results, we feel we are now ready to openly declare them to you as a desperately needed method of witnessing under the most extremely difficult conditions where no other form of witnessing could possibly be tolerated.

20. YOU WILL NOW BE ABLE TO ENTER COUNTRIES HITHERTO FORBIDDEN and spread the Word in cities where it was thought impossible and reach a new and extremely important class of people with whom we have heretofore only scratched the surface! We are no longer all hippies, neither are we all so young any more, and in many places we can no longer run in robes down the street shouting "Jesus loves you" and distributing literature to all who pass by.

21. NEITHER CAN OUR MESSAGE OF HIS LOVE BE ANY LONGER CONFINED TO ONLY THE YOUTH of the world.-- We must reach their older brothers and sisters as well, young couples with families, mothers and fathers and even grandmothers and grandfathers. Our message can no longer be limited to merely the poor young hippies but must now be spread also amongst their rich elders and influential businessmen, politicians and government leaders if we are to obtain their favour and protection and to continue to have opportunities to reach their young.

22. YOU MAY HAVE TO EVEN USE THIS METHOD TO WIN FAVOURABLE TREATMENT from your captors and jailors and imprisoners and persecutors under the most trying conditions of days to come--as some already have even in the extermination camps of Nazi Germany, winning the love and favour and even preferential treatment from some of their highest officers by so doing--and even winning some of them to the Lord thereby!

23. TO SOME OF YOU THE REVELATION OF THIS METHOD WILL BE A SHOCK if not actually horrifying and even offensive! Others of you already know what I'm talking about or have gotten the hint about what we've been up to through a number of our past letters, and maybe even some of you have already tried it or are attempting to use it as a part of your own ministry even now.

24. BUT TO PROVE ITS EFFECTIVENESS AND ITS EXTREME FRUITFULNESS WE ARE NOW GOING TO TELL YOU THE STORY of one whom we shall choose to call "King Arthur" who was won by this method "as a brand snatched from the burning" and has now become one of our most promising prominent and faithful leaders in only three years time! For security reasons and for his own sake while awaiting his development we have withheld his story from you for over two years, but now it can be told!--And it begins with that fateful night we have already begun to describe above:

25. WHILE WONDERING AND PRAYING ABOUT WHAT TO DO NEXT about this perpetual and daily problem, we rounded a corner and suddenly came face to face with a lighted sign-board advertising "Beginners' Dance Lessons at Special Low Rates!", followed by the name of a well-known champion dancer. We then looked up and noted for the first time we were standing at the entrance to a popular local ballroom, and I had a sudden fateful inspiration which was to change our whole lives from that moment on!

26. I TURNED TO MARIA AND ASKED HER FOR THE FIRST TIME in our loving life, "Would you like to really learn how to dance?--It can be lots of fun and good exercise and a way to get our recreation when nothing else is available!" I was really excited about it. But she, always shy and timid out in public, was a little reluctant and hesitant.--The fact is, as she just now quipped,

"I was actually scared to death!"

27. WE HAD TRIED TO DANCE TOGETHER BEFORE as I had tried to teach her the few simple dance steps that I knew, such as the foxtrot, waltz and rhumba. Although she had never danced before she met me, she had followed very well, having a natural love for music, a feeling for rhythm and a rare gift of instinctive following. We had gone dancing together on a few rare occasions previously just for kicks or to do something different or at the invitation of friends, but we'd never taken it very seriously and had never considered it as anything more than the lightest of pleasant occasional entertainment.

28. WHEN ALONE ON THE ROAD in the past as a lonely travelling salesman, I had been mercifully taught to dance by a few kind females who wanted me to take them dancing, and I'd picked up a few basic steps that I could muddle through under favourable circumstances. But neither of us by the wildest stretch of your imagination could possibly have been called good dancers.

29. OUR SIMPLE STYLE WAS MORE OF THE YOUTHFUL DISCO or intimate honky-tonk type, where about all you have to do is rock back and forth on your four feet in time to the music--which you can get by with under many circumstances if the lights aren't too bright, the folks aren't too few and the club operators aren't too particular. We were later to discover somewhat to our embarrassment that this was known as the U.S. "kiss-and-cuddle" style to the more proficient European ballroom dancers, whose expertise could almost be considered demonstration dancing in the U.S., or real professionalism.

30. WELL, WE WERE ANYTHING BUT PROFESSIONALS and we soon learned that we couldn't even be classed as amateurs, for we immediately had to be put into the "Absolute Beginners" class, such to our humiliation! But

like a couple of excited little kids we entered this terrifying new world with fear and trembling as we signed up and took our places in the class and began our first lessons in the very simplest of the basic internationally known steps and rhythms.

31. BUT IT WAS FUN, and there were lots of other embarrassed beginners to share our mistakes with us. So we were "off to the races" as we began our entirely new dancing career, which was to grow into one of our most amazing and surprising ministries!

Chapter 2:

"The Cost of Flirty Fishing!"

32. WE WERE SOON TO CALL IT "FLIRTY FISHING" after a revelation and prophecy from the Lord described in our Letter No. 293, "Flirty Little Fishy", and enlarged on in other Letters such as "Lord Byron", "The Ram", "Look of Love", "The Dancer", "Mountin' Maid", "Revolutionary Women", "All Things", "Law of Love", "Beauty and the Beasts", etc., as well as many new and soon-to-be-published Letters of our exciting experiences in this new ministry, such as "Sex Needs",

"Rape", "Ministry of Love", etc., and the thrilling story you are now reading, "King Arthur's Nights"!

33. DON'T MISS ANY OF THESE! YOU MUST READ THEM IF YOU ARE INTERESTED IN A "FLIRTY FISHING" MINISTRY of your own and if you are to understand what it's all about and how to effectively witness in this very unusual way, as these Letters together form a very important series of lessons on how to Flirty Fish when literally using sex as your bait, along with more Letters to come on this subject, God willing.

34. WE HAVE ALREADY WRITTEN A WHOLE SERIES ON OUR FF EXPERIENCES during the past three years, but which for security reasons we have not felt wise to release until now. We also felt it better to more thoroughly explore this new area of our ministry and pioneer it before revealing it to you, so as to wisely advise you on both its do's and don't's so that you may avoid some of its pitfalls and dangers, and we are glad that we have been able to pioneer the pathway before you.

35. SOME OF YOU SEEM TO THINK GOD HAS NO OTHER WAY TO SUPPORT YOU THAN THROUGH LITNESSING, and that when your litnessing is forbidden and your literature banned, your ministry in that area has come to a total end. This is not necessarily so. Our Revolution for Jesus began with our own little family on the road as a witnessing team singing in parks, restaurants, churches, campuses, schools and on the streets and elsewhere and distributing free Gospel tracts and later "Warning Tracts" totally by faith without ever passing the hat or selling one piece of literature!

36. WE OFTEN DIDN'T KNOW WHERE OUR NEXT MEAL WAS COMING FROM or where we were going to lay our heads for the night, but God never failed to supply in some way through some source--a friend, a church, the mail, a donated meal, a hospitable room for the night or a campsite, a tank of gasoline from a friendly

filling station man, provisioned groceries and supplies and even money found on the street!

37. GOD IS NOT DEPENDENT ON ANY SINGLE SOURCE OF SUPPLY. He can supply it from some of the most unexpected sources and through what seem to be the most inopportune occasions. Our God is a God of miracles and He doesn't have to always depend upon the same way to supply it.

38. SOMETIMES I COULD ALMOST SWEAR THAT HE MUST HAVE DROPPED IT OUT OF HEAVEN as we heard a coin tinkle to the sidewalk or saw a bill fluttering in the breeze along the pavement! Every time we ran out of money that was the most exciting time of all because we knew then God was about to do some new miracle to supply our need once again--and again and again and again!

39. WHEN WE HAD OUR FIRST CLUB IN CALIFORNIA with fifty people and when we later travelled with over a hundred in 30-some vehicles in one giant caravan from coast to coast and North to South using thousands of gallons of gasoline, and needing hundreds of dollars worth of tires and repairs and hundreds of pounds of food, God never failed!

40. HE SUPPLIED EVERY SINGLE NEED AND MORE! We never lacked for anything we really needed, although we never knew where it was coming from next--scrounging, provisioning, someone's credit card, the mail, a new disciple's forsake all, an inheritance, a gift in the hand, the sale of someone's property, a tax rebate, a gift from home and many more!

41. THE VARIETY OF SOURCES THE LORD USED WERE ALMOST INNUMERABLE AND ABSOLUTELY AMAZING and from some of the most unlikely supporters!-- Ask any of the Old Guard who were with us that year on the road of 1969 and '70 and they will tell you it was 7,000 miles of miracles!

42. AFTER WE BEGAN SETTING UP COLONIES throughout the world, from our first ones in Huntington Beach, California, to our first ones in

Europe and Latin America and Canada, for nearly three whole years when there were hundreds and hundreds of us scattered in scores and scores of Colonies in North America and Europe we never sold a piece of literature or even dreamed of doing so!

43. THE MO LETTERS WERE SUPER SECRET and distributed free only to leaders and trusted disciples along with free tracts and our first little free newsletters distributed free only to our disciples and friends. It was only God who performed the miracle of showing us how we could support ourselves abundantly through the actual sales of our own literature, His precious Golden Words that He'd already given

44. IT CAUSED A TREMENDOUS FINANCIAL REVOLUTION throughout our ranks which is still rolling and bringing in funds to you for your support by the millions! Thank God! Thank the Lord! Thank You Jesus!

45. BUT WHAT IF WE LOSE THIS PRECIOUS PRIVILEGE of giving out His Word and receiving donations in exchange in some parts of the world, or are forbidden to distribute or our literature is banned--what are we going to do then?--The same as we've always done from the beginning:

46. TRUST GOD AND LIVE BY FAITH AND HE WILL NEVER FAIL to supply our needs as long as we continue to be faithful witnesses for Him in some way, the best that we can, however small or restricted or limited in scope!

47. FLIRTY FISHING MAY BE THE ONLY WAY IN SOME FUTURE TIME or even now in some situations. But even so, God can "supply all your need according to His riches in Glory" no matter what sources He uses--and some of them just might turn out to be some of your new-found friends of Flirty Fishing! If some girls and boys of this world "play for pay", why can't we sometimes play for love, the love of God, and expect God to foot the bills for His own glory?

48. FLIRTY FISHING HAS ALREADY WON US MANY FRIENDS and supporters and kings and queens and the favourable influence and protection of powerful personalities as well as many new disciples, some of whom married into the Kingdom or were married by our little Flirty Fishes themselves and have now become mighty friends and strong leaders of our Revolution for Jesus!

49. WHO KNOWS?--WHEN ALL OTHER AVENUES OF INFLUENCE AND WITNESSING ARE CLOSED TO US THIS MAY BE OUR ONLY REMAINING MEANS OF SPREADING THE WORD and supporting the Work, as well as gaining new disciples and workers for the Kingdom of God. What better way to win them than through love, real love, manifested in whatever way is necessary to win their hearts and minds and bodies for His use?

50. WHAT BETTER WAY TO SHOW THEM THE LOVE OF GOD than to do your best to supply their desperately hungry needs for love, fellowship, companionship, mental and spiritual communication and physical needs such as food, clothing, shelter, warmth, affection, a tender loving kiss, a soft warm embrace, the healing touch of your loving hands, the comforting feeling of your body next to theirs--and yes, even sex if need be!

51. WE HAVE ALREADY SPOKEN OF THIS IN MANY OTHER LETTERS and hinted at such occasional possibilities in some of the Letters named above. But do you really believe in His Law of Love and His Look of Love and what Flirty Fishing, All Things, Revolutionary Mountin' Maids, Lord Byron's Surrender and the close relationship of a Beauty with a Beast may lead to?

52. ARE YOU WILLING TO PAY SUCH A PRICE if it comes to that, to even go the limit of marriage and living a lifetime of love for the Lord with your catch? Some don't mind playing with fire, but they don't want to be consumed on the altar of utter sacrifice!

53. DO YOU REALLY BELIEVE THAT "TO THE PURE ALL THINGS ARE PURE" (Tit 1:15), and that "all things are lawful unto you" (I Co.6:12) and you "can do all things through Christ Who strengtheneth you" (Ph. 4:13), and "all things are yours in Christ Jesus" (I Co.3:21)?--and all the other All Things Scriptures? (See Letter No. 302A, "All Things True")

54. WE HAVE A GOOD MANY MORE SCRIPTURES TO PRESENT ON THIS SUBJECT as we reveal its many facets --Scriptures which the Lord gave us personally as answers to is many problems and difficult situations.

55. BUT IF YOU ARE NOT WILLING TO GO ALL THE WAY with your catch, not merely to bed but into a possible lifetime of loving service for the Lord together, don't even start Flirty Fishing, for this is what has happened to some with wonderful results!-- They wound up as husbands and wives and full-time leaders in His Kingdom!

56. ARE YOU WILLING TO GO THAT FAR? --IF NOT, DON'T EVEN START, or you may not be able to stop until you land in a permanent predicament! How far are you willing to go? Well, in Flirty Fishing the answer has got to be "All the way!" from the very beginning if necessary, even if God never requires it of you, because He may, and you must be prepared for it.

57. JESUS DIDN'T GO HALFWAY TO THE CROSS FOR YOU, OR ALMOST ALL THE WAY, but He went all the way and gave all His life for you! How much are you willing to give for others?

58. JESUS FULFILLED JOHN 3:16, HAVE YOU FULFILLED I JOHN 3:16?-- "Hereby perceive we the love of God because He laid down His life for us: and we ought to lay down our lives for the brethren." (I Jn 3:16) "For inasmuch as ye have done it unto the least of these my brethren, ye have done it unto Me!" (Mt 25:40).

59. WOULD YOU DO IT FOR JESUS?--

Then why not for others? "If a brother or sister be naked and destitute of daily food (including sex?) and one of you say unto them, 'Depart in peace, be ye warmed and filled!'--notwithstanding ye give them not those things which are needful to the body (sex?), what doth it profit?" (James 2:15,16).

60. CAN YOU TRULY LOVE OTHERS "WITHOUT PARTIALITY" (James 3:17), or do you only give selfishly to those from whom you only selfishly wish to receive? If you're going to enter a Flirty Fishing Ministry I warn you that you had better be prepared to trust God for "all things", including dancing with the ugly, loving the unlovely, kissing the slobbery, dressing--or undressing--for the devouring, or even going to bed with the insistent!

61. CAN YOU TRUST GOD you won't catch anything including a germ or a sperm, and that even if you do He'll keep or heal and help you to "bear all things" including a love child for His glory?--Or possibly worse yet: Getting stuck with the guy for the rest of your life!

62. NOW DO YOU STILL WANT TO BE A FLIRTY FISH? If not, forget it! Don't even bother to read the rest of this, because you won't even like it!--And don't worry about reading the other Letters either, because you wouldn't obey them anyway! But if you still want to be one of God's little Flirty Fishes for His glory so that "from henceforth ye shall catch men", then proceed.

63. I TOLD ONE GIRL AS I DESIGNED HER VERY REVEALING LOW-CUT GOWN displaying the wonders of God's creation: "Let your light so shine before men that they may see your good works (even your breast works?) and glorify your Father which is in Heaven!" (Mt 5:16)--Praise God? Are you ready? Have you "counted the cost?" (Lk 14:28).--Then here we go! Go, go, go! Hallelujah!
