THE FUGITIVES!

—AN ENDTIME ADVENTURE!

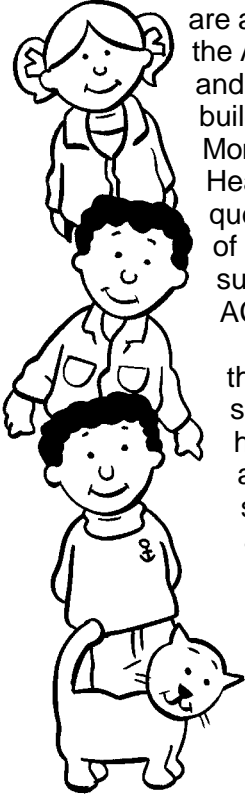

Part 3

Art by Jacques

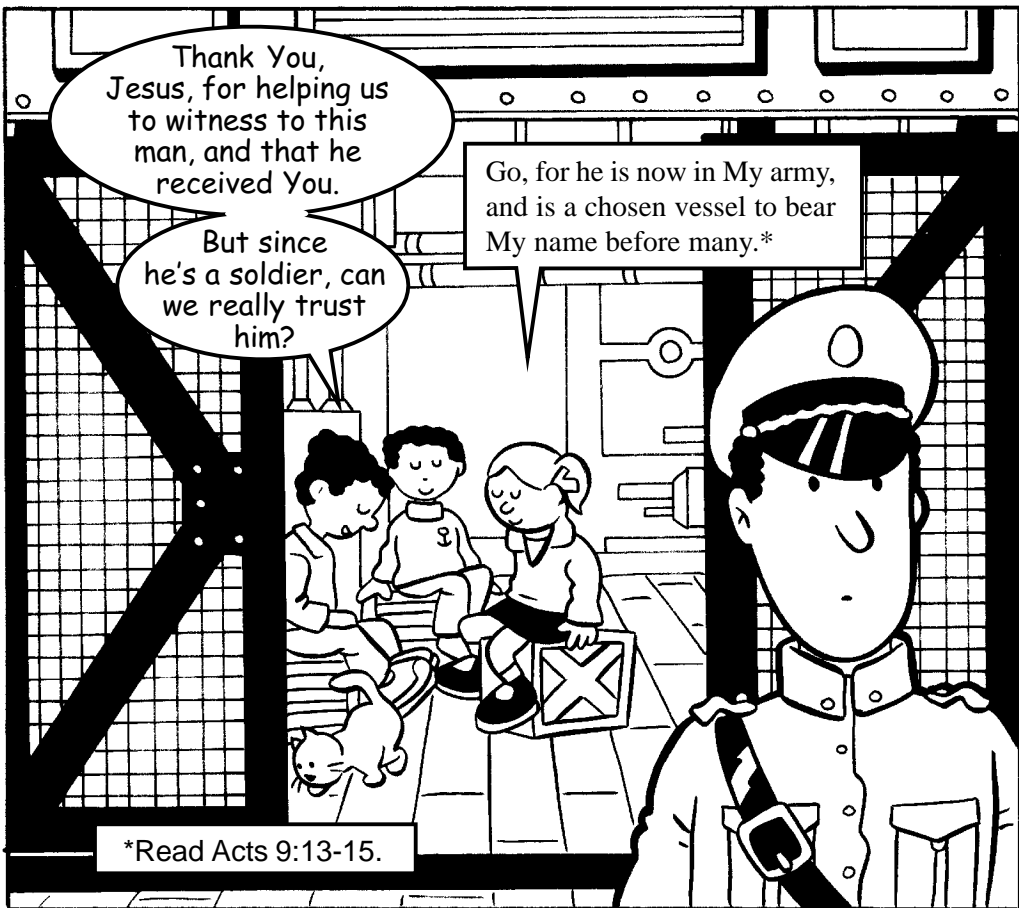

OUR STORY SO FAR...

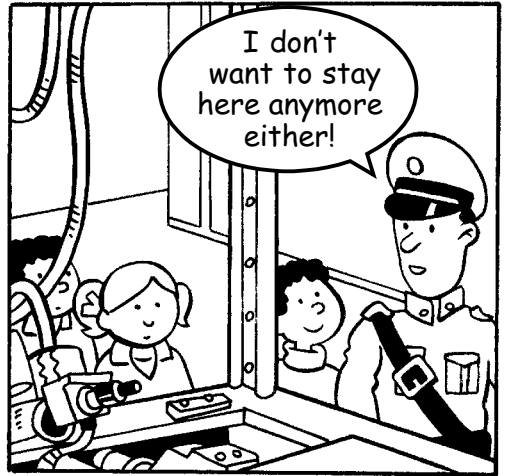

After being transported via a spirit trip to the future, Emilie, Pedro, Marcello and Duchess are again arrested by the Antichrist forces and sent to the building of the Monitoring Headquarters for questioning, the seat of security and surveillance of the AC government.

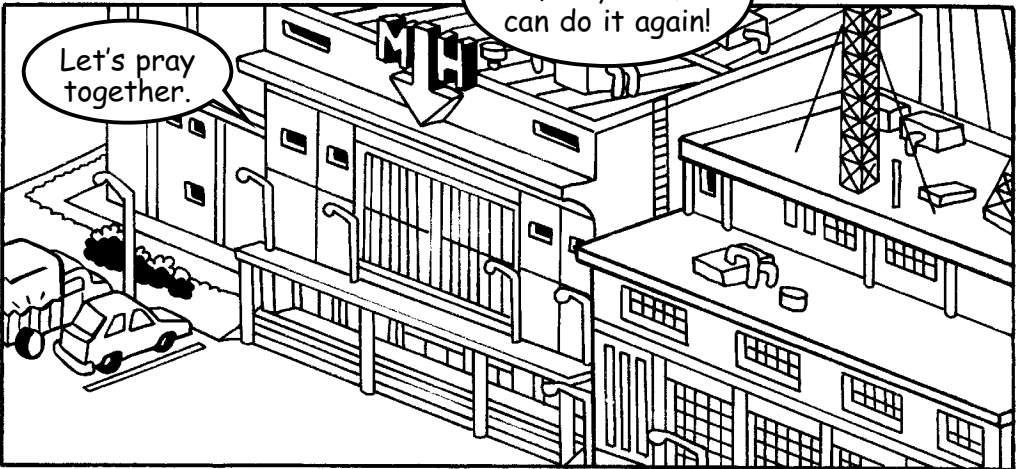

When arrested, they meet a young soldier who opens his heart to them and shares some surprising insight about his personal life. He prays with them to receive Jesus, and proceeds to help them find a way out. ...

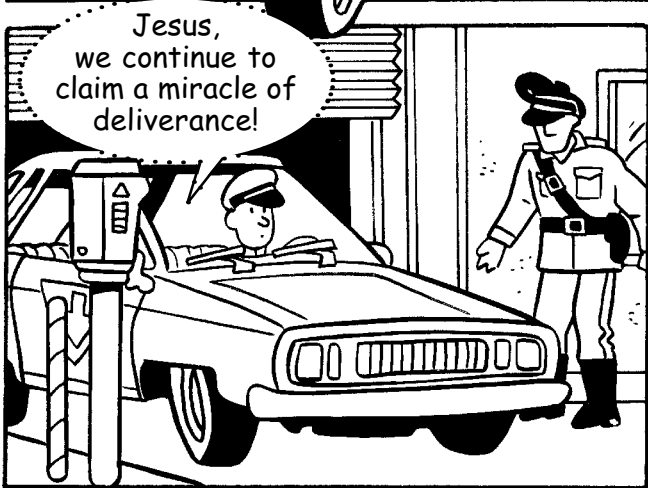

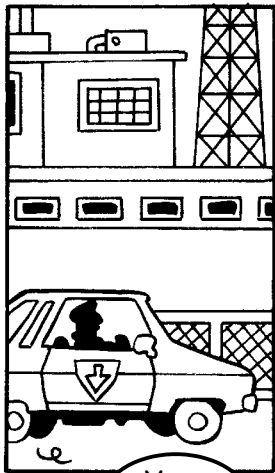

Lord, what should we do now?

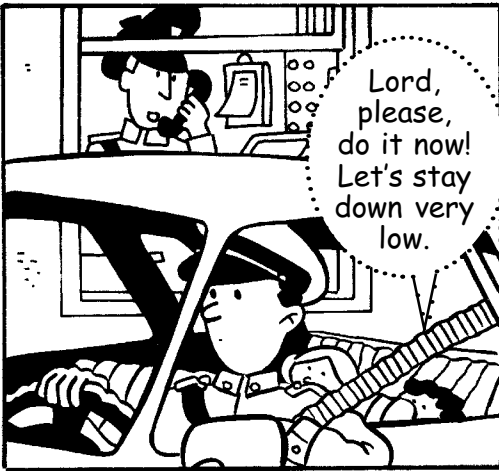

Claim Heaven's keys against their electric power!

After claiming the keys, while pointing their fingers at the AC Monitoring Headquarters ...

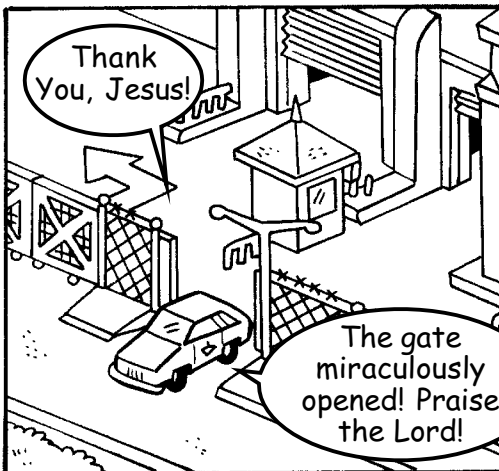

Quickly, crouch down in the back seat!

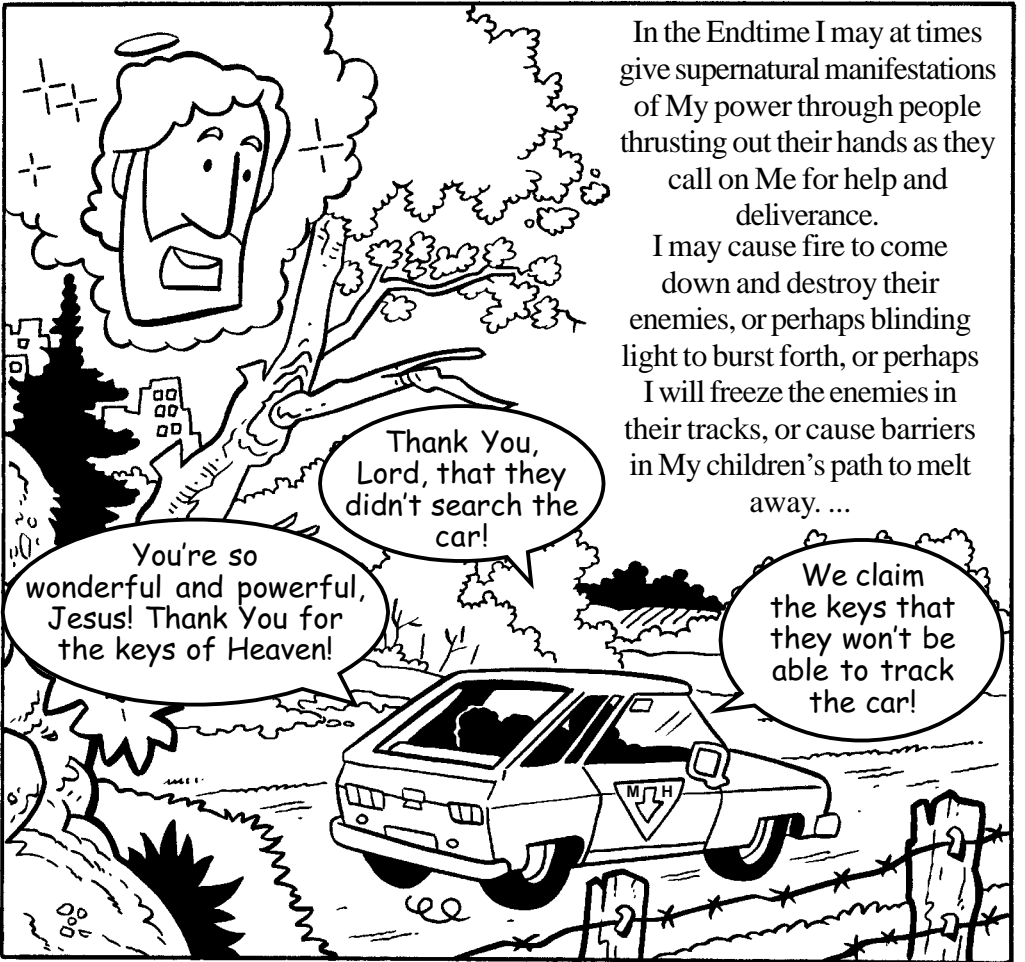

Now, let's get out of here. We can use my car.

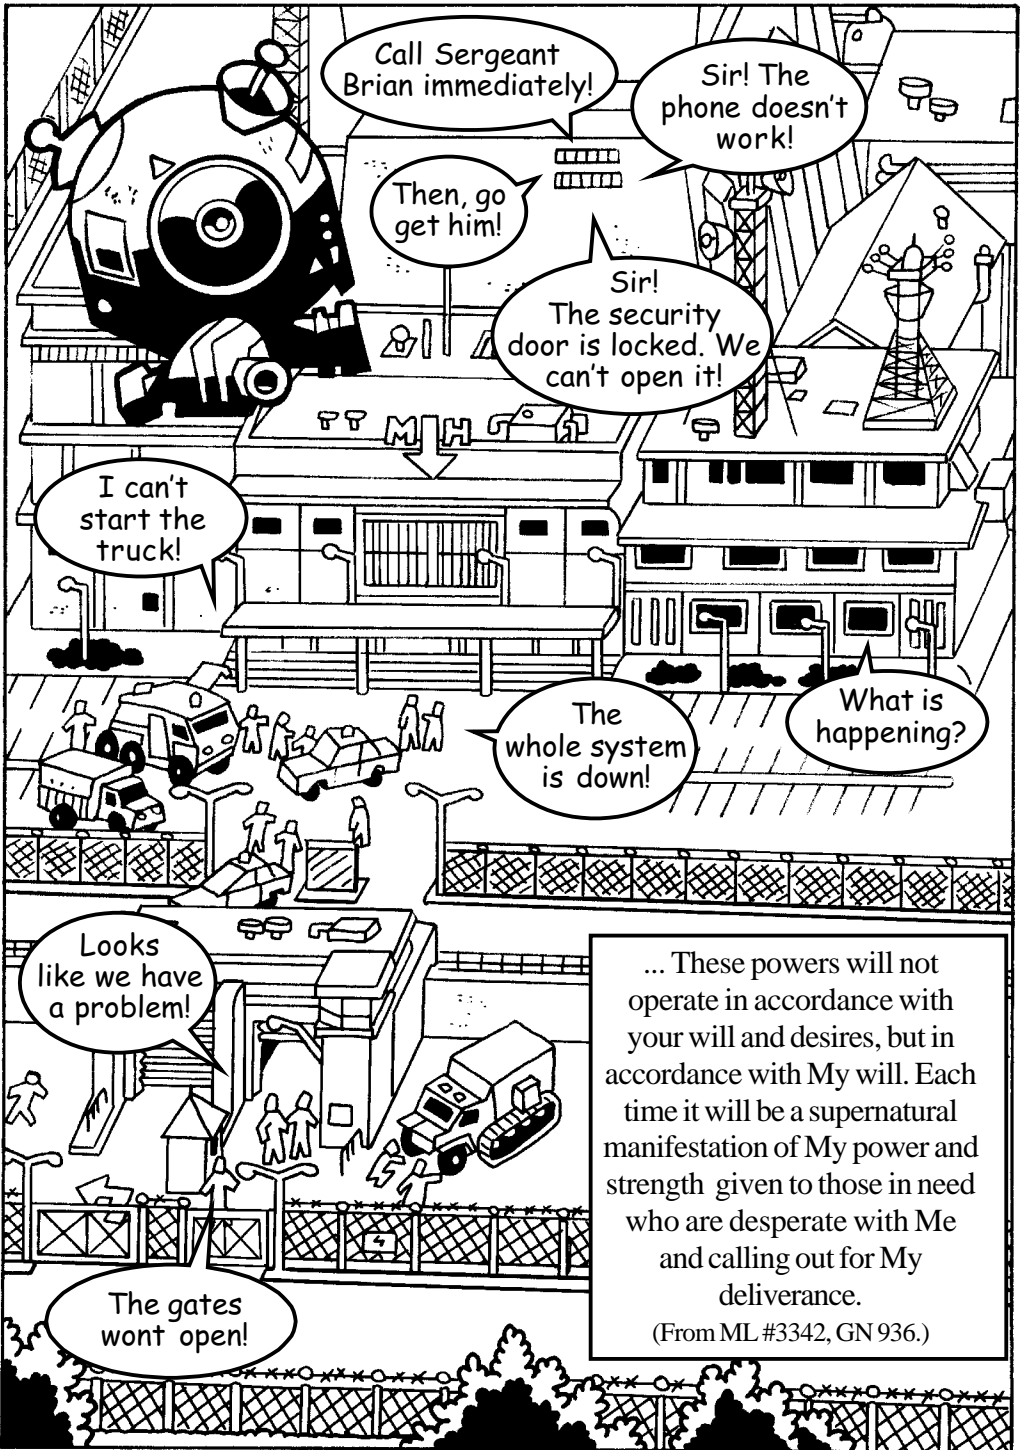

Suddenly in Headquarters all power goes off, as if struck by lightning!

In the Endtime I may at times give supernatural manifestations of My power through people thrusting out their hands as they call on Me for help and deliverance. I may cause fire to come down and destroy their enemies, or perhaps blinding light to burst forth, or perhaps I will freeze the enemies in their tracks, or cause barriers in My children's path to melt away. ...

Call Sergeant Brian immediately!

Sir! The phone doesn't work!

Then, go get him!

Sir! The security door is locked. We can't open it!

I can't start the truck!

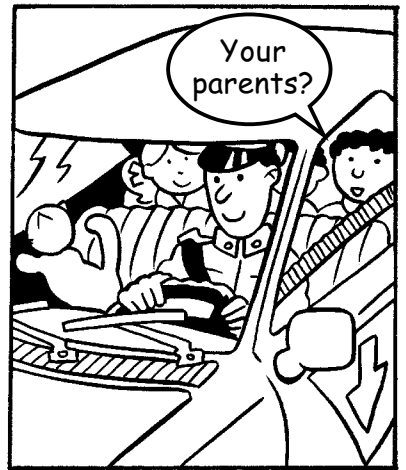

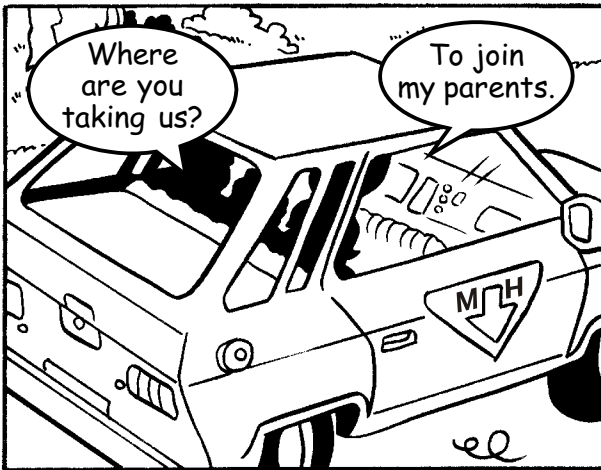

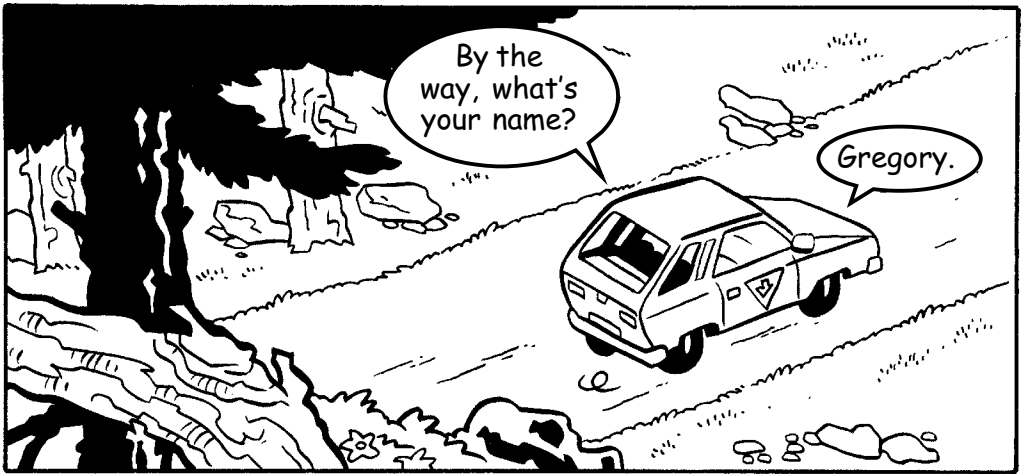

The whole system is down!

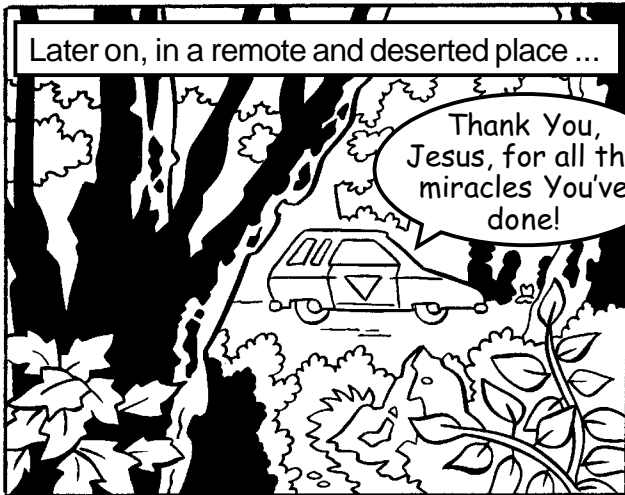

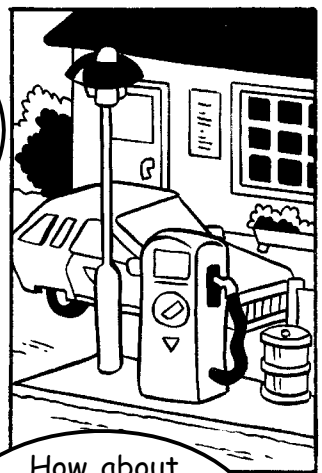

What is happening?

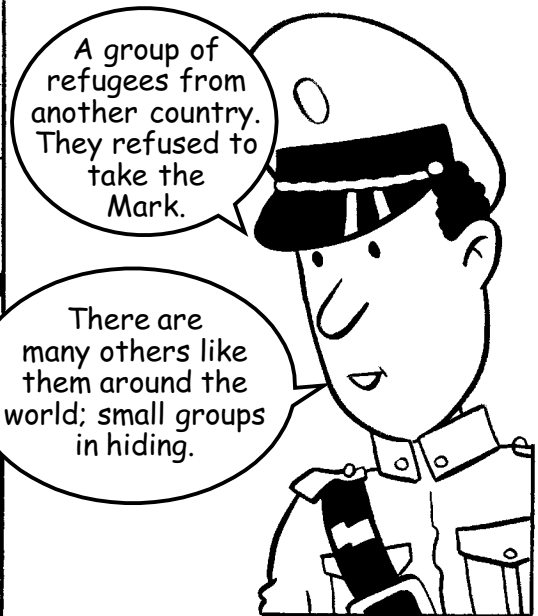

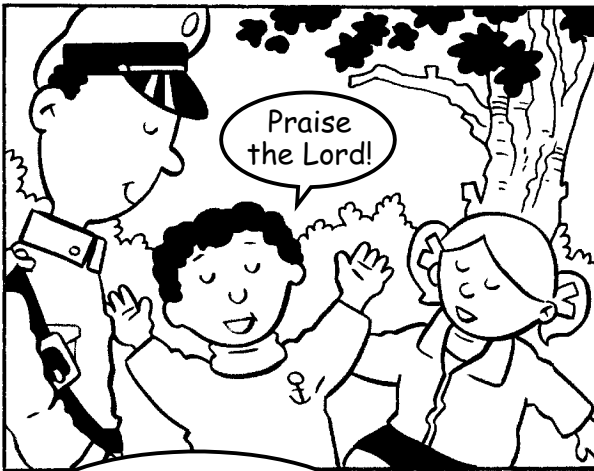

Looks like we have a problem!

... These powers will not operate in accordance with your will and desires, but in accordance with My will. Each time it will be a supernatural manifestation of My power and strength given to those in need who are desperate with Me and calling out for My deliverance.
(From ML #3342, GN 936.)

The gates wont open!

Read about how whole nations will also resist the Antichrist. See *Endtime Study Help #1*.

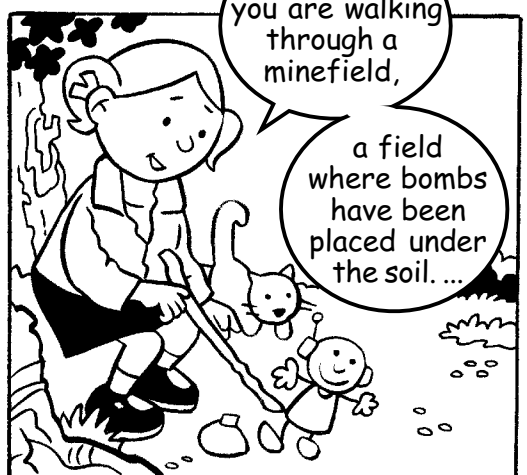

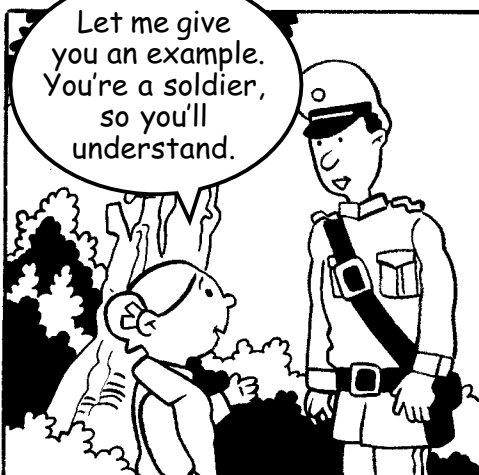

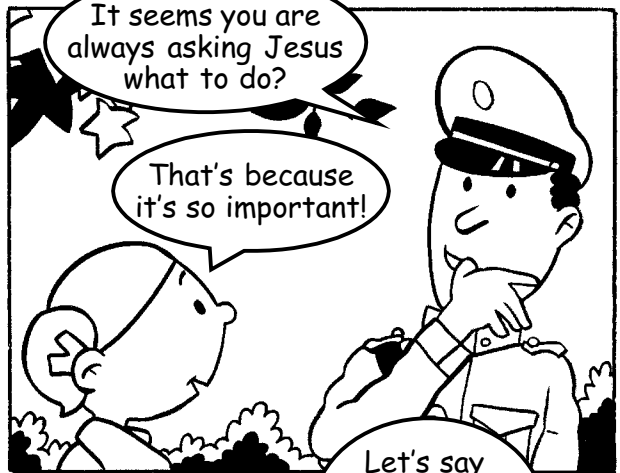

Of course, there will be many, many who refuse the Mark, even though they're not saved and don't believe in or know our God of Love. They are the ones that we are going to be teaching, instructing and praying with during the Tribulation.

One of our greatest ministries will be with those who have rejected the Antichrist, but have not yet found Jesus.

It's going to be wonderful, and His children will have a place of refuge!

Hallelujah!

(From *END* #2:7.)

... Take one wrong step, and you'll be blown away! But you have a little headset on—headphones that you can put over your ears through which someone can speak to you.

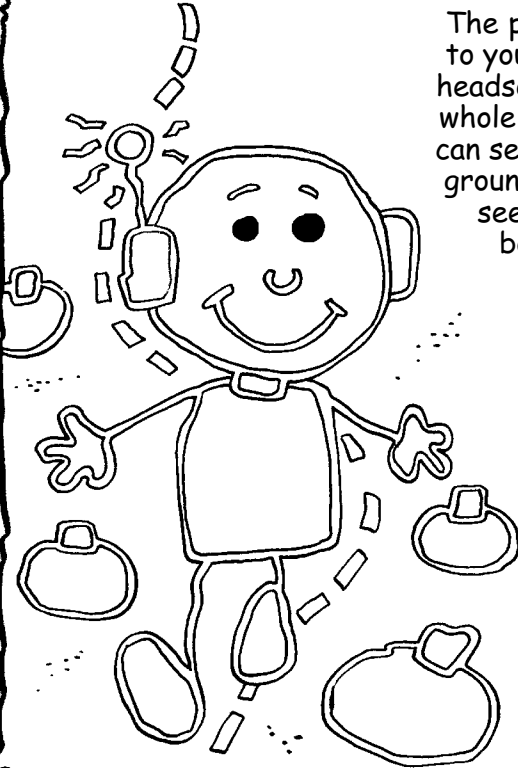

The person talking to you through the headset can see the whole minefield. He can see beneath the ground, and he can see where the bombs are.

If you put on your headset and listen to him, he will tell you when to walk straight or turn to the right or the left, when to jump and when to stop, so that you don't step on a bomb.

That's a lot like our connection with Jesus. He's given us a direct link with Him.

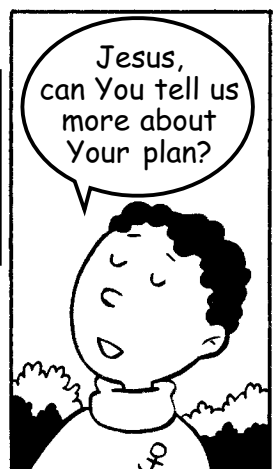

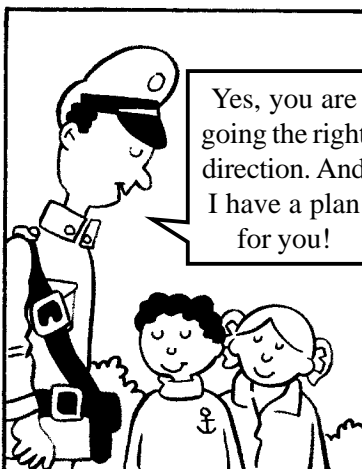

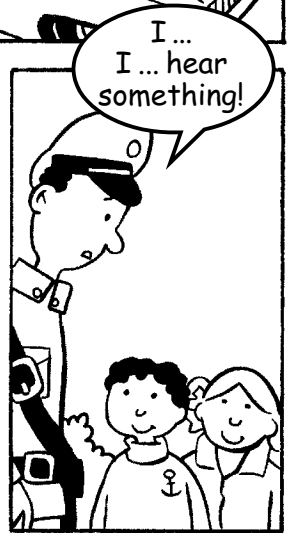

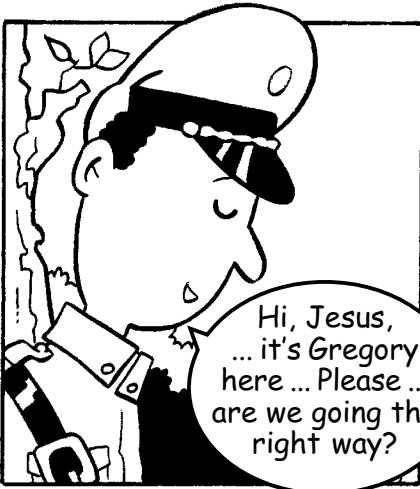

And all we have to do is pick up the headphones and wear them ...

... and He'll be whispering in our ears, giving us our directions.

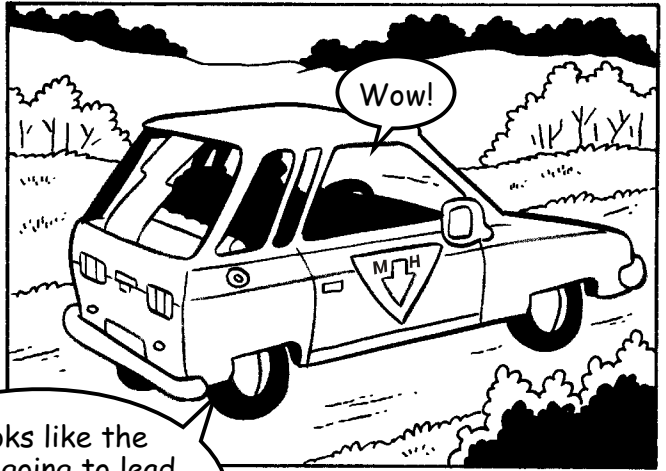

See "Ask Me Everything! Part 2" ML 3271:28, and HTK #85 "Hotline to Heaven," pages 7,8.

(Pedro continues to hear from the Lord:)

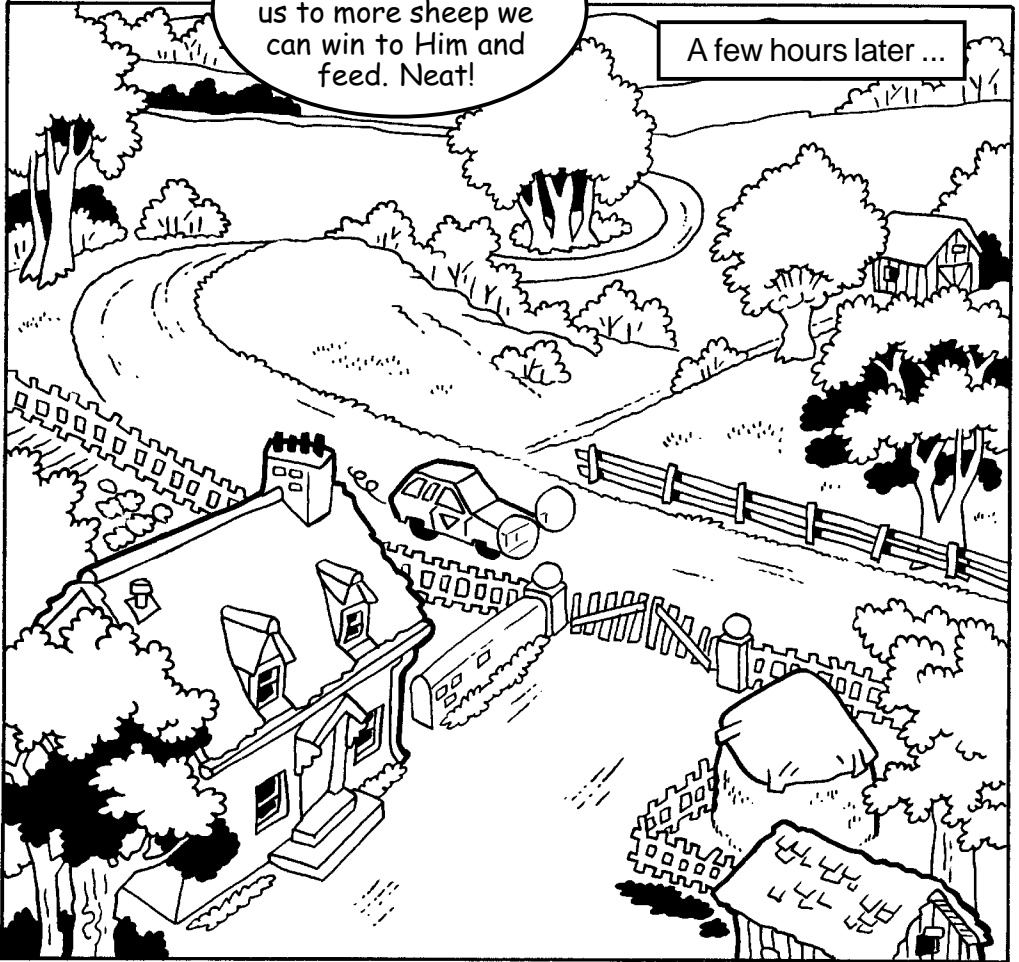

I call upon each of you to give your life to the job of feeding My sheep. For you, there is no higher calling, no job more important than reaching out to My sheep, of being their shepherds.

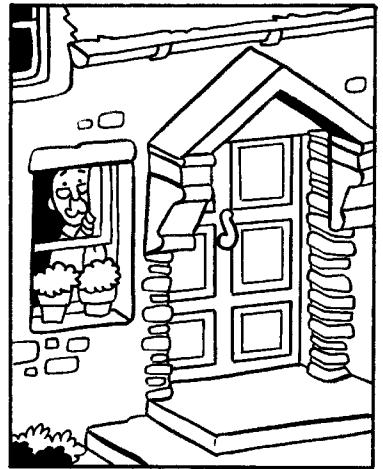

(From ML #3238:116, GN 849.)

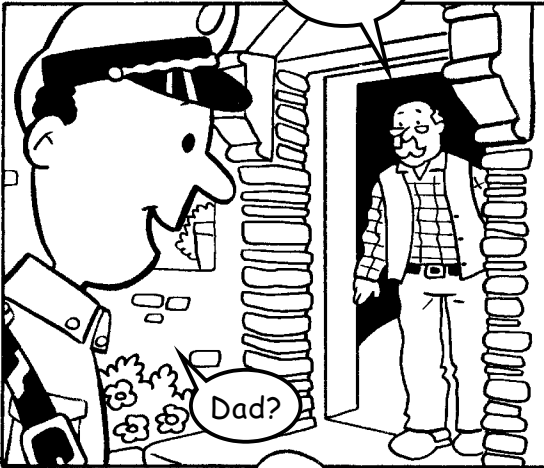

It looks like the Lord is going to lead us to more sheep we can win to Him and feed. Neat!

A few hours later ...

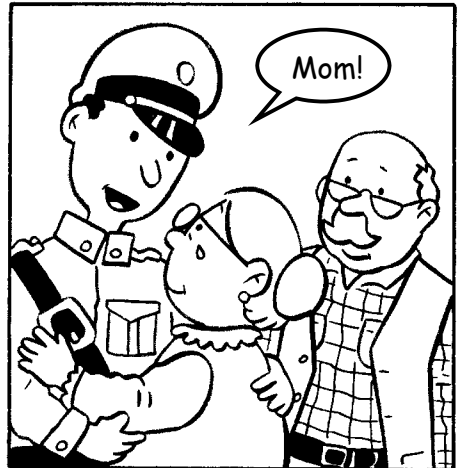

Who's there?

Dad?

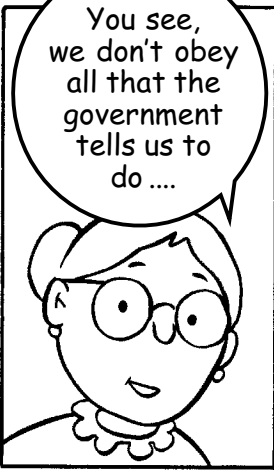

Mom!

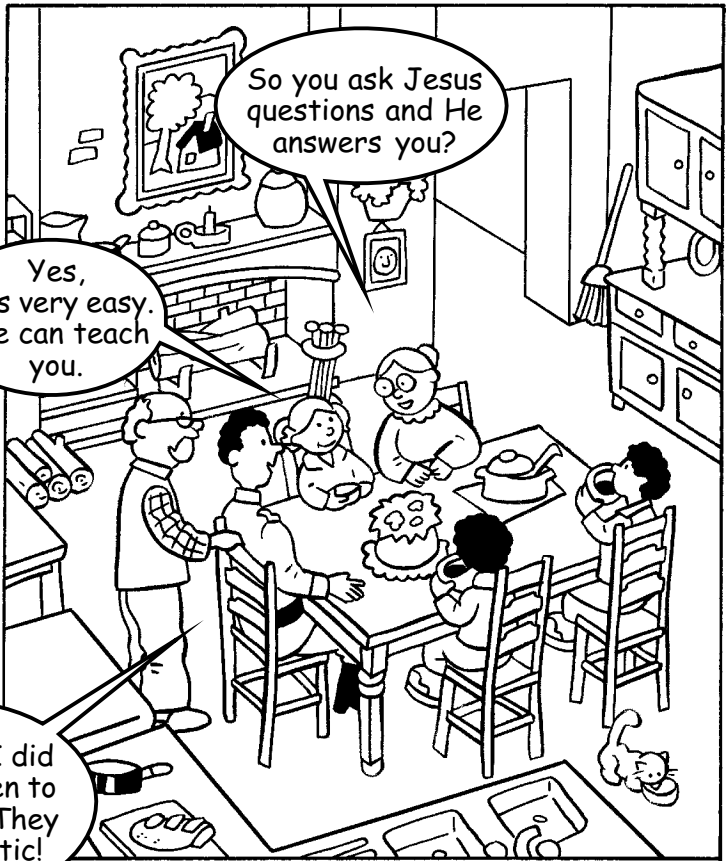

These are my new friends: Emily, Pedro and Marcello!

Please, do come in!

I need strong soldiers, those who have a close connection with Me, who will be able to lead My weaker children through these times of testing.

You, My Family, will be needed all over the world to lead the thousands of My sheep who were never given the privilege of learning to use the New Weapons.

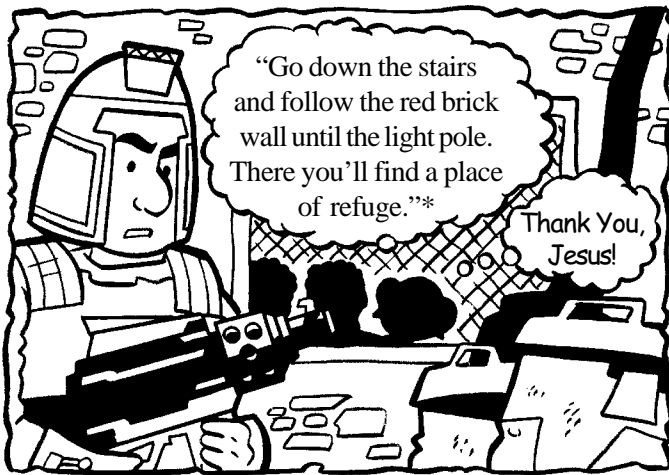

Yes, Mom, I did it, too. Listen to these kids. They are fantastic!

So sharpen your swords and learn to use them now. Prepare for the Great Tribulation in earnest as a soldier prepares for the soon coming battle. For you it will be the most exciting time of your life. —A time of great fulfillment and supernatural strength.

I will at times allow you to call down fire from Heaven to smite your enemies. But much of the time, it will be your close connection with Me that will keep you from your enemies in the first place.

"All the world wondered after the Beast." Revelation 13:3

"All the world wondered after the Beast" (Revelation 13:3). Well, all the world is going to wonder about the Beast and after the Beast and marvel, but not all of them are going to accept his Mark! We are not the only ones who are not going to accept his Mark! I think I counted once that there are five or six different wars the Antichrist fights after he takes power. (See ML #1528.) Who is he fighting? We're not big

enough to wage war with the Antichrist, not even the churches are big enough to do it!

You and I are not the only ones who are going to refuse the Mark of the Beast. Besides us born-again, saved Christians, can you think of any other people in the World who would be rebels against the Antichrist, who would be strong enough in their convictions or their religions to refuse to worship this man who claims to be God, and his idol?

There are going to be whole nations who are going to reject the Mark of the Beast!—Catholic nations, Muslim nations, and in the final analysis, even sincere Orthodox Jews!

All is not well during the Tribulation period, and part of it is not only that he's tribulating us and the Christians

and the other religionists, but they're tribulating him and giving him a lot of trouble, whole nations of them!

We're not the only Christians, believe it or not, who are going to survive the Tribulation and be preaching the Gospel during those horrible

years! There are going to be many Christians of many denominations, true, born-again, Bible-believing Christians who are going to finally wake up to the fact that the Antichrist has arrived and the Tribulation is here and Jesus hasn't come yet, so they'd better get busy, finally, and start preaching the Gospel and winning souls and doing something for the Lord! And when the Antichrist starts passing out that Mark of the Beast, I believe there are going to be millions of unsaved people on Earth who are going to refuse to take it, and their nations and countries and

religions will even go to war with the Antichrist rather than worship him, obey him or take his Mark! You just read it in the 11th Chapter of Daniel and a lot of other places in the Bible. He has all kinds of wars and all kinds of troubles.

Talk about tribulation, he gets his end of it, let me tell you!—Not only from God, but from a lot of people who don't like him! He sails pretty smoothly that first 3-1/2 years when so many people think, "Oh, he's great, he's the Messiah!" Jews will even think he's the Messiah, and the unbelieving World will think he's at least a Superman and certainly he's solving all their problems. But when he gets to the point that he declares himself to be God and insists that everybody worship his Image and take the Mark of the Beast, there are going to be millions of people who are not saved who are going to reject the Mark of the Beast and the Antichrist and rebel against him and even fight wars against him! The Bible says so!

Where in the world did you think the Lord was going to hide us when he says "in the wilderness"? (Revelation 12:14.) **Where is this wilderness?** What forest is deep enough? What jungle is deep enough to hide us Christians and to help the Church survive during the Tribulation period? He's not just talking about jungles and forests or deserts; He's talking about the wilderness of this whole world! There are going to be whole nations who rebel against the Antichrist and whole religions!—Catholics, unsaved Protestants, Jews, Muslims!

A lot of people are going to be deceived by him in the first half of that seven years, but when the real crisis comes and the crux comes and the sheep are divided from the goats, there are going to be millions of people, nations and whole religions who are going to refuse to accept his Mark to the point of taking up arms to fight against him in wars that are described right here in the Scriptures! (Daniel 11.)

There are going to be millions of people, whole nations, whole religions, who are going to wake up to the falseness of this false prophet, this false god and his damnable Idol and his accursed Mark and are going to refuse to worship him and refuse to fall down before his Idol

and refuse to accept his Mark and who are even going to rise up and fight wars against him to resist!—Right up to the end of the Tribulation, right up to the very Battle of Armageddon.

There are going to be whole nations, whole religions, who are going to turn against the Antichrist

and fight him and declare war on him, some of the very nations in which our Family are located today!—Some of the very nations that are being hospitable to you today and who are receiving you today! God's going to bless some of those countries, even some of those religions, by helping them turn against the Antichrist and reject him and refuse to worship him and refuse his Mark, fight against him. So who is the Antichrist going to be fighting in that day?—Those people!
