To: Colonel Mo'amar Godahri, President of the Libyan Jamahariyah.
c/o His Excellency, The Libyan Ambassador, Madrid, Spain.

16 February 1979

My very dear Son, Mo'amar, President of the Libyan Jamahariyah!:

GREETINGS IN THE NAME OF HIM WHOM WE ALL LOVE AND SERVE! Allah Allah Akbar! Thank you very much for your very kind invitation recently transmitted to me by your Ambassador in Madrid through one of our people there. I only regret that it has taken this communication so long to reach me--nearly one week--because of the difficulties involved in communicating directly with me personally, which I am sure you can understand and why.

THIS INVITATION HAS JUST REACHED ME TODAY, FRIDAY FEBRUARY THE 16TH, and therefore, I am having a telephone message regarding it sent directly to our representative in Madrid to be delivered to your Ambassador there as quickly as possible.

WE WISH TO THANK YOU VERY MUCH for all of your past kindnesses to us and extreme hospitality when visiting you previously in your own home in your country for that month of June, 1975, and all the kindnesses and courtesies extended to us while there.

WE ALSO APPRECIATE YOUR HOSPITALITY TO VARIOUS MEMBERS OF OUR PERSONAL FAMILY on their own visits there with you. And we are very thankful that we are continuing to keep an extremely friendly and mutually respectful relationship between us.

WE APPRECIATE THE GOOD WORK THAT YOU AND YOUR FOLKS ARE DOING in many places around the world in the great "Jihad" for Truth and Justice throughout the globe. You may be assured that we have continued to support you personally and your efforts with our own prayers in your behalf, on behalf of your great mission and calling as one of the few world leaders wholly devoted to the worship of our God and His service and the furtherance of His Kingdom on Earth!

OUR FAMILY CONTINUES TO PRAY EARNESTLY FOR YOUR HEALTH AND SAFETY and prosperity and continued guidance of God in your efforts around the world for the peace, plenty and freedom for all mankind through your great faith in Him and His mighty power.

WE TOO ARE STRUGGLING TOWARDS THIS GOAL in our own way and sincere and humble efforts to spread His Love to all throughout the Earth--through 3,000,000 copies of the printed Word each month as well as our 6,000 personal representatives in 89 countries on all six Continents!

THANKS TO OUR MUTUALLY GREAT AND COMPASSIONATE GOD, He is continuing to bless both your efforts and ours in this regard in making us both world leaders in our respective fields as acknowledged advocates of His Faith and Love.

I MUST ADMIT HOWEVER, THAT AT 60 YEARS OF AGE I AM BEGINNING TO SLOW DOWN somewhat and tire more easily and find travel much more difficult than ever before. I find that frequent trips have been a considerable strain and drain on my strength.

AS YOU MAY HAVE HEARD, I WAS VERY ILL LAST YEAR for some time and nearly passed on to be with Our Maker in the Wonderful Place that He has prepared for us to spend Eternity! But by His Grace and Mercy He has permitted me to remain awhile longer, that we might help those who

and us until our time comes, which we are now striving to do to the best of our ability in a few remaining years that we have left.

AT THE MOMENT WE ARE PASSING THROUGH A THIRD RATHER RIGOROUS REVOLUTION in our own ranks which we are continuing to struggle to preserve the purity and purge the dross, so that we will continually be better able to serve Him.

ALSO, I AM SURE YOU HAVE HEARD AND READ IN THE NEWSPAPERS and other publications that a member of the smaller religious groups like ours are going through at the present time considerable persecution by much larger and more powerful ones whom we seem to have offended by our mutual Message of Love and our exposés of their lack of it, using the recent tragic Jonestown thing as their latest excuse for attacking us all!

THIS RECENT PERSECUTION HAS MADE IT VERY DIFFICULT FOR US TO WORK IN SOME AREAS, but has had the very beneficial effect of driving us into other even more needy areas which we have not reached before. We are continuing to press forward toward our common goal of reaching the entire Earth with the Message of His Love, and we are coming closer to that goal daily! Thanks be to God!

WE HAVE ALREADY DISTRIBUTED NEARLY HALF-A-BILLION PIECES OF OUR LOVING LITERATURE IN OVER 100 COUNTRIES. We have nearly 1,000 Homes and 6,000 full-time representatives, and our Message of His Love has reached billions through both our literature and the wide publicity given by means of other publications, radio, television etc. So God is continuing to bless us and make a worldwide blessing. Thank God!

THROUGH ALL OF THIS, WE HAVE CONTINUED TO SUPPORT YOU AND YOUR WORK and express our sympathy toward your many endeavours around the world in the many good causes that you champion, particularly that of the poor, dispossessed Palestinians as opposed to the greedy, heartless, merciless oppression of the selfish Zionists!

WE ALSO REJOICE WITH YOU I'M SURE OVER THE RECENT GREAT VICTORY IN IRAN for the faith of God over tyrants, so gloriously manifested of late both there and some other places. Truly His Truth is marching on, and ours are not the only voices raised in its behalf! Thank God! Sukra-Allah! Ahumdi Allah!

SO THANK YOU AGAIN FOR YOUR EXTREMELY KIND INVITATION TO JOIN YOU IN CONSULTATIONS toward our mutual goals, which I am sure I would enjoy immensely as we did before. However, due to my present extremely delicate health and precarious strength, I feel that it would be a dangerous strain on me at this present time, which I deeply regret, as I would truly like to see you again and renew our deep fellowship of the Spirit.

HOWEVER, I WOULD BE MOST HAPPY TO SEND TO CONFER WITH YOU EITHER ONE OF MY OWN CHILDREN, or both of them together if you like, who have spent much time with you before. My own son, Jonathan, whom you renamed "Jihud", and my daughter Faith, whom you personally named "Eman". Either one or both of them would be happy to visit you again, I am sure, if you so desire, to renew fellowship and discuss any mutually interesting subjects in cooperation together.

JIHUD IS PRESENTLY IN HONG KONG AND EMAN IN SOUTH AMERICA, but I'm sure that either or both of them would be happy to come for a visit, if you so wish it at your convenience. Please just let me know your personal reaction to this suggestion, and I shall be happy to contact them accordingly as soon as possible.

YOU CAN REACH ME MOST QUICKLY BY TELEPHONE THROUGH OUR SECRETARY IN MADRID, Keren Happuch, by telephone number: _____ or by letter to the same secretary there at: c/o Maria Campos, APDO 46131, Madrid, Spain. Please allow a phone call at least three days to reach us with the message, and a letter approximately two weeks, as our own personal location of course is kept strictly confidential for security reasons, which I am sure you will understand, so I am somewhat difficult to reach even by these more direct routes.

YOU CAN BE SURE THAT ANY OFFICIAL COMMUNICATION RECEIVED FROM YOU OR YOURS through these channels will be given our immediate personal attention as quickly as possible. Meanwhile, we shall notify both our son and daughter of your invitation and my suggestion that they visit you, and shall suggest to them that they contact your nearest Embassy to make such arrangements if you so desire.

THEY CAN THEN CONTACT YOU DIRECTLY THROUGH YOUR EMBASSIES in order to arrange the precise time, place and so on, if you would like for them to visit you in my stead.--And you can trust them implicitly to bear to me personally any messages or thoughts which you may have regarding our plans and yours and our further cooperation together. We shall certainly hope to work something out in which we can be in much closer communications and cooperation.

THANK YOU AGAIN FOR ALL OF YOUR KINDNESSES AND IMMENSE HOSPITALITY and thoughtful considerations of us, particularly for your faith in us and our love for you personally. We truly do love and pray for you personally and sincerely, for your health, safety, prosperity and success in your cause of awakening the world to the worship of their Creator!

SINCERELY AND TRULY YOURS IN HIS LOVING SERVICE!

(P.S. to Family: Please remember this is only a diplomatic courtesy Letter in response to a personal invitation, not a call to arms!)
